AFFIDAVIT OF CAMERON BAILEY

Sworn on May 26, 2020.

I, Cameron Bailey, of the City of Calgary, in the Province of Alberta, SWEAR AND SAY THAT:

INTRODUCTION

1. I am an Assistant Vice President, Loan Management Unit with HSBC Bank Canada (**HSBC** or the **Agent**). I have been directly involved with the accounts of Q'Max Solutions Inc., Q'Max America Inc. and QMax Canada Operations Inc. (**Borrowers**) and have overseen the management of their syndicated secured Credit Facilities (as defined below) on behalf of HSBC for many months. Additionally, I have reviewed the books and records maintained by and in the possession of HSBC in the ordinary course of

business. Based on the aforementioned, I have personal knowledge of the facts and matters hereinafter deposed to except where stated to be based on information and belief and where so stated, I verily believe the same to be true.

2. HSBC acts in its capacity as administrative agent (**Agent**) for and on behalf of a syndicate of predominantly Canadian based lenders, currently comprised of HSBC, Bank of Montreal, Business Development Bank of Canada, Export Development Canada and HSBC Bank USA (**Lenders**).

3. I am authorized to make this affidavit on behalf of the Agent (on behalf of the Lenders) in support of an application to appoint a receiver and manager over the assets, undertakings and properties of Q'Max Solutions Inc. (**QSI**), Fluid Holding Corp. (**Fluid Holding**), Q'Max Solutions Holdings Inc. (**QSH**), 1356760 Alberta Ltd. (**135 Alberta**) and QMax Canada Operations Inc. (**QCO**) (collectively, the **Respondents**), being the Canadian corporations within the Q'Max group (**Q'Max Group**) who are Loan Parties (as defined below).

4. Capitalized terms used herein but not otherwise defined shall have the meaning ascribed to them in the Credit Agreement (as defined below).

THE BUSINESS AND BUSINESS STRUCTURE OF THE Q'MAX GROUP

5. The Q'Max Group carries on business as an oilfield services provider, focused on onshore and offshore drilling fluids, solids control, and waste management solutions in the upstream oil and gas drilling and producing industry. The clients of the Q'Max Group include national oil companies, major international energy companies and independent exploration and production companies in Canada, the United States, Mexico, Colombia, the Middle East and Africa.

6. The financial affairs of the Q'Max Group are managed on an integrated basis.

7. Fluid Holding is the direct 100% owner of QSI. QSI, which is extra-provincially registered in Alberta, is the direct or indirect owner of all or substantially all of the other Loan Parties, including all of the Respondents. Among the Respondents are 135 Alberta and QSH (both Alberta corporations with their registered offices in Calgary) and QCO (a British Columbia corporation with its head office in Vancouver). The Q'Max Group has previously advised that QCO employs approximately 30 persons in Canada, predominantly in Calgary but also elsewhere.

8. All of the Respondents are Loan Parties (as defined below); however, there are additional, non-Respondent Loan Parties who are Q'Max corporations in countries other than Canada.

9. A chart depicting the organizational structure of the Q'Max Group is attached as **Exhibit 1**. Corporate search results for Fluid Holding, QSI, 135 Alberta, QSH and QCO are attached as **Exhibit 2**.

10. In recent months, the business of the Q'Max Group were negatively impacted by depressed oil and natural gas pricing and a corresponding reduction in rig and drilling activity. Such negative impacts were exacerbated by public health restrictions in response to the COVID-19 pandemic. Demand for the Q'Max Group's products and services thus declined to the detriment of the Q'Max Group's earnings.

CREDIT AGREEMENT

11. Fluid Acquisition Corp. (now QSI) and Q'Max America Inc. (**QAI**), as borrowers, HSBC Bank Canada, as Agent, and certain lenders (including HSBC Bank Canada) entered into a credit agreement dated May 23, 2014, which was thereafter amended and restated from time to time, as discussed below (as so amended and restated, the **Credit Agreement**).

12. The Credit Agreement was amended and restated under an amended and restated credit agreement dated January 30, 2015. It was then amended by a series of amending agreements made effective as at September 3, 2015, March 30, 2016, November 2, 2016, April 21, 2017, and November 21, 2017.

13. The Borrowers (QSI, QAI and QCO, as defined above), HSBC Bank Canada, as Agent, and certain lenders (including HSBC Bank Canada) amended and restated the Credit Agreement under a second amended and restated credit agreement dated July 31, 2018 (**Second ARCA**), which was further amended by a series of four amending agreements made effective as at May 13, 2019, July 22, 2019, September 6, 2019 and March 31, 2020. The Credit Agreement is thus now comprised of the Second ARCA and the four subsequent amending agreements. Copies of the Second ARCA and the subsequent four amending agreements are attached hereto as **Exhibits 3 to 7**.

14. Under the Credit Agreement, the Lenders agreed to provide the Borrower with the following credit facilities (**Credit Facilities**):

- (a) Canadian operating facility in the maximum amount of the lesser of (i) the Canadian Operating Facility Commitment (U.S. \$109,681,471), and (ii) the sum of the Borrowing Base less the then outstanding Advances under the Term Facility and the U.S. Operating Facility;
- (b) Term facility in the maximum amount of \$13,656,250; and
- (c) U.S. operating facility in the maximum amount of the lesser of (i) the U.S. Operating Facility Commitment (U.S. \$15,000,000), and (ii) the sum of the Borrowing Base less the then outstanding Advances under the Term Facility and the Canadian Operating Facility,

15. The terms of the Second ARCA, as amended, include:

- (a) interest on the Credit Facilities (i) in respect of Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans and LIBOR Loans is payable monthly at the Canadian Prime Rate, the U.S. Base Rate, or the U.S. Dollar LIBOR Rate, respectively, plus the Applicable Margin; (ii) in respect of Bankers' Acceptances and BA Equivalent Loans is payable at a stamping fee (calculated by referenced to the Applicable Margin); and (iii) upon certain other terms more fully described in the Second ARCA, including at Sections 2.6, 3.6 and 4.6;
- (b) a Default Rate of interest applies when an Event of Default exists, whereby the interest rate and fees comprising the Applicable Margin each increase by 2.0% per annum;
- (c) financial covenants, including requiring the Borrowers to maintain a prescribed Net Leverage Ratio and Fixed Charge Coverage Ratio;
- (d) reporting obligations pursuant to which the Borrowers must provide regular reporting to the Agent, including annual, quarterly and monthly financial statements;
- (e) that, upon the occurrence of an Event of Default and expiration of any applicable cure period, the Agent may declare all amounts advanced under the Credit Agreement immediately due and payable;
- (f) Events of Default that include, *inter alia*, an Insolvency Event, non-performance of obligations in relation to Funded Debt, ceasing to continue a material portion of the business, and any Material Adverse Change; and
- (g) a Maturity Date of May 22, 2021.

GUARANTEES

16. Unlimited guarantees of all indebtedness, liabilities and obligations under the Credit Agreement and related loan documents were granted in favour of the Agent, as follows:

- (a) on May 23, 2014, by QSI, QSH and 135 Alberta; and
- (b) on September 1, 2016, by QCO.

Attached hereto and marked as **Exhibit 8 to 11** are copies of the unlimited guarantees from QSI, QSH, 135 Alberta, and QCO.

17. On May 23, 2014, Fluid Holding granted a limited recourse guarantee (**Limited Recourse Guarantee**) in favour of the Agent whereby the Agent's recourse was limited to the collateral granted by

Fluid Holding under a Securities Pledge Agreement dated May 23, 2014 (as described below). Attached as **Exhibit 12** is a copy of the Limited Recourse Guarantee from Fluid Holding.

18. Other guarantees of the Borrowers' indebtedness, liabilities and obligations to the Lenders were granted by other Q'Max Group corporations from outside of Canada and the United States (the Borrowers and all guarantors, wherever located, are the **Loan Parties**).

LENDERS' SECURITY

19. General security agreements (**GSAs**) were granted to secure the amounts advanced by the Lenders under the Credit Agreement, as follows:

(a) on or about May 23, 2014, by QSI, QSH and 135 Alberta; and

(b) on or about September 1, 2016, by QCO.

20. Subject to prescribed exceptions, each GSA grants, *inter alia*, a first priority security interest over all present and after-acquired personal property of each grantor to the Agent. Attached as **Exhibits 13 to 16** are copies of the GSAs.

21. Each GSA provides that the Agent may seek the appointment of a receiver or receiver and manager in the event of a default under the Credit Agreement or related loan documents.

22. Additionally, on May 23, 2014:

(a) Fluid Holding granted a Securities Pledge Agreement in favour of the Agent pursuant to which it pledged its shares in Fluid Acquisition Corp. (which amalgamated to become QSI); and

(b) QSI granted two Securities Pledge Agreements in favour of the Agent pursuant to which it pledged its shares in QAI, QSH, 135 Alberta and QCO.

All such shares were pledged as collateral security for the repayment and performance of the obligations of the Borrowers to the Lenders. Attached hereto as **Exhibits 17 to 20** are copies of these Securities Pledge Agreements and an amendment to one of QSI's Securities Pledge Agreements.

23. Security in respect of the Borrowers' indebtedness to the Lenders was also granted by other Loan Parties (Q'Max Group corporations) from outside of Canada and the United States.

INTERCREDITOR AGREEMENT

24. An Intercreditor Agreement dated September 6, 2019 was entered into between Encina Business Credit, LLC (**Encina**), as ABL agent, and HSBC, as parent facility agent. The purpose and effect of the Intercreditor Agreement was to subordinate a portion of the Agent's security to security held by Encina in respect of funds, in excess of U.S. \$23,884,000 as at January 31, 2020, owing under a credit agreement between QAI, as holdco, Anchor Drilling Fluids USA, LLC (**Anchor**), as borrower, Encina, as administrative agent, and certain lenders (not being the Lenders under the HSBC-administered Credit Agreement). QAI and Anchor are United States-based Loan Parties under the Credit Agreement, but they are not Respondents. A copy of the Intercreditor Agreement is attached as **Exhibit 21**.

25. Under the Intercreditor Agreement, I verily believe that Encina has priority over the ABL Priority Collateral (as defined in the Intercreditor Agreement), consisting of Anchor's receivables (including any insurance payments in respect of same), Anchor's shares (which are 100% owned by QAI) and certain other intangible assets of Anchor. The Agent has priority in respect of all of its other security, including, without limitation, all property of Anchor that is not ABL Priority Collateral such as Anchor's real property, equipment, and inventory.

FOURTH AMENDMENT TO THE CREDIT FACILITY

26. In order to provide the Borrowers with financial relief in the face of known and ongoing liquidity issues, the Agent and the Lenders most recently entered into the Waiver and Fourth Amending Agreement with the Borrowers dated March 31, 2020 (**Fourth Amendment**). The Fourth Amendment included waivers of specified terms of the Credit Agreement in order to defer certain payment obligations, and waive the Borrowers' compliance with certain financial covenants and liquidity thresholds. The Fourth Amendment also suspended certain borrowing options under the Credit Agreement, lowered cash hoarding limits, imposed certain additional financial and business reporting covenants. The Fourth Amendment did not waive, *inter alia*, the Agent's authority to rely on Events of Defaults arising from non-performance of obligations relating to Funded Debt, any Insolvency Event, any failure by the Loan Parties to continue a material portion of the business, or any Material Adverse Change (all as defined in the Second ARCA).

DEFAULTS OF LOAN PARTIES

27. I verily believe that beginning by not later than June 2018, the Borrowers and other Loan Parties began to encounter financial difficulties and, from then onward, started defaulting under the Credit Agreement. Such defaults included failing to (a) maintain financial covenant ratios for the fiscal quarters ending December 31, 2019 and March 31, 2020, (b) meet interest, fee and principal payment obligations due on, at the very least, March 31 and April 30, 2020, and (c) maintain minimum liquidity requirements for, at the very least, March 31 and April 30, 2020.

28. While certain defaults were waived by the Agent pursuant to amendments to the Credit Agreement, others were not. In particular, but without limitation, I verily believe there is a current and persisting Event of Default under the Credit Agreement because of an Insolvency Event. Such Insolvency Event arose from the insolvency of the Borrowers and other Loan Parties within the meaning of the Credit Agreement and BIA, at least on a cash flow basis, and perhaps also on a balance sheet basis.

29. With respect to such insolvency, I note that, on or about February 12, 2020, the Q'Max Group made a presentation to the Agent about its illiquidity and its failed efforts to raise capital over the past twelve months. The Q'Max Group reported about the following:

- (a) difficulties the Q'Max Group was having with the collection of receivables in Mexico and the contemplated wind-down of the Q'Max Group's operations there;
- (b) a failed bond offering in spring 2019;
- (c) the hiring of various accounting firms and sales agents, *inter alia*, to implement a vendor management program, cost savings program, and to market certain assets and operations for sale;
- (d) a failed preferred equity offering in September 2019;
- (e) failed efforts to sell the Q'Max Group's operations in Colombia and the Middle East; and
- (f) the "very limited" opportunity to pursue "capital raises, refinancings and M&A".

30. In light of the challenging financial circumstances, the Q'Max Group approached the Agent and the Q'Max Group's primary equity holder, Palladium Equity Partners, LLC (**Palladium**), about advancing the additional sum of U.S. \$70,000,000 in aggregate. The Q'Max Group proposed a split of such additional sum between the Lenders (increasing the limit under the Credit Facility by U.S. \$63,000,000) and Palladium (\$7,000,000 in new equity). The Q'Max Group also asked the lenders to eliminate all repayments under the Credit Facility through to the Maturity Date. A copy of a presentation from the Q'Max Group dated February 2020 is attached as **Exhibit 22**.

31. The Lenders and Palladium both declined to advance any additional sums.

32. To assist the Q'Max Group with navigating its illiquidity and financial challenges, the Fourth Amendment was entered on March 31, 2020. However, the Q'Max Group's financial reporting to the Agent immediately thereafter, throughout April 2020, revealed ongoing negative cash flows and included "asks" for further credit from the Agent and Lenders to maintain cash flow neutrality. Such reporting included Global Liquidity Summaries, which were provided by the Q'Max Group weekly. The Global Liquidity

Summaries received by the Agent on April 15, April 22 and April 29, 2020 are attached as **Exhibits 23 to 25**, respectively.

33. The Q'Max Group contemplated filing an application under the *Companies' Creditors Arrangement Act (CCAA)* for creditor protection to address illiquidity and related financial challenges. Hearing dates were tentatively booked with the Court, and a draft (unsworn) affidavit and an unfiled originating application were delivered to the Court by counsel for Q'Max Group, which admitted the Q'Max Group's insolvency.

34. Ultimately, an initial application under the CCAA was not made because the Q'Max Group, Encina and the Agent were unable to negotiate interim financing on mutually agreeable terms.

35. Further, Anchor failed to perform obligations to Encina that prompted Encina to deliver the Encina Notice (as defined below) on May 22, 2020. The Encina Notice was delivered by Encina to enforce against certain security (all as described below). I verily believe that such non-performance by Anchor constitutes an Event of Default under the Credit Agreement.

36. Further, I verily believe that the occurrence of Events of Default under the Credit Agreement (as described above) caused the immediate termination of the waivers of payment obligations, financial covenants and liquidity thresholds under the Fourth Amendment, thus resulting in additional Events of Default.

ENCINA

37. On May 22, 2020, the Agent received a letter in which Encina's general counsel asserted the Demand and Notices (as defined below) were delivered by the Agent in contravention of the Intercreditor Agreement. A copy of this letter from Encina is attached as **Exhibit 26**.

38. Also on May 22, 2020, the Agent's counsel was copied with a letter from Encina's general counsel pursuant to which Encina purported to give notice to QAI of Encina's enforcement under a Pledge Agreement (**Encina Notice**). Encina further purported to, *inter alia*, appoint CR3 Partners, LLC (**CR3**) as the interim manager of Anchor, terminate various senior officers of Anchor, and ratify an Engagement Agreement between Encina, QAI and CR3 from the previous day (May 21, 2020) appointing a representative of CR3 as the Chief Restructuring Officer (**CRO**) of Anchor. The Encina Notice states: "CR3 has and shall have sole and exclusive authority over the management of the business and assets of the Borrower." A copy of this letter from Encina is attached as **Exhibit 27**.

39. Counsel for the Agent sent a responding letter to Encina's general counsel and others, also on May 22, 2020, explaining why HSBC had not contravened the Intercreditor Agreement by delivering the Demand and Notices. It was instead Encina who had contravened the Intercreditor Agreement through the Encina Notice by purporting to, *inter alia*, appoint a CRO for Anchor unilaterally and granting such CRO sole and

exclusive authority over assets that included the Agent's priority collateral. The Agent's counsel also requested a copy of the Engagement Agreement for the CRO. A copy of this letter from the Agent's counsel is attached as **Exhibit 28**.

40. I am advised by the Agent's counsel and verily believe that, to date, he has not received a copy of the Engagement Agreement for the CRO in response to his request, or otherwise.

41. Subsequent to the delivery of the letter from the Agent's counsel, described in paragraph 39 above, but also on May 22, 2020, the Agent's counsel was copied with a further letter from Encina's general counsel to QAI. Therein, Encina's general counsel purported to suspend the Encina Notice through Sunday, May 24, 2020 at 11:59 p.m. (prevailing eastern time), at which time the Encina Notice would again become effective if Anchor had not made a voluntary Chapter 7 bankruptcy filing in the United States Bankruptcy Court. A copy of this letter from Encina's general counsel is attached as **Exhibit 29**.

CHAPTER 7 FILING BY QAI AND ANCHOR

42. In the early evening on May 24, 2020, counsel for the Agent was advised by the Q'Max Group that the directors of QAI and Anchor had voted to file Chapter 7 bankruptcy under the United States Bankruptcy Code. Such filings were made immediately afterwards, on the same day. Copies of the Bankruptcy Petitions and Corporate Ownership Statements for QAI and Anchor are attached as **Exhibits 30 to 33**.

43. The Bankruptcy Petitions for QAI and Anchor disclose that QAI and Anchor had resolved to enter into an Asset Purchase Agreement to sell the assets for the Q'Max Group's operations in the northeastern United States and Permian basin, including assets which I verily believe constitute the Agent's priority collateral. A form of Asset Purchase Agreement is attached to both Bankruptcy Petitions.

44. I verily believe such Chapter 7 filings by QAI and Anchor constitute new and additional Events of Default under the Credit Agreement because they are Insolvency Events and constitute the non-performance of obligations relating to Funded Debt, and perhaps also because they represent a Material Adverse Change and an intention by the Loan Parties to discontinue a material portion of the business.

DEMAND

45. On May 12, 2020, counsel to the Agent (on behalf of the Lenders) issued to the Loan Parties, by email to counsel, a demand letter that included notices of intention to enforce security under section 244(1) of the BIA (**Demand and Notices**). The Demand constitutes an acceleration notice under the Credit Agreement. Receipt and acceptance of the Demand and Notices was acknowledged by reply email from counsel for the Q'Max Group. Copies of the Demand and Notices and the related email exchange among counsel are attached as **Exhibit 34**.

46. The Demand and Notices were also sent in respect of Loan Parties who are not Respondents, being Q'Max Group corporations from outside of Canada and the United States.

47. Despite extensive negotiations over a considerable period of time, since not later than June 2018, the Loan Parties have not put forward a restructuring proposal acceptable to the Agent, while their indebtedness to the Lenders continues to grow.

INDEBTEDNESS

48. As at May 5, 2020, the amounts outstanding and owing to the Agent (on behalf of the Lenders) under and in connection with the Credit Agreement, inclusive of interest, was approximately USD \$145,381,623.21 plus CDN \$1,228,668.47 as well as outstanding letters of credit in the amounts of USD \$3,916,296.42 and CDN \$1,161,408.79 and outstanding credit card balances, plus accrued and accruing costs and disbursements, and interest continuing to accrue per diem.

RECEIVER AND MANAGER

49. By the terms of the Credit Agreement and GSAs, in the event of a default by the Loan Parties, or any of them, the Agent may seek the appointment of a receiver and manager over the assets, undertakings and properties of the Loan Parties.

50. In all of the circumstances, I verily believe that the appointment of a receiver and manager over the assets, undertakings and properties of the Respondents is necessary and appropriate to protect the interests of the Lenders, and to preserve and realize upon the Lenders' security.

51. I verily believe that KPMG Inc. (**KPMG**) is a Licensed Insolvency Trustee and is competent and prepared to act as receiver and manager over the assets, undertakings and properties of the Respondents. KPMG has advised me that it will provide an executed consent to act prior to the hearing of the Agent's receivership application.

CONCLUSION

52. I am authorized to swear this Affidavit on behalf of HSBC, as Agent.

53. I make this Affidavit for no improper purpose.

54. I make this Affidavit in support of an application to appoint KPMG as receiver and manager over the assets, undertakings and property of the Respondents.

For purposes of this Section 1.13, whenever *pro forma* effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Canadian Borrower and may include, without duplication, cost savings, operating expense reductions, restructuring charges and expenses and cost-saving synergies resulting from such acquisition or other relevant transaction, in each case in a manner acceptable to the Required Lenders, acting reasonably.

As a consequence, the obligations, indebtedness and liabilities outstanding under the Existing Credit Agreement (including any existing letters of credit thereunder which will be deemed to be Letters of Credit issued by the applicable Issuing Bank under the corresponding Facility hereunder) shall constitute obligations, indebtedness and liabilities hereunder governed by the terms hereof and shall continue to be secured by the Security. Such obligations, indebtedness and liabilities shall be continuing in all respects, and this Agreement shall not be deemed to evidence or result in a novation of such obligations, indebtedness and liabilities or a repayment and reborrowing of such obligations, indebtedness and liabilities. The Existing Credit Agreement has been amended and restated solely for the purposes of reflecting amendments to the Existing Credit Agreement which the Lenders, the Agent and the Borrowers have agreed upon. All references to the "Credit Agreement" contained in the Credit Documents delivered prior to the effectiveness of this Agreement shall be references to this Agreement without further amendment to those Credit Documents. The Borrowers confirm that each of the Credit Documents otherwise remains in full force and effect. All deliverables made under the Existing Credit Agreement shall be deemed to have been delivered under this Agreement. Each Lender authorizes the Agent to take all actions and make such adjustments as are reasonably necessary to give effect to the foregoing. Notwithstanding the foregoing or any other term hereof, all of the applicable continuing covenants, representations and warranties on the part of the Borrowers under the Existing Credit Agreement and all of the claims and causes of action arising against the Borrowers in connection therewith, in respect of all matters, events, circumstances and obligations arising or existing prior to the Amendment and Restatement Date shall continue, survive and shall not be merged in the execution of this Agreement or any other Credit Documents or any advance or provision of any Loan hereunder.

2.7.1 A portion of the Canadian Operating Facility in the maximum amount of the Swingline Limit is hereby designated as the “**Swingline**” and shall be subject to the terms and conditions in this Section 2.7 (in addition to any other applicable terms and conditions contained in this Agreement). The Swingline shall be available to each of the Canadian Borrower and the Specified Canadian Swingline Borrower (collectively the “**Swingline Borrowers**”).

2.7.2 The Swingline shall be established and maintained by the Swingline Lender only. Either Swingline Borrower may only receive Advances under the Swingline by way of Overdrafts, LIBOR Loans, Bankers’ Acceptances or the issuance of Letters of Credit, in each case (other than with respect to Bankers’ Acceptances), in Canadian Dollars or U.S. Dollars. The aggregate amount owing under the Swingline may at no time exceed the Swingline Limit and the aggregate principal amount outstanding under the Swingline plus the other Outstanding Advances under the Canadian Operating Facility shall at no time exceed the Canadian Operating Facility Limit. The total number of Bankers’ Acceptances and LIBOR Loans outstanding under the Swingline shall not exceed fifteen at any time.

2.7.3 The Swingline shall form a part of the Canadian Operating Facility and, except for the purpose of calculating the Canadian Operating Facility standby fee, any Swingline

Loan shall reduce availability under the Canadian Operating Facility on a dollar for dollar basis.

2.7.4 The Swingline Lender will make Advances to the Swingline Borrowers under the Swingline by way of (a) Canadian Dollar Overdraft into Canadian Dollar accounts, or U.S. Dollar Overdraft into U.S. Dollar accounts, in each case held at a branch of the Agent and as designated by either Swingline Borrower from time to time as required in order to honour cheques drawn by either Swingline Borrower on such accounts which are presented to the Swingline Lender for payment, (b) the issuance of Letters of Credit in Canadian Dollars or U.S. Dollars or (c) LIBOR Loans or Bankers' Acceptances. Other than in respect of Letters of Credit, LIBOR Loans or Bankers' Acceptances, no Drawdown Request or minimum amount shall be required in connection therewith and each Swingline Loan shall be on a dollar for dollar basis (i.e. not subject to multiples). As deposits are made into such accounts by the applicable Swingline Borrower, the Swingline Lender shall withdraw funds from such accounts from time to time and apply such funds as Repayments under the Swingline; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit, LIBOR Loan or Bankers' Acceptance. No notice of repayment shall be required to be given by the Canadian Borrower in respect of any such repayment of any Swingline Loan (other than in respect of LIBOR Loans or Bankers' Acceptances). The Swingline Borrowers authorize and direct the Swingline Lender, in its discretion, to automatically debit, by mechanical, electronic or manual means, the bank accounts of the Swingline Borrowers maintained by it for any amounts (including principal, interest or fees) that are due and payable under this Section 2.7.

2.7.5 Letters of Credit may be issued under the Swingline in Canadian Dollars or U.S. Dollars (or such other currencies as may be agreed to by the Swingline Lender); provided, that the Equivalent Amount expressed in U.S. Dollars (or such other currency, if applicable) of the aggregate face amount of all Letters of Credit outstanding under the Swingline at any time may not exceed U.S. \$10,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date. Letters of Credit will not be issued for the purpose of guaranteeing obligations of any Person other than a Credit Party. On the date of issue, the Swingline Lender will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the applicable Swingline Borrower in its Drawdown Request. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (Toronto time) on such Business Day. Prior to the issue date, the applicable Swingline Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Swingline Lender may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Swingline Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit. Sections 4.7.2, 4.7.3, 4.7.4 and

4.7.6 shall apply to Letters of Credit issued under the Swingline *mutatis mutandis* as if the Swingline Lender was the Issuing Bank.

2.7.6 If the Canadian Borrower requests a Syndicated Advance and the Swingline Lender's Proportionate Share of such Syndicated Advance would cause its Proportionate Share of all Syndicated Advances under the Canadian Operating Facility then outstanding together with the aggregate outstanding principal amount of all Swingline Loans to exceed the Swingline Lender's Commitment under the Canadian Operating Facility, then the Canadian Borrower shall be required to repay such Swingline Loans (or to convert the same into a Syndicated Advance in accordance with Section 2.7.7) to the extent of such excess on or before the requested date of such Syndicated Advance; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit.

2.7.7 Notwithstanding anything to the contrary herein contained, the Canadian Borrower may at any time give notice to the Swingline Lender and the Agent, which notice shall direct a Conversion of any outstanding Swingline Loan into a Syndicated Advance (other than by way of issuance of a Letter of Credit) and shall specify the particulars of such Swingline Loans, and the Agent shall forthwith provide a copy of such notice to the Canadian Operating Lenders and, effective on the effective date of such notice, the Canadian Borrower shall be deemed to have requested a Conversion of such Swingline Loan into a Syndicated Advance (whether or not it was the actual borrower under such Swingline Loan) and in an amount sufficient to repay the relevant Swingline Loan and accrued and unpaid interest in respect thereof. Subject to the same notice period set out in Section 5.4, each Canadian Operating Lender shall disburse to the Agent for payment to the Swingline Lender its respective Proportionate Share of such amounts and such amounts shall thereupon be deemed to have been advanced by such other Canadian Operating Lenders to the Canadian Borrower and to constitute Syndicated Advances by way of Canadian Dollar Prime Rate Loans or U.S. Dollar Base Rate Loans, as applicable. Such Syndicated Advances shall be deemed to be comprised of principal and accrued and unpaid interest in the same proportions as the corresponding Swingline Loans.

2.7.8 Upon the occurrence and any time during the continuance of an Event of Default, the Canadian Operating Lenders shall make such adjusting payments amongst themselves in any manner as may be required to ensure their respective participations in outstanding Advances under the Canadian Operating Facility reflect their respective Proportionate Share under the Canadian Operating Facility. If any Swingline Loans (other than by way of Letters of Credit) are outstanding, the Swingline Lender may at any time in its sole and absolute discretion, on behalf of either Swingline Borrower (which hereby irrevocably directs and authorizes the Swingline Lender to make such request on its behalf), request that each Canadian Operating Lender, through the Agent, make a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, to the Canadian Borrower (whether or not it was the actual borrower under such Swingline Loan) in an amount equal to the Lender's Proportionate Share of the principal amount of such Swingline Loan outstanding on the date such notice is given (in this Section, the "**Refunded Swingline Loans**"), provided that the provisions of this clause shall not affect the applicable Swingline Borrower's obligation to repay the Swingline Loans to the extent they remain

outstanding. Each Canadian Operating Lender will make the proceeds of any such Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, available to the Swingline Lender on the Business Day next following the date such notice is given in immediately available funds. The proceeds of such a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan shall be applied by the Swingline Lender to the payment in full of the Refunded Swingline Loans.

2.7.9 In the event of any request for a drawing under any Letter of Credit, the Swingline Lender may notify the applicable Swingline Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The applicable Swingline Borrower (whether or not such notice is given) shall reimburse the Swingline Lender within two Business Days of demand by the Swingline Lender, in the relevant currency, an amount, in same day funds, equal to the amount of such drawing (in this Section, an “**LC Payment**”). The applicable Swingline Borrower shall pay to the Swingline Lender interest on the amount of any such drawn Letter of Credit as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, from the date such Letter of Credit is drawn upon until such time as the applicable Swingline Borrower reimburses the Swingline Lender for the drawn amount of such Letter of Credit. If the applicable Swingline Borrower does not reimburse the Swingline Lender within such two Business Days, the Canadian Operating Lenders shall, on the third Business Day following the date of such initial demand on the applicable Swingline Borrower by the Swingline Lender, at the request of the Swingline Lender, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Swingline Lender for the amount of such drawing. The applicable Swingline Borrower shall pay to Canadian Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Swingline Lender requests payment from each of Canadian Operating Lenders in respect of such drawn Letter of Credit until such time as the Canadian Borrower reimburses the Swingline Lender and each of Canadian Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable. Each Canadian Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Swingline Lender and its obligation to make the payments specified herein, and the right of the Swingline Lender to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

2.7.10 The obligations of each Canadian Operating Lender under Sections 2.7.8 and 2.7.9 are unconditional, shall not be subject to any qualification or exception whatsoever and shall be performed in accordance with the terms and conditions of this Agreement under all circumstances including:

- (a) any lack of validity or enforceability of the applicable Swingline Borrower’s obligations under this Section 2.7;

- (b) the occurrence of any Default or Event of Default or the exercise of any rights by the Agent under the Credit Documents;
- (c) whether the Borrower under a Swingline loan was the Canadian Borrower or the Specified Canadian Swingline Borrower; and
- (d) the absence of any demand for payment being made, any proof of claim being filed, any proceeding being commenced or any judgment being obtained by any Lender against any Credit Party.

2.7.11 For certainty, it is hereby acknowledged and agreed that the Canadian Operating Lenders shall be obligated to disburse to the Agent for payment to the Swingline Lender their respective Proportionate Shares of any Syndicated Advances contemplated in this Section 2.7 regardless of:

- (a) whether a Default or Event of Default has occurred or is then continuing or whether any other condition in Section 9.2 is met;
- (b) whether or not the Canadian Borrower has, in fact, actually requested such Conversion; and
- (c) whether or not a Person was a Canadian Operating Lender at the time the applicable Swingline Loan was made.

2.7.12 Notwithstanding any other terms of this Section 2.7, this Agreement or any other Loan Document, the Canadian Borrower shall be jointly and severally liable with the Specified Canadian Swingline Borrower for all obligations and indebtedness arising out of any Swingline Loan advanced by the Swingline Lender to the Specified Canadian Swingline Borrower.

ARTICLE 3 TERM FACILITY

3.1 Establishment of the Term Facility

Subject to the terms and conditions in this Agreement, each Term Lender hereby establishes a committed non-revolving reducing term credit facility in favour of the Canadian Borrower in the maximum principal amount indicated opposite such Term Lender's name in Exhibit "A" under the heading "Term Facility Commitments". Such credit facility in the maximum aggregate principal amount of the Term Facility Commitment is established by the Term Lenders severally and not jointly, and is hereinafter referred to as the "**Term Facility**". Each Advance by a Term Lender under the Term Facility shall be made by such Term Lender in its Proportionate Share of the Term Facility.

3.2 Purpose

3.3 Nature

The Term Facility shall be a non-revolving facility, and any Repayment under the Term Facility may not be re-borrowed. As of the Amendment and Restatement Date, no new Advances are available under the Term Facility.

3.4 Repayment

3.4.1 The Obligations under the Term Facility shall become due and payable on the earlier of: (a) the Acceleration Date; and (b) the Facilities Maturity Date.

3.4.2 The Canadian Borrower shall make Repayments under the Term Facility in quarterly installments on the last day of each Fiscal Quarter (and if the last day of a Fiscal Quarter is not a Business Day, such payment shall be due on the next Business Day) of U.S. \$1,195,000 in each case, payable on the last Business Day of each such Fiscal Quarter.

3.4.3 Each Repayment under the Term Facility shall be applied to the Term Lenders holding such Loans *pro rata* based upon their Proportionate Share thereof and the Term Facility Commitment shall be reduced by the amount of each such Repayment.

3.5 Availment Options

3.5.1 Subject to the restrictions contained in this Section 3.5, the Canadian Borrower may receive Advances under the Term Facility by way of (and may convert Outstanding Advances under the Term Facility into) any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

- (a) Canadian Dollar Prime Rate Loans;

3.6 Interest and Fees

3.6.1 In respect of Advances under the Term Facility, the Canadian Borrower agrees to pay the following:

- (a) interest on Canadian Dollar Prime Rate Loans at the Canadian Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the first Business Day of the next month;
- (b) in respect of each Bankers' Acceptance, a stamping fee equal to the Applicable Margin multiplied by the face amount of the Bankers' Acceptance with the product thereof further multiplied by the number of days to maturity of the Bankers' Acceptance and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such Bankers' Acceptance will be less than the face amount payable to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 5.10);
- (c) in respect of each BA Equivalent Loan, a stamping fee equal to the Applicable Margin multiplied by the face amount of the BA Equivalent Loan with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Loan and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such BA Equivalent Loan will be less than the principal amount of such BA Equivalent Loan on the maturity thereof, as more particularly provided in Section 5.12);
- (d) interest on U.S. Dollar Base Rate Loans at the U.S. Base Rate plus the Applicable Margin per annum, payable monthly in arrears on the first Business Day of the next month; and

3.6.2 With respect to any Availment Option under the Term Facility, "Applicable Margin" means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

ARTICLE 4

U.S. OPERATING FACILITY

4.1 Establishment of U.S. Operating Facility

Subject to the terms and conditions in this Agreement, each U.S. Operating Lender hereby establishes a committed, revolving credit facility in favour of the U.S. Borrower in the maximum principal amount indicated opposite such U.S. Operating Lender's name in Exhibit "A" under the heading "U.S. Operating Facility Commitments". Such credit facility in the maximum aggregate principal amount of the U.S. Operating Facility Limit are established by the U.S. Operating Lenders severally and not jointly, and are hereinafter collectively referred to as the "**U.S. Operating Facility**". Each Advance by a U.S. Operating Lender under the U.S. Operating Facility shall be made by such U.S. Operating Lender in its Proportionate Share of the U.S. Operating Facility.

4.2 Purpose

Advances under the U.S. Operating Facility shall be used by the U.S. Borrower to fund working capital needs and for general corporate purposes including the Permitted Acquisitions (other than a Hostile Acquisition and the Terra Acquisition).

4.3 Revolving Nature

The U.S. Operating Facility shall be a revolving facility. For greater certainty, the U.S. Borrower shall, subject to the terms of this Agreement, be entitled to obtain Advances by way of U.S. Dollar Prime Rate Loans, LIBOR Loans or Letters of Credit in U.S. Dollars under the U.S. Operating Facility from time to time and repay all or any portion of the Outstanding Advances under the U.S. Operating Facility from time to time; provided, that the Outstanding Advances under the U.S. Operating Facility at any time shall not exceed the U.S. Operating Facility Commitment in effect at such time. If at any time and for whatever reason the Outstanding Advances under the U.S. Operating Facility exceed the U.S. Operating Facility Commitment then in effect, the U.S. Borrower shall, within two Business Days of receipt of a written notice from the Agent, pay to the Agent the principal amount required to reduce the Outstanding Advances under the U.S. Operating Facility to an amount not greater than the U.S. Operating Facility Commitment then in effect.

4.4 Repayment

The Obligations under the U.S. Operating Facility shall become due and payable on the earlier of: (i) the Acceleration Date; and (ii) the Facilities Maturity Date.

4.5 Availment Options

4.5.1 Subject to the restrictions contained in this Section 4.5 and elsewhere in this Agreement (and in particular, Sections 5.4 and 5.5), the U.S. Borrower may receive Advances under the U.S. Operating Facility by any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

- (a) Letters of Credit in U.S. Dollars;
- (b) U.S. Dollar Prime Rate Loans; or
- (c) LIBOR Loans in U.S. Dollars, with a LIBOR Period of 30, 60, 90 or 180 days, subject to availability.

4.5.2 LIBOR Loans under the U.S. Operating Facility will not be issued with a maturity date later than the Facilities Maturity Date.

4.5.3 The U.S. Borrower may convert Outstanding Advances under the U.S. Operating Facility in the form of any above Availment Option applicable to it into another form of Availment Option in the same currency, subject to and in accordance with the terms and conditions of this Agreement (but for greater certainty, LIBOR Loans and Letters of Credit may not be converted into another Availment Option prior to the maturity thereof, except in the case of unexpired Letter of Credits by the return of the original thereof to the Issuing Bank for cancellation).

4.6 Interest and Fees

4.6.1 In respect of Advances under the U.S. Operating Facility, the U.S. Borrower agrees to pay the following:

- (a) interest on U.S. Dollar Prime Rate Loans in U.S. Dollars at the U.S. Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the last day of each and every month (provided, that if such day is not a Business Day, interest shall be payable on the next Business Day thereafter);
- (b) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2;
- (c) in respect of each Letter of Credit issued under the U.S. Operating Facility:
 - (i) to the Agent for the account of the U.S. Operating Lenders in respect of the period from the date of issuance of such Letter of Credit to the date of expiry of such Letter of Credit (including the first day but excluding the last day) and divided by 360 days, a fee equal to the Applicable Margin in effect at the time of issuance multiplied by the face amount of such Letter of Credit multiplied by the number of days in such period and divided by 360 days, payable on the date of issuance of such Letter of Credit; and
 - (ii) in respect of each Letter of Credit, in addition to the fees referred to in Section 4.6.1(c), fees generally applicable to Letters of Credit from time to time (such as issuance, drawing, registration, amendment, communication and other processing and out of pocket fees) at the Issuing Bank's usual rates, payable to the Issuing Bank for its own account.

Each fee referred to in this Section in respect of a Letter of Credit shall be paid in U.S. Dollars; and

- (d) an unused commitment fee with respect to the unused portion of the U.S. Operating Facility calculated in U.S. Dollars on a daily basis as being the difference between (i) the U.S. Operating Facility Commitment and (ii) the Outstanding Advances under the U.S. Operating Facility, multiplied by the Applicable Margin and divided by 360 days which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter.

4.6.2 With respect to any Availment Option under the U.S. Operating Facility, “Applicable Margin” means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

4.7 Letters of Credit

4.7.1 Letters of Credit may be issued under the U.S. Operating Facility in U.S. Dollars (or such other currencies as may be agreed to by the Agent and by the applicable Issuing Bank); provided, that the Equivalent Amount expressed in U.S. Dollars of the aggregate face amount of all Letters of Credit outstanding under the U.S. Operating Facility at any time may not exceed U.S. \$5,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date.

4.7.2 Each request for the issuance of a Letter of Credit shall be delivered by the U.S. Borrower to the Issuing Bank (with a copy to the Agent) in accordance with the notice requirements set out in Section 5.4 herein, together with Issuing Bank’s customary form of application and indemnity agreement completed to its satisfaction and the proposed form of the Letter of Credit (which shall be satisfactory to the Issuing Bank) and such other certificates, documents and other papers and information as the Issuing Bank may reasonably request.

4.7.3 On the date of issue, the Issuing Bank will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the U.S. Borrower in its Drawdown Request. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (New York time) on such Business Day. Prior to the issue date, the U.S. Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Issuing Bank may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Issuing Bank shall be responsible only to determine that the documents and certificates

required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

4.7.4 In the event of any request for a drawing under any Letter of Credit, the Issuing Bank may notify the U.S. Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The U.S. Borrower (whether or not such notice is given) shall reimburse the Issuing Bank within one Business Day of demand by the Issuing Bank, an amount, in same day funds, equal to the amount of such drawing. The U.S. Borrower shall pay to the Issuing Bank interest on the amount of any such drawn Letter of Credit as if such drawn amount was a U.S. Dollar Prime Rate Loan from the date such Letter of Credit is drawn upon until such time as the U.S. Borrower reimburses the Issuing Bank for the drawn amount of such Letter of Credit. If the U.S. Borrower does not reimburse the Issuing Bank within such two Business Days, U.S. Operating Lenders shall, on the third Business Day following the date of such initial demand on the U.S. Borrower by the Issuing Bank, at the request of the Issuing Bank, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Issuing Bank for the amount of such drawing. The U.S. Borrower shall pay to U.S. Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Issuing Bank requests payment from each of U.S. Operating Lenders in respect of such drawn Letter of Credit until such time as the U.S. Borrower reimburses the Issuing Bank and each of U.S. Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a U.S. Dollar Base Rate Loan. Each U.S. Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Issuing Bank and its obligation to make the payments specified herein, and the right of the Issuing Bank to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

4.7.5 The Issuing Bank shall notify each the Agent of the principal amount, the number, and the expiration date of each Letter of Credit and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of the amount of such U.S. Operating Lender's participation therein. The Issuing Bank shall review each draft and any accompanying documents presented under a Letter of Credit and shall notify the Agent of any such presentment and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of such presentment.

4.7.6 The Issuing Bank shall not be obligated to issue any Letter of Credit (i) in violation of any Applicable Law or policy of such Issuing Bank or any Lender or (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit. The Issuing Bank shall not at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause the Issuing Bank to exceed any limits imposed by, this Agreement or any applicable requirements of Applicable Law or any regulatory or internal limit.

ARTICLE 5 GENERAL CONDITIONS

5.1 Matters relating to Interest and Fees

5.1.1 Unless otherwise indicated, Interest on any outstanding principal amount hereunder shall be calculated daily and shall be payable monthly in arrears on the last day of each and every month. If the last day of a month is not a Business Day, the Interest payment due on such day shall be made on the next Business Day, and Interest shall continue to accrue on the said principal amount and shall also be paid on such next Business Day. Interest shall accrue from and including the day upon which an Advance is made or is deemed to have been made, and ending on but excluding the day on which such Advance is repaid or satisfied. Any change in the Canadian Prime Rate shall cause an immediate adjustment of the interest rate applicable to Canadian Dollar Prime Rate Loans and Overdrafts in Canadian Dollars and any change in the U.S. Base Rate shall cause an immediate adjustment of the interest rate applicable to U.S. Dollar Base Rate Loans and Overdrafts in U.S. Dollars, in each case without the necessity of any notice to any Borrower.

5.1.2 Unless otherwise stated, in this Agreement if reference is made to a rate of Interest, fee or other amount “per annum” or a similar expression is used, such interest, fee or other amount shall be calculated on the basis of a year of 365 or 366 days (or 360 days in the case of Loans or Letters of Credit denominated in U.S. Dollars), as the case may be. If the amount of any Interest, fee or other amount is determined or expressed on the basis of a period of less than one year of 365 days or 366 days (or 360 days in the case of Loans denominated in U.S. Dollars), as the case may be, the equivalent yearly rate is equal to the rate so determined or expressed, divided by the number of days in the said period, and multiplied by the actual number of days in that calendar year.

5.1.3 Notwithstanding any other provisions of this Agreement:

- (a) the Borrowers and the Lenders intend to strictly comply with all Applicable Laws, including applicable usury laws (or the usury laws of any jurisdiction whose usury laws are deemed to apply to this Agreement and the other Credit Documents despite the intention and desire of the parties to apply the usury laws of the Province of Alberta and the federal laws applicable therein);
- (b) in no event shall any Borrower or any other Person be obligated to pay, or any Lender have any right or privilege to reserve, receive or retain, (a) any interest in excess of the maximum amount of nonusurious interest permitted under the laws of the Province of Alberta the federal laws of Canada applicable therein, or the Applicable Laws of any other jurisdiction, or (b) total interest in excess of the amount which such Lender could lawfully have contracted for, reserved, received, retained or charged had the interest been calculated for the full term of the applicable Loan; and

- (c) if the amount of any interest, premium, fees or other monies or any rate of interest stipulated for, taken, reserved or extracted under the Credit Documents would otherwise contravene the provisions of Section 347 of the *Criminal Code* (Canada), Section 8 of the *Interest Act* (Canada) or any successor or similar legislation (including any usury law in the U.S.), or would exceed the amounts which any Lender is legally entitled to charge and receive under any law to which such compensation is subject, then such amount or rate of interest shall be reduced to such maximum amount as would not contravene such provision; and to the extent that any excess has been charged or received such Lender shall apply such excess against the Outstanding Advances and refund any further excess amount to the applicable Borrower.

As used in this Section 5.1.3, the term “interest” includes the aggregate of all charges, fees, benefits or other compensation which constitute interest under Applicable Law; provided, that, to the maximum extent permitted by Applicable Law, (a) any non-principal payment shall be characterized as an expense or as compensation for something other than the use, forbearance or detention of money and not as interest, and (b) all interest at any time contracted for, reserved, charged or received shall be amortized, prorated, allocated and spread, using the actuarial method, during the full term of the Facilities. The daily interest rates to be used in calculating interest for the purposes of this Section 5.1.3 shall be determined by dividing the applicable interest rate per annum by the number of days in the calendar year for which such calculation is being made. None of the terms and provisions contained in this Agreement or in any other Credit Document which directly or indirectly relate to interest shall ever be construed without reference to this Section 5.1.3, or be construed to create a contract to pay for the use, forbearance or detention of money at any interest rate in excess of the amounts permitted under any Applicable Law.

The provisions of this Section shall govern and control over every other provision of this Agreement or any other Credit Document which conflicts or is inconsistent with this Section 5.1.3.

5.1.4 Any change in the Applicable Margin in respect of any Availment Option under a Facility shall be determined in accordance with this Section. For purposes of this Section, the term “**Pricing Date**” means, for any Fiscal Quarter of the Canadian Borrower ending on or after the Amendment and Restatement Date, the date on which the Agent is in receipt of the financial statements and Compliance Certificate pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, for such Fiscal Quarter. The Applicable Margin shall be established on a Pricing Date based on the Net Leverage Ratio as of the end of the most recently completed Fiscal Quarter and the Applicable Margin established on a Pricing Date shall remain in effect until the next Pricing Date. If the financial statements and Compliance Certificate are delivered before 10:00 a.m. Toronto time on a specific Business Day (the “**Specific Business Day**”) then pricing will be adjusted starting on the Specific Business Day. If the financial statements and Compliance Certificate are received after 10:00 a.m. Toronto time on the Specific Business Day then any pricing adjustment will be effective on the next Business Day. If the Canadian Borrower has not delivered its financial statements and Compliance Certificate by the date such financial statements and Compliance Certificate are required to be delivered pursuant to Section 7.4.1(b) or

Section 7.4.1(d), as applicable, then until such financial statements and Compliance Certificate are delivered, the Applicable Margin shall be based on Level VI. The Applicable Margin established by such financial statements shall be in effect from the Pricing Date that occurs immediately after the end of the Fiscal Quarter covered by such financial statements until the next Pricing Date; provided, that no changes will be made in respect of any Bankers' Acceptances or BA Equivalent Loans which are outstanding on the effective date, until the Rollover thereof and fees paid on the issuance or renewal of a Letter of Credit will not change during the term of a Letter of Credit as a result of a change in the Net Leverage Ratio.

5.1.5 The determination of the Applicable Margin by the Agent shall be conclusive and binding on the Borrowers and the Lenders if reasonably determined, absent manifest error.

5.1.6 Effective upon the occurrence of an Event of Default (the "**effective date**"), the interest rates then applicable to all Availment Options will each increase by 200 basis points and such increase will remain in effect for as long as such Event of Default subsists. An increase in interest rates and fees as aforesaid arising from an Event of Default shall apply to all outstanding Advances under the Facilities and will on the effective date apply proportionately to each outstanding Advance during the continuance of such Event of Default. The Borrowers will pay to the Agent on behalf of the Lenders any resulting increase in stamping fees and Letter of Credit fees on or prior to the third Business Day following the effective date. In addition to the conditions set forth above, the Lenders' obligation to provide any Advances under any Facility, other than Rollovers or Conversions of then maturing Advances (in each case not to exceed a 30 day term), will be suspended for as long as there exists an Event of Default.

5.1.7 If the Canadian Borrower has delivered a Compliance Certificate that is subsequently found to be inaccurate in any way as a result of the Canadian Borrower's financial results having to be restated or if the Canadian Borrower's financial results were inaccurately reflected in the original financial results on which such Compliance Certificate was based or for any other reason and the result thereof is that the Net Leverage Ratio was originally reported as lower (and the corresponding Level in the Applicable Margin table was lower) than it otherwise would have been in the absence of such inaccuracy or prior to such restatement, then the Borrowers will, immediately upon the correction of such inaccuracy or upon such restatement, pay to the Agent for the benefit of the applicable Lenders an amount equal to the interest, Letter of Credit fees, stamping fees in respect of Bankers' Acceptances and standby fees that the Lenders should have received, but did not receive, over the applicable period had the Net Leverage Ratio, and the underlying components thereof, been reported correctly in the first instance.

5.2 Voluntary Prepayments

Subject to Section 5.15, the Borrowers may from time to time, without payment of any penalty or fee, upon at least two Business Days' prior written notice to the Agent make a prepayment in respect of any Outstanding Advances under any of the Facilities. In the case of Term Facility, the Term Facility Commitment shall be automatically and permanently reduced by the amount of any such prepayment. Notwithstanding the foregoing, Bankers' Acceptances,

BA Equivalent Loans and LIBOR Loans may not be repaid prior to the maturity thereof (except in accordance with Sections 5.11 and 5.14, as applicable) and unexpired Letter of Credits may not be prepaid prior to the maturity thereof (except by the return of the original thereof to the Issuing Bank or Swingline Lender, as applicable, for cancellation or by the collateralization thereof in the manner set forth in Section 5.16(f)). Prepayments under the Facilities other than under the Swingline shall be in a minimum principal amount of U.S. \$500,000 and integral multiples of U.S. \$100,000 in excess thereof and shall be applied as directed by the Borrowers to the remaining payments thereof. Any prepayments under the Term Facility shall be made in inverse order of maturity.

5.3 Mandatory Prepayments

5.3.1 If any Credit Party receives cash proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) below, from:

- (a) a transaction after the Amendment and Restatement Date involving the creation or incurrence of any Funded Debt (other than Permitted Funded Debt), and notwithstanding any Default or Event of Default that results therefrom;
- (b) transactions involving the sale, lease or other disposition of any assets (other than transactions described in clauses (a) through (d) inclusive and (f) through (j) inclusive of Section 7.2.4), except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the “**Sales Proceeds**”); or
- (c) property, casualty or other insurance proceeds received by any Credit Party, except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the “**Insurance Proceeds**”); and/or
- (d) Specified Equity Contribution;

then, subject to Sections 5.3.2 and 8.6, the Borrowers shall make a Repayment on account of the Outstanding Advances in an amount equal to 100% of such proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) above, within three Business Days (i) after such proceeds are received by the applicable Credit Party in the case of clauses (a) and (d) above, (ii) within three Business Days of the expiry of the applicable reinvestment period set out in Section 5.3.2 after such proceeds are received by the applicable Credit Party in the case of clause (b) above and within three Business Days of the expiry of the insurance proceeds reinvestment period described in Section 5.3.2(a) after such proceeds are received by the applicable Credit Party in the case of clause (c) above. As used herein, “net cash proceeds” in respect of any such transaction means the gross amount payable to the applicable Credit Party in cash in respect of such transaction less (i) any sales commissions, selling expenses, brokers’ fees, consulting fees, legal fees, other costs and expenses of the transaction actually incurred, investment banking fees, accountants’ fees, consulting fees, underwriting discounts and commissions and other customary fees and expenses actually incurred, (ii) amounts required to be applied to the repayments of Funded Debt, (including

the principal amount, premium or penalty, if any, interest and other amounts required to be applied to the repayment of any Funded Debt secured by a Lien (including because the asset sold is removed from a borrowing base supporting such Funded Debt)), (iii) taxes payable in connection with the transaction, (iv) usual and reasonable adjustments in connection with the transaction and, including the amount of any liability paid or to be paid or reasonable reserve established in accordance with GAAP against any liabilities associated with the assets that are the subject of such event and retained by the Canadian Borrower or any of its Subsidiaries, and (v) any other amount specifically approved by the Agent in writing.

5.3.2 The Sales Proceeds or Insurance Proceeds, as applicable, need not be used by the Credit Parties to make a repayment under Section 5.3.1 and may be used by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, or, provided no Default (unless such repayment would cure any such Default) or Event of Default exists at such time, in the case of:

- (a) Insurance Proceeds (i) of insured claims that do not exceed in the aggregate in any one Fiscal Year \$7,500,000 or (ii) are used to repair or replace the property in respect of which such Insurance Proceeds were received, if such purchase, repair or replacement occurs within twelve (12) months of the receipt of such proceeds, subject to an extension of up to a further six (6) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial twelve (12) months period; or
- (b) Sales Proceeds (i) arising from any single transaction or series of related transactions that do not exceed in the aggregate in any one Fiscal Year \$3,000,000 or (ii) are used or useful by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, within nine (9) months of the receipt of such proceeds, subject to an extension of up to a further three (3) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial nine (9) period.

In connection with the foregoing, the Agent and the Lenders may rely upon and assume the correctness of all asset values and other statements contained in any certificate provided by an officer of the Canadian Borrower confirming the value of the relevant assets.

5.3.3 Repayments under this Section 5.3 are to be applied first to Outstanding Advances under the Term Facility until they have been fully repaid, and then to Outstanding Advances under the Operating Facilities, as directed by the Canadian Borrower, or failing such direction, *pro rata* between the Operating Facilities. Repayments under the Facilities under this Section 5.3 shall be applied in inverse order of maturity and will be made *pro rata* to each Lender under the applicable Facility.

5.3.4 If as a result of currency rate fluctuation, the Outstanding Advances under the Canadian Operating Facility exceeds the Canadian Operating Facility Limit by at least 3% thereof (in each case, a “**Currency Excess**”), the Borrowers will, by the earlier of (a) five

(5) Business Days after a written request from the Agent, and (b) the next date of a Rollover or Conversion, pay the applicable Currency Excess to the Agent as a Repayment for the benefit of the Canadian Operating Lenders to be shared on the basis of each applicable Lender's Proportionate Share under the Canadian Operating Facility. If to pay a Currency Excess it is necessary to repay an Advance made by way of Bankers' Acceptance or a LIBOR Loan prior to the maturity date thereof, the Borrowers will not be required to repay such Advances until the maturity date applicable thereto; provided, however, that at the request of the Agent, the Borrowers will forthwith pay the Currency Excess to the Agent for deposit into a cash collateral account maintained by and in the name of the Agent for the benefit of the Canadian Operating Lenders. The Currency Excess will be held by the Agent for set off against future obligations owing by the Borrowers to the Canadian Operating Lenders in respect of such Currency Excess, if any, and, pending such application, such amounts will bear interest for the Borrowers' account at the rate payable by the Agent in respect of deposits of similar amounts and for similar periods of time. The Agent shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of the Currency Excess by the Borrowers with the Agent as herein provided will not operate as a Repayment under the Canadian Operating Facility until such time as the Currency Excess is actually paid to the Canadian Operating Lenders as a Repayment. If the Borrowers are required to provide a deposit under this Section 5.3.4 as a result of the Currency Excess with respect to an unmatured Bankers' Acceptance or a LIBOR Loan, and such Currency Excess (or any portion thereof) is no longer in effect on the maturity date of such Bankers' Acceptance or LIBOR Loan, such deposit (or the applicable portion thereof) shall be returned to the Borrowers within three Business Days after the maturity date of such Bankers' Acceptance or LIBOR Loan.

5.3.5 If the aggregate Outstanding Advances under the Facilities, is at any time greater than the then applicable Borrowing Base (the amount of such excess being a "**Borrowing Base Shortfall**"), one or all of the Borrowers shall within three (3) Business Days repay such portion of the Outstanding Advances under the Operating Facilities to the Agent for the Canadian Operating Lenders as is required to eliminate such Borrowing Base Shortfall. The Agent will apply such payments (a) against the Term Facility and (b) thereafter, *pro rata* amongst the Canadian Operating Facility and the U.S. Operating Facility and in the following order: (i) first against Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans, U.S. Dollar Prime Rate Loans, (ii) second to collateralize Bankers' Acceptances as provided in Section 5.11, (iii) third to repay LIBOR Loans, subject to Section 5.14, and (iv) fourth to collateralize Letters of Credit as provided in Section 5.16(f), until any such Borrowing Base Shortfall has been eliminated. If the Borrowers are required to provide cash collateral under this Section 5.3.5 as a result of a Borrowing Base Shortfall, such amount shall be returned to the Borrowers within three (3) Business Days after such Borrowing Base Shortfall is no longer continuing.

5.3.6 If any Credit Party receives net cash proceeds from any Anchor Sale and Leaseback Transaction, then the Borrowers shall make a Repayment on account of the Outstanding Advances under the Operating Facilities in an amount equal to 100% of such net cash proceeds within five Business Days after such proceeds are received by the applicable Credit Party. As used herein, "net cash proceeds" has the same meaning ascribed thereto in Section 5.3.1. Repayments under this Section 5.3.6 are to be applied to

Outstanding Advances under the Operating Facilities on a pro rata basis. Repayments under this Section 5.3.6 shall not result in a permanent reduction of any Operating Facility.

5.4 Notice Periods

5.4.1 The Borrowers shall provide written notice to the Agent in respect of Advances, Rollovers, Conversions and Repayments to the extent set out below:

- (a) no notice is required for Advances and Repayments in respect of Overdrafts under the Swingline;
- (b) notice is required for each voluntary Repayment under any Facility in accordance with Section 5.2;
- (c) except as provided in clauses (a) and (b) above, but subject to (d), (e) and (f) below, one Business Days' notice is required before 10:00 a.m. Toronto time in respect of any Advance, Rollover, Conversion or voluntary Repayment in Canadian Dollars or in U.S. Dollars;
- (d) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a Bankers' Acceptance or BA Equivalent Loan, two Business Days' notice is required before 10:00 a.m. Toronto time;
- (e) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a LIBOR Loan, three Business Days' notice is required before 10:00 a.m. Toronto time; and
- (f) notwithstanding the foregoing, if an Advance relates to the issuance of a Letter of Credit, (i) if issued to a beneficiary located in Canada or the U.S., three Business Days' notice is required before 10:00 a.m. Toronto time and (ii) if issued to a beneficiary located outside of Canada or the U.S., five (5) Business Days' notice is required before 10:00 a.m. Toronto time.

5.4.2 Notice of any Advance, Rollover, Conversion or voluntary Repayment referred to in Section 5.4.1 above shall be given in the form of a Drawdown Request, Rollover Notice, Conversion Notice or Repayment Notice, as the case may be, attached hereto as Exhibits, and shall be given to the Agent at its address set out in Section 13.11.

5.4.3 If notice is not provided as contemplated herein with respect to the maturity of any Bankers' Acceptance, BA Equivalent Loan and LIBOR Loan the Agent may convert such Bankers' Acceptance, BA Equivalent Loan or LIBOR Loan upon its maturity into a Canadian Dollar Prime Rate Loan or a U.S. Dollar Base Rate Loan, as applicable.

5.4.4 Any Conversion from one form of Availment Option to another shall be subject to satisfaction of all terms and conditions applicable to the form of the new Availment Option.

5.5 Minimum Amounts, Multiples and Procedures re Advances, Conversions and Repayments

5.5.1 Each request by a Borrower for an Advance or Conversion in the form of a Canadian Dollar Prime Rate Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.2 Each request of a Borrower for an Advance or Conversion in the form of a U.S. Dollar Base Rate Loan shall be in a minimum amount of U.S. \$500,000 and multiples of U.S. \$100,000 thereafter.

5.5.3 Each request by a Borrower for an Advance or Conversion in the form of a Bankers' Acceptance or BA Equivalent Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.4 Each request by a Borrower for an Advance or Conversion in the form of a LIBOR Loan in U.S. Dollars shall be in a minimum amount of U.S. \$500,000 and in a multiple of U.S. \$100,000 thereafter.

5.5.5 Conversions or Rollovers under the Term Facility can be in such lesser amounts as are necessary to give effect to the principal repayments under the Term Facility required pursuant to Sections 3.4, 5.3.1 and 5.3.2.

5.5.6 Upon receipt of a Drawdown Request under any Facility, the Agent shall promptly notify each Lender under such Facility of the contents thereof and such Lender's Proportionate Share of the Advance. Such Drawdown Request shall not thereafter be revocable.

5.5.7 Each Advance shall be made by the applicable Lenders to the Agent at its address referred to in Section 13.11 or such other address as the Agent may designate by notice in writing to the Lenders from time to time. Each Lender shall make available its Proportionate Share of each said Advance to the Agent. Unless the Agent determines that any condition of the Advance has not been satisfied or waived, the Agent shall make the funds so received from the Lenders available to the applicable Borrower by 2:00 p.m. (Toronto time) on the requested date of the Advance. No Lender shall be responsible for any other Lender's obligation to make available its Proportionate Share of the said Advance.

5.5.8 Each Borrower agrees to deliver to the Agent in favour of any requesting Lender such other agreements and documentation as such Lender may reasonably require (not inconsistent with this Agreement and upon at least two (2) Business Days' prior written notice) in respect of such Lender's requirements for the acceptance of Bankers' Acceptances or the issuance of BA Equivalent Loans.

5.5.9 All payments of principal, interest and other amounts made by the Credit Parties to the Agent in respect of the Outstanding Advances under a Facility shall be paid by the Agent to the Lenders in accordance with their respective Proportionate Shares of the Outstanding Advances under such Facility. For greater certainty, however, (a) stamping

fees in respect of Bankers' Acceptances and BA Equivalent Loans shall be received and retained by the respective Lenders which issued or accepted such Bankers' Acceptances and BA Equivalent Loans and (b) in the event that any payments of principal, interest and other amounts made by the Credit Parties to the Agent instead of to the Swingline Lender in respect of the Outstanding Advances under the Swingline, any such payments shall be paid by the Agent to the Swingline Lender.

5.6 Place of Advances and Repayments

5.6.1 Advances by any Lender to a Borrower shall be made by such Lender to the Agent from such Lender's applicable Lending Office. All payments of principal, interest and other amounts to be made by the Borrowers and the other Credit Parties pursuant to this Agreement shall be made to the Agent at its address noted in Section 13.11 or to such other address at a major city in Canada as the Agent may direct in writing from time to time. All such payments received by the Agent on a Business Day before 2:00 p.m. (Toronto time) shall be treated as having been received by the Agent on that day; payments made after such time on a Business Day shall be treated as having been received by the Agent on the next Business Day.

5.6.2 Whenever any payment or the performance of any covenant, duty or other obligation shall be due on (or required within a time period ending on) a day which is not a Business Day, the date for payment or performance thereof shall be extended to the next succeeding Business Day. Interest shall continue to accrue and be payable thereon as provided herein, until the date on which such payment is received by the Agent.

5.7 Evidence of Obligations (Noteless Advances)

The Agent shall open and maintain, in accordance with its usual practice, accounts evidencing the Obligations; and the information entered in such accounts shall constitute conclusive evidence of the Obligations absent manifest error. The Agent may, but shall not be obliged to, request the Borrowers to execute and deliver from time to time such promissory notes as may be required as additional evidence of the Obligations; provided, that no promissory notes shall be required in respect of any Hedging Agreements or Banking Services Agreements.

5.8 Determination of Equivalent Amounts

Whenever it is necessary or desirable at any time to determine the Equivalent Amount in Canadian Dollars of an amount expressed in U.S. Dollars, or vice-versa (specifically including the determination of the Equivalent Amount in Canadian Dollars of an Advance made in U.S. Dollars (as applicable), the determination of each Lender's Proportionate Share of any Repayment on any date, and the determination of whether the Outstanding Advances under any Facility exceed the limit applicable to such Facility at any time), the Equivalent Amount shall be determined by reference to the Exchange Rate on the date of such determination. Notwithstanding the foregoing, however, for the purposes of determining any Letter of Credit fees under the Canadian Operating Facility or the standby fees applicable to the Canadian Operating Facility, the Agent shall make such determination based upon the Bank of Canada noon spot rate on the first Business Day of each quarter for such quarter as the case may be.

If any basket used hereunder is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. For purposes of determining the Net Leverage Ratio, amounts denominated in a currency other than U.S. Dollars will be converted to U.S. Dollars for the purposes of (A) testing the financial covenant under Section 7.3.1(a), at the Exchange Rate as of the last day of the Fiscal Quarter for which such measurement is being made, and (B) calculating any Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.3.1(a)), at the Exchange Rate as of the date of calculation, and will, in the case of Funded Debt, reflect the currency translation effects, determined in accordance with GAAP, of Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount in U.S. Dollars of such Funded Debt.

5.9 Commitment to Purchase Bankers' Acceptances and BA Equivalent Loans

5.9.1 Each BA Lender which is a bank listed in Schedule I of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated at the CDOR Rate for the relevant period in effect on the issuance date thereof.

5.9.2 Each BA Lender which is a bank listed in Schedule II or Schedule III of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate for the relevant period in effect on the issuance date thereof plus up to one-tenth of one percent (0.10%).

5.9.3 Each Non-BA Lender agrees to purchase BA Equivalent Loans issued by it hereunder at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate plus up to one tenth of one percent (0.10%) for the relevant period in effect on the issuance date thereof.

5.9.4 The discount applicable to each Bankers' Acceptances and BA Equivalent Loan shall be determined on the basis of a year of 365 days.

5.10 Special Provisions Regarding Bankers' Acceptances

The following provisions are applicable to Bankers' Acceptances issued by the Canadian Borrower and accepted by any BA Lender hereunder.

5.10.1 *Payment of Bankers' Acceptances.* The Canadian Borrower agrees to provide for each Bankers' Acceptance by payment of the face amount thereof to the Agent on behalf of the BA Lender on the maturity of the Bankers' Acceptance or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such BA Lender and such BA Lender shall in turn remit such amount to the holder of the Bankers' Acceptance. If the Canadian Borrower fails to provide for the payment of the Bankers' Acceptance accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to

Canadian Dollar Prime Rate Loans under the Facility under which such Bankers' Acceptance was issued. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any Bankers' Acceptance and agrees to indemnify and save harmless the BA Lender in connection with all payments made by the BA Lender (or by the Agent on its behalf) pursuant to Bankers' Acceptances accepted by the BA Lender, together with all reasonable costs and expenses incurred by the BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a Bankers' Acceptance is held by the BA Lender for its own account at maturity.

5.10.2 *Availability of Bankers' Acceptances.* If at any time and from time to time the Agent determines, acting reasonably, that there no longer exists a market for Bankers' Acceptances for the term requested by the Canadian Borrower, or at all, or if any BA Lenders representing no less than 35% of the Commitments advise the Agent in writing that the CDOR Rate will not or does not accurately reflect the cost of funds of such BA Lender, the Agent shall so advise the Canadian Borrower, and in such event the BA Lenders shall not be obliged to accept and the Canadian Borrower shall not be entitled to issue Bankers' Acceptances. If such notice is given and there is any outstanding Drawdown Request, Rollover Notice or Conversion Notice requesting an Advance by way of, or a Rollover or Conversion into, a Bankers' Acceptance at such a time, then such request will be deemed to be a request for, or a Rollover or Conversion into, a Canadian Dollar Prime Rate Loan.

5.10.3 *Power of Attorney.* The Canadian Borrower hereby appoints each BA Lender as its true and lawful attorney to complete and issue Bankers' Acceptances on behalf of the Canadian Borrower in accordance with written (including facsimile) transmitted instructions provided by the Canadian Borrower to the Agent on behalf of such BA Lender, and the Canadian Borrower hereby ratifies all lawful acts that its said attorney may do by virtue thereof. The Canadian Borrower agrees to indemnify and hold harmless the Agent and the BA Lenders and their respective directors, officers and employees from and against any charges, complaints, costs, damages, expenses, losses or liabilities of any kind or nature which they may incur, sustain or suffer, arising from or by reason of acting, or failing to act, as the case may be, in reliance upon this power of attorney, except to the extent caused by the gross negligence or willful misconduct of the Agent or the BA Lender or their respective directors, officers and employees. The Canadian Borrower hereby agrees that each Bankers' Acceptance completed and issued and accepted in accordance with this Section by a BA Lender on behalf of the Canadian Borrower is a valid, binding and negotiable instrument of the Canadian Borrower as drawer and endorser. The Canadian Borrower agrees that each BA Lender's accounts and records will constitute *prima facie* evidence of the execution and delivery by the Canadian Borrower of Bankers' Acceptances. This power of attorney is coupled with an interest and shall continue in force until written notice of revocation with respect to any BA Lender has been served upon the Agent by the Canadian Borrower at the Agent's address set out in Section 13.11.

5.10.4 *Repayment Prior to Maturity.* The Canadian Borrower acknowledges that Advances made by a Lender by way of Bankers' Acceptances and BA Equivalent Loans may not be repaid prior to the maturity thereof. If any Bankers' Acceptance or BA

Equivalent Loan is repaid prior to the scheduled maturity date hereof (whether as a result of Section 2.3 or Section 10.2 or otherwise), the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders the principal amount of such Bankers' Acceptance or BA Equivalent Loan and the Agent will in its discretion invest any funds in respect of such purported repayment in a term deposit maturing on the scheduled maturity date of the Bankers' Acceptance or BA Equivalent Loan. Any interest accruing on the term deposit will be paid to the Canadian Borrower on the maturity date thereof; provided, that no Event of Default has occurred and is continuing.

5.10.5 *Depository Bills*. It is the intention of the Parties that pursuant to the *Depository Bills and Notes Act* (Canada) ("DBNA"), all Bankers' Acceptances accepted by the Lenders under this Agreement will be issued in the form of a "depository bill" (as defined in the DBNA), deposited with a "clearing house" (as defined in the DBNA), including The Canadian Depository for Securities Limited or its nominee CDS Clearing and Depository Services Inc. ("CDS"). In order to give effect to the foregoing, the Agent will, subject to the approval of the Canadian Borrower and the Lenders, establish and notify the Canadian Borrower and the Lenders of any additional procedures, consistent with the terms of this Agreement, as are reasonably necessary to accomplish such intention, including:

- (a) any instrument held by the Agent for purposes of Bankers' Acceptances will have marked prominently and legibly on its face and within its text, at or before the time of issue, the words "This is a depository bill subject to the *Depository Bills and Notes Act* (Canada)";
- (b) any reference to the authentication of the Bankers' Acceptance will be removed; and
- (c) any reference to the "bearer" will be removed and such Bankers' Acceptances will not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.

5.10.6 *Rounding*. In the case of an issue of Bankers' Acceptances, the Agent will round allocations amongst the Lenders to ensure that each Bankers' Acceptance issued has a face amount which is a whole number multiple of \$100,000 (and such rounded allocations shall constitute the Lenders' respective Proportionate Share for the purposes of this Agreement).

5.11 Escrowed Funds

Upon the request of the Agent after the occurrence and during the continuance of an Event of Default on the cancellation of this Agreement, or if any Outstanding Advances by way of Bankers' Acceptances are required to be prepaid hereunder prior to their maturity, the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders, an amount equal to the Lenders' maximum potential liability under then outstanding Bankers' Acceptances. Such escrowed funds will be held by the Agent for set-off against future Obligations owing by the Canadian Borrower to the applicable Lenders in respect of such Bankers' Acceptances and pending such application

may be invested in accordance with Section 5.10.4. In the case such Event of Default is either waived or cured in compliance with the terms of this Agreement, then the remaining escrow funds if any, together with any accrued interest to the date of release, will be released to the Canadian Borrower. The deposit of such escrow funds by the Canadian Borrower with the Agent as herein provided, will not operate as a repayment of the Outstanding Advance under the applicable Facility until such time as the escrow funds are actually paid to the applicable Lenders as a Repayment on the applicable maturity date thereof.

5.12 Special Provisions regarding BA Equivalent Loans

Each Non-BA Lender will not accept Bankers' Acceptances hereunder, and shall instead from time to time make BA Equivalent Loans to the Canadian Borrower. The amount of each BA Equivalent Loan will be equal to the discount proceeds (based on the discount rate set forth in Section 5.9.3 and subject to Section 5.10.6) which would be realized from a hypothetical sale of the corresponding Bankers' Acceptance on the basis the Lenders purchased such Bankers' Acceptance and the maturity date of each such BA Equivalent Loan will be the same as the maturity date of the corresponding Bankers' Acceptance. Upon the reasonable request of a Non-BA Lender, each BA Equivalent Loan may be evidenced by a non-interest bearing promissory note payable by the Canadian Borrower to the Non-BA Lender in a form acceptable to each such party, acting reasonably. Any such BA Equivalent Loan shall be negotiable by the Non-BA Lender without notice to or the consent of the Canadian Borrower, and the holder thereof shall be entitled to enforce such BA Equivalent Loan against the Canadian Borrower free of any equities, defences or rights of set-off that may exist between the Credit Parties and the Non-BA Lender. In this Agreement, all references to a BA Equivalent Loan shall mean the loan evidenced thereby if required by the context; and all references to the "issuance" of a BA Equivalent Loan by a Non-BA Lender and similar expressions shall mean the making of a BA Equivalent Loan by the Non-BA Lender which is evidenced by a BA Equivalent Loan as if applicable. The following provisions are applicable to each BA Equivalent Loan made by a Non-BA Lender to the Canadian Borrower hereunder:

5.12.1 *Payment of BA Equivalent Loans.* The Canadian Borrower agrees to provide for each BA Equivalent Loan by payment of the face amount thereof to the Agent on behalf of the Non-BA Lender on the maturity of the BA Equivalent Loan or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such Non-BA Lender and such Non-BA Lender shall in turn remit such amount to the holder of the BA Equivalent Loan. If the Canadian Borrower fails to provide for the payment of the BA Equivalent Loan accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the Non-BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such BA Equivalent Loan was made. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any BA Equivalent Loan and agrees to indemnify and save harmless the Non-BA Lender in connection with all payments made by the Non-BA Lender (or by the Agent on its behalf) pursuant to BA Equivalent Loans accepted by the Non-BA Lender, together with all reasonable costs and expenses incurred by the Non-BA Lender in this regard. The Canadian Borrower hereby waives any defences to

payment which might otherwise exist if for any reason a BA Equivalent Loan is held by the Non-BA Lender for its own account at maturity.

5.12.2 *Availability of BA Equivalent Loans.* No Non-BA Lender shall have any obligation to issue BA Equivalent Loans during any period in which the BA Lenders' obligation to issue Bankers' Acceptances is suspended pursuant to Section 5.10.2.

5.13 Special Provisions Regarding LIBOR Loans

The following provisions are applicable to LIBOR Loans made by any Lender to the Borrowers.

5.13.1 *Drawdown Procedures.* Upon receipt by the Agent from a Borrower of a Drawdown Request, Conversion Notice or Rollover Notice in respect of a LIBOR Loan, the Agent will promptly advise such Borrower of the U.S. Dollar LIBOR Rate, such rate to be determined as at approximately 11:00 a.m. London time, two LIBOR Business Days before the commencement of the LIBOR Period for such LIBOR Loan.

5.13.2 *Interest Payment Dates for LIBOR Loans.* Interest in respect of any LIBOR Loan in U.S. Dollars shall be calculated on the basis of a year of 360 days. Interest in respect of any LIBOR Loan with a LIBOR Period of between one month and three months (inclusive) shall be payable at the time the principal amount of such LIBOR Loan is payable. Interest in respect of any LIBOR Loan with a LIBOR Period longer than three months shall be payable in arrears every three months commencing on the last day of the third month following the commencement of such LIBOR Period, and also at the time the principal amount of such LIBOR Loan is payable.

5.13.3 *Laws Applicable to LIBOR Loans.* Each Borrower acknowledges that the ability of the Lenders to maintain or provide any LIBOR Loan and to charge interest on any LIBOR Loan at the U.S. Dollar LIBOR Rate is and will be subject to any statute, law, regulation, rule or direction by any Governmental Authority having jurisdiction which may prohibit or restrict or limit such loans or such interest. Each Borrower agrees that the Lenders shall have the right to comply with any such requirements and, if the Agent determines it to be necessary as a result of such requirement, the Agent may convert any LIBOR Loan to a U.S. Dollar Base Rate Loan or require immediate repayment of all LIBOR Loans, including accrued interest thereon and all applicable breakage costs pursuant to Section 5.15.

5.14 Breakage Costs

The Borrowers may only Repay or Convert any LIBOR Loan prior to the scheduled maturity date thereof, whether as a result of acceleration or for any other reason, if the Borrowers agree to pay to the Agent upon demand all losses, damages, costs and expenses which such Lender has incurred or may incur as a result of such Repayment or Conversion prior to the said scheduled maturity date. The Agent shall provide the Borrowers with a written certificate showing in reasonable detail the basis for such claim, which shall be deemed to be *prima facie* correct, in the absence of manifest error.

5.15 Inability to Make LIBOR Loans

If at any time and from time to time:

- (a) the Agent (acting reasonably) determines that by reason of circumstances affecting the London Interbank Eurodollar Market, adequate and fair means do not exist for ascertaining the rate of interest with respect to, or deposits are not available in sufficient amounts in the ordinary course of business at the rate determined hereunder to fund, a requested LIBOR Loan during the ensuing LIBOR Period selected;
- (b) the Agent (acting reasonably) determines that the making or continuing of the requested LIBOR Loan by the Lenders has been made impracticable by the occurrence of an event which materially adversely affects the London Interbank Eurodollar Market generally; or
- (c) the Agent is advised by Lenders representing no less than 35% of the Commitments that the U.S. Dollar LIBOR Rate will not or does not represent the effective cost to such Lender of U.S. Dollar deposits in such market for the relevant LIBOR Period,

then the Agent shall give notice thereof to the Lenders and the Borrowers as soon as possible after such determination or receipt of such notice, as the case may be, and if such notice is given subsequent to the giving of a Drawdown Request or any Rollover Notice or Conversion Notice to the Agent by a Borrower with regard to any requested LIBOR Loan, such Borrower shall, within one Business Day after receipt of such notice and in replacement of the Drawdown Request, Rollover Notice or Conversion Notice, as the case may be, previously given by such Borrower, give the Agent a Drawdown Request or a Conversion Notice, as the case may be, which specifies the Advance of a U.S. Dollar Base Rate Loan or the Conversion of the relevant LIBOR Loan on the last day of the applicable LIBOR Period into a U.S. Dollar Base Rate Loan. In the event a Borrower fails to give, if applicable, a valid replacement Conversion Notice with respect to the maturing LIBOR Loans which were the subject of a Rollover Notice, such maturing LIBOR Loans shall be converted on the last day of the applicable LIBOR Period into U.S. Dollar Base Rate Loans under the applicable Facility as if a Conversion Notice had been given to the Agent by such Borrower pursuant to the provisions hereof. In the event a Borrower fails to give, if applicable, a valid replacement Drawdown Request with respect to an Advance originally requested by way of a LIBOR Loan, then such Borrower shall be deemed to have requested an Advance by way of a U.S. Dollar Base Rate Loan in the amount specified in the original Drawdown Request and, on the originally requested date of Advance, the applicable Lenders (subject to the other provisions hereof) shall make available the requested amount by way of a U.S. Dollar Base Rate Loan under the applicable Facility.

If at any time the Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 5.15(b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 5.15(b) have not arisen but the supervisor for the administrator of LIBOR Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement

identifying a specific date after which the LIBOR Rate shall no longer be used for determining interest rates for loans, then the Agent and the Borrowers shall negotiate in good faith to establish an alternate rate of interest to LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for LIBOR Loans made in Canada or in the United States at such time, and upon an agreement being reached, shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary herein, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

5.16 Special Provisions Regarding Letters of Credit

The following additional provisions are applicable to Letters of Credit issued by hereunder:

- (a) The obligation of a Borrower to reimburse any Issuing Bank for all drawings under Letters of Credit shall be absolute, unconditional and irrevocable and shall be satisfied strictly in accordance with their terms, irrespective of:
 - (i) any lack of validity or enforceability of any Letter of Credit;
 - (ii) the existence of any claim, setoff, defence or other right which such Borrower or any other Person may at any time have against the beneficiary under any Letter of Credit, such Issuing Bank, the Agent or any Lender (other than the defence of payment in accordance with the terms of this Agreement or a defence based on the gross negligence or willful misconduct of such Issuing Bank as determined by a court of competent jurisdiction by final and non-appealable judgment) or any other Person in accordance with this Agreement or other transaction;
 - (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; and
 - (iv) any other circumstance or event whatsoever, whether or not similar to any of the foregoing.
- (b) In making any payment under any Letter of Credit (a) an Issuing Bank's exclusive reliance on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other

document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever and (b) any non-compliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in each case, not be deemed willful misconduct or negligence of such Issuing Bank.

- (c) Each Issuing Bank and its correspondents may accept and act upon the name, signature, or act of any party purporting to be the executor, administrator, receiver, trustee in bankruptcy or other legal representative of any party designated in any Letter of Credit in the place of the name, signature, or act of such party.
- (d) In addition to amounts payable as elsewhere provided in this Section 5.16, each Borrower hereby agrees to protect, indemnify, pay and save each Issuing Bank and its respective directors, officers, employees, agents and representatives harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including legal fees and expenses) which each such indemnitee may incur or be subject to as a consequence, direct or indirect, of:
 - (i) the issuance of any Letter of Credit, other than as a result of the breach of the standards of reasonable care where such Issuing Bank would not be entitled to the foregoing indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit;
 - (ii) the inability of an indemnitee to honour a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority; or
 - (iii) any of the matters listed in Section 5.16(e).
- (e) As between a Borrower, on the one hand, and an Issuing Bank, on the other hand, such Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued at its request hereunder by, the respective beneficiaries of such Letters of Credit and, without limitation of the foregoing (but other than to the extent such Issuing Bank breaches the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, as applicable, where such Issuing Bank would not be entitled to indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit), such Issuing Bank shall not be responsible for:
 - (i) the form, validity, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, inaccurate, fraudulent or forged;
 - (ii) the invalidity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or

benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;

- (iii) errors, omissions, interruptions or delays in transmission or delivery of any messages, by fax, electronic transmission, mail, cable telegraph, telex or otherwise, whether or not they are in cipher;
- (iv) errors in interpretation of technical terms;
- (v) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof;
- (vi) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; and
- (vii) any consequences arising from causes beyond the reasonable control of any Lender, including any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority.

None of the above shall affect, impair or prevent the vesting of any Issuing Bank's rights or powers hereunder. No action taken or omitted by an Issuing Bank under or in connection with any Letter of Credit issued by it or the related certificates, if taken or omitted in good faith, shall put such Issuing Bank under any resulting liability to the applicable Borrower (provided, that such Issuing Bank acts in accordance with the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit).

- (f) If any Letter of Credit is outstanding on the Facilities Maturity Date, on the date this Agreement and all Commitments hereunder are cancelled, at any time that an Event of Default occurs, a demand for repayment is made hereunder, or a domestic or foreign court issues any judgment or order restricting or prohibiting payment by the applicable Issuing Bank under such Letter of Credit or extending the liability of the applicable Issuing Bank to make payment under such Letter of Credit beyond the expiry date specified therein, the applicable Borrower will forthwith upon demand by the Agent or the applicable Issuing Bank deposit into a cash collateral account maintained by and in the name of the Agent or the applicable Issuing Bank funds in the applicable currency in the amount of the Advance constituted by such Letter of Credit and such funds (together with interest thereon) will be held by the Agent or the applicable Issuing Bank for payment of the liability of the applicable Borrower pursuant to this Section 5.16 or otherwise in respect of such Letter of Credit so long as such Issuing Bank has or may in any circumstance have any liability under such Letter of Credit, and, pending such payment, shall bear interest at the Agent's or the applicable Issuing Bank, as applicable then prevailing rate in respect of deposits of similar amounts and of similar periods of time. Any balance of such funds and interest remaining at such time as the applicable Issuing Bank

does not have and may never have any liability under such Letter of Credit will nevertheless continue to be held by the Agent or the applicable Issuing Bank, if and so long as any Default or Event of Default is continuing or after a demand for repayment is made or both, as security for the remaining liabilities of the applicable Borrower hereunder. The Agent or the applicable Issuing Bank, as applicable, shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of such funds by a Borrower with the Agent or the applicable Issuing Bank as herein provided will not operate as a repayment of the U.S. Operating Facility or the Swingline Commitment, as applicable, until such time as such funds are actually paid to the U.S. Operating Lenders or the Swingline Lender, as applicable, as a principal repayment.

- (g) The Issuing Bank and the Agent, in the case of Letters of Credit issued under the U.S. Operating Facility, and the Swingline Lender, in the case of Letters of Credit issued under the Swingline, shall each maintain records showing the undrawn and unexpired amount of each Letter of Credit outstanding under such Facility, and showing for each such Letter of Credit:
 - (i) the dates of issuance and expiration thereof;
 - (ii) the amount thereof; and
 - (iii) the date and amount of all payments made thereunder.

The Issuing Bank and the Agent shall make copies of such records in the respect of Letters of Credit issued under the U.S. Operating Facility available to the U.S. Borrower and the U.S. Operating Lenders upon request. The Swingline Lender, shall make copies of such records in respect to Letters of Credit issued under the Swingline available to the Canadian Borrower, the Agent and the Canadian Operating Lenders upon request.

5.17 Eligible Approved Contracts

The Canadian Borrower may request, from time to time and by written notice to the Agent, that the Agent designate additional contracts of the Credit Parties (the “**Additional Contracts**”) as Eligible Approved Contracts, provided that, any such notice shall only be given concurrently with the delivery of a Borrowing Base Certificate pursuant to 7.4.1(a) and such notice shall include a true and correct copy of each Additional Contract.

If an Additional Contract is in a form (a) previously approved by the Lenders or (b) in respect of which the Agent has previously received a legal opinion opining that such contract or agreement is valid and enforceable under the governing law thereof, then such Additional Contract shall be designated by the Agent as an Eligible Approved Contract as of the date of the notice referred to above, otherwise, such Additional Contract shall not be designated as an Eligible Approved Contract until such time as the Agent has received an opinion of legal counsel opining that such contract or agreement is valid and enforceable under the governing law thereof, which opinion is in form and substance satisfactory to the Agent and is delivered by legal counsel acceptable to the Agent (in each case acting reasonably).

ARTICLE 6 REPRESENTATIONS AND WARRANTIES

6.1.1 *Status.* It has been duly incorporated, amalgamated, constituted, formed or established as the case may be, and is validly subsisting under the Laws of its governing jurisdiction and is up to date in respect of all corporate or similar filings and has all necessary corporate power, capacity and authority to carry on its business in each jurisdiction where it carries on business except, in the case of other jurisdiction, to the extent the failure to do so would reasonably be expected to have a Material Adverse Effect.

6.1.2 *Information.* As of the date hereof, Schedule 6.1.2 contains the following information in respect of each Credit Party and each Subsidiary thereof as of the Amendment and Restatement Date: predecessors and prior names (within the immediately preceding five years), jurisdiction of incorporation or establishment, present governing jurisdiction, registered office, chief executive office, all locations at which it has owned or leased places of business or maintained a material amount of assets (other than assets temporarily out of a Credit Party's custody or possession, including assets on the premises of others and items in transit) the number and classes of its issued and outstanding shares and a list of its shareholders including the number and class of shares held by each. All material records related to the Credit Party's Receivables are located at those certain chief executive offices as identified in Schedule 6.1.2, as may be updated from time to time.

6.1.3 *Subsidiaries.* As of the Amendment and Restatement Date, neither Holdco nor the Canadian Borrower has any Material Subsidiaries or other Subsidiaries other than as set out in Schedule 6.1.3 and 100% of the issued and outstanding shares of each Material Subsidiary are directly or indirectly owned by the Canadian Borrower.

6.1.4 *No Pending Corporate Changes.* As of the Amendment and Restatement Date, no Person has any agreement or option or any right or privilege (whether by law, pre-emptive or contractual) capable of becoming an agreement for the purchase of any properties or assets of any Credit Party out of the ordinary course of business or for the purchase, subscription, allotment or issuance of any debt or equity securities, including convertible securities, warrants or convertible obligations of any nature, of the Canadian Borrower.

6.1.5 *No Conflicts under Material Agreements or Material Permits.* Except as disclosed in Schedule 6.1.5, the execution and delivery by each Credit Party of those Credit Documents to which it is a party, will not conflict with, result in a breach of or require any approval or consent under any Material Agreement or Material Permit, other than consents or approvals which have been obtained unconditionally and without imposition of any material conditions.

6.1.6 *No Conflict with Charter Documents.* There are no provisions contained in the charter documents, or by-laws of any Credit Party, or any partnership agreement, shareholders' agreement, voting trust agreement or similar agreement relating thereto or in any Material Agreement or Material Permit, which restrict or limit its powers to borrow money, issue debt obligations, guarantee the payment or performance of the obligations of others or encumber all or any of its present and after-acquired property; or which would be contravened by the execution and delivery of those Credit Documents to which any Credit Party is a party or the performance by any Credit Party of its obligations thereunder and which contravention would reasonably be expected to result in Material Adverse Change.

6.1.7 *Credit Documents.* Each Credit Party has the necessary capacity, power, legal right and authority to borrow from the Lenders, guarantee payment to the Agent and the Lenders of those Obligations which are payable by the Borrowers, perform its obligations under the Credit Documents and provide the Security required to be provided by it hereunder. Schedule 6.1.8 contains a true and complete list of all Material Permits, and all such Material Permits are valid and subsisting and in good standing.

6.1.9 *Ownership of Assets; Permitted Liens.* Each Credit Party has good and marketable title to (or a valid leasehold interest in) and owns and possesses its undertaking, property and assets (other than intellectual property) (or has a valid leasehold interest in) free and clear of any and all Liens except for Permitted Liens. No Credit Party has any commitment or obligation (contingent or otherwise) to grant any Liens except for Permitted Liens. No event has occurred which constitutes, or which with the giving of notice, lapse of time or both would constitute, a default under any specific Permitted Lien, which default would reasonably be expected to result in a Material Adverse Change.

6.1.10 *Leased Properties.* As of the date hereof, Schedule 6.1.10 contains a true and complete list of the Leased Properties.

6.1.11 *Intellectual Property.* Each Credit Party possesses or has the exclusive right to use all patents, patent rights, trademarks, trademark rights, trade names, trade name rights, service marks, service mark rights, copyrights and other forms of intellectual property

The Credit Parties have no indebtedness, obligation or liability with respect to the storage, treatment, cleanup or disposal of any Hazardous Materials (including without limitation any such indebtedness, obligation, or liability under any applicable Requirements of Environmental Law regarding such storage, treatment, cleanup or disposal) which would reasonably be expected to result in a Material Adverse Change.

6.1.16 *No Litigation.* Except as disclosed in Schedule 6.1.16, there are no actions, suits or proceedings pending, or to the knowledge of the Credit Parties threatened in writing, against any Credit Party in any court or before or by any federal, provincial, state, municipal or other Governmental Authority, which would reasonably be expected to result in a Material Adverse Change.

All of the Credit Parties' Pension Plans have been duly registered under Applicable Law. No steps have been taken to terminate any such Pension Plan (in whole or in part), no contribution failure has occurred with respect to any such Pension Plan sufficient to give rise to a Lien under any Applicable Laws of any jurisdiction, and no condition exists and no event or transaction has occurred with respect to any such Pension Plan, in each case, which would reasonably be expected to result in the incurrence by any Credit Party of any material liability, fine or penalty. Each such Pension Plan is in compliance in all material respects with all applicable pension benefits and tax laws, (i) all contributions (including employee contributions made by authorized payroll deductions or other withholdings) required to be made to the appropriate funding agency in accordance with all Applicable Laws and the

6.1.18 *ERISA Liabilities.* No ERISA Event has occurred or is reasonably expected to occur with respect to any Plan which would reasonably be expected to have a Material Adverse Effect. Since the most recent financial statement with respect to a Plan, there has been no change in the funding status of such Plan which would reasonably be expected to result in a Material Adverse Change. Neither any Credit Party nor any ERISA Affiliate has incurred or is reasonably expected to incur any Withdrawal Liability to any Multiemployer Plan which would reasonably be expected to result in a Material Adverse Change. and fair as of the date made in light of conditions and facts then known), do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not materially misleading in light of the circumstances under which such statements were made (after giving effect to all supplements from time to time).

6.1.21 *No Funded Debt/Liens.* No Funded Debt has been incurred or assumed by any Credit Party, except for Permitted Funded Debt. No Liens exist on the assets of any Credit Party, except for Permitted Liens.

6.1.22 *Validity and Ranking of Security.* Each Security agreement is effective to create in favor of the Agent for the benefit of the Lenders, legal, valid and enforceable Liens on, and security interests in, the collateral referred to therein. The Obligations are secured by a First-Ranking Security Interest, other than in respect of any Priority Claims.

6.1.23 *Taxes.* Except as disclosed in Schedule 6.1.23, each Credit Party has duly and timely filed all tax returns required to be filed by it, and has paid all taxes which are due and payable by it, except for any taxes which are subject to a Permitted Contest or which the failure to pay, individually or in the aggregate has not and would not reasonably be expected to have a Material Adverse Effect. Each Credit Party has also paid all other taxes, charges, penalties and interest due and payable under or in respect of all assessments and re-assessments of which it has received written notice, except to the extent that such assessments or re-assessments are subject to a Permitted Contest or which the failure to pay, individually or in the aggregate has not and would not reasonably be expected to have a Material Adverse Effect. There are no actions, suits, proceedings, investigations or claims threatened or pending against any Credit Party in respect of taxes, governmental charges or assessments or any matters under discussion with any Governmental Authority relating to taxes, governmental charges or assessments asserted by any such Governmental Authority which would reasonably be expected to result in a Material Adverse Change.

- (c) the Security and extent of its perfection will be agreed on the basis that the cost to the Credit Parties of providing such Security shall be proportionate to the benefit accruing to the Lenders;
- (d) Material Subsidiaries will not be required to give Guarantees or enter into Security if that would conflict with the fiduciary duties of their directors or contravene any legal prohibition or result in a risk of personal or criminal liability on the part of an officer provided that the relevant Guarantor shall use reasonable endeavours to overcome any such obstacle;
- (e) perfection of security, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the relevant time periods specified herein or, if earlier or to the extent no such time periods are specified herein, within the time periods specified by applicable law in order to ensure due perfection, provided that the perfection of security granted will not be required if it would have a material adverse effect on the ability of the relevant Guarantor to conduct its operations and business in the ordinary course as otherwise permitted by this Agreement;

Upon the occurrence and during the continuation of any Event of Default other than such an Insolvency Event, the Agent, at the request of and on behalf, of the Required Lenders, shall by written notice to the Borrowers declare the Obligations to be immediately due and payable. From and after the date of the occurrence of an Event of Default and for so long as such Event of Default continues, both before and after the Acceleration Date, all Outstanding Advances may bear interest or fees at the Default Rate in order to compensate the Lenders for the additional risk associated therewith.

10.3 Acceleration of Certain Contingent Obligations

Upon the occurrence of an Event of Default which is continuing, any Lender which has issued a Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit or entered into a Hedging Agreement with Credit Party may make a Canadian Dollar Prime Rate Loan, a U.S. Dollar Base Rate Loan or a U.S. Dollar Prime Rate Loan, as applicable, to a Borrower in an amount equal to the face amount of such Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit, or the amount required to unwind such Hedging Agreement (such amount to be determined in accordance with the terms thereof), as the case may be; and the proceeds of any such Loan shall be held by such Lender and used to satisfy the Lender's obligations under the said Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit as such becomes due, or to effect the unwinding of such Hedging Agreement. 10.4 Combining Accounts, Set-Off

Upon the occurrence and during the continuation of an Event of Default, in addition to and not in limitation of any rights now or hereafter granted under Applicable Law, each Lender may without notice to any Credit Party at any time and from time to time:

- (b) set off, apply or transfer any or all sums standing to the credit of any such deposits or accounts in or towards the satisfaction of the said obligations,

including all claims of any nature or description arising out of or connected with this Agreement, including contingent obligations of the Lenders in respect of unmatured Bankers' Acceptances, in which case the Agent or such Lender will promptly notify the Borrower thereof after the occurrence thereof; provided, that the Agent's or such Lender's failure to give any such notice will not affect the validity thereof. Nothing contained in the Credit Documents will require the Agent or a Lender to exercise any right, or will affect the right of the Agent or a Lender to exercise and retain the benefits of exercising any right, with respect to any Obligations existing otherwise than pursuant to the Credit Documents.

10.5 Attorney in Fact

Each Borrower hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of such Borrower and in the name of such Borrower or in its own name, from time to time in the Agent's discretion, for the purpose of carrying out the terms of the Credit Documents, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of the Credit Documents and which such Borrower being required by the terms thereof to take or execute has failed to take or execute; provided, that this power of attorney will not be effective until the occurrence and during the continuance of any Event of Default. Each Borrower hereby ratifies all that said attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and will be irrevocable until all of the Obligations under the Credit Documents have been unconditionally and irrevocably paid and performed in full. Each Borrower also authorizes the Agent, at any time and from time to time following the occurrence and during the continuance of any Event of Default, to execute any endorsements, assignments or other instruments of conveyance or transfer pursuant to the Security. If requested by the Agent, each Borrower will cause each other Credit Party to constitute and appoint the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact in accordance with the foregoing provisions of this Section 10.5.

10.6 Appropriation of Monies

After the occurrence and during the continuation of an Event of Default, the Agent may from time to time apply any Proceeds of Realization against any portion or portions of the Obligations, and the Borrowers may not require any different application. The taking of a judgment or any other action or dealing whatsoever by the Agent or the Lenders in respect of the Security shall not operate as a merger of any of the Obligations hereunder or in any way affect or prejudice the rights, remedies and powers which the Agent or the Lenders may have, and the foreclosure, surrender, cancellation or any other dealing with any Security or the said obligations shall not release or affect the liability of the Borrowers or any other Person in respect of the remaining portion of the Obligations.

10.7 No Further Advances

The Lenders shall not be obliged to make any further Advances (including honouring any cheques drawn by a Borrower which are presented for payment) from and after the earliest to occur of the following: (a) delivery by the Agent to the Borrowers of a written notice that a Default or

an Event of Default has occurred and is continuing and that as a result thereof no further Advances will be made (whether or not such notice also requires immediate repayment of the Obligations) and (b) the occurrence and continuance of an Event of Default under Section 10.1(h).

10.8 Remedies Cumulative

All of the rights and remedies granted to the Agent and the Lenders in this Agreement, and any other Credit Documents or instruments in existence between the Parties or contemplated hereby, and any other rights and remedies available to the Agent and the Lenders at law or in equity, shall be cumulative. The exercise or failure to exercise any of the said remedies shall not constitute a waiver or release thereof or of any other right or remedy, and shall be non-exclusive.

10.9 Performance of Covenants by Agent

If a Credit Party fails to perform any covenant or obligation to be performed by it pursuant to this Agreement, the Agent, at the request of the Required Lenders (in their sole discretion), after written notice to the Borrowers, perform any of the said obligations but shall be under no obligation to do so; and any amounts expended or advanced by the Agent for such purpose shall be payable by the Borrowers upon demand, together with interest thereon at the highest rate then applicable to the Facilities.

10.10 Purchase of Participation Following Acceleration

After all Obligations are declared by the Agent to be due and payable pursuant to Section 10.2, (i) each Lender agrees that it will at any time or from time to time thereafter at the request of the Agent as required by any Lender, purchase at par on a non-recourse basis a participation in the Outstanding Advances owing to each of the other Lenders under the Operating Facilities and make any other adjustments as are necessary or appropriate, in order that the Outstanding Advances owing to each of the Lenders under the Operating Facilities, as adjusted pursuant to this Section 10.10, will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; (ii) the amount of any repayment made by or on behalf of the Credit Parties under the Credit Documents or any proceeds received by the Agent or the Lenders pursuant to Section 11.7 will be applied by the Agent in a manner such that to the extent possible the amount of the Outstanding Advances owing to each Lender under the Operating Facilities after giving effect to such application will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; provided that: (i) HSBC US shall not purchase any participation under this Section 10.10 from HSBC Bank Canada (and provided that for certainty, the foregoing proviso shall not affect the obligations of HSBC US to any of the other Lenders under this Section 10.10); and (ii) if Applicable Laws or a Lender's internal regulations and policies prohibits such Lender from purchasing a participation in Outstanding Advances owing by a Borrower other than the Canadian Borrower, such Lender shall not be required to purchase a participation in the Outstanding Advances owing by such Borrower, provided that such Lender hereby indemnifies the other Lenders for its Proportionate Share of such Outstanding Advances as if such purchase had occurred.

ARTICLE 11

ADMINISTRATION OF THE FACILITIES

11.1 Authorization and Action

Each Lender hereby irrevocably appoints and authorizes the Agent to be its agent in its name and on its behalf and to exercise such rights or powers granted to the Agent or the Lenders under the Credit Documents to the extent specifically provided therein and on the terms thereof, together with such powers and authority as are reasonably incidental thereto. As to any matters not expressly provided for by the Credit Documents, the Agent will not be required to exercise any discretion or take any action, but will be required to act or to refrain from acting (and will be fully indemnified and protected by the Lenders to the greatest extent permitted by Law in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions will be binding upon all Lenders; provided, however, that the Agent will not be required to take any action which, in the opinion of the Agent, might expose the Agent to liability in such capacity, which could result in the Agent incurring any costs and expenses, or which is contrary to the spirit and intent of this Agreement.

11.2 Decision-Making

11.2.1 Any amendment to this Agreement relating to the following matters shall require the unanimous agreement of the Lenders:

- (a) decreases in interest rates or fees payable in respect of any Facility;
- (b) increases in the maximum amount of credit available under any Facility;
- (c) extensions, or changes to the definition, of the Facilities Maturity Date;
- (d) extensions or postponements of the scheduled dates or the scheduled amounts for Repayments hereunder;
- (e) reductions in the Outstanding Advances under any Facility;
- (f) releases of all or substantially all of the Security, unless in connection with a Permitted Disposition;
- (g) any change to the definition of Required Lenders;
- (h) any provision of this Agreement which expressly states that the unanimous consent of the Lenders is required in connection with an action to be taken or consent provided by the Lenders;
- (i) any amendment, modification or elimination the definition of Borrowing Base or any of the defined terms that are used in such definition to the extent that any such change results in more credit being made available to the Borrowers based upon the Borrowing Base, but not otherwise;

- (j) any change to Sections 11.8.1, 11.9(b) or any other provision regarding the allocation of payments to the Lenders under this Agreement; and
- (k) this Section 11.2;

provided, that (A) any change to Section 2.6.1(i) or Article 11 will also require the consent of the Agent, (B) any change to Sections 4.6.1(c) and 4.7 (and the related definitions referenced therein) will require the consent of the Issuing Bank under the U.S. Operating Facility and the Agent, (C) any change to Sections 2.6.1(b) and 2.7 (and the related definitions referenced therein) will require the consent of the Swingline Lender and the Agent, (D) any change to Section 5.16 (and the related definitions referenced therein) will require the consent of each Issuing Bank and the Agent (E) any increase to the individual commitment amount of a Lender under a Facility can only be made with the consent of such Lender; and (F) any other change which only effects the Canadian Operating Lenders, the U.S. Operating Lenders, the Canadian Operating Lenders, Term Lenders, the Issuing Bank, the Swingline Lender or the Agent, respectively, shall only require the consent of the affected Persons.

11.2.2 Except for the matters described in Section 11.2.1 above, any amendment to this Agreement or the other Credit Documents shall be effective if made among the Borrower and the Required Lenders, and for greater certainty any such amendment which is agreed to by the Required Lenders shall be final and binding upon all Lenders.

11.2.3 Except for the matters which require the unanimous consent of the Lenders as set out above, any action to be taken or decision to be made by the Lenders pursuant to this Agreement (specifically including for greater certainty the issuance of written notice to the Borrower of the occurrence of a Default or Event of Default, the issuance of a demand for payment of the Obligations, a decision to make an Advance despite any condition precedent relating thereto not being satisfied, the provision of any waiver in respect of a breach of any covenant or the issuance of any consent which may be required under Section 7.2) shall be effective if approved by the Required Lenders; and any such decision or action shall be final and binding upon all the Lenders.

11.2.4 Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be unanimous shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by all of the Lenders. Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be made by the Required Lenders shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by the Required Lenders. Any instrument contemplated in this Section 11.2.4 may be executed by fax or pdf and in counterparts.

11.2.5 Subject to Section 8.5(b), the Agent may from time to time without notice to or the consent of the Lenders execute and deliver partial releases of the Security in respect of any item of Collateral (whether or not the proceeds of sale thereof are received by the Agent) which the Credit Parties are permitted to dispose of in connection with a Permitted Disposition; and in releasing any such Security the Agent may rely upon and assume the

correctness of all information contained in any certificate or document provided by any one or more of the Borrowers, without further enquiry. Otherwise, any release or discharge in respect of the Security or any portion thereof shall require the written consent of the Lenders acting unanimously.

11.3 Procedure for Making Advances

11.3.1 Subject to Section 11.8.3, all Advances under each Facility will be made in accordance with each Lender's Proportionate Share of such Advance under such Facility.

11.3.2 The Lenders, through the Agent, will make Advances under a Facility available to the Borrower as required hereunder by debiting the account of the Agent to which each Lender's Proportionate Share in respect of each Facility of such Advances has been credited (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrowers in writing, by transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrowers as set forth in the a Drawdown Request, Conversion Notice or Rollover Notice, as the case may be, in respect of each Advance under each Facility; provided, that the obligation of the Agent hereunder will be limited to taking such steps as are in keeping with its normal banking practice and which are commercially reasonable in the circumstances to implement such instructions, and the Agent will not be liable for any damages, claims or costs which may be suffered by the Borrowers or any of the Lenders and occasioned by the failure of such funds to reach their designated destination, unless such failure is due to the gross negligence or wilful misconduct of the Agent.

11.4 Failure to Fund

11.4.1 Unless the Agent has actual knowledge that a Lender has not made or will not make available to the Agent for value on the date of any Advance the applicable amount required from such Lender hereunder, the Agent shall be entitled to assume that such amount has been or will be received from such Lender when so due and the Agent may (but shall not under any circumstances be obliged to), in reliance upon such assumption, make available to the applicable Borrower a corresponding amount (except that no such amount shall be made available to the applicable Borrower in the case of a deemed Advance). If such amount is not in fact received by the Agent from such Lender on such date and the Agent has made available a corresponding amount to the applicable Borrower on such date as aforesaid (or is deemed to have made an Advance to the applicable Borrower in such amount), such Lender shall pay to the Agent on demand an amount equal to the aggregate of the applicable amount required from such Lender hereunder plus an amount equal to the product of (a) the rate per annum applicable to overnight deposits made with the Agent for amounts approximately equal to the amount required from such Lender multiplied by (b) the amount that should have been paid to the Agent by such Lender on such date and was not, multiplied by (c) a fraction, the numerator of which is the number of days that have elapsed from and including such date to but excluding the date on which the amount is received by the Agent from such Lender and the denominator of which is 365 or 366 days, as the case may be, in the case of all Advances. A certificate of the Agent containing details of the amount owing by a Lender under this Section shall be binding and

conclusive in the absence of manifest error. If any such amount is not in fact received by the Agent from such Lender on such date, the Agent shall be entitled to recover from the applicable Borrower, on demand, the related amount made available by the Agent to such Borrower as aforesaid together with interest thereon at the applicable rate per annum payable by such Borrower hereunder.

11.4.2 Notwithstanding the provisions of Section 11.4.1, if any Lender fails to make available to the Agent its Proportionate Share of any Advance, which for greater certainty includes a deemed Advance hereunder (such Lender being herein called the “**Non-Paying Lender**”), the Agent shall forthwith give notice of such failure by the Non-Paying Lender to the applicable Borrower (except where such failure relates to a deemed Advance) and to the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Paying Lender’s Proportionate Share of such Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Paying Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Paying Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the “**Contributing Lenders**” and individually called the “**Contributing Lender**”) are prepared to make available exceeds the amount of the Advance which the Non-Paying Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Proportionate Share of such Advance based on the Contributing Lenders’ relative commitments to advance in such circumstances. If any Contributing Lender makes funds available in the place of a Non-Paying Lender in such circumstances, then the Non-Paying Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to such Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the applicable Borrower. The failure of any Lender to make available to the Agent its Proportionate Share of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Proportionate Share of any Advance as required herein.

11.5 Defaulting Lenders and Replacement of Lenders

11.5.1 Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) the standby fees payable to a Defaulting Lender hereunder shall cease to accrue on the unused portion of its Commitment under any Operating Facility, as applicable;
- (b) a Defaulting Lender shall not be included in determining whether, and the Commitment and the Proportionate Share of the Outstanding Advances of such Defaulting Lender under the Facilities, or any of them, shall not be included in determining whether, all Lenders or the Required Lenders, have taken or may take any action hereunder; provided, that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects such

Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;

- (c) subject to Section 11.4.1, for the purposes of any Advance requested hereunder while there is a Defaulting Lender, each Lender's Proportionate Share thereof shall be calculated based on such Lender's (A) Commitment relative to the total Commitment under the applicable Facility reduced by the Commitment of the Defaulting Lender;
- (d) the Agent, the Swingline Lender or the Issuing Bank may require such Defaulting Lender to pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent an amount equal to such Defaulting Lender's maximum contingent obligations hereunder to the Agent, the Swingline Lender or the Issuing Bank, as the case may be (provided that the foregoing shall not apply to Export Development Canada to the extent such a deposit is unlawful under the *Financial Administration Act* (Canada));
- (e) the Agent may withhold any payments owing to such Defaulting Lender for set off against such Defaulting Lender's existing or reasonably foreseeable future obligations hereunder; and
- (f) for the avoidance of doubt, the Borrowers shall retain and reserve their other rights and remedies respecting each Defaulting Lender.

11.5.2 If a Lender is a Defaulting Lender or refuses to give timely consent to an amendment, modification or waiver of this Agreement that, pursuant to Section 11.2, requires consent of all the Lenders (and the consent of the Required Lenders has been given with respect thereto) (a "**Non-Consenting Lender**") (collectively, the "**Departing Lenders**"), then the Borrowers may:

- (a) replace the Departing Lender with another financial institution acceptable to the Agent, the Swingline Lender and the Issuing Bank, each acting reasonably, who purchases at par, or such lower price as the Departing Lender may agree in its sole discretion, the Outstanding Advances and other amounts under all Facilities owing to the Departing Lender and such Lender's entire Commitment and assumes the Departing Lender's Commitment and all other obligations of the Departing Lender hereunder; provided, that prior to or concurrently with such replacement:
 - (i) the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of replacement and a release from any further obligations to make Advances under the Credit Documents after the date of such replacement;
 - (ii) the assignment fee required to be paid by Section 13.6.2 shall have been paid to the Agent;
 - (iii) all of the other requirements for such assignment contained herein shall have been satisfied, including the consent of the Agent, the Swingline

Lender and the Issuing Bank and the receipt by the Agent of such agreements, documents and instruments as the Agent may reasonably require; and

- (iv) in the case of a Departing Lender who is a Non-Consenting Lender, each assignee consents, at the time of such assignment, to each matter in respect of which such Non-Consenting Lender was a Non-Consenting Lender and the Borrowers also requires each other Lender that is a Non-Consenting Lender to assign the Outstanding Advances owing to it under each Facility and its Commitment; or
- (b) provided, no Default or Event of Default exists at such time, elect to terminate the Departing Lender's Commitment, in which case the Commitment in respect of each Facility shall be reduced by an amount equal to the amount of any Commitment of such Facility so cancelled (provided, that prior to or concurrently with such cancellation the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of cancellation (including breakage and other costs in accordance with Sections 5.10.4 and 5.14) and a release from any further obligations to make Advances under the Credit Documents after such termination); or
- (c) exercise any combination of the rights under (a) and (b) above; provided, that in each case, each Departing Lender is treated ratably with the other Departing Lenders, if any.

11.6 Security and Exercise of Remedies

11.6.1 Except to the extent provided in Section 11.6.2, the Security shall be granted in favour of and held by the Agent for and on behalf of the Lenders in accordance with the provisions of this Agreement. The Agent shall, in accordance with its usual practices in effect from time to time, take all steps required to perfect and maintain the Security to the extent required hereunder, including: taking possession of the certificates representing the securities required to be pledged hereunder to the extent required hereunder; filing renewals and change notices in respect of such Security; and ensuring that the name of the Agent is noted as loss payee or mortgagee on all property insurance policies covering the Collateral. If the Agent becomes aware of any matter concerning the Security which it considers to be material, it shall promptly inform the Lenders. The Agent shall comply with all instructions provided by the Lenders or the Required Lenders, as the case may be, in connection with the enforcement or release of the Security which it holds. The Agent agrees to permit each Lender to review and make photocopies of the original documents comprising the Security from time to time upon reasonable notice. The Agent is hereby authorized to enter into the Subordination Agreement on behalf of the Lenders and to any subordination and postponement agreements in respect of Subordinated Debt from time to time to the extent the same is permitted hereunder. Each Lender further authorizes the Agent to execute on its behalf, directly or through attorneys-in-fact duly appointed for such purposes, and to accept the benefits of, each of the Security governed under the laws of the Republic of Colombia and any other agreements or documents as may be necessary or

advisable in connection with the grant of, or attachment or perfection of, modification, supplement or waiver under any of, the security interest granted to the Agent, for the benefit of the Lenders, pursuant to the Security governed under the laws of the Republic of Colombia. The Lenders and the other Secured Parties authorize the Agent to release any Collateral or Guarantors in accordance with Section 13.21 or if approved, authorized or ratified in accordance with Section 11.2.1. The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Agent to, without any further consent of any Lender, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the Encina Intercreditor Agreement and the Wells Fargo Letter to the extent this Agreement does not otherwise require the consent of the Required Lenders or all Lenders therefor.

11.6.2 If any Credit Party has provided security in favour of any Lender directly, except for Permitted Purchase-Money Security Interests and Permitted Liens, such Lender agrees to pay to the Agent all amounts received by it in connection with the enforcement of such security, and all such amounts shall be deemed to constitute Proceeds of Realization and shall be dealt with as provided in Section 11.7.

11.6.3 Except as otherwise provided herein, each Lender hereby acknowledges that, to the extent permitted by Applicable Law, rights and remedies provided under the Credit Documents to the Lenders are for the benefit of the Lenders collectively and not severally and further acknowledges that its rights and remedies thereunder are to be exercised not severally but collectively through the Agent upon the decision of the Lenders (with the required majority or unanimity as herein provided), regardless of whether acceleration of Obligations hereunder was made, and accordingly, notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it will not be entitled to take any action with respect to the Facilities, including any acceleration of Obligations thereunder, but that any such action will be taken only by the Agent with the prior written direction of the Lenders (with the required majority or unanimity as herein provided). Notwithstanding the foregoing or anything else set forth herein to the contrary, in the absence of written instructions from the Lenders, and where in the sole opinion of the Agent the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the circumstances. Each of the Lenders hereby covenants and agrees that it has not heretofore and will not seek, take, accept or receive any Liens in respect of any of the Obligations of the Credit Parties under the Credit Documents and will not enter into any agreement with any of the Parties relating in any manner whatsoever to the Facilities, unless all of the Lenders under the Facilities will at the same time obtain the benefit of any such security or agreement, as the case may be.

11.7 Application of Proceeds of Realization

Notwithstanding any other provision of this Agreement, the Proceeds of Realization of the Security or any portion thereof shall be distributed in the following order:

- (a) firstly, in payment of all costs and expenses incurred by the Agent and the Lenders in connection with such realization, including legal, accounting and receivers' fees and disbursements;
- (b) secondly, against the Obligations (including Secured Hedging Liabilities but excluding any other Hedging Liabilities in excess thereof, and, for certainty, excluding any Hedging Liabilities which are owed to a counterparty other than a Lender or Affiliate thereof), each Lender being entitled to receive its Proportionate Share thereof;
- (c) thirdly, against all Hedging Liabilities which are owing to any Lender or Affiliate thereof in excess of Secured Hedging Liabilities; and
- (d) fourthly, if all Obligations of the Borrowers listed above and all other Hedging Liabilities owing to any Lender or Affiliate thereof have been paid and satisfied in full, any surplus Proceeds of Realization shall be paid in accordance with Applicable Law.

11.8 Payments by Agent

11.8.1 The following provisions shall apply to all payments made by the Agent to the Lenders hereunder:

- (a) the Agent shall be under no obligation to make any payment (whether in respect of principal, Interest, fees or otherwise) to any Lender until an amount in respect of such payment has been received by the Agent from a Credit Party;
- (b) if the Agent receives a payment of principal, Interest, fees or other amount owing by any Borrower under a Facility which is less than the full amount of any such payment due, the Agent shall distribute such amount received among the Lenders under such Facility in each Lender's Proportionate Share of such Facility;
- (c) if the Agent receives payments in respect of principal, Interest, fees or other amounts owing by a Borrower under more than one Facility which are due on the same day, and if the amounts received are insufficient to satisfy all payments required under such Facilities on such day, the Agent shall, except as otherwise specifically set forth herein, distribute such amounts received among the Lenders under such Facilities in each Lender's Proportionate Share of such Facilities;
- (d) if any Lender has advanced more or less than its Proportionate Share of its Commitment under a Facility, such Lender's entitlement to such payment shall be increased or reduced, as the case may be, in proportion to the amount actually advanced by such Lender;
- (e) if a Lender's Proportionate Share of an Advance under a Facility has been advanced for less than the full period to which any payment by any Credit Party relates, such Lender's entitlement to receive a portion of any payment of interest or fees shall be

reduced in proportion to the length of time such Lender's Proportionate Share has actually been outstanding;

- (f) the Agent acting reasonably and in good faith shall, after consultation with the Lenders in the case of any dispute, determine in all cases the amount of all payments to which each Lender is entitled and such determination shall be deemed to be *prima facie* correct;
- (g) upon request by a Lender, the Agent shall deliver a statement detailing any of the payments to the Lenders referred to herein;
- (h) all payments by the Agent to a Lender hereunder shall be made to such Lender at its address set out herein unless notice to the contrary is received by the Agent from such Lender; and
- (i) if the Agent has received a payment from a Credit Party on a Business Day (not later than the time required for the receipt of such payment as set out in this Agreement) and fails to remit such payment to any Lender entitled to receive its Proportionate Share of such payment on such Business Day, the Agent agrees to pay interest on such late payment at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

11.8.2 Each Borrower hereby irrevocably authorizes the Agent to debit any account maintained by it with the Agent after written notice to such Borrower in order to make payments to the Lenders or the Agent of any amount that is overdue and payable hereunder for the purposes of satisfying payment thereof.

11.8.3 The Agent may in its discretion from time to time make adjustments in respect of any Lender's share of an Advance, Conversion, Rollover or Repayment under a Facility in order that the Outstanding Advances due to such Lender under such Facility shall be approximately in accordance with such Lender's Proportionate Share of the Facility.

11.9 Redistribution of Payment

Each Lender agrees that, subject to Section 10.4:

- (a) If it exercises any right of counterclaim, set off, bankers' lien or similar right with respect to any property of any Credit Party or if under Applicable Law it receives a secured claim, it will apportion the amount thereof proportionately between:
 - (i) amounts outstanding at the time owed by the Credit Party to such Lender under this Agreement, which amounts will be applied in accordance with this Section 11.9; and
 - (ii) amounts otherwise owed to it by a Credit Party;

provided, that any cash collateral account held by such Lender as collateral for a letter of credit or bankers' acceptance (including a Bankers' Acceptance) issued or

accepted by such Lender on behalf of a Credit Party may be applied by such Lender to such amounts owed by such Credit Party to such Lender pursuant to such letter of credit or in respect of any such bankers' acceptance without apportionment.

- (b) If it receives, through the exercise of a right or the receipt of a secured claim described in Section 11.9(a) or otherwise, payment of a proportion of the aggregate amount of principal, interest and fees due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest and fees due in respect of the applicable Facility (having regard to the respective proportionate amounts advanced as Advances by each of the Lenders under the applicable Facility), the Lender receiving such proportionately greater payment will purchase a participation (which will be deemed to have been done simultaneously with receipt of such payment) in that portion of the applicable Facility of the other Lenders so that their respective receipts will be *pro rata* to their respective Proportionate Shares; provided, however, that, if all or part of such proportionately greater payment received by such purchasing Lender is otherwise recovered by it, such purchase will be rescinded and the purchase price for such participation will be returned to the extent of such recovery, but without interest. Such Lender will exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 11.9 to share in the benefits of any recovery on such secured claims.
- (c) If it does any act or thing permitted by Section 11.9(a) or 11.9(b), it will promptly provide full particulars thereof to the Agent.
- (d) Except as permitted under Section 11.9(a) or 11.9(b), no Lender will be entitled to exercise any right of counter claim, set off, bankers' lien or similar right without the prior written consent of the other Lenders.
- (e) Notwithstanding anything else in this Section 11.9, any amounts which are lawfully received by any Hedge Provider in respect of Hedging Liabilities prior to the delivery by the Agent of a declaration of all Obligations becoming due pursuant to Section 11.9 are not required to be shared pursuant to the provisions of this Section 11.9.
- (f) The provisions of this Section 11.9 shall survive repayment of the Obligations.

11.10 Protection of Agent

11.10.1 Unless the Agent has actual knowledge or actual notice to the contrary, it may assume that each Lender's address set out in Exhibit "A" attached hereto is correct, unless and until it has received from such Lender a notice designating a different address.

11.10.2 The Agent may engage and pay for the advice or services of any lawyers, accountants or other experts whose advice or services may to it seem necessary, expedient or desirable and rely upon any advice so obtained (and to the extent that such costs are not recovered from the Credit Parties pursuant to this Agreement, each Lender agrees to reimburse the Agent in such Lender's Proportionate Share of such costs).

11.10.3 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely as to matters of fact which might reasonably be expected to be within the knowledge of any Credit Party upon a statement contained in any Credit Document.

11.10.4 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely upon any communication or document believed by it to be genuine.

11.10.5 The Agent may refrain from exercising any right, power or discretion vested in it under this Agreement unless and until instructed by the Required Lenders as to whether or not such right, power or discretion is to be exercised and, if it is to be exercised, as to the manner in which it should be exercised (provided, that such instructions shall be required to be provided by all of the Lenders in respect of any matter for which the unanimous consent of the Lenders is required as set out herein).

11.10.6 The Agent may refrain from exercising any right, power or discretion vested in it which would or might in its sole and unfettered opinion be contrary to any law of any jurisdiction or any directive or otherwise render it liable to any Person, and may do anything which is in its opinion in its sole discretion necessary to comply with any such law or directive.

11.10.7 The Agent may delegate to such other Person, such duties and responsibilities of the Agent hereunder as it shall determine to be appropriate in respect of dealings with or relating to any Credit Party or any other Person and in particular, the Agent may execute any of its duties under this Agreement or any other Credit Document (including, for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security or of exercising any rights and remedies thereunder) by sub-agent or attorney-in-fact. The Agent shall not be responsible for the negligence or misconduct of any sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct on the part of the Agent, as determined by a final and non-appealable judgment of a court of competent jurisdiction. The exculpatory provisions of this Agreement applicable to the Agent shall apply to any such other Person, sub-agent or attorney-in-fact and to the Affiliates of the Agent and any such sub-agent or attorney-in-fact, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Agent.

11.10.8 The Agent may refrain from acting in accordance with any instructions of the Required Lenders to begin any legal action or proceeding arising out of or in connection with this Agreement or take any steps to enforce or realize upon any Security, until it shall have received such security as it may reasonably require (whether by way of payment in advance or otherwise) against all costs, claims, expenses (including legal fees) and liabilities which it will or may expend or incur in complying with such instructions.

11.10.9 The Agent shall not be bound to disclose to any Person any information relating to the Credit Parties or any Related Parties if such disclosure would or might in its opinion in its sole discretion constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person.

11.10.10 The Agent shall not accept any responsibility for the accuracy or completeness of any information supplied in connection herewith or for the legality, validity, effectiveness, adequacy or enforceability of any Credit Document and shall not be under any liability to any Lender as a result of taking or omitting to take any action in relation to any Credit Document except in the case of the Agent's gross negligence or wilful misconduct.

11.11 Duties of Agent

The Agent shall:

- (a) hold and maintain the Security to the extent provided in Section 11.6;
- (b) provide to each Lender copies of all financial information received from the Credit Parties promptly after receipt thereof, and copies of any Drawdown Requests, Conversion Notices, Rollover Notices, Repayment Notices and other notices received by the Agent from the Credit Parties upon request by any Lender;
- (c) promptly advise each Lender of Advances required to be made by it hereunder and disburse all Repayments to the Lenders hereunder in accordance with the terms of this Agreement;
- (d) promptly notify each Lender of the occurrence of any Default or Event of Default of which the Agent has actual knowledge or actual notice;
- (e) at the time of engaging any agent, receiver, receiver-manager, consultant, monitor or other party in connection with the Security or the enforcement thereof, obtain the agreement of such party to comply with the applicable terms of this Agreement in carrying out any such enforcement activities and dealing with any Proceeds of Realization;
- (f) account for any monies received by it in connection with this Agreement, the Security and any other agreement delivered in connection herewith or therewith;
- (g) each time a Borrower requests the written consent of the Lenders in connection with any matter, use its best efforts to obtain and communicate to the Borrowers the response of the Lenders in a reasonably prompt and timely manner having due regard to the nature and circumstances of the request;
- (h) give written notice to the Borrowers in respect of any other matter in respect of which notice is required in accordance with or pursuant to this Agreement, promptly or promptly after receiving the consent of the Required Lenders, if required under the terms of this Agreement;
- (i) except as otherwise provided in this Agreement, act in accordance with any instructions given to it by the Required Lenders;

- (j) if so instructed by the Required Lenders, refrain from exercising any right, power or discretion vested in it under this Agreement or any document incidental thereto; and
- (k) call a meeting of the Lenders at any time not earlier than five days and not later than 30 days after receipt of a written request for a meeting provided by any Lender.

11.12 Lenders' Obligations Several; No Partnership

The obligations of each Lender under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders of any of their respective obligations hereunder. No Lender shall be responsible for the obligations of any other Lender hereunder. Neither the entering into of this Agreement nor the completion of any transactions contemplated herein shall constitute the Lenders and the Agent, or any combination of them, a partnership or give rise to any fiduciary relationship between them.

11.13 Reliance Upon Agent

The Borrowers will be entitled to rely upon any certificate, notice or other document or other advice, statement or instruction provided to them (or any one of them) by the Agent pursuant to the Credit Documents, and the Borrowers will be entitled to deal with the Agent with respect to matters under the Credit Documents which the Agent is authorized hereunder to deal with, without any obligation whatsoever to satisfy themselves as to the authority of the Agent to act on behalf of the Lenders and without any liability whatsoever to the Lenders for relying upon any certificate, notice or other document or other advice, statement or instruction provided to them by the Agent, notwithstanding any lack of authority of the Agent to provide the same.

11.14 No Liability of Agent

The Agent, in its capacity as agent of the Lenders under the Credit Documents, will have no responsibility or liability to the Borrowers or the Lenders on account of the failure of any Lender to perform its obligations hereunder, or to any Lender on account of the failure of any Borrower to perform its obligations under the Credit Documents.

11.15 Agent and Agent Authority

With respect to its Proportionate Share of each Facility and the Advances made by it as a Lender thereunder, as applicable, the Agent will have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not the Agent. The Agent may accept deposits from, lend money to, and generally engage in any kind of business with any Credit Party, any of their Subsidiaries, their respective shareholders or unitholders or any Person owned or controlled by any of them and any Person which may do business with any of them, all as if the Agent was not serving as Agent, and without any duty or obligation to account therefor to the Lenders.

11.16 Lenders' Credit Decisions

It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Credit Parties. Accordingly, each Lender confirms with the Agent that it has not relied, and will not hereafter rely, on the Agent (a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Credit Parties or any other Person under or in connection with the Facilities (whether or not such information has been or is hereafter distributed to such Lender by the Agent) or (b) to assess or keep under review on its behalf the financial condition, creditworthiness, condition, affairs, status or nature of any Credit Party. Each Lender acknowledges that copies of the Credit Documents have been made available to it for review and each Lender acknowledges that it is satisfied with the form and substance of the Credit Documents. A Lender will not make any independent arrangement with any Credit Party for the satisfaction of any Obligations owing to it under the Credit Documents without the written consent of the other Lenders.

11.17 Indemnification

The Lenders hereby severally agree to indemnify the Agent and its directors, officers, agents and employees (to the extent not reimbursed by the Credit Parties) in accordance with their respective Proportionate Share, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent or its directors, officers, agents and employees in any way relating to or arising out of the Credit Documents or any action taken or omitted by the Agent under or in respect of the Credit Documents in its capacity as Agent; provided, that no Lender will be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or wilful misconduct, as determined by a final and non-appealable judgment of a court of component jurisdiction. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its Proportionate Share of any reasonable out of pocket expenses (including legal fees, on a solicitor and his own client full indemnity basis) incurred by the Agent in connection with the preservation of any right of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that the Agent is not reimbursed for such expenses by the Borrowers. This indemnity will survive the termination of the other provisions of this Agreement as a separate and continuing covenant of the Lenders.

11.18 Successor Agent

The Agent may, as hereinafter provided, resign at any time by giving 30 days' notice (the "**Resignation Notice**") thereof to the Lenders and the Borrowers. The remaining Lenders, with the consent of the Borrowers, such consent not to be unreasonably withheld, will forthwith upon receipt of the Resignation Notice unanimously appoint a successor agent (the "**Successor Agent**") to assume the duties hereunder of the resigning Agent. Upon the acceptance of any appointment as agent hereunder by a Successor Agent, such Successor Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties as agent under the Credit Documents of the resigning Agent. Upon such acceptance, the resigning Agent will be discharged

from its further duties and obligations as agent under the Credit Documents, but any such resignation will not affect such resigning Agent's obligations hereunder as a Lender, including for its Proportionate Share of the applicable Commitment. After the resignation of the Agent as agent hereunder, the provisions of this Article 11 will continue to enure to its benefit as to any actions taken or omitted to be taken by it while it was the agent of the Lenders hereunder. Notwithstanding the foregoing, if the remaining Lenders fail to appoint a Successor Agent within 30 days of receipt of the Resignation Notice, the resigning Agent may, with the approval of the Borrowers except during the continuance of an Event of Default, such approval not to be unreasonably withheld, appoint a Successor Agent from among the Lenders (other than Business Development Bank of Canada).

11.19 Sharing of Information

The Agent and the Lenders may share among themselves any information they may have from time to time concerning the Credit Parties whether or not such information is confidential; but shall have no obligation to do so (except for any obligations of the Agent to provide information to the extent required in this Agreement). The Agent shall not have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Credit Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as the Agent.

11.20 Acknowledgement by Borrowers

Each Borrower hereby acknowledges notice of the terms of the provisions of this Article 11 and agrees to be bound hereby to the extent of its obligations hereunder, and further agrees not to make any payments, take any action or omit to take any action which would result in the non-compliance by the Agent or any Lender with its obligations hereunder.

11.21 Amendments to Article 11

The Agent and the Lenders may amend any provision in this Article 11 (other than Section 11.5) without prior notice to or the consent of the Borrowers, and the Agent shall provide a copy of any such amendment to the Borrowers reasonably promptly thereafter; provided, however, if, in the Agent's opinion, any such amendment would materially and adversely affect any rights, entitlements, obligations or liabilities of any Borrower, such amendment shall not be effective until such Borrower provides its written consent thereto, such consent not to be unreasonably withheld or arbitrarily delayed.

11.22 Deliveries, etc.

As between the Credit Parties on the one hand, and the Agent and the Lenders on the other hand:

- (a) all statements, certificates, consents and other documents which the Agent purports to deliver to a Credit Party on behalf of the Lenders shall be binding on each of the Lenders, and none of the Credit Parties shall be required to ascertain or confirm the authority of the Agent in delivering such documents;

- (b) all certificates, statements, notices and other documents which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders; and
- (c) all payments which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders.

11.23 Agency Fee

The Borrowers jointly and severally agree to pay to the Agent an annual agency fee as set out in the Fee Agreement, payable in advance on the Amendment and Restatement Date and annually on each anniversary date thereafter during the term of this Agreement.

ARTICLE 12 INCREASED COSTS

12.1 Changes in Law

12.1.1 If, after the Amendment and Restatement Date, due to either:

- (a) the introduction of, or any change in, any Law or any change in the interpretation of any Law, whether having the force of law or not, resulting in the imposition or increase of reserves, deposits or similar requirements by any central bank or Governmental Authority charged with the administration thereof; or
- (b) imposition of any Lender or requirements on any Lender to maintain any capital adequacy or additional capital liquidity requirements in respect of any Advances or Commitments hereunder, or any other condition with respect to this Agreement; or
- (c) the compliance with any guideline or request from any central bank or other Governmental Authority which a Lender, acting reasonably, determines that it is required to comply with,

there will be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining an Advance or there will be any reduction in the effective return to such Lender thereunder, then, subject to Section 12.1.2, the Borrowers jointly and severally agree that they will, within ten Business Days after being notified by such Lender of such event, pay to such Lender, quarterly in arrears, that amount (the “**Additional Compensation**”) which such Lender, acting reasonably, determines will compensate it, after taking into account all applicable Taxes and all interest and other amounts received, for any such increased costs or reduced returns incurred or suffered by such Lender provided such Lender is also charging its other borrowers in similar circumstances similar additional compensation.

12.1.2 If Additional Compensation is payable pursuant to Section 12.1.1(a), the Borrowers will have the option to convert the Advance to another type of Advance, in accordance with this Agreement, in respect of which no further such Additional Compensation will be payable, or prepay any amount of the Facility owed to the Lender

entitled to receive the Additional Compensation, subject always to Section 5.13 without obligation to make a corresponding prepayment to any other Lender. If the Additional Compensation relates to outstanding Bankers' Acceptances, such Lender may require the Borrowers to deposit in an interest bearing cash collateral account with such Lender such amount as may be necessary to fully satisfy the contingent obligations of such Lender for all outstanding Bankers' Acceptances in accordance with the arrangements similar to those set out in Section 5.11.

12.1.3 Notwithstanding anything contained in this Section 12.1, the *Dodd-Frank Wall Street Reform and Consumer Protection Act* and all requests, rules, regulations, guidelines and directives thereunder or issued in connection therewith and all requests, rules, regulations, guidelines and directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority or any United States, Canadian or foreign regulatory authority) (collectively, the “**New Rules**”) shall, in each case, be deemed a “change in Law” under Section 12.1.1(a) regardless of the date enacted, adopted or issued.

12.2 Changes in Circumstances

Notwithstanding anything to the contrary herein or in any of the other Credit Documents contained, if on any date a Lender determines, acting reasonably and in good faith, which determination will be conclusive and binding on the Parties, and provided notice is given to the Agent and the other Lenders and to the Borrowers that its ability to maintain, or continue to offer any Advance has become unlawful or impossible due to:

- (a) any change in Applicable Law, or in the interpretation or administration thereof by Governmental Authorities having jurisdiction in the matter; or
- (b) any Material Adverse Change in or the termination of the London Interbank Eurodollar Market for Eurodollars; or
- (c) the imposition of any condition, restriction or limitation upon such Lender which is outside of its control,

then in any such case, the Borrowers jointly and severally agree that they will forthwith repay to such Lender all principal amounts affected thereby, together with all unpaid interest accrued thereon to the date of Repayment and all other expenses incurred in connection with the termination of any such Advance, including any expenses resulting from the early termination of any LIBOR Period relating thereto in accordance with Section 5.13, without any obligation to make a corresponding prepayment to any other Lender. The Borrowers may utilize other forms of Advance not so affected in order to make any required Repayment and after any such Repayment, the Borrowers may elect to re-borrow the amount repaid by way of some other Advance upon complying with applicable requirements thereof.

12.3 Application of Sections 12.1 and 12.2

If a Lender exercises its discretion under either Section 12.1 or 12.2, then concurrently with a notice from such Lender to the Agent and the applicable Borrower requiring compliance with

the applicable Section, such Lender will provide such Borrower (with a copy to the Agent who will notify the other Lenders) with a certificate in reasonable detail outlining the particulars giving rise to such notice and certifying (with reasonable supporting detail) the increased costs, if any, payable by such Borrower thereunder, which will be prima facie evidence thereof and binding on the Parties.

12.4 Taxes

12.4.1 Except as provided in this Section 12.4, any and all payments by the Borrowers and any other Credit Party to or for the account of the Agent or any Lender under any Credit Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges imposed by any Governmental Authority, and all liabilities (including additions to tax, penalties and interest) related thereto (collectively, “**Impositions**”), excluding, in the case of the Agent and each Lender or other recipient or beneficial owner of payment to be made by or on account of a Credit Party under any Credit Document, (x) any Impositions imposed on or measured by its net income (including any taxes similar to branch profits tax or capital, and franchise (and similar) taxes imposed on it in lieu of net income taxes), by the jurisdiction (or any political subdivision thereof) under the Laws of which the Agent or such Lender, as the case may be, is organized, resident, in which its principal office is located, in which it maintains its Lending Office or in which it is subject to such Imposition by reason of a present or former connection between it and such jurisdiction (other than a connection arising solely from the Agent or such Lender (or its applicable Lending Office) as the case may be, becoming a party hereto, having executed, delivered or performed its obligations under any Credit Document, received a payment under, enforced its rights under, received or perfected a security interest under, or engaged in any other transaction pursuant to, a Credit Document), and all interest and penalties with respect thereto; (y) U.S. and Canadian federal withholding taxes imposed on amounts payable to or for the account of such Lender with respect to an applicable interest in a Loan or Commitment pursuant to a law in effect on the date on which (i) such Lender acquires such interest in the Loan or Commitment (other than pursuant to an assignment request by the Borrower under Section 12.4.6) or (ii) such Lender changes its Lending Office, except in each case to the extent that, pursuant to this Section, amounts with respect to such withholding taxes were payable either to such Lender’s assignor immediately before such Lender became a party hereto or to such Lender immediately before it changed its Lending Office; and (z)(i) U.S. federal withholding taxes imposed under FATCA, (ii) taxes attributable to such recipient’s or beneficial owner’s failure to comply with the applicable reporting requirements of FATCA, and (iii) taxes attributable to such recipient’s or beneficial owner’s failure to provide such documentation as is reasonably requested by the Borrower for the Borrower to comply with its obligations under FATCA and to determine that such recipient or beneficial owner has complied with such recipient’s or beneficial owner’s obligations under FATCA or to determine the amount to deduct and withhold from any payment to such recipient or beneficial owner (all such non-excluded Impositions being hereinafter referred to as “**Taxes**” and all such excluded Impositions being hereinafter referred to as “**Excluded Taxes**”). If any Credit Party or any other applicable withholding agent shall be required by the Applicable Laws of a relevant taxing jurisdiction to deduct any Taxes or Other Taxes from or in respect of any sum payable under any Credit

Document to the Agent or any Lender, (i) the sum payable shall be increased by the applicable Credit Party as necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section 12.4) have been made, each of the Agent and such Lender receives an amount equal to the sum it would have received had only deductions attributable to Excluded Taxes been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other Governmental Authority in accordance with Applicable Laws, and (iv) within thirty (30) days after the date of such payment, the Credit Party making such payments shall furnish to the Agent or Lender (as the case may be) the original or a certified copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent.

12.4.2 In addition but without duplication, the Borrowers agree to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes, charges or similar levies imposed by a relevant taxing jurisdiction which arise from any payment made under any Credit Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Credit Document (hereinafter referred to as “**Other Taxes**”).

12.4.3 Each Borrower agrees to indemnify the Agent and each Lender for (i) the full amount of Taxes and Other Taxes (including any Taxes or Other Taxes imposed or asserted by any Governmental Authority of any relevant taxing jurisdiction on amounts payable under this Section 12.4) paid by the Agent and such Lender, and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided the Agent or Lender, as the case may be, provides the Borrowers with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts. Payment under this Section 12.4.3 shall be made within thirty (30) days after the date such Lender or the Agent makes a written demand therefor.

12.4.4 Notwithstanding anything herein to the contrary, each Borrower shall not be required pursuant to this Section 12.4 to pay any additional amount to, or to indemnify, any Lender or the Agent, as the case may be, (i) to the extent that such Lender or the Agent becomes subject to Taxes subsequent to the Amendment and Restatement Date (or, if later, the date such Lender or the Agent becomes a party to this Agreement) as a result of a change in the place of organization or residence of such Lender or the Agent, a change in the Lending Office of such Lender, or a change in the principal office of such Lender or the Agent, except to the extent that any such change is requested or required by the Borrowers or to the extent that such Lender or the Agent was entitled, at the time of the change in place of organization, residence or the change in Lending Office, to receive additional amounts from the Borrowers pursuant to Sections 12.4.1 and 12.4.3 (and provided, that nothing in this Section 12.4 shall be construed as relieving the Borrowers from any obligation to make such payments or indemnification in the event of a change in Applicable Law) or (ii) where for Canadian income tax purposes, such Lender or the Agent, as the case may be, becomes subject to Taxes as a consequence of such Lender or the Agent either not dealing at arm's length with the Borrowers (for purposes of the *Income*

Tax Act (Canada)) or being, or not dealing at arm's length with (for purposes of the *Income Tax Act (Canada))* a "specified shareholder" (for purposes of the *Income Tax Act (Canada))* of the Borrower; provided, that this subclause (ii) shall not apply to the extent that such Lender or the Agent, as the case may be, is considered to have not dealt at arm's length with the Borrowers for Canadian income tax purposes as a result of a change in Applicable Law after the Amendment and Restatement Date.

12.4.5 If any Lender or the Agent determines in its sole discretion (exercised in good faith) that it has received a refund in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Borrowers pursuant to this Section 12.4, it shall promptly remit such refund (including any interest included in such refund paid by the relevant Governmental Authority) to the Borrowers, net of all out-of-pocket expenses (including any taxes imposed with respect to such refund) of the Lender or the Agent, as the case may be; provided, however, that the Borrowers, upon the request of the Lender or the Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or the Agent, as the case may be, shall, at the Borrowers' request, provide the Borrowers with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided, that such Lender or the Agent may delete any information therein that such Lender or the Agent deems confidential). Notwithstanding anything to the contrary in this Section 12.4.5, in no event will a Lender be required to pay any amount to the Borrowers pursuant to this Section 12.4.5 the payment of which would place such Lender in a less favorable net after-tax position than such Lender would have been in if the Taxes or Other Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes or Other Taxes had never been paid. Nothing herein contained shall interfere with the right of a Lender or the Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or the Agent to disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or the Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

12.4.6 Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 12.4.1 and 12.4.3 with respect to such Lender it will, if requested by the Borrowers, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 12.4, including to designate another Lending Office for any Loan (including, for certainty, any Letter of Credit) affected by such event; provided, that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 12.4.6 shall affect or postpone any of the Obligations of the Borrowers or the rights of such Lender pursuant to Sections 12.4.1 and 12.4.3. The Borrowers hereby jointly and severally agree to pay all

reasonable costs and expenses incurred by any Lender as a result of a request by the Borrowers under this Section 12.4.6.

ARTICLE 13 GENERAL

13.1 Non-Disclosure

13.1.1 All information received by the Agent and the Lenders from or in respect of the Credit Parties the confidential nature of which is made known or ought to have been known to the Party receiving such information, including any information relating to a Hostile Acquisition, other than information that is required to be disclosed by Applicable Law (including, for certainty, information required to be disclosed in connection with any legal proceedings, including proceedings relating to the Credit Documents) or to any Governmental Authority of competent jurisdiction, including any central bank or other banking regulatory authority and any official bank examiners or regulators, will be held by the Parties in the strictest confidence and will not be disclosed to any Person, except as provided in this Section 13.1.

13.1.2 Section 13.1.1 does not apply to information:

- (a) of a Party where that Party consents in writing to its disclosure;
- (b) which becomes part of the public domain through no fault of the Agent or the Lenders;
- (c) received from a third party without restriction on further disclosure and which third party was not to the knowledge of the Agent or such Lender, under a duty of confidentiality to the applicable Credit Party at the time the information was so received;
- (d) developed independently without breach of Section 13.1;
- (e) which the Agent or the relevant Lender can show was, prior to receipt thereof from a Credit Party, lawfully in the Agent's or Lender's possession and not then subject to any obligation on its part to the Credit Parties to maintain confidentiality; or
- (f) to the extent required to be disclosed by order or direction of a court or Governmental Authority of competent jurisdiction (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or as otherwise required to be disclosed by Applicable Law or by any subpoena or similar legal process.

13.1.3 Information received by the Agent or a Lender may be disclosed to their respective Affiliates, Hedge Providers, the Agent or any other Lender or Participant, including any financial institution which desires to become a Lender or Participant hereunder, any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to a Borrower or any other Credit Party, and the

Obligations and to their respective employees, auditors, accountants, legal counsel, geologists, engineers and other consultants and financial advisors retained by such Persons on a need to know basis and subject to the obligation to maintain confidentiality; provided, that the Agent or Lender providing the information shall be responsible for any breach by its Affiliate of the aforementioned duty of confidentiality.

13.2 Waiver

The failure or delay by the Agent or any Lender in exercising any right or privilege with respect to the non-compliance with any provisions of this Agreement by the Borrower and any course of action on the part of the Agent or any Lender, shall not operate as a waiver of any rights of the Agent or such Lender unless made in writing by the Agent or such Lender. Any such waiver in writing and shall be effective only in the specific instance and for the purpose for which it is given and shall not constitute a waiver of any other rights and remedies of the Agent or such Lender with respect to any other or future non-compliance.

13.3 Governing Law

This Agreement shall be interpreted in accordance with the Laws of the Province of Alberta and the federal Laws of Canada applicable therein. Without prejudice to the right of the Agent and the Lenders to commence any proceedings with respect to this Agreement in any other proper jurisdiction, the Parties hereby attorn and submit to the non-exclusive jurisdiction of the courts of the Province of Alberta.

13.4 Judgment Currency

To the extent permitted by Applicable Law, if for the purposes of obtaining judgment against any Credit Party in any court in any jurisdiction with respect to this Agreement it becomes necessary for a Lender to convert into the currency of such jurisdiction (in this Section called the “**Judgment Currency**”) any amount due to the Lender by such Credit Party under the Credit Documents in any currency other than the Judgment Currency, the conversion shall be made at the Exchange Rate prevailing on the Business Day before the day on which judgment is given. To the extent permitted by Applicable Law, in the event that there is a change in the Exchange Rate prevailing between the Business Day before the day on which the judgment is given and the date of payment of the amount due, the applicable Credit Party will, on the date of payment, pay such additional amounts (if any) or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount paid on such date is the amount in the Judgment Currency which when converted at the Exchange Rate prevailing on the date of payment is the amount then due under this Agreement in such other currency. To the extent permitted by Applicable Law, any additional amount due by a Credit Party under this Section will be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of this Agreement.

13.5 Expenses of Agent and Lenders

Whether or not the transactions contemplated by this Agreement are completed or any Advance has been made, each Borrower hereby agrees, jointly and severally, to promptly pay, following receipt of invoice therefor from the Agent (and in any event within 30 days after receipt

thereof), from time to time all reasonable and documented expenses incurred by the Agent or any Lender in connection with this Agreement, the Security and all documents contemplated hereby, specifically including: expenses incurred by the Lenders in respect of due diligence, appraisals, insurance consultations, credit reporting and responding to demands of any Governmental Authority (provided, that reimbursement obligations in respect of costs and expenses arising under inspection rights set forth in Section 7.1.7 shall be limited in the manner set forth in such Section); reasonable out-of-pocket legal expenses in connection with the preparation and interpretation of this Agreement and the other Credit Documents, the registration and perfection of the Security and the administration of the Facilities generally, including the preparation of waivers and partial discharges of Security (if there are any additional fees or expenses to be incurred in connection with any of the foregoing over and above those that have already been disclosed to the Borrowers then the Agent agrees to notify the Borrowers of those additional fees or expenses and obtain their concurrence to their payment); and all legal fees and expenses (on a solicitor and his own client basis) in connection with the protection and enforcement of the Security and the exercise of any rights and remedies of the Agent and the Lenders under the Credit Documents. Each Borrower hereby authorizes the Agent to debit its account in order to pay any such expenses if such amount is not paid in full within 30 days after receipt of a written request from the Agent for payment of such amount.

13.6 Assignment

13.6.1 This Agreement and the rights and obligations hereunder will not be assignable, in whole or in part, by any Borrower without the prior written consent of all of the Lenders.

13.6.2 Each Lender will have the right to sell or assign its Commitment in minimum amounts of U.S. \$5,000,000 (with such Lender, where such sale or assignment is not of all of such Lender's Commitment under the applicable Facility, retaining a Commitment under the applicable Facility of at least U.S. \$5,000,000), together with a proportionate share of Outstanding Advances owing to it, to one or more financial institutions with the consent of the Canadian Borrower, the Agent, the Issuing Bank and the Swingline Lender each such consent not to be unreasonably withheld (provided, that the Canadian Borrower may withhold such consent if a Borrower would be required to pay withholding taxes solely as a result of such assignment). An assignment fee of U.S. \$3,500 for each such assignment will be payable to the Agent by the assigning Lender. In the event of such sale or assignment, the Borrowers, the Agent and the other Lenders will execute and deliver all such agreements, documents and instruments as the Agent or Lender may reasonably request to effect and recognize such sale or assignment, including an Assignment. Notwithstanding the foregoing, no consent of the Canadian Borrower will be required if an assignment (a) occurs during an Event of Default which is continuing, (b) is made between financial institutions who, at the relevant time, are already Lenders or Affiliates thereof, or (c) is made by a Lender to an Approved Fund. In the event that the Canadian Borrower fails to provide a response to the request for any such consent within five Business Days of the receipt of such request by the Canadian Borrower, the Canadian Borrower shall be deemed to have consented to such request. No consent to an assignment by a Lender shall be required from the U.S. Borrower. Notwithstanding the foregoing, no Lender may assign all or any part of its Commitment or Outstanding Advances to Palladium, an Investor or an Affiliate thereof without the prior written consent of all of the Lenders.

13.6.3 To the extent that any Lender sells or assigns any portion of its Commitment and Outstanding Advances pursuant to this Section 13.6 and such new Lender or new Lenders, as the case may be, has executed and delivered to the Borrower and the Agent an Assignment, such Lender will be relieved and forever discharged of any and all of its covenants and obligations under the Credit Documents in respect of that portion of its Commitment and Outstanding Advances so sold or assigned from and after the date of such Assignment and the Borrower's recourse under the Credit Documents in respect of such portion so sold or assigned from and after the date of the Assignment for matters arising thereunder from and after the date of the Assignment will be to such new Lender or new Lenders only, as the case may be, and their successors and permitted assigns.

13.6.4 Any Lender may at any time sell to one or more financial institutions or other Persons (each of such financial institutions and other Persons being herein called a "**Participant**") participating interests in any of the Advances, commitments, or other interests of such Lender hereunder, without notice to, or consent from, the Agent or the Borrowers; provided, however, that:

- (a) no participation contemplated in this Section 13.6.4 will relieve such Lender from its commitments or its other obligations hereunder or under any other Credit Document;
- (b) such Lender will remain solely responsible for the performance of its commitments and such other obligations as if such participation had not taken place;
- (c) the Agent will continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and each of the other Credit Documents;
- (d) no Participant will have any rights (through a right of consent or approval or otherwise) to require such Lender to take or refrain from taking any action hereunder or under any other Credit Document;
- (e) no Borrower will be required to pay any amount hereunder that is greater than the amount which it would have been required to pay had no participating interest been sold; and
- (f) in the case of any outstanding Bankers' Acceptances, the Participants execute an indemnity agreement in respect of such Bankers' Acceptances.

Each U.S. Operating Lender that sells a participation shall, acting solely for this purpose as an agent of the U.S. Borrower, maintain a register on which it enters the name and address of each Participant in the U.S. Operating Facility and the principal amounts (and stated interest) of each Participant's interest in the Commitments, Outstanding Advances or other obligations under the Credit Documents (the "**Participant Register**"); provided that no U.S. Operating Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under the Credit Documents) to any Person except to the extent that such

disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such U.S. Operating Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

13.6.5 The Agent, acting solely for this purpose as an agent of the U.S. Borrower, shall maintain at its office located at 452 Fifth Avenue, 5th Floor, New York, NY 10018, a copy of each Assignment delivered to it and a register for the recordation of the names and addresses of the U.S. Operating Lenders, and the Commitments of, and principal amounts (and stated interest) of the Outstanding Advances owing to, each U.S. Operating Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agent and the U.S. Operating Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a U.S. Operating Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any U.S. Operating Lender, at any reasonable time and from time to time upon reasonable prior notice.

13.7 General Indemnity

In addition to any liability of the Borrowers to the Lenders under any other provision hereof, each Borrower will and does hereby, jointly and severally, indemnify each Indemnitee and hold each Indemnitee harmless against any losses, claims, costs, damages or liabilities (including reasonable and documented out of pocket expenses and reasonable and documented legal fees on a solicitor and his own client full indemnity basis of one counsel (but, for the avoidance of doubt, excluding the allocated costs of in-house counsel) plus one local counsel in each applicable jurisdiction) incurred by the same as a result of or in connection with: (a) any cost or expense incurred by reason of the liquidation or re-deployment in whole or in part of deposits or other funds required by any Lender to fund any Bankers’ Acceptance or to fund or maintain any Advance as a result of any Borrower’s failure to complete an Advance or to make any payment, repayment or prepayment on the date required hereunder or specified by it in any notice given hereunder; (b) subject to permitted or deemed Rollovers and Conversions, any Borrower’s failure to provide for the payment to the Agent for the account of the Lenders of the full principal amount of each Bankers’ Acceptance on its Maturity Date; (c) any Borrower’s failure to pay any other amount, including any interest or fees, due hereunder on its due date after the expiration of any applicable grace or notice periods; (d) the prepayment of any outstanding Bankers’ Acceptance before the Maturity Date of such Bankers’ Acceptance; (e) any Borrower’s repayment or prepayment of a LIBOR Loan otherwise than on the last day of its LIBOR Period; (f) the failure of any Borrower or any other Credit Party to make any other payment due hereunder or under any of the other Credit Documents; (g) the occurrence of any other Default or Event of Default and the enforcement of rights and remedies in connection therewith; (h) any instructions given to any Lender to stop payment on any cheque issued by any Borrower or to reverse any wire transfer or other transaction initiated by such Lender at the request of any Borrower; (i) any use of the proceeds of the Facilities,

including to pay the purchase price of the transaction or any other acquisition; and (j) any claim, litigation or other proceeding related to the foregoing, regardless of whether such matter is initiated by a third party or by Holdco, a Borrower or any of their Subsidiaries or Affiliates; provided that this Section 13.7 will not apply to any losses, claims, costs, damages or liabilities that arise by reason of (i) the gross negligence or wilful misconduct of the applicable Indemnitee claiming indemnity hereunder, as determined by a final and non-appealable judgment of a court of component jurisdiction; or (ii) a material breach of the applicable Indemnitee of its obligations under the Credit Documents as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.8 Environmental Indemnity

In addition to any other liability of the Borrowers hereunder, each Borrower hereby agrees to, jointly and severally, indemnify and save harmless the Indemnitees from and against:

- (a) any losses suffered by them for, in connection with, or as a direct or indirect result of, the failure of any Borrower or any of their respective Subsidiaries to comply with all Requirements of Environmental Law;
- (b) any losses suffered by the Indemnitees for, in connection with, or as a direct or indirect result of, the presence of any Hazardous Material situated in, on or under any property owned by any Borrower or any of their respective Subsidiaries or upon which any of them carries on business, specifically including any diminution in value of the business, property and assets of such Person; and
- (c) any and all liabilities, losses, damages, penalties, expenses (including reasonable legal fees) and claims which may be paid, incurred or asserted against the Indemnitees for, in connection with, or as a direct or indirect result of, any legal or administrative proceedings with respect to the presence of any Hazardous Material on or under any property owned by any Borrower or any of its respective Subsidiaries or upon which any of them carries on business, or the discharge, emission, spill, radiation or disposal by any Borrower or any of their respective Subsidiaries of any Hazardous Material into or upon any Land, the atmosphere, or any watercourse or body of water; including the costs of defending, counterclaiming or claiming against third parties in respect of any action or matter and any cost, liability or damage arising out of a settlement entered into by the Indemnitees of any such action or matter,

except to the extent arising from the gross negligence or wilful misconduct of the applicable Indemnitee, as determined by a final and non-appealable judgment of a court of component jurisdiction. For the purpose of this Section 13.8, liabilities means those amounts that are quantifiable and found to be the responsibility of the Indemnitees either alone or jointly or severally with others.

13.9 Survival of Certain Obligations despite Termination of Agreement

The termination of this Agreement shall not relieve the Borrowers from their obligations to the Agent and the Lenders arising prior to such termination, such as obligations arising as a

result of or in connection with any breach of this Agreement, any failure to comply with this Agreement or the inaccuracy of any representations and warranties made or deemed to have been made prior to such termination, and obligations arising pursuant to all indemnity obligations contained herein. Without limiting the generality of the foregoing, the obligations of the Borrowers to the Agent and the Lenders arising under or in connection with Sections 8.5(b), 13.7 and 13.8 shall continue in full force and effect despite any termination of this Agreement.

13.10 Interest on Unpaid Costs and Expenses

If a Borrower fails to pay when due any amount in respect of costs or expenses or any other amount required to be paid by it hereunder (other than principal or interest on any Advance), the Borrowers shall, jointly and severally, pay interest on such unpaid amount from the time such amount is due until paid at the rate equal to the highest rate of interest then applicable under the Facilities.

The Agent will notify the applicable Borrower of any conflict or inconsistency between any written confirmation of such verbal instructions received from such Borrower and the said verbal advice as soon as practicable after the conflict or inconsistency becomes apparent to the Agent.

13.13 Severability

Any provision of this Agreement which is illegal, prohibited or unenforceable in any jurisdiction, in whole or in part, shall not invalidate the remaining provisions hereof; and any such illegality, prohibition or unenforceability in any such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.15 Tombstone Marketing

For the purpose of "tombstone marketing", each Borrower hereby authorizes and consents to the reproduction, disclosure and use by the Lenders and the Agent of its name, identifying logo

and the Facilities to enable the Lenders to publish promotional “tombstones”. Each Borrower acknowledges and agrees: that the Lenders shall be entitled to determine, in their discretion, whether to use such information; that no compensation will be payable by the Lenders or the Agent in connection therewith; and that the Lenders and the Agent shall have no liability whatsoever to any Borrower or any of its respective employees, officers, directors, Affiliates or shareholders in obtaining and using such information as contemplated herein.

13.16 Entire Agreement

This Agreement supersedes all discussion papers, term sheets and other writings issued by the Agent or the Lenders prior to the date hereof relating to the Facilities; and this Agreement and any other documents or instruments contemplated herein or therein shall constitute the entire agreement and understanding among the Borrowers, the Lenders and the Agent relating to the subject-matter hereof.

13.17 Anti-Money Laundering Legislation

- (a) Each Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” Laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), the Lenders and the Agent may be required to obtain, verify and record information regarding the Borrowers, Palladium, the other Credit Parties, their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Credit Parties or Palladium, and the transactions contemplated hereby. The Borrowers shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent, or any prospective assignee of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
- (b) If, upon the written request of any Lender, the Agent has ascertained the identity of a Borrower, Palladium or any Credit Party or any authorized signatories of any Borrower or any other Credit Party for the purposes of applicable AML Legislation on such Lender’s behalf, then the Agent:
 - (i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Agent within the meaning of applicable AML Legislation; and
 - (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.
- (c) Notwithstanding the preceding sentence, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Borrowers, Palladium or any other Credit Party or any authorized signatories of the Borrowers, Palladium or any other

Credit Party, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrowers, Palladium or any other Credit Party or any such authorized signatory in doing so.

 - (ii) in respect of each Letter of Credit, in addition to the fees referred to in clause (i) immediately above, fees generally applicable to Letters of Credit from time to time (such as issuance, drawing, registration, amendment, communication and other processing and out of pocket fees) at the Swingline Lender's usual rates, payable to the Swingline Lender for its own account,

and each fee referred to in this Section in respect of a Letter of Credit shall be paid in the same currency as the currency of such Letter of Credit;

- (c) in respect of each Bankers' Acceptance, a stamping fee equal to the Applicable Margin multiplied by the face amount of the Bankers' Acceptance with the product thereof further multiplied by the number of days to maturity of the Bankers' Acceptance and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such Bankers' Acceptance will be less than the face amount payable to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 5.10);
- (d) in respect of each BA Equivalent Loan, a stamping fee equal to the Applicable Margin multiplied by the face amount of the BA Equivalent Loan with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Loan and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such BA Equivalent Loan will be less than the principal amount of such BA Equivalent Loan on the maturity thereof, as more particularly provided in Section 5.12);
- (e) interest on Overdrafts in U.S. Dollars and interest on U.S. Dollar Base Rate Loans at the U.S. Base Rate plus the Applicable Margin per annum, payable monthly in

arrears on the last day of each and every month (provided, that if the last day of any month is not a Business Day, interest shall be payable on the next Business Day thereafter);

- (f) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2;
- (g) a standby fee with respect to the unused portion of the Canadian Operating Facility (other than the Swingline), calculated in U.S. Dollars on a daily basis as being the difference between (i) the Canadian Operating Facility Commitment less the Swingline Limit and (ii) the Outstanding Advances under that portion of the Canadian Operating Facility other than the Swingline, multiplied by the Applicable Margin and divided by 365 or 366 days, as the case may be, which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter;
- (h) a standby fee with respect to the Swingline payable to the Agent for the account of the Swingline Lender, calculated in U.S. Dollars on a daily basis as being the difference between (i) the Swingline Limit and (ii) the Outstanding Advances under the Swingline, multiplied by the Applicable Margin and divided by 365 or 366 days, as the case may be, which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter; and
- (i) such fees payable to the Agent as may be agreed in writing from time to time between the Canadian Borrower and the Agent relating to any Banking Services Agreements and related services which may be provided by the Agent for the Canadian Borrower from time to time.

2.6.2 With respect to any Availment Option under the Canadian Operating Facility, “Applicable Margin” means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

2.7 Swingline

2.7.1 A portion of the Canadian Operating Facility in the maximum amount of the Swingline Limit is hereby designated as the “**Swingline**” and shall be subject to the terms and conditions in this Section 2.7 (in addition to any other applicable terms and conditions contained in this Agreement). The Swingline shall be available to each of the Canadian Borrower and the Specified Canadian Swingline Borrower (collectively the “**Swingline Borrowers**”).

2.7.2 The Swingline shall be established and maintained by the Swingline Lender only. Either Swingline Borrower may only receive Advances under the Swingline by way of Overdrafts, LIBOR Loans, Bankers’ Acceptances or the issuance of Letters of Credit, in each case (other than with respect to Bankers’ Acceptances), in Canadian Dollars or

U.S. Dollars. The aggregate amount owing under the Swingline may at no time exceed the Swingline Limit and the aggregate principal amount outstanding under the Swingline plus the other Outstanding Advances under the Canadian Operating Facility shall at no time exceed the Canadian Operating Facility Limit. The total number of Bankers' Acceptances and LIBOR Loans outstanding under the Swingline shall not exceed fifteen at any time.

2.7.3 The Swingline shall form a part of the Canadian Operating Facility and, except for the purpose of calculating the Canadian Operating Facility standby fee, any Swingline Loan shall reduce availability under the Canadian Operating Facility on a dollar for dollar basis.

2.7.4 The Swingline Lender will make Advances to the Swingline Borrowers under the Swingline by way of (a) Canadian Dollar Overdraft into Canadian Dollar accounts, or U.S. Dollar Overdraft into U.S. Dollar accounts, in each case held at a branch of the Agent and as designated by either Swingline Borrower from time to time as required in order to honour cheques drawn by either Swingline Borrower on such accounts which are presented to the Swingline Lender for payment, (b) the issuance of Letters of Credit in Canadian Dollars or U.S. Dollars or (c) LIBOR Loans or Bankers' Acceptances. Other than in respect of Letters of Credit, LIBOR Loans or Bankers' Acceptances, no Drawdown Request or minimum amount shall be required in connection therewith and each Swingline Loan shall be on a dollar for dollar basis (i.e. not subject to multiples). As deposits are made into such accounts by the applicable Swingline Borrower, the Swingline Lender shall withdraw funds from such accounts from time to time and apply such funds as Repayments under the Swingline; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit, LIBOR Loan or Bankers' Acceptance. No notice of repayment shall be required to be given by the Canadian Borrower in respect of any such repayment of any Swingline Loan (other than in respect of LIBOR Loans or Bankers' Acceptances). The Swingline Borrowers authorize and direct the Swingline Lender, in its discretion, to automatically debit, by mechanical, electronic or manual means, the bank accounts of the Swingline Borrowers maintained by it for any amounts (including principal, interest or fees) that are due and payable under this Section 2.7.

2.7.5 Letters of Credit may be issued under the Swingline in Canadian Dollars or U.S. Dollars (or such other currencies as may be agreed to by the Swingline Lender); provided, that the Equivalent Amount expressed in U.S. Dollars (or such other currency, if applicable) of the aggregate face amount of all Letters of Credit outstanding under the Swingline at any time may not exceed U.S. \$10,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date. Letters of Credit will not be issued for the purpose of guaranteeing obligations of any Person other than a Credit Party. On the date of issue, the Swingline Lender will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the applicable Swingline Borrower in its Drawdown Request.

No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (Toronto time) on such Business Day. Prior to the issue date, the applicable Swingline Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Swingline Lender may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Swingline Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit. Sections 4.7.2, 4.7.3, 4.7.4 and 4.7.6 shall apply to Letters of Credit issued under the Swingline *mutatis mutandis* as if the Swingline Lender was the Issuing Bank.

2.7.6 If the Canadian Borrower requests a Syndicated Advance and the Swingline Lender's Proportionate Share of such Syndicated Advance would cause its Proportionate Share of all Syndicated Advances under the Canadian Operating Facility then outstanding together with the aggregate outstanding principal amount of all Swingline Loans to exceed the Swingline Lender's Commitment under the Canadian Operating Facility, then the Canadian Borrower shall be required to repay such Swingline Loans (or to convert the same into a Syndicated Advance in accordance with Section 2.7.7) to the extent of such excess on or before the requested date of such Syndicated Advance; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit.

2.7.7 Notwithstanding anything to the contrary herein contained, the Canadian Borrower may at any time give notice to the Swingline Lender and the Agent, which notice shall direct a Conversion of any outstanding Swingline Loan into a Syndicated Advance (other than by way of issuance of a Letter of Credit) and shall specify the particulars of such Swingline Loans, and the Agent shall forthwith provide a copy of such notice to the Canadian Operating Lenders and, effective on the effective date of such notice, the Canadian Borrower shall be deemed to have requested a Conversion of such Swingline Loan into a Syndicated Advance (whether or not it was the actual borrower under such Swingline Loan) and in an amount sufficient to repay the relevant Swingline Loan and accrued and unpaid interest in respect thereof. Subject to the same notice period set out in Section 5.4, each Canadian Operating Lender shall disburse to the Agent for payment to the Swingline Lender its respective Proportionate Share of such amounts and such amounts shall thereupon be deemed to have been advanced by such other Canadian Operating Lenders to the Canadian Borrower and to constitute Syndicated Advances by way of Canadian Dollar Prime Rate Loans or U.S. Dollar Base Rate Loans, as applicable. Such Syndicated Advances shall be deemed to be comprised of principal and accrued and unpaid interest in the same proportions as the corresponding Swingline Loans.

2.7.8 Upon the occurrence and any time during the continuance of an Event of Default, the Canadian Operating Lenders shall make such adjusting payments amongst themselves in any manner as may be required to ensure their respective participations in outstanding Advances under the Canadian Operating Facility reflect their respective Proportionate Share under the Canadian Operating Facility. If any Swingline Loans (other

than by way of Letters of Credit) are outstanding, the Swingline Lender may at any time in its sole and absolute discretion, on behalf of either Swingline Borrower (which hereby irrevocably directs and authorizes the Swingline Lender to make such request on its behalf), request that each Canadian Operating Lender, through the Agent, make a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, to the Canadian Borrower (whether or not it was the actual borrower under such Swingline Loan) in an amount equal to the Lender's Proportionate Share of the principal amount of such Swingline Loan outstanding on the date such notice is given (in this Section, the "**Refunded Swingline Loans**"), provided that the provisions of this clause shall not affect the applicable Swingline Borrower's obligation to repay the Swingline Loans to the extent they remain outstanding. Each Canadian Operating Lender will make the proceeds of any such Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, available to the Swingline Lender on the Business Day next following the date such notice is given in immediately available funds. The proceeds of such a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan shall be applied by the Swingline Lender to the payment in full of the Refunded Swingline Loans.

2.7.9 In the event of any request for a drawing under any Letter of Credit, the Swingline Lender may notify the applicable Swingline Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The applicable Swingline Borrower (whether or not such notice is given) shall reimburse the Swingline Lender within two Business Days of demand by the Swingline Lender, in the relevant currency, an amount, in same day funds, equal to the amount of such drawing (in this Section, an "**LC Payment**"). The applicable Swingline Borrower shall pay to the Swingline Lender interest on the amount of any such drawn Letter of Credit as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, from the date such Letter of Credit is drawn upon until such time as the applicable Swingline Borrower reimburses the Swingline Lender for the drawn amount of such Letter of Credit. If the applicable Swingline Borrower does not reimburse the Swingline Lender within such two Business Days, the Canadian Operating Lenders shall, on the third Business Day following the date of such initial demand on the applicable Swingline Borrower by the Swingline Lender, at the request of the Swingline Lender, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Swingline Lender for the amount of such drawing. The applicable Swingline Borrower shall pay to Canadian Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Swingline Lender requests payment from each of Canadian Operating Lenders in respect of such drawn Letter of Credit until such time as the Canadian Borrower reimburses the Swingline Lender and each of Canadian Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable. Each Canadian Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Swingline Lender and its obligation to make the payments specified herein, and the right of the Swingline Lender to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and

continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

2.7.10 The obligations of each Canadian Operating Lender under Sections 2.7.8 and 2.7.9 are unconditional, shall not be subject to any qualification or exception whatsoever and shall be performed in accordance with the terms and conditions of this Agreement under all circumstances including:

- (a) any lack of validity or enforceability of the applicable Swingline Borrower's obligations under this Section 2.7;
- (b) the occurrence of any Default or Event of Default or the exercise of any rights by the Agent under the Credit Documents;
- (c) whether the Borrower under a Swingline loan was the Canadian Borrower or the Specified Canadian Swingline Borrower; and
- (d) the absence of any demand for payment being made, any proof of claim being filed, any proceeding being commenced or any judgment being obtained by any Lender against any Credit Party.

2.7.11 For certainty, it is hereby acknowledged and agreed that the Canadian Operating Lenders shall be obligated to disburse to the Agent for payment to the Swingline Lender their respective Proportionate Shares of any Syndicated Advances contemplated in this Section 2.7 regardless of:

- (a) whether a Default or Event of Default has occurred or is then continuing or whether any other condition in Section 9.2 is met;
- (b) whether or not the Canadian Borrower has, in fact, actually requested such Conversion; and
- (c) whether or not a Person was a Canadian Operating Lender at the time the applicable Swingline Loan was made.

2.7.12 Notwithstanding any other terms of this Section 2.7, this Agreement or any other Loan Document, the Canadian Borrower shall be jointly and severally liable with the Specified Canadian Swingline Borrower for all obligations and indebtedness arising out of any Swingline Loan advanced by the Swingline Lender to the Specified Canadian Swingline Borrower.

Subject to the terms and conditions in this Agreement, each Term Lender hereby establishes a committed non-revolving reducing term credit facility in favour of the Canadian

Such credit facility in the maximum aggregate principal amount of the Term Facility Commitment is established by the Term Lenders severally and not jointly, and is hereinafter referred to as the "**Term Facility**". 3.4.3 Each Repayment under the Term Facility shall be applied to the Term Lenders holding such Loans *pro rata* based upon their Proportionate Share thereof and the Term Facility Commitment shall be reduced by the amount of each such Repayment.

3.5.1 Subject to the restrictions contained in this Section 3.5, the Canadian Borrower may receive Advances under the Term Facility by way of (and may convert Outstanding Advances under the Term Facility into) any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

3.6.1 In respect of Advances under the Term Facility, the Canadian Borrower agrees to pay the following:

- (a) interest on Canadian Dollar Prime Rate Loans at the Canadian Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the first Business Day of the next month;
- (b) in respect of each Bankers' Acceptance, a stamping fee equal to the Applicable Margin multiplied by the face amount of the Bankers' Acceptance with the product thereof further multiplied by the number of days to maturity of the Bankers' Acceptance and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such Bankers' Acceptance will be less than the face amount payable to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 5.10);
- (c) in respect of each BA Equivalent Loan, a stamping fee equal to the Applicable Margin multiplied by the face amount of the BA Equivalent Loan with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Loan and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such BA Equivalent Loan will be less than the principal amount of such BA Equivalent Loan on the maturity thereof, as more particularly provided in Section 5.12);

such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

ARTICLE 4

U.S. OPERATING FACILITY

4.1 Establishment of U.S. Operating Facility

Subject to the terms and conditions in this Agreement, each U.S. Operating Lender hereby establishes a committed, revolving credit facility in favour of the U.S. Borrower in the maximum principal amount indicated opposite such U.S. Operating Lender's name in Exhibit "A" under the heading "U.S. Operating Facility Commitments". Such credit facility in the maximum aggregate principal amount of the U.S. Operating Facility Limit are established by the U.S. Operating Lenders severally and not jointly, and are hereinafter collectively referred to as the "**U.S. Operating Facility**". Each Advance by a U.S. Operating Lender under the U.S. Operating Facility shall be made by such U.S. Operating Lender in its Proportionate Share of the U.S. Operating Facility.

4.2 Purpose

Advances under the U.S. Operating Facility shall be used by the U.S. Borrower to fund working capital needs and for general corporate purposes including the Permitted Acquisitions (other than a Hostile Acquisition and the Terra Acquisition).

4.3 Revolving Nature

The U.S. Operating Facility shall be a revolving facility. For greater certainty, the U.S. Borrower shall, subject to the terms of this Agreement, be entitled to obtain Advances by way of U.S. Dollar Prime Rate Loans, LIBOR Loans or Letters of Credit in U.S. Dollars under the U.S. Operating Facility from time to time and repay all or any portion of the Outstanding Advances under the U.S. Operating Facility from time to time; provided, that the Outstanding Advances under the U.S. Operating Facility at any time shall not exceed the U.S. Operating Facility Commitment in effect at such time. If at any time and for whatever reason the Outstanding Advances under the U.S. Operating Facility exceed the U.S. Operating Facility Commitment then in effect, the U.S. Borrower shall, within two Business Days of receipt of a written notice from the Agent, pay to the Agent the principal amount required to reduce the Outstanding Advances under the U.S. Operating Facility to an amount not greater than the U.S. Operating Facility Commitment then in effect.

4.4 Repayment

The Obligations under the U.S. Operating Facility shall become due and payable on the earlier of: (i) the Acceleration Date; and (ii) the Facilities Maturity Date.

4.5 Availment Options

4.5.1 Subject to the restrictions contained in this Section 4.5 and elsewhere in this Agreement (and in particular, Sections 5.4 and 5.5), the U.S. Borrower may receive

Advances under the U.S. Operating Facility by any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

- (a) Letters of Credit in U.S. Dollars;
- (b) U.S. Dollar Prime Rate Loans; or
- (c) LIBOR Loans in U.S. Dollars, with a LIBOR Period of 30, 60, 90 or 180 days, subject to availability.

4.5.2 LIBOR Loans under the U.S. Operating Facility will not be issued with a maturity date later than the Facilities Maturity Date.

4.5.3 The U.S. Borrower may convert Outstanding Advances under the U.S. Operating Facility in the form of any above Availment Option applicable to it into another form of Availment Option in the same currency, subject to and in accordance with the terms and conditions of this Agreement (but for greater certainty, LIBOR Loans and Letters of Credit may not be converted into another Availment Option prior to the maturity thereof, except in the case of unexpired Letter of Credits by the return of the original thereof to the Issuing Bank for cancellation).

4.6 Interest and Fees

4.6.1 In respect of Advances under the U.S. Operating Facility, the U.S. Borrower agrees to pay the following:

- (a) interest on U.S. Dollar Prime Rate Loans in U.S. Dollars at the U.S. Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the last day of each and every month (provided, that if such day is not a Business Day, interest shall be payable on the next Business Day thereafter);

 - (i) to the Agent for the account of the U.S. Operating Lenders in respect of the period from the date of issuance of such Letter of Credit to the date of expiry of such Letter of Credit (including the first day but excluding the last day) and divided by 360 days, a fee equal to the Applicable Margin in effect at the time of issuance multiplied by the face amount of such Letter of Credit multiplied by the number of days in such period and divided by 360 days, payable on the date of issuance of such Letter of Credit; and
 - (ii) in respect of each Letter of Credit, in addition to the fees referred to in Section 4.6.1(c), fees generally applicable to Letters of Credit from time to

time (such as issuance, drawing, registration, amendment, communication and other processing and out of pocket fees) at the Issuing Bank's usual rates, payable to the Issuing Bank for its own account.

Each fee referred to in this Section in respect of a Letter of Credit shall be paid in U.S. Dollars; and

- (d) an unused commitment fee with respect to the unused portion of the U.S. Operating Facility calculated in U.S. Dollars on a daily basis as being the difference between (i) the U.S. Operating Facility Commitment and (ii) the Outstanding Advances under the U.S. Operating Facility, multiplied by the Applicable Margin and divided by 360 days which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter.

4.6.2 With respect to any Availment Option under the U.S. Operating Facility, "Applicable Margin" means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

4.7 Letters of Credit

4.7.1 Letters of Credit may be issued under the U.S. Operating Facility in U.S. Dollars (or such other currencies as may be agreed to by the Agent and by the applicable Issuing Bank); provided, that the Equivalent Amount expressed in U.S. Dollars of the aggregate face amount of all Letters of Credit outstanding under the U.S. Operating Facility at any time may not exceed U.S. \$5,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date.

4.7.2 Each request for the issuance of a Letter of Credit shall be delivered by the U.S. Borrower to the Issuing Bank (with a copy to the Agent) in accordance with the notice requirements set out in Section 5.4 herein, together with Issuing Bank's customary form of application and indemnity agreement completed to its satisfaction and the proposed form of the Letter of Credit (which shall be satisfactory to the Issuing Bank) and such other certificates, documents and other papers and information as the Issuing Bank may reasonably request.

4.7.3 On the date of issue, the Issuing Bank will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the U.S. Borrower in its Drawdown Request. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (New York time) on such Business Day. Prior to the issue date, the U.S. Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment

under the Letter of Credit. The Issuing Bank may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Issuing Bank shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

4.7.4 In the event of any request for a drawing under any Letter of Credit, the Issuing Bank may notify the U.S. Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The U.S. Borrower (whether or not such notice is given) shall reimburse the Issuing Bank within one Business Day of demand by the Issuing Bank, an amount, in same day funds, equal to the amount of such drawing. The U.S. Borrower shall pay to the Issuing Bank interest on the amount of any such drawn Letter of Credit as if such drawn amount was a U.S. Dollar Prime Rate Loan from the date such Letter of Credit is drawn upon until such time as the U.S. Borrower reimburses the Issuing Bank for the drawn amount of such Letter of Credit. If the U.S. Borrower does not reimburse the Issuing Bank within such two Business Days, U.S. Operating Lenders shall, on the third Business Day following the date of such initial demand on the U.S. Borrower by the Issuing Bank, at the request of the Issuing Bank, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Issuing Bank for the amount of such drawing. The U.S. Borrower shall pay to U.S. Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Issuing Bank requests payment from each of U.S. Operating Lenders in respect of such drawn Letter of Credit until such time as the U.S. Borrower reimburses the Issuing Bank and each of U.S. Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a U.S. Dollar Base Rate Loan. Each U.S. Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Issuing Bank and its obligation to make the payments specified herein, and the right of the Issuing Bank to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

4.7.5 The Issuing Bank shall notify each the Agent of the principal amount, the number, and the expiration date of each Letter of Credit and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of the amount of such U.S. Operating Lender's participation therein. The Issuing Bank shall review each draft and any accompanying documents presented under a Letter of Credit and shall notify the Agent of any such presentment and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of such presentment.

4.7.6 The Issuing Bank shall not be obligated to issue any Letter of Credit (i) in violation of any Applicable Law or policy of such Issuing Bank or any Lender or (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit. The Issuing Bank shall not at any time be obligated to issue any Letter of Credit if such

issuance would conflict with, or cause the Issuing Bank to exceed any limits imposed by, this Agreement or any applicable requirements of Applicable Law or any regulatory or internal limit.

ARTICLE 5 GENERAL CONDITIONS

5.1 Matters relating to Interest and Fees

5.1.1 Unless otherwise indicated, Interest on any outstanding principal amount hereunder shall be calculated daily and shall be payable monthly in arrears on the last day of each and every month. If the last day of a month is not a Business Day, the Interest payment due on such day shall be made on the next Business Day, and Interest shall continue to accrue on the said principal amount and shall also be paid on such next Business Day. Interest shall accrue from and including the day upon which an Advance is made or is deemed to have been made, and ending on but excluding the day on which such Advance is repaid or satisfied. Any change in the Canadian Prime Rate shall cause an immediate adjustment of the interest rate applicable to Canadian Dollar Prime Rate Loans and Overdrafts in Canadian Dollars and any change in the U.S. Base Rate shall cause an immediate adjustment of the interest rate applicable to U.S. Dollar Base Rate Loans and Overdrafts in U.S. Dollars, in each case without the necessity of any notice to any Borrower.

5.1.2 Unless otherwise stated, in this Agreement if reference is made to a rate of Interest, fee or other amount “per annum” or a similar expression is used, such interest, fee or other amount shall be calculated on the basis of a year of 365 or 366 days (or 360 days in the case of Loans or Letters of Credit denominated in U.S. Dollars), as the case may be. If the amount of any Interest, fee or other amount is determined or expressed on the basis of a period of less than one year of 365 days or 366 days (or 360 days in the case of Loans denominated in U.S. Dollars), as the case may be, the equivalent yearly rate is equal to the rate so determined or expressed, divided by the number of days in the said period, and multiplied by the actual number of days in that calendar year.

5.1.3 Notwithstanding any other provisions of this Agreement:

- (a) the Borrowers and the Lenders intend to strictly comply with all Applicable Laws, including applicable usury laws (or the usury laws of any jurisdiction whose usury laws are deemed to apply to this Agreement and the other Credit Documents despite the intention and desire of the parties to apply the usury laws of the Province of Alberta and the federal laws applicable therein);
- (b) in no event shall any Borrower or any other Person be obligated to pay, or any Lender have any right or privilege to reserve, receive or retain, (a) any interest in excess of the maximum amount of nonusurious interest permitted under the laws of the Province of Alberta the federal laws of Canada applicable therein, or the Applicable Laws of any other jurisdiction, or (b) total interest in excess of the amount which such Lender could lawfully have contracted for, reserved, received,

retained or charged had the interest been calculated for the full term of the applicable Loan; and

- (c) if the amount of any interest, premium, fees or other monies or any rate of interest stipulated for, taken, reserved or extracted under the Credit Documents would otherwise contravene the provisions of Section 347 of the *Criminal Code* (Canada), Section 8 of the *Interest Act* (Canada) or any successor or similar legislation (including any usury law in the U.S.), or would exceed the amounts which any Lender is legally entitled to charge and receive under any law to which such compensation is subject, then such amount or rate of interest shall be reduced to such maximum amount as would not contravene such provision; and to the extent that any excess has been charged or received such Lender shall apply such excess against the Outstanding Advances and refund any further excess amount to the applicable Borrower.

As used in this Section 5.1.3, the term “interest” includes the aggregate of all charges, fees, benefits or other compensation which constitute interest under Applicable Law; provided, that, to the maximum extent permitted by Applicable Law, (a) any non-principal payment shall be characterized as an expense or as compensation for something other than the use, forbearance or detention of money and not as interest, and (b) all interest at any time contracted for, reserved, charged or received shall be amortized, prorated, allocated and spread, using the actuarial method, during the full term of the Facilities. The daily interest rates to be used in calculating interest for the purposes of this Section 5.1.3 shall be determined by dividing the applicable interest rate per annum by the number of days in the calendar year for which such calculation is being made. None of the terms and provisions contained in this Agreement or in any other Credit Document which directly or indirectly relate to interest shall ever be construed without reference to this Section 5.1.3, or be construed to create a contract to pay for the use, forbearance or detention of money at any interest rate in excess of the amounts permitted under any Applicable Law.

The provisions of this Section shall govern and control over every other provision of this Agreement or any other Credit Document which conflicts or is inconsistent with this Section 5.1.3.

5.1.4 Any change in the Applicable Margin in respect of any Availment Option under a Facility shall be determined in accordance with this Section. For purposes of this Section, the term “**Pricing Date**” means, for any Fiscal Quarter of the Canadian Borrower ending on or after the Amendment and Restatement Date, the date on which the Agent is in receipt of the financial statements and Compliance Certificate pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, for such Fiscal Quarter. The Applicable Margin shall be established on a Pricing Date based on the Net Leverage Ratio as of the end of the most recently completed Fiscal Quarter and the Applicable Margin established on a Pricing Date shall remain in effect until the next Pricing Date. If the financial statements and Compliance Certificate are delivered before 10:00 a.m. Toronto time on a specific Business Day (the “**Specific Business Day**”) then pricing will be adjusted starting on the Specific Business Day. If the financial statements and Compliance

Certificate are received after 10:00 a.m. Toronto time on the Specific Business Day then any pricing adjustment will be effective on the next Business Day. If the Canadian Borrower has not delivered its financial statements and Compliance Certificate by the date such financial statements and Compliance Certificate are required to be delivered pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, then until such financial statements and Compliance Certificate are delivered, the Applicable Margin shall be based on Level VI. The Applicable Margin established by such financial statements shall be in effect from the Pricing Date that occurs immediately after the end of the Fiscal Quarter covered by such financial statements until the next Pricing Date; provided, that no changes will be made in respect of any Bankers' Acceptances or BA Equivalent Loans which are outstanding on the effective date, until the Rollover thereof and fees paid on the issuance or renewal of a Letter of Credit will not change during the term of a Letter of Credit as a result of a change in the Net Leverage Ratio.

5.1.5 The determination of the Applicable Margin by the Agent shall be conclusive and binding on the Borrowers and the Lenders if reasonably determined, absent manifest error.

5.1.6 Effective upon the occurrence of an Event of Default (the "**effective date**"), the interest rates then applicable to all Availment Options will each increase by 200 basis points and such increase will remain in effect for as long as such Event of Default subsists. An increase in interest rates and fees as aforesaid arising from an Event of Default shall apply to all outstanding Advances under the Facilities and will on the effective date apply proportionately to each outstanding Advance during the continuance of such Event of Default. The Borrowers will pay to the Agent on behalf of the Lenders any resulting increase in stamping fees and Letter of Credit fees on or prior to the third Business Day following the effective date. In addition to the conditions set forth above, the Lenders' obligation to provide any Advances under any Facility, other than Rollovers or Conversions of then maturing Advances (in each case not to exceed a 30 day term), will be suspended for as long as there exists an Event of Default.

5.1.7 If the Canadian Borrower has delivered a Compliance Certificate that is subsequently found to be inaccurate in any way as a result of the Canadian Borrower's financial results having to be restated or if the Canadian Borrower's financial results were inaccurately reflected in the original financial results on which such Compliance Certificate was based or for any other reason and the result thereof is that the Net Leverage Ratio was originally reported as lower (and the corresponding Level in the Applicable Margin table was lower) than it otherwise would have been in the absence of such inaccuracy or prior to such restatement, then the Borrowers will, immediately upon the correction of such inaccuracy or upon such restatement, pay to the Agent for the benefit of the applicable Lenders an amount equal to the interest, Letter of Credit fees, stamping fees in respect of Bankers' Acceptances and standby fees that the Lenders should have received, but did not receive, over the applicable period had the Net Leverage Ratio, and the underlying components thereof, been reported correctly in the first instance.

5.2 Voluntary Prepayments

Subject to Section 5.15, the Borrowers may from time to time, without payment of any penalty or fee, upon at least two Business Days' prior written notice to the Agent make a prepayment in respect of any Outstanding Advances under any of the Facilities. In the case of Term Facility, the Term Facility Commitment shall be automatically and permanently reduced by the amount of any such prepayment. Notwithstanding the foregoing, Bankers' Acceptances, BA Equivalent Loans and LIBOR Loans may not be repaid prior to the maturity thereof (except in accordance with Sections 5.11 and 5.14, as applicable) and unexpired Letter of Credits may not be prepaid prior to the maturity thereof (except by the return of the original thereof to the Issuing Bank or Swingline Lender, as applicable, for cancellation or by the collateralization thereof in the manner set forth in Section 5.16(f)). Prepayments under the Facilities other than under the Swingline shall be in a minimum principal amount of U.S. \$500,000 and integral multiples of U.S. \$100,000 in excess thereof and shall be applied as directed by the Borrowers to the remaining payments thereof. Any prepayments under the Term Facility shall be made in inverse order of maturity.

5.3 Mandatory Prepayments

5.3.1 If any Credit Party receives cash proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) below, from:

- (a) a transaction after the Amendment and Restatement Date involving the creation or incurrence of any Funded Debt (other than Permitted Funded Debt), and notwithstanding any Default or Event of Default that results therefrom;
- (b) transactions involving the sale, lease or other disposition of any assets (other than transactions described in clauses (a) through (d) inclusive and (f) through (j) inclusive of Section 7.2.4), except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the "**Sales Proceeds**"); or
- (c) property, casualty or other insurance proceeds received by any Credit Party, except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the "**Insurance Proceeds**"); and/or
- (d) Specified Equity Contribution;

then, subject to Sections 5.3.2 and 8.6, the Borrowers shall make a Repayment on account of the Outstanding Advances in an amount equal to 100% of such proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) above, within three Business Days (i) after such proceeds are received by the applicable Credit Party in the case of clauses (a) and (d) above, (ii) within three Business Days of the expiry of the applicable reinvestment period set out in Section 5.3.2 after such proceeds are received by the applicable Credit Party in the case of clause (b) above and within three Business Days of the expiry of the insurance proceeds reinvestment period described in Section 5.3.2(a) after such proceeds are

received by the applicable Credit Party in the case of clause (c) above. As used herein, “net cash proceeds” in respect of any such transaction means the gross amount payable to the applicable Credit Party in cash in respect of such transaction less (i) any sales commissions, selling expenses, brokers’ fees, consulting fees, legal fees, other costs and expenses of the transaction actually incurred, investment banking fees, accountants’ fees, consulting fees, underwriting discounts and commissions and other customary fees and expenses actually incurred, (ii) amounts required to be applied to the repayments of Funded Debt, (including the principal amount, premium or penalty, if any, interest and other amounts required to be applied to the repayment of any Funded Debt secured by a Lien (including because the asset sold is removed from a borrowing base supporting such Funded Debt)), (iii) taxes payable in connection with the transaction, (iv) usual and reasonable adjustments in connection with the transaction and, including the amount of any liability paid or to be paid or reasonable reserve established in accordance with GAAP against any liabilities associated with the assets that are the subject of such event and retained by the Canadian Borrower or any of its Subsidiaries, and (v) any other amount specifically approved by the Agent in writing.

5.3.2 The Sales Proceeds or Insurance Proceeds, as applicable, need not be used by the Credit Parties to make a repayment under Section 5.3.1 and may be used by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, or, provided no Default (unless such repayment would cure any such Default) or Event of Default exists at such time, in the case of:

- (a) Insurance Proceeds (i) of insured claims that do not exceed in the aggregate in any one Fiscal Year \$7,500,000 or (ii) are used to repair or replace the property in respect of which such Insurance Proceeds were received, if such purchase, repair or replacement occurs within twelve (12) months of the receipt of such proceeds, subject to an extension of up to a further six (6) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial twelve (12) months period; or
- (b) Sales Proceeds (i) arising from any single transaction or series of related transactions that do not exceed in the aggregate in any one Fiscal Year \$3,000,000 or (ii) are used or useful by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, within nine (9) months of the receipt of such proceeds, subject to an extension of up to a further three (3) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial nine (9) period.

In connection with the foregoing, the Agent and the Lenders may rely upon and assume the correctness of all asset values and other statements contained in any certificate provided by an officer of the Canadian Borrower confirming the value of the relevant assets.

5.3.3 Repayments under this Section 5.3 are to be applied first to Outstanding Advances under the Term Facility until they have been fully repaid, and then to

Outstanding Advances under the Operating Facilities, as directed by the Canadian Borrower, or failing such direction, *pro rata* between the Operating Facilities. Repayments under the Facilities under this Section 5.3 shall be applied in inverse order of maturity and will be made *pro rata* to each Lender under the applicable Facility.

5.3.4 If as a result of currency rate fluctuation, the Outstanding Advances under the Canadian Operating Facility exceeds the Canadian Operating Facility Limit by at least 3% thereof (in each case, a “**Currency Excess**”), the Borrowers will, by the earlier of (a) five (5) Business Days after a written request from the Agent, and (b) the next date of a Rollover or Conversion, pay the applicable Currency Excess to the Agent as a Repayment for the benefit of the Canadian Operating Lenders to be shared on the basis of each applicable Lender’s Proportionate Share under the Canadian Operating Facility. If to pay a Currency Excess it is necessary to repay an Advance made by way of Bankers’ Acceptance or a LIBOR Loan prior to the maturity date thereof, the Borrowers will not be required to repay such Advances until the maturity date applicable thereto; provided, however, that at the request of the Agent, the Borrowers will forthwith pay the Currency Excess to the Agent for deposit into a cash collateral account maintained by and in the name of the Agent for the benefit of the Canadian Operating Lenders. The Currency Excess will be held by the Agent for set off against future obligations owing by the Borrowers to the Canadian Operating Lenders in respect of such Currency Excess, if any, and, pending such application, such amounts will bear interest for the Borrowers’ account at the rate payable by the Agent in respect of deposits of similar amounts and for similar periods of time. The Agent shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of the Currency Excess by the Borrowers with the Agent as herein provided will not operate as a Repayment under the Canadian Operating Facility until such time as the Currency Excess is actually paid to the Canadian Operating Lenders as a Repayment. If the Borrowers are required to provide a deposit under this Section 5.3.4 as a result of the Currency Excess with respect to an unmaturing Bankers’ Acceptance or a LIBOR Loan, and such Currency Excess (or any portion thereof) is no longer in effect on the maturity date of such Bankers’ Acceptance or LIBOR Loan, such deposit (or the applicable portion thereof) shall be returned to the Borrowers within three Business Days after the maturity date of such Bankers’ Acceptance or LIBOR Loan.

5.3.5 If the aggregate Outstanding Advances under the Facilities, is at any time greater than the then applicable Borrowing Base (the amount of such excess being a “**Borrowing Base Shortfall**”), one or all of the Borrowers shall within three (3) Business Days repay such portion of the Outstanding Advances under the Operating Facilities to the Agent for the Canadian Operating Lenders as is required to eliminate such Borrowing Base Shortfall. The Agent will apply such payments (a) against the Term Facility and (b) thereafter, *pro rata* amongst the Canadian Operating Facility and the U.S. Operating Facility and in the following order: (i) first against Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans, U.S. Dollar Prime Rate Loans, (ii) second to collateralize Bankers’ Acceptances as provided in Section 5.11, (iii) third to repay LIBOR Loans, subject to Section 5.14, and (iv) fourth to collateralize Letters of Credit as provided in Section 5.16(f), until any such Borrowing Base Shortfall has been eliminated. If the Borrowers are required to provide cash collateral under this Section 5.3.5 as a result of a

Borrowing Base Shortfall, such amount shall be returned to the Borrowers within three (3) Business Days after such Borrowing Base Shortfall is no longer continuing.

5.3.6 If any Credit Party receives net cash proceeds from any Anchor Sale and Leaseback Transaction, then the Borrowers shall make a Repayment on account of the Outstanding Advances under the Operating Facilities in an amount equal to 100% of such net cash proceeds within five Business Days after such proceeds are received by the applicable Credit Party. As used herein, “net cash proceeds” has the same meaning ascribed thereto in Section 5.3.1. Repayments under this Section 5.3.6 are to be applied to Outstanding Advances under the Operating Facilities on a pro rata basis. Repayments under this Section 5.3.6 shall not result in a permanent reduction of any Operating Facility.

5.4 Notice Periods

5.4.1 The Borrowers shall provide written notice to the Agent in respect of Advances, Rollovers, Conversions and Repayments to the extent set out below:

- (a) no notice is required for Advances and Repayments in respect of Overdrafts under the Swingline;
- (b) notice is required for each voluntary Repayment under any Facility in accordance with Section 5.2;
- (c) except as provided in clauses (a) and (b) above, but subject to (d), (e) and (f) below, one Business Days’ notice is required before 10:00 a.m. Toronto time in respect of any Advance, Rollover, Conversion or voluntary Repayment in Canadian Dollars or in U.S. Dollars;
- (d) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a Bankers’ Acceptance or BA Equivalent Loan, two Business Days’ notice is required before 10:00 a.m. Toronto time;
- (e) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a LIBOR Loan, three Business Days’ notice is required before 10:00 a.m. Toronto time; and
- (f) notwithstanding the foregoing, if an Advance relates to the issuance of a Letter of Credit, (i) if issued to a beneficiary located in Canada or the U.S., three Business Days’ notice is required before 10:00 a.m. Toronto time and (ii) if issued to a beneficiary located outside of Canada or the U.S., five (5) Business Days’ notice is required before 10:00 a.m. Toronto time.

5.4.2 Notice of any Advance, Rollover, Conversion or voluntary Repayment referred to in Section 5.4.1 above shall be given in the form of a Drawdown Request, Rollover Notice, Conversion Notice or Repayment Notice, as the case may be, attached hereto as Exhibits, and shall be given to the Agent at its address set out in Section 13.11.

5.4.3 If notice is not provided as contemplated herein with respect to the maturity of any Bankers' Acceptance, BA Equivalent Loan and LIBOR Loan the Agent may convert such Bankers' Acceptance, BA Equivalent Loan or LIBOR Loan upon its maturity into a Canadian Dollar Prime Rate Loan or a U.S. Dollar Base Rate Loan, as applicable.

5.4.4 Any Conversion from one form of Availment Option to another shall be subject to satisfaction of all terms and conditions applicable to the form of the new Availment Option.

5.5 Minimum Amounts, Multiples and Procedures re Advances, Conversions and Repayments

5.5.1 Each request by a Borrower for an Advance or Conversion in the form of a Canadian Dollar Prime Rate Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.2 Each request of a Borrower for an Advance or Conversion in the form of a U.S. Dollar Base Rate Loan shall be in a minimum amount of U.S. \$500,000 and multiples of U.S. \$100,000 thereafter.

5.5.3 Each request by a Borrower for an Advance or Conversion in the form of a Bankers' Acceptance or BA Equivalent Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.4 Each request by a Borrower for an Advance or Conversion in the form of a LIBOR Loan in U.S. Dollars shall be in a minimum amount of U.S. \$500,000 and in a multiple of U.S. \$100,000 thereafter.

5.5.5 Conversions or Rollovers under the Term Facility can be in such lesser amounts as are necessary to give effect to the principal repayments under the Term Facility required pursuant to Sections 3.4, 5.3.1 and 5.3.2.

5.5.6 Upon receipt of a Drawdown Request under any Facility, the Agent shall promptly notify each Lender under such Facility of the contents thereof and such Lender's Proportionate Share of the Advance. Such Drawdown Request shall not thereafter be revocable.

5.5.7 Each Advance shall be made by the applicable Lenders to the Agent at its address referred to in Section 13.11 or such other address as the Agent may designate by notice in writing to the Lenders from time to time. Each Lender shall make available its Proportionate Share of each said Advance to the Agent. Unless the Agent determines that any condition of the Advance has not been satisfied or waived, the Agent shall make the funds so received from the Lenders available to the applicable Borrower by 2:00 p.m. (Toronto time) on the requested date of the Advance. No Lender shall be responsible for any other Lender's obligation to make available its Proportionate Share of the said Advance.

5.5.8 Each Borrower agrees to deliver to the Agent in favour of any requesting Lender such other agreements and documentation as such Lender may reasonably require (not inconsistent with this Agreement and upon at least two (2) Business Days' prior written notice) in respect of such Lender's requirements for the acceptance of Bankers' Acceptances or the issuance of BA Equivalent Loans.

5.5.9 All payments of principal, interest and other amounts made by the Credit Parties to the Agent in respect of the Outstanding Advances under a Facility shall be paid by the Agent to the Lenders in accordance with their respective Proportionate Shares of the Outstanding Advances under such Facility. For greater certainty, however, (a) stamping fees in respect of Bankers' Acceptances and BA Equivalent Loans shall be received and retained by the respective Lenders which issued or accepted such Bankers' Acceptances and BA Equivalent Loans and (b) in the event that any payments of principal, interest and other amounts made by the Credit Parties to the Agent instead of to the Swingline Lender in respect of the Outstanding Advances under the Swingline, any such payments shall be paid by the Agent to the Swingline Lender.

5.6 Place of Advances and Repayments

5.6.1 Advances by any Lender to a Borrower shall be made by such Lender to the Agent from such Lender's applicable Lending Office. All payments of principal, interest and other amounts to be made by the Borrowers and the other Credit Parties pursuant to this Agreement shall be made to the Agent at its address noted in Section 13.11 or to such other address at a major city in Canada as the Agent may direct in writing from time to time. All such payments received by the Agent on a Business Day before 2:00 p.m. (Toronto time) shall be treated as having been received by the Agent on that day; payments made after such time on a Business Day shall be treated as having been received by the Agent on the next Business Day.

5.6.2 Whenever any payment or the performance of any covenant, duty or other obligation shall be due on (or required within a time period ending on) a day which is not a Business Day, the date for payment or performance thereof shall be extended to the next succeeding Business Day. Interest shall continue to accrue and be payable thereon as provided herein, until the date on which such payment is received by the Agent.

5.7 Evidence of Obligations (Noteless Advances)

The Agent shall open and maintain, in accordance with its usual practice, accounts evidencing the Obligations; and the information entered in such accounts shall constitute conclusive evidence of the Obligations absent manifest error. The Agent may, but shall not be obliged to, request the Borrowers to execute and deliver from time to time such promissory notes as may be required as additional evidence of the Obligations; provided, that no promissory notes shall be required in respect of any Hedging Agreements or Banking Services Agreements.

5.8 Determination of Equivalent Amounts

Whenever it is necessary or desirable at any time to determine the Equivalent Amount in Canadian Dollars of an amount expressed in U.S. Dollars, or vice-versa (specifically including

the determination of the Equivalent Amount in Canadian Dollars of an Advance made in U.S. Dollars (as applicable), the determination of each Lender's Proportionate Share of any Repayment on any date, and the determination of whether the Outstanding Advances under any Facility exceed the limit applicable to such Facility at any time), the Equivalent Amount shall be determined by reference to the Exchange Rate on the date of such determination. Notwithstanding the foregoing, however, for the purposes of determining any Letter of Credit fees under the Canadian Operating Facility or the standby fees applicable to the Canadian Operating Facility, the Agent shall make such determination based upon the Bank of Canada noon spot rate on the first Business Day of each quarter for such quarter as the case may be.

If any basket used hereunder is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. For purposes of determining the Net Leverage Ratio, amounts denominated in a currency other than U.S. Dollars will be converted to U.S. Dollars for the purposes of (A) testing the financial covenant under Section 7.3.1(a), at the Exchange Rate as of the last day of the Fiscal Quarter for which such measurement is being made, and (B) calculating any Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.3.1(a)), at the Exchange Rate as of the date of calculation, and will, in the case of Funded Debt, reflect the currency translation effects, determined in accordance with GAAP, of Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount in U.S. Dollars of such Funded Debt.

5.9 Commitment to Purchase Bankers' Acceptances and BA Equivalent Loans

5.9.1 Each BA Lender which is a bank listed in Schedule I of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated at the CDOR Rate for the relevant period in effect on the issuance date thereof.

5.9.2 Each BA Lender which is a bank listed in Schedule II or Schedule III of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate for the relevant period in effect on the issuance date thereof plus up to one-tenth of one percent (0.10%).

5.9.3 Each Non-BA Lender agrees to purchase BA Equivalent Loans issued by it hereunder at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate plus up to one tenth of one percent (0.10%) for the relevant period in effect on the issuance date thereof.

5.9.4 The discount applicable to each Bankers' Acceptances and BA Equivalent Loan shall be determined on the basis of a year of 365 days.

5.10 Special Provisions Regarding Bankers' Acceptances

The following provisions are applicable to Bankers' Acceptances issued by the Canadian Borrower and accepted by any BA Lender hereunder.

5.10.1 *Payment of Bankers' Acceptances.* The Canadian Borrower agrees to provide for each Bankers' Acceptance by payment of the face amount thereof to the Agent on behalf of the BA Lender on the maturity of the Bankers' Acceptance or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such BA Lender and such BA Lender shall in turn remit such amount to the holder of the Bankers' Acceptance. If the Canadian Borrower fails to provide for the payment of the Bankers' Acceptance accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such Bankers' Acceptance was issued. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any Bankers' Acceptance and agrees to indemnify and save harmless the BA Lender in connection with all payments made by the BA Lender (or by the Agent on its behalf) pursuant to Bankers' Acceptances accepted by the BA Lender, together with all reasonable costs and expenses incurred by the BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a Bankers' Acceptance is held by the BA Lender for its own account at maturity.

5.10.2 *Availability of Bankers' Acceptances.* If at any time and from time to time the Agent determines, acting reasonably, that there no longer exists a market for Bankers' Acceptances for the term requested by the Canadian Borrower, or at all, or if any BA Lenders representing no less than 35% of the Commitments advise the Agent in writing that the CDOR Rate will not or does not accurately reflect the cost of funds of such BA Lender, the Agent shall so advise the Canadian Borrower, and in such event the BA Lenders shall not be obliged to accept and the Canadian Borrower shall not be entitled to issue Bankers' Acceptances. If such notice is given and there is any outstanding Drawdown Request, Rollover Notice or Conversion Notice requesting an Advance by way of, or a Rollover or Conversion into, a Bankers' Acceptance at such a time, then such request will be deemed to be a request for, or a Rollover or Conversion into, a Canadian Dollar Prime Rate Loan.

5.10.3 *Power of Attorney.* The Canadian Borrower hereby appoints each BA Lender as its true and lawful attorney to complete and issue Bankers' Acceptances on behalf of the Canadian Borrower in accordance with written (including facsimile) transmitted instructions provided by the Canadian Borrower to the Agent on behalf of such BA Lender, and the Canadian Borrower hereby ratifies all lawful acts that its said attorney may do by virtue thereof. The Canadian Borrower agrees to indemnify and hold harmless the Agent and the BA Lenders and their respective directors, officers and employees from and against any charges, complaints, costs, damages, expenses, losses or liabilities of any kind or nature which they may incur, sustain or suffer, arising from or by reason of acting, or failing to act, as the case may be, in reliance upon this power of attorney, except to the extent caused by the gross negligence or willful misconduct of the Agent or the BA Lender or their respective directors, officers and employees. The Canadian Borrower hereby agrees that each Bankers' Acceptance completed and issued and accepted in accordance with this Section by a BA Lender on behalf of the Canadian Borrower is a valid, binding and negotiable instrument of the Canadian Borrower as drawer and

endorser. The Canadian Borrower agrees that each BA Lender's accounts and records will constitute *prima facie* evidence of the execution and delivery by the Canadian Borrower of Bankers' Acceptances. This power of attorney is coupled with an interest and shall continue in force until written notice of revocation with respect to any BA Lender has been served upon the Agent by the Canadian Borrower at the Agent's address set out in Section 13.11.

5.10.4 *Repayment Prior to Maturity.* The Canadian Borrower acknowledges that Advances made by a Lender by way of Bankers' Acceptances and BA Equivalent Loans may not be repaid prior to the maturity thereof. If any Bankers' Acceptance or BA Equivalent Loan is repaid prior to the scheduled maturity date hereof (whether as a result of Section 2.3 or Section 10.2 or otherwise), the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders the principal amount of such Bankers' Acceptance or BA Equivalent Loan and the Agent will in its discretion invest any funds in respect of such purported repayment in a term deposit maturing on the scheduled maturity date of the Bankers' Acceptance or BA Equivalent Loan. Any interest accruing on the term deposit will be paid to the Canadian Borrower on the maturity date thereof; provided, that no Event of Default has occurred and is continuing.

5.10.5 *Depository Bills.* It is the intention of the Parties that pursuant to the *Depository Bills and Notes Act* (Canada) ("DBNA"), all Bankers' Acceptances accepted by the Lenders under this Agreement will be issued in the form of a "depository bill" (as defined in the DBNA), deposited with a "clearing house" (as defined in the DBNA), including The Canadian Depository for Securities Limited or its nominee CDS Clearing and Depository Services Inc. ("CDS"). In order to give effect to the foregoing, the Agent will, subject to the approval of the Canadian Borrower and the Lenders, establish and notify the Canadian Borrower and the Lenders of any additional procedures, consistent with the terms of this Agreement, as are reasonably necessary to accomplish such intention, including:

- (a) any instrument held by the Agent for purposes of Bankers' Acceptances will have marked prominently and legibly on its face and within its text, at or before the time of issue, the words "This is a depository bill subject to the *Depository Bills and Notes Act* (Canada)";
- (b) any reference to the authentication of the Bankers' Acceptance will be removed; and
- (c) any reference to the "bearer" will be removed and such Bankers' Acceptances will not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.

5.10.6 *Rounding.* In the case of an issue of Bankers' Acceptances, the Agent will round allocations amongst the Lenders to ensure that each Bankers' Acceptance issued has a face amount which is a whole number multiple of \$100,000 (and such rounded

allocations shall constitute the Lenders' respective Proportionate Share for the purposes of this Agreement).

5.11 Escrowed Funds

Upon the request of the Agent after the occurrence and during the continuance of an Event of Default on the cancellation of this Agreement, or if any Outstanding Advances by way of Bankers' Acceptances are required to be prepaid hereunder prior to their maturity, the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders, an amount equal to the Lenders' maximum potential liability under then outstanding Bankers' Acceptances. Such escrowed funds will be held by the Agent for set-off against future Obligations owing by the Canadian Borrower to the applicable Lenders in respect of such Bankers' Acceptances and pending such application may be invested in accordance with Section 5.10.4. In the case such Event of Default is either waived or cured in compliance with the terms of this Agreement, then the remaining escrow funds if any, together with any accrued interest to the date of release, will be released to the Canadian Borrower. The deposit of such escrow funds by the Canadian Borrower with the Agent as herein provided, will not operate as a repayment of the Outstanding Advance under the applicable Facility until such time as the escrow funds are actually paid to the applicable Lenders as a Repayment on the applicable maturity date thereof.

5.12 Special Provisions regarding BA Equivalent Loans

Each Non-BA Lender will not accept Bankers' Acceptances hereunder, and shall instead from time to time make BA Equivalent Loans to the Canadian Borrower. The amount of each BA Equivalent Loan will be equal to the discount proceeds (based on the discount rate set forth in Section 5.9.3 and subject to Section 5.10.6) which would be realized from a hypothetical sale of the corresponding Bankers' Acceptance on the basis the Lenders purchased such Bankers' Acceptance and the maturity date of each such BA Equivalent Loan will be the same as the maturity date of the corresponding Bankers' Acceptance. Upon the reasonable request of a Non-BA Lender, each BA Equivalent Loan may be evidenced by a non-interest bearing promissory note payable by the Canadian Borrower to the Non-BA Lender in a form acceptable to each such party, acting reasonably. Any such BA Equivalent Loan shall be negotiable by the Non-BA Lender without notice to or the consent of the Canadian Borrower, and the holder thereof shall be entitled to enforce such BA Equivalent Loan against the Canadian Borrower free of any equities, defences or rights of set-off that may exist between the Credit Parties and the Non-BA Lender. In this Agreement, all references to a BA Equivalent Loan shall mean the loan evidenced thereby if required by the context; and all references to the "issuance" of a BA Equivalent Loan by a Non-BA Lender and similar expressions shall mean the making of a BA Equivalent Loan by the Non-BA Lender which is evidenced by a BA Equivalent Loan as if applicable. The following provisions are applicable to each BA Equivalent Loan made by a Non-BA Lender to the Canadian Borrower hereunder:

5.12.1 *Payment of BA Equivalent Loans.* The Canadian Borrower agrees to provide for each BA Equivalent Loan by payment of the face amount thereof to the Agent on behalf of the Non-BA Lender on the maturity of the BA Equivalent Loan or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such

Non-BA Lender and such Non-BA Lender shall in turn remit such amount to the holder of the BA Equivalent Loan. If the Canadian Borrower fails to provide for the payment of the BA Equivalent Loan accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the Non-BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such BA Equivalent Loan was made. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any BA Equivalent Loan and agrees to indemnify and save harmless the Non-BA Lender in connection with all payments made by the Non-BA Lender (or by the Agent on its behalf) pursuant to BA Equivalent Loans accepted by the Non-BA Lender, together with all reasonable costs and expenses incurred by the Non-BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a BA Equivalent Loan is held by the Non-BA Lender for its own account at maturity.

5.12.2 *Availability of BA Equivalent Loans.* No Non-BA Lender shall have any obligation to issue BA Equivalent Loans during any period in which the BA Lenders' obligation to issue Bankers' Acceptances is suspended pursuant to Section 5.10.2.

5.13 Special Provisions Regarding LIBOR Loans

The following provisions are applicable to LIBOR Loans made by any Lender to the Borrowers.

5.13.1 *Drawdown Procedures.* Upon receipt by the Agent from a Borrower of a Drawdown Request, Conversion Notice or Rollover Notice in respect of a LIBOR Loan, the Agent will promptly advise such Borrower of the U.S. Dollar LIBOR Rate, such rate to be determined as at approximately 11:00 a.m. London time, two LIBOR Business Days before the commencement of the LIBOR Period for such LIBOR Loan.

5.13.2 *Interest Payment Dates for LIBOR Loans.* Interest in respect of any LIBOR Loan in U.S. Dollars shall be calculated on the basis of a year of 360 days. Interest in respect of any LIBOR Loan with a LIBOR Period of between one month and three months (inclusive) shall be payable at the time the principal amount of such LIBOR Loan is payable. Interest in respect of any LIBOR Loan with a LIBOR Period longer than three months shall be payable in arrears every three months commencing on the last day of the third month following the commencement of such LIBOR Period, and also at the time the principal amount of such LIBOR Loan is payable.

5.13.3 *Laws Applicable to LIBOR Loans.* Each Borrower acknowledges that the ability of the Lenders to maintain or provide any LIBOR Loan and to charge interest on any LIBOR Loan at the U.S. Dollar LIBOR Rate is and will be subject to any statute, law, regulation, rule or direction by any Governmental Authority having jurisdiction which may prohibit or restrict or limit such loans or such interest. Each Borrower agrees that the Lenders shall have the right to comply with any such requirements and, if the Agent determines it to be necessary as a result of such requirement, the Agent may convert any LIBOR Loan to a U.S. Dollar Base Rate Loan or require immediate repayment of all

LIBOR Loans, including accrued interest thereon and all applicable breakage costs pursuant to Section 5.15.

5.14 Breakage Costs

The Borrowers may only Repay or Convert any LIBOR Loan prior to the scheduled maturity date thereof, whether as a result of acceleration or for any other reason, if the Borrowers agree to pay to the Agent upon demand all losses, damages, costs and expenses which such Lender has incurred or may incur as a result of such Repayment or Conversion prior to the said scheduled maturity date. The Agent shall provide the Borrowers with a written certificate showing in reasonable detail the basis for such claim, which shall be deemed to be *prima facie* correct, in the absence of manifest error.

5.15 Inability to Make LIBOR Loans

If at any time and from time to time:

- (a) the Agent (acting reasonably) determines that by reason of circumstances affecting the London Interbank Eurodollar Market, adequate and fair means do not exist for ascertaining the rate of interest with respect to, or deposits are not available in sufficient amounts in the ordinary course of business at the rate determined hereunder to fund, a requested LIBOR Loan during the ensuing LIBOR Period selected;
- (b) the Agent (acting reasonably) determines that the making or continuing of the requested LIBOR Loan by the Lenders has been made impracticable by the occurrence of an event which materially adversely affects the London Interbank Eurodollar Market generally; or
- (c) the Agent is advised by Lenders representing no less than 35% of the Commitments that the U.S. Dollar LIBOR Rate will not or does not represent the effective cost to such Lender of U.S. Dollar deposits in such market for the relevant LIBOR Period,

then the Agent shall give notice thereof to the Lenders and the Borrowers as soon as possible after such determination or receipt of such notice, as the case may be, and if such notice is given subsequent to the giving of a Drawdown Request or any Rollover Notice or Conversion Notice to the Agent by a Borrower with regard to any requested LIBOR Loan, such Borrower shall, within one Business Day after receipt of such notice and in replacement of the Drawdown Request, Rollover Notice or Conversion Notice, as the case may be, previously given by such Borrower, give the Agent a Drawdown Request or a Conversion Notice, as the case may be, which specifies the Advance of a U.S. Dollar Base Rate Loan or the Conversion of the relevant LIBOR Loan on the last day of the applicable LIBOR Period into a U.S. Dollar Base Rate Loan. In the event a Borrower fails to give, if applicable, a valid replacement Conversion Notice with respect to the maturing LIBOR Loans which were the subject of a Rollover Notice, such maturing LIBOR Loans shall be converted on the last day of the applicable LIBOR Period into U.S. Dollar Base Rate Loans under the applicable Facility as if a Conversion Notice had been given to the

Agent by such Borrower pursuant to the provisions hereof. In the event a Borrower fails to give, if applicable, a valid replacement Drawdown Request with respect to an Advance originally requested by way of a LIBOR Loan, then such Borrower shall be deemed to have requested an Advance by way of a U.S. Dollar Base Rate Loan in the amount specified in the original Drawdown Request and, on the originally requested date of Advance, the applicable Lenders (subject to the other provisions hereof) shall make available the requested amount by way of a U.S. Dollar Base Rate Loan under the applicable Facility.

If at any time the Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 5.15(b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 5.15(b) have not arisen but the supervisor for the administrator of LIBOR Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement identifying a specific date after which the LIBOR Rate shall no longer be used for determining interest rates for loans, then the Agent and the Borrowers shall negotiate in good faith to establish an alternate rate of interest to LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for LIBOR Loans made in Canada or in the United States at such time, and upon an agreement being reached, shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary herein, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

5.16 Special Provisions Regarding Letters of Credit

The following additional provisions are applicable to Letters of Credit issued by hereunder:

- (a) The obligation of a Borrower to reimburse any Issuing Bank for all drawings under Letters of Credit shall be absolute, unconditional and irrevocable and shall be satisfied strictly in accordance with their terms, irrespective of:
 - (i) any lack of validity or enforceability of any Letter of Credit;
 - (ii) the existence of any claim, setoff, defence or other right which such Borrower or any other Person may at any time have against the beneficiary under any Letter of Credit, such Issuing Bank, the Agent or any Lender (other than the defence of payment in accordance with the terms of this Agreement or a defence based on the gross negligence or willful misconduct of such Issuing Bank as determined by a court of competent

- jurisdiction by final and non-appealable judgment) or any other Person in accordance with this Agreement or other transaction;
- (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; and
 - (iv) any other circumstance or event whatsoever, whether or not similar to any of the foregoing.
- (b) In making any payment under any Letter of Credit (a) an Issuing Bank's exclusive reliance on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever and (b) any non-compliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in each case, not be deemed willful misconduct or negligence of such Issuing Bank.
- (c) Each Issuing Bank and its correspondents may accept and act upon the name, signature, or act of any party purporting to be the executor, administrator, receiver, trustee in bankruptcy or other legal representative of any party designated in any Letter of Credit in the place of the name, signature, or act of such party.
- (d) In addition to amounts payable as elsewhere provided in this Section 5.16, each Borrower hereby agrees to protect, indemnify, pay and save each Issuing Bank and its respective directors, officers, employees, agents and representatives harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including legal fees and expenses) which each such indemnitee may incur or be subject to as a consequence, direct or indirect, of:
- (i) the issuance of any Letter of Credit, other than as a result of the breach of the standards of reasonable care where such Issuing Bank would not be entitled to the foregoing indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit;
 - (ii) the inability of an indemnitee to honour a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority; or
 - (iii) any of the matters listed in Section 5.16(e).

- (e) As between a Borrower, on the one hand, and an Issuing Bank, on the other hand, such Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued at its request hereunder by, the respective beneficiaries of such Letters of Credit and, without limitation of the foregoing (but other than to the extent such Issuing Bank breaches the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, as applicable, where such Issuing Bank would not be entitled to indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit), such Issuing Bank shall not be responsible for:
- (i) the form, validity, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, inaccurate, fraudulent or forged;
 - (ii) the invalidity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;
 - (iii) errors, omissions, interruptions or delays in transmission or delivery of any messages, by fax, electronic transmission, mail, cable telegraph, telex or otherwise, whether or not they are in cipher;
 - (iv) errors in interpretation of technical terms;
 - (v) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof;
 - (vi) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; and
 - (vii) any consequences arising from causes beyond the reasonable control of any Lender, including any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority.

None of the above shall affect, impair or prevent the vesting of any Issuing Bank's rights or powers hereunder. No action taken or omitted by an Issuing Bank under or in connection with any Letter of Credit issued by it or the related certificates, if taken or omitted in good faith, shall put such Issuing Bank under any resulting liability to the applicable Borrower (provided, that such Issuing Bank acts in accordance with the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit).

- (f) If any Letter of Credit is outstanding on the Facilities Maturity Date, on the date this Agreement and all Commitments hereunder are cancelled, at any time that an Event of Default occurs, a demand for repayment is made hereunder, or a domestic or foreign court issues any judgment or order restricting or prohibiting payment by the applicable Issuing Bank under such Letter of Credit or extending the liability of the applicable Issuing Bank to make payment under such Letter of Credit beyond the expiry date specified therein, the applicable Borrower will forthwith upon demand by the Agent or the applicable Issuing Bank deposit into a cash collateral account maintained by and in the name of the Agent or the applicable Issuing Bank funds in the applicable currency in the amount of the Advance constituted by such Letter of Credit and such funds (together with interest thereon) will be held by the Agent or the applicable Issuing Bank for payment of the liability of the applicable Borrower pursuant to this Section 5.16 or otherwise in respect of such Letter of Credit so long as such Issuing Bank has or may in any circumstance have any liability under such Letter of Credit, and, pending such payment, shall bear interest at the Agent's or the applicable Issuing Bank, as applicable then prevailing rate in respect of deposits of similar amounts and of similar periods of time. Any balance of such funds and interest remaining at such time as the applicable Issuing Bank does not have and may never have any liability under such Letter of Credit will nevertheless continue to be held by the Agent or the applicable Issuing Bank, if and so long as any Default or Event of Default is continuing or after a demand for repayment is made or both, as security for the remaining liabilities of the applicable Borrower hereunder. The Agent or the applicable Issuing Bank, as applicable, shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of such funds by a Borrower with the Agent or the applicable Issuing Bank as herein provided will not operate as a repayment of the U.S. Operating Facility or the Swingline Commitment, as applicable, until such time as such funds are actually paid to the U.S. Operating Lenders or the Swingline Lender, as applicable, as a principal repayment.
- (g) The Issuing Bank and the Agent, in the case of Letters of Credit issued under the U.S. Operating Facility, and the Swingline Lender, in the case of Letters of Credit issued under the Swingline, shall each maintain records showing the undrawn and unexpired amount of each Letter of Credit outstanding under such Facility, and showing for each such Letter of Credit:
- (i) the dates of issuance and expiration thereof;
 - (ii) the amount thereof; and
 - (iii) the date and amount of all payments made thereunder.

The Issuing Bank and the Agent shall make copies of such records in the respect of Letters of Credit issued under the U.S. Operating Facility available to the U.S. Borrower and the U.S. Operating Lenders upon request. The Swingline Lender, shall make copies of such records in respect to Letters of Credit issued under the

Swingline available to the Canadian Borrower, the Agent and the Canadian Operating Lenders upon request.

5.17 Eligible Approved Contracts

The Canadian Borrower may request, from time to time and by written notice to the Agent, that the Agent designate additional contracts of the Credit Parties (the “**Additional Contracts**”) as Eligible Approved Contracts, provided that, any such notice shall only be given concurrently with the delivery of a Borrowing Base Certificate pursuant to 7.4.1(a) and such notice shall include a true and correct copy of each Additional Contract.

If an Additional Contract is in a form (a) previously approved by the Lenders or (b) in respect of which the Agent has previously received a legal opinion opining that such contract or agreement is valid and enforceable under the governing law thereof, then such Additional Contract shall be designated by the Agent as an Eligible Approved Contract as of the date of the notice referred to above, otherwise, such Additional Contract shall not be designated as an Eligible Approved Contract until such time as the Agent has received an opinion of legal counsel opining that such contract or agreement is valid and enforceable under the governing law thereof, which opinion is in form and substance satisfactory to the Agent and is delivered by legal counsel acceptable to the Agent (in each case acting reasonably).

ARTICLE 6 REPRESENTATIONS AND WARRANTIES

6.1 Representations and Warranties

Each Borrower jointly and severally hereby represents and warrants to the Agent and the Lenders as follows, with respect to itself and, in the case of the Canadian Borrower, also with respect to each Credit Party:

6.1.1 *Status.* It has been duly incorporated, amalgamated, constituted, formed or established as the case may be, and is validly subsisting under the Laws of its governing jurisdiction and is up to date in respect of all corporate or similar filings and has all necessary corporate power, capacity and authority to carry on its business in each jurisdiction where it carries on business except, in the case of other jurisdiction, to the extent the failure to do so would reasonably be expected to have a Material Adverse Effect.

6.1.2 *Information.* As of the date hereof, Schedule 6.1.2 contains the following information in respect of each Credit Party and each Subsidiary thereof as of the Amendment and Restatement Date: predecessors and prior names (within the immediately preceding five years), jurisdiction of incorporation or establishment, present governing jurisdiction, registered office, chief executive office, all locations at which it has owned or leased places of business or maintained a material amount of assets (other than assets temporarily out of a Credit Party’s custody or possession, including assets on the premises of others and items in transit) the number and classes of its issued and outstanding shares and a list of its shareholders including the number and class of shares

held by each. All material records related to the Credit Party's Receivables are located at those certain chief executive offices as identified in Schedule 6.1.2, as may be updated from time to time.

6.1.3 *Subsidiaries.* As of the Amendment and Restatement Date, neither Holdco nor the Canadian Borrower has any Material Subsidiaries or other Subsidiaries other than as set out in Schedule 6.1.3 and 100% of the issued and outstanding shares of each Material Subsidiary are directly or indirectly owned by the Canadian Borrower.

6.1.4 *No Pending Corporate Changes.* As of the Amendment and Restatement Date, no Person has any agreement or option or any right or privilege (whether by law, pre-emptive or contractual) capable of becoming an agreement for the purchase of any properties or assets of any Credit Party out of the ordinary course of business or for the purchase, subscription, allotment or issuance of any debt or equity securities, including convertible securities, warrants or convertible obligations of any nature, of the Canadian Borrower.

6.1.5 *No Conflicts under Material Agreements or Material Permits.* Except as disclosed in Schedule 6.1.5, the execution and delivery by each Credit Party of those Credit Documents to which it is a party, will not conflict with, result in a breach of or require any approval or consent under any Material Agreement or Material Permit, other than consents or approvals which have been obtained unconditionally and without imposition of any material conditions.

6.1.6 *No Conflict with Charter Documents.* There are no provisions contained in the charter documents, or by-laws of any Credit Party, or any partnership agreement, shareholders' agreement, voting trust agreement or similar agreement relating thereto or in any Material Agreement or Material Permit, which restrict or limit its powers to borrow money, issue debt obligations, guarantee the payment or performance of the obligations of others or encumber all or any of its present and after-acquired property; or which would be contravened by the execution and delivery of those Credit Documents to which any Credit Party is a party or the performance by any Credit Party of its obligations thereunder and which contravention would reasonably be expected to result in Material Adverse Change.

6.1.7 *Credit Documents.* Each Credit Party has the necessary capacity, power, legal right and authority to borrow from the Lenders, guarantee payment to the Agent and the Lenders of those Obligations which are payable by the Borrowers, perform its obligations under the Credit Documents and provide the Security required to be provided by it hereunder. The execution and delivery of the Credit Documents by the Credit Parties and the performance of their respective obligations therein have been duly authorized by all necessary corporate or other action. This Agreement and the other Credit Documents constitute legal, valid and binding obligations of the Credit Parties, enforceable against them in accordance with the terms and provisions thereof, subject to Laws of general application affecting creditors' rights and the discretion of the court in awarding equitable remedies.

6.1.8 *Conduct of Business; Compliance with Laws and Material Permits.* Except as disclosed in Schedule 6.1.8, each Credit Party is in compliance in all material respects with all Applicable Laws of each jurisdiction in which it carries on business and is duly licensed, registered and qualified to do business and is in good standing in each jurisdiction in which the nature of the business conducted by it or the property owned or leased by it make such qualification necessary, except to the extent that the failure to hold any such licences, registrations and permits would not constitute a Material Adverse Change. Schedule 6.1.8 contains a true and complete list of all Material Permits, and all such Material Permits are valid and subsisting and in good standing.

6.1.9 *Ownership of Assets; Permitted Liens.* Each Credit Party has good and marketable title to (or a valid leasehold interest in) and owns and possesses its undertaking, property and assets (other than intellectual property) (or has a valid leasehold interest in) free and clear of any and all Liens except for Permitted Liens. No Credit Party has any commitment or obligation (contingent or otherwise) to grant any Liens except for Permitted Liens. No event has occurred which constitutes, or which with the giving of notice, lapse of time or both would constitute, a default under any specific Permitted Lien, which default would reasonably be expected to result in a Material Adverse Change.

6.1.10 *Leased Properties.* As of the date hereof, Schedule 6.1.10 contains a true and complete list of the Leased Properties.

6.1.11 *Intellectual Property.* Each Credit Party possesses or has the exclusive right to use all patents, patent rights, trademarks, trademark rights, trade names, trade name rights, service marks, service mark rights, copyrights and other forms of intellectual property material to the conduct of its business, each of which is in good standing in all material respects, and, to its knowledge, has the right to use such intellectual property without violation of any material rights of others with respect thereto, except, in each case, as would not reasonably be expected to have a Material Adverse Effect. Schedule 6.1.11 contains a list of all such Credit Party's owned material, registered and pending trademarks, service marks, patents and copyrights (excluding commercially available software) as of the Amendment and Restatement Date.

6.1.12 *Insurance.* The Credit Parties have (a) placed insurance, including property, boiler and machinery, business interruption and liability insurance, in appropriate amounts and for appropriate risks as would be considered prudent for similar businesses, and (b) placed Account Receivable Insurance. Attached hereto as Schedule 6.1.12 is a true and complete list of all insurance policies (including the Account Receivable Insurance) held by the Credit Parties as of the Amendment and Restatement Date.

6.1.13 *Material Agreements.* As of the date hereof, Schedule 6.1.13 contains a true and complete list of all Material Agreements, including a description of the nature of each Material Agreement. Each Material Agreement is in full force and effect; and none of the Credit Parties is in breach of any of the terms or conditions contained therein, in each case, which would reasonably be expected to have a Material Adverse Effect. Except as disclosed in writing to the Agent and as permitted hereby, no Material Agreement has

been materially amended, supplemented or revised in any manner adverse to the Lenders since the date of execution thereof.

6.1.14 *Labour Agreements.* Except as disclosed in Schedule 6.1.14, there are no labour agreements in effect between any of the Credit Parties and any labour union or employee association and the Credit Parties are not under any obligation to assume any labour agreements to or conduct negotiations with any labour union or employee association with respect to any future agreements; and the Credit Parties are not aware of any current attempts to organize or establish any such labour union or employee association which, in each case, would reasonably be expected to result in a Material Adverse Effect.

6.1.15 *Environmental Laws.* Each Credit Party and its business, operations, assets, equipment, property, leaseholds and other facilities is in compliance with all applicable Requirements of Environmental Law, specifically including all applicable Requirements of Environmental Law concerning the storage and handling of Hazardous Materials except where the failure to do so would not reasonably be expected to result in a Material Adverse Change. Each Credit Party holds all permits, licenses, certificates and approvals from Governmental Authorities which are required by the applicable Requirements of Environmental Law in connection with (i) air emissions; (ii) discharges to surface or groundwater; (iii) noise emissions; (iv) solid or liquid waste disposal; (v) the use, generation, storage, transportation or disposal of Hazardous Materials; and (vi) all other applicable Requirements of Environmental Law, except in each case where the failure to do so would reasonably be expected to result in a Material Adverse Change. Except as disclosed in Schedule 6.1.15 to the knowledge of the Credit Parties there has been no emissions, spills, releases, or discharges into or upon (i) the air; (ii) soils, or any improvements located thereon; (iii) surface water or groundwater; or (iv) any sewer, septic system or waste treatment, storage or disposal system servicing the premises, of any Hazardous Materials at or from any Land owned by any Credit Party or any of the Leased Properties that would reasonably be expected to have a Material Adverse Effect. Except as disclosed in Schedule 6.1.15 no complaint, order, directive, claim, citation, or notice from any Governmental Authority or any other Person has been received by any Credit Party with respect to (i) air emissions; (ii) spills, releases, or discharges to soils or improvements located thereon, surface water, groundwater or any sewer, septic system or waste treatment, storage or disposal systems servicing any Land owned by any Credit Party or any of the Leased Properties; (iii) noise emissions; (iv) solid or liquid waste disposal; (v) the use, generation, storage, transportation, or disposal of Hazardous Materials; or (vi) other applicable Requirements of Environmental Law affecting any Land owned by any Credit Party or the Leased Properties, in each case, which would reasonably be expected to result in a Material Adverse Change. Except as disclosed in Schedule 6.1.15, there are no legal or administrative proceedings, investigations or claims outstanding or to the Credit Parties' knowledge now threatened or pending, with respect to the presence on or under, or the discharge, emission, spill, radiation or disposal into, upon or from any Land owned by any Credit Party or any of the Leased Properties of any Hazardous Material, including the discharge, emission, spill, radiation or disposal of any Hazardous Material from any such Land or Leased Properties onto or into the atmosphere or any adjacent land, watercourse or body of water; nor are there any material matters under discussion with any Governmental Authority relating thereto; and there is no

factual basis for any such proceedings, investigations or claims, in each case, which would reasonably be expected to result in a Material Adverse Change. The Credit Parties have no indebtedness, obligation or liability with respect to the storage, treatment, cleanup or disposal of any Hazardous Materials (including without limitation any such indebtedness, obligation, or liability under any applicable Requirements of Environmental Law regarding such storage, treatment, cleanup or disposal) which would reasonably be expected to result in a Material Adverse Change.

6.1.16 *No Litigation.* Except as disclosed in Schedule 6.1.16, there are no actions, suits or proceedings pending, or to the knowledge of the Credit Parties threatened in writing, against any Credit Party in any court or before or by any federal, provincial, state, municipal or other Governmental Authority, which would reasonably be expected to result in a Material Adverse Change.

6.1.17 *Pension Plans.* As of the Amendment and Restatement Date, the Credit Parties have not established any Pension Plans except as disclosed in Schedule 6.1.17. All of the Credit Parties' Pension Plans have been duly registered under Applicable Law. No steps have been taken to terminate any such Pension Plan (in whole or in part), no contribution failure has occurred with respect to any such Pension Plan sufficient to give rise to a Lien under any Applicable Laws of any jurisdiction, and no condition exists and no event or transaction has occurred with respect to any such Pension Plan, in each case, which would reasonably be expected to result in the incurrence by any Credit Party of any material liability, fine or penalty. Each such Pension Plan is in compliance in all material respects with all applicable pension benefits and tax laws, (i) all contributions (including employee contributions made by authorized payroll deductions or other withholdings) required to be made to the appropriate funding agency in accordance with all Applicable Laws and the terms of such Pension Plan have been made in accordance with all Applicable Laws and the terms of such Pension Plan, (ii) all liabilities under such Pension Plan are funded, on a going concern and solvency basis, in accordance with the terms of the respective Pension Plans, the requirements of applicable pension benefits laws and of applicable regulatory authorities and the most recent actuarial report filed with respect to the Pension Plan, and (iii) no event has occurred and no conditions exist with respect to any such Pension Plan that has resulted or would reasonably be expected to result in such Pension Plan having its registration revoked or refused for the purposes of any applicable pension benefits or tax laws or being placed under the administration of any relevant pension benefits regulatory authority or being required to pay any taxes or penalties under any applicable pension benefits or tax laws.

6.1.18 *ERISA Liabilities.* No ERISA Event has occurred or is reasonably expected to occur with respect to any Plan which would reasonably be expected to have a Material Adverse Effect. - (b) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, “thin capitalization” rules, tax restrictions (including tax thin capitalization issues), retention of title claims and similar principles may limit the ability of a Material Subsidiary to provide a Guarantee or other Security or may require that the Guarantee be limited by an amount or otherwise provided that the Canadian Borrower and the applicable Material Subsidiary will use reasonable endeavours to overcome such obstacles and to assist in demonstrating that adequate corporate benefit accrues to the relevant Guarantor;
- (c) the Security and extent of its perfection will be agreed on the basis that the cost to the Credit Parties of providing such Security shall be proportionate to the benefit accruing to the Lenders;
- (d) Material Subsidiaries will not be required to give Guarantees or enter into Security if that would conflict with the fiduciary duties of their directors or contravene any legal prohibition or result in a risk of personal or criminal liability on the part of an officer provided that the relevant Guarantor shall use reasonable endeavours to overcome any such obstacle;
- (e) perfection of security, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the relevant time periods specified herein or, if earlier or to the extent no such time periods are specified herein, within the time periods specified by applicable law in order to ensure due perfection, provided that the perfection of security granted will not be required if it would have a material adverse effect on the ability of the relevant Guarantor to conduct its operations and business in the ordinary course as otherwise permitted by this Agreement;
- (f) where a class of assets to be secured includes material and immaterial assets, if the cost of granting Security over the immaterial assets is disproportionate to the benefit of such Security, security will be granted over the material assets only.

10.3 Acceleration of Certain Contingent Obligations

Upon the occurrence of an Event of Default which is continuing, any Lender which has issued a Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit or entered into a Hedging Agreement with Credit Party may make a Canadian Dollar Prime Rate Loan, a U.S. Dollar Base Rate Loan or a U.S. Dollar Prime Rate Loan, as applicable, to a Borrower in an amount equal to the face amount of such Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit, or the amount required to unwind such Hedging Agreement (such amount to be determined in accordance with the terms thereof), as the case may be; and the proceeds of any such Loan shall be held by such Lender and used to satisfy the Lender's obligations under the said Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit as such becomes due, or to effect the unwinding of such Hedging Agreement. Nothing contained in the Credit Documents will require the Agent or a Lender to exercise any right, or will affect the right of the Agent or a Lender to exercise and retain the benefits of exercising any right, with respect to any Obligations existing otherwise than pursuant to the Credit Documents.

10.5 Attorney in Fact

Each Borrower hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of such Borrower and in the name of such Borrower or in its own name, from time to time in the Agent's discretion, for the purpose of carrying out the terms of the Credit Documents, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of the Credit Documents and which such Borrower being required by the terms thereof to take or execute has failed to take or execute; provided, that this power of attorney will not be effective until the occurrence and during the continuance of any Event of Default. Each Borrower hereby ratifies all that said attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and will be irrevocable until all of the Obligations under the Credit Documents have been unconditionally and irrevocably paid and performed in full. Each Borrower also authorizes the Agent, at any time and from time to time following the occurrence and during the continuance of any Event of Default, to execute any endorsements, assignments or other instruments of conveyance or transfer pursuant to the Security. If requested by the Agent, each Borrower will cause each other Credit Party to constitute and appoint the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact in accordance with the foregoing provisions of this Section 10.5.

10.6 Appropriation of Monies

After the occurrence and during the continuation of an Event of Default, the Agent may from time to time apply any Proceeds of Realization against any portion or portions of the Obligations, and the Borrowers may not require any different application. The taking of a judgment or any other action or dealing whatsoever by the Agent or the Lenders in respect of the Security shall not operate as a merger of any of the Obligations hereunder or in any way affect or prejudice the rights, remedies and powers which the Agent or the Lenders may have, and the foreclosure, surrender, cancellation or any other dealing with any Security or the said obligations shall not release or affect the liability of the Borrowers or any other Person in respect of the remaining portion of the Obligations.

10.7 No Further Advances

The Lenders shall not be obliged to make any further Advances (including honouring any cheques drawn by a Borrower which are presented for payment) from and after the earliest to occur of the following: (a) delivery by the Agent to the Borrowers of a written notice that a Default or an Event of Default has occurred and is continuing and that as a result thereof no further Advances will be made (whether or not such notice also requires immediate repayment of the Obligations) and (b) the occurrence and continuance of an Event of Default under Section 10.1(h).

10.8 Remedies Cumulative

All of the rights and remedies granted to the Agent and the Lenders in this Agreement, and any other Credit Documents or instruments in existence between the Parties or contemplated hereby, and any other rights and remedies available to the Agent and the Lenders at law or in equity, shall be cumulative. The exercise or failure to exercise any of the said remedies shall not constitute a waiver or release thereof or of any other right or remedy, and shall be non-exclusive.

10.9 Performance of Covenants by Agent

If a Credit Party fails to perform any covenant or obligation to be performed by it pursuant to this Agreement, the Agent, at the request of the Required Lenders (in their sole discretion), after written notice to the Borrowers, perform any of the said obligations but shall be under no obligation to do so; and any amounts expended or advanced by the Agent for such purpose shall be payable by the Borrowers upon demand, together with interest thereon at the highest rate then applicable to the Facilities.

10.10 Purchase of Participation Following Acceleration

After all Obligations are declared by the Agent to be due and payable pursuant to Section 10.2, (i) each Lender agrees that it will at any time or from time to time thereafter at the request of the Agent as required by any Lender, purchase at par on a non-recourse basis a participation in the Outstanding Advances owing to each of the other Lenders under the Operating Facilities and make any other adjustments as are necessary or appropriate, in order that the Outstanding Advances owing to each of the Lenders under the Operating Facilities, as adjusted pursuant to this Section 10.10, will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; (ii) the amount of any repayment made by or on behalf of the Credit Parties under the Credit Documents or any proceeds received by the Agent or the Lenders pursuant to Section 11.7 will be applied by the Agent in a manner such that to the extent possible the amount of the Outstanding Advances owing to each Lender under the Operating Facilities after giving effect to such application will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; provided that: (i) HSBC US shall not purchase any participation under this Section 10.10 from HSBC Bank Canada (and provided that for certainty, the foregoing proviso shall not affect the obligations of HSBC US to any of the other

Lenders under this Section 10.10); and (ii) if Applicable Laws or a Lender's internal regulations and policies prohibits such Lender from purchasing a participation in Outstanding Advances owing by a Borrower other than the Canadian Borrower, such Lender shall not be required to purchase a participation in the Outstanding Advances owing by such Borrower, provided that such Lender hereby indemnifies the other Lenders for its Proportionate Share of such Outstanding Advances as if such purchase had occurred.

ARTICLE 11 ADMINISTRATION OF THE FACILITIES

11.1 Authorization and Action

Each Lender hereby irrevocably appoints and authorizes the Agent to be its agent in its name and on its behalf and to exercise such rights or powers granted to the Agent or the Lenders under the Credit Documents to the extent specifically provided therein and on the terms thereof, together with such powers and authority as are reasonably incidental thereto. As to any matters not expressly provided for by the Credit Documents, the Agent will not be required to exercise any discretion or take any action, but will be required to act or to refrain from acting (and will be fully indemnified and protected by the Lenders to the greatest extent permitted by Law in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions will be binding upon all Lenders; provided, however, that the Agent will not be required to take any action which, in the opinion of the Agent, might expose the Agent to liability in such capacity, which could result in the Agent incurring any costs and expenses, or which is contrary to the spirit and intent of this Agreement.

11.2 Decision-Making

11.2.1 Any amendment to this Agreement relating to the following matters shall require the unanimous agreement of the Lenders:

- (a) decreases in interest rates or fees payable in respect of any Facility;

- (i) any amendment, modification or elimination the definition of Borrowing Base or any of the defined terms that are used in such definition to the extent that any such change results in more credit being made available to the Borrowers based upon the Borrowing Base, but not otherwise;
- (j) any change to Sections 11.8.1, 11.9(b) or any other provision regarding the allocation of payments to the Lenders under this Agreement; and
- (k) this Section 11.2;

provided, that (A) any change to Section 2.6.1(i) or Article 11 will also require the consent of the Agent, (B) any change to Sections 4.6.1(c) and 4.7 (and the related definitions referenced therein) will require the consent of the Issuing Bank under the U.S. Operating Facility and the Agent, (C) any change to Sections 2.6.1(b) and 2.7 (and the related definitions referenced therein) will require the consent of the Swingline Lender and the Agent, (D) any change to Section 5.16 (and the related definitions referenced therein) will require the consent of each Issuing Bank and the Agent (E) any increase to the individual commitment amount of a Lender under a Facility can only be made with the consent of such Lender; and (F) any other change which only effects the Canadian Operating Lenders, the U.S. Operating Lenders, the Canadian Operating Lenders, Term Lenders, the Issuing Bank, the Swingline Lender or the Agent, respectively, shall only require the consent of the affected Persons.

11.2.2 Except for the matters described in Section 11.2.1 above, any amendment to this Agreement or the other Credit Documents shall be effective if made among the Borrower and the Required Lenders, and for greater certainty any such amendment which is agreed to by the Required Lenders shall be final and binding upon all Lenders.

11.2.3 Except for the matters which require the unanimous consent of the Lenders as set out above, any action to be taken or decision to be made by the Lenders pursuant to this Agreement (specifically including for greater certainty the issuance of written notice to the Borrower of the occurrence of a Default or Event of Default, the issuance of a demand for payment of the Obligations, a decision to make an Advance despite any condition precedent relating thereto not being satisfied, the provision of any waiver in respect of a breach of any covenant or the issuance of any consent which may be required under Section 7.2) shall be effective if approved by the Required Lenders; and any such decision or action shall be final and binding upon all the Lenders.

11.2.4 Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be unanimous shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by all of the Lenders. Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be made by the Required Lenders shall be made at

a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by the Required Lenders. Any instrument contemplated in this Section 11.2.4 may be executed by fax or pdf and in counterparts.

11.2.5 Subject to Section 8.5(b), the Agent may from time to time without notice to or the consent of the Lenders execute and deliver partial releases of the Security in respect of any item of Collateral (whether or not the proceeds of sale thereof are received by the Agent) which the Credit Parties are permitted to dispose of in connection with a Permitted Disposition; and in releasing any such Security the Agent may rely upon and assume the correctness of all information contained in any certificate or document provided by any one or more of the Borrowers, without further enquiry. Otherwise, any release or discharge in respect of the Security or any portion thereof shall require the written consent of the Lenders acting unanimously.

11.3 Procedure for Making Advances

11.3.1 Subject to Section 11.8.3, all Advances under each Facility will be made in accordance with each Lender's Proportionate Share of such Advance under such Facility.

11.3.2 The Lenders, through the Agent, will make Advances under a Facility available to the Borrower as required hereunder by debiting the account of the Agent to which each Lender's Proportionate Share in respect of each Facility of such Advances has been credited (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrowers in writing, by transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrowers as set forth in the a Drawdown Request, Conversion Notice or Rollover Notice, as the case may be, in respect of each Advance under each Facility; provided, that the obligation of the Agent hereunder will be limited to taking such steps as are in keeping with its normal banking practice and which are commercially reasonable in the circumstances to implement such instructions, and the Agent will not be liable for any damages, claims or costs which may be suffered by the Borrowers or any of the Lenders and occasioned by the failure of such funds to reach their designated destination, unless such failure is due to the gross negligence or wilful misconduct of the Agent.

11.4 Failure to Fund

11.4.1 Unless the Agent has actual knowledge that a Lender has not made or will not make available to the Agent for value on the date of any Advance the applicable amount required from such Lender hereunder, the Agent shall be entitled to assume that such amount has been or will be received from such Lender when so due and the Agent may (but shall not under any circumstances be obliged to), in reliance upon such assumption, make available to the applicable Borrower a corresponding amount (except that no such amount shall be made available to the applicable Borrower in the case of a deemed Advance). If such amount is not in fact received by the Agent from such Lender on such date and the Agent has made available a corresponding amount to the applicable Borrower on such date as aforesaid (or is deemed to have made an Advance to the applicable Borrower in such amount), such Lender shall pay to the Agent on demand an

amount equal to the aggregate of the applicable amount required from such Lender hereunder plus an amount equal to the product of (a) the rate per annum applicable to overnight deposits made with the Agent for amounts approximately equal to the amount required from such Lender multiplied by (b) the amount that should have been paid to the Agent by such Lender on such date and was not, multiplied by (c) a fraction, the numerator of which is the number of days that have elapsed from and including such date to but excluding the date on which the amount is received by the Agent from such Lender and the denominator of which is 365 or 366 days, as the case may be, in the case of all Advances. A certificate of the Agent containing details of the amount owing by a Lender under this Section shall be binding and conclusive in the absence of manifest error. If any such amount is not in fact received by the Agent from such Lender on such date, the Agent shall be entitled to recover from the applicable Borrower, on demand, the related amount made available by the Agent to such Borrower as aforesaid together with interest thereon at the applicable rate per annum payable by such Borrower hereunder.

11.4.2 Notwithstanding the provisions of Section 11.4.1, if any Lender fails to make available to the Agent its Proportionate Share of any Advance, which for greater certainty includes a deemed Advance hereunder (such Lender being herein called the “**Non-Paying Lender**”), the Agent shall forthwith give notice of such failure by the Non-Paying Lender to the applicable Borrower (except where such failure relates to a deemed Advance) and to the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Paying Lender’s Proportionate Share of such Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Paying Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Paying Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the “**Contributing Lenders**” and individually called the “**Contributing Lender**”) are prepared to make available exceeds the amount of the Advance which the Non-Paying Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Proportionate Share of such Advance based on the Contributing Lenders’ relative commitments to advance in such circumstances. If any Contributing Lender makes funds available in the place of a Non-Paying Lender in such circumstances, then the Non-Paying Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to such Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the applicable Borrower. The failure of any Lender to make available to the Agent its Proportionate Share of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Proportionate Share of any Advance as required herein.

11.5 Defaulting Lenders and Replacement of Lenders

11.5.1 Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) the standby fees payable to a Defaulting Lender hereunder shall cease to accrue on the unused portion of its Commitment under any Operating Facility, as applicable;
- (b) a Defaulting Lender shall not be included in determining whether, and the Commitment and the Proportionate Share of the Outstanding Advances of such Defaulting Lender under the Facilities, or any of them, shall not be included in determining whether, all Lenders or the Required Lenders, have taken or may take any action hereunder; provided, that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;
- (c) subject to Section 11.4.1, for the purposes of any Advance requested hereunder while there is a Defaulting Lender, each Lender's Proportionate Share thereof shall be calculated based on such Lender's (A) Commitment relative to the total Commitment under the applicable Facility reduced by the Commitment of the Defaulting Lender;
- (d) the Agent, the Swingline Lender or the Issuing Bank may require such Defaulting Lender to pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent an amount equal to such Defaulting Lender's maximum contingent obligations hereunder to the Agent, the Swingline Lender or the Issuing Bank, as the case may be (provided that the foregoing shall not apply to Export Development Canada to the extent such a deposit is unlawful under the *Financial Administration Act* (Canada));
- (e) the Agent may withhold any payments owing to such Defaulting Lender for set off against such Defaulting Lender's existing or reasonably foreseeable future obligations hereunder; and
- (f) for the avoidance of doubt, the Borrowers shall retain and reserve their other rights and remedies respecting each Defaulting Lender.

11.5.2 If a Lender is a Defaulting Lender or refuses to give timely consent to an amendment, modification or waiver of this Agreement that, pursuant to Section 11.2, requires consent of all the Lenders (and the consent of the Required Lenders has been given with respect thereto) (a "**Non-Consenting Lender**") (collectively, the "**Departing Lenders**"), then the Borrowers may:

- (a) replace the Departing Lender with another financial institution acceptable to the Agent, the Swingline Lender and the Issuing Bank, each acting reasonably, who purchases at par, or such lower price as the Departing Lender may agree in its sole discretion, the Outstanding Advances and other amounts under all Facilities owing to the Departing Lender and such Lender's entire Commitment and assumes the Departing Lender's Commitment and all other obligations of the Departing Lender hereunder; provided, that prior to or concurrently with such replacement:

- (i) the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of replacement and a release from any further obligations to make Advances under the Credit Documents after the date of such replacement;
 - (ii) the assignment fee required to be paid by Section 13.6.2 shall have been paid to the Agent;
 - (iii) all of the other requirements for such assignment contained herein shall have been satisfied, including the consent of the Agent, the Swingline Lender and the Issuing Bank and the receipt by the Agent of such agreements, documents and instruments as the Agent may reasonably require; and
 - (iv) in the case of a Departing Lender who is a Non-Consenting Lender, each assignee consents, at the time of such assignment, to each matter in respect of which such Non-Consenting Lender was a Non-Consenting Lender and the Borrowers also requires each other Lender that is a Non-Consenting Lender to assign the Outstanding Advances owing to it under each Facility and its Commitment; or
- (b) provided, no Default or Event of Default exists at such time, elect to terminate the Departing Lender's Commitment, in which case the Commitment in respect of each Facility shall be reduced by an amount equal to the amount of any Commitment of such Facility so cancelled (provided, that prior to or concurrently with such cancellation the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of cancellation (including breakage and other costs in accordance with Sections 5.10.4 and 5.14) and a release from any further obligations to make Advances under the Credit Documents after such termination); or
- (c) exercise any combination of the rights under (a) and (b) above; provided, that in each case, each Departing Lender is treated ratably with the other Departing Lenders, if any.

11.6 Security and Exercise of Remedies

11.6.1 Except to the extent provided in Section 11.6.2, the Security shall be granted in favour of and held by the Agent for and on behalf of the Lenders in accordance with the provisions of this Agreement. The Agent shall, in accordance with its usual practices in effect from time to time, take all steps required to perfect and maintain the Security to the extent required hereunder, including: taking possession of the certificates representing the securities required to be pledged hereunder to the extent required hereunder; filing renewals and change notices in respect of such Security; and ensuring that the name of the Agent is noted as loss payee or mortgagee on all property insurance policies covering the Collateral. If the Agent becomes aware of any matter concerning the Security which it considers to be material, it shall promptly inform the Lenders. The Agent shall comply

with all instructions provided by the Lenders or the Required Lenders, as the case may be, in connection with the enforcement or release of the Security which it holds. The Agent agrees to permit each Lender to review and make photocopies of the original documents comprising the Security from time to time upon reasonable notice. The Agent is hereby authorized to enter into the Subordination Agreement on behalf of the Lenders and to any subordination and postponement agreements in respect of Subordinated Debt from time to time to the extent the same is permitted hereunder. Each Lender further authorizes the Agent to execute on its behalf, directly or through attorneys-in-fact duly appointed for such purposes, and to accept the benefits of, each of the Security governed under the laws of the Republic of Colombia and any other agreements or documents as may be necessary or advisable in connection with the grant of, or attachment or perfection of, modification, supplement or waiver under any of, the security interest granted to the Agent, for the benefit of the Lenders, pursuant to the Security governed under the laws of the Republic of Colombia. The Lenders and the other Secured Parties authorize the Agent to release any Collateral or Guarantors in accordance with Section 13.21 or if approved, authorized or ratified in accordance with Section 11.2.1. The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Agent to, without any further consent of any Lender, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the Encina Intercreditor Agreement and the Wells Fargo Letter to the extent this Agreement does not otherwise require the consent of the Required Lenders or all Lenders therefor.

11.6.2 If any Credit Party has provided security in favour of any Lender directly, except for Permitted Purchase-Money Security Interests and Permitted Liens, such Lender agrees to pay to the Agent all amounts received by it in connection with the enforcement of such security, and all such amounts shall be deemed to constitute Proceeds of Realization and shall be dealt with as provided in Section 11.7.

11.6.3 Except as otherwise provided herein, each Lender hereby acknowledges that, to the extent permitted by Applicable Law, rights and remedies provided under the Credit Documents to the Lenders are for the benefit of the Lenders collectively and not severally and further acknowledges that its rights and remedies thereunder are to be exercised not severally but collectively through the Agent upon the decision of the Lenders (with the required majority or unanimity as herein provided), regardless of whether acceleration of Obligations hereunder was made, and accordingly, notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it will not be entitled to take any action with respect to the Facilities, including any acceleration of Obligations thereunder, but that any such action will be taken only by the Agent with the prior written direction of the Lenders (with the required majority or unanimity as herein provided). Notwithstanding the foregoing or anything else set forth herein to the contrary, in the absence of written instructions from the Lenders, and where in the sole opinion of the Agent the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the circumstances. Each of the Lenders hereby covenants and agrees that it has not heretofore and will not seek, take, accept or receive any Liens in respect of any of the Obligations of the Credit Parties under the Credit Documents and will not enter into any agreement with any of the Parties relating in any manner

whatsoever to the Facilities, unless all of the Lenders under the Facilities will at the same time obtain the benefit of any such security or agreement, as the case may be.

11.7 Application of Proceeds of Realization

Notwithstanding any other provision of this Agreement, the Proceeds of Realization of the Security or any portion thereof shall be distributed in the following order:

- (a) firstly, in payment of all costs and expenses incurred by the Agent and the Lenders in connection with such realization, including legal, accounting and receivers' fees and disbursements;
- (b) secondly, against the Obligations (including Secured Hedging Liabilities but excluding any other Hedging Liabilities in excess thereof, and, for certainty, excluding any Hedging Liabilities which are owed to a counterparty other than a Lender or Affiliate thereof), each Lender being entitled to receive its Proportionate Share thereof;
- (c) thirdly, against all Hedging Liabilities which are owing to any Lender or Affiliate thereof in excess of Secured Hedging Liabilities; and
- (d) fourthly, if all Obligations of the Borrowers listed above and all other Hedging Liabilities owing to any Lender or Affiliate thereof have been paid and satisfied in full, any surplus Proceeds of Realization shall be paid in accordance with Applicable Law.

11.8 Payments by Agent

11.8.1 The following provisions shall apply to all payments made by the Agent to the Lenders hereunder:

- (a) the Agent shall be under no obligation to make any payment (whether in respect of principal, Interest, fees or otherwise) to any Lender until an amount in respect of such payment has been received by the Agent from a Credit Party;
- (b) if the Agent receives a payment of principal, Interest, fees or other amount owing by any Borrower under a Facility which is less than the full amount of any such payment due, the Agent shall distribute such amount received among the Lenders under such Facility in each Lender's Proportionate Share of such Facility;
- (c) if the Agent receives payments in respect of principal, Interest, fees or other amounts owing by a Borrower under more than one Facility which are due on the same day, and if the amounts received are insufficient to satisfy all payments required under such Facilities on such day, the Agent shall, except as otherwise specifically set forth herein, distribute such amounts received among the Lenders under such Facilities in each Lender's Proportionate Share of such Facilities;

- (d) if any Lender has advanced more or less than its Proportionate Share of its Commitment under a Facility, such Lender's entitlement to such payment shall be increased or reduced, as the case may be, in proportion to the amount actually advanced by such Lender;
- (e) if a Lender's Proportionate Share of an Advance under a Facility has been advanced for less than the full period to which any payment by any Credit Party relates, such Lender's entitlement to receive a portion of any payment of interest or fees shall be reduced in proportion to the length of time such Lender's Proportionate Share has actually been outstanding;
- (f) the Agent acting reasonably and in good faith shall, after consultation with the Lenders in the case of any dispute, determine in all cases the amount of all payments to which each Lender is entitled and such determination shall be deemed to be *prima facie* correct;
- (g) upon request by a Lender, the Agent shall deliver a statement detailing any of the payments to the Lenders referred to herein;
- (h) all payments by the Agent to a Lender hereunder shall be made to such Lender at its address set out herein unless notice to the contrary is received by the Agent from such Lender; and
- (i) if the Agent has received a payment from a Credit Party on a Business Day (not later than the time required for the receipt of such payment as set out in this Agreement) and fails to remit such payment to any Lender entitled to receive its Proportionate Share of such payment on such Business Day, the Agent agrees to pay interest on such late payment at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

11.8.2 Each Borrower hereby irrevocably authorizes the Agent to debit any account maintained by it with the Agent after written notice to such Borrower in order to make payments to the Lenders or the Agent of any amount that is overdue and payable hereunder for the purposes of satisfying payment thereof.

11.8.3 The Agent may in its discretion from time to time make adjustments in respect of any Lender's share of an Advance, Conversion, Rollover or Repayment under a Facility in order that the Outstanding Advances due to such Lender under such Facility shall be approximately in accordance with such Lender's Proportionate Share of the Facility.

11.9 Redistribution of Payment

Each Lender agrees that, subject to Section 10.4:

- (a) If it exercises any right of counterclaim, set off, bankers' lien or similar right with respect to any property of any Credit Party or if under Applicable Law it receives a secured claim, it will apportion the amount thereof proportionately between:

- (i) amounts outstanding at the time owed by the Credit Party to such Lender under this Agreement, which amounts will be applied in accordance with this Section 11.9; and
- (ii) amounts otherwise owed to it by a Credit Party;

provided, that any cash collateral account held by such Lender as collateral for a letter of credit or bankers' acceptance (including a Bankers' Acceptance) issued or accepted by such Lender on behalf of a Credit Party may be applied by such Lender to such amounts owed by such Credit Party to such Lender pursuant to such letter of credit or in respect of any such bankers' acceptance without apportionment.

- (b) If it receives, through the exercise of a right or the receipt of a secured claim described in Section 11.9(a) or otherwise, payment of a proportion of the aggregate amount of principal, interest and fees due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest and fees due in respect of the applicable Facility (having regard to the respective proportionate amounts advanced as Advances by each of the Lenders under the applicable Facility), the Lender receiving such proportionately greater payment will purchase a participation (which will be deemed to have been done simultaneously with receipt of such payment) in that portion of the applicable Facility of the other Lenders so that their respective receipts will be *pro rata* to their respective Proportionate Shares; provided, however, that, if all or part of such proportionately greater payment received by such purchasing Lender is otherwise recovered by it, such purchase will be rescinded and the purchase price for such participation will be returned to the extent of such recovery, but without interest. Such Lender will exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 11.9 to share in the benefits of any recovery on such secured claims.
- (c) If it does any act or thing permitted by Section 11.9(a) or 11.9(b), it will promptly provide full particulars thereof to the Agent.
- (d) Except as permitted under Section 11.9(a) or 11.9(b), no Lender will be entitled to exercise any right of counter claim, set off, bankers' lien or similar right without the prior written consent of the other Lenders.
- (e) Notwithstanding anything else in this Section 11.9, any amounts which are lawfully received by any Hedge Provider in respect of Hedging Liabilities prior to the delivery by the Agent of a declaration of all Obligations becoming due pursuant to Section 11.9 are not required to be shared pursuant to the provisions of this Section 11.9.
- (f) The provisions of this Section 11.9 shall survive repayment of the Obligations.

11.10 Protection of Agent

11.10.1 Unless the Agent has actual knowledge or actual notice to the contrary, it may assume that each Lender's address set out in Exhibit "A" attached hereto is correct, unless and until it has received from such Lender a notice designating a different address.

11.10.2 The Agent may engage and pay for the advice or services of any lawyers, accountants or other experts whose advice or services may to it seem necessary, expedient or desirable and rely upon any advice so obtained (and to the extent that such costs are not recovered from the Credit Parties pursuant to this Agreement, each Lender agrees to reimburse the Agent in such Lender's Proportionate Share of such costs).

11.10.3 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely as to matters of fact which might reasonably be expected to be within the knowledge of any Credit Party upon a statement contained in any Credit Document.

11.10.4 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely upon any communication or document believed by it to be genuine.

11.10.5 The Agent may refrain from exercising any right, power or discretion vested in it under this Agreement unless and until instructed by the Required Lenders as to whether or not such right, power or discretion is to be exercised and, if it is to be exercised, as to the manner in which it should be exercised (provided, that such instructions shall be required to be provided by all of the Lenders in respect of any matter for which the unanimous consent of the Lenders is required as set out herein).

11.10.6 The Agent may refrain from exercising any right, power or discretion vested in it which would or might in its sole and unfettered opinion be contrary to any law of any jurisdiction or any directive or otherwise render it liable to any Person, and may do anything which is in its opinion in its sole discretion necessary to comply with any such law or directive.

11.10.7 The Agent may delegate to such other Person, such duties and responsibilities of the Agent hereunder as it shall determine to be appropriate in respect of dealings with or relating to any Credit Party or any other Person and in particular, the Agent may execute any of its duties under this Agreement or any other Credit Document (including, for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security or of exercising any rights and remedies thereunder) by sub-agent or attorney-in-fact. The Agent shall not be responsible for the negligence or misconduct of any sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct on the part of the Agent, as determined by a final and non-appealable judgment of a court of competent jurisdiction. The exculpatory provisions of this Agreement applicable to the Agent shall apply to any such other Person, sub-agent or attorney-in-fact and to the Affiliates of the Agent and any such sub-agent or attorney-in-fact, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Agent.

11.10.8 The Agent may refrain from acting in accordance with any instructions of the Required Lenders to begin any legal action or proceeding arising out of or in connection with this Agreement or take any steps to enforce or realize upon any Security, until it shall have received such security as it may reasonably require (whether by way of payment in advance or otherwise) against all costs, claims, expenses (including legal fees) and liabilities which it will or may expend or incur in complying with such instructions.

11.10.9 The Agent shall not be bound to disclose to any Person any information relating to the Credit Parties or any Related Parties if such disclosure would or might in its opinion in its sole discretion constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person.

11.10.10 The Agent shall not accept any responsibility for the accuracy or completeness of any information supplied in connection herewith or for the legality, validity, effectiveness, adequacy or enforceability of any Credit Document and shall not be under any liability to any Lender as a result of taking or omitting to take any action in relation to any Credit Document except in the case of the Agent's gross negligence or wilful misconduct.

11.11 Duties of Agent

The Agent shall:

- (a) hold and maintain the Security to the extent provided in Section 11.6;
- (b) provide to each Lender copies of all financial information received from the Credit Parties promptly after receipt thereof, and copies of any Drawdown Requests, Conversion Notices, Rollover Notices, Repayment Notices and other notices received by the Agent from the Credit Parties upon request by any Lender;
- (c) promptly advise each Lender of Advances required to be made by it hereunder and disburse all Repayments to the Lenders hereunder in accordance with the terms of this Agreement;
- (d) promptly notify each Lender of the occurrence of any Default or Event of Default of which the Agent has actual knowledge or actual notice;
- (e) at the time of engaging any agent, receiver, receiver-manager, consultant, monitor or other party in connection with the Security or the enforcement thereof, obtain the agreement of such party to comply with the applicable terms of this Agreement in carrying out any such enforcement activities and dealing with any Proceeds of Realization;
- (f) account for any monies received by it in connection with this Agreement, the Security and any other agreement delivered in connection herewith or therewith;
- (g) each time a Borrower requests the written consent of the Lenders in connection with any matter, use its best efforts to obtain and communicate to the Borrowers

the response of the Lenders in a reasonably prompt and timely manner having due regard to the nature and circumstances of the request;

- (h) give written notice to the Borrowers in respect of any other matter in respect of which notice is required in accordance with or pursuant to this Agreement, promptly or promptly after receiving the consent of the Required Lenders, if required under the terms of this Agreement;
- (i) except as otherwise provided in this Agreement, act in accordance with any instructions given to it by the Required Lenders;
- (j) if so instructed by the Required Lenders, refrain from exercising any right, power or discretion vested in it under this Agreement or any document incidental thereto; and
- (k) call a meeting of the Lenders at any time not earlier than five days and not later than 30 days after receipt of a written request for a meeting provided by any Lender.

11.12 Lenders' Obligations Several; No Partnership

The obligations of each Lender under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders of any of their respective obligations hereunder. No Lender shall be responsible for the obligations of any other Lender hereunder. Neither the entering into of this Agreement nor the completion of any transactions contemplated herein shall constitute the Lenders and the Agent, or any combination of them, a partnership or give rise to any fiduciary relationship between them.

11.13 Reliance Upon Agent

The Borrowers will be entitled to rely upon any certificate, notice or other document or other advice, statement or instruction provided to them (or any one of them) by the Agent pursuant to the Credit Documents, and the Borrowers will be entitled to deal with the Agent with respect to matters under the Credit Documents which the Agent is authorized hereunder to deal with, without any obligation whatsoever to satisfy themselves as to the authority of the Agent to act on behalf of the Lenders and without any liability whatsoever to the Lenders for relying upon any certificate, notice or other document or other advice, statement or instruction provided to them by the Agent, notwithstanding any lack of authority of the Agent to provide the same.

11.14 No Liability of Agent

The Agent, in its capacity as agent of the Lenders under the Credit Documents, will have no responsibility or liability to the Borrowers or the Lenders on account of the failure of any Lender to perform its obligations hereunder, or to any Lender on account of the failure of any Borrower to perform its obligations under the Credit Documents.

11.15 Agent and Agent Authority

With respect to its Proportionate Share of each Facility and the Advances made by it as a Lender thereunder, as applicable, the Agent will have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not the Agent. The Agent may accept deposits from, lend money to, and generally engage in any kind of business with any Credit Party, any of their Subsidiaries, their respective shareholders or unitholders or any Person owned or controlled by any of them and any Person which may do business with any of them, all as if the Agent was not serving as Agent, and without any duty or obligation to account therefor to the Lenders.

11.16 Lenders' Credit Decisions

It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Credit Parties. Accordingly, each Lender confirms with the Agent that it has not relied, and will not hereafter rely, on the Agent (a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Credit Parties or any other Person under or in connection with the Facilities (whether or not such information has been or is hereafter distributed to such Lender by the Agent) or (b) to assess or keep under review on its behalf the financial condition, creditworthiness, condition, affairs, status or nature of any Credit Party. Each Lender acknowledges that copies of the Credit Documents have been made available to it for review and each Lender acknowledges that it is satisfied with the form and substance of the Credit Documents. A Lender will not make any independent arrangement with any Credit Party for the satisfaction of any Obligations owing to it under the Credit Documents without the written consent of the other Lenders.

11.17 Indemnification

The Lenders hereby severally agree to indemnify the Agent and its directors, officers, agents and employees (to the extent not reimbursed by the Credit Parties) in accordance with their respective Proportionate Share, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent or its directors, officers, agents and employees in any way relating to or arising out of the Credit Documents or any action taken or omitted by the Agent under or in respect of the Credit Documents in its capacity as Agent; provided, that no Lender will be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or wilful misconduct, as determined by a final and non-appealable judgment of a court of component jurisdiction. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its Proportionate Share of any reasonable out of pocket expenses (including legal fees, on a solicitor and his own client full indemnity basis) incurred by the Agent in connection with the preservation of any right of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that the Agent is not reimbursed for such expenses by the Borrowers.

This indemnity will survive the termination of the other provisions of this Agreement as a separate and continuing covenant of the Lenders.

11.18 Successor Agent

The Agent may, as hereinafter provided, resign at any time by giving 30 days' notice (the "**Resignation Notice**") thereof to the Lenders and the Borrowers. The remaining Lenders, with the consent of the Borrowers, such consent not to be unreasonably withheld, will forthwith upon receipt of the Resignation Notice unanimously appoint a successor agent (the "**Successor Agent**") to assume the duties hereunder of the resigning Agent. Upon the acceptance of any appointment as agent hereunder by a Successor Agent, such Successor Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties as agent under the Credit Documents of the resigning Agent. Upon such acceptance, the resigning Agent will be discharged from its further duties and obligations as agent under the Credit Documents, but any such resignation will not affect such resigning Agent's obligations hereunder as a Lender, including for its Proportionate Share of the applicable Commitment. After the resignation of the Agent as agent hereunder, the provisions of this Article 11 will continue to enure to its benefit as to any actions taken or omitted to be taken by it while it was the agent of the Lenders hereunder. Notwithstanding the foregoing, if the remaining Lenders fail to appoint a Successor Agent within 30 days of receipt of the Resignation Notice, the resigning Agent may, with the approval of the Borrowers except during the continuance of an Event of Default, such approval not to be unreasonably withheld, appoint a Successor Agent from among the Lenders (other than Business Development Bank of Canada).

11.19 Sharing of Information

The Agent and the Lenders may share among themselves any information they may have from time to time concerning the Credit Parties whether or not such information is confidential; but shall have no obligation to do so (except for any obligations of the Agent to provide information to the extent required in this Agreement). The Agent shall not have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Credit Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as the Agent.

11.20 Acknowledgement by Borrowers

Each Borrower hereby acknowledges notice of the terms of the provisions of this Article 11 and agrees to be bound hereby to the extent of its obligations hereunder, and further agrees not to make any payments, take any action or omit to take any action which would result in the non-compliance by the Agent or any Lender with its obligations hereunder.

11.21 Amendments to Article 11

The Agent and the Lenders may amend any provision in this Article 11 (other than Section 11.5) without prior notice to or the consent of the Borrowers, and the Agent shall provide a copy of any such amendment to the Borrowers reasonably promptly thereafter; provided, however, if, in the Agent's opinion, any such amendment would materially and adversely affect

any rights, entitlements, obligations or liabilities of any Borrower, such amendment shall not be effective until such Borrower provides its written consent thereto, such consent not to be unreasonably withheld or arbitrarily delayed.

11.22 Deliveries, etc.

As between the Credit Parties on the one hand, and the Agent and the Lenders on the other hand:

- (a) all statements, certificates, consents and other documents which the Agent purports to deliver to a Credit Party on behalf of the Lenders shall be binding on each of the Lenders, and none of the Credit Parties shall be required to ascertain or confirm the authority of the Agent in delivering such documents;
- (b) all certificates, statements, notices and other documents which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders; and
- (c) all payments which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders.

11.23 Agency Fee

The Borrowers jointly and severally agree to pay to the Agent an annual agency fee as set out in the Fee Agreement, payable in advance on the Amendment and Restatement Date and annually on each anniversary date thereafter during the term of this Agreement.

ARTICLE 12 INCREASED COSTS

12.1 Changes in Law

12.1.1 If, after the Amendment and Restatement Date, due to either:

- (a) the introduction of, or any change in, any Law or any change in the interpretation of any Law, whether having the force of law or not, resulting in the imposition or increase of reserves, deposits or similar requirements by any central bank or Governmental Authority charged with the administration thereof; or
- (b) imposition of any Lender or requirements on any Lender to maintain any capital adequacy or additional capital liquidity requirements in respect of any Advances or Commitments hereunder, or any other condition with respect to this Agreement; or
- (c) the compliance with any guideline or request from any central bank or other Governmental Authority which a Lender, acting reasonably, determines that it is required to comply with,

there will be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining an Advance or there will be any reduction in the effective return to such Lender thereunder, then, subject to Section 12.1.2, the Borrowers jointly and severally agree that they will, within ten Business Days after being notified by such Lender of such event, pay to such Lender, quarterly in arrears, that amount (the “**Additional Compensation**”) which such Lender, acting reasonably, determines will compensate it, after taking into account all applicable Taxes and all interest and other amounts received, for any such increased costs or reduced returns incurred or suffered by such Lender provided such Lender is also charging its other borrowers in similar circumstances similar additional compensation.

12.1.2 If Additional Compensation is payable pursuant to Section 12.1.1(a), the Borrowers will have the option to convert the Advance to another type of Advance, in accordance with this Agreement, in respect of which no further such Additional Compensation will be payable, or prepay any amount of the Facility owed to the Lender entitled to receive the Additional Compensation, subject always to Section 5.13 without obligation to make a corresponding prepayment to any other Lender. If the Additional Compensation relates to outstanding Bankers’ Acceptances, such Lender may require the Borrowers to deposit in an interest bearing cash collateral account with such Lender such amount as may be necessary to fully satisfy the contingent obligations of such Lender for all outstanding Bankers’ Acceptances in accordance with the arrangements similar to those set out in Section 5.11.

12.1.3 Notwithstanding anything contained in this Section 12.1, the *Dodd-Frank Wall Street Reform and Consumer Protection Act* and all requests, rules, regulations, guidelines and directives thereunder or issued in connection therewith and all requests, rules, regulations, guidelines and directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority or any United States, Canadian or foreign regulatory authority) (collectively, the “**New Rules**”) shall, in each case, be deemed a “change in Law” under Section 12.1.1(a) regardless of the date enacted, adopted or issued.

12.2 Changes in Circumstances

Notwithstanding anything to the contrary herein or in any of the other Credit Documents contained, if on any date a Lender determines, acting reasonably and in good faith, which determination will be conclusive and binding on the Parties, and provided notice is given to the Agent and the other Lenders and to the Borrowers that its ability to maintain, or continue to offer any Advance has become unlawful or impossible due to:

- (a) any change in Applicable Law, or in the interpretation or administration thereof by Governmental Authorities having jurisdiction in the matter; or
- (b) any Material Adverse Change in or the termination of the London Interbank Eurodollar Market for Eurodollars; or

- (c) the imposition of any condition, restriction or limitation upon such Lender which is outside of its control,

then in any such case, the Borrowers jointly and severally agree that they will forthwith repay to such Lender all principal amounts affected thereby, together with all unpaid interest accrued thereon to the date of Repayment and all other expenses incurred in connection with the termination of any such Advance, including any expenses resulting from the early termination of any LIBOR Period relating thereto in accordance with Section 5.13, without any obligation to make a corresponding prepayment to any other Lender. The Borrowers may utilize other forms of Advance not so affected in order to make any required Repayment and after any such Repayment, the Borrowers may elect to re-borrow the amount repaid by way of some other Advance upon complying with applicable requirements thereof.

12.3 Application of Sections 12.1 and 12.2

If a Lender exercises its discretion under either Section 12.1 or 12.2, then concurrently with a notice from such Lender to the Agent and the applicable Borrower requiring compliance with the applicable Section, such Lender will provide such Borrower (with a copy to the Agent who will notify the other Lenders) with a certificate in reasonable detail outlining the particulars giving rise to such notice and certifying (with reasonable supporting detail) the increased costs, if any, payable by such Borrower thereunder, which will be prima facie evidence thereof and binding on the Parties.

12.4 Taxes

12.4.1 Except as provided in this Section 12.4, any and all payments by the Borrowers and any other Credit Party to or for the account of the Agent or any Lender under any Credit Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges imposed by any Governmental Authority, and all liabilities (including additions to tax, penalties and interest) related thereto (collectively, “**Impositions**”), excluding, in the case of the Agent and each Lender or other recipient or beneficial owner of payment to be made by or on account of a Credit Party under any Credit Document, (x) any Impositions imposed on or measured by its net income (including any taxes similar to branch profits tax or capital, and franchise (and similar) taxes imposed on it in lieu of net income taxes), by the jurisdiction (or any political subdivision thereof) under the Laws of which the Agent or such Lender, as the case may be, is organized, resident, in which its principal office is located, in which it maintains its Lending Office or in which it is subject to such Imposition by reason of a present or former connection between it and such jurisdiction (other than a connection arising solely from the Agent or such Lender (or its applicable Lending Office) as the case may be, becoming a party hereto, having executed, delivered or performed its obligations under any Credit Document, received a payment under, enforced its rights under, received or perfected a security interest under, or engaged in any other transaction pursuant to, a Credit Document), and all interest and penalties with respect thereto; (y) U.S. and Canadian federal withholding taxes imposed on amounts payable to or for the account of such Lender with respect to an applicable interest in a Loan or Commitment pursuant to a

law in effect on the date on which (i) such Lender acquires such interest in the Loan or Commitment (other than pursuant to an assignment request by the Borrower under Section 12.4.6) or (ii) such Lender changes its Lending Office, except in each case to the extent that, pursuant to this Section, amounts with respect to such withholding taxes were payable either to such Lender's assignor immediately before such Lender became a party hereto or to such Lender immediately before it changed its Lending Office; and (z)(i) U.S. federal withholding taxes imposed under FATCA, (ii) taxes attributable to such recipient's or beneficial owner's failure to comply with the applicable reporting requirements of FATCA, and (iii) taxes attributable to such recipient's or beneficial owner's failure to provide such documentation as is reasonably requested by the Borrower for the Borrower to comply with its obligations under FATCA and to determine that such recipient or beneficial owner has complied with such recipient's or beneficial owner's obligations under FATCA or to determine the amount to deduct and withhold from any payment to such recipient or beneficial owner (all such non-excluded Impositions being hereinafter referred to as "**Taxes**" and all such excluded Impositions being hereinafter referred to as "**Excluded Taxes**"). If any Credit Party or any other applicable withholding agent shall be required by the Applicable Laws of a relevant taxing jurisdiction to deduct any Taxes or Other Taxes from or in respect of any sum payable under any Credit Document to the Agent or any Lender, (i) the sum payable shall be increased by the applicable Credit Party as necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section 12.4) have been made, each of the Agent and such Lender receives an amount equal to the sum it would have received had only deductions attributable to Excluded Taxes been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other Governmental Authority in accordance with Applicable Laws, and (iv) within thirty (30) days after the date of such payment, the Credit Party making such payments shall furnish to the Agent or Lender (as the case may be) the original or a certified copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent.

12.4.2 In addition but without duplication, the Borrowers agree to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes, charges or similar levies imposed by a relevant taxing jurisdiction which arise from any payment made under any Credit Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Credit Document (hereinafter referred to as "**Other Taxes**").

12.4.3 Each Borrower agrees to indemnify the Agent and each Lender for (i) the full amount of Taxes and Other Taxes (including any Taxes or Other Taxes imposed or asserted by any Governmental Authority of any relevant taxing jurisdiction on amounts payable under this Section 12.4) paid by the Agent and such Lender, and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided the Agent or Lender, as the case may be, provides the Borrowers with a written statement thereof setting forth in reasonable detail the basis and

calculation of such amounts. Payment under this Section 12.4.3 shall be made within thirty (30) days after the date such Lender or the Agent makes a written demand therefor.

12.4.4 Notwithstanding anything herein to the contrary, each Borrower shall not be required pursuant to this Section 12.4 to pay any additional amount to, or to indemnify, any Lender or the Agent, as the case may be, (i) to the extent that such Lender or the Agent becomes subject to Taxes subsequent to the Amendment and Restatement Date (or, if later, the date such Lender or the Agent becomes a party to this Agreement) as a result of a change in the place of organization or residence of such Lender or the Agent, a change in the Lending Office of such Lender, or a change in the principal office of such Lender or the Agent, except to the extent that any such change is requested or required by the Borrowers or to the extent that such Lender or the Agent was entitled, at the time of the change in place of organization, residence or the change in Lending Office, to receive additional amounts from the Borrowers pursuant to Sections 12.4.1 and 12.4.3 (and provided, that nothing in this Section 12.4 shall be construed as relieving the Borrowers from any obligation to make such payments or indemnification in the event of a change in Applicable Law) or (ii) where for Canadian income tax purposes, such Lender or the Agent, as the case may be, becomes subject to Taxes as a consequence of such Lender or the Agent either not dealing at arm's length with the Borrowers (for purposes of the *Income Tax Act* (Canada)) or being, or not dealing at arm's length with (for purposes of the *Income Tax Act* (Canada)) a "specified shareholder" (for purposes of the *Income Tax Act* (Canada)) of the Borrower; provided, that this subclause (ii) shall not apply to the extent that such Lender or the Agent, as the case may be, is considered to have not dealt at arm's length with the Borrowers for Canadian income tax purposes as a result of a change in Applicable Law after the Amendment and Restatement Date.

12.4.5 If any Lender or the Agent determines in its sole discretion (exercised in good faith) that it has received a refund in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Borrowers pursuant to this Section 12.4, it shall promptly remit such refund (including any interest included in such refund paid by the relevant Governmental Authority) to the Borrowers, net of all out-of-pocket expenses (including any taxes imposed with respect to such refund) of the Lender or the Agent, as the case may be; provided, however, that the Borrowers, upon the request of the Lender or the Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or the Agent, as the case may be, shall, at the Borrowers' request, provide the Borrowers with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided, that such Lender or the Agent may delete any information therein that such Lender or the Agent deems confidential). Notwithstanding anything to the contrary in this Section 12.4.5, in no event will a Lender be required to pay any amount to the Borrowers pursuant to this Section 12.4.5 the payment of which would place such Lender in a less favorable net after-tax position than such Lender would have been in if the Taxes or Other Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes or Other

Taxes had never been paid. Nothing herein contained shall interfere with the right of a Lender or the Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or the Agent to disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or the Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

12.4.6 Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 12.4.1 and 12.4.3 with respect to such Lender it will, if requested by the Borrowers, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 12.4, including to designate another Lending Office for any Loan (including, for certainty, any Letter of Credit) affected by such event; provided, that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 12.4.6 shall affect or postpone any of the Obligations of the Borrowers or the rights of such Lender pursuant to Sections 12.4.1 and 12.4.3. The Borrowers hereby jointly and severally agree to pay all reasonable costs and expenses incurred by any Lender as a result of a request by the Borrowers under this Section 12.4.6.

ARTICLE 13 GENERAL

13.1 Non-Disclosure

13.1.1 All information received by the Agent and the Lenders from or in respect of the Credit Parties the confidential nature of which is made known or ought to have been known to the Party receiving such information, including any information relating to a Hostile Acquisition, other than information that is required to be disclosed by Applicable Law (including, for certainty, information required to be disclosed in connection with any legal proceedings, including proceedings relating to the Credit Documents) or to any Governmental Authority of competent jurisdiction, including any central bank or other banking regulatory authority and any official bank examiners or regulators, will be held by the Parties in the strictest confidence and will not be disclosed to any Person, except as provided in this Section 13.1.

13.1.2 Section 13.1.1 does not apply to information:

- (a) of a Party where that Party consents in writing to its disclosure;
- (b) which becomes part of the public domain through no fault of the Agent or the Lenders;
- (c) received from a third party without restriction on further disclosure and which third party was not to the knowledge of the Agent or such Lender, under a duty of

confidentiality to the applicable Credit Party at the time the information was so received;

- (d) developed independently without breach of Section 13.1;
- (e) which the Agent or the relevant Lender can show was, prior to receipt thereof from a Credit Party, lawfully in the Agent's or Lender's possession and not then subject to any obligation on its part to the Credit Parties to maintain confidentiality; or
- (f) to the extent required to be disclosed by order or direction of a court or Governmental Authority of competent jurisdiction (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or as otherwise required to be disclosed by Applicable Law or by any subpoena or similar legal process.

13.1.3 Information received by the Agent or a Lender may be disclosed to their respective Affiliates, Hedge Providers, the Agent or any other Lender or Participant, including any financial institution which desires to become a Lender or Participant hereunder, any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to a Borrower or any other Credit Party, and the Obligations and to their respective employees, auditors, accountants, legal counsel, geologists, engineers and other consultants and financial advisors retained by such Persons on a need to know basis and subject to the obligation to maintain confidentiality; provided, that the Agent or Lender providing the information shall be responsible for any breach by its Affiliate of the aforementioned duty of confidentiality.

13.2 Waiver

The failure or delay by the Agent or any Lender in exercising any right or privilege with respect to the non-compliance with any provisions of this Agreement by the Borrower and any course of action on the part of the Agent or any Lender, shall not operate as a waiver of any rights of the Agent or such Lender unless made in writing by the Agent or such Lender. Any such waiver in writing and shall be effective only in the specific instance and for the purpose for which it is given and shall not constitute a waiver of any other rights and remedies of the Agent or such Lender with respect to any other or future non-compliance.

13.3 Governing Law

This Agreement shall be interpreted in accordance with the Laws of the Province of Alberta and the federal Laws of Canada applicable therein. Without prejudice to the right of the Agent and the Lenders to commence any proceedings with respect to this Agreement in any other proper jurisdiction, the Parties hereby attorn and submit to the non-exclusive jurisdiction of the courts of the Province of Alberta.

13.4 Judgment Currency

To the extent permitted by Applicable Law, if for the purposes of obtaining judgment against any Credit Party in any court in any jurisdiction with respect to this Agreement it becomes necessary for a Lender to convert into the currency of such jurisdiction (in this Section called the “**Judgment Currency**”) any amount due to the Lender by such Credit Party under the Credit Documents in any currency other than the Judgment Currency, the conversion shall be made at the Exchange Rate prevailing on the Business Day before the day on which judgment is given. To the extent permitted by Applicable Law, in the event that there is a change in the Exchange Rate prevailing between the Business Day before the day on which the judgment is given and the date of payment of the amount due, the applicable Credit Party will, on the date of payment, pay such additional amounts (if any) or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount paid on such date is the amount in the Judgment Currency which when converted at the Exchange Rate prevailing on the date of payment is the amount then due under this Agreement in such other currency. To the extent permitted by Applicable Law, any additional amount due by a Credit Party under this Section will be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of this Agreement.

13.5 Expenses of Agent and Lenders

Whether or not the transactions contemplated by this Agreement are completed or any Advance has been made, each Borrower hereby agrees, jointly and severally, to promptly pay, following receipt of invoice therefor from the Agent (and in any event within 30 days after receipt thereof), from time to time all reasonable and documented expenses incurred by the Agent or any Lender in connection with this Agreement, the Security and all documents contemplated hereby, specifically including: expenses incurred by the Lenders in respect of due diligence, appraisals, insurance consultations, credit reporting and responding to demands of any Governmental Authority (provided, that reimbursement obligations in respect of costs and expenses arising under inspection rights set forth in Section 7.1.7 shall be limited in the manner set forth in such Section); reasonable out-of-pocket legal expenses in connection with the preparation and interpretation of this Agreement and the other Credit Documents, the registration and perfection of the Security and the administration of the Facilities generally, including the preparation of waivers and partial discharges of Security (if there are any additional fees or expenses to be incurred in connection with any of the foregoing over and above those that have already been disclosed to the Borrowers then the Agent agrees to notify the Borrowers of those additional fees or expenses and obtain their concurrence to their payment); and all legal fees and expenses (on a solicitor and his own client basis) in connection with the protection and enforcement of the Security and the exercise of any rights and remedies of the Agent and the Lenders under the Credit Documents. Each Borrower hereby authorizes the Agent to debit its account in order to pay any such expenses if such amount is not paid in full within 30 days after receipt of a written request from the Agent for payment of such amount.

13.6 Assignment

13.6.1 This Agreement and the rights and obligations hereunder will not be assignable, in whole or in part, by any Borrower without the prior written consent of all of the Lenders.

13.6.2 Each Lender will have the right to sell or assign its Commitment in minimum amounts of U.S. \$5,000,000 (with such Lender, where such sale or assignment is not of all of such Lender's Commitment under the applicable Facility, retaining a Commitment under the applicable Facility of at least U.S. \$5,000,000), together with a proportionate share of Outstanding Advances owing to it, to one or more financial institutions with the consent of the Canadian Borrower, the Agent, the Issuing Bank and the Swingline Lender each such consent not to be unreasonably withheld (provided, that the Canadian Borrower may withhold such consent if a Borrower would be required to pay withholding taxes solely as a result of such assignment). An assignment fee of U.S. \$3,500 for each such assignment will be payable to the Agent by the assigning Lender. In the event of such sale or assignment, the Borrowers, the Agent and the other Lenders will execute and deliver all such agreements, documents and instruments as the Agent or Lender may reasonably request to effect and recognize such sale or assignment, including an Assignment. Notwithstanding the foregoing, no consent of the Canadian Borrower will be required if an assignment (a) occurs during an Event of Default which is continuing, (b) is made between financial institutions who, at the relevant time, are already Lenders or Affiliates thereof, or (c) is made by a Lender to an Approved Fund. In the event that the Canadian Borrower fails to provide a response to the request for any such consent within five Business Days of the receipt of such request by the Canadian Borrower, the Canadian Borrower shall be deemed to have consented to such request. No consent to an assignment by a Lender shall be required from the U.S. Borrower. Notwithstanding the foregoing, no Lender may assign all or any part of its Commitment or Outstanding Advances to Palladium, an Investor or an Affiliate thereof without the prior written consent of all of the Lenders.

13.6.3 To the extent that any Lender sells or assigns any portion of its Commitment and Outstanding Advances pursuant to this Section 13.6 and such new Lender or new Lenders, as the case may be, has executed and delivered to the Borrower and the Agent an Assignment, such Lender will be relieved and forever discharged of any and all of its covenants and obligations under the Credit Documents in respect of that portion of its Commitment and Outstanding Advances so sold or assigned from and after the date of such Assignment and the Borrower's recourse under the Credit Documents in respect of such portion so sold or assigned from and after the date of the Assignment for matters arising thereunder from and after the date of the Assignment will be to such new Lender or new Lenders only, as the case may be, and their successors and permitted assigns.

13.6.4 Any Lender may at any time sell to one or more financial institutions or other Persons (each of such financial institutions and other Persons being herein called a "**Participant**") participating interests in any of the Advances, commitments, or other interests of such Lender hereunder, without notice to, or consent from, the Agent or the Borrowers; provided, however, that:

- (a) no participation contemplated in this Section 13.6.4 will relieve such Lender from its commitments or its other obligations hereunder or under any other Credit Document;
- (b) such Lender will remain solely responsible for the performance of its commitments and such other obligations as if such participation had not taken place;
- (c) the Agent will continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and each of the other Credit Documents;
- (d) no Participant will have any rights (through a right of consent or approval or otherwise) to require such Lender to take or refrain from taking any action hereunder or under any other Credit Document;
- (e) no Borrower will be required to pay any amount hereunder that is greater than the amount which it would have been required to pay had no participating interest been sold; and
- (f) in the case of any outstanding Bankers' Acceptances, the Participants execute an indemnity agreement in respect of such Bankers' Acceptances.

Each U.S. Operating Lender that sells a participation shall, acting solely for this purpose as an agent of the U.S. Borrower, maintain a register on which it enters the name and address of each Participant in the U.S. Operating Facility and the principal amounts (and stated interest) of each Participant's interest in the Commitments, Outstanding Advances or other obligations under the Credit Documents (the **"Participant Register"**); provided that no U.S. Operating Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under the Credit Documents) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such U.S. Operating Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

13.6.5 The Agent, acting solely for this purpose as an agent of the U.S. Borrower, shall maintain at its office located at 452 Fifth Avenue, 5th Floor, New York, NY 10018, a copy of each Assignment delivered to it and a register for the recordation of the names and addresses of the U.S. Operating Lenders, and the Commitments of, and principal amounts (and stated interest) of the Outstanding Advances owing to, each U.S. Operating Lender pursuant to the terms hereof from time to time (the **"Register"**). The entries in the

Register shall be conclusive absent manifest error, and the Borrower, the Agent and the U.S. Operating Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a U.S. Operating Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any U.S. Operating Lender, at any reasonable time and from time to time upon reasonable prior notice.

13.7 General Indemnity

In addition to any liability of the Borrowers to the Lenders under any other provision hereof, each Borrower will and does hereby, jointly and severally, indemnify each Indemnitee and hold each Indemnitee harmless against any losses, claims, costs, damages or liabilities (including reasonable and documented out of pocket expenses and reasonable and documented legal fees on a solicitor and his own client full indemnity basis of one counsel (but, for the avoidance of doubt, excluding the allocated costs of in-house counsel) plus one local counsel in each applicable jurisdiction) incurred by the same as a result of or in connection with: (a) any cost or expense incurred by reason of the liquidation or re-deployment in whole or in part of deposits or other funds required by any Lender to fund any Bankers' Acceptance or to fund or maintain any Advance as a result of any Borrower's failure to complete an Advance or to make any payment, repayment or prepayment on the date required hereunder or specified by it in any notice given hereunder; (b) subject to permitted or deemed Rollovers and Conversions, any Borrower's failure to provide for the payment to the Agent for the account of the Lenders of the full principal amount of each Bankers' Acceptance on its Maturity Date; (c) any Borrower's failure to pay any other amount, including any interest or fees, due hereunder on its due date after the expiration of any applicable grace or notice periods; (d) the prepayment of any outstanding Bankers' Acceptance before the Maturity Date of such Bankers' Acceptance; (e) any Borrower's repayment or prepayment of a LIBOR Loan otherwise than on the last day of its LIBOR Period; (f) the failure of any Borrower or any other Credit Party to make any other payment due hereunder or under any of the other Credit Documents; (g) the occurrence of any other Default or Event of Default and the enforcement of rights and remedies in connection therewith; (h) any instructions given to any Lender to stop payment on any cheque issued by any Borrower or to reverse any wire transfer or other transaction initiated by such Lender at the request of any Borrower; (i) any use of the proceeds of the Facilities, including to pay the purchase price of the transaction or any other acquisition; and (j) any claim, litigation or other proceeding related to the foregoing, regardless of whether such matter is initiated by a third party or by Holdco, a Borrower or any of their Subsidiaries or Affiliates; provided that this Section 13.7 will not apply to any losses, claims, costs, damages or liabilities that arise by reason of (i) the gross negligence or wilful misconduct of the applicable Indemnitee claiming indemnity hereunder, as determined by a final and non-appealable judgment of a court of component jurisdiction; or (ii) a material breach of the applicable Indemnitee of its obligations under the Credit Documents as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.8 Environmental Indemnity

In addition to any other liability of the Borrowers hereunder, each Borrower hereby agrees to, jointly and severally, indemnify and save harmless the Indemnitees from and against:

- (a) any losses suffered by them for, in connection with, or as a direct or indirect result of, the failure of any Borrower or any of their respective Subsidiaries to comply with all Requirements of Environmental Law;
- (b) any losses suffered by the Indemnitees for, in connection with, or as a direct or indirect result of, the presence of any Hazardous Material situated in, on or under any property owned by any Borrower or any of their respective Subsidiaries or upon which any of them carries on business, specifically including any diminution in value of the business, property and assets of such Person; and
- (c) any and all liabilities, losses, damages, penalties, expenses (including reasonable legal fees) and claims which may be paid, incurred or asserted against the Indemnitees for, in connection with, or as a direct or indirect result of, any legal or administrative proceedings with respect to the presence of any Hazardous Material on or under any property owned by any Borrower or any of its respective Subsidiaries or upon which any of them carries on business, or the discharge, emission, spill, radiation or disposal by any Borrower or any of their respective Subsidiaries of any Hazardous Material into or upon any Land, the atmosphere, or any watercourse or body of water; including the costs of defending, counterclaiming or claiming against third parties in respect of any action or matter and any cost, liability or damage arising out of a settlement entered into by the Indemnitees of any such action or matter,

except to the extent arising from the gross negligence or wilful misconduct of the applicable Indemnitee, as determined by a final and non-appealable judgment of a court of component jurisdiction. For the purpose of this Section 13.8, liabilities means those amounts that are quantifiable and found to be the responsibility of the Indemnitees either alone or jointly or severally with others.

13.9 Survival of Certain Obligations despite Termination of Agreement

The termination of this Agreement shall not relieve the Borrowers from their obligations to the Agent and the Lenders arising prior to such termination, such as obligations arising as a result of or in connection with any breach of this Agreement, any failure to comply with this Agreement or the inaccuracy of any representations and warranties made or deemed to have been made prior to such termination, and obligations arising pursuant to all indemnity obligations contained herein. Without limiting the generality of the foregoing, the obligations of the Borrowers to the Agent and the Lenders arising under or in connection with Sections 8.5(b), 13.7 and 13.8 shall continue in full force and effect despite any termination of this Agreement.

13.10 Interest on Unpaid Costs and Expenses

If a Borrower fails to pay when due any amount in respect of costs or expenses or any other amount required to be paid by it hereunder (other than principal or interest on any Advance), the Borrowers shall, jointly and severally, pay interest on such unpaid amount from the time such amount is due until paid at the rate equal to the highest rate of interest then applicable under the Facilities.

The Agent will notify the applicable Borrower of any conflict or inconsistency between any written confirmation of such verbal instructions received from such Borrower and the said verbal advice as soon as practicable after the conflict or inconsistency becomes apparent to the Agent.

13.13 Severability

Any provision of this Agreement which is illegal, prohibited or unenforceable in any jurisdiction, in whole or in part, shall not invalidate the remaining provisions hereof; and any such illegality, prohibition or unenforceability in any such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.14 Further Assurances

Each Borrower shall, at its expense, promptly execute and deliver or cause to be executed and delivered to the Agent upon request, acting reasonably, from time to time all such other and further documents, agreements, opinions, certificates and instruments in compliance with this Agreement, or if necessary or desirable to more fully record or evidence the obligations intended to be entered into herein, or to make any recording, file any notice or obtain any consent.

13.15 Tombstone Marketing

For the purpose of “tombstone marketing”, each Borrower hereby authorizes and consents to the reproduction, disclosure and use by the Lenders and the Agent of its name, identifying logo and the Facilities to enable the Lenders to publish promotional “tombstones”. Each Borrower acknowledges and agrees: that the Lenders shall be entitled to determine, in their discretion, whether to use such information; that no compensation will be payable by the Lenders or the Agent in connection therewith; and that the Lenders and the Agent shall have no liability whatsoever to any Borrower or any of its respective employees, officers, directors, Affiliates or shareholders in obtaining and using such information as contemplated herein.

13.16 Entire Agreement

This Agreement supersedes all discussion papers, term sheets and other writings issued by the Agent or the Lenders prior to the date hereof relating to the Facilities; and this Agreement and any other documents or instruments contemplated herein or therein shall constitute the entire agreement and understanding among the Borrowers, the Lenders and the Agent relating to the subject-matter hereof.

13.17 Anti-Money Laundering Legislation

- (a) Each Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” Laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), the Lenders and the Agent may be required to obtain, verify and record information regarding the Borrowers, Palladium, the other Credit Parties, their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Credit Parties or Palladium, and the transactions contemplated hereby. The Borrowers shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent, or any prospective assignee of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
- (b) If, upon the written request of any Lender, the Agent has ascertained the identity of a Borrower, Palladium or any Credit Party or any authorized signatories of any Borrower or any other Credit Party for the purposes of applicable AML Legislation on such Lender’s behalf, then the Agent:
 - (i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Agent within the meaning of applicable AML Legislation; and
 - (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.
- (c) Notwithstanding the preceding sentence, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Borrowers, Palladium or any other Credit Party or any authorized signatories of the Borrowers, Palladium or any other Credit Party, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrowers, Palladium or any other Credit Party or any such authorized signatory in doing so.
- (d) Each Lender that is subject to the PATRIOT Act and the Agent (for itself and not on behalf of any Lender) hereby notifies the Credit Parties that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Credit Parties, which information includes the name, address and tax identification number of the Credit Parties and other information regarding the Credit Parties that will allow such Lender or the Agent, as applicable, to identify the Credit Parties in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act and is effective as to the Lenders and the Agent.

13.18 Binding Effect

This Agreement shall be binding upon and shall enure to the benefit of the Parties and their respective successors and permitted assigns; “successors” includes any corporation resulting from the amalgamation of any party with any other corporation.

13.19 Execution by Electronic Means and Counterparts

This Agreement may be executed in several counterparts, each of which, when so executed, shall be deemed to be an original and which counterparts together shall constitute one and the same Agreement. This Agreement may be executed by facsimile, pdf or other electronic means, and any signature contained hereon by facsimile, pdf or other electronic means shall be deemed to be equivalent to an original signature for all purposes.

13.20 Intercreditor Agreement

In the event of a conflict between the provisions of this Agreement and the provisions of the Encina Intercreditor Agreement, the provisions of the Encina Intercreditor Agreement shall govern.

13.21 Release of Liens and Guarantees.

- (a) The Agent shall not, during the term of this Agreement, discharge, surrender, amend or otherwise modify any Security without the prior written consent of all of the Lenders, provided that the Agent may accept additional or supplemental Security as provided in the Credit Documents, and shall discharge Security provided hereunder in the Permitted Discretion of the Agent with respect to any Permitted Disposition or, if applicable, any other transaction permitted by this Agreement in respect of which the Agent has received, upon its reasonable request, an officer’s certificate of the Canadian Borrower certifying that such disposition or other transaction is permitted by this Agreement, together with any other information from the Canadian Borrower reasonably required by the Agent, if any (and the Agent may rely conclusively on a certificate to that effect provided to it by the Canadian Borrower without further inquiry).
- (b) The Lenders hereby authorize the Agent, and the Agent hereby agrees, to:
 - (i) discharge the Security at the Borrower’s sole cost and expense, forthwith after all of the Obligations under the Credit Documents (other than contingent obligations intended to survive payout of the Facilities) have been unconditionally and irrevocably paid or performed in full and the Facilities, Credit Documents and all Hedging Agreements have been terminated or, with respect to the Hedging Agreements, collateralized to the satisfaction of the Agent and the applicable Hedge Providers, acting reasonably; and
 - (ii) at the request of the Borrower and upon receipt of the Agent of an officer’s certificate from a senior officer of the Borrower certifying that such

disposition is a Permitted Disposition, to discharge that portion of the Security that applies to the property subject to such Permitted Disposition or execute a no interest letter or similar document in connection therewith.

- (c) As of the Amendment and Restatement Date, the Agent and other Secured Parties hereby release each of (x) QMax Ecuador S.A. and (y) Mud Movers Express LLC as Guarantors, hereby confirm that all such Subsidiaries' Obligations are discharged, in each case, whether now existing or hereafter arising and whether or not matured or contingent, and that the Security granted by such Subsidiaries to the Agent is deemed to be released.

For purposes of this Section 1.13, whenever *pro forma* effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Canadian Borrower and may include, without duplication, cost savings, operating expense reductions, restructuring charges and expenses and cost-saving synergies

resulting from such acquisition or other relevant transaction, in each case in a manner acceptable to the Required Lenders, acting reasonably.

1.14 Joint and Several Liability of Borrowers

Notwithstanding anything else set forth in the Credit Documents to the contrary, each of the Borrowers agrees and confirms to the Agent and Lenders that the liabilities and obligations of the Borrowers under this Agreement and the other Credit Documents are joint and several as between each Borrower.

1.15 Deemed Action by all Borrowers

All consents, waivers, notices and other action required, made, given to or received by the Borrowers under this Agreement or any of the other Credit Documents will be deemed to be required, made, given or received by all of the Borrowers if required, made, given or received by one or more of the Borrowers. If a representation, certification or other statement under this Agreement or any of the other Credit Documents is made by one Borrower, or to the knowledge of one Borrower, it will be deemed to be made by all Borrowers, or the knowledge of all Borrowers, as applicable.

1.16 Amendment and Restatement

The Borrowers, the Agent and the Lenders agree that effective on the Amendment and Restatement Date, this Agreement is an amendment and restatement of the Existing Credit Agreement and is not a novation of the Existing Credit Agreement. As a consequence, the obligations, indebtedness and liabilities outstanding under the Existing Credit Agreement (including any existing letters of credit thereunder which will be deemed to be Letters of Credit issued by the applicable Issuing Bank under the corresponding Facility hereunder) shall constitute obligations, indebtedness and liabilities hereunder governed by the terms hereof and shall continue to be secured by the Security. Such obligations, indebtedness and liabilities shall be continuing in all respects, and this Agreement shall not be deemed to evidence or result in a novation of such obligations, indebtedness and liabilities or a repayment and reborrowing of such obligations, indebtedness and liabilities. The Existing Credit Agreement has been amended and restated solely for the purposes of reflecting amendments to the Existing Credit Agreement which the Lenders, the Agent and the Borrowers have agreed upon. All references to the "Credit Agreement" contained in the Credit Documents delivered prior to the effectiveness of this Agreement shall be references to this Agreement without further amendment to those Credit Documents. The Borrowers confirm that each of the Credit Documents otherwise remains in full force and effect. All deliverables made under the Existing Credit Agreement shall be deemed to have been delivered under this Agreement. Each Lender authorizes the Agent to take all actions and make such adjustments as are reasonably necessary to give effect to the foregoing. Notwithstanding the foregoing or any other term hereof, all of the applicable continuing covenants, representations and warranties on the part of the Borrowers under the Existing Credit Agreement and all of the claims and causes of action arising against the Borrowers in connection therewith, in respect of all matters, events, circumstances and obligations arising or existing prior to the Amendment and Restatement Date shall continue, survive and shall not be merged in the

execution of this Agreement or any other Credit Documents or any advance or provision of any Loan hereunder.

**ARTICLE 2
CANADIAN OPERATING FACILITY**

2.1 Establishment of Canadian Operating Facility

Subject to the terms and conditions in this Agreement, each Canadian Operating Lender hereby establishes a committed, revolving credit facility in favour of the Canadian Borrower in the maximum principal amount indicated opposite such Canadian Operating Lender's name in Exhibit "A" under the heading "Canadian Operating Facility Commitments". Such credit facility in the maximum aggregate principal amount of the Canadian Operating Facility Limit are established by the Canadian Operating Lenders severally and not jointly, and are hereinafter collectively referred to as "**Canadian Operating Facility**". Each Advance by a Canadian Operating Lender under the Canadian Operating Facility shall be made by such Canadian Operating Lender in its Proportionate Share of the Canadian Operating Facility. If the Canadian Operating Facility Limit is at any time less than the Canadian Operating Facility Commitment, then each Canadian Operating Lender's obligation to provide Advances under the Canadian Operating Facility will be reduced accordingly on a *pro rata* basis.

2.2 Purpose

Advances under the Canadian Operating Facility shall be used by the Canadian Borrower to fund working capital needs and for general corporate purposes, including Permitted Acquisitions (other than a Hostile Acquisition and the Terra Acquisition).

2.3 Revolving Nature

The Canadian Operating Facility shall be a revolving facility. For greater certainty, the Borrower shall, subject to the terms of this Agreement, be entitled to obtain Advances under the Canadian Operating Facility from time to time and repay all or any portion of the Outstanding Advances under the Canadian Operating Facility from time to time; provided, that the Outstanding Advances under the Canadian Operating Facility at any time shall not exceed the Canadian Operating Facility Limit in effect at such time. If at any time and for whatever reason the Outstanding Advances under the Canadian Operating Facility exceed the Canadian Operating Facility Limit then in effect, the Canadian Borrower shall, within two Business Days of receipt of a written notice from the Agent, pay to the Agent the principal amount required to reduce the Outstanding Advances under the Canadian Operating Facility to an amount not greater than the Canadian Operating Facility Limit then in effect.

2.4 Repayment

The Obligations under the Canadian Operating Facility shall become due and payable on the earlier of: (i) the Acceleration Date; and (ii) the Facilities Maturity Date.

2.5 Availment Options

2.5.1 Subject to the restrictions contained in this Section 2.5 and elsewhere in this Agreement (and in particular, Sections 5.4 and 5.5), the Canadian Borrower may receive Advances under the Canadian Operating Facility by any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

- (a) Overdrafts in Canadian Dollars or U.S. Dollars (but only under the Swingline);
- (b) Letters of Credit in Canadian Dollars or U.S. Dollars (but only under the Swingline);
- (c) Canadian Dollar Prime Rate Loans;
- (d) U.S. Dollar Base Rate Loans;
- (e) Bankers' Acceptances from the BA Lenders in Canadian Dollars only with a maturity of 30, 60, 90 or 180 days, subject to availability;
- (f) BA Equivalent Loans from the Non-BA Lenders in Canadian Dollars only with a maturity of 30, 60, 90 or 180 days, subject to availability; or
- (g) LIBOR Loans in U.S. Dollars, with a LIBOR Period of 30, 60, 90 or 180 days, subject to availability.

2.5.2 Bankers' Acceptances, BA Equivalent Loans and LIBOR Loans under the Canadian Operating Facility will not be issued with a maturity date later than the Facilities Maturity Date.

2.5.3 The Canadian Borrower may Convert Outstanding Advances under the Canadian Operating Facility in the form of any above Availment Option applicable to it into another form of Availment Option in the same currency, subject to and in accordance with the terms and conditions of this Agreement (but for greater certainty, Bankers' Acceptances, BA Equivalent Loans, LIBOR Loans and Letters of Credit may not be converted into another Availment Option prior to the maturity thereof, except in the case of unexpired Letter of Credits by the return of the original thereof to the Swingline Lender for cancellation).

2.6 Interest and Fees

2.6.1 In respect of Advances under the Canadian Operating Facility, the Canadian Borrower agrees to pay the following:

- (a) interest on Overdrafts in Canadian Dollars and interest on Canadian Dollar Prime Rate Loans at the Canadian Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the last Business Day of such month;
- (b) in respect of each Letter of Credit issued under the Canadian Operating Facility:
 - (i) to the Swingline Lender in respect of the period from the date of issuance of such Letter of Credit to the date of expiry of such Letter of Credit (including the first day but excluding the last day) and divided by 365 or 366 days, as the case may be, a fee equal to the Applicable Margin in effect at the time of issuance multiplied by the face amount of such Letter of Credit multiplied by the number of days in such period and divided by 365 or 366 days, as the case may be, payable on the date of issuance of such Letter of Credit; and
 - (ii) in respect of each Letter of Credit, in addition to the fees referred to in clause (i) immediately above, fees generally applicable to Letters of Credit from time to time (such as issuance, drawing, registration, amendment, communication and other processing and out of pocket fees) at the Swingline Lender's usual rates, payable to the Swingline Lender for its own account,

and each fee referred to in this Section in respect of a Letter of Credit shall be paid in the same currency as the currency of such Letter of Credit;

- (c) in respect of each Bankers' Acceptance, a stamping fee equal to the Applicable Margin multiplied by the face amount of the Bankers' Acceptance with the product thereof further multiplied by the number of days to maturity of the Bankers' Acceptance and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such Bankers' Acceptance will be less than the face amount payable to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 5.10);
- (d) in respect of each BA Equivalent Loan, a stamping fee equal to the Applicable Margin multiplied by the face amount of the BA Equivalent Loan with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Loan and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such BA Equivalent Loan will be less than the principal amount of such BA Equivalent Loan on the maturity thereof, as more particularly provided in Section 5.12);
- (e) interest on Overdrafts in U.S. Dollars and interest on U.S. Dollar Base Rate Loans at the U.S. Base Rate plus the Applicable Margin per annum, payable monthly in

arrears on the last day of each and every month (provided, that if the last day of any month is not a Business Day, interest shall be payable on the next Business Day thereafter);

- (f) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2;
- (g) a standby fee with respect to the unused portion of the Canadian Operating Facility (other than the Swingline), calculated in U.S. Dollars on a daily basis as being the difference between (i) the Canadian Operating Facility Commitment less the Swingline Limit and (ii) the Outstanding Advances under that portion of the Canadian Operating Facility other than the Swingline, multiplied by the Applicable Margin and divided by 365 or 366 days, as the case may be, which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter;
- (h) a standby fee with respect to the Swingline payable to the Agent for the account of the Swingline Lender, calculated in U.S. Dollars on a daily basis as being the difference between (i) the Swingline Limit and (ii) the Outstanding Advances under the Swingline, multiplied by the Applicable Margin and divided by 365 or 366 days, as the case may be, which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter; and
- (i) such fees payable to the Agent as may be agreed in writing from time to time between the Canadian Borrower and the Agent relating to any Banking Services Agreements and related services which may be provided by the Agent for the Canadian Borrower from time to time.

2.6.2 With respect to any Availment Option under the Canadian Operating Facility, “Applicable Margin” means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

2.7 Swingline

2.7.1 A portion of the Canadian Operating Facility in the maximum amount of the Swingline Limit is hereby designated as the “**Swingline**” and shall be subject to the terms and conditions in this Section 2.7 (in addition to any other applicable terms and conditions contained in this Agreement). The Swingline shall be available to each of the Canadian Borrower and the Specified Canadian Swingline Borrower (collectively the “**Swingline Borrowers**”).

2.7.2 The Swingline shall be established and maintained by the Swingline Lender only. Either Swingline Borrower may only receive Advances under the Swingline by way of Overdrafts, LIBOR Loans, Bankers’ Acceptances or the issuance of Letters of Credit, in each case (other than with respect to Bankers’ Acceptances), in Canadian Dollars or

U.S. Dollars. The aggregate amount owing under the Swingline may at no time exceed the Swingline Limit and the aggregate principal amount outstanding under the Swingline plus the other Outstanding Advances under the Canadian Operating Facility shall at no time exceed the Canadian Operating Facility Limit. The total number of Bankers' Acceptances and LIBOR Loans outstanding under the Swingline shall not exceed fifteen at any time.

2.7.3 The Swingline shall form a part of the Canadian Operating Facility and, except for the purpose of calculating the Canadian Operating Facility standby fee, any Swingline Loan shall reduce availability under the Canadian Operating Facility on a dollar for dollar basis.

2.7.4 The Swingline Lender will make Advances to the Swingline Borrowers under the Swingline by way of (a) Canadian Dollar Overdraft into Canadian Dollar accounts, or U.S. Dollar Overdraft into U.S. Dollar accounts, in each case held at a branch of the Agent and as designated by either Swingline Borrower from time to time as required in order to honour cheques drawn by either Swingline Borrower on such accounts which are presented to the Swingline Lender for payment, (b) the issuance of Letters of Credit in Canadian Dollars or U.S. Dollars or (c) LIBOR Loans or Bankers' Acceptances. Other than in respect of Letters of Credit, LIBOR Loans or Bankers' Acceptances, no Drawdown Request or minimum amount shall be required in connection therewith and each Swingline Loan shall be on a dollar for dollar basis (i.e. not subject to multiples). As deposits are made into such accounts by the applicable Swingline Borrower, the Swingline Lender shall withdraw funds from such accounts from time to time and apply such funds as Repayments under the Swingline; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit, LIBOR Loan or Bankers' Acceptance. No notice of repayment shall be required to be given by the Canadian Borrower in respect of any such repayment of any Swingline Loan (other than in respect of LIBOR Loans or Bankers' Acceptances). The Swingline Borrowers authorize and direct the Swingline Lender, in its discretion, to automatically debit, by mechanical, electronic or manual means, the bank accounts of the Swingline Borrowers maintained by it for any amounts (including principal, interest or fees) that are due and payable under this Section 2.7.

2.7.5 Letters of Credit may be issued under the Swingline in Canadian Dollars or U.S. Dollars (or such other currencies as may be agreed to by the Swingline Lender); provided, that the Equivalent Amount expressed in U.S. Dollars (or such other currency, if applicable) of the aggregate face amount of all Letters of Credit outstanding under the Swingline at any time may not exceed U.S. \$10,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date. Letters of Credit will not be issued for the purpose of guaranteeing obligations of any Person other than a Credit Party. On the date of issue, the Swingline Lender will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the applicable Swingline Borrower in its Drawdown Request.

No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (Toronto time) on such Business Day. Prior to the issue date, the applicable Swingline Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Swingline Lender may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Swingline Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit. Sections 4.7.2, 4.7.3, 4.7.4 and 4.7.6 shall apply to Letters of Credit issued under the Swingline *mutatis mutandis* as if the Swingline Lender was the Issuing Bank.

2.7.6 If the Canadian Borrower requests a Syndicated Advance and the Swingline Lender's Proportionate Share of such Syndicated Advance would cause its Proportionate Share of all Syndicated Advances under the Canadian Operating Facility then outstanding together with the aggregate outstanding principal amount of all Swingline Loans to exceed the Swingline Lender's Commitment under the Canadian Operating Facility, then the Canadian Borrower shall be required to repay such Swingline Loans (or to convert the same into a Syndicated Advance in accordance with Section 2.7.7) to the extent of such excess on or before the requested date of such Syndicated Advance; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit.

2.7.7 Notwithstanding anything to the contrary herein contained, the Canadian Borrower may at any time give notice to the Swingline Lender and the Agent, which notice shall direct a Conversion of any outstanding Swingline Loan into a Syndicated Advance (other than by way of issuance of a Letter of Credit) and shall specify the particulars of such Swingline Loans, and the Agent shall forthwith provide a copy of such notice to the Canadian Operating Lenders and, effective on the effective date of such notice, the Canadian Borrower shall be deemed to have requested a Conversion of such Swingline Loan into a Syndicated Advance (whether or not it was the actual borrower under such Swingline Loan) and in an amount sufficient to repay the relevant Swingline Loan and accrued and unpaid interest in respect thereof. Subject to the same notice period set out in Section 5.4, each Canadian Operating Lender shall disburse to the Agent for payment to the Swingline Lender its respective Proportionate Share of such amounts and such amounts shall thereupon be deemed to have been advanced by such other Canadian Operating Lenders to the Canadian Borrower and to constitute Syndicated Advances by way of Canadian Dollar Prime Rate Loans or U.S. Dollar Base Rate Loans, as applicable. Such Syndicated Advances shall be deemed to be comprised of principal and accrued and unpaid interest in the same proportions as the corresponding Swingline Loans.

2.7.8 Upon the occurrence and any time during the continuance of an Event of Default, the Canadian Operating Lenders shall make such adjusting payments amongst themselves in any manner as may be required to ensure their respective participations in outstanding Advances under the Canadian Operating Facility reflect their respective Proportionate Share under the Canadian Operating Facility. If any Swingline Loans (other

than by way of Letters of Credit) are outstanding, the Swingline Lender may at any time in its sole and absolute discretion, on behalf of either Swingline Borrower (which hereby irrevocably directs and authorizes the Swingline Lender to make such request on its behalf), request that each Canadian Operating Lender, through the Agent, make a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, to the Canadian Borrower (whether or not it was the actual borrower under such Swingline Loan) in an amount equal to the Lender's Proportionate Share of the principal amount of such Swingline Loan outstanding on the date such notice is given (in this Section, the "**Refunded Swingline Loans**"), provided that the provisions of this clause shall not affect the applicable Swingline Borrower's obligation to repay the Swingline Loans to the extent they remain outstanding. Each Canadian Operating Lender will make the proceeds of any such Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, available to the Swingline Lender on the Business Day next following the date such notice is given in immediately available funds. The proceeds of such a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan shall be applied by the Swingline Lender to the payment in full of the Refunded Swingline Loans.

2.7.9 In the event of any request for a drawing under any Letter of Credit, the Swingline Lender may notify the applicable Swingline Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The applicable Swingline Borrower (whether or not such notice is given) shall reimburse the Swingline Lender within two Business Days of demand by the Swingline Lender, in the relevant currency, an amount, in same day funds, equal to the amount of such drawing (in this Section, an "**LC Payment**"). The applicable Swingline Borrower shall pay to the Swingline Lender interest on the amount of any such drawn Letter of Credit as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, from the date such Letter of Credit is drawn upon until such time as the applicable Swingline Borrower reimburses the Swingline Lender for the drawn amount of such Letter of Credit. If the applicable Swingline Borrower does not reimburse the Swingline Lender within such two Business Days, the Canadian Operating Lenders shall, on the third Business Day following the date of such initial demand on the applicable Swingline Borrower by the Swingline Lender, at the request of the Swingline Lender, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Swingline Lender for the amount of such drawing. The applicable Swingline Borrower shall pay to Canadian Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Swingline Lender requests payment from each of Canadian Operating Lenders in respect of such drawn Letter of Credit until such time as the Canadian Borrower reimburses the Swingline Lender and each of Canadian Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable. Each Canadian Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Swingline Lender and its obligation to make the payments specified herein, and the right of the Swingline Lender to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and

continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

2.7.10 The obligations of each Canadian Operating Lender under Sections 2.7.8 and 2.7.9 are unconditional, shall not be subject to any qualification or exception whatsoever and shall be performed in accordance with the terms and conditions of this Agreement under all circumstances including:

- (a) any lack of validity or enforceability of the applicable Swingline Borrower's obligations under this Section 2.7;
- (b) the occurrence of any Default or Event of Default or the exercise of any rights by the Agent under the Credit Documents;
- (c) whether the Borrower under a Swingline loan was the Canadian Borrower or the Specified Canadian Swingline Borrower; and
- (d) the absence of any demand for payment being made, any proof of claim being filed, any proceeding being commenced or any judgment being obtained by any Lender against any Credit Party.

2.7.11 For certainty, it is hereby acknowledged and agreed that the Canadian Operating Lenders shall be obligated to disburse to the Agent for payment to the Swingline Lender their respective Proportionate Shares of any Syndicated Advances contemplated in this Section 2.7 regardless of:

- (a) whether a Default or Event of Default has occurred or is then continuing or whether any other condition in Section 9.2 is met;
- (b) whether or not the Canadian Borrower has, in fact, actually requested such Conversion; and
- (c) whether or not a Person was a Canadian Operating Lender at the time the applicable Swingline Loan was made.

2.7.12 Notwithstanding any other terms of this Section 2.7, this Agreement or any other Loan Document, the Canadian Borrower shall be jointly and severally liable with the Specified Canadian Swingline Borrower for all obligations and indebtedness arising out of any Swingline Loan advanced by the Swingline Lender to the Specified Canadian Swingline Borrower.

2.8 Accordion - Increase in the Canadian Operating Facility Commitment Amount

2.8.1 The Canadian Borrower may at any time and from time to time (a) with the consent of the Agent and the Swingline Lender add additional financial institutions hereunder, as Canadian Operating Lenders or, (b) with the consent of the applicable Canadian Operating Lender, the Agent and the Swingline Lender, increase the individual Canadian Operating Facility Commitment of such Canadian

Operating Lender, and, in each case, thereby increase the Canadian Operating Facility Commitment; provided, that at the time of any such addition or increase:

- (A) no Default or Event of Default has occurred and is continuing or would result therefrom and the Agent has received a certificate from the Borrower confirming the same;
- (B) the aggregate amount of all increases to the Canadian Operating Facility Commitment pursuant to this Section 2.8.1 shall not exceed \$10,000,000;
- (C) the aggregate of the U.S. Operating Facility Commitment and the Canadian Operating Facility Commitment (as increased) does not at any time exceed \$144,681,471;
- (D) the Agent and the Swingline Lender have each consented to such Canadian Operating Lender increasing its Canadian Operating Facility Commitment, each such consent not to be unreasonably withheld or delayed;
- (E) (i) the Canadian Operating Facility Commitment increased pursuant to this Section 2.8.1 and (ii) the individual Canadian Operating Facility Commitment of any new financial institution being added as a Lender pursuant to this Section 2.8.1, shall in each case be no less than \$2,500,000;
- (F) concurrently with the addition of a financial institution as an additional Canadian Operating Lender or the increase of a Canadian Operating Lender's Canadian Operating Facility Commitment, such financial institution or Canadian Operating Lender, as the case may be, shall purchase from each Canadian Operating Lender, such portion of the Outstanding Advances owed to each Canadian Operating Lender under the Canadian Operating Facility as is necessary to ensure that the Outstanding Advances owed to all Canadian Operating Lenders and including therein such additional financial institution and the increased Canadian Operating Facility Commitment of any Canadian Operating Lender, as applicable, are in accordance with the Lender's Proportionate Shares of all such Canadian Operating Lenders (including the new financial institution and the increased Canadian Operating Facility Commitment of any Lender) and such financial institution shall execute such documentation as is required by the Agent, acting reasonably, to novate such financial institution as a Canadian Operating Lender hereunder; provided that with respect to any portion of such Outstanding Advances which is outstanding by way of

Bankers' Acceptance, the new financial institution or such Canadian Operating Lender shall provide an indemnity to the other Lenders (provided that no such indemnity may exceed one month in duration unless agreed to by all of the affected Lenders) in order to ensure such Bankers' Acceptances are outstanding in accordance with the new Proportionate Shares; and

(G) the Canadian Borrower has provided to the Agent a certified copy of a directors' resolution of the Canadian Borrower authorizing any such increase in the Canadian Operating Facility Commitment (which may be the original directors' resolution authorizing the credit facility hereunder) together with (i) an acknowledgement and confirmation agreement in respect of Security from each Credit Party formed under the laws of Canada, the U.S. or any province or state thereof and (ii) a legal opinion with respect each Credit Party formed under the laws of Canada, the U.S. or any province or state thereof, in each case in form and substance satisfactory to the Agent, acting reasonably;

provided, in the case of any Canadian Operating Lender which is requested to provide an increase to its Canadian Operating Facility Commitment, (i) each Canadian Operating Lender shall notify the Agent within the time period specified in the Agent's notice of such increase to such Canadian Operating Lender (which shall in no event be less than ten Business Days from the date of delivery of such notice to the Canadian Operating Lenders) whether or not it agrees to increase its Canadian Operating Facility Commitment and by what amount; (ii) any Canadian Operating Lender not responding within such time period shall be deemed to have declined to increase its Canadian Operating Facility Commitment; and (iii) in no event shall any existing Canadian Operating Lender be required to increase its Canadian Operating Facility Commitment.

ARTICLE 3 TERM FACILITY

3.1 Establishment of the Term Facility

Subject to the terms and conditions in this Agreement, each Term Lender hereby establishes a committed non-revolving reducing term credit facility in favour of the Canadian Borrower in the maximum principal amount indicated opposite such Term Lender's name in Exhibit "A" under the heading "Term Facility Commitments". Such credit facility in the maximum aggregate principal amount of the Term Facility Commitment is established by the Term Lenders severally and not jointly, and is hereinafter referred to as the "**Term Facility**". Each Advance by a Term Lender under the Term Facility shall be made by such Term Lender in its Proportionate Share of the Term Facility.

3.2 Purpose

Advances to partially finance the purchase price of certain Acquisitions.

3.3 Nature

The Term Facility shall be a non-revolving facility, and any Repayment under the Term Facility may not be re-borrowed. As of the Amendment and Restatement Date, no new Advances are available under the Term Facility.

3.4 Repayment

3.4.1 The Obligations under the Term Facility shall become due and payable on the earlier of: (a) the Acceleration Date; and (b) the Facilities Maturity Date.

3.4.2 The Canadian Borrower shall make Repayments under the Term Facility in quarterly installments on the last day of each Fiscal Quarter (and if the last day of a Fiscal Quarter is not a Business Day, such payment shall be due on the next Business Day) of U.S. \$1,195,000 in each case, payable on the last Business Day of each such Fiscal Quarter: provided, however, that no such Repayment shall be required under this Section 3.4.2 with respect to the Fiscal Quarters ending June 30, 2019, September 30, 2019 and December 31, 2019.

3.4.3 Each Repayment under the Term Facility shall be applied to the Term Lenders holding such Loans *pro rata* based upon their Proportionate Share thereof and the Term Facility Commitment shall be reduced by the amount of each such Repayment.

3.5 Availment Options

3.5.1 Subject to the restrictions contained in this Section 3.5, the Canadian Borrower may receive Advances under the Term Facility by way of (and may convert Outstanding Advances under the Term Facility into) any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

- (a) Canadian Dollar Prime Rate Loans;
- (b) Bankers' Acceptances from the BA Lenders in Canadian Dollars only with a maturity date of 30, 60, 90 or 180 days, subject to availability;
- (c) BA Equivalent Loans from the Non-BA Lenders in Canadian Dollars only with a maturity date of 30, 60, 90 or 180 days, subject to availability;
- (d) U.S. Dollar Base Rate Loans; or
- (e) LIBOR Loans in U.S. Dollars only with a LIBOR Period of 30, 60, 90 or 180 days, subject to availability.

3.5.2 Bankers' Acceptances, BA Equivalent Loans and LIBOR Loans under the Term Facility may not be converted into another Availment Option prior to the maturity thereof, and may not be issued with a maturity date later than the Facilities Maturity Date.

3.6 Interest and Fees

3.6.1 In respect of Advances under the Term Facility, the Canadian Borrower agrees to pay the following:

- (a) interest on Canadian Dollar Prime Rate Loans at the Canadian Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the first Business Day of the next month;
- (b) in respect of each Bankers' Acceptance, a stamping fee equal to the Applicable Margin multiplied by the face amount of the Bankers' Acceptance with the product thereof further multiplied by the number of days to maturity of the Bankers' Acceptance and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such Bankers' Acceptance will be less than the face amount payable to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 5.10);
- (c) in respect of each BA Equivalent Loan, a stamping fee equal to the Applicable Margin multiplied by the face amount of the BA Equivalent Loan with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Loan and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such BA Equivalent Loan will be less than the principal amount of such BA Equivalent Loan on the maturity thereof, as more particularly provided in Section 5.12);
- (d) interest on U.S. Dollar Base Rate Loans at the U.S. Base Rate plus the Applicable Margin per annum, payable monthly in arrears on the first Business Day of the next month; and
- (e) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2.

3.6.2 With respect to any Availment Option under the Term Facility, "Applicable Margin" means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

ARTICLE 4

U.S. OPERATING FACILITY

4.1 Establishment of U.S. Operating Facility

Subject to the terms and conditions in this Agreement, each U.S. Operating Lender hereby establishes a committed, revolving credit facility in favour of the U.S. Borrower in the maximum principal amount indicated opposite such U.S. Operating Lender's name in Exhibit "A" under the heading "U.S. Operating Facility Commitments". Such credit facility in the maximum aggregate principal amount of the U.S. Operating Facility Limit are established by the U.S. Operating Lenders severally and not jointly, and are hereinafter collectively referred to as the "**U.S. Operating Facility**". Each Advance by a U.S. Operating Lender under the U.S. Operating Facility shall be made by such U.S. Operating Lender in its Proportionate Share of the U.S. Operating Facility.

4.2 Purpose

Advances under the U.S. Operating Facility shall be used by the U.S. Borrower to fund working capital needs and for general corporate purposes including the Permitted Acquisitions (other than a Hostile Acquisition and the Terra Acquisition).

4.3 Revolving Nature

The U.S. Operating Facility shall be a revolving facility. For greater certainty, the U.S. Borrower shall, subject to the terms of this Agreement, be entitled to obtain Advances by way of U.S. Dollar Prime Rate Loans, LIBOR Loans or Letters of Credit in U.S. Dollars under the U.S. Operating Facility from time to time and repay all or any portion of the Outstanding Advances under the U.S. Operating Facility from time to time; provided, that the Outstanding Advances under the U.S. Operating Facility at any time shall not exceed the U.S. Operating Facility Commitment in effect at such time. If at any time and for whatever reason the Outstanding Advances under the U.S. Operating Facility exceed the U.S. Operating Facility Commitment then in effect, the U.S. Borrower shall, within two Business Days of receipt of a written notice from the Agent, pay to the Agent the principal amount required to reduce the Outstanding Advances under the U.S. Operating Facility to an amount not greater than the U.S. Operating Facility Commitment then in effect.

4.4 Repayment

The Obligations under the U.S. Operating Facility shall become due and payable on the earlier of: (i) the Acceleration Date; and (ii) the Facilities Maturity Date.

4.5 Availment Options

4.5.1 Subject to the restrictions contained in this Section 4.5 and elsewhere in this Agreement (and in particular, Sections 5.4 and 5.5), the U.S. Borrower may receive Advances under the U.S. Operating Facility by any one or more of the following Availment Options (or any combination thereof) in minimum amounts and multiples as provided in Section 5.5:

- (a) Letters of Credit in U.S. Dollars;
- (b) U.S. Dollar Prime Rate Loans; or
- (c) LIBOR Loans in U.S. Dollars, with a LIBOR Period of 30, 60, 90 or 180 days, subject to availability.

4.5.2 LIBOR Loans under the U.S. Operating Facility will not be issued with a maturity date later than the Facilities Maturity Date.

4.5.3 The U.S. Borrower may convert Outstanding Advances under the U.S. Operating Facility in the form of any above Availment Option applicable to it into another form of Availment Option in the same currency, subject to and in accordance with the terms and conditions of this Agreement (but for greater certainty, LIBOR Loans and Letters of Credit may not be converted into another Availment Option prior to the maturity thereof, except in the case of unexpired Letter of Credits by the return of the original thereof to the Issuing Bank for cancellation).

4.6 Interest and Fees

4.6.1 In respect of Advances under the U.S. Operating Facility, the U.S. Borrower agrees to pay the following:

- (a) interest on U.S. Dollar Prime Rate Loans in U.S. Dollars at the U.S. Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the last day of each and every month (provided, that if such day is not a Business Day, interest shall be payable on the next Business Day thereafter);
- (b) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2;
- (c) in respect of each Letter of Credit issued under the U.S. Operating Facility:
 - (i) to the Agent for the account of the U.S. Operating Lenders in respect of the period from the date of issuance of such Letter of Credit to the date of expiry of such Letter of Credit (including the first day but excluding the last day) and divided by 360 days, a fee equal to the Applicable Margin in effect at the time of issuance multiplied by the face amount of such Letter of Credit multiplied by the number of days in such period and divided by 360 days, payable on the date of issuance of such Letter of Credit; and
 - (ii) in respect of each Letter of Credit, in addition to the fees referred to in Section 4.6.1(c), fees generally applicable to Letters of Credit from time to time (such as issuance, drawing, registration, amendment, communication and other processing and out of pocket fees) at the Issuing Bank's usual rates, payable to the Issuing Bank for its own account.

Each fee referred to in this Section in respect of a Letter of Credit shall be paid in U.S. Dollars; and

- (d) an unused commitment fee with respect to the unused portion of the U.S. Operating Facility calculated in U.S. Dollars on a daily basis as being the difference between (i) the U.S. Operating Facility Commitment and (ii) the Outstanding Advances under the U.S. Operating Facility, multiplied by the Applicable Margin and divided by 360 days which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter.

4.6.2 With respect to any Availment Option under the U.S. Operating Facility, “Applicable Margin” means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

4.7 Letters of Credit

4.7.1 Letters of Credit may be issued under the U.S. Operating Facility in U.S. Dollars (or such other currencies as may be agreed to by the Agent and by the applicable Issuing Bank); provided, that the Equivalent Amount expressed in U.S. Dollars of the aggregate face amount of all Letters of Credit outstanding under the U.S. Operating Facility at any time may not exceed U.S. \$5,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date.

4.7.2 Each request for the issuance of a Letter of Credit shall be delivered by the U.S. Borrower to the Issuing Bank (with a copy to the Agent) in accordance with the notice requirements set out in Section 5.4 herein, together with Issuing Bank’s customary form of application and indemnity agreement completed to its satisfaction and the proposed form of the Letter of Credit (which shall be satisfactory to the Issuing Bank) and such other certificates, documents and other papers and information as the Issuing Bank may reasonably request.

4.7.3 On the date of issue, the Issuing Bank will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the U.S. Borrower in its Drawdown Request. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (New York time) on such Business Day. Prior to the issue date, the U.S. Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Issuing Bank may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Issuing Bank shall be responsible only to determine that the documents and

certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

4.7.4 In the event of any request for a drawing under any Letter of Credit, the Issuing Bank may notify the U.S. Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The U.S. Borrower (whether or not such notice is given) shall reimburse the Issuing Bank within one Business Day of demand by the Issuing Bank, an amount, in same day funds, equal to the amount of such drawing. The U.S. Borrower shall pay to the Issuing Bank interest on the amount of any such drawn Letter of Credit as if such drawn amount was a U.S. Dollar Prime Rate Loan from the date such Letter of Credit is drawn upon until such time as the U.S. Borrower reimburses the Issuing Bank for the drawn amount of such Letter of Credit. If the U.S. Borrower does not reimburse the Issuing Bank within such two Business Days, U.S. Operating Lenders shall, on the third Business Day following the date of such initial demand on the U.S. Borrower by the Issuing Bank, at the request of the Issuing Bank, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Issuing Bank for the amount of such drawing. The U.S. Borrower shall pay to U.S. Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Issuing Bank requests payment from each of U.S. Operating Lenders in respect of such drawn Letter of Credit until such time as the U.S. Borrower reimburses the Issuing Bank and each of U.S. Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a U.S. Dollar Base Rate Loan. Each U.S. Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Issuing Bank and its obligation to make the payments specified herein, and the right of the Issuing Bank to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

4.7.5 The Issuing Bank shall notify each the Agent of the principal amount, the number, and the expiration date of each Letter of Credit and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of the amount of such U.S. Operating Lender's participation therein. The Issuing Bank shall review each draft and any accompanying documents presented under a Letter of Credit and shall notify the Agent of any such presentment and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of such presentment.

4.7.6 The Issuing Bank shall not be obligated to issue any Letter of Credit (i) in violation of any Applicable Law or policy of such Issuing Bank or any Lender or (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit. The Issuing Bank shall not at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause the Issuing Bank to exceed any limits imposed by, this Agreement or any applicable requirements of Applicable Law or any regulatory or internal limit.

ARTICLE 5 GENERAL CONDITIONS

5.1 Matters relating to Interest and Fees

5.1.1 Unless otherwise indicated, Interest on any outstanding principal amount hereunder shall be calculated daily and shall be payable monthly in arrears on the last day of each and every month. If the last day of a month is not a Business Day, the Interest payment due on such day shall be made on the next Business Day, and Interest shall continue to accrue on the said principal amount and shall also be paid on such next Business Day. Interest shall accrue from and including the day upon which an Advance is made or is deemed to have been made, and ending on but excluding the day on which such Advance is repaid or satisfied. Any change in the Canadian Prime Rate shall cause an immediate adjustment of the interest rate applicable to Canadian Dollar Prime Rate Loans and Overdrafts in Canadian Dollars and any change in the U.S. Base Rate shall cause an immediate adjustment of the interest rate applicable to U.S. Dollar Base Rate Loans and Overdrafts in U.S. Dollars, in each case without the necessity of any notice to any Borrower.

5.1.2 Unless otherwise stated, in this Agreement if reference is made to a rate of Interest, fee or other amount “per annum” or a similar expression is used, such interest, fee or other amount shall be calculated on the basis of a year of 365 or 366 days (or 360 days in the case of Loans or Letters of Credit denominated in U.S. Dollars), as the case may be. If the amount of any Interest, fee or other amount is determined or expressed on the basis of a period of less than one year of 365 days or 366 days (or 360 days in the case of Loans denominated in U.S. Dollars), as the case may be, the equivalent yearly rate is equal to the rate so determined or expressed, divided by the number of days in the said period, and multiplied by the actual number of days in that calendar year.

5.1.3 Notwithstanding any other provisions of this Agreement:

- (a) the Borrowers and the Lenders intend to strictly comply with all Applicable Laws, including applicable usury laws (or the usury laws of any jurisdiction whose usury laws are deemed to apply to this Agreement and the other Credit Documents despite the intention and desire of the parties to apply the usury laws of the Province of Alberta and the federal laws applicable therein);
- (b) in no event shall any Borrower or any other Person be obligated to pay, or any Lender have any right or privilege to reserve, receive or retain, (a) any interest in excess of the maximum amount of nonusurious interest permitted under the laws of the Province of Alberta the federal laws of Canada applicable therein, or the Applicable Laws of any other jurisdiction, or (b) total interest in excess of the amount which such Lender could lawfully have contracted for, reserved, received, retained or charged had the interest been calculated for the full term of the applicable Loan; and

- (c) if the amount of any interest, premium, fees or other monies or any rate of interest stipulated for, taken, reserved or extracted under the Credit Documents would otherwise contravene the provisions of Section 347 of the *Criminal Code* (Canada), Section 8 of the *Interest Act* (Canada) or any successor or similar legislation (including any usury law in the U.S.), or would exceed the amounts which any Lender is legally entitled to charge and receive under any law to which such compensation is subject, then such amount or rate of interest shall be reduced to such maximum amount as would not contravene such provision; and to the extent that any excess has been charged or received such Lender shall apply such excess against the Outstanding Advances and refund any further excess amount to the applicable Borrower.

As used in this Section 5.1.3, the term “interest” includes the aggregate of all charges, fees, benefits or other compensation which constitute interest under Applicable Law; provided, that, to the maximum extent permitted by Applicable Law, (a) any non-principal payment shall be characterized as an expense or as compensation for something other than the use, forbearance or detention of money and not as interest, and (b) all interest at any time contracted for, reserved, charged or received shall be amortized, prorated, allocated and spread, using the actuarial method, during the full term of the Facilities. The daily interest rates to be used in calculating interest for the purposes of this Section 5.1.3 shall be determined by dividing the applicable interest rate per annum by the number of days in the calendar year for which such calculation is being made. None of the terms and provisions contained in this Agreement or in any other Credit Document which directly or indirectly relate to interest shall ever be construed without reference to this Section 5.1.3, or be construed to create a contract to pay for the use, forbearance or detention of money at any interest rate in excess of the amounts permitted under any Applicable Law.

The provisions of this Section shall govern and control over every other provision of this Agreement or any other Credit Document which conflicts or is inconsistent with this Section 5.1.3.

5.1.4 Any change in the Applicable Margin in respect of any Availment Option under a Facility shall be determined in accordance with this Section. For purposes of this Section, the term “**Pricing Date**” means, for any Fiscal Quarter of the Canadian Borrower ending on or after the Amendment and Restatement Date, the date on which the Agent is in receipt of the financial statements and Compliance Certificate pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, for such Fiscal Quarter. The Applicable Margin shall be established on a Pricing Date based on the Net Leverage Ratio as of the end of the most recently completed Fiscal Quarter and the Applicable Margin established on a Pricing Date shall remain in effect until the next Pricing Date. If the financial statements and Compliance Certificate are delivered before 10:00 a.m. Toronto time on a specific Business Day (the “**Specific Business Day**”) then pricing will be adjusted starting on the Specific Business Day. If the financial statements and Compliance Certificate are received after 10:00 a.m. Toronto time on the Specific Business Day then any pricing adjustment will be effective on the next Business Day. If the Canadian Borrower has not delivered its financial statements and Compliance Certificate by the

date such financial statements and Compliance Certificate are required to be delivered pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, then until such financial statements and Compliance Certificate are delivered, the Applicable Margin shall be based on Level VI. The Applicable Margin established by such financial statements shall be in effect from the Pricing Date that occurs immediately after the end of the Fiscal Quarter covered by such financial statements until the next Pricing Date; provided, that no changes will be made in respect of any Bankers' Acceptances or BA Equivalent Loans which are outstanding on the effective date, until the Rollover thereof and fees paid on the issuance or renewal of a Letter of Credit will not change during the term of a Letter of Credit as a result of a change in the Net Leverage Ratio.

5.1.5 The determination of the Applicable Margin by the Agent shall be conclusive and binding on the Borrowers and the Lenders if reasonably determined, absent manifest error.

5.1.6 Effective upon the occurrence of an Event of Default (the "**effective date**"), the interest rates then applicable to all Availment Options will each increase by 200 basis points and such increase will remain in effect for as long as such Event of Default subsists. An increase in interest rates and fees as aforesaid arising from an Event of Default shall apply to all outstanding Advances under the Facilities and will on the effective date apply proportionately to each outstanding Advance during the continuance of such Event of Default. The Borrowers will pay to the Agent on behalf of the Lenders any resulting increase in stamping fees and Letter of Credit fees on or prior to the third Business Day following the effective date. In addition to the conditions set forth above, the Lenders' obligation to provide any Advances under any Facility, other than Rollovers or Conversions of then maturing Advances (in each case not to exceed a 30 day term), will be suspended for as long as there exists an Event of Default.

5.1.7 If the Canadian Borrower has delivered a Compliance Certificate that is subsequently found to be inaccurate in any way as a result of the Canadian Borrower's financial results having to be restated or if the Canadian Borrower's financial results were inaccurately reflected in the original financial results on which such Compliance Certificate was based or for any other reason and the result thereof is that the Net Leverage Ratio was originally reported as lower (and the corresponding Level in the Applicable Margin table was lower) than it otherwise would have been in the absence of such inaccuracy or prior to such restatement, then the Borrowers will, immediately upon the correction of such inaccuracy or upon such restatement, pay to the Agent for the benefit of the applicable Lenders an amount equal to the interest, Letter of Credit fees, stamping fees in respect of Bankers' Acceptances and standby fees that the Lenders should have received, but did not receive, over the applicable period had the Net Leverage Ratio, and the underlying components thereof, been reported correctly in the first instance.

5.2 Voluntary Prepayments

Subject to Section 5.15, the Borrowers may from time to time, without payment of any penalty or fee, upon at least two Business Days' prior written notice to the Agent make a

prepayment in respect of any Outstanding Advances under any of the Facilities. In the case of Term Facility, the Term Facility Commitment shall be automatically and permanently reduced by the amount of any such prepayment. Notwithstanding the foregoing, Bankers' Acceptances, BA Equivalent Loans and LIBOR Loans may not be repaid prior to the maturity thereof (except in accordance with Sections 5.11 and 5.14, as applicable) and unexpired Letter of Credits may not be prepaid prior to the maturity thereof (except by the return of the original thereof to the Issuing Bank or Swingline Lender, as applicable, for cancellation or by the collateralization thereof in the manner set forth in Section 5.16(f)). Prepayments under the Facilities other than under the Swingline shall be in a minimum principal amount of U.S. \$500,000 and integral multiples of U.S. \$100,000 in excess thereof and shall be applied as directed by the Borrowers to the remaining payments thereof. Any prepayments under the Term Facility shall be made in inverse order of maturity.

5.3 Mandatory Prepayments

5.3.1 If any Credit Party receives cash proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) below, from:

- (a) a transaction after the Amendment and Restatement Date involving the creation or incurrence of any Funded Debt (other than Permitted Funded Debt), and notwithstanding any Default or Event of Default that results therefrom;
- (b) transactions involving the sale, lease or other disposition of any assets (other than transactions described in clauses (a) through (d) inclusive and (f) through (j) inclusive of Section 7.2.4), except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the "**Sales Proceeds**"); or
- (c) property, casualty or other insurance proceeds received by any Credit Party, except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the "**Insurance Proceeds**"); and/or
- (d) Specified Equity Contribution (other than the Specified Equity Contribution deemed to be made on the Second Amendment Date);

then, subject to Sections 5.3.2 and 8.6, the Borrowers shall make a Repayment on account of the Outstanding Advances in an amount equal to 100% of such proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) above, within three Business Days (i) after such proceeds are received by the applicable Credit Party in the case of clauses (a) and (d) above, (ii) within three Business Days of the expiry of the applicable reinvestment period set out in Section 5.3.2 after such proceeds are received by the applicable Credit Party in the case of clause (b) above and within three Business Days of the expiry of the insurance proceeds reinvestment period described in Section 5.3.2(a) after such proceeds are received by the applicable Credit Party in the case of clause (c) above. As used herein, "net cash proceeds" in respect of any such transaction means the gross amount payable to the applicable Credit Party in cash in respect of such transaction less (i) any sales

commissions, selling expenses, brokers' fees, consulting fees, legal fees, other costs and expenses of the transaction actually incurred, investment banking fees, accountants' fees, consulting fees, underwriting discounts and commissions and other customary fees and expenses actually incurred, (ii) amounts required to be applied to the repayments of Funded Debt, (including the principal amount, premium or penalty, if any, interest and other amounts required to be applied to the repayment of any Funded Debt secured by a Lien (including because the asset sold is removed from a borrowing base supporting such Funded Debt)), (iii) taxes payable in connection with the transaction, (iv) usual and reasonable adjustments in connection with the transaction and, including the amount of any liability paid or to be paid or reasonable reserve established in accordance with GAAP against any liabilities associated with the assets that are the subject of such event and retained by the Canadian Borrower or any of its Subsidiaries, and (v) any other amount specifically approved by the Agent in writing.

5.3.2 The Sales Proceeds or Insurance Proceeds, as applicable, need not be used by the Credit Parties to make a repayment under Section 5.3.1 and may be used by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, or, provided no Default (unless such repayment would cure any such Default) or Event of Default exists at such time, in the case of:

- (a) Insurance Proceeds (i) of insured claims that do not exceed in the aggregate in any one Fiscal Year \$7,500,000 or (ii) are used to repair or replace the property in respect of which such Insurance Proceeds were received, if such purchase, repair or replacement occurs within twelve (12) months of the receipt of such proceeds, subject to an extension of up to a further six (6) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial twelve (12) months period; or
- (b) Sales Proceeds (i) arising from any single transaction or series of related transactions that do not exceed in the aggregate in any one Fiscal Year \$3,000,000 or (ii) are used or useful by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, within nine (9) months of the receipt of such proceeds, subject to an extension of up to a further three (3) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial nine (9) period.

In connection with the foregoing, the Agent and the Lenders may rely upon and assume the correctness of all asset values and other statements contained in any certificate provided by an officer of the Canadian Borrower confirming the value of the relevant assets.

5.3.3 Repayments under this Section 5.3 are to be applied first to Outstanding Advances under the Term Facility until they have been fully repaid, and then to Outstanding Advances under the Operating Facilities, as directed by the Canadian Borrower, or failing such direction, *pro rata* between the Operating Facilities.

Repayments under the Facilities under this Section 5.3 shall be applied in inverse order of maturity and will be made *pro rata* to each Lender under the applicable Facility.

5.3.4 If as a result of currency rate fluctuation, the Outstanding Advances under the Canadian Operating Facility exceeds the Canadian Operating Facility Limit by at least 3% thereof (in each case, a “**Currency Excess**”), the Borrowers will, by the earlier of (a) five (5) Business Days after a written request from the Agent, and (b) the next date of a Rollover or Conversion, pay the applicable Currency Excess to the Agent as a Repayment for the benefit of the Canadian Operating Lenders to be shared on the basis of each applicable Lender’s Proportionate Share under the Canadian Operating Facility. If to pay a Currency Excess it is necessary to repay an Advance made by way of Bankers’ Acceptance or a LIBOR Loan prior to the maturity date thereof, the Borrowers will not be required to repay such Advances until the maturity date applicable thereto; provided, however, that at the request of the Agent, the Borrowers will forthwith pay the Currency Excess to the Agent for deposit into a cash collateral account maintained by and in the name of the Agent for the benefit of the Canadian Operating Lenders. The Currency Excess will be held by the Agent for set off against future obligations owing by the Borrowers to the Canadian Operating Lenders in respect of such Currency Excess, if any, and, pending such application, such amounts will bear interest for the Borrowers’ account at the rate payable by the Agent in respect of deposits of similar amounts and for similar periods of time. The Agent shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of the Currency Excess by the Borrowers with the Agent as herein provided will not operate as a Repayment under the Canadian Operating Facility until such time as the Currency Excess is actually paid to the Canadian Operating Lenders as a Repayment. If the Borrowers are required to provide a deposit under this Section 5.3.4 as a result of the Currency Excess with respect to an unmatured Bankers’ Acceptance or a LIBOR Loan, and such Currency Excess (or any portion thereof) is no longer in effect on the maturity date of such Bankers’ Acceptance or LIBOR Loan, such deposit (or the applicable portion thereof) shall be returned to the Borrowers within three Business Days after the maturity date of such Bankers’ Acceptance or LIBOR Loan.

5.3.5 If the aggregate Outstanding Advances under the Facilities, is at any time greater than the then applicable Borrowing Base (the amount of such excess being a “**Borrowing Base Shortfall**”), one or all of the Borrowers shall within three (3) Business Days repay such portion of the Outstanding Advances under the Operating Facilities to the Agent for the Canadian Operating Lenders as is required to eliminate such Borrowing Base Shortfall. The Agent will apply such payments (a) against the Term Facility and (b) thereafter, *pro rata* amongst the Canadian Operating Facility and the U.S. Operating Facility and in the following order: (i) first against Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans, U.S. Dollar Prime Rate Loans, (ii) second to collateralize Bankers’ Acceptances as provided in Section 5.11, (iii) third to repay LIBOR Loans, subject to Section 5.14, and (iv) fourth to collateralize Letters of Credit as provided in Section 5.16(f), until any such Borrowing Base Shortfall has been eliminated. If the Borrowers are required to provide cash collateral under this Section 5.3.5 as a result of a Borrowing Base Shortfall, such amount shall be returned to the Borrowers within three (3) Business Days after such Borrowing Base Shortfall is no longer continuing.

5.3.6 If any Credit Party receives net cash proceeds from any Anchor Sale and Leaseback Transaction, then the Borrowers shall make a Repayment on account of the Outstanding Advances under the Operating Facilities in an amount equal to 100% of such net cash proceeds within five Business Days after such proceeds are received by the applicable Credit Party. As used herein, “net cash proceeds” has the same meaning ascribed thereto in Section 5.3.1. Repayments under this Section 5.3.6 are to be applied to Outstanding Advances under the Operating Facilities on a pro rata basis. Repayments under this Section 5.3.6 shall not result in a permanent reduction of any Operating Facility.

5.4 Notice Periods

5.4.1 The Borrowers shall provide written notice to the Agent in respect of Advances, Rollovers, Conversions and Repayments to the extent set out below:

- (a) no notice is required for Advances and Repayments in respect of Overdrafts under the Swingline;
- (b) notice is required for each voluntary Repayment under any Facility in accordance with Section 5.2;
- (c) except as provided in clauses (a) and (b) above, but subject to (d), (e) and (f) below, one Business Days’ notice is required before 10:00 a.m. Toronto time in respect of any Advance, Rollover, Conversion or voluntary Repayment in Canadian Dollars or in U.S. Dollars;
- (d) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a Bankers’ Acceptance or BA Equivalent Loan, two Business Days’ notice is required before 10:00 a.m. Toronto time;
- (e) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a LIBOR Loan, three Business Days’ notice is required before 10:00 a.m. Toronto time; and
- (f) notwithstanding the foregoing, if an Advance relates to the issuance of a Letter of Credit, (i) if issued to a beneficiary located in Canada or the U.S., three Business Days’ notice is required before 10:00 a.m. Toronto time and (ii) if issued to a beneficiary located outside of Canada or the U.S., five (5) Business Days’ notice is required before 10:00 a.m. Toronto time.

5.4.2 Notice of any Advance, Rollover, Conversion or voluntary Repayment referred to in Section 5.4.1 above shall be given in the form of a Drawdown Request, Rollover Notice, Conversion Notice or Repayment Notice, as the case may be, attached hereto as Exhibits, and shall be given to the Agent at its address set out in Section 13.11.

5.4.3 If notice is not provided as contemplated herein with respect to the maturity of any Bankers’ Acceptance, BA Equivalent Loan and LIBOR Loan the Agent may convert

such Bankers' Acceptance, BA Equivalent Loan or LIBOR Loan upon its maturity into a Canadian Dollar Prime Rate Loan or a U.S. Dollar Base Rate Loan, as applicable.

5.4.4 Any Conversion from one form of Availment Option to another shall be subject to satisfaction of all terms and conditions applicable to the form of the new Availment Option.

5.5 Minimum Amounts, Multiples and Procedures re Advances, Conversions and Repayments

5.5.1 Each request by a Borrower for an Advance or Conversion in the form of a Canadian Dollar Prime Rate Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.2 Each request of a Borrower for an Advance or Conversion in the form of a U.S. Dollar Base Rate Loan shall be in a minimum amount of U.S. \$500,000 and multiples of U.S. \$100,000 thereafter.

5.5.3 Each request by a Borrower for an Advance or Conversion in the form of a Bankers' Acceptance or BA Equivalent Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.4 Each request by a Borrower for an Advance or Conversion in the form of a LIBOR Loan in U.S. Dollars shall be in a minimum amount of U.S. \$500,000 and in a multiple of U.S. \$100,000 thereafter.

5.5.5 Conversions or Rollovers under the Term Facility can be in such lesser amounts as are necessary to give effect to the principal repayments under the Term Facility required pursuant to Sections 3.4, 5.3.1 and 5.3.2.

5.5.6 Upon receipt of a Drawdown Request under any Facility, the Agent shall promptly notify each Lender under such Facility of the contents thereof and such Lender's Proportionate Share of the Advance. Such Drawdown Request shall not thereafter be revocable.

5.5.7 Each Advance shall be made by the applicable Lenders to the Agent at its address referred to in Section 13.11 or such other address as the Agent may designate by notice in writing to the Lenders from time to time. Each Lender shall make available its Proportionate Share of each said Advance to the Agent. Unless the Agent determines that any condition of the Advance has not been satisfied or waived, the Agent shall make the funds so received from the Lenders available to the applicable Borrower by 2:00 p.m. (Toronto time) on the requested date of the Advance. No Lender shall be responsible for any other Lender's obligation to make available its Proportionate Share of the said Advance.

5.5.8 Each Borrower agrees to deliver to the Agent in favour of any requesting Lender such other agreements and documentation as such Lender may reasonably require (not inconsistent with this Agreement and upon at least two (2) Business Days' prior written

notice) in respect of such Lender's requirements for the acceptance of Bankers' Acceptances or the issuance of BA Equivalent Loans.

5.5.9 All payments of principal, interest and other amounts made by the Credit Parties to the Agent in respect of the Outstanding Advances under a Facility shall be paid by the Agent to the Lenders in accordance with their respective Proportionate Shares of the Outstanding Advances under such Facility. For greater certainty, however, (a) stamping fees in respect of Bankers' Acceptances and BA Equivalent Loans shall be received and retained by the respective Lenders which issued or accepted such Bankers' Acceptances and BA Equivalent Loans and (b) in the event that any payments of principal, interest and other amounts made by the Credit Parties to the Agent instead of to the Swingline Lender in respect of the Outstanding Advances under the Swingline, any such payments shall be paid by the Agent to the Swingline Lender.

5.6 Place of Advances and Repayments

5.6.1 Advances by any Lender to a Borrower shall be made by such Lender to the Agent from such Lender's applicable Lending Office. All payments of principal, interest and other amounts to be made by the Borrowers and the other Credit Parties pursuant to this Agreement shall be made to the Agent at its address noted in Section 13.11 or to such other address at a major city in Canada as the Agent may direct in writing from time to time. All such payments received by the Agent on a Business Day before 2:00 p.m. (Toronto time) shall be treated as having been received by the Agent on that day; payments made after such time on a Business Day shall be treated as having been received by the Agent on the next Business Day.

5.6.2 Whenever any payment or the performance of any covenant, duty or other obligation shall be due on (or required within a time period ending on) a day which is not a Business Day, the date for payment or performance thereof shall be extended to the next succeeding Business Day. Interest shall continue to accrue and be payable thereon as provided herein, until the date on which such payment is received by the Agent.

5.7 Evidence of Obligations (Noteless Advances)

The Agent shall open and maintain, in accordance with its usual practice, accounts evidencing the Obligations; and the information entered in such accounts shall constitute conclusive evidence of the Obligations absent manifest error. The Agent may, but shall not be obliged to, request the Borrowers to execute and deliver from time to time such promissory notes as may be required as additional evidence of the Obligations; provided, that no promissory notes shall be required in respect of any Hedging Agreements or Banking Services Agreements.

5.8 Determination of Equivalent Amounts

Whenever it is necessary or desirable at any time to determine the Equivalent Amount in Canadian Dollars of an amount expressed in U.S. Dollars, or vice-versa (specifically including the determination of the Equivalent Amount in Canadian Dollars of an Advance made in U.S. Dollars (as applicable), the determination of each Lender's Proportionate Share of any Repayment on any date, and the determination of whether the Outstanding Advances under any

Facility exceed the limit applicable to such Facility at any time), the Equivalent Amount shall be determined by reference to the Exchange Rate on the date of such determination. Notwithstanding the foregoing, however, for the purposes of determining any Letter of Credit fees under the Canadian Operating Facility or the standby fees applicable to the Canadian Operating Facility, the Agent shall make such determination based upon the Bank of Canada noon spot rate on the first Business Day of each quarter for such quarter as the case may be.

If any basket used hereunder is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. For purposes of determining the Net Leverage Ratio, amounts denominated in a currency other than U.S. Dollars will be converted to U.S. Dollars for the purposes of (A) testing the financial covenant under Section 7.3.1(a), at the Exchange Rate as of the last day of the Fiscal Quarter for which such measurement is being made, and (B) calculating any Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.3.1(a)), at the Exchange Rate as of the date of calculation, and will, in the case of Funded Debt, reflect the currency translation effects, determined in accordance with GAAP, of Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount in U.S. Dollars of such Funded Debt.

5.9 Commitment to Purchase Bankers' Acceptances and BA Equivalent Loans

5.9.1 Each BA Lender which is a bank listed in Schedule I of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated at the CDOR Rate for the relevant period in effect on the issuance date thereof.

5.9.2 Each BA Lender which is a bank listed in Schedule II or Schedule III of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate for the relevant period in effect on the issuance date thereof plus up to one-tenth of one percent (0.10%).

5.9.3 Each Non-BA Lender agrees to purchase BA Equivalent Loans issued by it hereunder at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate plus up to one tenth of one percent (0.10%) for the relevant period in effect on the issuance date thereof.

5.9.4 The discount applicable to each Bankers' Acceptances and BA Equivalent Loan shall be determined on the basis of a year of 365 days.

5.10 Special Provisions Regarding Bankers' Acceptances

The following provisions are applicable to Bankers' Acceptances issued by the Canadian Borrower and accepted by any BA Lender hereunder.

5.10.1 *Payment of Bankers' Acceptances.* The Canadian Borrower agrees to provide for each Bankers' Acceptance by payment of the face amount thereof to the Agent on behalf

of the BA Lender on the maturity of the Bankers' Acceptance or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such BA Lender and such BA Lender shall in turn remit such amount to the holder of the Bankers' Acceptance. If the Canadian Borrower fails to provide for the payment of the Bankers' Acceptance accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such Bankers' Acceptance was issued. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any Bankers' Acceptance and agrees to indemnify and save harmless the BA Lender in connection with all payments made by the BA Lender (or by the Agent on its behalf) pursuant to Bankers' Acceptances accepted by the BA Lender, together with all reasonable costs and expenses incurred by the BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a Bankers' Acceptance is held by the BA Lender for its own account at maturity.

5.10.2 *Availability of Bankers' Acceptances.* If at any time and from time to time the Agent determines, acting reasonably, that there no longer exists a market for Bankers' Acceptances for the term requested by the Canadian Borrower, or at all, or if any BA Lenders representing no less than 35% of the Commitments advise the Agent in writing that the CDOR Rate will not or does not accurately reflect the cost of funds of such BA Lender, the Agent shall so advise the Canadian Borrower, and in such event the BA Lenders shall not be obliged to accept and the Canadian Borrower shall not be entitled to issue Bankers' Acceptances. If such notice is given and there is any outstanding Drawdown Request, Rollover Notice or Conversion Notice requesting an Advance by way of, or a Rollover or Conversion into, a Bankers' Acceptance at such a time, then such request will be deemed to be a request for, or a Rollover or Conversion into, a Canadian Dollar Prime Rate Loan.

5.10.3 *Power of Attorney.* The Canadian Borrower hereby appoints each BA Lender as its true and lawful attorney to complete and issue Bankers' Acceptances on behalf of the Canadian Borrower in accordance with written (including facsimile) transmitted instructions provided by the Canadian Borrower to the Agent on behalf of such BA Lender, and the Canadian Borrower hereby ratifies all lawful acts that its said attorney may do by virtue thereof. The Canadian Borrower agrees to indemnify and hold harmless the Agent and the BA Lenders and their respective directors, officers and employees from and against any charges, complaints, costs, damages, expenses, losses or liabilities of any kind or nature which they may incur, sustain or suffer, arising from or by reason of acting, or failing to act, as the case may be, in reliance upon this power of attorney, except to the extent caused by the gross negligence or willful misconduct of the Agent or the BA Lender or their respective directors, officers and employees. The Canadian Borrower hereby agrees that each Bankers' Acceptance completed and issued and accepted in accordance with this Section by a BA Lender on behalf of the Canadian Borrower is a valid, binding and negotiable instrument of the Canadian Borrower as drawer and endorser. The Canadian Borrower agrees that each BA Lender's accounts and records will constitute *prima facie* evidence of the execution and delivery by the Canadian Borrower

of Bankers' Acceptances. This power of attorney is coupled with an interest and shall continue in force until written notice of revocation with respect to any BA Lender has been served upon the Agent by the Canadian Borrower at the Agent's address set out in Section 13.11.

5.10.4 *Repayment Prior to Maturity.* The Canadian Borrower acknowledges that Advances made by a Lender by way of Bankers' Acceptances and BA Equivalent Loans may not be repaid prior to the maturity thereof. If any Bankers' Acceptance or BA Equivalent Loan is repaid prior to the scheduled maturity date hereof (whether as a result of Section 2.3 or Section 10.2 or otherwise), the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders the principal amount of such Bankers' Acceptance or BA Equivalent Loan and the Agent will in its discretion invest any funds in respect of such purported repayment in a term deposit maturing on the scheduled maturity date of the Bankers' Acceptance or BA Equivalent Loan. Any interest accruing on the term deposit will be paid to the Canadian Borrower on the maturity date thereof; provided, that no Event of Default has occurred and is continuing.

5.10.5 *Depository Bills.* It is the intention of the Parties that pursuant to the *Depository Bills and Notes Act* (Canada) ("DBNA"), all Bankers' Acceptances accepted by the Lenders under this Agreement will be issued in the form of a "depository bill" (as defined in the DBNA), deposited with a "clearing house" (as defined in the DBNA), including The Canadian Depository for Securities Limited or its nominee CDS Clearing and Depository Services Inc. ("CDS"). In order to give effect to the foregoing, the Agent will, subject to the approval of the Canadian Borrower and the Lenders, establish and notify the Canadian Borrower and the Lenders of any additional procedures, consistent with the terms of this Agreement, as are reasonably necessary to accomplish such intention, including:

- (a) any instrument held by the Agent for purposes of Bankers' Acceptances will have marked prominently and legibly on its face and within its text, at or before the time of issue, the words "This is a depository bill subject to the *Depository Bills and Notes Act* (Canada)";
- (b) any reference to the authentication of the Bankers' Acceptance will be removed; and
- (c) any reference to the "bearer" will be removed and such Bankers' Acceptances will not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.

5.10.6 *Rounding.* In the case of an issue of Bankers' Acceptances, the Agent will round allocations amongst the Lenders to ensure that each Bankers' Acceptance issued has a face amount which is a whole number multiple of \$100,000 (and such rounded allocations shall constitute the Lenders' respective Proportionate Share for the purposes of this Agreement).

5.11 Escrowed Funds

Upon the request of the Agent after the occurrence and during the continuance of an Event of Default on the cancellation of this Agreement, or if any Outstanding Advances by way of Bankers' Acceptances are required to be prepaid hereunder prior to their maturity, the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders, an amount equal to the Lenders' maximum potential liability under then outstanding Bankers' Acceptances. Such escrowed funds will be held by the Agent for set-off against future Obligations owing by the Canadian Borrower to the applicable Lenders in respect of such Bankers' Acceptances and pending such application may be invested in accordance with Section 5.10.4. In the case such Event of Default is either waived or cured in compliance with the terms of this Agreement, then the remaining escrow funds if any, together with any accrued interest to the date of release, will be released to the Canadian Borrower. The deposit of such escrow funds by the Canadian Borrower with the Agent as herein provided, will not operate as a repayment of the Outstanding Advance under the applicable Facility until such time as the escrow funds are actually paid to the applicable Lenders as a Repayment on the applicable maturity date thereof.

5.12 Special Provisions regarding BA Equivalent Loans

Each Non-BA Lender will not accept Bankers' Acceptances hereunder, and shall instead from time to time make BA Equivalent Loans to the Canadian Borrower. The amount of each BA Equivalent Loan will be equal to the discount proceeds (based on the discount rate set forth in Section 5.9.3 and subject to Section 5.10.6) which would be realized from a hypothetical sale of the corresponding Bankers' Acceptance on the basis the Lenders purchased such Bankers' Acceptance and the maturity date of each such BA Equivalent Loan will be the same as the maturity date of the corresponding Bankers' Acceptance. Upon the reasonable request of a Non-BA Lender, each BA Equivalent Loan may be evidenced by a non-interest bearing promissory note payable by the Canadian Borrower to the Non-BA Lender in a form acceptable to each such party, acting reasonably. Any such BA Equivalent Loan shall be negotiable by the Non-BA Lender without notice to or the consent of the Canadian Borrower, and the holder thereof shall be entitled to enforce such BA Equivalent Loan against the Canadian Borrower free of any equities, defences or rights of set-off that may exist between the Credit Parties and the Non-BA Lender. In this Agreement, all references to a BA Equivalent Loan shall mean the loan evidenced thereby if required by the context; and all references to the "issuance" of a BA Equivalent Loan by a Non-BA Lender and similar expressions shall mean the making of a BA Equivalent Loan by the Non-BA Lender which is evidenced by a BA Equivalent Loan as if applicable. The following provisions are applicable to each BA Equivalent Loan made by a Non-BA Lender to the Canadian Borrower hereunder:

5.12.1 *Payment of BA Equivalent Loans.* The Canadian Borrower agrees to provide for each BA Equivalent Loan by payment of the face amount thereof to the Agent on behalf of the Non-BA Lender on the maturity of the BA Equivalent Loan or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such Non-BA Lender and such Non-BA Lender shall in turn remit such amount to the holder of the BA Equivalent Loan. If the Canadian Borrower fails to provide for the payment of the BA Equivalent Loan accordingly, any amount not so paid shall be immediately

payable by the Canadian Borrower to the Agent on behalf of the Non-BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such BA Equivalent Loan was made. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any BA Equivalent Loan and agrees to indemnify and save harmless the Non-BA Lender in connection with all payments made by the Non-BA Lender (or by the Agent on its behalf) pursuant to BA Equivalent Loans accepted by the Non-BA Lender, together with all reasonable costs and expenses incurred by the Non-BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a BA Equivalent Loan is held by the Non-BA Lender for its own account at maturity.

5.12.2 *Availability of BA Equivalent Loans.* No Non-BA Lender shall have any obligation to issue BA Equivalent Loans during any period in which the BA Lenders' obligation to issue Bankers' Acceptances is suspended pursuant to Section 5.10.2.

5.13 Special Provisions Regarding LIBOR Loans

The following provisions are applicable to LIBOR Loans made by any Lender to the Borrowers.

5.13.1 *Drawdown Procedures.* Upon receipt by the Agent from a Borrower of a Drawdown Request, Conversion Notice or Rollover Notice in respect of a LIBOR Loan, the Agent will promptly advise such Borrower of the U.S. Dollar LIBOR Rate, such rate to be determined as at approximately 11:00 a.m. London time, two LIBOR Business Days before the commencement of the LIBOR Period for such LIBOR Loan.

5.13.2 *Interest Payment Dates for LIBOR Loans.* Interest in respect of any LIBOR Loan in U.S. Dollars shall be calculated on the basis of a year of 360 days. Interest in respect of any LIBOR Loan with a LIBOR Period of between one month and three months (inclusive) shall be payable at the time the principal amount of such LIBOR Loan is payable. Interest in respect of any LIBOR Loan with a LIBOR Period longer than three months shall be payable in arrears every three months commencing on the last day of the third month following the commencement of such LIBOR Period, and also at the time the principal amount of such LIBOR Loan is payable.

5.13.3 *Laws Applicable to LIBOR Loans.* Each Borrower acknowledges that the ability of the Lenders to maintain or provide any LIBOR Loan and to charge interest on any LIBOR Loan at the U.S. Dollar LIBOR Rate is and will be subject to any statute, law, regulation, rule or direction by any Governmental Authority having jurisdiction which may prohibit or restrict or limit such loans or such interest. Each Borrower agrees that the Lenders shall have the right to comply with any such requirements and, if the Agent determines it to be necessary as a result of such requirement, the Agent may convert any LIBOR Loan to a U.S. Dollar Base Rate Loan or require immediate repayment of all LIBOR Loans, including accrued interest thereon and all applicable breakage costs pursuant to Section 5.15.

5.14 Breakage Costs

The Borrowers may only Repay or Convert any LIBOR Loan prior to the scheduled maturity date thereof, whether as a result of acceleration or for any other reason, if the Borrowers agree to pay to the Agent upon demand all losses, damages, costs and expenses which such Lender has incurred or may incur as a result of such Repayment or Conversion prior to the said scheduled maturity date. The Agent shall provide the Borrowers with a written certificate showing in reasonable detail the basis for such claim, which shall be deemed to be *prima facie* correct, in the absence of manifest error.

5.15 Inability to Make LIBOR Loans

If at any time and from time to time:

- (a) the Agent (acting reasonably) determines that by reason of circumstances affecting the London Interbank Eurodollar Market, adequate and fair means do not exist for ascertaining the rate of interest with respect to, or deposits are not available in sufficient amounts in the ordinary course of business at the rate determined hereunder to fund, a requested LIBOR Loan during the ensuing LIBOR Period selected;
- (b) the Agent (acting reasonably) determines that the making or continuing of the requested LIBOR Loan by the Lenders has been made impracticable by the occurrence of an event which materially adversely affects the London Interbank Eurodollar Market generally; or
- (c) the Agent is advised by Lenders representing no less than 35% of the Commitments that the U.S. Dollar LIBOR Rate will not or does not represent the effective cost to such Lender of U.S. Dollar deposits in such market for the relevant LIBOR Period,

then the Agent shall give notice thereof to the Lenders and the Borrowers as soon as possible after such determination or receipt of such notice, as the case may be, and if such notice is given subsequent to the giving of a Drawdown Request or any Rollover Notice or Conversion Notice to the Agent by a Borrower with regard to any requested LIBOR Loan, such Borrower shall, within one Business Day after receipt of such notice and in replacement of the Drawdown Request, Rollover Notice or Conversion Notice, as the case may be, previously given by such Borrower, give the Agent a Drawdown Request or a Conversion Notice, as the case may be, which specifies the Advance of a U.S. Dollar Base Rate Loan or the Conversion of the relevant LIBOR Loan on the last day of the applicable LIBOR Period into a U.S. Dollar Base Rate Loan. In the event a Borrower fails to give, if applicable, a valid replacement Conversion Notice with respect to the maturing LIBOR Loans which were the subject of a Rollover Notice, such maturing LIBOR Loans shall be converted on the last day of the applicable LIBOR Period into U.S. Dollar Base Rate Loans under the applicable Facility as if a Conversion Notice had been given to the Agent by such Borrower pursuant to the provisions hereof. In the event a Borrower fails to give, if applicable, a valid replacement Drawdown Request with respect to an Advance

originally requested by way of a LIBOR Loan, then such Borrower shall be deemed to have requested an Advance by way of a U.S. Dollar Base Rate Loan in the amount specified in the original Drawdown Request and, on the originally requested date of Advance, the applicable Lenders (subject to the other provisions hereof) shall make available the requested amount by way of a U.S. Dollar Base Rate Loan under the applicable Facility.

If at any time the Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 5.15(b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 5.15(b) have not arisen but the supervisor for the administrator of LIBOR Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement identifying a specific date after which the LIBOR Rate shall no longer be used for determining interest rates for loans, then the Agent and the Borrowers shall negotiate in good faith to establish an alternate rate of interest to LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for LIBOR Loans made in Canada or in the United States at such time, and upon an agreement being reached, shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary herein, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

5.16 Special Provisions Regarding Letters of Credit

The following additional provisions are applicable to Letters of Credit issued by hereunder:

- (a) The obligation of a Borrower to reimburse any Issuing Bank for all drawings under Letters of Credit shall be absolute, unconditional and irrevocable and shall be satisfied strictly in accordance with their terms, irrespective of:
 - (i) any lack of validity or enforceability of any Letter of Credit;
 - (ii) the existence of any claim, setoff, defence or other right which such Borrower or any other Person may at any time have against the beneficiary under any Letter of Credit, such Issuing Bank, the Agent or any Lender (other than the defence of payment in accordance with the terms of this Agreement or a defence based on the gross negligence or willful misconduct of such Issuing Bank as determined by a court of competent jurisdiction by final and non-appealable judgment) or any other Person in accordance with this Agreement or other transaction;

- (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; and
 - (iv) any other circumstance or event whatsoever, whether or not similar to any of the foregoing.
- (b) In making any payment under any Letter of Credit (a) an Issuing Bank's exclusive reliance on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever and (b) any non-compliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in each case, not be deemed willful misconduct or negligence of such Issuing Bank.
- (c) Each Issuing Bank and its correspondents may accept and act upon the name, signature, or act of any party purporting to be the executor, administrator, receiver, trustee in bankruptcy or other legal representative of any party designated in any Letter of Credit in the place of the name, signature, or act of such party.
- (d) In addition to amounts payable as elsewhere provided in this Section 5.16, each Borrower hereby agrees to protect, indemnify, pay and save each Issuing Bank and its respective directors, officers, employees, agents and representatives harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including legal fees and expenses) which each such indemnitee may incur or be subject to as a consequence, direct or indirect, of:
 - (i) the issuance of any Letter of Credit, other than as a result of the breach of the standards of reasonable care where such Issuing Bank would not be entitled to the foregoing indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit;
 - (ii) the inability of an indemnitee to honour a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority; or
 - (iii) any of the matters listed in Section 5.16(e).
- (e) As between a Borrower, on the one hand, and an Issuing Bank, on the other hand, such Borrower assumes all risks of the acts and omissions of, or misuse of the

Letters of Credit issued at its request hereunder by, the respective beneficiaries of such Letters of Credit and, without limitation of the foregoing (but other than to the extent such Issuing Bank breaches the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, as applicable, where such Issuing Bank would not be entitled to indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit), such Issuing Bank shall not be responsible for:

- (i) the form, validity, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, inaccurate, fraudulent or forged;
- (ii) the invalidity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;
- (iii) errors, omissions, interruptions or delays in transmission or delivery of any messages, by fax, electronic transmission, mail, cable telegraph, telex or otherwise, whether or not they are in cipher;
- (iv) errors in interpretation of technical terms;
- (v) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof;
- (vi) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; and
- (vii) any consequences arising from causes beyond the reasonable control of any Lender, including any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority.

None of the above shall affect, impair or prevent the vesting of any Issuing Bank's rights or powers hereunder. No action taken or omitted by an Issuing Bank under or in connection with any Letter of Credit issued by it or the related certificates, if taken or omitted in good faith, shall put such Issuing Bank under any resulting liability to the applicable Borrower (provided, that such Issuing Bank acts in accordance with the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit).

- (f) If any Letter of Credit is outstanding on the Facilities Maturity Date, on the date this Agreement and all Commitments hereunder are cancelled, at any time that an Event of Default occurs, a demand for repayment is made hereunder, or a

domestic or foreign court issues any judgment or order restricting or prohibiting payment by the applicable Issuing Bank under such Letter of Credit or extending the liability of the applicable Issuing Bank to make payment under such Letter of Credit beyond the expiry date specified therein, the applicable Borrower will forthwith upon demand by the Agent or the applicable Issuing Bank deposit into a cash collateral account maintained by and in the name of the Agent or the applicable Issuing Bank funds in the applicable currency in the amount of the Advance constituted by such Letter of Credit and such funds (together with interest thereon) will be held by the Agent or the applicable Issuing Bank for payment of the liability of the applicable Borrower pursuant to this Section 5.16 or otherwise in respect of such Letter of Credit so long as such Issuing Bank has or may in any circumstance have any liability under such Letter of Credit, and, pending such payment, shall bear interest at the Agent's or the applicable Issuing Bank, as applicable then prevailing rate in respect of deposits of similar amounts and of similar periods of time. Any balance of such funds and interest remaining at such time as the applicable Issuing Bank does not have and may never have any liability under such Letter of Credit will nevertheless continue to be held by the Agent or the applicable Issuing Bank, if and so long as any Default or Event of Default is continuing or after a demand for repayment is made or both, as security for the remaining liabilities of the applicable Borrower hereunder. The Agent or the applicable Issuing Bank, as applicable, shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of such funds by a Borrower with the Agent or the applicable Issuing Bank as herein provided will not operate as a repayment of the U.S. Operating Facility or the Swingline Commitment, as applicable, until such time as such funds are actually paid to the U.S. Operating Lenders or the Swingline Lender, as applicable, as a principal repayment.

From and after the date of the occurrence of an Event of Default and for so long as such Event of Default continues, both before and after the Acceleration Date, all Outstanding Advances may bear interest or fees at the Default Rate in order to compensate the Lenders for the additional risk associated therewith.

10.3 Acceleration of Certain Contingent Obligations

Upon the occurrence of an Event of Default which is continuing, any Lender which has issued a Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit or entered into a Hedging Agreement with Credit Party may make a Canadian Dollar Prime Rate Loan, a U.S. Dollar Base Rate Loan or a U.S. Dollar Prime Rate Loan, as applicable, to a Borrower in an amount equal to the face amount of such Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit, or the amount required to unwind such Hedging Agreement (such amount to be determined in accordance with the terms thereof), as the case may be; and the proceeds of any such Loan shall be held by such Lender and used to satisfy the Lender's obligations under the said Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit as such becomes due, or to effect the unwinding of such Hedging Agreement. Any such Loan shall bear interest at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans or U.S. Dollar Prime Rate Loan, as applicable, under the Facility under which such Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit was issued. Any such Loan made in respect of a Hedging Agreement shall bear interest at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Canadian Operating Facility which provides for the highest interest rate at such time.

10.4 Combining Accounts, Set-Off

Upon the occurrence and during the continuation of an Event of Default, in addition to and not in limitation of any rights now or hereafter granted under Applicable Law, each Lender may without notice to any Credit Party at any time and from time to time:

- (a) combine, consolidate or merge any or all of the deposits or other accounts maintained with such Lender by such Credit Party in respect of this Agreement (whether term, notice, demand or otherwise and whether matured or unmatured) and such Credit Party's obligations to such Lender hereunder; and
- (b) set off, apply or transfer any or all sums standing to the credit of any such deposits or accounts in or towards the satisfaction of the said obligations,

including all claims of any nature or description arising out of or connected with this Agreement, including contingent obligations of the Lenders in respect of unmatured Bankers' Acceptances, in which case the Agent or such Lender will promptly notify the Borrower thereof after the occurrence thereof; provided, that the Agent's or such Lender's failure to give any such notice will not affect the validity thereof. Nothing contained in the Credit Documents will require the Agent or a Lender to exercise any right, or will affect the right of the Agent or a Lender to exercise and retain the benefits of exercising any right, with respect to any Obligations existing otherwise than pursuant to the Credit Documents.

10.5 Attorney in Fact

Each Borrower hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of such Borrower and in the name of such Borrower or in its own name, from time to time in the Agent's discretion, for the purpose of

carrying out the terms of the Credit Documents, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of the Credit Documents and which such Borrower being required by the terms thereof to take or execute has failed to take or execute; provided, that this power of attorney will not be effective until the occurrence and during the continuance of any Event of Default. Each Borrower hereby ratifies all that said attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and will be irrevocable until all of the Obligations under the Credit Documents have been unconditionally and irrevocably paid and performed in full. Each Borrower also authorizes the Agent, at any time and from time to time following the occurrence and during the continuance of any Event of Default, to execute any endorsements, assignments or other instruments of conveyance or transfer pursuant to the Security. If requested by the Agent, each Borrower will cause each other Credit Party to constitute and appoint the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact in accordance with the foregoing provisions of this Section 10.5.

10.6 Appropriation of Monies

After the occurrence and during the continuation of an Event of Default, the Agent may from time to time apply any Proceeds of Realization against any portion or portions of the Obligations, and the Borrowers may not require any different application. The taking of a judgment or any other action or dealing whatsoever by the Agent or the Lenders in respect of the Security shall not operate as a merger of any of the Obligations hereunder or in any way affect or prejudice the rights, remedies and powers which the Agent or the Lenders may have, and the foreclosure, surrender, cancellation or any other dealing with any Security or the said obligations shall not release or affect the liability of the Borrowers or any other Person in respect of the remaining portion of the Obligations.

10.7 No Further Advances

The Lenders shall not be obliged to make any further Advances (including honouring any cheques drawn by a Borrower which are presented for payment) from and after the earliest to occur of the following: (a) delivery by the Agent to the Borrowers of a written notice that a Default or an Event of Default has occurred and is continuing and that as a result thereof no further Advances will be made (whether or not such notice also requires immediate repayment of the Obligations) and (b) the occurrence and continuance of an Event of Default under Section 10.1(h).

10.8 Remedies Cumulative

All of the rights and remedies granted to the Agent and the Lenders in this Agreement, and any other Credit Documents or instruments in existence between the Parties or contemplated hereby, and any other rights and remedies available to the Agent and the Lenders at law or in equity, shall be cumulative. The exercise or failure to exercise any of the said remedies shall not constitute a waiver or release thereof or of any other right or remedy, and shall be non-exclusive.

10.9 Performance of Covenants by Agent

If a Credit Party fails to perform any covenant or obligation to be performed by it pursuant to this Agreement, the Agent, at the request of the Required Lenders (in their sole discretion), after written notice to the Borrowers, perform any of the said obligations but shall be under no obligation to do so; and any amounts expended or advanced by the Agent for such purpose shall be payable by the Borrowers upon demand, together with interest thereon at the highest rate then applicable to the Facilities.

10.10 Purchase of Participation Following Acceleration

After all Obligations are declared by the Agent to be due and payable pursuant to Section 10.2, (i) each Lender agrees that it will at any time or from time to time thereafter at the request of the Agent as required by any Lender, purchase at par on a non-recourse basis a participation in the Outstanding Advances owing to each of the other Lenders under the Operating Facilities and make any other adjustments as are necessary or appropriate, in order that the Outstanding Advances owing to each of the Lenders under the Operating Facilities, as adjusted pursuant to this Section 10.10, will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; (ii) the amount of any repayment made by or on behalf of the Credit Parties under the Credit Documents or any proceeds received by the Agent or the Lenders pursuant to Section 11.7 will be applied by the Agent in a manner such that to the extent possible the amount of the Outstanding Advances owing to each Lender under the Operating Facilities after giving effect to such application will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; provided that: (i) HSBC US shall not purchase any participation under this Section 10.10 from HSBC Bank Canada (and provided that for certainty, the foregoing proviso shall not affect the obligations of HSBC US to any of the other Lenders under this Section 10.10); and (ii) if Applicable Laws or a Lender's internal regulations and policies prohibits such Lender from purchasing a participation in Outstanding Advances owing by a Borrower other than the Canadian Borrower, such Lender shall not be required to purchase a participation in the Outstanding Advances owing by such Borrower, provided that such Lender hereby indemnifies the other Lenders for its Proportionate Share of such Outstanding Advances as if such purchase had occurred.

ARTICLE 11 ADMINISTRATION OF THE FACILITIES

11.1 Authorization and Action

Each Lender hereby irrevocably appoints and authorizes the Agent to be its agent in its name and on its behalf and to exercise such rights or powers granted to the Agent or the Lenders under the Credit Documents to the extent specifically provided therein and on the terms thereof, together with such powers and authority as are reasonably incidental thereto. As to any matters not expressly provided for by the Credit Documents, the Agent will not be required to exercise any discretion or take any action, but will be required to act or to refrain from acting (and will be

fully indemnified and protected by the Lenders to the greatest extent permitted by Law in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions will be binding upon all Lenders; provided, however, that the Agent will not be required to take any action which, in the opinion of the Agent, might expose the Agent to liability in such capacity, which could result in the Agent incurring any costs and expenses, or which is contrary to the spirit and intent of this Agreement.

11.2 Decision-Making

11.2.1 Any amendment to this Agreement relating to the following matters shall require the unanimous agreement of the Lenders:

- (a) decreases in interest rates or fees payable in respect of any Facility;
- (b) increases in the maximum amount of credit available under any Facility (other than increases made pursuant to Section 2.8.1);
- (c) extensions, or changes to the definition, of the Facilities Maturity Date;
- (d) extensions or postponements of the scheduled dates or the scheduled amounts for Repayments hereunder;
- (e) reductions in the Outstanding Advances under any Facility;
- (f) releases of all or substantially all of the Security, unless in connection with a Permitted Disposition;
- (g) any change to the definition of Required Lenders;
- (h) any provision of this Agreement which expressly states that the unanimous consent of the Lenders is required in connection with an action to be taken or consent provided by the Lenders;
- (i) any amendment, modification or elimination the definition of Borrowing Base or any of the defined terms that are used in such definition to the extent that any such change results in more credit being made available to the Borrowers based upon the Borrowing Base, but not otherwise;
- (j) any change to Sections 11.8.1, 11.9(b) or any other provision regarding the allocation of payments to the Lenders under this Agreement; and
- (k) this Section 11.2;

provided, that (A) any change to Section 2.6.1(i) or Article 11 will also require the consent of the Agent, (B) any change to Sections 4.6.1(c) and 4.7 (and the related definitions referenced therein) will require the consent of the Issuing Bank under the U.S. Operating Facility and the Agent, (C) any change to Sections 2.6.1(b) and 2.7 (and the related definitions referenced therein) will require the consent of the Swingline Lender

and the Agent, (D) any change to Section 5.16 (and the related definitions referenced therein) will require the consent of each Issuing Bank and the Agent (E) any increase to the individual commitment amount of a Lender under a Facility can only be made with the consent of such Lender; and (F) any other change which only effects the Canadian Operating Lenders, the U.S. Operating Lenders, the Canadian Operating Lenders, Term Lenders, the Issuing Bank, the Swingline Lender or the Agent, respectively, shall only require the consent of the affected Persons.

11.2.2 Except for the matters described in Section 11.2.1 above, any amendment to this Agreement or the other Credit Documents shall be effective if made among the Borrower and the Required Lenders, and for greater certainty any such amendment which is agreed to by the Required Lenders shall be final and binding upon all Lenders.

11.2.3 Except for the matters which require the unanimous consent of the Lenders as set out above, any action to be taken or decision to be made by the Lenders pursuant to this Agreement (specifically including for greater certainty the issuance of written notice to the Borrower of the occurrence of a Default or Event of Default, the issuance of a demand for payment of the Obligations, a decision to make an Advance despite any condition precedent relating thereto not being satisfied, the provision of any waiver in respect of a breach of any covenant or the issuance of any consent which may be required under Section 7.2) shall be effective if approved by the Required Lenders; and any such decision or action shall be final and binding upon all the Lenders.

11.2.4 Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be unanimous shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by all of the Lenders. Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be made by the Required Lenders shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by the Required Lenders. Any instrument contemplated in this Section 11.2.4 may be executed by fax or pdf and in counterparts.

11.2.5 Subject to Section 8.5(b), the Agent may from time to time without notice to or the consent of the Lenders execute and deliver partial releases of the Security in respect of any item of Collateral (whether or not the proceeds of sale thereof are received by the Agent) which the Credit Parties are permitted to dispose of in connection with a Permitted Disposition; and in releasing any such Security the Agent may rely upon and assume the correctness of all information contained in any certificate or document provided by any one or more of the Borrowers, without further enquiry. Otherwise, any release or discharge in respect of the Security or any portion thereof shall require the written consent of the Lenders acting unanimously.

11.3 Procedure for Making Advances

11.3.1 Subject to Section 11.8.3, all Advances under each Facility will be made in accordance with each Lender's Proportionate Share of such Advance under such Facility.

11.3.2 The Lenders, through the Agent, will make Advances under a Facility available to the Borrower as required hereunder by debiting the account of the Agent to which each Lender's Proportionate Share in respect of each Facility of such Advances has been credited (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrowers in writing, by transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrowers as set forth in the a Drawdown Request, Conversion Notice or Rollover Notice, as the case may be, in respect of each Advance under each Facility; provided, that the obligation of the Agent hereunder will be limited to taking such steps as are in keeping with its normal banking practice and which are commercially reasonable in the circumstances to implement such instructions, and the Agent will not be liable for any damages, claims or costs which may be suffered by the Borrowers or any of the Lenders and occasioned by the failure of such funds to reach their designated destination, unless such failure is due to the gross negligence or wilful misconduct of the Agent.

11.4 Failure to Fund

11.4.1 Unless the Agent has actual knowledge that a Lender has not made or will not make available to the Agent for value on the date of any Advance the applicable amount required from such Lender hereunder, the Agent shall be entitled to assume that such amount has been or will be received from such Lender when so due and the Agent may (but shall not under any circumstances be obliged to), in reliance upon such assumption, make available to the applicable Borrower a corresponding amount (except that no such amount shall be made available to the applicable Borrower in the case of a deemed Advance). If such amount is not in fact received by the Agent from such Lender on such date and the Agent has made available a corresponding amount to the applicable Borrower on such date as aforesaid (or is deemed to have made an Advance to the applicable Borrower in such amount), such Lender shall pay to the Agent on demand an amount equal to the aggregate of the applicable amount required from such Lender hereunder plus an amount equal to the product of (a) the rate per annum applicable to overnight deposits made with the Agent for amounts approximately equal to the amount required from such Lender multiplied by (b) the amount that should have been paid to the Agent by such Lender on such date and was not, multiplied by (c) a fraction, the numerator of which is the number of days that have elapsed from and including such date to but excluding the date on which the amount is received by the Agent from such Lender and the denominator of which is 365 or 366 days, as the case may be, in the case of all Advances. A certificate of the Agent containing details of the amount owing by a Lender under this Section shall be binding and conclusive in the absence of manifest error. If any such amount is not in fact received by the Agent from such Lender on such date, the Agent shall be entitled to recover from the applicable Borrower, on demand, the related amount made available by the Agent to such Borrower as aforesaid together with interest thereon at the applicable rate per annum payable by such Borrower hereunder.

11.4.2 Notwithstanding the provisions of Section 11.4.1, if any Lender fails to make available to the Agent its Proportionate Share of any Advance, which for greater certainty includes a deemed Advance hereunder (such Lender being herein called the "**Non-Paying Lender**"), the Agent shall forthwith give notice of such failure by the Non-Paying Lender

to the applicable Borrower (except where such failure relates to a deemed Advance) and to the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Paying Lender's Proportionate Share of such Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Paying Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Paying Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the "**Contributing Lenders**" and individually called the "**Contributing Lender**") are prepared to make available exceeds the amount of the Advance which the Non-Paying Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Proportionate Share of such Advance based on the Contributing Lenders' relative commitments to advance in such circumstances. If any Contributing Lender makes funds available in the place of a Non-Paying Lender in such circumstances, then the Non-Paying Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to such Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the applicable Borrower. The failure of any Lender to make available to the Agent its Proportionate Share of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Proportionate Share of any Advance as required herein.

11.5 Defaulting Lenders and Replacement of Lenders

11.5.1 Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) the standby fees payable to a Defaulting Lender hereunder shall cease to accrue on the unused portion of its Commitment under any Operating Facility, as applicable;
- (b) a Defaulting Lender shall not be included in determining whether, and the Commitment and the Proportionate Share of the Outstanding Advances of such Defaulting Lender under the Facilities, or any of them, shall not be included in determining whether, all Lenders or the Required Lenders, have taken or may take any action hereunder; provided, that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;
- (c) subject to Section 11.4.1, for the purposes of any Advance requested hereunder while there is a Defaulting Lender, each Lender's Proportionate Share thereof shall be calculated based on such Lender's (A) Commitment relative to the total Commitment under the applicable Facility reduced by the Commitment of the Defaulting Lender;

- (d) the Agent, the Swingline Lender or the Issuing Bank may require such Defaulting Lender to pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent an amount equal to such Defaulting Lender's maximum contingent obligations hereunder to the Agent, the Swingline Lender or the Issuing Bank, as the case may be (provided that the foregoing shall not apply to Export Development Canada to the extent such a deposit is unlawful under the *Financial Administration Act* (Canada));
- (e) the Agent may withhold any payments owing to such Defaulting Lender for set off against such Defaulting Lender's existing or reasonably foreseeable future obligations hereunder; and
- (f) for the avoidance of doubt, the Borrowers shall retain and reserve their other rights and remedies respecting each Defaulting Lender.

11.5.2 If a Lender is a Defaulting Lender or refuses to give timely consent to an amendment, modification or waiver of this Agreement that, pursuant to Section 11.2, requires consent of all the Lenders (and the consent of the Required Lenders has been given with respect thereto) (a "**Non-Consenting Lender**") (collectively, the "**Departing Lenders**"), then the Borrowers may:

- (a) replace the Departing Lender with another financial institution acceptable to the Agent, the Swingline Lender and the Issuing Bank, each acting reasonably, who purchases at par, or such lower price as the Departing Lender may agree in its sole discretion, the Outstanding Advances and other amounts under all Facilities owing to the Departing Lender and such Lender's entire Commitment and assumes the Departing Lender's Commitment and all other obligations of the Departing Lender hereunder; provided, that prior to or concurrently with such replacement:
 - (i) the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of replacement and a release from any further obligations to make Advances under the Credit Documents after the date of such replacement;
 - (ii) the assignment fee required to be paid by Section 13.6.2 shall have been paid to the Agent;
 - (iii) all of the other requirements for such assignment contained herein shall have been satisfied, including the consent of the Agent, the Swingline Lender and the Issuing Bank and the receipt by the Agent of such agreements, documents and instruments as the Agent may reasonably require; and
 - (iv) in the case of a Departing Lender who is a Non-Consenting Lender, each assignee consents, at the time of such assignment, to each matter in respect of which such Non-Consenting Lender was a Non-Consenting Lender and

the Borrowers also requires each other Lender that is a Non-Consenting Lender to assign the Outstanding Advances owing to it under each Facility and its Commitment; or

- (b) provided, no Default or Event of Default exists at such time, elect to terminate the Departing Lender's Commitment, in which case the Commitment in respect of each Facility shall be reduced by an amount equal to the amount of any Commitment of such Facility so cancelled (provided, that prior to or concurrently with such cancellation the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of cancellation (including breakage and other costs in accordance with Sections 5.10.4 and 5.14) and a release from any further obligations to make Advances under the Credit Documents after such termination); or
- (c) exercise any combination of the rights under (a) and (b) above; provided, that in each case, each Departing Lender is treated ratably with the other Departing Lenders, if any.

11.6 Security and Exercise of Remedies

11.6.1 Except to the extent provided in Section 11.6.2, the Security shall be granted in favour of and held by the Agent for and on behalf of the Lenders in accordance with the provisions of this Agreement. The Agent shall, in accordance with its usual practices in effect from time to time, take all steps required to perfect and maintain the Security to the extent required hereunder, including: taking possession of the certificates representing the securities required to be pledged hereunder to the extent required hereunder; filing renewals and change notices in respect of such Security; and ensuring that the name of the Agent is noted as loss payee or mortgagee on all property insurance policies covering the Collateral. If the Agent becomes aware of any matter concerning the Security which it considers to be material, it shall promptly inform the Lenders. The Agent shall comply with all instructions provided by the Lenders or the Required Lenders, as the case may be, in connection with the enforcement or release of the Security which it holds. The Agent agrees to permit each Lender to review and make photocopies of the original documents comprising the Security from time to time upon reasonable notice. The Agent is hereby authorized to enter into the Subordination Agreement on behalf of the Lenders and to any subordination and postponement agreements in respect of Subordinated Debt from time to time to the extent the same is permitted hereunder. Each Lender further authorizes the Agent to execute on its behalf, directly or through attorneys-in-fact duly appointed for such purposes, and to accept the benefits of, each of the Security governed under the laws of the Republic of Colombia and any other agreements or documents as may be necessary or advisable in connection with the grant of, or attachment or perfection of, modification, supplement or waiver under any of, the security interest granted to the Agent, for the benefit of the Lenders, pursuant to the Security governed under the laws of the Republic of Colombia. The Lenders and the other Secured Parties authorize the Agent to release any Collateral or Guarantors in accordance with Section 13.21 or if approved, authorized or ratified in accordance with Section 11.2.1. The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Agent to, without any further consent of any

Lender, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the Encina Intercreditor Agreement and the Wells Fargo Letter to the extent this Agreement does not otherwise require the consent of the Required Lenders or all Lenders therefor.

11.6.2 If any Credit Party has provided security in favour of any Lender directly, except for Permitted Purchase-Money Security Interests and Permitted Liens, such Lender agrees to pay to the Agent all amounts received by it in connection with the enforcement of such security, and all such amounts shall be deemed to constitute Proceeds of Realization and shall be dealt with as provided in Section 11.7.

11.6.3 Except as otherwise provided herein, each Lender hereby acknowledges that, to the extent permitted by Applicable Law, rights and remedies provided under the Credit Documents to the Lenders are for the benefit of the Lenders collectively and not severally and further acknowledges that its rights and remedies thereunder are to be exercised not severally but collectively through the Agent upon the decision of the Lenders (with the required majority or unanimity as herein provided), regardless of whether acceleration of Obligations hereunder was made, and accordingly, notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it will not be entitled to take any action with respect to the Facilities, including any acceleration of Obligations thereunder, but that any such action will be taken only by the Agent with the prior written direction of the Lenders (with the required majority or unanimity as herein provided). Notwithstanding the foregoing or anything else set forth herein to the contrary, in the absence of written instructions from the Lenders, and where in the sole opinion of the Agent the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the circumstances. Each of the Lenders hereby covenants and agrees that it has not heretofore and will not seek, take, accept or receive any Liens in respect of any of the Obligations of the Credit Parties under the Credit Documents and will not enter into any agreement with any of the Parties relating in any manner whatsoever to the Facilities, unless all of the Lenders under the Facilities will at the same time obtain the benefit of any such security or agreement, as the case may be.

11.7 Application of Proceeds of Realization

Notwithstanding any other provision of this Agreement, the Proceeds of Realization of the Security or any portion thereof shall be distributed in the following order:

- (a) firstly, in payment of all costs and expenses incurred by the Agent and the Lenders in connection with such realization, including legal, accounting and receivers' fees and disbursements;
- (b) secondly, against the Obligations (including Secured Hedging Liabilities but excluding any other Hedging Liabilities in excess thereof, and, for certainty, excluding any Hedging Liabilities which are owed to a counterparty other than a Lender or Affiliate thereof), each Lender being entitled to receive its Proportionate Share thereof;

- (c) thirdly, against all Hedging Liabilities which are owing to any Lender or Affiliate thereof in excess of Secured Hedging Liabilities; and
- (d) fourthly, if all Obligations of the Borrowers listed above and all other Hedging Liabilities owing to any Lender or Affiliate thereof have been paid and satisfied in full, any surplus Proceeds of Realization shall be paid in accordance with Applicable Law.

11.8 Payments by Agent

11.8.1 The following provisions shall apply to all payments made by the Agent to the Lenders hereunder:

- (a) the Agent shall be under no obligation to make any payment (whether in respect of principal, Interest, fees or otherwise) to any Lender until an amount in respect of such payment has been received by the Agent from a Credit Party;
- (b) if the Agent receives a payment of principal, Interest, fees or other amount owing by any Borrower under a Facility which is less than the full amount of any such payment due, the Agent shall distribute such amount received among the Lenders under such Facility in each Lender's Proportionate Share of such Facility;
- (c) if the Agent receives payments in respect of principal, Interest, fees or other amounts owing by a Borrower under more than one Facility which are due on the same day, and if the amounts received are insufficient to satisfy all payments required under such Facilities on such day, the Agent shall, except as otherwise specifically set forth herein, distribute such amounts received among the Lenders under such Facilities in each Lender's Proportionate Share of such Facilities;
- (d) if any Lender has advanced more or less than its Proportionate Share of its Commitment under a Facility, such Lender's entitlement to such payment shall be increased or reduced, as the case may be, in proportion to the amount actually advanced by such Lender;
- (e) if a Lender's Proportionate Share of an Advance under a Facility has been advanced for less than the full period to which any payment by any Credit Party relates, such Lender's entitlement to receive a portion of any payment of interest or fees shall be reduced in proportion to the length of time such Lender's Proportionate Share has actually been outstanding;
- (f) the Agent acting reasonably and in good faith shall, after consultation with the Lenders in the case of any dispute, determine in all cases the amount of all payments to which each Lender is entitled and such determination shall be deemed to be *prima facie* correct;
- (g) upon request by a Lender, the Agent shall deliver a statement detailing any of the payments to the Lenders referred to herein;

- (h) all payments by the Agent to a Lender hereunder shall be made to such Lender at its address set out herein unless notice to the contrary is received by the Agent from such Lender; and
- (i) if the Agent has received a payment from a Credit Party on a Business Day (not later than the time required for the receipt of such payment as set out in this Agreement) and fails to remit such payment to any Lender entitled to receive its Proportionate Share of such payment on such Business Day, the Agent agrees to pay interest on such late payment at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

11.8.2 Each Borrower hereby irrevocably authorizes the Agent to debit any account maintained by it with the Agent after written notice to such Borrower in order to make payments to the Lenders or the Agent of any amount that is overdue and payable hereunder for the purposes of satisfying payment thereof.

11.8.3 The Agent may in its discretion from time to time make adjustments in respect of any Lender's share of an Advance, Conversion, Rollover or Repayment under a Facility in order that the Outstanding Advances due to such Lender under such Facility shall be approximately in accordance with such Lender's Proportionate Share of the Facility.

11.9 Redistribution of Payment

Each Lender agrees that, subject to Section 10.4:

- (a) If it exercises any right of counterclaim, set off, bankers' lien or similar right with respect to any property of any Credit Party or if under Applicable Law it receives a secured claim, it will apportion the amount thereof proportionately between:
 - (i) amounts outstanding at the time owed by the Credit Party to such Lender under this Agreement, which amounts will be applied in accordance with this Section 11.9; and
 - (ii) amounts otherwise owed to it by a Credit Party;

provided, that any cash collateral account held by such Lender as collateral for a letter of credit or bankers' acceptance (including a Bankers' Acceptance) issued or accepted by such Lender on behalf of a Credit Party may be applied by such Lender to such amounts owed by such Credit Party to such Lender pursuant to such letter of credit or in respect of any such bankers' acceptance without apportionment.

- (b) If it receives, through the exercise of a right or the receipt of a secured claim described in Section 11.9(a) or otherwise, payment of a proportion of the aggregate amount of principal, interest and fees due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest and fees due in respect of the applicable

Facility (having regard to the respective proportionate amounts advanced as Advances by each of the Lenders under the applicable Facility), the Lender receiving such proportionately greater payment will purchase a participation (which will be deemed to have been done simultaneously with receipt of such payment) in that portion of the applicable Facility of the other Lenders so that their respective receipts will be *pro rata* to their respective Proportionate Shares; provided, however, that, if all or part of such proportionately greater payment received by such purchasing Lender is otherwise recovered by it, such purchase will be rescinded and the purchase price for such participation will be returned to the extent of such recovery, but without interest. Such Lender will exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section 11.9 to share in the benefits of any recovery on such secured claims.

- (c) If it does any act or thing permitted by Section 11.9(a) or 11.9(b), it will promptly provide full particulars thereof to the Agent.
- (d) Except as permitted under Section 11.9(a) or 11.9(b), no Lender will be entitled to exercise any right of counter claim, set off, bankers' lien or similar right without the prior written consent of the other Lenders.
- (e) Notwithstanding anything else in this Section 11.9, any amounts which are lawfully received by any Hedge Provider in respect of Hedging Liabilities prior to the delivery by the Agent of a declaration of all Obligations becoming due pursuant to Section 11.9 are not required to be shared pursuant to the provisions of this Section 11.9.
- (f) The provisions of this Section 11.9 shall survive repayment of the Obligations.

11.10 Protection of Agent

11.10.1 Unless the Agent has actual knowledge or actual notice to the contrary, it may assume that each Lender's address set out in Exhibit "A" attached hereto is correct, unless and until it has received from such Lender a notice designating a different address.

11.10.2 The Agent may engage and pay for the advice or services of any lawyers, accountants or other experts whose advice or services may to it seem necessary, expedient or desirable and rely upon any advice so obtained (and to the extent that such costs are not recovered from the Credit Parties pursuant to this Agreement, each Lender agrees to reimburse the Agent in such Lender's Proportionate Share of such costs).

11.10.3 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely as to matters of fact which might reasonably be expected to be within the knowledge of any Credit Party upon a statement contained in any Credit Document.

11.10.4 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely upon any communication or document believed by it to be genuine.

11.10.5 The Agent may refrain from exercising any right, power or discretion vested in it under this Agreement unless and until instructed by the Required Lenders as to whether or not such right, power or discretion is to be exercised and, if it is to be exercised, as to the manner in which it should be exercised (provided, that such instructions shall be required to be provided by all of the Lenders in respect of any matter for which the unanimous consent of the Lenders is required as set out herein).

11.10.6 The Agent may refrain from exercising any right, power or discretion vested in it which would or might in its sole and unfettered opinion be contrary to any law of any jurisdiction or any directive or otherwise render it liable to any Person, and may do anything which is in its opinion in its sole discretion necessary to comply with any such law or directive.

11.10.7 The Agent may delegate to such other Person, such duties and responsibilities of the Agent hereunder as it shall determine to be appropriate in respect of dealings with or relating to any Credit Party or any other Person and in particular, the Agent may execute any of its duties under this Agreement or any other Credit Document (including, for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security or of exercising any rights and remedies thereunder) by sub-agent or attorney-in-fact. The Agent shall not be responsible for the negligence or misconduct of any sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct on the part of the Agent, as determined by a final and non-appealable judgment of a court of competent jurisdiction. The exculpatory provisions of this Agreement applicable to the Agent shall apply to any such other Person, sub-agent or attorney-in-fact and to the Affiliates of the Agent and any such sub-agent or attorney-in-fact, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Agent.

11.10.8 The Agent may refrain from acting in accordance with any instructions of the Required Lenders to begin any legal action or proceeding arising out of or in connection with this Agreement or take any steps to enforce or realize upon any Security, until it shall have received such security as it may reasonably require (whether by way of payment in advance or otherwise) against all costs, claims, expenses (including legal fees) and liabilities which it will or may expend or incur in complying with such instructions.

11.10.9 The Agent shall not be bound to disclose to any Person any information relating to the Credit Parties or any Related Parties if such disclosure would or might in its opinion in its sole discretion constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person.

11.10.10 The Agent shall not accept any responsibility for the accuracy or completeness of any information supplied in connection herewith or for the legality, validity, effectiveness, adequacy or enforceability of any Credit Document and shall not be under any liability to any Lender as a result of taking or omitting to take any action in relation to any Credit Document except in the case of the Agent's gross negligence or wilful misconduct.

11.11 Duties of Agent

The Agent shall:

- (a) hold and maintain the Security to the extent provided in Section 11.6;
- (b) provide to each Lender copies of all financial information received from the Credit Parties promptly after receipt thereof, and copies of any Drawdown Requests, Conversion Notices, Rollover Notices, Repayment Notices and other notices received by the Agent from the Credit Parties upon request by any Lender;
- (c) promptly advise each Lender of Advances required to be made by it hereunder and disburse all Repayments to the Lenders hereunder in accordance with the terms of this Agreement;
- (d) promptly notify each Lender of the occurrence of any Default or Event of Default of which the Agent has actual knowledge or actual notice;
- (e) at the time of engaging any agent, receiver, receiver-manager, consultant, monitor or other party in connection with the Security or the enforcement thereof, obtain the agreement of such party to comply with the applicable terms of this Agreement in carrying out any such enforcement activities and dealing with any Proceeds of Realization;
- (f) account for any monies received by it in connection with this Agreement, the Security and any other agreement delivered in connection herewith or therewith;
- (g) each time a Borrower requests the written consent of the Lenders in connection with any matter, use its best efforts to obtain and communicate to the Borrowers the response of the Lenders in a reasonably prompt and timely manner having due regard to the nature and circumstances of the request;
- (h) give written notice to the Borrowers in respect of any other matter in respect of which notice is required in accordance with or pursuant to this Agreement, promptly or promptly after receiving the consent of the Required Lenders, if required under the terms of this Agreement;
- (i) except as otherwise provided in this Agreement, act in accordance with any instructions given to it by the Required Lenders;
- (j) if so instructed by the Required Lenders, refrain from exercising any right, power or discretion vested in it under this Agreement or any document incidental thereto; and
- (k) call a meeting of the Lenders at any time not earlier than five days and not later than 30 days after receipt of a written request for a meeting provided by any Lender.

11.12 Lenders' Obligations Several; No Partnership

The obligations of each Lender under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders of any of their respective obligations hereunder. No Lender shall be responsible for the obligations of any other Lender hereunder. Neither the entering into of this Agreement nor the completion of any transactions contemplated herein shall constitute the Lenders and the Agent, or any combination of them, a partnership or give rise to any fiduciary relationship between them.

11.13 Reliance Upon Agent

The Borrowers will be entitled to rely upon any certificate, notice or other document or other advice, statement or instruction provided to them (or any one of them) by the Agent pursuant to the Credit Documents, and the Borrowers will be entitled to deal with the Agent with respect to matters under the Credit Documents which the Agent is authorized hereunder to deal with, without any obligation whatsoever to satisfy themselves as to the authority of the Agent to act on behalf of the Lenders and without any liability whatsoever to the Lenders for relying upon any certificate, notice or other document or other advice, statement or instruction provided to them by the Agent, notwithstanding any lack of authority of the Agent to provide the same.

11.14 No Liability of Agent

The Agent, in its capacity as agent of the Lenders under the Credit Documents, will have no responsibility or liability to the Borrowers or the Lenders on account of the failure of any Lender to perform its obligations hereunder, or to any Lender on account of the failure of any Borrower to perform its obligations under the Credit Documents.

11.15 Agent and Agent Authority

With respect to its Proportionate Share of each Facility and the Advances made by it as a Lender thereunder, as applicable, the Agent will have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not the Agent. The Agent may accept deposits from, lend money to, and generally engage in any kind of business with any Credit Party, any of their Subsidiaries, their respective shareholders or unitholders or any Person owned or controlled by any of them and any Person which may do business with any of them, all as if the Agent was not serving as Agent, and without any duty or obligation to account therefor to the Lenders.

11.16 Lenders' Credit Decisions

It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Credit Parties. Accordingly, each Lender confirms with the Agent that it has not relied, and will not hereafter rely, on the Agent (a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Credit Parties or any other Person under or in connection with the Facilities (whether or not such information has been or is hereafter distributed to such Lender by the Agent) or (b) to assess or keep under review on its behalf the

financial condition, creditworthiness, condition, affairs, status or nature of any Credit Party. Each Lender acknowledges that copies of the Credit Documents have been made available to it for review and each Lender acknowledges that it is satisfied with the form and substance of the Credit Documents. A Lender will not make any independent arrangement with any Credit Party for the satisfaction of any Obligations owing to it under the Credit Documents without the written consent of the other Lenders.

11.17 Indemnification

The Lenders hereby severally agree to indemnify the Agent and its directors, officers, agents and employees (to the extent not reimbursed by the Credit Parties) in accordance with their respective Proportionate Share, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent or its directors, officers, agents and employees in any way relating to or arising out of the Credit Documents or any action taken or omitted by the Agent under or in respect of the Credit Documents in its capacity as Agent; provided, that no Lender will be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or wilful misconduct, as determined by a final and non-appealable judgment of a court of component jurisdiction. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its Proportionate Share of any reasonable out of pocket expenses (including legal fees, on a solicitor and his own client full indemnity basis) incurred by the Agent in connection with the preservation of any right of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that the Agent is not reimbursed for such expenses by the Borrowers. This indemnity will survive the termination of the other provisions of this Agreement as a separate and continuing covenant of the Lenders.

11.18 Successor Agent

The Agent may, as hereinafter provided, resign at any time by giving 30 days' notice (the "**Resignation Notice**") thereof to the Lenders and the Borrowers. The remaining Lenders, with the consent of the Borrowers, such consent not to be unreasonably withheld, will forthwith upon receipt of the Resignation Notice unanimously appoint a successor agent (the "**Successor Agent**") to assume the duties hereunder of the resigning Agent. Upon the acceptance of any appointment as agent hereunder by a Successor Agent, such Successor Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties as agent under the Credit Documents of the resigning Agent. Upon such acceptance, the resigning Agent will be discharged from its further duties and obligations as agent under the Credit Documents, but any such resignation will not affect such resigning Agent's obligations hereunder as a Lender, including for its Proportionate Share of the applicable Commitment. After the resignation of the Agent as agent hereunder, the provisions of this Article 11 will continue to enure to its benefit as to any actions taken or omitted to be taken by it while it was the agent of the Lenders hereunder. Notwithstanding the foregoing, if the remaining Lenders fail to appoint a Successor Agent within 30 days of receipt of the Resignation Notice, the resigning Agent may, with the approval of the Borrowers except during the continuance of an Event of Default, such approval not to be

unreasonably withheld, appoint a Successor Agent from among the Lenders (other than Business Development Bank of Canada).

11.19 Sharing of Information

The Agent and the Lenders may share among themselves any information they may have from time to time concerning the Credit Parties whether or not such information is confidential; but shall have no obligation to do so (except for any obligations of the Agent to provide information to the extent required in this Agreement). The Agent shall not have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Credit Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as the Agent.

11.20 Acknowledgement by Borrowers

Each Borrower hereby acknowledges notice of the terms of the provisions of this Article 11 and agrees to be bound hereby to the extent of its obligations hereunder, and further agrees not to make any payments, take any action or omit to take any action which would result in the non-compliance by the Agent or any Lender with its obligations hereunder.

11.21 Amendments to Article 11

The Agent and the Lenders may amend any provision in this Article 11 (other than Section 11.5) without prior notice to or the consent of the Borrowers, and the Agent shall provide a copy of any such amendment to the Borrowers reasonably promptly thereafter; provided, however, if, in the Agent's opinion, any such amendment would materially and adversely affect any rights, entitlements, obligations or liabilities of any Borrower, such amendment shall not be effective until such Borrower provides its written consent thereto, such consent not to be unreasonably withheld or arbitrarily delayed.

11.22 Deliveries, etc.

As between the Credit Parties on the one hand, and the Agent and the Lenders on the other hand:

- (a) all statements, certificates, consents and other documents which the Agent purports to deliver to a Credit Party on behalf of the Lenders shall be binding on each of the Lenders, and none of the Credit Parties shall be required to ascertain or confirm the authority of the Agent in delivering such documents;
- (b) all certificates, statements, notices and other documents which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders; and
- (c) all payments which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders.

11.23 Agency Fee

The Borrowers jointly and severally agree to pay to the Agent an annual agency fee as set out in the Fee Agreement, payable in advance on the Amendment and Restatement Date and annually on each anniversary date thereafter during the term of this Agreement.

ARTICLE 12 INCREASED COSTS

12.1 Changes in Law

12.1.1 If, after the Amendment and Restatement Date, due to either:

- (a) the introduction of, or any change in, any Law or any change in the interpretation of any Law, whether having the force of law or not, resulting in the imposition or increase of reserves, deposits or similar requirements by any central bank or Governmental Authority charged with the administration thereof; or
- (b) imposition of any Lender or requirements on any Lender to maintain any capital adequacy or additional capital liquidity requirements in respect of any Advances or Commitments hereunder, or any other condition with respect to this Agreement; or
- (c) the compliance with any guideline or request from any central bank or other Governmental Authority which a Lender, acting reasonably, determines that it is required to comply with,

there will be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining an Advance or there will be any reduction in the effective return to such Lender thereunder, then, subject to Section 12.1.2, the Borrowers jointly and severally agree that they will, within ten Business Days after being notified by such Lender of such event, pay to such Lender, quarterly in arrears, that amount (the “**Additional Compensation**”) which such Lender, acting reasonably, determines will compensate it, after taking into account all applicable Taxes and all interest and other amounts received, for any such increased costs or reduced returns incurred or suffered by such Lender provided such Lender is also charging its other borrowers in similar circumstances similar additional compensation.

12.1.2 If Additional Compensation is payable pursuant to Section 12.1.1(a), the Borrowers will have the option to convert the Advance to another type of Advance, in accordance with this Agreement, in respect of which no further such Additional Compensation will be payable, or prepay any amount of the Facility owed to the Lender entitled to receive the Additional Compensation, subject always to Section 5.13 without obligation to make a corresponding prepayment to any other Lender. If the Additional Compensation relates to outstanding Bankers’ Acceptances, such Lender may require the Borrowers to deposit in an interest bearing cash collateral account with such Lender such amount as may be necessary to fully satisfy the contingent obligations of such Lender for

all outstanding Bankers' Acceptances in accordance with the arrangements similar to those set out in Section 5.11.

12.1.3 Notwithstanding anything contained in this Section 12.1, the *Dodd-Frank Wall Street Reform and Consumer Protection Act* and all requests, rules, regulations, guidelines and directives thereunder or issued in connection therewith and all requests, rules, regulations, guidelines and directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority or any United States, Canadian or foreign regulatory authority) (collectively, the “**New Rules**”) shall, in each case, be deemed a “change in Law” under Section 12.1.1(a) regardless of the date enacted, adopted or issued.

12.2 Changes in Circumstances

Notwithstanding anything to the contrary herein or in any of the other Credit Documents contained, if on any date a Lender determines, acting reasonably and in good faith, which determination will be conclusive and binding on the Parties, and provided notice is given to the Agent and the other Lenders and to the Borrowers that its ability to maintain, or continue to offer any Advance has become unlawful or impossible due to:

- (a) any change in Applicable Law, or in the interpretation or administration thereof by Governmental Authorities having jurisdiction in the matter; or
- (b) any Material Adverse Change in or the termination of the London Interbank Eurodollar Market for Eurodollars; or
- (c) the imposition of any condition, restriction or limitation upon such Lender which is outside of its control,

then in any such case, the Borrowers jointly and severally agree that they will forthwith repay to such Lender all principal amounts affected thereby, together with all unpaid interest accrued thereon to the date of Repayment and all other expenses incurred in connection with the termination of any such Advance, including any expenses resulting from the early termination of any LIBOR Period relating thereto in accordance with Section 5.13, without any obligation to make a corresponding prepayment to any other Lender. The Borrowers may utilize other forms of Advance not so affected in order to make any required Repayment and after any such Repayment, the Borrowers may elect to re-borrow the amount repaid by way of some other Advance upon complying with applicable requirements thereof.

12.3 Application of Sections 12.1 and 12.2

If a Lender exercises its discretion under either Section 12.1 or 12.2, then concurrently with a notice from such Lender to the Agent and the applicable Borrower requiring compliance with the applicable Section, such Lender will provide such Borrower (with a copy to the Agent who will notify the other Lenders) with a certificate in reasonable detail outlining the particulars giving rise to such notice and certifying (with reasonable supporting detail) the increased costs, if any, payable by such Borrower thereunder, which will be prima facie evidence thereof and binding on the Parties.

12.4 Taxes

12.4.1 Except as provided in this Section 12.4, any and all payments by the Borrowers and any other Credit Party to or for the account of the Agent or any Lender under any Credit Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges imposed by any Governmental Authority, and all liabilities (including additions to tax, penalties and interest) related thereto (collectively, “**Impositions**”), excluding, in the case of the Agent and each Lender or other recipient or beneficial owner of payment to be made by or on account of a Credit Party under any Credit Document, (x) any Impositions imposed on or measured by its net income (including any taxes similar to branch profits tax or capital, and franchise (and similar) taxes imposed on it in lieu of net income taxes), by the jurisdiction (or any political subdivision thereof) under the Laws of which the Agent or such Lender, as the case may be, is organized, resident, in which its principal office is located, in which it maintains its Lending Office or in which it is subject to such Imposition by reason of a present or former connection between it and such jurisdiction (other than a connection arising solely from the Agent or such Lender (or its applicable Lending Office) as the case may be, becoming a party hereto, having executed, delivered or performed its obligations under any Credit Document, received a payment under, enforced its rights under, received or perfected a security interest under, or engaged in any other transaction pursuant to, a Credit Document), and all interest and penalties with respect thereto; (y) U.S. and Canadian federal withholding taxes imposed on amounts payable to or for the account of such Lender with respect to an applicable interest in a Loan or Commitment pursuant to a law in effect on the date on which (i) such Lender acquires such interest in the Loan or Commitment (other than pursuant to an assignment request by the Borrower under Section 12.4.6) or (ii) such Lender changes its Lending Office, except in each case to the extent that, pursuant to this Section, amounts with respect to such withholding taxes were payable either to such Lender’s assignor immediately before such Lender became a party hereto or to such Lender immediately before it changed its Lending Office; and (z)(i) U.S. federal withholding taxes imposed under FATCA, (ii) taxes attributable to such recipient’s or beneficial owner’s failure to comply with the applicable reporting requirements of FATCA, and (iii) taxes attributable to such recipient’s or beneficial owner’s failure to provide such documentation as is reasonably requested by the Borrower for the Borrower to comply with its obligations under FATCA and to determine that such recipient or beneficial owner has complied with such recipient’s or beneficial owner’s obligations under FATCA or to determine the amount to deduct and withhold from any payment to such recipient or beneficial owner (all such non-excluded Impositions being hereinafter referred to as “**Taxes**” and all such excluded Impositions being hereinafter referred to as “**Excluded Taxes**”). If any Credit Party or any other applicable withholding agent shall be required by the Applicable Laws of a relevant taxing jurisdiction to deduct any Taxes or Other Taxes from or in respect of any sum payable under any Credit Document to the Agent or any Lender, (i) the sum payable shall be increased by the applicable Credit Party as necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section 12.4) have been made, each of the Agent and such Lender receives an amount equal to the sum it would have received had only deductions attributable to Excluded Taxes been

made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other Governmental Authority in accordance with Applicable Laws, and (iv) within thirty (30) days after the date of such payment, the Credit Party making such payments shall furnish to the Agent or Lender (as the case may be) the original or a certified copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent.

12.4.2 In addition but without duplication, the Borrowers agree to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes, charges or similar levies imposed by a relevant taxing jurisdiction which arise from any payment made under any Credit Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Credit Document (hereinafter referred to as “**Other Taxes**”).

12.4.3 Each Borrower agrees to indemnify the Agent and each Lender for (i) the full amount of Taxes and Other Taxes (including any Taxes or Other Taxes imposed or asserted by any Governmental Authority of any relevant taxing jurisdiction on amounts payable under this Section 12.4) paid by the Agent and such Lender, and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided the Agent or Lender, as the case may be, provides the Borrowers with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts. Payment under this Section 12.4.3 shall be made within thirty (30) days after the date such Lender or the Agent makes a written demand therefor.

12.4.4 Notwithstanding anything herein to the contrary, each Borrower shall not be required pursuant to this Section 12.4 to pay any additional amount to, or to indemnify, any Lender or the Agent, as the case may be, (i) to the extent that such Lender or the Agent becomes subject to Taxes subsequent to the Amendment and Restatement Date (or, if later, the date such Lender or the Agent becomes a party to this Agreement) as a result of a change in the place of organization or residence of such Lender or the Agent, a change in the Lending Office of such Lender, or a change in the principal office of such Lender or the Agent, except to the extent that any such change is requested or required by the Borrowers or to the extent that such Lender or the Agent was entitled, at the time of the change in place of organization, residence or the change in Lending Office, to receive additional amounts from the Borrowers pursuant to Sections 12.4.1 and 12.4.3 (and provided, that nothing in this Section 12.4 shall be construed as relieving the Borrowers from any obligation to make such payments or indemnification in the event of a change in Applicable Law) or (ii) where for Canadian income tax purposes, such Lender or the Agent, as the case may be, becomes subject to Taxes as a consequence of such Lender or the Agent either not dealing at arm's length with the Borrowers (for purposes of the *Income Tax Act* (Canada)) or being, or not dealing at arm's length with (for purposes of the *Income Tax Act* (Canada)) a “specified shareholder” (for purposes of the *Income Tax Act* (Canada)) of the Borrower; provided, that this subclause (ii) shall not apply to the extent that such Lender or the Agent, as the case may be, is considered to have not dealt

at arm's length with the Borrowers for Canadian income tax purposes as a result of a change in Applicable Law after the Amendment and Restatement Date.

12.4.5 If any Lender or the Agent determines in its sole discretion (exercised in good faith) that it has received a refund in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Borrowers pursuant to this Section 12.4, it shall promptly remit such refund (including any interest included in such refund paid by the relevant Governmental Authority) to the Borrowers, net of all out-of-pocket expenses (including any taxes imposed with respect to such refund) of the Lender or the Agent, as the case may be; provided, however, that the Borrowers, upon the request of the Lender or the Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or the Agent, as the case may be, shall, at the Borrowers' request, provide the Borrowers with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided, that such Lender or the Agent may delete any information therein that such Lender or the Agent deems confidential). Notwithstanding anything to the contrary in this Section 12.4.5, in no event will a Lender be required to pay any amount to the Borrowers pursuant to this Section 12.4.5 the payment of which would place such Lender in a less favorable net after-tax position than such Lender would have been in if the Taxes or Other Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes or Other Taxes had never been paid. Nothing herein contained shall interfere with the right of a Lender or the Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or the Agent to disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or the Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

12.4.6 Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 12.4.1 and 12.4.3 with respect to such Lender it will, if requested by the Borrowers, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 12.4, including to designate another Lending Office for any Loan (including, for certainty, any Letter of Credit) affected by such event; provided, that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 12.4.6 shall affect or postpone any of the Obligations of the Borrowers or the rights of such Lender pursuant to Sections 12.4.1 and 12.4.3. The Borrowers hereby jointly and severally agree to pay all reasonable costs and expenses incurred by any Lender as a result of a request by the Borrowers under this Section 12.4.6.

ARTICLE 13 GENERAL

13.1 Non-Disclosure

13.1.1 All information received by the Agent and the Lenders from or in respect of the Credit Parties the confidential nature of which is made known or ought to have been known to the Party receiving such information, including any information relating to a Hostile Acquisition, other than information that is required to be disclosed by Applicable Law (including, for certainty, information required to be disclosed in connection with any legal proceedings, including proceedings relating to the Credit Documents) or to any Governmental Authority of competent jurisdiction, including any central bank or other banking regulatory authority and any official bank examiners or regulators, will be held by the Parties in the strictest confidence and will not be disclosed to any Person, except as provided in this Section 13.1.

13.1.2 Section 13.1.1 does not apply to information:

- (a) of a Party where that Party consents in writing to its disclosure;
- (b) which becomes part of the public domain through no fault of the Agent or the Lenders;
- (c) received from a third party without restriction on further disclosure and which third party was not to the knowledge of the Agent or such Lender, under a duty of confidentiality to the applicable Credit Party at the time the information was so received;
- (d) developed independently without breach of Section 13.1;
- (e) which the Agent or the relevant Lender can show was, prior to receipt thereof from a Credit Party, lawfully in the Agent's or Lender's possession and not then subject to any obligation on its part to the Credit Parties to maintain confidentiality; or
- (f) to the extent required to be disclosed by order or direction of a court or Governmental Authority of competent jurisdiction (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or as otherwise required to be disclosed by Applicable Law or by any subpoena or similar legal process.

13.1.3 Information received by the Agent or a Lender may be disclosed to their respective Affiliates, Hedge Providers, the Agent or any other Lender or Participant, including any financial institution which desires to become a Lender or Participant hereunder, any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to a Borrower or any other Credit Party, and the Obligations and to their respective employees, auditors, accountants, legal counsel, geologists, engineers and other consultants and financial advisors retained by such

Persons on a need to know basis and subject to the obligation to maintain confidentiality; provided, that the Agent or Lender providing the information shall be responsible for any breach by its Affiliate of the aforementioned duty of confidentiality.

13.2 Waiver

The failure or delay by the Agent or any Lender in exercising any right or privilege with respect to the non-compliance with any provisions of this Agreement by the Borrower and any course of action on the part of the Agent or any Lender, shall not operate as a waiver of any rights of the Agent or such Lender unless made in writing by the Agent or such Lender. Any such waiver in writing and shall be effective only in the specific instance and for the purpose for which it is given and shall not constitute a waiver of any other rights and remedies of the Agent or such Lender with respect to any other or future non-compliance.

13.3 Governing Law

This Agreement shall be interpreted in accordance with the Laws of the Province of Alberta and the federal Laws of Canada applicable therein. Without prejudice to the right of the Agent and the Lenders to commence any proceedings with respect to this Agreement in any other proper jurisdiction, the Parties hereby attorn and submit to the non-exclusive jurisdiction of the courts of the Province of Alberta.

13.4 Judgment Currency

To the extent permitted by Applicable Law, if for the purposes of obtaining judgment against any Credit Party in any court in any jurisdiction with respect to this Agreement it becomes necessary for a Lender to convert into the currency of such jurisdiction (in this Section called the “**Judgment Currency**”) any amount due to the Lender by such Credit Party under the Credit Documents in any currency other than the Judgment Currency, the conversion shall be made at the Exchange Rate prevailing on the Business Day before the day on which judgment is given. To the extent permitted by Applicable Law, in the event that there is a change in the Exchange Rate prevailing between the Business Day before the day on which the judgment is given and the date of payment of the amount due, the applicable Credit Party will, on the date of payment, pay such additional amounts (if any) or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount paid on such date is the amount in the Judgment Currency which when converted at the Exchange Rate prevailing on the date of payment is the amount then due under this Agreement in such other currency. To the extent permitted by Applicable Law, any additional amount due by a Credit Party under this Section will be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of this Agreement.

13.5 Expenses of Agent and Lenders

Whether or not the transactions contemplated by this Agreement are completed or any Advance has been made, each Borrower hereby agrees, jointly and severally, to promptly pay, following receipt of invoice therefor from the Agent (and in any event within 30 days after receipt thereof), from time to time all reasonable and documented expenses incurred by the

Agent or any Lender in connection with this Agreement, the Security and all documents contemplated hereby, specifically including: expenses incurred by the Lenders in respect of due diligence, appraisals, insurance consultations, credit reporting and responding to demands of any Governmental Authority (provided, that reimbursement obligations in respect of costs and expenses arising under inspection rights set forth in Section 7.1.7 shall be limited in the manner set forth in such Section); reasonable out-of-pocket legal expenses in connection with the preparation and interpretation of this Agreement and the other Credit Documents, the registration and perfection of the Security and the administration of the Facilities generally, including the preparation of waivers and partial discharges of Security (if there are any additional fees or expenses to be incurred in connection with any of the foregoing over and above those that have already been disclosed to the Borrowers then the Agent agrees to notify the Borrowers of those additional fees or expenses and obtain their concurrence to their payment); and all legal fees and expenses (on a solicitor and his own client basis) in connection with the protection and enforcement of the Security and the exercise of any rights and remedies of the Agent and the Lenders under the Credit Documents. Each Borrower hereby authorizes the Agent to debit its account in order to pay any such expenses if such amount is not paid in full within 30 days after receipt of a written request from the Agent for payment of such amount.

13.6 Assignment

13.6.1 This Agreement and the rights and obligations hereunder will not be assignable, in whole or in part, by any Borrower without the prior written consent of all of the Lenders.

13.6.2 Each Lender will have the right to sell or assign its Commitment in minimum amounts of U.S. \$5,000,000 (with such Lender, where such sale or assignment is not of all of such Lender's Commitment under the applicable Facility, retaining a Commitment under the applicable Facility of at least U.S. \$5,000,000), together with a proportionate share of Outstanding Advances owing to it, to one or more financial institutions with the consent of the Canadian Borrower, the Agent, the Issuing Bank and the Swingline Lender each such consent not to be unreasonably withheld (provided, that the Canadian Borrower may withhold such consent if a Borrower would be required to pay withholding taxes solely as a result of such assignment). An assignment fee of U.S. \$3,500 for each such assignment will be payable to the Agent by the assigning Lender. In the event of such sale or assignment, the Borrowers, the Agent and the other Lenders will execute and deliver all such agreements, documents and instruments as the Agent or Lender may reasonably request to effect and recognize such sale or assignment, including an Assignment. Notwithstanding the foregoing, no consent of the Canadian Borrower will be required if an assignment (a) occurs during an Event of Default which is continuing, (b) is made between financial institutions who, at the relevant time, are already Lenders or Affiliates thereof, or (c) is made by a Lender to an Approved Fund. In the event that the Canadian Borrower fails to provide a response to the request for any such consent within five Business Days of the receipt of such request by the Canadian Borrower, the Canadian Borrower shall be deemed to have consented to such request. No consent to an assignment by a Lender shall be required from the U.S. Borrower. Notwithstanding the foregoing, no Lender may assign all or any part of its Commitment or Outstanding

Advances to Palladium, an Investor or an Affiliate thereof without the prior written consent of all of the Lenders.

13.6.3 To the extent that any Lender sells or assigns any portion of its Commitment and Outstanding Advances pursuant to this Section 13.6 and such new Lender or new Lenders, as the case may be, has executed and delivered to the Borrower and the Agent an Assignment, such Lender will be relieved and forever discharged of any and all of its covenants and obligations under the Credit Documents in respect of that portion of its Commitment and Outstanding Advances so sold or assigned from and after the date of such Assignment and the Borrower's recourse under the Credit Documents in respect of such portion so sold or assigned from and after the date of the Assignment for matters arising thereunder from and after the date of the Assignment will be to such new Lender or new Lenders only, as the case may be, and their successors and permitted assigns.

13.6.4 Any Lender may at any time sell to one or more financial institutions or other Persons (each of such financial institutions and other Persons being herein called a "**Participant**") participating interests in any of the Advances, commitments, or other interests of such Lender hereunder, without notice to, or consent from, the Agent or the Borrowers; provided, however, that:

- (a) no participation contemplated in this Section 13.6.4 will relieve such Lender from its commitments or its other obligations hereunder or under any other Credit Document;
- (b) such Lender will remain solely responsible for the performance of its commitments and such other obligations as if such participation had not taken place;
- (c) the Agent will continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and each of the other Credit Documents;
- (d) no Participant will have any rights (through a right of consent or approval or otherwise) to require such Lender to take or refrain from taking any action hereunder or under any other Credit Document;
- (e) no Borrower will be required to pay any amount hereunder that is greater than the amount which it would have been required to pay had no participating interest been sold; and
- (f) in the case of any outstanding Bankers' Acceptances, the Participants execute an indemnity agreement in respect of such Bankers' Acceptances.

Each U.S. Operating Lender that sells a participation shall, acting solely for this purpose as an agent of the U.S. Borrower, maintain a register on which it enters the name and address of each Participant in the U.S. Operating Facility and the principal amounts (and stated interest) of each Participant's interest in the Commitments, Outstanding Advances or other obligations under the Credit Documents (the "**Participant Register**"); provided

that no U.S. Operating Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under the Credit Documents) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such U.S. Operating Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

13.6.5 The Agent, acting solely for this purpose as an agent of the U.S. Borrower, shall maintain at its office located at 452 Fifth Avenue, 5th Floor, New York, NY 10018, a copy of each Assignment delivered to it and a register for the recordation of the names and addresses of the U.S. Operating Lenders, and the Commitments of, and principal amounts (and stated interest) of the Outstanding Advances owing to, each U.S. Operating Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agent and the U.S. Operating Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a U.S. Operating Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any U.S. Operating Lender, at any reasonable time and from time to time upon reasonable prior notice.

13.7 General Indemnity

In addition to any liability of the Borrowers to the Lenders under any other provision hereof, each Borrower will and does hereby, jointly and severally, indemnify each Indemnatee and hold each Indemnatee harmless against any losses, claims, costs, damages or liabilities (including reasonable and documented out of pocket expenses and reasonable and documented legal fees on a solicitor and his own client full indemnity basis of one counsel (but, for the avoidance of doubt, excluding the allocated costs of in-house counsel) plus one local counsel in each applicable jurisdiction) incurred by the same as a result of or in connection with: (a) any cost or expense incurred by reason of the liquidation or re-deployment in whole or in part of deposits or other funds required by any Lender to fund any Bankers' Acceptance or to fund or maintain any Advance as a result of any Borrower's failure to complete an Advance or to make any payment, repayment or prepayment on the date required hereunder or specified by it in any notice given hereunder; (b) subject to permitted or deemed Rollovers and Conversions, any Borrower's failure to provide for the payment to the Agent for the account of the Lenders of the full principal amount of each Bankers' Acceptance on its Maturity Date; (c) any Borrower's failure to pay any other amount, including any interest or fees, due hereunder on its due date after the expiration of any applicable grace or notice periods; (d) the prepayment of any outstanding Bankers' Acceptance before the Maturity Date of such Bankers' Acceptance; (e) any Borrower's repayment or prepayment of a LIBOR Loan otherwise than on the last day of its LIBOR Period; (f) the failure of any Borrower or any other Credit Party to make any other payment due

hereunder or under any of the other Credit Documents; (g) the occurrence of any other Default or Event of Default and the enforcement of rights and remedies in connection therewith; (h) any instructions given to any Lender to stop payment on any cheque issued by any Borrower or to reverse any wire transfer or other transaction initiated by such Lender at the request of any Borrower; (i) any use of the proceeds of the Facilities, including to pay the purchase price of the transaction or any other acquisition; and (j) any claim, litigation or other proceeding related to the foregoing, regardless of whether such matter is initiated by a third party or by Holdco, a Borrower or any of their Subsidiaries or Affiliates; provided that this Section 13.7 will not apply to any losses, claims, costs, damages or liabilities that arise by reason of (i) the gross negligence or wilful misconduct of the applicable Indemnitee claiming indemnity hereunder, as determined by a final and non-appealable judgment of a court of component jurisdiction; or (ii) a material breach of the applicable Indemnitee of its obligations under the Credit Documents as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.8 Environmental Indemnity

In addition to any other liability of the Borrowers hereunder, each Borrower hereby agrees to, jointly and severally, indemnify and save harmless the Indemnitees from and against:

- (a) any losses suffered by them for, in connection with, or as a direct or indirect result of, the failure of any Borrower or any of their respective Subsidiaries to comply with all Requirements of Environmental Law;
- (b) any losses suffered by the Indemnitees for, in connection with, or as a direct or indirect result of, the presence of any Hazardous Material situated in, on or under any property owned by any Borrower or any of their respective Subsidiaries or upon which any of them carries on business, specifically including any diminution in value of the business, property and assets of such Person; and
- (c) any and all liabilities, losses, damages, penalties, expenses (including reasonable legal fees) and claims which may be paid, incurred or asserted against the Indemnitees for, in connection with, or as a direct or indirect result of, any legal or administrative proceedings with respect to the presence of any Hazardous Material on or under any property owned by any Borrower or any of its respective Subsidiaries or upon which any of them carries on business, or the discharge, emission, spill, radiation or disposal by any Borrower or any of their respective Subsidiaries of any Hazardous Material into or upon any Land, the atmosphere, or any watercourse or body of water; including the costs of defending, counterclaiming or claiming against third parties in respect of any action or matter and any cost, liability or damage arising out of a settlement entered into by the Indemnitees of any such action or matter,

except to the extent arising from the gross negligence or wilful misconduct of the applicable Indemnitee, as determined by a final and non-appealable judgment of a court of component jurisdiction. For the purpose of this Section 13.8, liabilities means those amounts that are quantifiable and found to be the responsibility of the Indemnitees either alone or jointly or severally with others.

13.9 Survival of Certain Obligations despite Termination of Agreement

The termination of this Agreement shall not relieve the Borrowers from their obligations to the Agent and the Lenders arising prior to such termination, such as obligations arising as a result of or in connection with any breach of this Agreement, any failure to comply with this Agreement or the inaccuracy of any representations and warranties made or deemed to have been made prior to such termination, and obligations arising pursuant to all indemnity obligations contained herein. Without limiting the generality of the foregoing, the obligations of the Borrowers to the Agent and the Lenders arising under or in connection with Sections 8.5(b), 13.7 and 13.8 shall continue in full force and effect despite any termination of this Agreement.

13.10 Interest on Unpaid Costs and Expenses

If a Borrower fails to pay when due any amount in respect of costs or expenses or any other amount required to be paid by it hereunder (other than principal or interest on any Advance), the Borrowers shall, jointly and severally, pay interest on such unpaid amount from the time such amount is due until paid at the rate equal to the highest rate of interest then applicable under the Facilities.

The Agent will notify the applicable Borrower of any conflict or inconsistency between any written confirmation of such verbal instructions received from such Borrower and the said verbal advice as soon as practicable after the conflict or inconsistency becomes apparent to the Agent.

13.15 Tombstone Marketing

For the purpose of “tombstone marketing”, each Borrower hereby authorizes and consents to the reproduction, disclosure and use by the Lenders and the Agent of its name, identifying logo and the Facilities to enable the Lenders to publish promotional “tombstones”. Each Borrower acknowledges and agrees: that the Lenders shall be entitled to determine, in their discretion, whether to use such information; that no compensation will be payable by the Lenders or the Agent in connection therewith; and that the Lenders and the Agent shall have no liability whatsoever to any Borrower or any of its respective employees, officers, directors, Affiliates or shareholders in obtaining and using such information as contemplated herein.

13.17 Anti-Money Laundering Legislation

- (a) Each Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” Laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), the Lenders and the Agent may be required to obtain, verify and record information regarding the Borrowers, Palladium, the other Credit Parties, their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Credit Parties or Palladium, and the transactions contemplated hereby. The Borrowers shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent, or any prospective assignee of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
- (b) If, upon the written request of any Lender, the Agent has ascertained the identity of a Borrower, Palladium or any Credit Party or any authorized signatories of any Borrower or any other Credit Party for the purposes of applicable AML Legislation on such Lender’s behalf, then the Agent:
 - (i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Agent within the meaning of applicable AML Legislation; and

- (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.
- (c) Notwithstanding the preceding sentence, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Borrowers, Palladium or any other Credit Party or any authorized signatories of the Borrowers, Palladium or any other Credit Party, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrowers, Palladium or any other Credit Party or any such authorized signatory in doing so.

In the event of a conflict between the provisions of this Agreement and the provisions of the Encina Intercreditor Agreement, the provisions of the Encina Intercreditor Agreement shall govern.

13.21 Release of Liens and Guarantees.

- (a) The Agent shall not, during the term of this Agreement, discharge, surrender, amend or otherwise modify any Security without the prior written consent of all of the Lenders, provided that the Agent may accept additional or supplemental Security as provided in the Credit Documents, and shall discharge Security provided hereunder in the Permitted Discretion of the Agent with respect to any

Permitted Disposition or, if applicable, any other transaction permitted by this Agreement in respect of which the Agent has received, upon its reasonable request, an officer's certificate of the Canadian Borrower certifying that such disposition or other transaction is permitted by this Agreement, together with any other information from the Canadian Borrower reasonably required by the Agent, if any (and the Agent may rely conclusively on a certificate to that effect provided to it by the Canadian Borrower without further inquiry).

- (b) The Lenders hereby authorize the Agent, and the Agent hereby agrees, to:
 - (i) discharge the Security at the Borrower's sole cost and expense, forthwith after all of the Obligations under the Credit Documents (other than contingent obligations intended to survive payout of the Facilities) have been unconditionally and irrevocably paid or performed in full and the Facilities, Credit Documents and all Hedging Agreements have been terminated or, with respect to the Hedging Agreements, collateralized to the satisfaction of the Agent and the applicable Hedge Providers, acting reasonably; and
 - (ii) at the request of the Borrower and upon receipt of the Agent of an officer's certificate from a senior officer of the Borrower certifying that such disposition is a Permitted Disposition, to discharge that portion of the Security that applies to the property subject to such Permitted Disposition or execute a no interest letter or similar document in connection therewith.

1.7 Subdivisions

1.11 No Waiver

- (a) No waiver by a Party of any provision or of the breach of any provision of the Credit Documents will be effective unless it is contained in a written instrument duly executed by an authorized officer or representative of such Party. Such written waiver will affect only the matter specifically identified in the instrument granting the waiver and will not extend to any other matter, provision or breach.

- (b) The failure of a Party to take any steps in exercising any right in respect of the breach or non fulfilment of any provision of the Credit Documents will not operate as a waiver of that right, breach or provision, nor will any single or partial exercise of any right preclude any other or future exercise of that right or the exercise of any other right, whether in Law or otherwise.
- (c) Acceptance of payment by a Party after a breach or non fulfilment of any provision of the Credit Documents requiring a payment to such Party will constitute a waiver of such provision if cured by such payment, but will not constitute a waiver or cure of any other provision of the Credit Documents.

If since the beginning of such reference period any Person that subsequently became a Subsidiary or was merged with or into the Borrower or any of its Subsidiaries since the beginning of such period shall have consummated any relevant transactions that would have required adjustment pursuant to this definition, then the Net Leverage Ratio shall be calculated giving pro forma effect thereto for such reference period as if such relevant transaction had occurred at the beginning of the applicable reference period.

For purposes of this Section 1.13, whenever *pro forma* effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Canadian Borrower and may include, without duplication, cost savings, operating expense reductions, restructuring charges and expenses and cost-saving synergies resulting from such acquisition or other relevant transaction, in each case in a manner acceptable to the Required Lenders, acting reasonably.

1.14 Joint and Several Liability of Borrowers

Notwithstanding anything else set forth in the Credit Documents to the contrary, each of the Borrowers agrees and confirms to the Agent and Lenders that the liabilities and obligations of the Borrowers under this Agreement and the other Credit Documents are joint and several as between each Borrower.

1.15 Deemed Action by all Borrowers

All consents, waivers, notices and other action required, made, given to or received by the Borrowers under this Agreement or any of the other Credit Documents will be deemed to be required, made, given or received by all of the Borrowers if required, made, given or received by one or more of the Borrowers. If a representation, certification or other statement under this Agreement or any of the other Credit Documents is made by one Borrower, or to the knowledge of one Borrower, it will be deemed to be made by all Borrowers, or the knowledge of all Borrowers, as applicable.

1.16 Amendment and Restatement

The Borrowers, the Agent and the Lenders agree that effective on the Amendment and Restatement Date, this Agreement is an amendment and restatement of the Existing Credit Agreement and is not a novation of the Existing Credit Agreement. As a consequence, the obligations, indebtedness and liabilities outstanding under the Existing Credit Agreement (including any existing letters of credit thereunder which will be deemed to be Letters of Credit issued by the applicable Issuing Bank under the corresponding Facility hereunder) shall constitute obligations, indebtedness and liabilities hereunder governed by the terms hereof and shall continue to be secured by the Security. Such obligations, indebtedness and liabilities shall be continuing in all respects, and this Agreement shall not be deemed to evidence or result in a novation of such obligations, indebtedness and liabilities or a repayment and reborrowing of such obligations, indebtedness and liabilities. The Existing Credit Agreement has been amended and restated solely for the purposes of reflecting amendments to the Existing Credit Agreement which the Lenders, the Agent and the Borrowers have agreed upon. All references to the "Credit Agreement" contained in the Credit Documents delivered prior to the effectiveness of this Agreement shall be references to this Agreement without further amendment to those Credit Documents. The Borrowers confirm that each of the Credit Documents otherwise remains in full force and effect. All deliverables made under the Existing Credit Agreement shall be deemed to have been delivered under this Agreement. Each Lender authorizes the Agent to take all actions and make such adjustments as are reasonably necessary to give effect to the foregoing. Notwithstanding the foregoing or any other term hereof, all of the applicable continuing covenants, representations and warranties on the part of the Borrowers under the Existing Credit Agreement and all of the claims and causes of action arising against the Borrowers in connection therewith, in respect of all matters, events, circumstances and obligations arising or existing prior to the Amendment and Restatement Date shall continue, survive and shall not be merged in the execution of this Agreement or any other Credit Documents or any advance or provision of any Loan hereunder.

Such credit facility in the maximum aggregate principal amount of the Canadian Operating Facility Limit are established by the Canadian Operating Lenders severally and not jointly, and are hereinafter collectively referred to as "**Canadian Operating Facility**". Each Advance by a Canadian Operating Lender under the Canadian Operating Facility shall be made by such Canadian Operating Lender in its Proportionate Share of the Canadian Operating Facility. If at any time and for whatever reason the Outstanding Advances under the Canadian Operating Facility exceed the Canadian Operating Facility Limit then in effect, the Canadian Borrower shall, within two Business Days of receipt of a written notice from the Agent, pay to the Agent the principal amount required to reduce the Outstanding Advances under the Canadian Operating Facility to an amount not greater than the Canadian Operating Facility Limit then in effect.

2.4 Repayment

The Obligations under the Canadian Operating Facility shall become due and payable on the earlier of: (i) the Acceleration Date; and (ii) the Facilities Maturity Date.

2.5 Availment Options

2.5.1 Subject to the restrictions contained in this Section 2.5 and elsewhere in this Agreement (and in particular, Sections 5.4 and 5.5), the Canadian Borrower may receive Advances under the Canadian Operating Facility by any one or more of the following

- (d) in respect of each BA Equivalent Loan, a stamping fee equal to the Applicable Margin multiplied by the face amount of the BA Equivalent Loan with the product thereof further multiplied by the number of days to maturity of the BA Equivalent Loan and divided by 365 or 366 days, as the case may be, payable at the time of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such BA Equivalent Loan will be less than the principal amount of such BA Equivalent Loan on the maturity thereof, as more particularly provided in Section 5.12);
- (e) interest on Overdrafts in U.S. Dollars and interest on U.S. Dollar Base Rate Loans at the U.S. Base Rate plus the Applicable Margin per annum, payable monthly in arrears on the last day of each and every month (provided, that if the last day of any month is not a Business Day, interest shall be payable on the next Business Day thereafter);
- (f) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2;

- (g) a standby fee with respect to the unused portion of the Canadian Operating Facility (other than the Swingline), calculated in U.S. Dollars on a daily basis as being the difference between (i) the Canadian Operating Facility Commitment less the Swingline Limit and (ii) the Outstanding Advances under that portion of the Canadian Operating Facility other than the Swingline, multiplied by the Applicable Margin and divided by 365 or 366 days, as the case may be, which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter;
- (h) a standby fee with respect to the Swingline payable to the Agent for the account of the Swingline Lender, calculated in U.S. Dollars on a daily basis as being the difference between (i) the Swingline Limit and (ii) the Outstanding Advances under the Swingline, multiplied by the Applicable Margin and divided by 365 or 366 days, as the case may be, which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter; and

2.7 Swingline

2.7.1 A portion of the Canadian Operating Facility in the maximum amount of the Swingline Limit is hereby designated as the “**Swingline**” and shall be subject to the terms and conditions in this Section 2.7 (in addition to any other applicable terms and conditions contained in this Agreement). The Swingline shall be available to each of the Canadian Borrower and the Specified Canadian Swingline Borrower (collectively the “**Swingline Borrowers**”).

2.7.2 The Swingline shall be established and maintained by the Swingline Lender only. Either Swingline Borrower may only receive Advances under the Swingline by way of Overdrafts, LIBOR Loans, Bankers’ Acceptances or the issuance of Letters of Credit, in each case (other than with respect to Bankers’ Acceptances), in Canadian Dollars or U.S. Dollars. The aggregate amount owing under the Swingline may at no time exceed the Swingline Limit and the aggregate principal amount outstanding under the Swingline plus the other Outstanding Advances under the Canadian Operating Facility shall at no time exceed the Canadian Operating Facility Limit. The total number of Bankers’ Acceptances and LIBOR Loans outstanding under the Swingline shall not exceed fifteen at any time.

2.7.3 The Swingline shall form a part of the Canadian Operating Facility and, except for the purpose of calculating the Canadian Operating Facility standby fee, any Swingline

Loan shall reduce availability under the Canadian Operating Facility on a dollar for dollar basis.

2.7.4 The Swingline Lender will make Advances to the Swingline Borrowers under the Swingline by way of (a) Canadian Dollar Overdraft into Canadian Dollar accounts, or U.S. Dollar Overdraft into U.S. Dollar accounts, in each case held at a branch of the Agent and as designated by either Swingline Borrower from time to time as required in order to honour cheques drawn by either Swingline Borrower on such accounts which are presented to the Swingline Lender for payment, (b) the issuance of Letters of Credit in Canadian Dollars or U.S. Dollars or (c) LIBOR Loans or Bankers' Acceptances. Other than in respect of Letters of Credit, LIBOR Loans or Bankers' Acceptances, no Drawdown Request or minimum amount shall be required in connection therewith and each Swingline Loan shall be on a dollar for dollar basis (i.e. not subject to multiples). As deposits are made into such accounts by the applicable Swingline Borrower, the Swingline Lender shall withdraw funds from such accounts from time to time and apply such funds as Repayments under the Swingline; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit, LIBOR Loan or Bankers' Acceptance. No notice of repayment shall be required to be given by the Canadian Borrower in respect of any such repayment of any Swingline Loan (other than in respect of LIBOR Loans or Bankers' Acceptances). The Swingline Borrowers authorize and direct the Swingline Lender, in its discretion, to automatically debit, by mechanical, electronic or manual means, the bank accounts of the Swingline Borrowers maintained by it for any amounts (including principal, interest or fees) that are due and payable under this Section 2.7.

2.7.5 Letters of Credit may be issued under the Swingline in Canadian Dollars or U.S. Dollars (or such other currencies as may be agreed to by the Swingline Lender); provided, that the Equivalent Amount expressed in U.S. Dollars (or such other currency, if applicable) of the aggregate face amount of all Letters of Credit outstanding under the Swingline at any time may not exceed U.S. \$10,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date. Letters of Credit will not be issued for the purpose of guaranteeing obligations of any Person other than a Credit Party. On the date of issue, the Swingline Lender will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the applicable Swingline Borrower in its Drawdown Request. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (Toronto time) on such Business Day. Prior to the issue date, the applicable Swingline Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Swingline Lender may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Swingline Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit. Sections 4.7.2, 4.7.3, 4.7.4 and

4.7.6 shall apply to Letters of Credit issued under the Swingline *mutatis mutandis* as if the Swingline Lender was the Issuing Bank.

2.7.6 If the Canadian Borrower requests a Syndicated Advance and the Swingline Lender's Proportionate Share of such Syndicated Advance would cause its Proportionate Share of all Syndicated Advances under the Canadian Operating Facility then outstanding together with the aggregate outstanding principal amount of all Swingline Loans to exceed the Swingline Lender's Commitment under the Canadian Operating Facility, then the Canadian Borrower shall be required to repay such Swingline Loans (or to convert the same into a Syndicated Advance in accordance with Section 2.7.7) to the extent of such excess on or before the requested date of such Syndicated Advance; provided, that the foregoing shall not apply to any Swingline Loans made by way of issuance of a Letter of Credit.

2.7.7 Notwithstanding anything to the contrary herein contained, the Canadian Borrower may at any time give notice to the Swingline Lender and the Agent, which notice shall direct a Conversion of any outstanding Swingline Loan into a Syndicated Advance (other than by way of issuance of a Letter of Credit) and shall specify the particulars of such Swingline Loans, and the Agent shall forthwith provide a copy of such notice to the Canadian Operating Lenders and, effective on the effective date of such notice, the Canadian Borrower shall be deemed to have requested a Conversion of such Swingline Loan into a Syndicated Advance (whether or not it was the actual borrower under such Swingline Loan) and in an amount sufficient to repay the relevant Swingline Loan and accrued and unpaid interest in respect thereof. Subject to the same notice period set out in Section 5.4, each Canadian Operating Lender shall disburse to the Agent for payment to the Swingline Lender its respective Proportionate Share of such amounts and such amounts shall thereupon be deemed to have been advanced by such other Canadian Operating Lenders to the Canadian Borrower and to constitute Syndicated Advances by way of Canadian Dollar Prime Rate Loans or U.S. Dollar Base Rate Loans, as applicable. Such Syndicated Advances shall be deemed to be comprised of principal and accrued and unpaid interest in the same proportions as the corresponding Swingline Loans.

2.7.8 Upon the occurrence and any time during the continuance of an Event of Default, the Canadian Operating Lenders shall make such adjusting payments amongst themselves in any manner as may be required to ensure their respective participations in outstanding Advances under the Canadian Operating Facility reflect their respective Proportionate Share under the Canadian Operating Facility. If any Swingline Loans (other than by way of Letters of Credit) are outstanding, the Swingline Lender may at any time in its sole and absolute discretion, on behalf of either Swingline Borrower (which hereby irrevocably directs and authorizes the Swingline Lender to make such request on its behalf), request that each Canadian Operating Lender, through the Agent, make a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, to the Canadian Borrower (whether or not it was the actual borrower under such Swingline Loan) in an amount equal to the Lender's Proportionate Share of the principal amount of such Swingline Loan outstanding on the date such notice is given (in this Section, the "**Refunded Swingline Loans**"), provided that the provisions of this clause shall not affect the applicable Swingline Borrower's obligation to repay the Swingline Loans to the extent they remain

outstanding. Each Canadian Operating Lender will make the proceeds of any such Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, available to the Swingline Lender on the Business Day next following the date such notice is given in immediately available funds. The proceeds of such a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan shall be applied by the Swingline Lender to the payment in full of the Refunded Swingline Loans.

2.7.9 In the event of any request for a drawing under any Letter of Credit, the Swingline Lender may notify the applicable Swingline Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The applicable Swingline Borrower (whether or not such notice is given) shall reimburse the Swingline Lender within two Business Days of demand by the Swingline Lender, in the relevant currency, an amount, in same day funds, equal to the amount of such drawing (in this Section, an “**LC Payment**”). The applicable Swingline Borrower shall pay to the Swingline Lender interest on the amount of any such drawn Letter of Credit as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable, from the date such Letter of Credit is drawn upon until such time as the applicable Swingline Borrower reimburses the Swingline Lender for the drawn amount of such Letter of Credit. If the applicable Swingline Borrower does not reimburse the Swingline Lender within such two Business Days, the Canadian Operating Lenders shall, on the third Business Day following the date of such initial demand on the applicable Swingline Borrower by the Swingline Lender, at the request of the Swingline Lender, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds thereof to the reimbursement of the Swingline Lender for the amount of such drawing. The applicable Swingline Borrower shall pay to Canadian Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Swingline Lender requests payment from each of Canadian Operating Lenders in respect of such drawn Letter of Credit until such time as the Canadian Borrower reimburses the Swingline Lender and each of Canadian Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a Canadian Dollar Prime Rate Loan or U.S. Dollar Base Rate Loan, as applicable. Each Canadian Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Swingline Lender and its obligation to make the payments specified herein, and the right of the Swingline Lender to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

2.7.10 The obligations of each Canadian Operating Lender under Sections 2.7.8 and 2.7.9 are unconditional, shall not be subject to any qualification or exception whatsoever and shall be performed in accordance with the terms and conditions of this Agreement under all circumstances including:

- (a) any lack of validity or enforceability of the applicable Swingline Borrower’s obligations under this Section 2.7;

- (b) the occurrence of any Default or Event of Default or the exercise of any rights by the Agent under the Credit Documents;
- (c) whether the Borrower under a Swingline loan was the Canadian Borrower or the Specified Canadian Swingline Borrower; and
- (d) the absence of any demand for payment being made, any proof of claim being filed, any proceeding being commenced or any judgment being obtained by any Lender against any Credit Party.

2.7.11 For certainty, it is hereby acknowledged and agreed that the Canadian Operating Lenders shall be obligated to disburse to the Agent for payment to the Swingline Lender their respective Proportionate Shares of any Syndicated Advances contemplated in this Section 2.7 regardless of:

- (a) whether a Default or Event of Default has occurred or is then continuing or whether any other condition in Section 9.2 is met;
- (b) whether or not the Canadian Borrower has, in fact, actually requested such Conversion; and
- (c) whether or not a Person was a Canadian Operating Lender at the time the applicable Swingline Loan was made.

2.7.12 Notwithstanding any other terms of this Section 2.7, this Agreement or any other Loan Document, the Canadian Borrower shall be jointly and severally liable with the Specified Canadian Swingline Borrower for all obligations and indebtedness arising out of any Swingline Loan advanced by the Swingline Lender to the Specified Canadian Swingline Borrower.

2.8 Accordion - Increase in the Canadian Operating Facility Commitment Amount

2.8.1 The Canadian Borrower may at any time and from time to time (a) with the consent of the Agent and the Swingline Lender add additional financial institutions hereunder, as Canadian Operating Lenders or, (b) with the consent of the applicable Canadian Operating Lender, the Agent and the Swingline Lender, increase the individual Canadian Operating Facility Commitment of such Canadian Operating Lender, and, in each case, thereby increase the Canadian Operating Facility Commitment; provided, that at the time of any such addition or increase:

- (A) no Default or Event of Default has occurred and is continuing or would result therefrom and the Agent has received a certificate from the Borrower confirming the same;
- (B) the aggregate amount of all increases to the Canadian Operating Facility Commitment pursuant to this Section 2.8.1 shall not exceed \$10,000,000;

- (C) the aggregate of the U.S. Operating Facility Commitment and the Canadian Operating Facility Commitment (as increased) does not at any time exceed \$144,681,471;
- (D) the Agent and the Swingline Lender have each consented to such Canadian Operating Lender increasing its Canadian Operating Facility Commitment, each such consent not to be unreasonably withheld or delayed;
- (E) (i) the Canadian Operating Facility Commitment increased pursuant to this Section 2.8.1 and (ii) the individual Canadian Operating Facility Commitment of any new financial institution being added as a Lender pursuant to this Section 2.8.1, shall in each case be no less than \$2,500,000;
- (F) concurrently with the addition of a financial institution as an additional Canadian Operating Lender or the increase of a Canadian Operating Lender's Canadian Operating Facility Commitment, such financial institution or Canadian Operating Lender, as the case may be, shall purchase from each Canadian Operating Lender, such portion of the Outstanding Advances owed to each Canadian Operating Lender under the Canadian Operating Facility as is necessary to ensure that the Outstanding Advances owed to all Canadian Operating Lenders and including therein such additional financial institution and the increased Canadian Operating Facility Commitment of any Canadian Operating Lender, as applicable, are in accordance with the Lender's Proportionate Shares of all such Canadian Operating Lenders (including the new financial institution and the increased Canadian Operating Facility Commitment of any Lender) and such financial institution shall execute such documentation as is required by the Agent, acting reasonably, to novate such financial institution as a Canadian Operating Lender hereunder; provided that with respect to any portion of such Outstanding Advances which is outstanding by way of Bankers' Acceptance, the new financial institution or such Canadian Operating Lender shall provide an indemnity to the other Lenders (provided that no such indemnity may exceed one month in duration unless agreed to by all of the affected Lenders) in order to ensure such Bankers' Acceptances are outstanding in accordance with the new Proportionate Shares; and
- (G) the Canadian Borrower has provided to the Agent a certified copy of a directors' resolution of the Canadian Borrower authorizing any such increase in the Canadian Operating Facility Commitment (which may be the original directors' resolution authorizing the credit facility hereunder) together with (i) an acknowledgement and confirmation agreement in respect of Security from each Credit

Party formed under the laws of Canada, the U.S. or any province or state thereof and (ii) a legal opinion with respect each Credit Party formed under the laws of Canada, the U.S. or any province or state thereof, in each case in form and substance satisfactory to the Agent, acting reasonably;

provided, in the case of any Canadian Operating Lender which is requested to provide an increase to its Canadian Operating Facility Commitment, (i) each Canadian Operating Lender shall notify the Agent within the time period specified in the Agent's notice of such increase to such Canadian Operating Lender (which shall in no event be less than ten Business Days from the date of delivery of such notice to the Canadian Operating Lenders) whether or not it agrees to increase its Canadian Operating Facility Commitment and by what amount; (ii) any Canadian Operating Lender not responding within such time period shall be deemed to have declined to increase its Canadian Operating Facility Commitment; and (iii) in no event shall any existing Canadian Operating Lender be required to increase its Canadian Operating Facility Commitment.

3.4.1 The Obligations under the Term Facility shall become due and payable on the earlier of: (a) the Acceleration Date; and (b) the Facilities Maturity Date.

of acceptance (and for greater certainty, in addition to paying the said stamping fee, the Canadian Borrower acknowledges that the proceeds received upon the issuance of such Bankers' Acceptance will be less than the face amount payable to the holder of such Bankers' Acceptance on the maturity thereof, as more particularly provided in Section 5.10);

ARTICLE 4

4.1 Establishment of U.S. Operating Facility

Subject to the terms and conditions in this Agreement, each U.S. Operating Lender hereby establishes a committed, revolving credit facility in favour of the U.S. Borrower in the maximum principal amount indicated opposite such U.S. Operating Lender's name in Exhibit "A" under the heading "U.S. Operating Facility Commitments". Such credit facility in the maximum aggregate principal amount of the U.S. Operating Facility Limit are established by the U.S. Operating Lenders severally and not jointly, and are hereinafter collectively referred to as the "**U.S. Operating Facility**". For greater certainty, the U.S. Borrower shall, subject to the terms of this Agreement, be entitled to obtain Advances by way of U.S. Dollar Prime Rate Loans, LIBOR Loans or Letters of Credit in U.S. Dollars under the U.S. Operating Facility from time to time and repay all or any portion of the Outstanding Advances under the U.S. Operating Facility from time to time; provided, that the Outstanding Advances under the U.S. Operating Facility at any time shall not exceed the U.S. Operating Facility Commitment in effect at such time. If at any time and for whatever reason the Outstanding Advances under the U.S. Operating Facility exceed the U.S. Operating Facility Commitment then in effect, the U.S. Borrower shall, within two Business Days of receipt of a written notice from the Agent, pay to the Agent the principal amount required to reduce the Outstanding Advances under the U.S. Operating Facility to an amount not greater than the U.S. Operating Facility Commitment then in effect.

4.4 Repayment

The Obligations under the U.S. Operating Facility shall become due and payable on the earlier of: (i) the Acceleration Date; and (ii) the Facilities Maturity Date.

4.5 Availment Options

- (a) Letters of Credit in U.S. Dollars;
- (b) U.S. Dollar Prime Rate Loans; or
- (c) LIBOR Loans in U.S. Dollars, with a LIBOR Period of 30, 60, 90 or 180 days, subject to availability.

4.5.2 LIBOR Loans under the U.S. Operating Facility will not be issued with a maturity date later than the Facilities Maturity Date.

4.5.3 The U.S. Borrower may convert Outstanding Advances under the U.S. Operating Facility in the form of any above Availment Option applicable to it into another form of Availment Option in the same currency, subject to and in accordance with the terms and conditions of this Agreement (but for greater certainty, LIBOR Loans and Letters of Credit

may not be converted into another Availment Option prior to the maturity thereof, except in the case of unexpired Letter of Credits by the return of the original thereof to the Issuing Bank for cancellation).

4.6 Interest and Fees

4.6.1 In respect of Advances under the U.S. Operating Facility, the U.S. Borrower agrees to pay the following:

- (a) interest on U.S. Dollar Prime Rate Loans in U.S. Dollars at the U.S. Prime Rate plus the Applicable Margin per annum, payable monthly in arrears on the last day of each and every month (provided, that if such day is not a Business Day, interest shall be payable on the next Business Day thereafter);
- (b) interest on LIBOR Loans in U.S. Dollars at the U.S. Dollar LIBOR Rate plus the Applicable Margin per annum calculated on the basis of a year of 360 days, payable in the manner set out in Section 5.13.2;

 - (i) to the Agent for the account of the U.S. Operating Lenders in respect of the period from the date of issuance of such Letter of Credit to the date of expiry of such Letter of Credit (including the first day but excluding the last day) and divided by 360 days, a fee equal to the Applicable Margin in effect at the time of issuance multiplied by the face amount of such Letter of Credit multiplied by the number of days in such period and divided by 360 days, payable on the date of issuance of such Letter of Credit; and
 - (ii) in respect of each Letter of Credit, in addition to the fees referred to in Section 4.6.1(c), fees generally applicable to Letters of Credit from time to time (such as issuance, drawing, registration, amendment, communication and other processing and out of pocket fees) at the Issuing Bank's usual rates, payable to the Issuing Bank for its own account.

Each fee referred to in this Section in respect of a Letter of Credit shall be paid in U.S. Dollars; and

- (d) an unused commitment fee with respect to the unused portion of the U.S. Operating Facility calculated in U.S. Dollars on a daily basis as being the difference between (i) the U.S. Operating Facility Commitment and (ii) the Outstanding Advances under the U.S. Operating Facility, multiplied by the Applicable Margin and divided by 360 days which standby fee shall be payable quarterly in arrears on the last day of each Fiscal Quarter.

4.6.2 With respect to any Availment Option under the U.S. Operating Facility, "Applicable Margin" means, in respect of any Fiscal Quarter, the percentage in the column relating to such Availment Option which corresponds to the Net Leverage Ratio as determined pursuant to Section 5.1.4.

4.7 Letters of Credit

4.7.1 Letters of Credit may be issued under the U.S. Operating Facility in U.S. Dollars (or such other currencies as may be agreed to by the Agent and by the applicable Issuing Bank); provided, that the Equivalent Amount expressed in U.S. Dollars of the aggregate face amount of all Letters of Credit outstanding under the U.S. Operating Facility at any time may not exceed U.S. \$5,000,000. Each Letter of Credit shall have an expiry date not exceeding the earlier of (a) one year from the date of issuance thereof (subject to any customary auto-renewal terms contained in such Letter of Credit; provided, that such auto-renewal provisions do not provide for a renewal in the singular instance in excess of one year from the date of such renewal), and (b) five Business Days prior to the Facilities Maturity Date.

4.7.2 Each request for the issuance of a Letter of Credit shall be delivered by the U.S. Borrower to the Issuing Bank (with a copy to the Agent) in accordance with the notice requirements set out in Section 5.4 herein, together with Issuing Bank's customary form of application and indemnity agreement completed to its satisfaction and the proposed form of the Letter of Credit (which shall be satisfactory to the Issuing Bank) and such other certificates, documents and other papers and information as the Issuing Bank may reasonably request.

4.7.3 On the date of issue, the Issuing Bank will complete and issue one or more Letters of Credit in favour of the beneficiary as specified by the U.S. Borrower in its Drawdown Request. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (New York time) on such Business Day. Prior to the issue date, the U.S. Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary prior to payment under the Letter of Credit. The Issuing Bank may require changes in any such documents or certificate, acting reasonably. In determining whether to pay under a Letter of Credit, the Issuing Bank shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

4.7.4 In the event of any request for a drawing under any Letter of Credit, the Issuing Bank may notify the U.S. Borrower (with a copy of the notice to the Agent) on or before the date on which it intends to honour such drawing. The U.S. Borrower (whether or not such notice is given) shall reimburse the Issuing Bank within one Business Day of demand by the Issuing Bank, an amount, in same day funds, equal to the amount of such drawing. The U.S. Borrower shall pay to the Issuing Bank interest on the amount of any such drawn Letter of Credit as if such drawn amount was a U.S. Dollar Prime Rate Loan from the date such Letter of Credit is drawn upon until such time as the U.S. Borrower reimburses the Issuing Bank for the drawn amount of such Letter of Credit. If the U.S. Borrower does not reimburse the Issuing Bank within such two Business Days, U.S. Operating Lenders shall, on the third Business Day following the date of such initial demand on the U.S. Borrower by the Issuing Bank, at the request of the Issuing Bank, provide its Proportionate Share of the amount drawn under any such Letter of Credit and the Agent shall apply the proceeds

thereof to the reimbursement of the Issuing Bank for the amount of such drawing. The U.S. Borrower shall pay to U.S. Operating Lenders interest on the amount of any such drawn Letter of Credit from the date the Issuing Bank requests payment from each of U.S. Operating Lenders in respect of such drawn Letter of Credit until such time as the U.S. Borrower reimburses the Issuing Bank and each of U.S. Operating Lenders for the drawn amount of such Letter of Credit which has been drawn upon as if such drawn amount was a U.S. Dollar Base Rate Loan. Each U.S. Operating Lender acknowledges and agrees that its obligation to acquire participations in each Letter of Credit issued by the Issuing Bank and its obligation to make the payments specified herein, and the right of the Issuing Bank to receive the same, in the manner specified herein, are absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or Event of Default hereunder, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

4.7.5 The Issuing Bank shall notify each the Agent of the principal amount, the number, and the expiration date of each Letter of Credit and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of the amount of such U.S. Operating Lender's participation therein. The Issuing Bank shall review each draft and any accompanying documents presented under a Letter of Credit and shall notify the Agent of any such presentment and upon receipt of such information, the Agent shall notify each U.S. Operating Lender of such presentment.

4.7.6 The Issuing Bank shall not be obligated to issue any Letter of Credit (i) in violation of any Applicable Law or policy of such Issuing Bank or any Lender or (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit. The Issuing Bank shall not at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause the Issuing Bank to exceed any limits imposed by, this Agreement or any applicable requirements of Applicable Law or any regulatory or internal limit.

ARTICLE 5 GENERAL CONDITIONS

5.1 Matters relating to Interest and Fees

5.1.1 Unless otherwise indicated, Interest on any outstanding principal amount hereunder shall be calculated daily and shall be payable monthly in arrears on the last day of each and every month. If the last day of a month is not a Business Day, the Interest payment due on such day shall be made on the next Business Day, and Interest shall continue to accrue on the said principal amount and shall also be paid on such next Business Day. Interest shall accrue from and including the day upon which an Advance is made or is deemed to have been made, and ending on but excluding the day on which such Advance is repaid or satisfied. Any change in the Canadian Prime Rate shall cause an immediate adjustment of the interest rate applicable to Canadian Dollar Prime Rate Loans and Overdrafts in Canadian Dollars and any change in the U.S. Base Rate shall cause an immediate adjustment of the interest rate applicable to U.S. Dollar Base Rate Loans and

Overdrafts in U.S. Dollars, in each case without the necessity of any notice to any Borrower.

5.1.2 Unless otherwise stated, in this Agreement if reference is made to a rate of Interest, fee or other amount “per annum” or a similar expression is used, such interest, fee or other amount shall be calculated on the basis of a year of 365 or 366 days (or 360 days in the case of Loans or Letters of Credit denominated in U.S. Dollars), as the case may be. If the amount of any Interest, fee or other amount is determined or expressed on the basis of a period of less than one year of 365 days or 366 days (or 360 days in the case of Loans denominated in U.S. Dollars), as the case may be, the equivalent yearly rate is equal to the rate so determined or expressed, divided by the number of days in the said period, and multiplied by the actual number of days in that calendar year.

5.1.3 Notwithstanding any other provisions of this Agreement:

- (a) the Borrowers and the Lenders intend to strictly comply with all Applicable Laws, including applicable usury laws (or the usury laws of any jurisdiction whose usury laws are deemed to apply to this Agreement and the other Credit Documents despite the intention and desire of the parties to apply the usury laws of the Province of Alberta and the federal laws applicable therein);
- (b) in no event shall any Borrower or any other Person be obligated to pay, or any Lender have any right or privilege to reserve, receive or retain, (a) any interest in excess of the maximum amount of nonusurious interest permitted under the laws of the Province of Alberta the federal laws of Canada applicable therein, or the Applicable Laws of any other jurisdiction, or (b) total interest in excess of the amount which such Lender could lawfully have contracted for, reserved, received, retained or charged had the interest been calculated for the full term of the applicable Loan; and
- (c) if the amount of any interest, premium, fees or other monies or any rate of interest stipulated for, taken, reserved or extracted under the Credit Documents would otherwise contravene the provisions of Section 347 of the *Criminal Code* (Canada), Section 8 of the *Interest Act* (Canada) or any successor or similar legislation (including any usury law in the U.S.), or would exceed the amounts which any Lender is legally entitled to charge and receive under any law to which such compensation is subject, then such amount or rate of interest shall be reduced to such maximum amount as would not contravene such provision; and to the extent that any excess has been charged or received such Lender shall apply such excess against the Outstanding Advances and refund any further excess amount to the applicable Borrower.

As used in this Section 5.1.3, the term “interest” includes the aggregate of all charges, fees, benefits or other compensation which constitute interest under Applicable Law; provided, that, to the maximum extent permitted by Applicable Law, (a) any non-principal payment shall be characterized as an expense or as compensation for something other than the use, forbearance or detention of money and not as interest, and (b) all interest at any time

contracted for, reserved, charged or received shall be amortized, prorated, allocated and spread, using the actuarial method, during the full term of the Facilities. The daily interest rates to be used in calculating interest for the purposes of this Section 5.1.3 shall be determined by dividing the applicable interest rate per annum by the number of days in the calendar year for which such calculation is being made. None of the terms and provisions contained in this Agreement or in any other Credit Document which directly or indirectly relate to interest shall ever be construed without reference to this Section 5.1.3, or be construed to create a contract to pay for the use, forbearance or detention of money at any interest rate in excess of the amounts permitted under any Applicable Law.

The provisions of this Section shall govern and control over every other provision of this Agreement or any other Credit Document which conflicts or is inconsistent with this Section 5.1.3.

5.1.4 Any change in the Applicable Margin in respect of any Availment Option under a Facility shall be determined in accordance with this Section. For purposes of this Section, the term “**Pricing Date**” means, for any Fiscal Quarter of the Canadian Borrower ending on or after the Amendment and Restatement Date, the date on which the Agent is in receipt of the financial statements and Compliance Certificate pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, for such Fiscal Quarter. The Applicable Margin shall be established on a Pricing Date based on the Net Leverage Ratio as of the end of the most recently completed Fiscal Quarter and the Applicable Margin established on a Pricing Date shall remain in effect until the next Pricing Date. If the financial statements and Compliance Certificate are delivered before 10:00 a.m. Toronto time on a specific Business Day (the “**Specific Business Day**”) then pricing will be adjusted starting on the Specific Business Day. If the financial statements and Compliance Certificate are received after 10:00 a.m. Toronto time on the Specific Business Day then any pricing adjustment will be effective on the next Business Day. If the Canadian Borrower has not delivered its financial statements and Compliance Certificate by the date such financial statements and Compliance Certificate are required to be delivered pursuant to Section 7.4.1(b) or Section 7.4.1(d), as applicable, then until such financial statements and Compliance Certificate are delivered, the Applicable Margin shall be based on Level VI. The Applicable Margin established by such financial statements shall be in effect from the Pricing Date that occurs immediately after the end of the Fiscal Quarter covered by such financial statements until the next Pricing Date; provided, that no changes will be made in respect of any Bankers’ Acceptances or BA Equivalent Loans which are outstanding on the effective date, until the Rollover thereof and fees paid on the issuance or renewal of a Letter of Credit will not change during the term of a Letter of Credit as a result of a change in the Net Leverage Ratio.

5.1.5 The determination of the Applicable Margin by the Agent shall be conclusive and binding on the Borrowers and the Lenders if reasonably determined, absent manifest error.

5.1.6 Effective upon the occurrence of an Event of Default (the “**effective date**”), the interest rates then applicable to all Availment Options will each increase by 200 basis points and such increase will remain in effect for as long as such Event of Default subsists. An increase in interest rates and fees as aforesaid arising from an Event of Default shall

apply to all outstanding Advances under the Facilities and will on the effective date apply proportionately to each outstanding Advance during the continuance of such Event of Default. The Borrowers will pay to the Agent on behalf of the Lenders any resulting increase in stamping fees and Letter of Credit fees on or prior to the third Business Day following the effective date. In addition to the conditions set forth above, the Lenders' obligation to provide any Advances under any Facility, other than Rollovers or Conversions of then maturing Advances (in each case not to exceed a 30 day term), will be suspended for as long as there exists an Event of Default.

5.1.7 If the Canadian Borrower has delivered a Compliance Certificate that is subsequently found to be inaccurate in any way as a result of the Canadian Borrower's financial results having to be restated or if the Canadian Borrower's financial results were inaccurately reflected in the original financial results on which such Compliance Certificate was based or for any other reason and the result thereof is that the Net Leverage Ratio was originally reported as lower (and the corresponding Level in the Applicable Margin table was lower) than it otherwise would have been in the absence of such inaccuracy or prior to such restatement, then the Borrowers will, immediately upon the correction of such inaccuracy or upon such restatement, pay to the Agent for the benefit of the applicable Lenders an amount equal to the interest, Letter of Credit fees, stamping fees in respect of Bankers' Acceptances and standby fees that the Lenders should have received, but did not receive, over the applicable period had the Net Leverage Ratio, and the underlying components thereof, been reported correctly in the first instance.

5.2 Voluntary Prepayments

Subject to Section 5.15, the Borrowers may from time to time, without payment of any penalty or fee, upon at least two Business Days' prior written notice to the Agent make a prepayment in respect of any Outstanding Advances under any of the Facilities. In the case of Term Facility, the Term Facility Commitment shall be automatically and permanently reduced by the amount of any such prepayment. Notwithstanding the foregoing, Bankers' Acceptances, BA Equivalent Loans and LIBOR Loans may not be repaid prior to the maturity thereof (except in accordance with Sections 5.11 and 5.14, as applicable) and unexpired Letter of Credits may not be prepaid prior to the maturity thereof (except by the return of the original thereof to the Issuing Bank or Swingline Lender, as applicable, for cancellation or by the collateralization thereof in the manner set forth in Section 5.16(f)). Prepayments under the Facilities other than under the Swingline shall be in a minimum principal amount of U.S. \$500,000 and integral multiples of U.S. \$100,000 in excess thereof and shall be applied as directed by the Borrowers to the remaining payments thereof. Any prepayments under the Term Facility shall be made in inverse order of maturity.

5.3 Mandatory Prepayments

5.3.1 If any Credit Party receives cash proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) below, from:

- (a) a transaction after the Amendment and Restatement Date involving the creation or incurrence of any Funded Debt (other than Permitted Funded Debt), and notwithstanding any Default or Event of Default that results therefrom;
- (b) transactions involving the sale, lease or other disposition of any assets (other than transactions described in clauses (a) through (d) inclusive and (f) through (j) inclusive of Section 7.2.4), except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the “**Sales Proceeds**”); or
- (c) property, casualty or other insurance proceeds received by any Credit Party, except where such proceeds are reinvested in the business of any Credit Party within the applicable time period permitted in accordance with Section 5.3.2 (the “**Insurance Proceeds**”); and/or
- (d) Specified Equity Contribution (other than the Specified Equity Contribution deemed to be made on the Second Amendment Date);

then, subject to Sections 5.3.2 and 8.6, the Borrowers shall make a Repayment on account of the Outstanding Advances in an amount equal to 100% of such proceeds, or net cash proceeds in the case of clauses (a), (b) and (c) above, within three Business Days (i) after such proceeds are received by the applicable Credit Party in the case of clauses (a) and (d) above, (ii) within three Business Days of the expiry of the applicable reinvestment period set out in Section 5.3.2 after such proceeds are received by the applicable Credit Party in the case of clause (b) above and within three Business Days of the expiry of the insurance proceeds reinvestment period described in Section 5.3.2(a) after such proceeds are received by the applicable Credit Party in the case of clause (c) above. As used herein, “net cash proceeds” in respect of any such transaction means the gross amount payable to the applicable Credit Party in cash in respect of such transaction less (i) any sales commissions, selling expenses, brokers’ fees, consulting fees, legal fees, other costs and expenses of the transaction actually incurred, investment banking fees, accountants’ fees, consulting fees, underwriting discounts and commissions and other customary fees and expenses actually incurred, (ii) amounts required to be applied to the repayments of Funded Debt, (including the principal amount, premium or penalty, if any, interest and other amounts required to be applied to the repayment of any Funded Debt secured by a Lien (including because the asset sold is removed from a borrowing base supporting such Funded Debt)), (iii) taxes payable in connection with the transaction, (iv) usual and reasonable adjustments in connection with the transaction and, including the amount of any liability paid or to be paid or reasonable reserve established in accordance with GAAP against any liabilities associated with the assets that are the subject of such event and retained by the Canadian Borrower or any of its Subsidiaries, and (v) any other amount specifically approved by the Agent in writing.

5.3.2 The Sales Proceeds or Insurance Proceeds, as applicable, need not be used by the Credit Parties to make a repayment under Section 5.3.1 and may be used by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of

Business, or, provided no Default (unless such repayment would cure any such Default) or Event of Default exists at such time, in the case of:

- (a) Insurance Proceeds (i) of insured claims that do not exceed in the aggregate in any one Fiscal Year \$7,500,000 or (ii) are used to repair or replace the property in respect of which such Insurance Proceeds were received, if such purchase, repair or replacement occurs within twelve (12) months of the receipt of such proceeds, subject to an extension of up to a further six (6) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial twelve (12) months period; or
- (b) Sales Proceeds (i) arising from any single transaction or series of related transactions that do not exceed in the aggregate in any one Fiscal Year \$3,000,000 or (ii) are used or useful by a Credit Party to purchase assets of the general type then used in the operation of an Eligible Line of Business, within nine (9) months of the receipt of such proceeds, subject to an extension of up to a further three (3) months to complete such reinvestment; provided, that the Credit Party is contractually bound to such reinvestment prior to the expiry of the initial nine (9) period.

In connection with the foregoing, the Agent and the Lenders may rely upon and assume the correctness of all asset values and other statements contained in any certificate provided by an officer of the Canadian Borrower confirming the value of the relevant assets.

5.3.3 Repayments under this Section 5.3 are to be applied first to Outstanding Advances under the Term Facility until they have been fully repaid, and then to Outstanding Advances under the Operating Facilities, as directed by the Canadian Borrower, or failing such direction, *pro rata* between the Operating Facilities. Repayments under the Facilities under this Section 5.3 shall be applied in inverse order of maturity and will be made *pro rata* to each Lender under the applicable Facility.

5.3.4 If as a result of currency rate fluctuation, the Outstanding Advances under the Canadian Operating Facility exceeds the Canadian Operating Facility Limit by at least 3% thereof (in each case, a “**Currency Excess**”), the Borrowers will, by the earlier of (a) five (5) Business Days after a written request from the Agent, and (b) the next date of a Rollover or Conversion, pay the applicable Currency Excess to the Agent as a Repayment for the benefit of the Canadian Operating Lenders to be shared on the basis of each applicable Lender’s Proportionate Share under the Canadian Operating Facility. If to pay a Currency Excess it is necessary to repay an Advance made by way of Bankers’ Acceptance or a LIBOR Loan prior to the maturity date thereof, the Borrowers will not be required to repay such Advances until the maturity date applicable thereto; provided, however, that at the request of the Agent, the Borrowers will forthwith pay the Currency Excess to the Agent for deposit into a cash collateral account maintained by and in the name of the Agent for the benefit of the Canadian Operating Lenders. The Currency Excess will be held by the Agent for set off against future obligations owing by the Borrowers to the Canadian Operating Lenders in respect of such Currency Excess, if any, and, pending such application, such amounts will bear interest for the Borrowers’ account at the rate payable

by the Agent in respect of deposits of similar amounts and for similar periods of time. The Agent shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of the Currency Excess by the Borrowers with the Agent as herein provided will not operate as a Repayment under the Canadian Operating Facility until such time as the Currency Excess is actually paid to the Canadian Operating Lenders as a Repayment. If the Borrowers are required to provide a deposit under this Section 5.3.4 as a result of the Currency Excess with respect to an unmatured Bankers' Acceptance or a LIBOR Loan, and such Currency Excess (or any portion thereof) is no longer in effect on the maturity date of such Bankers' Acceptance or LIBOR Loan, such deposit (or the applicable portion thereof) shall be returned to the Borrowers within three Business Days after the maturity date of such Bankers' Acceptance or LIBOR Loan.

5.3.5 If the aggregate Outstanding Advances under the Facilities, is at any time greater than the then applicable Borrowing Base (the amount of such excess being a "**Borrowing Base Shortfall**"), one or all of the Borrowers shall within three (3) Business Days repay such portion of the Outstanding Advances under the Operating Facilities to the Agent for the Canadian Operating Lenders as is required to eliminate such Borrowing Base Shortfall. The Agent will apply such payments (a) against the Term Facility and (b) thereafter, *pro rata* amongst the Canadian Operating Facility and the U.S. Operating Facility and in the following order: (i) first against Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans, U.S. Dollar Prime Rate Loans, (ii) second to collateralize Bankers' Acceptances as provided in Section 5.11, (iii) third to repay LIBOR Loans, subject to Section 5.14, and (iv) fourth to collateralize Letters of Credit as provided in Section 5.16(f), until any such Borrowing Base Shortfall has been eliminated. If the Borrowers are required to provide cash collateral under this Section 5.3.5 as a result of a Borrowing Base Shortfall, such amount shall be returned to the Borrowers within three (3) Business Days after such Borrowing Base Shortfall is no longer continuing.

5.3.6 If any Credit Party receives net cash proceeds from any Anchor Sale and Leaseback Transaction, then the Borrowers shall make a Repayment on account of the Outstanding Advances under the Operating Facilities in an amount equal to 100% of such net cash proceeds within five Business Days after such proceeds are received by the applicable Credit Party. As used herein, "net cash proceeds" has the same meaning ascribed thereto in Section 5.3.1. Repayments under this Section 5.3.6 are to be applied to Outstanding Advances under the Operating Facilities on a pro rata basis. Repayments under this Section 5.3.6 shall not result in a permanent reduction of any Operating Facility.

5.4 Notice Periods

5.4.1 The Borrowers shall provide written notice to the Agent in respect of Advances, Rollovers, Conversions and Repayments to the extent set out below:

- (a) no notice is required for Advances and Repayments in respect of Overdrafts under the Swingline;
- (b) notice is required for each voluntary Repayment under any Facility in accordance with Section 5.2;

- (c) except as provided in clauses (a) and (b) above, but subject to (d), (e) and (f) below, one Business Days' notice is required before 10:00 a.m. Toronto time in respect of any Advance, Rollover, Conversion or voluntary Repayment in Canadian Dollars or in U.S. Dollars;
- (d) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a Bankers' Acceptance or BA Equivalent Loan, two Business Days' notice is required before 10:00 a.m. Toronto time;
- (e) notwithstanding the foregoing, if an Advance, Rollover, Conversion or voluntary Repayment relates to a LIBOR Loan, three Business Days' notice is required before 10:00 a.m. Toronto time; and
- (f) notwithstanding the foregoing, if an Advance relates to the issuance of a Letter of Credit, (i) if issued to a beneficiary located in Canada or the U.S., three Business Days' notice is required before 10:00 a.m. Toronto time and (ii) if issued to a beneficiary located outside of Canada or the U.S., five (5) Business Days' notice is required before 10:00 a.m. Toronto time.

5.4.2 Notice of any Advance, Rollover, Conversion or voluntary Repayment referred to in Section 5.4.1 above shall be given in the form of a Drawdown Request, Rollover Notice, Conversion Notice or Repayment Notice, as the case may be, attached hereto as Exhibits, and shall be given to the Agent at its address set out in Section 13.11.

5.4.3 If notice is not provided as contemplated herein with respect to the maturity of any Bankers' Acceptance, BA Equivalent Loan and LIBOR Loan the Agent may convert such Bankers' Acceptance, BA Equivalent Loan or LIBOR Loan upon its maturity into a Canadian Dollar Prime Rate Loan or a U.S. Dollar Base Rate Loan, as applicable.

5.4.4 Any Conversion from one form of Availment Option to another shall be subject to satisfaction of all terms and conditions applicable to the form of the new Availment Option.

5.5 Minimum Amounts, Multiples and Procedures re Advances, Conversions and Repayments

5.5.1 Each request by a Borrower for an Advance or Conversion in the form of a Canadian Dollar Prime Rate Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.2 Each request of a Borrower for an Advance or Conversion in the form of a U.S. Dollar Base Rate Loan shall be in a minimum amount of U.S. \$500,000 and multiples of U.S. \$100,000 thereafter.

5.5.3 Each request by a Borrower for an Advance or Conversion in the form of a Bankers' Acceptance or BA Equivalent Loan shall be in a minimum amount of Cdn. \$500,000 and multiples of Cdn. \$100,000 thereafter.

5.5.4 Each request by a Borrower for an Advance or Conversion in the form of a LIBOR Loan in U.S. Dollars shall be in a minimum amount of U.S. \$500,000 and in a multiple of U.S. \$100,000 thereafter.

5.5.5 Conversions or Rollovers under the Term Facility can be in such lesser amounts as are necessary to give effect to the principal repayments under the Term Facility required pursuant to Sections 3.4, 5.3.1 and 5.3.2.

5.5.6 Upon receipt of a Drawdown Request under any Facility, the Agent shall promptly notify each Lender under such Facility of the contents thereof and such Lender's Proportionate Share of the Advance. Such Drawdown Request shall not thereafter be revocable.

5.5.7 Each Advance shall be made by the applicable Lenders to the Agent at its address referred to in Section 13.11 or such other address as the Agent may designate by notice in writing to the Lenders from time to time. Each Lender shall make available its Proportionate Share of each said Advance to the Agent. Unless the Agent determines that any condition of the Advance has not been satisfied or waived, the Agent shall make the funds so received from the Lenders available to the applicable Borrower by 2:00 p.m. (Toronto time) on the requested date of the Advance. No Lender shall be responsible for any other Lender's obligation to make available its Proportionate Share of the said Advance.

5.5.8 Each Borrower agrees to deliver to the Agent in favour of any requesting Lender such other agreements and documentation as such Lender may reasonably require (not inconsistent with this Agreement and upon at least two (2) Business Days' prior written notice) in respect of such Lender's requirements for the acceptance of Bankers' Acceptances or the issuance of BA Equivalent Loans.

5.5.9 All payments of principal, interest and other amounts made by the Credit Parties to the Agent in respect of the Outstanding Advances under a Facility shall be paid by the Agent to the Lenders in accordance with their respective Proportionate Shares of the Outstanding Advances under such Facility. For greater certainty, however, (a) stamping fees in respect of Bankers' Acceptances and BA Equivalent Loans shall be received and retained by the respective Lenders which issued or accepted such Bankers' Acceptances and BA Equivalent Loans and (b) in the event that any payments of principal, interest and other amounts made by the Credit Parties to the Agent instead of to the Swingline Lender in respect of the Outstanding Advances under the Swingline, any such payments shall be paid by the Agent to the Swingline Lender.

5.6 Place of Advances and Repayments

5.6.1 Advances by any Lender to a Borrower shall be made by such Lender to the Agent from such Lender's applicable Lending Office. All payments of principal, interest and other amounts to be made by the Borrowers and the other Credit Parties pursuant to this Agreement shall be made to the Agent at its address noted in Section 13.11 or to such other address at a major city in Canada as the Agent may direct in writing from time to time. All

such payments received by the Agent on a Business Day before 2:00 p.m. (Toronto time) shall be treated as having been received by the Agent on that day; payments made after such time on a Business Day shall be treated as having been received by the Agent on the next Business Day.

5.6.2 Whenever any payment or the performance of any covenant, duty or other obligation shall be due on (or required within a time period ending on) a day which is not a Business Day, the date for payment or performance thereof shall be extended to the next succeeding Business Day. Interest shall continue to accrue and be payable thereon as provided herein, until the date on which such payment is received by the Agent.

5.7 Evidence of Obligations (Noteless Advances)

The Agent shall open and maintain, in accordance with its usual practice, accounts evidencing the Obligations; and the information entered in such accounts shall constitute conclusive evidence of the Obligations absent manifest error. The Agent may, but shall not be obliged to, request the Borrowers to execute and deliver from time to time such promissory notes as may be required as additional evidence of the Obligations; provided, that no promissory notes shall be required in respect of any Hedging Agreements or Banking Services Agreements.

5.8 Determination of Equivalent Amounts

Whenever it is necessary or desirable at any time to determine the Equivalent Amount in Canadian Dollars of an amount expressed in U.S. Dollars, or vice-versa (specifically including the determination of the Equivalent Amount in Canadian Dollars of an Advance made in U.S. Dollars (as applicable), the determination of each Lender's Proportionate Share of any Repayment on any date, and the determination of whether the Outstanding Advances under any Facility exceed the limit applicable to such Facility at any time), the Equivalent Amount shall be determined by reference to the Exchange Rate on the date of such determination. Notwithstanding the foregoing, however, for the purposes of determining any Letter of Credit fees under the Canadian Operating Facility or the standby fees applicable to the Canadian Operating Facility, the Agent shall make such determination based upon the Bank of Canada noon spot rate on the first Business Day of each quarter for such quarter as the case may be.

If any basket used hereunder is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. For purposes of determining the Net Leverage Ratio, amounts denominated in a currency other than U.S. Dollars will be converted to U.S. Dollars for the purposes of (A) testing the financial covenant under Section 7.3.1(a), at the Exchange Rate as of the last day of the Fiscal Quarter for which such measurement is being made, and (B) calculating any Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.3.1(a)), at the Exchange Rate as of the date of calculation, and will, in the case of Funded Debt, reflect the currency translation effects, determined in accordance with GAAP, of Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Equivalent Amount in U.S. Dollars of such Funded Debt.

5.9 Commitment to Purchase Bankers' Acceptances and BA Equivalent Loans

5.9.1 Each BA Lender which is a bank listed in Schedule I of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated at the CDOR Rate for the relevant period in effect on the issuance date thereof.

5.9.2 Each BA Lender which is a bank listed in Schedule II or Schedule III of the *Bank Act* (Canada) agrees to purchase those Bankers' Acceptances which it has accepted, at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate for the relevant period in effect on the issuance date thereof plus up to one-tenth of one percent (0.10%).

5.9.3 Each Non-BA Lender agrees to purchase BA Equivalent Loans issued by it hereunder at a discount from the face amount thereof calculated using a rate not in excess of the CDOR Rate plus up to one tenth of one percent (0.10%) for the relevant period in effect on the issuance date thereof.

5.9.4 The discount applicable to each Bankers' Acceptances and BA Equivalent Loan shall be determined on the basis of a year of 365 days.

5.10 Special Provisions Regarding Bankers' Acceptances

The following provisions are applicable to Bankers' Acceptances issued by the Canadian Borrower and accepted by any BA Lender hereunder.

5.10.1 *Payment of Bankers' Acceptances.* The Canadian Borrower agrees to provide for each Bankers' Acceptance by payment of the face amount thereof to the Agent on behalf of the BA Lender on the maturity of the Bankers' Acceptance or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such BA Lender and such BA Lender shall in turn remit such amount to the holder of the Bankers' Acceptance. If the Canadian Borrower fails to provide for the payment of the Bankers' Acceptance accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such Bankers' Acceptance was issued. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any Bankers' Acceptance and agrees to indemnify and save harmless the BA Lender in connection with all payments made by the BA Lender (or by the Agent on its behalf) pursuant to Bankers' Acceptances accepted by the BA Lender, together with all reasonable costs and expenses incurred by the BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a Bankers' Acceptance is held by the BA Lender for its own account at maturity.

5.10.2 *Availability of Bankers' Acceptances.* If at any time and from time to time the Agent determines, acting reasonably, that there no longer exists a market for Bankers' Acceptances for the term requested by the Canadian Borrower, or at all, or if any BA

Lenders representing no less than 35% of the Commitments advise the Agent in writing that the CDOR Rate will not or does not accurately reflect the cost of funds of such BA Lender, the Agent shall so advise the Canadian Borrower, and in such event the BA Lenders shall not be obliged to accept and the Canadian Borrower shall not be entitled to issue Bankers' Acceptances. If such notice is given and there is any outstanding Drawdown Request, Rollover Notice or Conversion Notice requesting an Advance by way of, or a Rollover or Conversion into, a Bankers' Acceptance at such a time, then such request will be deemed to be a request for, or a Rollover or Conversion into, a Canadian Dollar Prime Rate Loan.

5.10.3 *Power of Attorney.* The Canadian Borrower hereby appoints each BA Lender as its true and lawful attorney to complete and issue Bankers' Acceptances on behalf of the Canadian Borrower in accordance with written (including facsimile) transmitted instructions provided by the Canadian Borrower to the Agent on behalf of such BA Lender, and the Canadian Borrower hereby ratifies all lawful acts that its said attorney may do by virtue thereof. The Canadian Borrower agrees to indemnify and hold harmless the Agent and the BA Lenders and their respective directors, officers and employees from and against any charges, complaints, costs, damages, expenses, losses or liabilities of any kind or nature which they may incur, sustain or suffer, arising from or by reason of acting, or failing to act, as the case may be, in reliance upon this power of attorney, except to the extent caused by the gross negligence or willful misconduct of the Agent or the BA Lender or their respective directors, officers and employees. The Canadian Borrower hereby agrees that each Bankers' Acceptance completed and issued and accepted in accordance with this Section by a BA Lender on behalf of the Canadian Borrower is a valid, binding and negotiable instrument of the Canadian Borrower as drawer and endorser. The Canadian Borrower agrees that each BA Lender's accounts and records will constitute *prima facie* evidence of the execution and delivery by the Canadian Borrower of Bankers' Acceptances. This power of attorney is coupled with an interest and shall continue in force until written notice of revocation with respect to any BA Lender has been served upon the Agent by the Canadian Borrower at the Agent's address set out in Section 13.11.

5.10.4 *Repayment Prior to Maturity.* The Canadian Borrower acknowledges that Advances made by a Lender by way of Bankers' Acceptances and BA Equivalent Loans may not be repaid prior to the maturity thereof. If any Bankers' Acceptance or BA Equivalent Loan is repaid prior to the scheduled maturity date hereof (whether as a result of Section 2.3 or Section 10.2 or otherwise), the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders the principal amount of such Bankers' Acceptance or BA Equivalent Loan and the Agent will in its discretion invest any funds in respect of such purported repayment in a term deposit maturing on the scheduled maturity date of the Bankers' Acceptance or BA Equivalent Loan. Any interest accruing on the term deposit will be paid to the Canadian Borrower on the maturity date thereof; provided, that no Event of Default has occurred and is continuing.

5.10.5 *Depository Bills.* It is the intention of the Parties that pursuant to the *Depository Bills and Notes Act* (Canada) ("DBNA"), all Bankers' Acceptances accepted by the Lenders under this Agreement will be issued in the form of a "depository bill" (as defined

in the DBNA), deposited with a “clearing house” (as defined in the DBNA), including The Canadian Depository for Securities Limited or its nominee CDS Clearing and Depository Services Inc. (“CDS”). In order to give effect to the foregoing, the Agent will, subject to the approval of the Canadian Borrower and the Lenders, establish and notify the Canadian Borrower and the Lenders of any additional procedures, consistent with the terms of this Agreement, as are reasonably necessary to accomplish such intention, including:

- (a) any instrument held by the Agent for purposes of Bankers’ Acceptances will have marked prominently and legibly on its face and within its text, at or before the time of issue, the words “This is a depository bill subject to the *Depository Bills and Notes Act* (Canada)”; and
- (b) any reference to the authentication of the Bankers’ Acceptance will be removed; and
- (c) any reference to the “bearer” will be removed and such Bankers’ Acceptances will not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.

5.10.6 *Rounding.* In the case of an issue of Bankers’ Acceptances, the Agent will round allocations amongst the Lenders to ensure that each Bankers’ Acceptance issued has a face amount which is a whole number multiple of \$100,000 (and such rounded allocations shall constitute the Lenders’ respective Proportionate Share for the purposes of this Agreement).

5.11 Escrowed Funds

Upon the request of the Agent after the occurrence and during the continuance of an Event of Default on the cancellation of this Agreement, or if any Outstanding Advances by way of Bankers’ Acceptances are required to be prepaid hereunder prior to their maturity, the Canadian Borrower will forthwith pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent for the benefit of the applicable Lenders, an amount equal to the Lenders’ maximum potential liability under then outstanding Bankers’ Acceptances. Such escrowed funds will be held by the Agent for set-off against future Obligations owing by the Canadian Borrower to the applicable Lenders in respect of such Bankers’ Acceptances and pending such application may be invested in accordance with Section 5.10.4. In the case such Event of Default is either waived or cured in compliance with the terms of this Agreement, then the remaining escrow funds if any, together with any accrued interest to the date of release, will be released to the Canadian Borrower. The deposit of such escrow funds by the Canadian Borrower with the Agent as herein provided, will not operate as a repayment of the Outstanding Advance under the applicable Facility until such time as the escrow funds are actually paid to the applicable Lenders as a Repayment on the applicable maturity date thereof.

5.12 Special Provisions regarding BA Equivalent Loans

Each Non-BA Lender will not accept Bankers’ Acceptances hereunder, and shall instead from time to time make BA Equivalent Loans to the Canadian Borrower. The amount of each BA Equivalent Loan will be equal to the discount proceeds (based on the discount rate set forth in Section 5.9.3 and subject to Section 5.10.6) which would be realized from a hypothetical sale of

the corresponding Bankers' Acceptance on the basis the Lenders purchased such Bankers' Acceptance and the maturity date of each such BA Equivalent Loan will be the same as the maturity date of the corresponding Bankers' Acceptance. Upon the reasonable request of a Non-BA Lender, each BA Equivalent Loan may be evidenced by a non-interest bearing promissory note payable by the Canadian Borrower to the Non-BA Lender in a form acceptable to each such party, acting reasonably. Any such BA Equivalent Loan shall be negotiable by the Non-BA Lender without notice to or the consent of the Canadian Borrower, and the holder thereof shall be entitled to enforce such BA Equivalent Loan against the Canadian Borrower free of any equities, defences or rights of set-off that may exist between the Credit Parties and the Non-BA Lender. In this Agreement, all references to a BA Equivalent Loan shall mean the loan evidenced thereby if required by the context; and all references to the "issuance" of a BA Equivalent Loan by a Non-BA Lender and similar expressions shall mean the making of a BA Equivalent Loan by the Non-BA Lender which is evidenced by a BA Equivalent Loan as if applicable. The following provisions are applicable to each BA Equivalent Loan made by a Non-BA Lender to the Canadian Borrower hereunder:

5.12.1 *Payment of BA Equivalent Loans.* The Canadian Borrower agrees to provide for each BA Equivalent Loan by payment of the face amount thereof to the Agent on behalf of the Non-BA Lender on the maturity of the BA Equivalent Loan or, prior to such maturity, on the Acceleration Date; and the Agent shall remit the said amount to such Non-BA Lender and such Non-BA Lender shall in turn remit such amount to the holder of the BA Equivalent Loan. If the Canadian Borrower fails to provide for the payment of the BA Equivalent Loan accordingly, any amount not so paid shall be immediately payable by the Canadian Borrower to the Agent on behalf of the Non-BA Lender together with interest on such amount calculated daily and payable monthly at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Facility under which such BA Equivalent Loan was made. The Canadian Borrower agrees not to claim any days of grace for the payment at maturity of any BA Equivalent Loan and agrees to indemnify and save harmless the Non-BA Lender in connection with all payments made by the Non-BA Lender (or by the Agent on its behalf) pursuant to BA Equivalent Loans accepted by the Non-BA Lender, together with all reasonable costs and expenses incurred by the Non-BA Lender in this regard. The Canadian Borrower hereby waives any defences to payment which might otherwise exist if for any reason a BA Equivalent Loan is held by the Non-BA Lender for its own account at maturity.

5.12.2 *Availability of BA Equivalent Loans.* No Non-BA Lender shall have any obligation to issue BA Equivalent Loans during any period in which the BA Lenders' obligation to issue Bankers' Acceptances is suspended pursuant to Section 5.10.2.

5.13 Special Provisions Regarding LIBOR Loans

The following provisions are applicable to LIBOR Loans made by any Lender to the Borrowers.

5.13.1 *Drawdown Procedures.* Upon receipt by the Agent from a Borrower of a Drawdown Request, Conversion Notice or Rollover Notice in respect of a LIBOR Loan, the Agent will promptly advise such Borrower of the U.S. Dollar LIBOR Rate, such rate

to be determined as at approximately 11:00 a.m. London time, two LIBOR Business Days before the commencement of the LIBOR Period for such LIBOR Loan.

5.13.2 *Interest Payment Dates for LIBOR Loans.* Interest in respect of any LIBOR Loan in U.S. Dollars shall be calculated on the basis of a year of 360 days. Interest in respect of any LIBOR Loan with a LIBOR Period of between one month and three months (inclusive) shall be payable at the time the principal amount of such LIBOR Loan is payable. Interest in respect of any LIBOR Loan with a LIBOR Period longer than three months shall be payable in arrears every three months commencing on the last day of the third month following the commencement of such LIBOR Period, and also at the time the principal amount of such LIBOR Loan is payable.

5.13.3 *Laws Applicable to LIBOR Loans.* Each Borrower acknowledges that the ability of the Lenders to maintain or provide any LIBOR Loan and to charge interest on any LIBOR Loan at the U.S. Dollar LIBOR Rate is and will be subject to any statute, law, regulation, rule or direction by any Governmental Authority having jurisdiction which may prohibit or restrict or limit such loans or such interest. Each Borrower agrees that the Lenders shall have the right to comply with any such requirements and, if the Agent determines it to be necessary as a result of such requirement, the Agent may convert any LIBOR Loan to a U.S. Dollar Base Rate Loan or require immediate repayment of all LIBOR Loans, including accrued interest thereon and all applicable breakage costs pursuant to Section 5.15.

5.14 Breakage Costs

The Borrowers may only Repay or Convert any LIBOR Loan prior to the scheduled maturity date thereof, whether as a result of acceleration or for any other reason, if the Borrowers agree to pay to the Agent upon demand all losses, damages, costs and expenses which such Lender has incurred or may incur as a result of such Repayment or Conversion prior to the said scheduled maturity date. The Agent shall provide the Borrowers with a written certificate showing in reasonable detail the basis for such claim, which shall be deemed to be *prima facie* correct, in the absence of manifest error.

5.15 Inability to Make LIBOR Loans

If at any time and from time to time:

- (a) the Agent (acting reasonably) determines that by reason of circumstances affecting the London Interbank Eurodollar Market, adequate and fair means do not exist for ascertaining the rate of interest with respect to, or deposits are not available in sufficient amounts in the ordinary course of business at the rate determined hereunder to fund, a requested LIBOR Loan during the ensuing LIBOR Period selected;
- (b) the Agent (acting reasonably) determines that the making or continuing of the requested LIBOR Loan by the Lenders has been made impracticable by the occurrence of an event which materially adversely affects the London Interbank Eurodollar Market generally; or

- (c) the Agent is advised by Lenders representing no less than 35% of the Commitments that the U.S. Dollar LIBOR Rate will not or does not represent the effective cost to such Lender of U.S. Dollar deposits in such market for the relevant LIBOR Period,

then the Agent shall give notice thereof to the Lenders and the Borrowers as soon as possible after such determination or receipt of such notice, as the case may be, and if such notice is given subsequent to the giving of a Drawdown Request or any Rollover Notice or Conversion Notice to the Agent by a Borrower with regard to any requested LIBOR Loan, such Borrower shall, within one Business Day after receipt of such notice and in replacement of the Drawdown Request, Rollover Notice or Conversion Notice, as the case may be, previously given by such Borrower, give the Agent a Drawdown Request or a Conversion Notice, as the case may be, which specifies the Advance of a U.S. Dollar Base Rate Loan or the Conversion of the relevant LIBOR Loan on the last day of the applicable LIBOR Period into a U.S. Dollar Base Rate Loan. In the event a Borrower fails to give, if applicable, a valid replacement Conversion Notice with respect to the maturing LIBOR Loans which were the subject of a Rollover Notice, such maturing LIBOR Loans shall be converted on the last day of the applicable LIBOR Period into U.S. Dollar Base Rate Loans under the applicable Facility as if a Conversion Notice had been given to the Agent by such Borrower pursuant to the provisions hereof. In the event a Borrower fails to give, if applicable, a valid replacement Drawdown Request with respect to an Advance originally requested by way of a LIBOR Loan, then such Borrower shall be deemed to have requested an Advance by way of a U.S. Dollar Base Rate Loan in the amount specified in the original Drawdown Request and, on the originally requested date of Advance, the applicable Lenders (subject to the other provisions hereof) shall make available the requested amount by way of a U.S. Dollar Base Rate Loan under the applicable Facility.

If at any time the Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 5.15(b) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 5.15(b) have not arisen but the supervisor for the administrator of LIBOR Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement identifying a specific date after which the LIBOR Rate shall no longer be used for determining interest rates for loans, then the Agent and the Borrowers shall negotiate in good faith to establish an alternate rate of interest to LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for LIBOR Loans made in Canada or in the United States at such time, and upon an agreement being reached, shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary herein, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

5.16 Special Provisions Regarding Letters of Credit

The following additional provisions are applicable to Letters of Credit issued by hereunder:

- (a) The obligation of a Borrower to reimburse any Issuing Bank for all drawings under Letters of Credit shall be absolute, unconditional and irrevocable and shall be satisfied strictly in accordance with their terms, irrespective of:
 - (i) any lack of validity or enforceability of any Letter of Credit;
 - (ii) the existence of any claim, setoff, defence or other right which such Borrower or any other Person may at any time have against the beneficiary under any Letter of Credit, such Issuing Bank, the Agent or any Lender (other than the defence of payment in accordance with the terms of this Agreement or a defence based on the gross negligence or willful misconduct of such Issuing Bank as determined by a court of competent jurisdiction by final and non-appealable judgment) or any other Person in accordance with this Agreement or other transaction;
 - (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; and
 - (iv) any other circumstance or event whatsoever, whether or not similar to any of the foregoing.
- (b) In making any payment under any Letter of Credit (a) an Issuing Bank's exclusive reliance on the documents presented to it under such Letter of Credit as to any and all matters set forth therein, including reliance on the amount of any draft presented under such Letter of Credit, whether or not the amount due to the beneficiary equals the amount of such draft and whether or not any document presented pursuant to such Letter of Credit proves to be insufficient in any respect, if such document on its face appears to be in order, and whether or not any other statement or any other document presented pursuant to such Letter of Credit proves to be forged or invalid or any statement therein proves to be inaccurate or untrue in any respect whatsoever and (b) any non-compliance in any immaterial respect of the documents presented under such Letter of Credit with the terms thereof shall, in each case, not be deemed willful misconduct or negligence of such Issuing Bank.
- (c) Each Issuing Bank and its correspondents may accept and act upon the name, signature, or act of any party purporting to be the executor, administrator, receiver, trustee in bankruptcy or other legal representative of any party designated in any Letter of Credit in the place of the name, signature, or act of such party.
- (d) In addition to amounts payable as elsewhere provided in this Section 5.16, each Borrower hereby agrees to protect, indemnify, pay and save each Issuing Bank and its respective directors, officers, employees, agents and representatives harmless from and against any and all claims, demands, liabilities, damages, losses, costs,

charges and expenses (including legal fees and expenses) which each such indemnitee may incur or be subject to as a consequence, direct or indirect, of:

- (i) the issuance of any Letter of Credit, other than as a result of the breach of the standards of reasonable care where such Issuing Bank would not be entitled to the foregoing indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit;
 - (ii) the inability of an indemnitee to honour a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority; or
 - (iii) any of the matters listed in Section 5.16(e).
- (e) As between a Borrower, on the one hand, and an Issuing Bank, on the other hand, such Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued at its request hereunder by, the respective beneficiaries of such Letters of Credit and, without limitation of the foregoing (but other than to the extent such Issuing Bank breaches the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, as applicable, where such Issuing Bank would not be entitled to indemnification under the Uniform Customs or under ISP98, in each case as stated on its face to be applicable to such Letter of Credit), such Issuing Bank shall not be responsible for:
- (i) the form, validity, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, inaccurate, fraudulent or forged;
 - (ii) the invalidity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;
 - (iii) errors, omissions, interruptions or delays in transmission or delivery of any messages, by fax, electronic transmission, mail, cable telegraph, telex or otherwise, whether or not they are in cipher;
 - (iv) errors in interpretation of technical terms;
 - (v) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof;
 - (vi) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; and

- (vii) any consequences arising from causes beyond the reasonable control of any Lender, including any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Authority.

None of the above shall affect, impair or prevent the vesting of any Issuing Bank's rights or powers hereunder. No action taken or omitted by an Issuing Bank under or in connection with any Letter of Credit issued by it or the related certificates, if taken or omitted in good faith, shall put such Issuing Bank under any resulting liability to the applicable Borrower (provided, that such Issuing Bank acts in accordance with the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit).

- (f) If any Letter of Credit is outstanding on the Facilities Maturity Date, on the date this Agreement and all Commitments hereunder are cancelled, at any time that an Event of Default occurs, a demand for repayment is made hereunder, or a domestic or foreign court issues any judgment or order restricting or prohibiting payment by the applicable Issuing Bank under such Letter of Credit or extending the liability of the applicable Issuing Bank to make payment under such Letter of Credit beyond the expiry date specified therein, the applicable Borrower will forthwith upon demand by the Agent or the applicable Issuing Bank deposit into a cash collateral account maintained by and in the name of the Agent or the applicable Issuing Bank funds in the applicable currency in the amount of the Advance constituted by such Letter of Credit and such funds (together with interest thereon) will be held by the Agent or the applicable Issuing Bank for payment of the liability of the applicable Borrower pursuant to this Section 5.16 or otherwise in respect of such Letter of Credit so long as such Issuing Bank has or may in any circumstance have any liability under such Letter of Credit, and, pending such payment, shall bear interest at the Agent's or the applicable Issuing Bank, as applicable then prevailing rate in respect of deposits of similar amounts and of similar periods of time. Any balance of such funds and interest remaining at such time as the applicable Issuing Bank does not have and may never have any liability under such Letter of Credit will nevertheless continue to be held by the Agent or the applicable Issuing Bank, if and so long as any Default or Event of Default is continuing or after a demand for repayment is made or both, as security for the remaining liabilities of the applicable Borrower hereunder. The Agent or the applicable Issuing Bank, as applicable, shall have exclusive control over all amounts at any time on deposit in such cash collateral account. The deposit of such funds by a Borrower with the Agent or the applicable Issuing Bank as herein provided will not operate as a repayment of the U.S. Operating Facility or the Swingline Commitment, as applicable, until such time as such funds are actually paid to the U.S. Operating Lenders or the Swingline Lender, as applicable, as a principal repayment.
- (g) The Issuing Bank and the Agent, in the case of Letters of Credit issued under the U.S. Operating Facility, and the Swingline Lender, in the case of Letters of Credit issued under the Swingline, shall each maintain records showing the undrawn and

unexpired amount of each Letter of Credit outstanding under such Facility, and showing for each such Letter of Credit:

- (i) the dates of issuance and expiration thereof;
- (ii) the amount thereof; and
- (iii) the date and amount of all payments made thereunder.

The Issuing Bank and the Agent shall make copies of such records in the respect of Letters of Credit issued under the U.S. Operating Facility available to the U.S. Borrower and the U.S. Operating Lenders upon request. The Swingline Lender, shall make copies of such records in respect to Letters of Credit issued under the Swingline available to the Canadian Borrower, the Agent and the Canadian Operating Lenders upon request.

5.17 Eligible Approved Contracts

The Canadian Borrower may request, from time to time and by written notice to the Agent, that the Agent designate additional contracts of the Credit Parties (the “**Additional Contracts**”) as Eligible Approved Contracts, provided that, any such notice shall only be given concurrently with the delivery of a Borrowing Base Certificate pursuant to 7.4.1(a) and such notice shall include a true and correct copy of each Additional Contract.

If an Additional Contract is in a form (a) previously approved by the Lenders or (b) in respect of which the Agent has previously received a legal opinion opining that such contract or agreement is valid and enforceable under the governing law thereof, then such Additional Contract shall be designated by the Agent as an Eligible Approved Contract as of the date of the notice referred to above, otherwise, such Additional Contract shall not be designated as an Eligible Approved Contract until such time as the Agent has received an opinion of legal counsel opining that such contract or agreement is valid and enforceable under the governing law thereof, which opinion is in form and substance satisfactory to the Agent and is delivered by legal counsel acceptable to the Agent (in each case acting reasonably).

jurisdiction where it carries on business except, in the case of other jurisdiction, to the extent the failure to do so would reasonably be expected to have a Material Adverse Effect.

6.1.2 *Information.* As of the date hereof, Schedule 6.1.2 contains the following information in respect of each Credit Party and each Subsidiary thereof as of the Amendment and Restatement Date: predecessors and prior names (within the immediately preceding five years), jurisdiction of incorporation or establishment, present governing jurisdiction, registered office, chief executive office, all locations at which it has owned or leased places of business or maintained a material amount of assets (other than assets temporarily out of a Credit Party's custody or possession, including assets on the premises of others and items in transit) the number and classes of its issued and outstanding shares and a list of its shareholders including the number and class of shares held by each. All material records related to the Credit Party's Receivables are located at those certain chief executive offices as identified in Schedule 6.1.2, as may be updated from time to time.

6.1.4 *No Pending Corporate Changes.* As of the Amendment and Restatement Date, no Person has any agreement or option or any right or privilege (whether by law, pre-emptive or contractual) capable of becoming an agreement for the purchase of any properties or assets of any Credit Party out of the ordinary course of business or for the purchase, subscription, allotment or issuance of any debt or equity securities, including convertible securities, warrants or convertible obligations of any nature, of the Canadian Borrower.

6.1.5 *No Conflicts under Material Agreements or Material Permits.* Except as disclosed in Schedule 6.1.5, the execution and delivery by each Credit Party of those Credit Documents to which it is a party, will not conflict with, result in a breach of or require any approval or consent under any Material Agreement or Material Permit, other than consents or approvals which have been obtained unconditionally and without imposition of any material conditions.

6.1.6 *No Conflict with Charter Documents.* There are no provisions contained in the charter documents, or by-laws of any Credit Party, or any partnership agreement, shareholders' agreement, voting trust agreement or similar agreement relating thereto or in any Material Agreement or Material Permit, which restrict or limit its powers to borrow money, issue debt obligations, guarantee the payment or performance of the obligations of others or encumber all or any of its present and after-acquired property; or which would be contravened by the execution and delivery of those Credit Documents to which any Credit Party is a party or the performance by any Credit Party of its obligations thereunder and which contravention would reasonably be expected to result in Material Adverse Change.

6.1.7 *Credit Documents.* Each Credit Party has the necessary capacity, power, legal right and authority to borrow from the Lenders, guarantee payment to the Agent and the Lenders of those Obligations which are payable by the Borrowers, perform its obligations

Schedule 6.1.8 contains a true and complete list of all Material Permits, and all such Material Permits are valid and subsisting and in good standing.

6.1.9 *Ownership of Assets; Permitted Liens.* Each Credit Party has good and marketable title to (or a valid leasehold interest in) and owns and possesses its undertaking, property and assets (other than intellectual property) (or has a valid leasehold interest in) free and clear of any and all Liens except for Permitted Liens. No Credit Party has any commitment or obligation (contingent or otherwise) to grant any Liens except for Permitted Liens. The Credit Parties have no indebtedness, obligation or liability with respect to the storage, treatment, cleanup or disposal of any Hazardous Materials (including without limitation any such indebtedness, obligation, or liability under any applicable Requirements of Environmental Law regarding such storage, treatment, cleanup or disposal) which would reasonably be expected to result in a Material Adverse Change.

All of the Credit Parties' Pension Plans have been duly registered under Applicable Law. No steps have been taken to terminate any such Pension Plan (in whole or in part), no contribution failure has occurred with respect to any such Pension Plan sufficient to give rise to a Lien under any Applicable Laws of any jurisdiction, and no condition exists and no event or transaction has occurred with respect to any such Pension Plan, in each case, which would reasonably be expected to result in the incurrence by any Credit Party of any material liability, fine or penalty. Each Credit Party has also paid all other taxes, charges, penalties and interest due and payable under or in respect of all assessments and re-assessments of which it has received written notice, except to the extent that such assessments or re-assessments are subject to a Permitted Contest or which the failure to pay, individually or in the aggregate has not and would not reasonably be expected to have a Material Adverse Effect. - (c) the Security and extent of its perfection will be agreed on the basis that the cost to the Credit Parties of providing such Security shall be proportionate to the benefit accruing to the Lenders;
- (d) Material Subsidiaries will not be required to give Guarantees or enter into Security if that would conflict with the fiduciary duties of their directors or contravene any legal prohibition or result in a risk of personal or criminal liability on the part of an officer provided that the relevant Guarantor shall use reasonable endeavours to overcome any such obstacle;

- (e) perfection of security, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the relevant time periods specified herein or, if earlier or to the extent no such time periods are specified herein, within the time periods specified by applicable law in order to ensure due perfection, provided that the perfection of security granted will not be required if it would have a material adverse effect on the ability of the relevant Guarantor to conduct its operations and business in the ordinary course as otherwise permitted by this Agreement;

10.2 Acceleration; Additional Interest

Upon the occurrence of an Insolvency Event in respect of any Credit Party, the Obligations shall become immediately due and payable, without the necessity of any demand upon or notice to the Borrower by the Agent and the Swingline shall be cancelled. Upon the occurrence and during the continuation of any Event of Default other than such an Insolvency Event, the Agent, at the request of and on behalf, of the Required Lenders, shall by written notice to the Borrowers declare the Obligations to be immediately due and payable. From and after the date of the occurrence of an Event of Default and for so long as such Event of Default continues, both before and after the Acceleration Date, all Outstanding Advances may bear interest or fees at the Default Rate in order to compensate the Lenders for the additional risk associated therewith.

10.3 Acceleration of Certain Contingent Obligations

Upon the occurrence of an Event of Default which is continuing, any Lender which has issued a Bankers’ Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit or entered into a Hedging Agreement with Credit Party may make a Canadian Dollar Prime Rate Loan, a U.S. Dollar Base Rate Loan or a U.S. Dollar Prime Rate Loan, as applicable, to a Borrower in an

amount equal to the face amount of such Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit, or the amount required to unwind such Hedging Agreement (such amount to be determined in accordance with the terms thereof), as the case may be; and the proceeds of any such Loan shall be held by such Lender and used to satisfy the Lender's obligations under the said Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit as such becomes due, or to effect the unwinding of such Hedging Agreement. Any such Loan shall bear interest at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans, U.S. Dollar Base Rate Loans or U.S. Dollar Prime Rate Loan, as applicable, under the Facility under which such Bankers' Acceptance, BA Equivalent Loan, LIBOR Loan or Letter of Credit was issued. Any such Loan made in respect of a Hedging Agreement shall bear interest at the rate and in the manner applicable to Canadian Dollar Prime Rate Loans under the Canadian Operating Facility which provides for the highest interest rate at such time.

10.4 Combining Accounts, Set-Off

Upon the occurrence and during the continuation of an Event of Default, in addition to and not in limitation of any rights now or hereafter granted under Applicable Law, each Lender may without notice to any Credit Party at any time and from time to time:

- (a) combine, consolidate or merge any or all of the deposits or other accounts maintained with such Lender by such Credit Party in respect of this Agreement (whether term, notice, demand or otherwise and whether matured or unmatured) and such Credit Party's obligations to such Lender hereunder; and
- (b) set off, apply or transfer any or all sums standing to the credit of any such deposits or accounts in or towards the satisfaction of the said obligations,

including all claims of any nature or description arising out of or connected with this Agreement, including contingent obligations of the Lenders in respect of unmatured Bankers' Acceptances, in which case the Agent or such Lender will promptly notify the Borrower thereof after the occurrence thereof; provided, that the Agent's or such Lender's failure to give any such notice will not affect the validity thereof. Nothing contained in the Credit Documents will require the Agent or a Lender to exercise any right, or will affect the right of the Agent or a Lender to exercise and retain the benefits of exercising any right, with respect to any Obligations existing otherwise than pursuant to the Credit Documents.

10.5 Attorney in Fact

Each Borrower hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in the place and stead of such Borrower and in the name of such Borrower or in its own name, from time to time in the Agent's discretion, for the purpose of carrying out the terms of the Credit Documents, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of the Credit Documents and which such Borrower being required by the terms thereof to take or execute has failed to take or execute; provided, that this power of attorney will not be effective until the occurrence and during the continuance of any Event of Default. Each

Borrower hereby ratifies all that said attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and will be irrevocable until all of the Obligations under the Credit Documents have been unconditionally and irrevocably paid and performed in full. Each Borrower also authorizes the Agent, at any time and from time to time following the occurrence and during the continuance of any Event of Default, to execute any endorsements, assignments or other instruments of conveyance or transfer pursuant to the Security. If requested by the Agent, each Borrower will cause each other Credit Party to constitute and appoint the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact in accordance with the foregoing provisions of this Section 10.5.

10.6 Appropriation of Monies

After the occurrence and during the continuation of an Event of Default, the Agent may from time to time apply any Proceeds of Realization against any portion or portions of the Obligations, and the Borrowers may not require any different application. The taking of a judgment or any other action or dealing whatsoever by the Agent or the Lenders in respect of the Security shall not operate as a merger of any of the Obligations hereunder or in any way affect or prejudice the rights, remedies and powers which the Agent or the Lenders may have, and the foreclosure, surrender, cancellation or any other dealing with any Security or the said obligations shall not release or affect the liability of the Borrowers or any other Person in respect of the remaining portion of the Obligations.

10.7 No Further Advances

The Lenders shall not be obliged to make any further Advances (including honouring any cheques drawn by a Borrower which are presented for payment) from and after the earliest to occur of the following: (a) delivery by the Agent to the Borrowers of a written notice that a Default or an Event of Default has occurred and is continuing and that as a result thereof no further Advances will be made (whether or not such notice also requires immediate repayment of the Obligations) and (b) the occurrence and continuance of an Event of Default under Section 10.1(h).

10.8 Remedies Cumulative

All of the rights and remedies granted to the Agent and the Lenders in this Agreement, and any other Credit Documents or instruments in existence between the Parties or contemplated hereby, and any other rights and remedies available to the Agent and the Lenders at law or in equity, shall be cumulative. The exercise or failure to exercise any of the said remedies shall not constitute a waiver or release thereof or of any other right or remedy, and shall be non-exclusive.

10.9 Performance of Covenants by Agent

If a Credit Party fails to perform any covenant or obligation to be performed by it pursuant to this Agreement, the Agent, at the request of the Required Lenders (in their sole discretion), after written notice to the Borrowers, perform any of the said obligations but shall be under no obligation to do so; and any amounts expended or advanced by the Agent for such purpose shall be payable by the Borrowers upon demand, together with interest thereon at the highest rate then applicable to the Facilities.

10.10 Purchase of Participation Following Acceleration

After all Obligations are declared by the Agent to be due and payable pursuant to Section 10.2, (i) each Lender agrees that it will at any time or from time to time thereafter at the request of the Agent as required by any Lender, purchase at par on a non-recourse basis a participation in the Outstanding Advances owing to each of the other Lenders under the Operating Facilities and make any other adjustments as are necessary or appropriate, in order that the Outstanding Advances owing to each of the Lenders under the Operating Facilities, as adjusted pursuant to this Section 10.10, will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; (ii) the amount of any repayment made by or on behalf of the Credit Parties under the Credit Documents or any proceeds received by the Agent or the Lenders pursuant to Section 11.7 will be applied by the Agent in a manner such that to the extent possible the amount of the Outstanding Advances owing to each Lender under the Operating Facilities after giving effect to such application will be in the same proportion as each Lender's Commitment under all the Operating Facilities was to the aggregate Commitment of all Lenders under all the Operating Facilities immediately prior to the Event of Default resulting in such declaration; provided that: (i) HSBC US shall not purchase any participation under this Section 10.10 from HSBC Bank Canada (and provided that for certainty, the foregoing proviso shall not affect the obligations of HSBC US to any of the other Lenders under this Section 10.10); and (ii) if Applicable Laws or a Lender's internal regulations and policies prohibits such Lender from purchasing a participation in Outstanding Advances owing by a Borrower other than the Canadian Borrower, such Lender shall not be required to purchase a participation in the Outstanding Advances owing by such Borrower, provided that such Lender hereby indemnifies the other Lenders for its Proportionate Share of such Outstanding Advances as if such purchase had occurred.

ARTICLE 11 ADMINISTRATION OF THE FACILITIES

11.1 Authorization and Action

Each Lender hereby irrevocably appoints and authorizes the Agent to be its agent in its name and on its behalf and to exercise such rights or powers granted to the Agent or the Lenders under the Credit Documents to the extent specifically provided therein and on the terms thereof, together with such powers and authority as are reasonably incidental thereto. As to any matters not expressly provided for by the Credit Documents, the Agent will not be required to exercise any discretion or take any action, but will be required to act or to refrain from acting (and will be fully indemnified and protected by the Lenders to the greatest extent permitted by Law in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions will be binding upon all Lenders; provided, however, that the Agent will not be required to take any action which, in the opinion of the Agent, might expose the Agent to liability in such capacity, which could result in the Agent incurring any costs and expenses, or which is contrary to the spirit and intent of this Agreement.

11.2 Decision-Making

11.2.1 Any amendment to this Agreement relating to the following matters shall require the unanimous agreement of the Lenders:

- (a) decreases in interest rates or fees payable in respect of any Facility;
- (b) increases in the maximum amount of credit available under any Facility (other than increases made pursuant to Section 2.8.1);
- (c) extensions, or changes to the definition, of the Facilities Maturity Date;
- (d) extensions or postponements of the scheduled dates or the scheduled amounts for Repayments hereunder;
- (e) reductions in the Outstanding Advances under any Facility;
- (f) releases of all or substantially all of the Security, unless in connection with a Permitted Disposition;
- (g) any change to the definition of Required Lenders;
- (h) any provision of this Agreement which expressly states that the unanimous consent of the Lenders is required in connection with an action to be taken or consent provided by the Lenders;
- (i) any amendment, modification or elimination the definition of Borrowing Base or any of the defined terms that are used in such definition to the extent that any such change results in more credit being made available to the Borrowers based upon the Borrowing Base, but not otherwise;
- (j) any change to Sections 11.8.1, 11.9(b) or any other provision regarding the allocation of payments to the Lenders under this Agreement; and
- (k) this Section 11.2;

provided, that (A) any change to Section 2.6.1(i) or Article 11 will also require the consent of the Agent, (B) any change to Sections 4.6.1(c) and 4.7 (and the related definitions referenced therein) will require the consent of the Issuing Bank under the U.S. Operating Facility and the Agent, (C) any change to Sections 2.6.1(b) and 2.7 (and the related definitions referenced therein) will require the consent of the Swingline Lender and the Agent, (D) any change to Section 5.16 (and the related definitions referenced therein) will require the consent of each Issuing Bank and the Agent (E) any increase to the individual commitment amount of a Lender under a Facility can only be made with the consent of such Lender; and (F) any other change which only effects the Canadian Operating Lenders, the U.S. Operating Lenders, the Canadian Operating Lenders, Term Lenders, the Issuing Bank, the Swingline Lender or the Agent, respectively, shall only require the consent of the affected Persons.

11.2.2 Except for the matters described in Section 11.2.1 above, any amendment to this Agreement or the other Credit Documents shall be effective if made among the Borrower and the Required Lenders, and for greater certainty any such amendment which is agreed to by the Required Lenders shall be final and binding upon all Lenders.

11.2.3 Except for the matters which require the unanimous consent of the Lenders as set out above, any action to be taken or decision to be made by the Lenders pursuant to this Agreement (specifically including for greater certainty the issuance of written notice to the Borrower of the occurrence of a Default or Event of Default, the issuance of a demand for payment of the Obligations, a decision to make an Advance despite any condition precedent relating thereto not being satisfied, the provision of any waiver in respect of a breach of any covenant or the issuance of any consent which may be required under Section 7.2) shall be effective if approved by the Required Lenders; and any such decision or action shall be final and binding upon all the Lenders.

11.2.4 Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be unanimous shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by all of the Lenders. Any action to be taken or decision to be made by the Lenders pursuant to this Agreement which is required to be made by the Required Lenders shall be made at a meeting of the Lenders called by the Agent pursuant to Section 11.11(k) or by a written instrument executed by the Required Lenders. Any instrument contemplated in this Section 11.2.4 may be executed by fax or pdf and in counterparts.

11.2.5 Subject to Section 8.5(b), the Agent may from time to time without notice to or the consent of the Lenders execute and deliver partial releases of the Security in respect of any item of Collateral (whether or not the proceeds of sale thereof are received by the Agent) which the Credit Parties are permitted to dispose of in connection with a Permitted Disposition; and in releasing any such Security the Agent may rely upon and assume the correctness of all information contained in any certificate or document provided by any one or more of the Borrowers, without further enquiry. Otherwise, any release or discharge in respect of the Security or any portion thereof shall require the written consent of the Lenders acting unanimously.

11.3 Procedure for Making Advances

11.3.1 Subject to Section 11.8.3, all Advances under each Facility will be made in accordance with each Lender's Proportionate Share of such Advance under such Facility.

11.3.2 The Lenders, through the Agent, will make Advances under a Facility available to the Borrower as required hereunder by debiting the account of the Agent to which each Lender's Proportionate Share in respect of each Facility of such Advances has been credited (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrowers in writing, by transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrowers as set forth in the a Drawdown Request, Conversion Notice or Rollover Notice, as the case may be, in respect of each Advance under each Facility; provided, that the obligation of the Agent

hereunder will be limited to taking such steps as are in keeping with its normal banking practice and which are commercially reasonable in the circumstances to implement such instructions, and the Agent will not be liable for any damages, claims or costs which may be suffered by the Borrowers or any of the Lenders and occasioned by the failure of such funds to reach their designated destination, unless such failure is due to the gross negligence or wilful misconduct of the Agent.

11.4 Failure to Fund

11.4.1 Unless the Agent has actual knowledge that a Lender has not made or will not make available to the Agent for value on the date of any Advance the applicable amount required from such Lender hereunder, the Agent shall be entitled to assume that such amount has been or will be received from such Lender when so due and the Agent may (but shall not under any circumstances be obliged to), in reliance upon such assumption, make available to the applicable Borrower a corresponding amount (except that no such amount shall be made available to the applicable Borrower in the case of a deemed Advance). If such amount is not in fact received by the Agent from such Lender on such date and the Agent has made available a corresponding amount to the applicable Borrower on such date as aforesaid (or is deemed to have made an Advance to the applicable Borrower in such amount), such Lender shall pay to the Agent on demand an amount equal to the aggregate of the applicable amount required from such Lender hereunder plus an amount equal to the product of (a) the rate per annum applicable to overnight deposits made with the Agent for amounts approximately equal to the amount required from such Lender multiplied by (b) the amount that should have been paid to the Agent by such Lender on such date and was not, multiplied by (c) a fraction, the numerator of which is the number of days that have elapsed from and including such date to but excluding the date on which the amount is received by the Agent from such Lender and the denominator of which is 365 or 366 days, as the case may be, in the case of all Advances. A certificate of the Agent containing details of the amount owing by a Lender under this Section shall be binding and conclusive in the absence of manifest error. If any such amount is not in fact received by the Agent from such Lender on such date, the Agent shall be entitled to recover from the applicable Borrower, on demand, the related amount made available by the Agent to such Borrower as aforesaid together with interest thereon at the applicable rate per annum payable by such Borrower hereunder.

11.4.2 Notwithstanding the provisions of Section 11.4.1, if any Lender fails to make available to the Agent its Proportionate Share of any Advance, which for greater certainty includes a deemed Advance hereunder (such Lender being herein called the “**Non-Paying Lender**”), the Agent shall forthwith give notice of such failure by the Non-Paying Lender to the applicable Borrower (except where such failure relates to a deemed Advance) and to the other Lenders. The Agent shall then forthwith give notice to the other Lenders that any Lender may make available to the Agent all or any portion of the Non-Paying Lender’s Proportionate Share of such Advance (but in no way shall any other Lender or the Agent be obliged to do so) in the place of the Non-Paying Lender. If more than one Lender gives notice that it is prepared to make funds available in the place of a Non-Paying Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the “**Contributing Lenders**” and individually called the “**Contributing Lender**”)

are prepared to make available exceeds the amount of the Advance which the Non-Paying Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Proportionate Share of such Advance based on the Contributing Lenders' relative commitments to advance in such circumstances. If any Contributing Lender makes funds available in the place of a Non-Paying Lender in such circumstances, then the Non-Paying Lender shall pay to any Contributing Lender making the funds available in its place, forthwith on demand, any amount advanced on its behalf together with interest thereon at the rate applicable to such Advance from the date of advance to the date of payment, against payment by the Contributing Lender making the funds available of all interest received in respect of the Advance from the applicable Borrower. The failure of any Lender to make available to the Agent its Proportionate Share of any Advance as required herein shall not relieve any other Lender of its obligations to make available to the Agent its Proportionate Share of any Advance as required herein.

11.5 Defaulting Lenders and Replacement of Lenders

11.5.1 Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

- (a) the standby fees payable to a Defaulting Lender hereunder shall cease to accrue on the unused portion of its Commitment under any Operating Facility, as applicable;
- (b) a Defaulting Lender shall not be included in determining whether, and the Commitment and the Proportionate Share of the Outstanding Advances of such Defaulting Lender under the Facilities, or any of them, shall not be included in determining whether, all Lenders or the Required Lenders, have taken or may take any action hereunder; provided, that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;
- (c) subject to Section 11.4.1, for the purposes of any Advance requested hereunder while there is a Defaulting Lender, each Lender's Proportionate Share thereof shall be calculated based on such Lender's (A) Commitment relative to the total Commitment under the applicable Facility reduced by the Commitment of the Defaulting Lender;
- (d) the Agent, the Swingline Lender or the Issuing Bank may require such Defaulting Lender to pay to the Agent for deposit into an escrow account maintained by and in the name of the Agent an amount equal to such Defaulting Lender's maximum contingent obligations hereunder to the Agent, the Swingline Lender or the Issuing Bank, as the case may be (provided that the foregoing shall not apply to Export Development Canada to the extent such a deposit is unlawful under the *Financial Administration Act* (Canada));

- (e) the Agent may withhold any payments owing to such Defaulting Lender for set off against such Defaulting Lender's existing or reasonably foreseeable future obligations hereunder; and
- (f) for the avoidance of doubt, the Borrowers shall retain and reserve their other rights and remedies respecting each Defaulting Lender.

11.5.2 If a Lender is a Defaulting Lender or refuses to give timely consent to an amendment, modification or waiver of this Agreement that, pursuant to Section 11.2, requires consent of all the Lenders (and the consent of the Required Lenders has been given with respect thereto) (a **"Non-Consenting Lender"**) (collectively, the **"Departing Lenders"**), then the Borrowers may:

- (a) replace the Departing Lender with another financial institution acceptable to the Agent, the Swingline Lender and the Issuing Bank, each acting reasonably, who purchases at par, or such lower price as the Departing Lender may agree in its sole discretion, the Outstanding Advances and other amounts under all Facilities owing to the Departing Lender and such Lender's entire Commitment and assumes the Departing Lender's Commitment and all other obligations of the Departing Lender hereunder; provided, that prior to or concurrently with such replacement:
 - (i) the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of replacement and a release from any further obligations to make Advances under the Credit Documents after the date of such replacement;
 - (ii) the assignment fee required to be paid by Section 13.6.2 shall have been paid to the Agent;
 - (iii) all of the other requirements for such assignment contained herein shall have been satisfied, including the consent of the Agent, the Swingline Lender and the Issuing Bank and the receipt by the Agent of such agreements, documents and instruments as the Agent may reasonably require; and
 - (iv) in the case of a Departing Lender who is a Non-Consenting Lender, each assignee consents, at the time of such assignment, to each matter in respect of which such Non-Consenting Lender was a Non-Consenting Lender and the Borrowers also requires each other Lender that is a Non-Consenting Lender to assign the Outstanding Advances owing to it under each Facility and its Commitment; or
- (b) provided, no Default or Event of Default exists at such time, elect to terminate the Departing Lender's Commitment, in which case the Commitment in respect of each Facility shall be reduced by an amount equal to the amount of any Commitment of such Facility so cancelled (provided, that prior to or concurrently with such cancellation the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of cancellation

(including breakage and other costs in accordance with Sections 5.10.4 and 5.14) and a release from any further obligations to make Advances under the Credit Documents after such termination); or

- (c) exercise any combination of the rights under (a) and (b) above; provided, that in each case, each Departing Lender is treated ratably with the other Departing Lenders, if any.

11.6 Security and Exercise of Remedies

11.6.1 Except to the extent provided in Section 11.6.2, the Security shall be granted in favour of and held by the Agent for and on behalf of the Lenders in accordance with the provisions of this Agreement. The Agent shall, in accordance with its usual practices in effect from time to time, take all steps required to perfect and maintain the Security to the extent required hereunder, including: taking possession of the certificates representing the securities required to be pledged hereunder to the extent required hereunder; filing renewals and change notices in respect of such Security; and ensuring that the name of the Agent is noted as loss payee or mortgagee on all property insurance policies covering the Collateral. If the Agent becomes aware of any matter concerning the Security which it considers to be material, it shall promptly inform the Lenders. The Agent shall comply with all instructions provided by the Lenders or the Required Lenders, as the case may be, in connection with the enforcement or release of the Security which it holds. The Agent agrees to permit each Lender to review and make photocopies of the original documents comprising the Security from time to time upon reasonable notice. The Agent is hereby authorized to enter into the Subordination Agreement on behalf of the Lenders and to any subordination and postponement agreements in respect of Subordinated Debt from time to time to the extent the same is permitted hereunder. Each Lender further authorizes the Agent to execute on its behalf, directly or through attorneys-in-fact duly appointed for such purposes, and to accept the benefits of, each of the Security governed under the laws of the Republic of Colombia and any other agreements or documents as may be necessary or advisable in connection with the grant of, or attachment or perfection of, modification, supplement or waiver under any of, the security interest granted to the Agent, for the benefit of the Lenders, pursuant to the Security governed under the laws of the Republic of Colombia. The Lenders and the other Secured Parties authorize the Agent to release any Collateral or Guarantors in accordance with Section 13.21 or if approved, authorized or ratified in accordance with Section 11.2.1. The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Agent to, without any further consent of any Lender, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the Encina Intercreditor Agreement and the Wells Fargo Letter to the extent this Agreement does not otherwise require the consent of the Required Lenders or all Lenders therefor.

11.6.2 If any Credit Party has provided security in favour of any Lender directly, except for Permitted Purchase-Money Security Interests and Permitted Liens, such Lender agrees to pay to the Agent all amounts received by it in connection with the enforcement of such security, and all such amounts shall be deemed to constitute Proceeds of Realization and shall be dealt with as provided in Section 11.7.

11.6.3 Except as otherwise provided herein, each Lender hereby acknowledges that, to the extent permitted by Applicable Law, rights and remedies provided under the Credit Documents to the Lenders are for the benefit of the Lenders collectively and not severally and further acknowledges that its rights and remedies thereunder are to be exercised not severally but collectively through the Agent upon the decision of the Lenders (with the required majority or unanimity as herein provided), regardless of whether acceleration of Obligations hereunder was made, and accordingly, notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it will not be entitled to take any action with respect to the Facilities, including any acceleration of Obligations thereunder, but that any such action will be taken only by the Agent with the prior written direction of the Lenders (with the required majority or unanimity as herein provided). Notwithstanding the foregoing or anything else set forth herein to the contrary, in the absence of written instructions from the Lenders, and where in the sole opinion of the Agent the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the circumstances. Each of the Lenders hereby covenants and agrees that it has not heretofore and will not seek, take, accept or receive any Liens in respect of any of the Obligations of the Credit Parties under the Credit Documents and will not enter into any agreement with any of the Parties relating in any manner whatsoever to the Facilities, unless all of the Lenders under the Facilities will at the same time obtain the benefit of any such security or agreement, as the case may be.

11.7 Application of Proceeds of Realization

Notwithstanding any other provision of this Agreement, the Proceeds of Realization of the Security or any portion thereof shall be distributed in the following order:

- (a) firstly, in payment of all costs and expenses incurred by the Agent and the Lenders in connection with such realization, including legal, accounting and receivers' fees and disbursements;
- (b) secondly, against the Obligations (including Secured Hedging Liabilities but excluding any other Hedging Liabilities in excess thereof, and, for certainty, excluding any Hedging Liabilities which are owed to a counterparty other than a Lender or Affiliate thereof), each Lender being entitled to receive its Proportionate Share thereof;
- (c) thirdly, against all Hedging Liabilities which are owing to any Lender or Affiliate thereof in excess of Secured Hedging Liabilities; and
- (d) fourthly, if all Obligations of the Borrowers listed above and all other Hedging Liabilities owing to any Lender or Affiliate thereof have been paid and satisfied in full, any surplus Proceeds of Realization shall be paid in accordance with Applicable Law.

11.8 Payments by Agent

11.8.1 The following provisions shall apply to all payments made by the Agent to the Lenders hereunder:

- (a) the Agent shall be under no obligation to make any payment (whether in respect of principal, Interest, fees or otherwise) to any Lender until an amount in respect of such payment has been received by the Agent from a Credit Party;
- (b) if the Agent receives a payment of principal, Interest, fees or other amount owing by any Borrower under a Facility which is less than the full amount of any such payment due, the Agent shall distribute such amount received among the Lenders under such Facility in each Lender's Proportionate Share of such Facility;
- (c) if the Agent receives payments in respect of principal, Interest, fees or other amounts owing by a Borrower under more than one Facility which are due on the same day, and if the amounts received are insufficient to satisfy all payments required under such Facilities on such day, the Agent shall, except as otherwise specifically set forth herein, distribute such amounts received among the Lenders under such Facilities in each Lender's Proportionate Share of such Facilities;
- (d) if any Lender has advanced more or less than its Proportionate Share of its Commitment under a Facility, such Lender's entitlement to such payment shall be increased or reduced, as the case may be, in proportion to the amount actually advanced by such Lender;
- (e) if a Lender's Proportionate Share of an Advance under a Facility has been advanced for less than the full period to which any payment by any Credit Party relates, such Lender's entitlement to receive a portion of any payment of interest or fees shall be reduced in proportion to the length of time such Lender's Proportionate Share has actually been outstanding;
- (f) the Agent acting reasonably and in good faith shall, after consultation with the Lenders in the case of any dispute, determine in all cases the amount of all payments to which each Lender is entitled and such determination shall be deemed to be *prima facie* correct;
- (g) upon request by a Lender, the Agent shall deliver a statement detailing any of the payments to the Lenders referred to herein;
- (h) all payments by the Agent to a Lender hereunder shall be made to such Lender at its address set out herein unless notice to the contrary is received by the Agent from such Lender; and
- (i) if the Agent has received a payment from a Credit Party on a Business Day (not later than the time required for the receipt of such payment as set out in this Agreement) and fails to remit such payment to any Lender entitled to receive its Proportionate Share of such payment on such Business Day, the Agent agrees to

pay interest on such late payment at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

11.8.2 Each Borrower hereby irrevocably authorizes the Agent to debit any account maintained by it with the Agent after written notice to such Borrower in order to make payments to the Lenders or the Agent of any amount that is overdue and payable hereunder for the purposes of satisfying payment thereof.

11.8.3 The Agent may in its discretion from time to time make adjustments in respect of any Lender's share of an Advance, Conversion, Rollover or Repayment under a Facility in order that the Outstanding Advances due to such Lender under such Facility shall be approximately in accordance with such Lender's Proportionate Share of the Facility.

11.9 Redistribution of Payment

Each Lender agrees that, subject to Section 10.4:

- (a) If it exercises any right of counterclaim, set off, bankers' lien or similar right with respect to any property of any Credit Party or if under Applicable Law it receives a secured claim, it will apportion the amount thereof proportionately between:
 - (i) amounts outstanding at the time owed by the Credit Party to such Lender under this Agreement, which amounts will be applied in accordance with this Section 11.9; and
 - (ii) amounts otherwise owed to it by a Credit Party;

provided, that any cash collateral account held by such Lender as collateral for a letter of credit or bankers' acceptance (including a Bankers' Acceptance) issued or accepted by such Lender on behalf of a Credit Party may be applied by such Lender to such amounts owed by such Credit Party to such Lender pursuant to such letter of credit or in respect of any such bankers' acceptance without apportionment.

- (b) If it receives, through the exercise of a right or the receipt of a secured claim described in Section 11.9(a) or otherwise, payment of a proportion of the aggregate amount of principal, interest and fees due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal, interest and fees due in respect of the applicable Facility (having regard to the respective proportionate amounts advanced as Advances by each of the Lenders under the applicable Facility), the Lender receiving such proportionately greater payment will purchase a participation (which will be deemed to have been done simultaneously with receipt of such payment) in that portion of the applicable Facility of the other Lenders so that their respective receipts will be *pro rata* to their respective Proportionate Shares; provided, however, that, if all or part of such proportionately greater payment received by such purchasing Lender is otherwise recovered by it, such purchase will be rescinded and the purchase price for such participation will be returned to the extent of such recovery, but without interest. Such Lender will exercise its rights in respect of such secured claim in a manner

consistent with the rights of the Lenders entitled under this Section 11.9 to share in the benefits of any recovery on such secured claims.

- (c) If it does any act or thing permitted by Section 11.9(a) or 11.9(b), it will promptly provide full particulars thereof to the Agent.
- (d) Except as permitted under Section 11.9(a) or 11.9(b), no Lender will be entitled to exercise any right of counter claim, set off, bankers' lien or similar right without the prior written consent of the other Lenders.
- (e) Notwithstanding anything else in this Section 11.9, any amounts which are lawfully received by any Hedge Provider in respect of Hedging Liabilities prior to the delivery by the Agent of a declaration of all Obligations becoming due pursuant to Section 11.9 are not required to be shared pursuant to the provisions of this Section 11.9.
- (f) The provisions of this Section 11.9 shall survive repayment of the Obligations.

11.10 Protection of Agent

11.10.1 Unless the Agent has actual knowledge or actual notice to the contrary, it may assume that each Lender's address set out in Exhibit "A" attached hereto is correct, unless and until it has received from such Lender a notice designating a different address.

11.10.2 The Agent may engage and pay for the advice or services of any lawyers, accountants or other experts whose advice or services may to it seem necessary, expedient or desirable and rely upon any advice so obtained (and to the extent that such costs are not recovered from the Credit Parties pursuant to this Agreement, each Lender agrees to reimburse the Agent in such Lender's Proportionate Share of such costs).

11.10.3 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely as to matters of fact which might reasonably be expected to be within the knowledge of any Credit Party upon a statement contained in any Credit Document.

11.10.4 Unless the Agent has actual knowledge or actual notice to the contrary, it may rely upon any communication or document believed by it to be genuine.

11.10.5 The Agent may refrain from exercising any right, power or discretion vested in it under this Agreement unless and until instructed by the Required Lenders as to whether or not such right, power or discretion is to be exercised and, if it is to be exercised, as to the manner in which it should be exercised (provided, that such instructions shall be required to be provided by all of the Lenders in respect of any matter for which the unanimous consent of the Lenders is required as set out herein).

11.10.6 The Agent may refrain from exercising any right, power or discretion vested in it which would or might in its sole and unfettered opinion be contrary to any law of any jurisdiction or any directive or otherwise render it liable to any Person, and may do

anything which is in its opinion in its sole discretion necessary to comply with any such law or directive.

11.10.7 The Agent may delegate to such other Person, such duties and responsibilities of the Agent hereunder as it shall determine to be appropriate in respect of dealings with or relating to any Credit Party or any other Person and in particular, the Agent may execute any of its duties under this Agreement or any other Credit Document (including, for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security or of exercising any rights and remedies thereunder) by sub-agent or attorney-in-fact. The Agent shall not be responsible for the negligence or misconduct of any sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct on the part of the Agent, as determined by a final and non-appealable judgment of a court of competent jurisdiction. The exculpatory provisions of this Agreement applicable to the Agent shall apply to any such other Person, sub-agent or attorney-in-fact and to the Affiliates of the Agent and any such sub-agent or attorney-in-fact, and shall apply to their respective activities in connection with the syndication of the Facilities as well as activities as Agent.

11.10.8 The Agent may refrain from acting in accordance with any instructions of the Required Lenders to begin any legal action or proceeding arising out of or in connection with this Agreement or take any steps to enforce or realize upon any Security, until it shall have received such security as it may reasonably require (whether by way of payment in advance or otherwise) against all costs, claims, expenses (including legal fees) and liabilities which it will or may expend or incur in complying with such instructions.

11.10.9 The Agent shall not be bound to disclose to any Person any information relating to the Credit Parties or any Related Parties if such disclosure would or might in its opinion in its sole discretion constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person.

11.10.10 The Agent shall not accept any responsibility for the accuracy or completeness of any information supplied in connection herewith or for the legality, validity, effectiveness, adequacy or enforceability of any Credit Document and shall not be under any liability to any Lender as a result of taking or omitting to take any action in relation to any Credit Document except in the case of the Agent's gross negligence or wilful misconduct.

11.11 Duties of Agent

The Agent shall:

- (a) hold and maintain the Security to the extent provided in Section 11.6;
- (b) provide to each Lender copies of all financial information received from the Credit Parties promptly after receipt thereof, and copies of any Drawdown Requests, Conversion Notices, Rollover Notices, Repayment Notices and other notices received by the Agent from the Credit Parties upon request by any Lender;

- (c) promptly advise each Lender of Advances required to be made by it hereunder and disburse all Repayments to the Lenders hereunder in accordance with the terms of this Agreement;
- (d) promptly notify each Lender of the occurrence of any Default or Event of Default of which the Agent has actual knowledge or actual notice;
- (e) at the time of engaging any agent, receiver, receiver-manager, consultant, monitor or other party in connection with the Security or the enforcement thereof, obtain the agreement of such party to comply with the applicable terms of this Agreement in carrying out any such enforcement activities and dealing with any Proceeds of Realization;
- (f) account for any monies received by it in connection with this Agreement, the Security and any other agreement delivered in connection herewith or therewith;
- (g) each time a Borrower requests the written consent of the Lenders in connection with any matter, use its best efforts to obtain and communicate to the Borrowers the response of the Lenders in a reasonably prompt and timely manner having due regard to the nature and circumstances of the request;
- (h) give written notice to the Borrowers in respect of any other matter in respect of which notice is required in accordance with or pursuant to this Agreement, promptly or promptly after receiving the consent of the Required Lenders, if required under the terms of this Agreement;
- (i) except as otherwise provided in this Agreement, act in accordance with any instructions given to it by the Required Lenders;
- (j) if so instructed by the Required Lenders, refrain from exercising any right, power or discretion vested in it under this Agreement or any document incidental thereto; and
- (k) call a meeting of the Lenders at any time not earlier than five days and not later than 30 days after receipt of a written request for a meeting provided by any Lender.

11.12 Lenders' Obligations Several; No Partnership

The obligations of each Lender under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders of any of their respective obligations hereunder. No Lender shall be responsible for the obligations of any other Lender hereunder. Neither the entering into of this Agreement nor the completion of any transactions contemplated herein shall constitute the Lenders and the Agent, or any combination of them, a partnership or give rise to any fiduciary relationship between them.

11.13 Reliance Upon Agent

The Borrowers will be entitled to rely upon any certificate, notice or other document or other advice, statement or instruction provided to them (or any one of them) by the Agent pursuant to the Credit Documents, and the Borrowers will be entitled to deal with the Agent with respect to matters under the Credit Documents which the Agent is authorized hereunder to deal with, without any obligation whatsoever to satisfy themselves as to the authority of the Agent to act on behalf of the Lenders and without any liability whatsoever to the Lenders for relying upon any certificate, notice or other document or other advice, statement or instruction provided to them by the Agent, notwithstanding any lack of authority of the Agent to provide the same.

11.14 No Liability of Agent

The Agent, in its capacity as agent of the Lenders under the Credit Documents, will have no responsibility or liability to the Borrowers or the Lenders on account of the failure of any Lender to perform its obligations hereunder, or to any Lender on account of the failure of any Borrower to perform its obligations under the Credit Documents.

11.15 Agent and Agent Authority

With respect to its Proportionate Share of each Facility and the Advances made by it as a Lender thereunder, as applicable, the Agent will have the same rights and powers under the Credit Documents as any other Lender and may exercise the same as though it were not the Agent. The Agent may accept deposits from, lend money to, and generally engage in any kind of business with any Credit Party, any of their Subsidiaries, their respective shareholders or unitholders or any Person owned or controlled by any of them and any Person which may do business with any of them, all as if the Agent was not serving as Agent, and without any duty or obligation to account therefor to the Lenders.

11.16 Lenders' Credit Decisions

It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Credit Parties. Accordingly, each Lender confirms with the Agent that it has not relied, and will not hereafter rely, on the Agent (a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by the Credit Parties or any other Person under or in connection with the Facilities (whether or not such information has been or is hereafter distributed to such Lender by the Agent) or (b) to assess or keep under review on its behalf the financial condition, creditworthiness, condition, affairs, status or nature of any Credit Party. Each Lender acknowledges that copies of the Credit Documents have been made available to it for review and each Lender acknowledges that it is satisfied with the form and substance of the Credit Documents. A Lender will not make any independent arrangement with any Credit Party for the satisfaction of any Obligations owing to it under the Credit Documents without the written consent of the other Lenders.

11.17 Indemnification

The Lenders hereby severally agree to indemnify the Agent and its directors, officers, agents and employees (to the extent not reimbursed by the Credit Parties) in accordance with their respective Proportionate Share, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Agent or its directors, officers, agents and employees in any way relating to or arising out of the Credit Documents or any action taken or omitted by the Agent under or in respect of the Credit Documents in its capacity as Agent; provided, that no Lender will be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agent's gross negligence or wilful misconduct, as determined by a final and non-appealable judgment of a court of component jurisdiction. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its Proportionate Share of any reasonable out of pocket expenses (including legal fees, on a solicitor and his own client full indemnity basis) incurred by the Agent in connection with the preservation of any right of the Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, the Credit Documents, to the extent that the Agent is not reimbursed for such expenses by the Borrowers. This indemnity will survive the termination of the other provisions of this Agreement as a separate and continuing covenant of the Lenders.

11.18 Successor Agent

The Agent may, as hereinafter provided, resign at any time by giving 30 days' notice (the "**Resignation Notice**") thereof to the Lenders and the Borrowers. The remaining Lenders, with the consent of the Borrowers, such consent not to be unreasonably withheld, will forthwith upon receipt of the Resignation Notice unanimously appoint a successor agent (the "**Successor Agent**") to assume the duties hereunder of the resigning Agent. Upon the acceptance of any appointment as agent hereunder by a Successor Agent, such Successor Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties as agent under the Credit Documents of the resigning Agent. Upon such acceptance, the resigning Agent will be discharged from its further duties and obligations as agent under the Credit Documents, but any such resignation will not affect such resigning Agent's obligations hereunder as a Lender, including for its Proportionate Share of the applicable Commitment. After the resignation of the Agent as agent hereunder, the provisions of this Article 11 will continue to enure to its benefit as to any actions taken or omitted to be taken by it while it was the agent of the Lenders hereunder. Notwithstanding the foregoing, if the remaining Lenders fail to appoint a Successor Agent within 30 days of receipt of the Resignation Notice, the resigning Agent may, with the approval of the Borrowers except during the continuance of an Event of Default, such approval not to be unreasonably withheld, appoint a Successor Agent from among the Lenders (other than Business Development Bank of Canada).

11.19 Sharing of Information

The Agent and the Lenders may share among themselves any information they may have from time to time concerning the Credit Parties whether or not such information is confidential; but shall have no obligation to do so (except for any obligations of the Agent to provide

information to the extent required in this Agreement). The Agent shall not have any duty to disclose any information obtained or received by it or any of its Affiliates relating to any Credit Party or any of its Subsidiaries to the extent such information was obtained or received in any capacity other than as the Agent.

11.20 Acknowledgement by Borrowers

Each Borrower hereby acknowledges notice of the terms of the provisions of this Article 11 and agrees to be bound hereby to the extent of its obligations hereunder, and further agrees not to make any payments, take any action or omit to take any action which would result in the non-compliance by the Agent or any Lender with its obligations hereunder.

11.21 Amendments to Article 11

The Agent and the Lenders may amend any provision in this Article 11 (other than Section 11.5) without prior notice to or the consent of the Borrowers, and the Agent shall provide a copy of any such amendment to the Borrowers reasonably promptly thereafter; provided, however, if, in the Agent's opinion, any such amendment would materially and adversely affect any rights, entitlements, obligations or liabilities of any Borrower, such amendment shall not be effective until such Borrower provides its written consent thereto, such consent not to be unreasonably withheld or arbitrarily delayed.

11.22 Deliveries, etc.

As between the Credit Parties on the one hand, and the Agent and the Lenders on the other hand:

- (a) all statements, certificates, consents and other documents which the Agent purports to deliver to a Credit Party on behalf of the Lenders shall be binding on each of the Lenders, and none of the Credit Parties shall be required to ascertain or confirm the authority of the Agent in delivering such documents;
- (b) all certificates, statements, notices and other documents which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders; and
- (c) all payments which are delivered by a Credit Party to the Agent in accordance with this Agreement shall be deemed to have been duly delivered to each of the Lenders.

11.23 Agency Fee

The Borrowers jointly and severally agree to pay to the Agent an annual agency fee as set out in the Fee Agreement, payable in advance on the Amendment and Restatement Date and annually on each anniversary date thereafter during the term of this Agreement.

ARTICLE 12 INCREASED COSTS

12.1 Changes in Law

12.1.1 If, after the Amendment and Restatement Date, due to either:

- (a) the introduction of, or any change in, any Law or any change in the interpretation of any Law, whether having the force of law or not, resulting in the imposition or increase of reserves, deposits or similar requirements by any central bank or Governmental Authority charged with the administration thereof; or
- (b) imposition of any Lender or requirements on any Lender to maintain any capital adequacy or additional capital liquidity requirements in respect of any Advances or Commitments hereunder, or any other condition with respect to this Agreement; or
- (c) the compliance with any guideline or request from any central bank or other Governmental Authority which a Lender, acting reasonably, determines that it is required to comply with,

there will be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining an Advance or there will be any reduction in the effective return to such Lender thereunder, then, subject to Section 12.1.2, the Borrowers jointly and severally agree that they will, within ten Business Days after being notified by such Lender of such event, pay to such Lender, quarterly in arrears, that amount (the “**Additional Compensation**”) which such Lender, acting reasonably, determines will compensate it, after taking into account all applicable Taxes and all interest and other amounts received, for any such increased costs or reduced returns incurred or suffered by such Lender provided such Lender is also charging its other borrowers in similar circumstances similar additional compensation.

12.1.2 If Additional Compensation is payable pursuant to Section 12.1.1(a), the Borrowers will have the option to convert the Advance to another type of Advance, in accordance with this Agreement, in respect of which no further such Additional Compensation will be payable, or prepay any amount of the Facility owed to the Lender entitled to receive the Additional Compensation, subject always to Section 5.13 without obligation to make a corresponding prepayment to any other Lender. If the Additional Compensation relates to outstanding Bankers’ Acceptances, such Lender may require the Borrowers to deposit in an interest bearing cash collateral account with such Lender such amount as may be necessary to fully satisfy the contingent obligations of such Lender for all outstanding Bankers’ Acceptances in accordance with the arrangements similar to those set out in Section 5.11.

12.1.3 Notwithstanding anything contained in this Section 12.1, the *Dodd-Frank Wall Street Reform and Consumer Protection Act* and all requests, rules, regulations, guidelines and directives thereunder or issued in connection therewith and all requests, rules, regulations, guidelines and directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any

successor or similar authority or any United States, Canadian or foreign regulatory authority) (collectively, the “**New Rules**”) shall, in each case, be deemed a “change in Law” under Section 12.1.1(a) regardless of the date enacted, adopted or issued.

12.2 Changes in Circumstances

Notwithstanding anything to the contrary herein or in any of the other Credit Documents contained, if on any date a Lender determines, acting reasonably and in good faith, which determination will be conclusive and binding on the Parties, and provided notice is given to the Agent and the other Lenders and to the Borrowers that its ability to maintain, or continue to offer any Advance has become unlawful or impossible due to:

- (a) any change in Applicable Law, or in the interpretation or administration thereof by Governmental Authorities having jurisdiction in the matter; or
- (b) any Material Adverse Change in or the termination of the London Interbank Eurodollar Market for Eurodollars; or
- (c) the imposition of any condition, restriction or limitation upon such Lender which is outside of its control,

then in any such case, the Borrowers jointly and severally agree that they will forthwith repay to such Lender all principal amounts affected thereby, together with all unpaid interest accrued thereon to the date of Repayment and all other expenses incurred in connection with the termination of any such Advance, including any expenses resulting from the early termination of any LIBOR Period relating thereto in accordance with Section 5.13, without any obligation to make a corresponding prepayment to any other Lender. The Borrowers may utilize other forms of Advance not so affected in order to make any required Repayment and after any such Repayment, the Borrowers may elect to re-borrow the amount repaid by way of some other Advance upon complying with applicable requirements thereof.

12.3 Application of Sections 12.1 and 12.2

If a Lender exercises its discretion under either Section 12.1 or 12.2, then concurrently with a notice from such Lender to the Agent and the applicable Borrower requiring compliance with the applicable Section, such Lender will provide such Borrower (with a copy to the Agent who will notify the other Lenders) with a certificate in reasonable detail outlining the particulars giving rise to such notice and certifying (with reasonable supporting detail) the increased costs, if any, payable by such Borrower thereunder, which will be prima facie evidence thereof and binding on the Parties.

12.4 Taxes

12.4.1 Except as provided in this Section 12.4, any and all payments by the Borrowers and any other Credit Party to or for the account of the Agent or any Lender under any Credit Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges imposed by any Governmental Authority, and all liabilities (including

additions to tax, penalties and interest) related thereto (collectively, “**Impositions**”), excluding, in the case of the Agent and each Lender or other recipient or beneficial owner of payment to be made by or on account of a Credit Party under any Credit Document, (x) any Impositions imposed on or measured by its net income (including any taxes similar to branch profits tax or capital, and franchise (and similar) taxes imposed on it in lieu of net income taxes), by the jurisdiction (or any political subdivision thereof) under the Laws of which the Agent or such Lender, as the case may be, is organized, resident, in which its principal office is located, in which it maintains its Lending Office or in which it is subject to such Imposition by reason of a present or former connection between it and such jurisdiction (other than a connection arising solely from the Agent or such Lender (or its applicable Lending Office) as the case may be, becoming a party hereto, having executed, delivered or performed its obligations under any Credit Document, received a payment under, enforced its rights under, received or perfected a security interest under, or engaged in any other transaction pursuant to, a Credit Document), and all interest and penalties with respect thereto; (y) U.S. and Canadian federal withholding taxes imposed on amounts payable to or for the account of such Lender with respect to an applicable interest in a Loan or Commitment pursuant to a law in effect on the date on which (i) such Lender acquires such interest in the Loan or Commitment (other than pursuant to an assignment request by the Borrower under Section 12.4.6) or (ii) such Lender changes its Lending Office, except in each case to the extent that, pursuant to this Section, amounts with respect to such withholding taxes were payable either to such Lender’s assignor immediately before such Lender became a party hereto or to such Lender immediately before it changed its Lending Office; and (z)(i) U.S. federal withholding taxes imposed under FATCA, (ii) taxes attributable to such recipient’s or beneficial owner’s failure to comply with the applicable reporting requirements of FATCA, and (iii) taxes attributable to such recipient’s or beneficial owner’s failure to provide such documentation as is reasonably requested by the Borrower for the Borrower to comply with its obligations under FATCA and to determine that such recipient or beneficial owner has complied with such recipient’s or beneficial owner’s obligations under FATCA or to determine the amount to deduct and withhold from any payment to such recipient or beneficial owner (all such non-excluded Impositions being hereinafter referred to as “**Taxes**” and all such excluded Impositions being hereinafter referred to as “**Excluded Taxes**”). If any Credit Party or any other applicable withholding agent shall be required by the Applicable Laws of a relevant taxing jurisdiction to deduct any Taxes or Other Taxes from or in respect of any sum payable under any Credit Document to the Agent or any Lender, (i) the sum payable shall be increased by the applicable Credit Party as necessary so that after all required deductions (including deductions applicable to additional sums payable under this Section 12.4) have been made, each of the Agent and such Lender receives an amount equal to the sum it would have received had only deductions attributable to Excluded Taxes been made, (ii) the applicable withholding agent shall make such deductions, (iii) the applicable withholding agent shall pay the full amount deducted to the relevant taxation authority or other Governmental Authority in accordance with Applicable Laws, and (iv) within thirty (30) days after the date of such payment, the Credit Party making such payments shall furnish to the Agent or Lender (as the case may be) the original or a certified copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent.

12.4.2 In addition but without duplication, the Borrowers agree to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes, charges or similar levies imposed by a relevant taxing jurisdiction which arise from any payment made under any Credit Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Credit Document (hereinafter referred to as “**Other Taxes**”).

12.4.3 Each Borrower agrees to indemnify the Agent and each Lender for (i) the full amount of Taxes and Other Taxes (including any Taxes or Other Taxes imposed or asserted by any Governmental Authority of any relevant taxing jurisdiction on amounts payable under this Section 12.4) paid by the Agent and such Lender, and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided the Agent or Lender, as the case may be, provides the Borrowers with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts. Payment under this Section 12.4.3 shall be made within thirty (30) days after the date such Lender or the Agent makes a written demand therefor.

12.4.4 Notwithstanding anything herein to the contrary, each Borrower shall not be required pursuant to this Section 12.4 to pay any additional amount to, or to indemnify, any Lender or the Agent, as the case may be, (i) to the extent that such Lender or the Agent becomes subject to Taxes subsequent to the Amendment and Restatement Date (or, if later, the date such Lender or the Agent becomes a party to this Agreement) as a result of a change in the place of organization or residence of such Lender or the Agent, a change in the Lending Office of such Lender, or a change in the principal office of such Lender or the Agent, except to the extent that any such change is requested or required by the Borrowers or to the extent that such Lender or the Agent was entitled, at the time of the change in place of organization, residence or the change in Lending Office, to receive additional amounts from the Borrowers pursuant to Sections 12.4.1 and 12.4.3 (and provided, that nothing in this Section 12.4 shall be construed as relieving the Borrowers from any obligation to make such payments or indemnification in the event of a change in Applicable Law) or (ii) where for Canadian income tax purposes, such Lender or the Agent, as the case may be, becomes subject to Taxes as a consequence of such Lender or the Agent either not dealing at arm’s length with the Borrowers (for purposes of the *Income Tax Act* (Canada)) or being, or not dealing at arm’s length with (for purposes of the *Income Tax Act* (Canada)) a “specified shareholder” (for purposes of the *Income Tax Act* (Canada)) of the Borrower; provided, that this subclause (ii) shall not apply to the extent that such Lender or the Agent, as the case may be, is considered to have not dealt at arm’s length with the Borrowers for Canadian income tax purposes as a result of a change in Applicable Law after the Amendment and Restatement Date.

12.4.5 If any Lender or the Agent determines in its sole discretion (exercised in good faith) that it has received a refund in respect of any Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by the Borrowers pursuant to this Section 12.4, it shall promptly remit such refund (including any interest included in such refund paid by the relevant Governmental Authority) to the Borrowers, net of all out-of-pocket expenses (including any taxes imposed with respect to such refund) of the Lender

or the Agent, as the case may be; provided, however, that the Borrowers, upon the request of the Lender or the Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant taxing authority. Such Lender or the Agent, as the case may be, shall, at the Borrowers' request, provide the Borrowers with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided, that such Lender or the Agent may delete any information therein that such Lender or the Agent deems confidential). Notwithstanding anything to the contrary in this Section 12.4.5, in no event will a Lender be required to pay any amount to the Borrowers pursuant to this Section 12.4.5 the payment of which would place such Lender in a less favorable net after-tax position than such Lender would have been in if the Taxes or Other Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes or Other Taxes had never been paid. Nothing herein contained shall interfere with the right of a Lender or the Agent to arrange its tax affairs in whatever manner it thinks fit nor oblige any Lender or the Agent to disclose any information relating to its tax affairs or any computations in respect thereof or require any Lender or the Agent to do anything that would prejudice its ability to benefit from any other refunds, credits, reliefs, remissions or repayments to which it may be entitled.

12.4.6 Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 12.4.1 and 12.4.3 with respect to such Lender it will, if requested by the Borrowers, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 12.4, including to designate another Lending Office for any Loan (including, for certainty, any Letter of Credit) affected by such event; provided, that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 12.4.6 shall affect or postpone any of the Obligations of the Borrowers or the rights of such Lender pursuant to Sections 12.4.1 and 12.4.3. The Borrowers hereby jointly and severally agree to pay all reasonable costs and expenses incurred by any Lender as a result of a request by the Borrowers under this Section 12.4.6.

ARTICLE 13

GENERAL

13.1 Non-Disclosure

13.1.1 All information received by the Agent and the Lenders from or in respect of the Credit Parties the confidential nature of which is made known or ought to have been known to the Party receiving such information, including any information relating to a Hostile Acquisition, other than information that is required to be disclosed by Applicable Law (including, for certainty, information required to be disclosed in connection with any legal proceedings, including proceedings relating to the Credit Documents) or to any

Governmental Authority of competent jurisdiction, including any central bank or other banking regulatory authority and any official bank examiners or regulators, will be held by the Parties in the strictest confidence and will not be disclosed to any Person, except as provided in this Section 13.1.

13.1.2 Section 13.1.1 does not apply to information:

- (a) of a Party where that Party consents in writing to its disclosure;
- (b) which becomes part of the public domain through no fault of the Agent or the Lenders;
- (c) received from a third party without restriction on further disclosure and which third party was not to the knowledge of the Agent or such Lender, under a duty of confidentiality to the applicable Credit Party at the time the information was so received;
- (d) developed independently without breach of Section 13.1;
- (e) which the Agent or the relevant Lender can show was, prior to receipt thereof from a Credit Party, lawfully in the Agent's or Lender's possession and not then subject to any obligation on its part to the Credit Parties to maintain confidentiality; or
- (f) to the extent required to be disclosed by order or direction of a court or Governmental Authority of competent jurisdiction (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or as otherwise required to be disclosed by Applicable Law or by any subpoena or similar legal process.

13.1.3 Information received by the Agent or a Lender may be disclosed to their respective Affiliates, Hedge Providers, the Agent or any other Lender or Participant, including any financial institution which desires to become a Lender or Participant hereunder, any actual or prospective counterparty (or its advisors) to any securitization, swap or derivative transaction relating to a Borrower or any other Credit Party, and the Obligations and to their respective employees, auditors, accountants, legal counsel, geologists, engineers and other consultants and financial advisors retained by such Persons on a need to know basis and subject to the obligation to maintain confidentiality; provided, that the Agent or Lender providing the information shall be responsible for any breach by its Affiliate of the aforementioned duty of confidentiality.

13.2 Waiver

The failure or delay by the Agent or any Lender in exercising any right or privilege with respect to the non-compliance with any provisions of this Agreement by the Borrower and any course of action on the part of the Agent or any Lender, shall not operate as a waiver of any rights of the Agent or such Lender unless made in writing by the Agent or such Lender. Any such waiver in writing and shall be effective only in the specific instance and for the purpose for which it is

given and shall not constitute a waiver of any other rights and remedies of the Agent or such Lender with respect to any other or future non-compliance.

13.3 Governing Law

This Agreement shall be interpreted in accordance with the Laws of the Province of Alberta and the federal Laws of Canada applicable therein. Without prejudice to the right of the Agent and the Lenders to commence any proceedings with respect to this Agreement in any other proper jurisdiction, the Parties hereby attorn and submit to the non-exclusive jurisdiction of the courts of the Province of Alberta.

13.4 Judgment Currency

To the extent permitted by Applicable Law, if for the purposes of obtaining judgment against any Credit Party in any court in any jurisdiction with respect to this Agreement it becomes necessary for a Lender to convert into the currency of such jurisdiction (in this Section called the “**Judgment Currency**”) any amount due to the Lender by such Credit Party under the Credit Documents in any currency other than the Judgment Currency, the conversion shall be made at the Exchange Rate prevailing on the Business Day before the day on which judgment is given. To the extent permitted by Applicable Law, in the event that there is a change in the Exchange Rate prevailing between the Business Day before the day on which the judgment is given and the date of payment of the amount due, the applicable Credit Party will, on the date of payment, pay such additional amounts (if any) or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount paid on such date is the amount in the Judgment Currency which when converted at the Exchange Rate prevailing on the date of payment is the amount then due under this Agreement in such other currency. To the extent permitted by Applicable Law, any additional amount due by a Credit Party under this Section will be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of this Agreement.

13.5 Expenses of Agent and Lenders

Whether or not the transactions contemplated by this Agreement are completed or any Advance has been made, each Borrower hereby agrees, jointly and severally, to promptly pay, following receipt of invoice therefor from the Agent (and in any event within 30 days after receipt thereof), from time to time all reasonable and documented expenses incurred by the Agent or any Lender in connection with this Agreement, the Security and all documents contemplated hereby, specifically including: expenses incurred by the Lenders in respect of due diligence, appraisals, insurance consultations, credit reporting and responding to demands of any Governmental Authority (provided, that reimbursement obligations in respect of costs and expenses arising under inspection rights set forth in Section 7.1.7 shall be limited in the manner set forth in such Section); reasonable out-of-pocket legal expenses in connection with the preparation and interpretation of this Agreement and the other Credit Documents, the registration and perfection of the Security and the administration of the Facilities generally, including the preparation of waivers and partial discharges of Security (if there are any additional fees or expenses to be incurred in connection with any of the foregoing over and above those that have already been disclosed to the Borrowers then the Agent agrees to notify the Borrowers of those additional fees or expenses and obtain their

concurrence to their payment); and all legal fees and expenses (on a solicitor and his own client basis) in connection with the protection and enforcement of the Security and the exercise of any rights and remedies of the Agent and the Lenders under the Credit Documents. Each Borrower hereby authorizes the Agent to debit its account in order to pay any such expenses if such amount is not paid in full within 30 days after receipt of a written request from the Agent for payment of such amount.

13.6 Assignment

13.6.1 This Agreement and the rights and obligations hereunder will not be assignable, in whole or in part, by any Borrower without the prior written consent of all of the Lenders.

13.6.2 Each Lender will have the right to sell or assign its Commitment in minimum amounts of U.S. \$5,000,000 (with such Lender, where such sale or assignment is not of all of such Lender's Commitment under the applicable Facility, retaining a Commitment under the applicable Facility of at least U.S. \$5,000,000), together with a proportionate share of Outstanding Advances owing to it, to one or more financial institutions with the consent of the Canadian Borrower, the Agent, the Issuing Bank and the Swingline Lender each such consent not to be unreasonably withheld (provided, that the Canadian Borrower may withhold such consent if a Borrower would be required to pay withholding taxes solely as a result of such assignment). An assignment fee of U.S. \$3,500 for each such assignment will be payable to the Agent by the assigning Lender. In the event of such sale or assignment, the Borrowers, the Agent and the other Lenders will execute and deliver all such agreements, documents and instruments as the Agent or Lender may reasonably request to effect and recognize such sale or assignment, including an Assignment. Notwithstanding the foregoing, no consent of the Canadian Borrower will be required if an assignment (a) occurs during an Event of Default which is continuing, (b) is made between financial institutions who, at the relevant time, are already Lenders or Affiliates thereof, or (c) is made by a Lender to an Approved Fund. In the event that the Canadian Borrower fails to provide a response to the request for any such consent within five Business Days of the receipt of such request by the Canadian Borrower, the Canadian Borrower shall be deemed to have consented to such request. No consent to an assignment by a Lender shall be required from the U.S. Borrower. Notwithstanding the foregoing, no Lender may assign all or any part of its Commitment or Outstanding Advances to Palladium, an Investor or an Affiliate thereof without the prior written consent of all of the Lenders.

13.6.3 To the extent that any Lender sells or assigns any portion of its Commitment and Outstanding Advances pursuant to this Section 13.6 and such new Lender or new Lenders, as the case may be, has executed and delivered to the Borrower and the Agent an Assignment, such Lender will be relieved and forever discharged of any and all of its covenants and obligations under the Credit Documents in respect of that portion of its Commitment and Outstanding Advances so sold or assigned from and after the date of such Assignment and the Borrower's recourse under the Credit Documents in respect of such portion so sold or assigned from and after the date of the Assignment for matters arising thereunder from and after the date of the Assignment will be to such new Lender or new Lenders only, as the case may be, and their successors and permitted assigns.

13.6.4 Any Lender may at any time sell to one or more financial institutions or other Persons (each of such financial institutions and other Persons being herein called a “**Participant**”) participating interests in any of the Advances, commitments, or other interests of such Lender hereunder, without notice to, or consent from, the Agent or the Borrowers; provided, however, that:

- (a) no participation contemplated in this Section 13.6.4 will relieve such Lender from its commitments or its other obligations hereunder or under any other Credit Document;
- (b) such Lender will remain solely responsible for the performance of its commitments and such other obligations as if such participation had not taken place;
- (c) the Agent will continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and each of the other Credit Documents;
- (d) no Participant will have any rights (through a right of consent or approval or otherwise) to require such Lender to take or refrain from taking any action hereunder or under any other Credit Document;
- (e) no Borrower will be required to pay any amount hereunder that is greater than the amount which it would have been required to pay had no participating interest been sold; and
- (f) in the case of any outstanding Bankers’ Acceptances, the Participants execute an indemnity agreement in respect of such Bankers’ Acceptances.

Each U.S. Operating Lender that sells a participation shall, acting solely for this purpose as an agent of the U.S. Borrower, maintain a register on which it enters the name and address of each Participant in the U.S. Operating Facility and the principal amounts (and stated interest) of each Participant’s interest in the Commitments, Outstanding Advances or other obligations under the Credit Documents (the “**Participant Register**”); provided that no U.S. Operating Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under the Credit Documents) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such U.S. Operating Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

13.6.5 The Agent, acting solely for this purpose as an agent of the U.S. Borrower, shall maintain at its office located at 452 Fifth Avenue, 5th Floor, New York, NY 10018, a copy

of each Assignment delivered to it and a register for the recordation of the names and addresses of the U.S. Operating Lenders, and the Commitments of, and principal amounts (and stated interest) of the Outstanding Advances owing to, each U.S. Operating Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agent and the U.S. Operating Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a U.S. Operating Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any U.S. Operating Lender, at any reasonable time and from time to time upon reasonable prior notice.

13.7 General Indemnity

In addition to any liability of the Borrowers to the Lenders under any other provision hereof, each Borrower will and does hereby, jointly and severally, indemnify each Indemnitee and hold each Indemnitee harmless against any losses, claims, costs, damages or liabilities (including reasonable and documented out of pocket expenses and reasonable and documented legal fees on a solicitor and his own client full indemnity basis of one counsel (but, for the avoidance of doubt, excluding the allocated costs of in-house counsel) plus one local counsel in each applicable jurisdiction) incurred by the same as a result of or in connection with: (a) any cost or expense incurred by reason of the liquidation or re-deployment in whole or in part of deposits or other funds required by any Lender to fund any Bankers’ Acceptance or to fund or maintain any Advance as a result of any Borrower’s failure to complete an Advance or to make any payment, repayment or prepayment on the date required hereunder or specified by it in any notice given hereunder; (b) subject to permitted or deemed Rollovers and Conversions, any Borrower’s failure to provide for the payment to the Agent for the account of the Lenders of the full principal amount of each Bankers’ Acceptance on its Maturity Date; (c) any Borrower’s failure to pay any other amount, including any interest or fees, due hereunder on its due date after the expiration of any applicable grace or notice periods; (d) the prepayment of any outstanding Bankers’ Acceptance before the Maturity Date of such Bankers’ Acceptance; (e) any Borrower’s repayment or prepayment of a LIBOR Loan otherwise than on the last day of its LIBOR Period; (f) the failure of any Borrower or any other Credit Party to make any other payment due hereunder or under any of the other Credit Documents; (g) the occurrence of any other Default or Event of Default and the enforcement of rights and remedies in connection therewith; (h) any instructions given to any Lender to stop payment on any cheque issued by any Borrower or to reverse any wire transfer or other transaction initiated by such Lender at the request of any Borrower; (i) any use of the proceeds of the Facilities, including to pay the purchase price of the transaction or any other acquisition; and (j) any claim, litigation or other proceeding related to the foregoing, regardless of whether such matter is initiated by a third party or by Holdco, a Borrower or any of their Subsidiaries or Affiliates; provided that this Section 13.7 will not apply to any losses, claims, costs, damages or liabilities that arise by reason of (i) the gross negligence or wilful misconduct of the applicable Indemnitee claiming indemnity hereunder, as determined by a final and non-appealable judgment of a court of component jurisdiction; or (ii) a material breach of the applicable Indemnitee of its obligations under the Credit Documents as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.8 Environmental Indemnity

In addition to any other liability of the Borrowers hereunder, each Borrower hereby agrees to, jointly and severally, indemnify and save harmless the Indemnitees from and against:

- (a) any losses suffered by them for, in connection with, or as a direct or indirect result of, the failure of any Borrower or any of their respective Subsidiaries to comply with all Requirements of Environmental Law;
- (b) any losses suffered by the Indemnitees for, in connection with, or as a direct or indirect result of, the presence of any Hazardous Material situated in, on or under any property owned by any Borrower or any of their respective Subsidiaries or upon which any of them carries on business, specifically including any diminution in value of the business, property and assets of such Person; and
- (c) any and all liabilities, losses, damages, penalties, expenses (including reasonable legal fees) and claims which may be paid, incurred or asserted against the Indemnitees for, in connection with, or as a direct or indirect result of, any legal or administrative proceedings with respect to the presence of any Hazardous Material on or under any property owned by any Borrower or any of its respective Subsidiaries or upon which any of them carries on business, or the discharge, emission, spill, radiation or disposal by any Borrower or any of their respective Subsidiaries of any Hazardous Material into or upon any Land, the atmosphere, or any watercourse or body of water; including the costs of defending, counterclaiming or claiming against third parties in respect of any action or matter and any cost, liability or damage arising out of a settlement entered into by the Indemnitees of any such action or matter,

except to the extent arising from the gross negligence or wilful misconduct of the applicable Indemnitee, as determined by a final and non-appealable judgment of a court of component jurisdiction. For the purpose of this Section 13.8, liabilities means those amounts that are quantifiable and found to be the responsibility of the Indemnitees either alone or jointly or severally with others.

13.9 Survival of Certain Obligations despite Termination of Agreement

The termination of this Agreement shall not relieve the Borrowers from their obligations to the Agent and the Lenders arising prior to such termination, such as obligations arising as a result of or in connection with any breach of this Agreement, any failure to comply with this Agreement or the inaccuracy of any representations and warranties made or deemed to have been made prior to such termination, and obligations arising pursuant to all indemnity obligations contained herein. Without limiting the generality of the foregoing, the obligations of the Borrowers to the Agent and the Lenders arising under or in connection with Sections 8.5(b), 13.7 and 13.8 shall continue in full force and effect despite any termination of this Agreement.

13.10 Interest on Unpaid Costs and Expenses

If a Borrower fails to pay when due any amount in respect of costs or expenses or any other amount required to be paid by it hereunder (other than principal or interest on any Advance), the Borrowers shall, jointly and severally, pay interest on such unpaid amount from the time such amount is due until paid at the rate equal to the highest rate of interest then applicable under the Facilities.

The Agent will notify the applicable Borrower of any conflict or inconsistency between any written confirmation of such verbal instructions received from such Borrower and the said verbal advice as soon as practicable after the conflict or inconsistency becomes apparent to the Agent.

13.13 Severability

Any provision of this Agreement which is illegal, prohibited or unenforceable in any jurisdiction, in whole or in part, shall not invalidate the remaining provisions hereof; and any such illegality, prohibition or unenforceability in any such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.15 Tombstone Marketing

For the purpose of “tombstone marketing”, each Borrower hereby authorizes and consents to the reproduction, disclosure and use by the Lenders and the Agent of its name, identifying logo and the Facilities to enable the Lenders to publish promotional “tombstones”. Each Borrower acknowledges and agrees: that the Lenders shall be entitled to determine, in their discretion, whether to use such information; that no compensation will be payable by the Lenders or the Agent in connection therewith; and that the Lenders and the Agent shall have no liability whatsoever to any Borrower or any of its respective employees, officers, directors, Affiliates or shareholders in obtaining and using such information as contemplated herein.

13.16 Entire Agreement

This Agreement supersedes all discussion papers, term sheets and other writings issued by the Agent or the Lenders prior to the date hereof relating to the Facilities; and this Agreement and any other documents or instruments contemplated herein or therein shall constitute the entire agreement and understanding among the Borrowers, the Lenders and the Agent relating to the subject-matter hereof.

13.17 Anti-Money Laundering Legislation

- (a) Each Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” Laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), the Lenders and the Agent may be required to obtain, verify and record information regarding the Borrowers, Palladium, the other Credit Parties, their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Credit Parties or Palladium, and the transactions contemplated hereby. The Borrowers shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent, or any prospective assignee of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
- (b) If, upon the written request of any Lender, the Agent has ascertained the identity of a Borrower, Palladium or any Credit Party or any authorized signatories of any Borrower or any other Credit Party for the purposes of applicable AML Legislation on such Lender’s behalf, then the Agent:
 - (i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Agent within the meaning of applicable AML Legislation; and
 - (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.
- (c) Notwithstanding the preceding sentence, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Borrowers, Palladium or any other Credit Party or any authorized signatories of the Borrowers, Palladium or any other Credit Party, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrowers, Palladium or any other Credit Party or any such authorized signatory in doing so.
- (d) Each Lender that is subject to the PATRIOT Act and the Agent (for itself and not on behalf of any Lender) hereby notifies the Credit Parties that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record

5. **Validity of Agreements.** The Guarantor will not contest or otherwise challenge the legality, validity or enforceability of any term, condition or other provision contained in the Loan Documents. The Guarantor represents to the Agent for and on behalf of the Creditors that it is familiar with and consents to the terms and conditions of the Loan Documents.
6. **Assumption of Authority.** The Agent, for and on behalf of the Creditors, is entitled to assume, notwithstanding any investigation by or on behalf of the Agent or any Creditor, the power and authority of the officers, directors, agents or other Persons acting or purporting to act on behalf of the Borrowers, the Guarantor or the other Credit Parties, and any Guaranteed Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.
7. **Recourse against Credit Parties and Others.** The Agent, for and on behalf of the Creditors, is not required to exhaust its recourse against the Borrowers, the other Credit Parties, any other guarantor or other Person or under any other security or other guarantee before being entitled to payment from the Guarantor under this Guarantee.
8. **Settlement of Accounts.** Any account settled or stated between the Agent, for and on behalf of the Creditors, and the Borrowers or the other Credit Parties will be accepted by the Guarantor as prima facie evidence, subject to manifest error, that the amount thereby appearing due by the Borrowers or the other Credit Parties to the Agent and the Creditors is so due.
9. **No Waiver.** No delay on the part of the Agent, for and on behalf of the Creditors, in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of the Agent's or any Creditor's rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Agent for and on behalf of the Creditors unless the same will be in writing, duly signed by the Agent, for and on behalf of the Creditors, and the Guarantor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Agent and the Creditors or the liabilities of the Guarantor to the Agent and the Creditors in any other respect at any other time.
10. **Guarantee of all Credit Obtained; Indemnity.** All moneys and credits in fact borrowed or obtained by the Borrowers or any other Credit Party from the Agent or any Creditor under the Loan Documents will be deemed to form part of the Guaranteed Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of the Borrowers or any other Credit Party or of the directors, officers, employees, partners or agents thereof, or that the Borrowers or any other Credit Party may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. If any amount in respect of the Guaranteed Obligations is not recoverable from the Guarantor hereunder on the basis of a guarantee, then, notwithstanding any other provision hereof, the Guarantor will indemnify and save harmless the Agent and each Creditor and all of their respective directors, officers, shareholders and agents from and against any and all losses, damages, costs, expenses or liabilities suffered or incurred by the Agent or any Creditor or any of their respective

- 6 -

directors, officers, shareholders and agents resulting or arising from or relating to any failure of the Borrowers or any other Credit Party to unconditionally and irrevocably pay in full or fully perform the Guaranteed Obligations as and when due provided that the amount of such indemnification shall not exceed the amount of such Guaranteed Obligations and any amounts due and owing hereunder.

11. **Stay of Acceleration.** If acceleration of the time for payment, or the liability of the Borrowers or any other Credit Party to make payment, of any amount specified to be payable by the Borrowers or any other Credit Party in respect of the Guaranteed Obligations is stayed, prohibited or otherwise affected upon the insolvency, bankruptcy, reorganization or winding-up of the Borrowers or any other Credit Party or any moratorium affecting the payment of the Guaranteed Obligations, all such amounts otherwise subject to acceleration or payment will nonetheless be deemed for all purposes of this Guarantee to be and to become due and payable by the Borrowers or any other Credit Party and will be payable by the Guarantor hereunder forthwith on demand by the Agent for and on behalf of the Creditors.
12. **Reinstatement.** If, at any time, all or any part of any payment previously applied by the Agent or any Creditor to any Guaranteed Obligation is or must be rescinded or returned by the Agent or any Creditor for any reason whatsoever (including the insolvency, bankruptcy, or reorganization of the Borrowers or any other Credit Party), such Guaranteed Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Agent or any such Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Guaranteed Obligation, all as though such application by the Agent or any such Creditor had not been made.
13. **Assignment and Postponement.** All present and future indebtedness and liability of the Borrowers and each other Credit Party to the Guarantor is hereby assigned by the Guarantor to the Agent for its own benefit and on behalf of the Creditors and subordinated to the Guaranteed Obligations and all moneys received by the Guarantor in respect thereof following the occurrence and during the continuance of an Event of Default will be received in trust for and, unless prior written authorization from the Agent to the contrary will have been obtained by the Guarantor, will be paid over to the Agent for its own benefit and on behalf of the Creditors upon demand by the Agent. If the Agent receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against the Borrowers or any other Credit Party until the Agent's and the Creditors' claims against the Borrowers or the applicable Credit Party have been irrevocably and unconditionally paid in full. In case of liquidation, winding up or bankruptcy of the Borrowers or any other Credit Party (whether voluntary or involuntary) or any composition with creditors or scheme of arrangement, the Agent for its own benefit and on behalf of the Creditors will have the right to rank for its full claims and receive all or other payments in respect thereof in priority to the Guarantor until the Guaranteed Obligations have been irrevocably and unconditionally paid in full, and the Guarantor will continue to be liable hereunder for any balance which may be owing to the Agent for

- 7 -

its own benefit and on behalf of the Creditors by the Borrowers or any other Credit Party. In the event of the valuation by the Agent of any of its security and/or the retention thereof by the Agent, such valuation and/or retention will not, as between the Agent and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction of the Guaranteed Obligations or any part thereof. The foregoing provisions of this Section 13 will not in any way limit or lessen the liability of the Guarantor under any other section of this Guarantee.

14. **No Subrogation.** Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Agent or any Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by Applicable Law, any right to enforce any remedy which the Agent now has or may hereafter have against the Borrowers or any other Credit Party, until all of the Guaranteed Obligations have been irrevocably and unconditionally paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Agent or any Creditor for the Guaranteed Obligations.

15. **Foreign Currency Guaranteed Obligations.** The Guarantor will make payment relative to each Guaranteed Obligation in the currency (the "**Original Currency**") in which the Borrowers or any other Credit Party is required to pay such Guaranteed Obligation. If the Guarantor makes payment relative to any Guaranteed Obligation to the Agent or any Creditor in a currency (the "**Other Currency**") other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Guaranteed Obligation only to the extent of the amount of the Original Currency which the Agent is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Agent is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Guaranteed Obligation, the Guarantor will indemnify and save the Agent and each Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Agent, for its own benefit and on behalf of the Creditors, and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

16. **Taxes.** All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any Applicable Law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Agent, for its own benefit and on behalf of the Creditors, receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

- 8 -

17. **Payment of Expenses; Indemnification.** The Guarantor will pay on demand during the occurrence and continuance of an Event of Default, and will indemnify and save the Agent and each Creditor harmless from, any and all liabilities, all reasonable costs and expenses (including reasonable out-of-pocket legal fees and expenses on a solicitor and his own client full indemnity basis and any sales, goods and services or other similar taxes payable to any Governmental Authority with respect to any such liabilities, costs and expenses) (a) incurred by the Agent for its own benefit and on behalf of the Creditors in the administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Agent in performing or observing any of the other covenants of the Guarantor under this Guarantee.
18. **Additional Security.** This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by or for the benefit of the Agent or the Creditors and any other rights or remedies that the Agent or the Creditors might have.
19. **Governing Law; Attornment.** This Guarantee will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein, without giving effect to the conflict of law principles thereof. Without prejudice to the ability of the Agent or any Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of the Province of Alberta, or any appellate court thereof, for the purposes of this Guarantee. To the extent legally permitted, the Guarantor waives any right it may have to, or to apply for, trial by jury in connection with any matter, action, proceeding, claim or counterclaim arising out of or relating to the Loan Documents or any of the transactions contemplated thereby.
20. **Successors and Assigns.** The provisions of this Guarantee will be binding upon and enure to the benefit of the Agent, the Creditors and their respective successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Agent or any Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Guaranteed Obligations or any interest therein in accordance with the Loan Documents and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Guaranteed Obligation or part thereof so transferred or assigned will remain a "Guaranteed Obligation" for the purposes of this Guarantee and any immediate and successive permitted assignee or transferee of any Guaranteed Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee.
21. **Time.** Time will be of the essence in this Guarantee.
22. **Severability.** If any portion of this Guarantee or the application thereof to any circumstance will be held invalid or unenforceable by a court of competent jurisdiction from which no further appeal has or is taken, to an extent that does not affect in a

- 9 -

fundamental way the operation of this Guarantee, the remainder of the provision in question, or its application to any circumstance other than that to which it has been held invalid or unenforceable, and the remainder of this Guarantee will not be affected thereby and will be valid and enforceable to the fullest extent permitted by Applicable Laws.

23. **Notice.** All notices, requests and demands to or upon the Agent or the Guarantor under this Agreement shall be in writing and given as provided in Section 13.11 of the Credit Agreement to the address (a) of the Agent set forth in the Credit Agreement and (b) of the Guarantor at the following address for notice:

AGREEMENT:

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Agent for its own benefit and on behalf of the Creditors as follows:

- 1. **Defined Terms.** In this Guarantee, capitalized words and phrases which are not otherwise defined have the respective meanings given to such terms in the Credit Agreement. In addition, the term “**Loan Documents**” when used herein means the Credit Agreement, the Hedging Agreements, the Banking Services Agreements, the Security and any other Credit Documents, instruments or agreements entered into pursuant thereto or in connection therewith.
- 2. **Guarantee.** The Guarantor hereby unconditionally and irrevocably guarantees the prompt payment and performance to the Agent for its own benefit and on behalf of the Creditors forthwith upon demand by the Agent during the occurrence and continuance of an Event of Default of all indebtedness, liabilities and obligations of any kind whatsoever

- 2 -

(whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) which the Borrowers or any other Credit Party (other than the Guarantor) has from time to time incurred or is under or may hereafter incur or be under to the Agent or any Creditor under or in connection with or with respect to the Loan Documents (collectively, the “**Guaranteed Obligations**”). All amounts payable by the Guarantor hereunder will be paid to the Agent for its own benefit and on behalf of the Creditors at the address of the Agent set forth in Section 23 below or as otherwise directed in writing by the Agent. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Agent as aforesaid for its own benefit and on behalf of the Creditors will bear interest from the date of such demand at the rate or rates applicable to the corresponding Guaranteed Obligations.

3. **Continuing, Unconditional and Absolute Guarantee.** The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby consents to or waives, as applicable, to the fullest extent permitted by Applicable Laws):
- (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Guaranteed Obligation, security, Person or otherwise, unless such settlement, discharge, compromise or release shall specifically release the Guarantor from its obligations, indebtedness or liabilities hereunder or any part thereof or is a payment of the Guaranteed Obligations;
 - (b) any waiver, modification, restatement or amendment of or supplement to any Loan Document or the Guaranteed Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder;
 - (c) any change in the time, manner or place of payment of or in any other term of any Loan Document or the Guaranteed Obligations, or the failure on the part of the Borrowers or any other Credit Party to carry out any of its Guaranteed Obligations under any Loan Document;
 - (d) any impossibility, impracticability, frustration of purpose, illegality, force majeure or act of government;
 - (e) any non-perfection or invalidity of any direct or indirect security for any Guaranteed Obligation;
 - (f) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of the Borrowers, any other Credit Party or any other Person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrowers, any other Credit Party or any other Person or its assets;

- 3 -

- (g) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Borrowers, any other Credit Party, the Agent or any other Person, whether in connection herewith or any unrelated transactions;
- (h) any invalidity, illegality or unenforceability relating to or against the Borrowers or any other Credit Party or any provision of Applicable Law purporting to prohibit the payment by the Borrowers or any other Credit Party of the principal or interest under the Guaranteed Obligations;
- (i) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Agent or any Creditor to receive payment of the Guaranteed Obligations;
- (j) any release, substitution or addition of any co-signer, endorser or other guarantor of the Guaranteed Obligations;
- (k) any defence arising by reason of any failure of the Agent or any Creditor to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Guaranteed Obligations and the existence, creation, or incurring of new or additional Guaranteed Obligations;
- (l) any defence arising by reason of any failure of the Agent or any Creditor to proceed against the Borrowers, any other Credit Party or any other Person, to proceed against, apply or exhaust any security held from the Borrowers, any other Credit Party or any other Person for the Guaranteed Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other Person for this Guarantee or to pursue any other remedy in the power of the Agent or any Creditor whatsoever;
- (m) any Applicable Law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation;
- (n) any defence arising by reason of any incapacity, lack of authority, or other defence of the Borrowers, any other Credit Party or any other Person, or by reason of any limitation, postponement, prohibition on the Agent's or any Creditor's right to receive payment of the Guaranteed Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of the Borrowers, any other Credit Party or any other Person with respect to all or any part of the Guaranteed Obligations, or by reason of any act or omission of the Agent or any Creditor or others which directly or indirectly results in the discharge or release of the Borrowers, any other Credit Party or any other Person or all or any part of the Guaranteed Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise;

- 4 -

- (o) any defence arising by reason of any failure by the Agent or any Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or Lien upon any property of the Borrowers, any other Credit Party or any other Person, or by reason of any interest of the Agent or any Creditor in any property, whether as owner thereof or the holder of a security interest therein or Lien thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Agent of any right to recourse or collateral;
- (p) any defence arising by reason of the failure of the Agent or any Creditor to marshal any assets;
- (q) any defence based upon any failure of the Agent or any Creditor to give to the Borrowers, any other Credit Party, the Guarantor or any other Person notice of any sale or other disposition of any property securing any or all of the Guaranteed Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Agent or any Creditor to comply with any provision of Applicable Law in enforcing any Lien upon any such property, including any failure by the Agent or any Creditor to dispose of any such property in a commercially reasonable manner;
- (r) any dealing whatsoever with the Borrowers, any other Credit Party or other Person or any security, whether negligently or not, or any failure to do so;
- (s) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against the Borrowers, any other Credit Party or any other Person, including any discharge of, or bar against collecting, any of the Guaranteed Obligations, in or as a result of any such proceeding; or
- (t) any other act or omission to act or delay of any kind by the Borrowers, any other Credit Party, the Agent, a Creditor or any other Person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 3, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the irrevocable and unconditional payment in full of all of the Guaranteed Obligations).

The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Agent or any Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Borrowers or any other Credit Party for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

4. **Release of Guaranteed Obligations.** This Guarantee will remain in full force and effect until the Guaranteed Obligations are irrevocably and unconditionally performed and paid in full.

- 5 -

5. **Validity of Agreements.** The Guarantor will not contest or otherwise challenge the legality, validity or enforceability of any term, condition or other provision contained in the Loan Documents. The Guarantor represents to the Agent for and on behalf of the Creditors that it is familiar with and consents to the terms and conditions of the Loan Documents.
6. **Assumption of Authority.** The Agent, for and on behalf of the Creditors, is entitled to assume, notwithstanding any investigation by or on behalf of the Agent or any Creditor, the power and authority of the officers, directors, agents or other Persons acting or purporting to act on behalf of the Borrowers, the Guarantor or the other Credit Parties, and any Guaranteed Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.
7. **Recourse against Credit Parties and Others.** The Agent, for and on behalf of the Creditors, is not required to exhaust its recourse against the Borrowers, the other Credit Parties, any other guarantor or other Person or under any other security or other guarantee before being entitled to payment from the Guarantor under this Guarantee.
8. **Settlement of Accounts.** Any account settled or stated between the Agent, for and on behalf of the Creditors, and the Borrowers or the other Credit Parties will be accepted by the Guarantor as prima facie evidence, subject to manifest error, that the amount thereby appearing due by the Borrowers or the other Credit Parties to the Agent and the Creditors is so due.
9. **No Waiver.** No delay on the part of the Agent, for and on behalf of the Creditors, in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of the Agent's or any Creditor's rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Agent for and on behalf of the Creditors unless the same will be in writing, duly signed by the Agent, for and on behalf of the Creditors, and the Guarantor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Agent and the Creditors or the liabilities of the Guarantor to the Agent and the Creditors in any other respect at any other time.
10. **Guarantee of all Credit Obtained; Indemnity.** All moneys and credits in fact borrowed or obtained by the Borrowers or any other Credit Party from the Agent or any Creditor under the Loan Documents will be deemed to form part of the Guaranteed Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of the Borrowers or any other Credit Party or of the directors, officers, employees, partners or agents thereof, or that the Borrowers or any other Credit Party may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. If any amount in respect of the Guaranteed Obligations is not recoverable from the Guarantor hereunder on the basis of a guarantee, then, notwithstanding any other provision hereof, the Guarantor will indemnify and save harmless the Agent and each Creditor and all of their respective directors, officers, shareholders and agents from and against any and all losses, damages, costs, expenses or liabilities suffered or incurred by the Agent or any Creditor or any of their respective

- 6 -

directors, officers, shareholders and agents resulting or arising from or relating to any failure of the Borrowers or any other Credit Party to unconditionally and irrevocably pay in full or fully perform the Guaranteed Obligations as and when due provided that the amount of such indemnification shall not exceed the amount of such Guaranteed Obligations and any amounts due and owing hereunder.

11. **Stay of Acceleration.** If acceleration of the time for payment, or the liability of the Borrowers or any other Credit Party to make payment, of any amount specified to be payable by the Borrowers or any other Credit Party in respect of the Guaranteed Obligations is stayed, prohibited or otherwise affected upon the insolvency, bankruptcy, reorganization or winding-up of the Borrowers or any other Credit Party or any moratorium affecting the payment of the Guaranteed Obligations, all such amounts otherwise subject to acceleration or payment will nonetheless be deemed for all purposes of this Guarantee to be and to become due and payable by the Borrowers or any other Credit Party and will be payable by the Guarantor hereunder forthwith on demand by the Agent for and on behalf of the Creditors.
12. **Reinstatement.** If, at any time, all or any part of any payment previously applied by the Agent or any Creditor to any Guaranteed Obligation is or must be rescinded or returned by the Agent or any Creditor for any reason whatsoever (including the insolvency, bankruptcy, or reorganization of the Borrowers or any other Credit Party), such Guaranteed Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Agent or any such Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Guaranteed Obligation, all as though such application by the Agent or any such Creditor had not been made.
13. **Assignment and Postponement.** All present and future indebtedness and liability of the Borrowers and each other Credit Party to the Guarantor is hereby assigned by the Guarantor to the Agent for its own benefit and on behalf of the Creditors and subordinated to the Guaranteed Obligations and all moneys received by the Guarantor in respect thereof following the occurrence and during the continuance of an Event of Default will be received in trust for and, unless prior written authorization from the Agent to the contrary will have been obtained by the Guarantor, will be paid over to the Agent for its own benefit and on behalf of the Creditors upon demand by the Agent. If the Agent receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against the Borrowers or any other Credit Party until the Agent's and the Creditors' claims against the Borrowers or the applicable Credit Party have been irrevocably and unconditionally paid in full. In case of liquidation, winding up or bankruptcy of the Borrowers or any other Credit Party (whether voluntary or involuntary) or any composition with creditors or scheme of arrangement, the Agent for its own benefit and on behalf of the Creditors will have the right to rank for its full claims and receive all or other payments in respect thereof in priority to the Guarantor until the Guaranteed Obligations have been irrevocably and unconditionally paid in full, and the Guarantor will continue to be liable hereunder for any balance which may be owing to the Agent for

- 7 -

its own benefit and on behalf of the Creditors by the Borrowers or any other Credit Party. In the event of the valuation by the Agent of any of its security and/or the retention thereof by the Agent, such valuation and/or retention will not, as between the Agent and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction of the Guaranteed Obligations or any part thereof. The foregoing provisions of this Section 13 will not in any way limit or lessen the liability of the Guarantor under any other section of this Guarantee.

14. **No Subrogation.** Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Agent or any Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by Applicable Law, any right to enforce any remedy which the Agent now has or may hereafter have against the Borrowers or any other Credit Party, until all of the Guaranteed Obligations have been irrevocably and unconditionally paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Agent or any Creditor for the Guaranteed Obligations.
15. **Foreign Currency Guaranteed Obligations.** The Guarantor will make payment relative to each Guaranteed Obligation in the currency (the "**Original Currency**") in which the Borrowers or any other Credit Party is required to pay such Guaranteed Obligation. If the Guarantor makes payment relative to any Guaranteed Obligation to the Agent or any Creditor in a currency (the "**Other Currency**") other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Guaranteed Obligation only to the extent of the amount of the Original Currency which the Agent is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Agent is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Guaranteed Obligation, the Guarantor will indemnify and save the Agent and each Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Agent, for its own benefit and on behalf of the Creditors, and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.
16. **Taxes.** All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any Applicable Law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Agent, for its own benefit and on behalf of the Creditors, receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

17. **Payment of Expenses; Indemnification.** The Guarantor will pay on demand during the occurrence and continuance of an Event of Default, and will indemnify and save the Agent and each Creditor harmless from, any and all liabilities, all reasonable costs and expenses (including reasonable out-of-pocket legal fees and expenses on a solicitor and his own client full indemnity basis and any sales, goods and services or other similar taxes payable to any Governmental Authority with respect to any such liabilities, costs and expenses) (a) incurred by the Agent for its own benefit and on behalf of the Creditors in the administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Agent in performing or observing any of the other covenants of the Guarantor under this Guarantee.
18. **Additional Security.** This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by or for the benefit of the Agent or the Creditors and any other rights or remedies that the Agent or the Creditors might have.
19. **Governing Law; Attornment.** This Guarantee will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein, without giving effect to the conflict of law principles thereof. Without prejudice to the ability of the Agent or any Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of the Province of Alberta, or any appellate court thereof, for the purposes of this Guarantee. To the extent legally permitted, the Guarantor waives any right it may have to, or to apply for, trial by jury in connection with any matter, action, proceeding, claim or counterclaim arising out of or relating to the Loan Documents or any of the transactions contemplated thereby.
20. **Successors and Assigns.** The provisions of this Guarantee will be binding upon and enure to the benefit of the Agent, the Creditors and their respective successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Agent or any Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Guaranteed Obligations or any interest therein in accordance with the Loan Documents and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Guaranteed Obligation or part thereof so transferred or assigned will remain a "Guaranteed Obligation" for the purposes of this Guarantee and any immediate and successive permitted assignee or transferee of any Guaranteed Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee.
21. **Time.** Time will be of the essence in this Guarantee.
22. **Severability.** If any portion of this Guarantee or the application thereof to any circumstance will be held invalid or unenforceable by a court of competent jurisdiction from which no further appeal has or is taken, to an extent that does not affect in a

GUARANTEE

TO: **HSBC BANK CANADA**, as Agent (the “**Agent**”)

DATE: May 23, 2014

PREAMBLE:

- A. Fluid Acquisition Corp. and Q’Max America Inc. (collectively, the “**Borrowers**”), as borrowers, HSBC Bank Canada and those other financial institutions which are from time to time party thereto as lenders (collectively, the “**Lenders**”) and HSBC Bank Canada, as administrative agent for the Lenders (in such capacity together with its successors and assigns in such capacity, the “**Agent**”) are parties to a credit agreement dated as of the date hereof (as such credit agreement may be amended, supplemented or otherwise modified or restated from time to time, the “**Credit Agreement**”).
- B. The Borrowers and the Guarantors (as defined in the Credit Agreement) (collectively, the “**Credit Parties**” and each a “**Credit Party**”) may, from time to time, incur indebtedness, obligations and liabilities to the Agent, the Lenders, the Hedge Providers and counterparties providing services pursuant to the Banking Services Agreements (collectively, the “**Creditors**”) pursuant to or in connection with the Credit Agreement, the other Loan Documents, the Hedging Agreements and the Banking Services Agreements from time to time.
- C. It is in the interests of Q’Max Solutions Inc. (the “**Guarantor**”), that the Creditors extend credit to the Borrowers pursuant to the applicable Credit Documents and therefore the Guarantor is prepared to issue this Guarantee to the Agent for and on behalf of the Creditors.

AGREEMENT:

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Agent for its own benefit and on behalf of the Creditors as follows:

- 1. **Defined Terms.** In this Guarantee, capitalized words and phrases which are not otherwise defined have the respective meanings given to such terms in the Credit Agreement. In addition, the term “**Loan Documents**” when used herein means the Credit Agreement, the Hedging Agreements, the Banking Services Agreements, the Security and any other Credit Documents, instruments or agreements entered into pursuant thereto or in connection therewith.
- 2. **Guarantee.** The Guarantor hereby unconditionally and irrevocably guarantees the prompt payment and performance to the Agent for its own benefit and on behalf of the Creditors forthwith upon demand by the Agent during the occurrence and continuance of an Event of Default of all indebtedness, liabilities and obligations of any kind whatsoever

(whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) which the Borrowers or any other Credit Party (other than the Guarantor) has from time to time incurred or is under or may hereafter incur or be under to the Agent or any Creditor under or in connection with or with respect to the Loan Documents (collectively, the "**Guaranteed Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Agent for its own benefit and on behalf of the Creditors at the address of the Agent set forth in Section 23 below or as otherwise directed in writing by the Agent. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Agent as aforesaid for its own benefit and on behalf of the Creditors will bear interest from the date of such demand at the rate or rates applicable to the corresponding Guaranteed Obligations.

3. **Continuing, Unconditional and Absolute Guarantee.** The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby consents to or waives, as applicable, to the fullest extent permitted by Applicable Laws):
- (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Guaranteed Obligation, security, Person or otherwise, unless such settlement, discharge, compromise or release shall specifically release the Guarantor from its obligations, indebtedness or liabilities hereunder or any part thereof or is a payment of the Guaranteed Obligations;
 - (b) any waiver, modification, restatement or amendment of or supplement to any Loan Document or the Guaranteed Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder;
 - (c) any change in the time, manner or place of payment of or in any other term of any Loan Document or the Guaranteed Obligations, or the failure on the part of the Borrowers or any other Credit Party to carry out any of its Guaranteed Obligations under any Loan Document;
 - (d) any impossibility, impracticability, frustration of purpose, illegality, force majeure or act of government;
 - (e) any non-perfection or invalidity of any direct or indirect security for any Guaranteed Obligation;
 - (f) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of the Borrowers, any other Credit Party or any other Person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Borrowers, any other Credit Party or any other Person or its assets;

- 3 -

- (g) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Borrowers, any other Credit Party, the Agent or any other Person, whether in connection herewith or any unrelated transactions;
- (h) any invalidity, illegality or unenforceability relating to or against the Borrowers or any other Credit Party or any provision of Applicable Law purporting to prohibit the payment by the Borrowers or any other Credit Party of the principal or interest under the Guaranteed Obligations;
- (i) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Agent or any Creditor to receive payment of the Guaranteed Obligations;
- (j) any release, substitution or addition of any co-signer, endorser or other guarantor of the Guaranteed Obligations;
- (k) any defence arising by reason of any failure of the Agent or any Creditor to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Guaranteed Obligations and the existence, creation, or incurring of new or additional Guaranteed Obligations;
- (l) any defence arising by reason of any failure of the Agent or any Creditor to proceed against the Borrowers, any other Credit Party or any other Person, to proceed against, apply or exhaust any security held from the Borrowers, any other Credit Party or any other Person for the Guaranteed Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other Person for this Guarantee or to pursue any other remedy in the power of the Agent or any Creditor whatsoever;
- (m) any Applicable Law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation;
- (n) any defence arising by reason of any incapacity, lack of authority, or other defence of the Borrowers, any other Credit Party or any other Person, or by reason of any limitation, postponement, prohibition on the Agent's or any Creditor's right to receive payment of the Guaranteed Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of the Borrowers, any other Credit Party or any other Person with respect to all or any part of the Guaranteed Obligations, or by reason of any act or omission of the Agent or any Creditor or others which directly or indirectly results in the discharge or release of the Borrowers, any other Credit Party or any other Person or all or any part of the Guaranteed Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise;

- 4 -

- (o) any defence arising by reason of any failure by the Agent or any Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or Lien upon any property of the Borrowers, any other Credit Party or any other Person, or by reason of any interest of the Agent or any Creditor in any property, whether as owner thereof or the holder of a security interest therein or Lien thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Agent of any right to recourse or collateral;
- (p) any defence arising by reason of the failure of the Agent or any Creditor to marshal any assets;
- (q) any defence based upon any failure of the Agent or any Creditor to give to the Borrowers, any other Credit Party, the Guarantor or any other Person notice of any sale or other disposition of any property securing any or all of the Guaranteed Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Agent or any Creditor to comply with any provision of Applicable Law in enforcing any Lien upon any such property, including any failure by the Agent or any Creditor to dispose of any such property in a commercially reasonable manner;
- (r) any dealing whatsoever with the Borrowers, any other Credit Party or other Person or any security, whether negligently or not, or any failure to do so;
- (s) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against the Borrowers, any other Credit Party or any other Person, including any discharge of, or bar against collecting, any of the Guaranteed Obligations, in or as a result of any such proceeding; or
- (t) any other act or omission to act or delay of any kind by the Borrowers, any other Credit Party, the Agent, a Creditor or any other Person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 3, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the irrevocable and unconditional payment in full of all of the Guaranteed Obligations).

The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Agent or any Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Borrowers or any other Credit Party for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

4. **Release of Guaranteed Obligations.** This Guarantee will remain in full force and effect until the Guaranteed Obligations are irrevocably and unconditionally performed and paid in full.

5. **Validity of Agreements.** The Guarantor will not contest or otherwise challenge the legality, validity or enforceability of any term, condition or other provision contained in the Loan Documents. The Guarantor represents to the Agent for and on behalf of the Creditors that it is familiar with and consents to the terms and conditions of the Loan Documents.
6. **Assumption of Authority.** The Agent, for and on behalf of the Creditors, is entitled to assume, notwithstanding any investigation by or on behalf of the Agent or any Creditor, the power and authority of the officers, directors, agents or other Persons acting or purporting to act on behalf of the Borrowers, the Guarantor or the other Credit Parties, and any Guaranteed Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.
7. **Recourse against Credit Parties and Others.** The Agent, for and on behalf of the Creditors, is not required to exhaust its recourse against the Borrowers, the other Credit Parties, any other guarantor or other Person or under any other security or other guarantee before being entitled to payment from the Guarantor under this Guarantee.
8. **Settlement of Accounts.** Any account settled or stated between the Agent, for and on behalf of the Creditors, and the Borrowers or the other Credit Parties will be accepted by the Guarantor as prima facie evidence, subject to manifest error, that the amount thereby appearing due by the Borrowers or the other Credit Parties to the Agent and the Creditors is so due.
9. **No Waiver.** No delay on the part of the Agent, for and on behalf of the Creditors, in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of the Agent's or any Creditor's rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Agent for and on behalf of the Creditors unless the same will be in writing, duly signed by the Agent, for and on behalf of the Creditors, and the Guarantor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Agent and the Creditors or the liabilities of the Guarantor to the Agent and the Creditors in any other respect at any other time.
10. **Guarantee of all Credit Obtained; Indemnity.** All moneys and credits in fact borrowed or obtained by the Borrowers or any other Credit Party from the Agent or any Creditor under the Loan Documents will be deemed to form part of the Guaranteed Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of the Borrowers or any other Credit Party or of the directors, officers, employees, partners or agents thereof, or that the Borrowers or any other Credit Party may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. If any amount in respect of the Guaranteed Obligations is not recoverable from the Guarantor hereunder on the basis of a guarantee, then, notwithstanding any other provision hereof, the Guarantor will indemnify and save harmless the Agent and each Creditor and all of their respective directors, officers, shareholders and agents from and against any and all losses, damages, costs, expenses or liabilities suffered or incurred by the Agent or any Creditor or any of their respective

directors, officers, shareholders and agents resulting or arising from or relating to any failure of the Borrowers or any other Credit Party to unconditionally and irrevocably pay in full or fully perform the Guaranteed Obligations as and when due provided that the amount of such indemnification shall not exceed the amount of such Guaranteed Obligations and any amounts due and owing hereunder.

11. **Stay of Acceleration.** If acceleration of the time for payment, or the liability of the Borrowers or any other Credit Party to make payment, of any amount specified to be payable by the Borrowers or any other Credit Party in respect of the Guaranteed Obligations is stayed, prohibited or otherwise affected upon the insolvency, bankruptcy, reorganization or winding-up of the Borrowers or any other Credit Party or any moratorium affecting the payment of the Guaranteed Obligations, all such amounts otherwise subject to acceleration or payment will nonetheless be deemed for all purposes of this Guarantee to be and to become due and payable by the Borrowers or any other Credit Party and will be payable by the Guarantor hereunder forthwith on demand by the Agent for and on behalf of the Creditors.
12. **Reinstatement.** If, at any time, all or any part of any payment previously applied by the Agent or any Creditor to any Guaranteed Obligation is or must be rescinded or returned by the Agent or any Creditor for any reason whatsoever (including the insolvency, bankruptcy, or reorganization of the Borrowers or any other Credit Party), such Guaranteed Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Agent or any such Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Guaranteed Obligation, all as though such application by the Agent or any such Creditor had not been made.
13. **Assignment and Postponement.** All present and future indebtedness and liability of the Borrowers and each other Credit Party to the Guarantor is hereby assigned by the Guarantor to the Agent for its own benefit and on behalf of the Creditors and subordinated to the Guaranteed Obligations and all moneys received by the Guarantor in respect thereof following the occurrence and during the continuance of an Event of Default will be received in trust for and, unless prior written authorization from the Agent to the contrary will have been obtained by the Guarantor, will be paid over to the Agent for its own benefit and on behalf of the Creditors upon demand by the Agent. If the Agent receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against the Borrowers or any other Credit Party until the Agent's and the Creditors' claims against the Borrowers or the applicable Credit Party have been irrevocably and unconditionally paid in full. In case of liquidation, winding up or bankruptcy of the Borrowers or any other Credit Party (whether voluntary or involuntary) or any composition with creditors or scheme of arrangement, the Agent for its own benefit and on behalf of the Creditors will have the right to rank for its full claims and receive all or other payments in respect thereof in priority to the Guarantor until the Guaranteed Obligations have been irrevocably and unconditionally paid in full, and the Guarantor will continue to be liable hereunder for any balance which may be owing to the Agent for

its own benefit and on behalf of the Creditors by the Borrowers or any other Credit Party. In the event of the valuation by the Agent of any of its security and/or the retention thereof by the Agent, such valuation and/or retention will not, as between the Agent and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction of the Guaranteed Obligations or any part thereof. The foregoing provisions of this Section 13 will not in any way limit or lessen the liability of the Guarantor under any other section of this Guarantee.

14. **No Subrogation.** Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Agent or any Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by Applicable Law, any right to enforce any remedy which the Agent now has or may hereafter have against the Borrowers or any other Credit Party, until all of the Guaranteed Obligations have been irrevocably and unconditionally paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Agent or any Creditor for the Guaranteed Obligations.
15. **Foreign Currency Guaranteed Obligations.** The Guarantor will make payment relative to each Guaranteed Obligation in the currency (the "**Original Currency**") in which the Borrowers or any other Credit Party is required to pay such Guaranteed Obligation. If the Guarantor makes payment relative to any Guaranteed Obligation to the Agent or any Creditor in a currency (the "**Other Currency**") other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Guaranteed Obligation only to the extent of the amount of the Original Currency which the Agent is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Agent is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Guaranteed Obligation, the Guarantor will indemnify and save the Agent and each Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Agent, for its own benefit and on behalf of the Creditors, and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.
16. **Taxes.** All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any Applicable Law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Agent, for its own benefit and on behalf of the Creditors, receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

17. **Payment of Expenses; Indemnification.** The Guarantor will pay on demand during the occurrence and continuance of an Event of Default, and will indemnify and save the Agent and each Creditor harmless from, any and all liabilities, all reasonable costs and expenses (including reasonable out-of-pocket legal fees and expenses on a solicitor and his own client full indemnity basis and any sales, goods and services or other similar taxes payable to any Governmental Authority with respect to any such liabilities, costs and expenses) (a) incurred by the Agent for its own benefit and on behalf of the Creditors in the administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Agent in performing or observing any of the other covenants of the Guarantor under this Guarantee.
18. **Additional Security.** This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by or for the benefit of the Agent or the Creditors and any other rights or remedies that the Agent or the Creditors might have.
19. **Governing Law; Attornment.** This Guarantee will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein, without giving effect to the conflict of law principles thereof. Without prejudice to the ability of the Agent or any Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of the Province of Alberta, or any appellate court thereof, for the purposes of this Guarantee. To the extent legally permitted, the Guarantor waives any right it may have to, or to apply for, trial by jury in connection with any matter, action, proceeding, claim or counterclaim arising out of or relating to the Loan Documents or any of the transactions contemplated thereby.
20. **Successors and Assigns.** The provisions of this Guarantee will be binding upon and enure to the benefit of the Agent, the Creditors and their respective successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Agent or any Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Guaranteed Obligations or any interest therein in accordance with the Loan Documents and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Guaranteed Obligation or part thereof so transferred or assigned will remain a "Guaranteed Obligation" for the purposes of this Guarantee and any immediate and successive permitted assignee or transferee of any Guaranteed Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee.
21. **Time.** Time will be of the essence in this Guarantee.
22. **Severability.** If any portion of this Guarantee or the application thereof to any circumstance will be held invalid or unenforceable by a court of competent jurisdiction from which no further appeal has or is taken, to an extent that does not affect in a

fundamental way the operation of this Guarantee, the remainder of the provision in question, or its application to any circumstance other than that to which it has been held invalid or unenforceable, and the remainder of this Guarantee will not be affected thereby and will be valid and enforceable to the fullest extent permitted by Applicable Laws.

23. **Notice.** All notices, requests and demands to or upon the Agent or the Guarantor under this Agreement shall be in writing and given as provided in Section 13.11 of the Credit Agreement to the address (a) of the Agent set forth in the Credit Agreement and (b) of the Guarantor at the following address for notice:

or in either case at such other address as shall be designated reasonably beforehand by such party in a written notice to each other party.

24. **Credit Parties' Financial Condition.** The Guarantor is fully aware of the financial condition of the Borrowers and the other Credit Parties.
25. **Negotiated Document.** This Guarantee is the result of negotiations between the Guarantor and the Agent and have been reviewed by counsel to the Guarantor and the Agent and is the product of both the Guarantor and the Agent. (collectively, the "**Borrowers**"), as borrowers, HSBC Bank Canada and those other financial institutions which are from time to time party thereto as lenders (collectively, the "**Lenders**") and HSBC Bank Canada, as administrative agent for the Lenders (in such capacity together with its successors and assigns in such capacity, the "**Agent**") are parties to an amended and restated credit agreement dated as of January 30, 2015 (as amended by a first amending agreement dated as of September 3, 2015, and as further amended by a second amending agreement dated as of March 30, 2016, as may be further amended, supplemented or otherwise modified or restated from time to time, the "**Credit Agreement**").
- B. The Borrowers and the Guarantors (as defined in the Credit Agreement) (collectively, the "**Credit Parties**" and each a "**Credit Party**") may, from time to time, incur indebtedness, obligations and liabilities to the Agent, the Lenders, the Hedge Providers and counterparties providing services pursuant to the Banking Services Agreements (collectively, the "**Creditors**") pursuant to or in connection with the Credit Agreement, the other Loan Documents, the Hedging Agreements and the Banking Services Agreements from time to time.
- C. It is in the interests of QMax Canada Operations Inc. (the "**Guarantor**"), that the Creditors extend credit to the Borrowers pursuant to the applicable Credit Documents and therefore the Guarantor is prepared to issue this Guarantee to the Agent for and on behalf of the Creditors.

AGREEMENT:

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Agent for its own benefit and on behalf of the Creditors as follows:

- 1. **Defined Terms.** In this Guarantee, capitalized words and phrases which are not otherwise defined have the respective meanings given to such terms in the Credit Agreement. In addition, the term "**Loan Documents**" when used herein means the Credit Agreement, the Hedging Agreements, the Banking Services Agreements, the Security and any other Credit Documents, instruments or agreements entered into pursuant thereto or in connection therewith.
- 2. **Guarantee.** The Guarantor hereby unconditionally and irrevocably guarantees the prompt payment and performance to the Agent for its own benefit and on behalf of the

- 2 -

Creditors forthwith upon demand by the Agent during the occurrence and continuance of an Event of Default of all indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) which the Borrowers or any other Credit Party (other than the Guarantor) has from time to time incurred or is under or may hereafter incur or be under to the Agent or any Creditor under or in connection with or with respect to the Loan Documents (collectively, the “**Guaranteed Obligations**”). All amounts payable by the Guarantor hereunder will be paid to the Agent for its own benefit and on behalf of the Creditors at the address of the Agent set forth in Section 23 below or as otherwise directed in writing by the Agent. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Agent as aforesaid for its own benefit and on behalf of the Creditors will bear interest from the date of such demand at the rate or rates applicable to the corresponding Guaranteed Obligations.

3. **Continuing, Unconditional and Absolute Guarantee.** The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby consents to or waives, as applicable, to the fullest extent permitted by Applicable Laws):
- (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Guaranteed Obligation, security, Person or otherwise, unless such settlement, discharge, compromise or release shall specifically release the Guarantor from its obligations, indebtedness or liabilities hereunder or any part thereof or is a payment of the Guaranteed Obligations;
 - (b) any waiver, modification, restatement or amendment of or supplement to any Loan Document or the Guaranteed Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder;
 - (c) any change in the time, manner or place of payment of or in any other term of any Loan Document or the Guaranteed Obligations, or the failure on the part of the Borrowers or any other Credit Party to carry out any of its Guaranteed Obligations under any Loan Document;
 - (d) any impossibility, impracticability, frustration of purpose, illegality, force majeure or act of government;
 - (e) any non-perfection or invalidity of any direct or indirect security for any Guaranteed Obligation;
 - (f) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of the Borrowers, any other Credit Party or any other Person, or any insolvency, bankruptcy, reorganization or other similar

- 3 -

proceeding affecting the Borrowers, any other Credit Party or any other Person or its assets;

- (g) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Borrowers, any other Credit Party, the Agent or any other Person, whether in connection herewith or any unrelated transactions;
- (h) any invalidity, illegality or unenforceability relating to or against the Borrowers or any other Credit Party or any provision of Applicable Law purporting to prohibit the payment by the Borrowers or any other Credit Party of the principal or interest under the Guaranteed Obligations;
- (i) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Agent or any Creditor to receive payment of the Guaranteed Obligations;
- (j) any release, substitution or addition of any co-signer, endorser or other guarantor of the Guaranteed Obligations;
- (k) any defence arising by reason of any failure of the Agent or any Creditor to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Guaranteed Obligations and the existence, creation, or incurring of new or additional Guaranteed Obligations;
- (l) any defence arising by reason of any failure of the Agent or any Creditor to proceed against the Borrowers, any other Credit Party or any other Person, to proceed against, apply or exhaust any security held from the Borrowers, any other Credit Party or any other Person for the Guaranteed Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other Person for this Guarantee or to pursue any other remedy in the power of the Agent or any Creditor whatsoever;
- (m) any Applicable Law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation;
- (n) any defence arising by reason of any incapacity, lack of authority, or other defence of the Borrowers, any other Credit Party or any other Person, or by reason of any limitation, postponement, prohibition on the Agent's or any Creditor's right to receive payment of the Guaranteed Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of the Borrowers, any other Credit Party or any other Person with respect to all or any part of the Guaranteed Obligations, or by reason of any act or omission of the Agent or any Creditor or others which directly or indirectly results in the discharge or release of the Borrowers, any other Credit Party or any other Person

- 4 -

or all or any part of the Guaranteed Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise;

- (o) any defence arising by reason of any failure by the Agent or any Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or Lien upon any property of the Borrowers, any other Credit Party or any other Person, or by reason of any interest of the Agent or any Creditor in any property, whether as owner thereof or the holder of a security interest therein or Lien thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Agent of any right to recourse or collateral;
- (p) any defence arising by reason of the failure of the Agent or any Creditor to marshal any assets;
- (q) any defence based upon any failure of the Agent or any Creditor to give to the Borrowers, any other Credit Party, the Guarantor or any other Person notice of any sale or other disposition of any property securing any or all of the Guaranteed Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Agent or any Creditor to comply with any provision of Applicable Law in enforcing any Lien upon any such property, including any failure by the Agent or any Creditor to dispose of any such property in a commercially reasonable manner;
- (r) any dealing whatsoever with the Borrowers, any other Credit Party or other Person or any security, whether negligently or not, or any failure to do so;
- (s) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against the Borrowers, any other Credit Party or any other Person, including any discharge of, or bar against collecting, any of the Guaranteed Obligations, in or as a result of any such proceeding; or
- (t) any other act or omission to act or delay of any kind by the Borrowers, any other Credit Party, the Agent, a Creditor or any other Person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 3, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the irrevocable and unconditional payment in full of all of the Guaranteed Obligations).

The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Agent or any Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Borrowers or any other Credit Party for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

- 5 -

4. **Release of Guaranteed Obligations.** This Guarantee will remain in full force and effect until the Guaranteed Obligations are irrevocably and unconditionally performed and paid in full.
5. **Validity of Agreements.** The Guarantor will not contest or otherwise challenge the legality, validity or enforceability of any term, condition or other provision contained in the Loan Documents. The Guarantor represents to the Agent for and on behalf of the Creditors that it is familiar with and consents to the terms and conditions of the Loan Documents.
6. **Assumption of Authority.** The Agent, for and on behalf of the Creditors, is entitled to assume, notwithstanding any investigation by or on behalf of the Agent or any Creditor, the power and authority of the officers, directors, agents or other Persons acting or purporting to act on behalf of the Borrowers, the Guarantor or the other Credit Parties, and any Guaranteed Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.
7. **Recourse against Credit Parties and Others.** The Agent, for and on behalf of the Creditors, is not required to exhaust its recourse against the Borrowers, the other Credit Parties, any other guarantor or other Person or under any other security or other guarantee before being entitled to payment from the Guarantor under this Guarantee.
8. **Settlement of Accounts.** Any account settled or stated between the Agent, for and on behalf of the Creditors, and the Borrowers or the other Credit Parties will be accepted by the Guarantor as prima facie evidence, subject to manifest error, that the amount thereby appearing due by the Borrowers or the other Credit Parties to the Agent and the Creditors is so due.
9. **No Waiver.** No delay on the part of the Agent, for and on behalf of the Creditors, in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of the Agent's or any Creditor's rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Agent for and on behalf of the Creditors unless the same will be in writing, duly signed by the Agent, for and on behalf of the Creditors, and the Guarantor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Agent and the Creditors or the liabilities of the Guarantor to the Agent and the Creditors in any other respect at any other time.
10. **Guarantee of all Credit Obtained; Indemnity.** All moneys and credits in fact borrowed or obtained by the Borrowers or any other Credit Party from the Agent or any Creditor under the Loan Documents will be deemed to form part of the Guaranteed Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of the Borrowers or any other Credit Party or of the directors, officers, employees, partners or agents thereof, or that the Borrowers or any other Credit Party may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. If any amount in respect of the Guaranteed Obligations is not recoverable from the Guarantor hereunder on the basis of a guarantee, then,

- 6 -

notwithstanding any other provision hereof, the Guarantor will indemnify and save harmless the Agent and each Creditor and all of their respective directors, officers, shareholders and agents from and against any and all losses, damages, costs, expenses or liabilities suffered or incurred by the Agent or any Creditor or any of their respective directors, officers, shareholders and agents resulting or arising from or relating to any failure of the Borrowers or any other Credit Party to unconditionally and irrevocably pay in full or fully perform the Guaranteed Obligations as and when due provided that the amount of such indemnification shall not exceed the amount of such Guaranteed Obligations and any amounts due and owing hereunder.

11. **Stay of Acceleration.** If acceleration of the time for payment, or the liability of the Borrowers or any other Credit Party to make payment, of any amount specified to be payable by the Borrowers or any other Credit Party in respect of the Guaranteed Obligations is stayed, prohibited or otherwise affected upon the insolvency, bankruptcy, reorganization or winding-up of the Borrowers or any other Credit Party or any moratorium affecting the payment of the Guaranteed Obligations, all such amounts otherwise subject to acceleration or payment will nonetheless be deemed for all purposes of this Guarantee to be and to become due and payable by the Borrowers or any other Credit Party and will be payable by the Guarantor hereunder forthwith on demand by the Agent for and on behalf of the Creditors.
12. **Reinstatement.** If, at any time, all or any part of any payment previously applied by the Agent or any Creditor to any Guaranteed Obligation is or must be rescinded or returned by the Agent or any Creditor for any reason whatsoever (including the insolvency, bankruptcy, or reorganization of the Borrowers or any other Credit Party), such Guaranteed Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Agent or any such Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Guaranteed Obligation, all as though such application by the Agent or any such Creditor had not been made.
13. **Assignment and Postponement.** All present and future indebtedness and liability of the Borrowers and each other Credit Party to the Guarantor is hereby assigned by the Guarantor to the Agent for its own benefit and on behalf of the Creditors and subordinated to the Guaranteed Obligations and all moneys received by the Guarantor in respect thereof following the occurrence and during the continuance of an Event of Default will be received in trust for and, unless prior written authorization from the Agent to the contrary will have been obtained by the Guarantor, will be paid over to the Agent for its own benefit and on behalf of the Creditors upon demand by the Agent. If the Agent receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against the Borrowers or any other Credit Party until the Agent's and the Creditors' claims against the Borrowers or the applicable Credit Party have been irrevocably and unconditionally paid in full. In case of liquidation, winding up or bankruptcy of the Borrowers or any other Credit Party (whether voluntary or involuntary) or any composition with creditors or scheme of arrangement, the Agent for its own benefit and

- 7 -

on behalf of the Creditors will have the right to rank for its full claims and receive all or other payments in respect thereof in priority to the Guarantor until the Guaranteed Obligations have been irrevocably and unconditionally paid in full, and the Guarantor will continue to be liable hereunder for any balance which may be owing to the Agent for its own benefit and on behalf of the Creditors by the Borrowers or any other Credit Party. In the event of the valuation by the Agent of any of its security and/or the retention thereof by the Agent, such valuation and/or retention will not, as between the Agent and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction of the Guaranteed Obligations or any part thereof. The foregoing provisions of this Section 13 will not in any way limit or lessen the liability of the Guarantor under any other section of this Guarantee.

14. **No Subrogation.** Notwithstanding any payment made by the Guarantor under this Guarantee or any set-off or application of funds of the Guarantor by the Agent or any Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by Applicable Law, any right to enforce any remedy which the Agent now has or may hereafter have against the Borrowers or any other Credit Party, until all of the Guaranteed Obligations have been irrevocably and unconditionally paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Agent or any Creditor for the Guaranteed Obligations.

15. **Foreign Currency Guaranteed Obligations.** The Guarantor will make payment relative to each Guaranteed Obligation in the currency (the "**Original Currency**") in which the Borrowers or any other Credit Party is required to pay such Guaranteed Obligation. If the Guarantor makes payment relative to any Guaranteed Obligation to the Agent or any Creditor in a currency (the "**Other Currency**") other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Guaranteed Obligation only to the extent of the amount of the Original Currency which the Agent is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Agent is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Guaranteed Obligation, the Guarantor will indemnify and save the Agent and each Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Agent, for its own benefit and on behalf of the Creditors, and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

16. **Taxes.** All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any Applicable Law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the

- 8 -

Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Agent, for its own benefit and on behalf of the Creditors, receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

17. **Payment of Expenses; Indemnification.** The Guarantor will pay on demand during the occurrence and continuance of an Event of Default, and will indemnify and save the Agent and each Creditor harmless from, any and all liabilities, all reasonable costs and expenses (including reasonable out-of-pocket legal fees and expenses on a solicitor and his own client full indemnity basis and any sales, goods and services or other similar taxes payable to any Governmental Authority with respect to any such liabilities, costs and expenses) (a) incurred by the Agent for its own benefit and on behalf of the Creditors in the administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Agent in performing or observing any of the other covenants of the Guarantor under this Guarantee.
18. **Additional Security.** This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by or for the benefit of the Agent or the Creditors and any other rights or remedies that the Agent or the Creditors might have.
19. **Governing Law; Attornment.** This Guarantee will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein, without giving effect to the conflict of law principles thereof. Without prejudice to the ability of the Agent or any Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of the Province of Alberta, or any appellate court thereof, for the purposes of this Guarantee. To the extent legally permitted, the Guarantor waives any right it may have to, or to apply for, trial by jury in connection with any matter, action, proceeding, claim or counterclaim arising out of or relating to the Loan Documents or any of the transactions contemplated thereby.
20. **Successors and Assigns.** The provisions of this Guarantee will be binding upon and enure to the benefit of the Agent, the Creditors and their respective successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Agent or any Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Guaranteed Obligations or any interest therein in accordance with the Loan Documents and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Guaranteed Obligation or part thereof so transferred or assigned will remain a "Guaranteed Obligation" for the purposes of this Guarantee and any immediate and successive permitted assignee or transferee of any Guaranteed Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee.

- 9 -

21. **Time.** Time will be of the essence in this Guarantee.
22. **Severability.** If any portion of this Guarantee or the application thereof to any circumstance will be held invalid or unenforceable by a court of competent jurisdiction from which no further appeal has or is taken, to an extent that does not affect in a fundamental way the operation of this Guarantee, the remainder of the provision in question, or its application to any circumstance other than that to which it has been held invalid or unenforceable, and the remainder of this Guarantee will not be affected thereby and will be valid and enforceable to the fullest extent permitted by Applicable Laws.
23. **Notice.** All notices, requests and demands to or upon the Agent or the Guarantor under this Agreement shall be in writing and given as provided in Section 13.11 of the Credit Agreement to the address (a) of the Agent set forth in the Credit Agreement and (b) of the Guarantor at the following address for notice:

AGREEMENT:

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Agent for its own benefit and on behalf of the Creditors as follows:

1. **Defined Terms.** In this Guarantee, capitalized words and phrases which are not otherwise defined have the respective meanings given to such terms in the Credit Agreement. In addition, the term “**Loan Documents**” when used herein means the Credit Agreement, the Hedging Agreements, the Banking Services Agreements, the Security and any other Credit Documents, instruments or agreements entered into pursuant thereto or in connection therewith.

- 2 -

2. **Guarantee.** Subject to Section 3 below, the Guarantor hereby unconditionally and irrevocably guarantees the prompt payment and performance to the Agent for its own benefit and on behalf of the Creditors forthwith upon demand by the Agent during the occurrence and continuance of an Event of Default of all indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) which the Borrowers or any other Credit Party (other than the Guarantor) has from time to time incurred or is under or may hereafter incur or be under to the Agent or any Creditor under or in connection with or with respect to the Loan Documents (collectively, the "**Guaranteed Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Agent for its own benefit and on behalf of the Creditors at the address of the Agent set forth in Section 23 below or as otherwise directed in writing by the Agent. 3. **Limitation of Liability.** Notwithstanding anything to the contrary in this Guarantee, the Securities Pledge, the other Loan Documents or otherwise, in the event that the Guarantor shall default in its obligations under the Guarantee, the sole recourse of the Agent, for and on behalf of the Creditors, against the Guarantor shall be with respect to the Collateral (as defined in the Securities Pledge) charged pursuant to the Securities Pledge; and neither the Agent nor any of the Creditors shall, under any circumstances, have any right to payment from the Guarantor or against any property or assets or rights of the Guarantor other than such Collateral. Other than in respect of Section 17 below, the Guarantor shall not be liable to the Agent or the Creditors hereunder in respect of the Guaranteed Obligations or any other amount except to the extent such liability is required to permit realization against the Collateral to be commenced or completed and the Guarantor shall not be liable for any deficiency resulting from any such realization or otherwise.
4. **Continuing, Unconditional and Absolute Guarantee.** Subject to Section 3 above, the obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby consents to or waives, as applicable, to the fullest extent permitted by Applicable Laws):
 - (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Guaranteed Obligation, security, Person or otherwise, unless such settlement, discharge, compromise or release shall specifically release the Guarantor from its obligations, indebtedness or liabilities hereunder or any part thereof or is a payment of the Guaranteed Obligations;
 - (b) any waiver, modification, restatement or amendment of or supplement to any Loan Document or the Guaranteed Obligations, including any increase or

- 3 -

decrease in the principal, the rates of interest or other amounts payable thereunder;

- (m) any Applicable Law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation;
- (n) any defence arising by reason of any incapacity, lack of authority, or other defence of the Borrowers, any other Credit Party or any other Person, or by reason of any limitation, postponement, prohibition on the Agent's or any Creditor's right to receive payment of the Guaranteed Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of the Borrowers, any other Credit Party or any other Person with respect to all or any part of the Guaranteed Obligations, or by reason of any act or omission of the Agent or any Creditor or others which directly or indirectly results in the discharge or release of the Borrowers, any other Credit Party or any other Person or all or any part of the Guaranteed Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise;
- (o) any defence arising by reason of any failure by the Agent or any Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or Lien upon any property of the Borrowers, any other Credit Party or any other Person, or by reason of any interest of the Agent or any Creditor in any property, whether as owner thereof or the holder of a security interest therein or Lien thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Agent of any right to recourse or collateral;
- (p) any defence arising by reason of the failure of the Agent or any Creditor to marshal any assets;
- (q) any defence based upon any failure of the Agent or any Creditor to give to the Borrowers, any other Credit Party, the Guarantor or any other Person notice of any sale or other disposition of any property securing any or all of the Guaranteed Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Agent or any Creditor to comply with any provision of Applicable Law in enforcing any Lien upon any such property, including any failure by the Agent or any Creditor to dispose of any such property in a commercially reasonable manner;
- (r) any dealing whatsoever with the Borrowers, any other Credit Party or other Person or any security, whether negligently or not, or any failure to do so;
- (s) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against the Borrowers, any other Credit

- 5 -

Party or any other Person, including any discharge of, or bar against collecting, any of the Guaranteed Obligations, in or as a result of any such proceeding; or

- (t) any other act or omission to act or delay of any kind by the Borrowers, any other Credit Party, the Agent, a Creditor or any other Person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 4, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the irrevocable and unconditional payment in full of all of the Guaranteed Obligations).

The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Agent or any Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Borrowers or any other Credit Party for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

5. **Release of Guaranteed Obligations.** This Guarantee will remain in full force and effect until the Guaranteed Obligations are irrevocably and unconditionally performed and paid in full.
6. **Validity of Agreements.** The Guarantor will not contest or otherwise challenge the legality, validity or enforceability of any term, condition or other provision contained in the Loan Documents. The Guarantor represents to the Agent for and on behalf of the Creditors that it is familiar with and consents to the terms and conditions of the Loan Documents.
7. **Assumption of Authority.** The Agent, for and on behalf of the Creditors, is entitled to assume, notwithstanding any investigation by or on behalf of the Agent or any Creditor, the power and authority of the officers, directors, agents or other Persons acting or purporting to act on behalf of the Borrowers, the Guarantor or the other Credit Parties, and any Guaranteed Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.
8. **Recourse against Borrowers and Others.** The Agent, for and on behalf of the Creditors, is not required to exhaust its recourse against the Borrowers, the other Credit Parties, any other guarantor or other Person or under any other security or other guarantee before being entitled to payment from the Guarantor under this Guarantee.
9. **Settlement of Accounts.** Any account settled or stated between the Agent, for and on behalf of the Creditors, and the Borrowers or the other Credit Parties will be accepted by the Guarantor as prima facie evidence, subject to manifest error, that the amount thereby appearing due by the Borrowers or the other Credit Parties to the Agent and the Creditors is so due.
10. **No Waiver.** No delay on the part of the Agent, for and on behalf of the Creditors, in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of the Agent's or any Creditor's rights

- 6 -

hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Agent for and on behalf of the Creditors unless the same will be in writing, duly signed by the Agent, for and on behalf of the Creditors, and the Guarantor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Agent and the Creditors or the liabilities of the Guarantor to the Agent and the Creditors in any other respect at any other time.

11. **Guarantee of all Credit Obtained; Indemnity.** All moneys and credits in fact borrowed or obtained by the Borrowers or any other Credit Party from the Agent or any Creditor under the Loan Documents will be deemed to form part of the Guaranteed Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of the Borrowers or any other Credit Party or of the directors, officers, employees, partners or agents thereof, or that the Borrowers or any other Credit Party may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. If any amount in respect of the Guaranteed Obligations is not recoverable from the Guarantor hereunder on the basis of a guarantee, then, notwithstanding any other provision hereof, the Guarantor will, subject to Section 3 above, indemnify and save harmless the Agent and each Creditor and all of their respective directors, officers, shareholders and agents from and against any and all losses, damages, costs, expenses or liabilities suffered or incurred by the Agent or any Creditor or any of their respective directors, officers, shareholders and agents resulting or arising from or relating to any failure of the Borrowers or any other Credit Party to unconditionally and irrevocably pay in full or fully perform the Guaranteed Obligations as and when due provided that the amount of such indemnification shall not exceed the amount of such Guaranteed Obligations and any amounts due and owing hereunder.
12. **Stay of Acceleration.** If acceleration of the time for payment, or the liability of the Borrowers or any other Credit Party to make payment, of any amount specified to be payable by the Borrowers or any other Credit Party in respect of the Guaranteed Obligations is stayed, prohibited or otherwise affected upon the insolvency, bankruptcy, reorganization or winding-up of the Borrowers or any other Credit Party or any moratorium affecting the payment of the Guaranteed Obligations, all such amounts otherwise subject to acceleration or payment will nonetheless be deemed for all purposes of this Guarantee to be and to become due and payable by the Borrowers or any other Credit Party and will be payable by the Guarantor hereunder forthwith on demand by the Agent for and on behalf of the Creditors.
13. **Reinstatement.** If, at any time, all or any part of any payment previously applied by the Agent or any Creditor to any Guaranteed Obligation is or must be rescinded or returned by the Agent or any Creditor for any reason whatsoever (including the insolvency, bankruptcy, or reorganization of the Borrowers or any other Credit Party), such Guaranteed Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Agent or any such Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Guaranteed Obligation, all as though such application by the Agent or any such Creditor had not been made.

- 7 -

14. **No Subrogation.** Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Agent or any Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by Applicable Law, any right to enforce any remedy which the Agent now has or may hereafter have against the Borrowers or any other Credit Party, until all of the Guaranteed Obligations have been irrevocably and unconditionally paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Agent or any Creditor for the Guaranteed Obligations.

15. **Foreign Currency Guaranteed Obligations.** The Guarantor will make payment relative to each Guaranteed Obligation in the currency (the "**Original Currency**") in which the Borrowers or any other Credit Party is required to pay such Guaranteed Obligation. If the Guarantor makes payment relative to any Guaranteed Obligation to the Agent or any Creditor in a currency (the "**Other Currency**") other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Guaranteed Obligation only to the extent of the amount of the Original Currency which the Agent is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Agent is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Guaranteed Obligation, the Guarantor will indemnify and save the Agent and each Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Agent, for its own benefit and on behalf of the Creditors, and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

16. **Taxes.** All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any Applicable Law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Agent, for its own benefit and on behalf of the Creditors, receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

17. **Payment of Expenses; Indemnification.** The Guarantor will pay on demand during the occurrence and continuance of an Event of Default, and will indemnify and save the Agent and each Creditor harmless from, any and all liabilities, all reasonable costs and expenses (including reasonable out-of-pocket legal fees and expenses on a solicitor and his own client full indemnity basis and any sales, goods and services or other similar taxes payable to any Governmental Authority with respect to any such liabilities, costs and expenses) (a) incurred by the Agent for its own benefit and on behalf of the Creditors

- 8 -

in the administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Agent in performing or observing any of the other covenants of the Guarantor under this Guarantee.

18. **Additional Security.** This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by or for the benefit of the Agent or the Creditors and any other rights or remedies that the Agent or the Creditors might have.
19. **Governing Law; Attornment.** This Guarantee will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein, without giving effect to the conflict of law principles thereof. Without prejudice to the ability of the Agent or any Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of the Province of Alberta, or any appellate court thereof, for the purposes of this Guarantee. To the extent legally permitted, the Guarantor waives any right it may have to, or to apply for, trial by jury in connection with any matter, action, proceeding, claim or counterclaim arising out of or relating to the Loan Documents or any of the transactions contemplated thereby.
20. **Successors and Assigns.** The provisions of this Guarantee will be binding upon and enure to the benefit of the Agent, the Creditors and their respective successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Agent or any Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Guaranteed Obligations or any interest therein in accordance with the Loan Documents and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Guaranteed Obligation or part thereof so transferred or assigned will remain a "Guaranteed Obligation" for the purposes of this Guarantee and any immediate and successive permitted assignee or transferee of any Guaranteed Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee.
21. **Time.** Time will be of the essence in this Guarantee.
22. **Severability.** If any portion of this Guarantee or the application thereof to any circumstance will be held invalid or unenforceable by a court of competent jurisdiction from which no further appeal has or is taken, to an extent that does not affect in a fundamental way the operation of this Guarantee, the remainder of the provision in question, or its application to any circumstance other than that to which it has been held invalid or unenforceable, and the remainder of this Guarantee will not be affected thereby and will be valid and enforceable to the fullest extent permitted by Applicable Laws.
23. **Notice.** All notices, requests and demands to or upon the Agent or the Guarantor under this Agreement shall be in writing and given as provided in Section 13.11 of the Credit

- (e) this Guarantee and the other Loan Documents to which it is a party constitute legal, valid and binding obligations of the Guarantor, enforceable against it in accordance with the terms and provisions thereof, subject to Laws of general application affecting creditors' rights and the discretion of the court in awarding equitable remedies; and
- (f) there are no provisions contained in the charter documents, or by laws of the Guarantor, shareholders' agreement, voting trust agreement or similar agreement relating thereto, which restrict or limit the Guarantor's powers to guarantee the payment or performance of the obligations of others or encumber all or any of its present and after acquired property; or which would be contravened by the execution and delivery of this Guarantee and the other Loan Documents to which the Guarantor is a party or the performance of its obligations thereunder and which contravention would reasonably be expected to result in a Material Adverse Effect.

- (2) Subject to Section 2.4 and Section 2.5, the Obligor hereby charges as and by way of a floating charge in favour of the Agent for the benefit of the Secured Creditors all the presently owned or held and hereafter acquired property, assets, effects and undertaking of the Obligor of whatsoever nature and kind and wheresoever situate, other than such of the Obligor's property, assets, effects and undertakings of the Obligor as are validly and effectively subjected to the security interest granted to the Agent pursuant to Section 2.1(1) (all of which property, assets, effects and undertakings so charged by this Section 2.1(2) are herein collectively called the "**Other Collateral**", and together with the Personal Property Collateral the "**Collateral**") including, without limiting the generality of the foregoing, all presently owned or held and hereafter acquired right, title and interest of the Obligor in and to real and immovable and leasehold property and rights whether in fee or of a less estate and all interest in and rights relating to lands and all easements, rights of way, privilege, benefits, licences, improvements and rights whether connected therewith or appurtenant thereto or separately owned or held and all structures, buildings, plant, machinery, fixtures, apparatus and fixed assets and the charge created by this Section 2.1(2) shall be a floating charge such that the Obligor shall not have power without the prior written consent of the Agent to:

- (b) grant, sell, exchange, transfer, assign, lease or otherwise dispose of the Other Collateral, save for Permitted Dispositions.

Section 2.2 Secured Obligations.

The security interests, assignments, mortgages, charges, hypothecations and pledges granted by the Obligor under this Agreement (collectively, the “**Security Interest**”) secure the payment and performance of the following (collectively, the “**Secured Obligations**”):

- (a) the Obligations of the Obligor; and
- (b) all expenses, costs and charges incurred by or on behalf of the Secured Creditors in connection with this Agreement, the Security Interest or the Collateral, including all reasonable legal fees, court costs, receiver's or agent's remuneration and other expenses of taking possession of, repairing, protecting, insuring, preparing for disposition, realizing, collecting, selling, transferring, delivering or obtaining payment for the Collateral, and of taking, defending or participating in any action or proceeding in connection with any of the foregoing matters or otherwise in connection with the Secured Creditors' interest in any Collateral, whether or not directly relating to the enforcement of this Agreement or any other Credit Document.

Section 2.3 Attachment.

The Obligor acknowledges that (i) value has been given, (ii) it has rights in the applicable Collateral or the power to transfer rights in the Collateral to the Agent (other than after-acquired Collateral), (iii) it has not agreed to postpone the time of attachment of the Security Interest, and (iv) it has received a copy of this Agreement.

Section 2.4 Scope of Security Interest.

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any agreement, licence, lease, permit, instrument or quota of the Obligor would constitute a default under, or a breach of, or would result in the termination of, such agreement, licence, lease, permit, instrument or quota (each, a “**Restricted Asset**”), the Security Interest with respect to each Restricted Asset will constitute a trust created in favour of the Agent, for the benefit of the Secured Creditors, pursuant to which the Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Agent, for the benefit of the Secured Creditors, on the following basis:
 - (a) subject to the Credit Agreement, until the Security Interest is enforceable, the Obligor is entitled to receive all such proceeds; and

- 6 -

- (b) whenever the Security Interest is enforceable, (i) all rights of the Obligor to receive such proceeds cease and all such proceeds will be immediately paid over to the Agent for the benefit of the Secured Creditors, and (ii) the Obligor will take all actions requested by the Agent to collect and enforce payment and other rights arising under the Restricted Asset.
- (2) The Security Interest with respect to trademarks constitutes a security interest in, and a charge, hypothecation and pledge of such Collateral in favour of the Agent for the benefit of the Secured Creditors, but does not constitute an assignment or mortgage of such Collateral to the Agent or any Secured Creditor.
- (3) Until the Security Interest is enforceable, the grant of the Security Interest in the Intellectual Property does not affect in any way the Obligor's rights to commercially exploit the Intellectual Property, defend it, enforce the Obligor's rights in it or with respect to it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (4) The Security Interest does not extend to consumer goods.
- (5) The Security Interest does not extend or apply to the last day of the term of any lease or sublease of real property or any agreement for a lease or sublease of real property, now held or hereafter acquired by the Obligor, but the Obligor will stand possessed of any such last day upon trust to assign and dispose of it as the Agent may reasonably direct.

Section 2.5 No Control Agreements.

Notwithstanding anything to the contrary herein, in no event shall the Obligor or any Subsidiary thereof be required to execute control agreements to perfect the security interests granted hereunder, including in (i) any deposit, commodity or securities account (including, without limitation, securities entitlements and related assets) or (ii) other assets requiring perfection through control.

Section 2.6 Grant of Licence to Use Intellectual Property.

For the purpose of enabling the Agent, during an Event of Default which is continuing, to exercise rights and remedies hereunder, and for no other purposes, the Obligor hereby grants to the Agent an irrevocable, non-exclusive license, (exercisable without payments of royalty or other compensation to the Obligor) to use, assign, license or sub-license any of the Collateral of the Obligor consisting of Intellectual Property in which the Obligor now has or hereafter acquires rights, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The Agent covenants and agrees that it will not exercise its rights under the foregoing license except during the time that it shall be lawfully entitled to exercise its rights and remedies hereunder.

- 7 -

Section 2.7 Care and Custody of Collateral.

- (1) The Agent shall keep the Collateral in its possession identifiable in accordance with its customary practice for the Collateral of such type.
- (2) Without limiting any other rights or remedies under this Agreement, the Agent may upon the occurrence and during the continuance of an Event of Default, (i) notify any Person obligated on an Instrument, Security or account to make payments to the Agent, whether or not the Obligor was previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Collateral.
- (3) The Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Collateral. The Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value. In the physical keeping of any Securities, the Agent is only obliged to exercise the same degree of care as it would exercise with respect to its own Securities kept at the same place.
- (4) The Agent may, upon the occurrence and during the continuance of any Event of Default, sell, transfer, use or otherwise deal with any investment property included in the Collateral over which the Agent has control, on such conditions and in such manner as the Agent in its sole discretion may determine.

Section 2.8 Rights of the Obligor.

- (1) Until the occurrence of an Event of Default which is continuing, the Obligor is entitled to vote the Securities and other financial assets that are part of the Collateral and to receive dividends and distributions on such Securities and financial assets, as may be permitted by the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, all rights of the Obligor to vote (under any proxy given by the Agent (or its nominee) or otherwise) or to receive distributions or dividends cease and all such rights become vested solely and absolutely in the Agent.
- (2) Any distributions or dividends received by the Obligor contrary to Section 2.8(1) or any other moneys or property received by the Obligor after the Security Interest is enforceable will be received as trustee for the Agent and the Secured Creditors and shall be immediately paid over to the Agent.

ARTICLE 3 ENFORCEMENT

Section 3.1 Enforcement.

The Security Interest becomes and is enforceable against the Obligor upon the occurrence and during the continuance of an Event of Default.

- 8 -

Section 3.2 Remedies.

Whenever the Security Interest is enforceable, the Agent may realize upon the Collateral and enforce the rights of the Agent and the Secured Creditors by:

- (a) entry onto any premises where Collateral consisting of tangible personal property may be located;
- (b) entry into possession of the Collateral by any method permitted by law;
- (c) sale, grant of options to purchase, or lease of all or any part of the Collateral;
- (d) holding, storing and keeping idle or operating all or any part of the Collateral;
- (e) exercising and enforcing all rights and remedies of a holder of the Collateral as if the Agent were the absolute owner thereof (including, if necessary, causing the Collateral to be registered in the name of the Agent or its nominee if not already done);
- (f) collection of any proceeds arising in respect of the Collateral;
- (g) collection, realization or sale of, or other dealing with, accounts;
- (h) license or sublicense, whether on an exclusive or nonexclusive basis, of any Intellectual Property for such term and on such conditions and in such manner as the Agent in its sole judgment determines (taking into account such provisions as may be necessary to protect and preserve such Intellectual Property);
- (i) instruction to any bank to transfer all moneys constituting Collateral held by such bank to an account maintained with or by the Agent;
- (j) application of any moneys constituting Collateral or proceeds thereof in accordance with this Agreement;
- (k) appointment by instrument in writing of a receiver (which term as used in this Agreement includes a receiver and manager) or agent of all or any part of the Collateral and removal or replacement from time to time of any receiver or agent;
- (l) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver of all or any part of the Collateral;
- (m) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Collateral;
- (n) filing of proofs of claim and other documents to establish claims to the Collateral in any proceeding relating to the Obligor; and
- (o) any other remedy or proceeding authorized or permitted under the PPSA or otherwise by law or equity.

Section 3.3 Additional Rights.

In addition to the remedies set forth in Section 3.2 and elsewhere in this Agreement, whenever the Security Interest is enforceable, the Agent may:

- (a) require the Obligor, at the Obligor's expense, to assemble the Collateral at a place or places designated by notice in writing and the Obligor agrees to so assemble the Collateral promptly upon receipt of such notice;
- (b) require the Obligor, by notice in writing, to disclose to the Agent the location or locations of the Collateral and the Obligor agrees to promptly make such disclosure when so required;
- (c) repair, process, modify, complete or otherwise deal with the Collateral and prepare for the disposition of the Collateral, whether on the premises of the Obligor or otherwise;
- (d) redeem any prior security interest against any Collateral, procure the transfer of such security interest to itself, or settle and pass the accounts of the prior mortgagee, chargee or encumbrancer (any accounts to be conclusive and binding on the Obligor absent manifest error and provided the Agent has exercised reasonable diligence in verifying such accounts);
- (e) pay any liability secured by any Lien against any Collateral (all such payments to be added to the Obligations);
- (f) carry on all or any part of the business of the Obligor and, to the exclusion of all others including the Obligor, enter upon, occupy and use all or any of the premises, buildings, and other property of or used by the Obligor for such time as the Agent sees fit, free of charge, and the Agent and the Secured Creditors are not liable to the Obligor for any act, omission or negligence (other than their own gross negligence or willful misconduct) in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
- (g) borrow for the purpose of carrying on any of the businesses of the Obligor or for the maintenance, preservation or protection of the Collateral and grant a security interest in the Collateral, whether or not in priority to the Security Interest, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral, and give good and valid receipts and discharges in respect of the Collateral and compromise or give time for the payment or performance of all or any part of the accounts or any other obligation of any third party to the Obligor; and

- 10 -

- (i) at any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Obligor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Agent, the Agent may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Secured Obligations then due and payable to it as a credit against the purchase price.

Section 3.4 Exercise of Remedies.

The remedies hereunder including under Section 3.2 and Section 3.3 may, subject to the Applicable Laws to the extent required thereby, be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Agent and the Secured Creditors however arising or created. The Agent and the Secured Creditors are not bound to exercise any right or remedy, and the exercise of rights and remedies is without prejudice to the rights of the Agent and the Secured Creditors in respect of the Secured Obligations including the right to claim for any deficiency.

Section 3.5 Receiver's Powers.

- (1) Any receiver appointed by the Agent is vested with the rights and remedies which could have been exercised by the Agent in respect of the Obligor or the Collateral and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, its replacement and its remuneration are within the sole and unfettered discretion of the Agent, provided such remuneration is on commercially reasonable terms.
- (2) Any receiver appointed by the Agent will act as agent for the Agent for the purposes of taking possession of the Collateral, but otherwise and for all other purposes (except as provided below), as agent for the Obligor. The receiver may sell, lease, or otherwise dispose of Collateral as agent for the Obligor or as agent for the Agent as the Agent may determine in its discretion. The Obligor agrees to ratify and confirm all actions of the receiver acting as agent for the Obligor, and to release and indemnify the receiver in respect of all such actions.
- (3) The Agent, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligor or otherwise and is not responsible for any misconduct or negligence of such receiver.

Section 3.6 Appointment of Attorney.

- (1) The Obligor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Obligor and in the name of the Obligor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this

- 11 -

Agreement, and, without limiting the generality of the foregoing, the Obligor hereby gives the Agent the power and right, on behalf of the Obligor, without notice to or assent by the Obligor, to do any or all of the following:

- (a) in the name of the Obligor or its own name, or otherwise, take possession of and endorse and collect any cheques, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Agent for the purpose of collecting any and all such moneys due whenever payable;
- (b) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's and the Secured Creditors' Security Interest in such Intellectual Property and the goodwill and general intangibles of the Obligor relating thereto or represented thereby;
- (c) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;
- (d) execute, in connection with any sale provided for in this Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and
- (e) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Agent or as the Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against the Obligor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Agent may deem appropriate; (7) assign any Intellectual Property (along with the goodwill of the business to which any such Intellectual Property pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and do, at the Agent's option and the Obligor's expense, at any time, or from time to time, all acts and things which the Agent deems necessary to protect, preserve

- 12 -

or realize upon the Collateral and the Agent's and the Secured Creditors' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as the Obligor might do.

Notwithstanding anything to the contrary in this Section 3.6, the Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 3.6 unless an Event of Default shall have occurred and be continuing and the Agent shall have given the Obligor notice of its intent to exercise the rights under the power of attorney provided for in this Section 3.6.

- (2) If the Obligor fails to perform or comply with any of its agreements contained herein, the Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.
- (3) The expenses of the Agent incurred in connection with actions undertaken as provided in this Section 3.6, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due Canadian Dollar Prime-Based Loans under the Credit Agreement, from the date of payment by the Agent to the date reimbursed by the Obligor, shall constitute Obligations and shall be payable by the Obligor to the Agent on demand.
- (4) The Obligor hereby ratifies all that said attorneys shall lawfully do or cause to be done in accordance with the terms hereof. And in accordance with this Section 3.6 all powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

Section 3.7 Dealing with the Collateral.

- (1) The Agent and the Secured Creditors are not obliged to exhaust their recourse against the Obligor or any other Person or against any other security they may hold in respect of the Secured Obligations before realizing upon or otherwise dealing with the Collateral in such manner as the Agent may consider desirable.
- (2) The Agent and the Secured Creditors may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Obligor and with other Persons, sureties or securities as they may see fit without prejudice to the Secured Obligations, the liability of the Obligor or the rights of the Agent and the Secured Creditors in respect of the Collateral.
- (3) Except as otherwise provided by law or this Agreement, the Agent and the Secured Creditors are not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Collateral, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Collateral or for the purpose of preserving any rights of any Persons in respect of the Collateral, (iii) responsible for any loss occasioned by any sale or other dealing with the Collateral in accordance with the terms hereof or by the retention of or failure to sell or otherwise deal with the Collateral, or (iv) bound to protect the Collateral from depreciating in value or becoming

- 13 -

worthless. Notwithstanding the foregoing, the Agent and the Secured Creditors shall be responsible to the Obligor for gross negligence or willful misconduct.

Section 3.8 Standards of Sale.

Without prejudice to the ability of the Agent to dispose of the Collateral in any manner which is commercially reasonable, and subject always to the provisions of the PPSA, the Obligor acknowledges that:

- (a) the Collateral may be disposed of in whole or in part;
- (b) the Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of such Collateral may be the Agent, a Secured Creditor or a customer of any such Person;
- (d) any sale conducted by the Agent will be at such time and place, on such notice and in accordance with such procedures as the Agent, in its sole discretion, may deem advantageous;
- (e) the Collateral may be disposed of in any manner and on any terms necessary to avoid violation of Applicable Law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;
- (f) a disposition of the Collateral may be on such terms and conditions as to credit or otherwise as the Agent, in its sole discretion, may deem advantageous; and
- (g) the Agent may establish an upset or reserve bid or price in respect of the Collateral.

Section 3.9 Dealings by Third Parties.

- (1) No Person dealing with the Agent, any of the Secured Creditors or an agent or receiver is required to determine (i) whether the Security Interest has become enforceable, (ii) whether the powers which such Person is purporting to exercise have become exercisable, (iii) whether any money remains due to the Agent or the Secured Creditors by the Obligor, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease of Collateral is made, (v) the propriety or regularity of any sale or other dealing by the Agent or any Secured Creditor with the Collateral, or (vi) how any money paid to the Agent or the Secured Creditors have been applied.

- 14 -

- (2) Any bona fide purchaser of all or any part of the Collateral from the Agent or any receiver or agent will hold the Collateral absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Obligor, which each the Obligor specifically waives (to the fullest extent permitted by law) as against any such purchaser together with all rights of redemption, stay or appraisal which the Obligor has or may have under any rule of law or statute now existing or hereafter adopted.

Section 3.10 Proceeds to be Turned Over to Agent

If an Event of Default shall occur and be continuing, all proceeds received by the Obligor consisting of cash, cheques and other near-cash items shall be held by the Obligor in trust for the Agent and the Secured Creditors and shall, forthwith upon receipt by the Obligor, be turned over to the Agent in the exact form received by the Obligor (duly endorsed by the Obligor to the Agent, if required). All proceeds received by the Agent hereunder shall be held by the Agent in a collateral account maintained under its sole dominion and control. All proceeds while held by the Agent in a collateral account (or by the Obligor in trust for the Agent and the Secured Creditors) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied thereto as provided in Section 3.11.

Section 3.11 Application of Proceeds

At such intervals as may be agreed upon by the Obligor and the Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Agent's election, the Agent may apply all or any part of proceeds constituting Collateral and any proceeds of and distribution in respect of Collateral in payment of the Obligations as provided in the Credit Agreement.

ARTICLE 4 REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.1 General Representations, Warranties and Covenants.

The Obligor represents and warrants and covenants and agrees, acknowledging and confirming that the Agent and each Secured Creditor is relying on such representations, warranties, covenants and agreements, that:

- (a) **Obligor's Legal Status.** On the date hereof, the Obligor's legal name, jurisdiction of organization or formation (as applicable), the location of the Obligor's chief executive office, the location of the Obligor's business and assets, as the case may be, are specified on Schedule A, as such Schedule may be amended, supplemented or modified from time to time. The Obligor has delivered to the Agent a certified charter, certificate of incorporation, partnership agreement or other organization document and good standing certificate (or equivalent thereto) as of a date which is recent to the date hereof.
- (b) **Title to Collateral.** Except for the Security Interest granted to the Agent for the benefit of the Secured Creditors pursuant to this Agreement and the other Permitted Liens, the Obligor owns each item of the Collateral free and clear of any and all Liens or claims of others excepting Permitted Liens. For the

- 15 -

avoidance of doubt, it is understood and agreed that the Obligor may, as part of its business, grant licenses to third parties to use Intellectual Property owned or developed by the Obligor to the extent permitted by the Credit Agreement. Each of the Agent and each Secured Creditor understands that any such licenses may be exclusive to the applicable licensees, and such exclusivity provisions may, to the extent such licenses are Permitted Liens, limit the ability of the Agent to utilize, license free of such license rights.

- (c) **Validity of Security Interest.** The Security Interest (a) will constitute valid perfected Security Interests in respect of all Collateral in which the Security Interest may be perfected by filing, recording or registration in the province of Alberta, in each case in favor of the Agent, for the benefit of the Secured Creditors, as collateral security for the Obligor's Obligations, enforceable in accordance with the terms hereof against all creditors of the Obligor and any Persons purporting to purchase any Collateral from the Obligor and (b) are prior to all other Liens on the Collateral in existence on the date hereof except for (x) unrecorded Permitted Liens which have priority over the Liens on the Collateral by operation of law and (y) Liens expressly permitted by the Credit Agreement to be prior to the Security Interest granted pursuant to the terms hereof.

ARTICLE 5 COVENANTS

The Obligor covenants and agrees with the Agent, that, from and after the date of this Agreement until the Obligations shall have been paid in full:

Section 5.1 Changes in Name, etc.

The Obligor will not, except upon 30 days' prior written notice to the Agent and delivery to the Agent of all additional financing statements and executed documents reasonably requested by the Agent to maintain the validity, perfection and priority of the Security Interests provided for herein, (i) change the location of its chief executive office or sole place of business or (ii) change its name.

Section 5.2 Title to Collateral

The Obligor shall maintain the Security Interest created by this Agreement as a perfected Security Interest and shall defend such Security Interest against the claims and demands of all Persons whomsoever, subject to the rights of the Obligor under the Credit Agreement to dispose of the Collateral.

Section 5.3 Other Action as to Collateral

- (a) The Obligor will furnish to the Agent from time to time statements and schedules further identifying and describing the assets and property of the Obligor and such other reports in connection therewith as the Agent may reasonably request, all in reasonable detail,

- 16 -

- (b) without limiting the foregoing, within 15 days of a request therefor by the Agent and only during the continuance of a Default or Event of Default, the Obligor will furnish to the Agent (i) a listing of each of the "serial number goods" which form part of the Collateral (as defined in the PPSA) together with the location of such serial number goods and (ii) the legal descriptions of any Lands which form part of the Collateral.
- (c) At any time and from time to time, upon the written request of the Agent, and at the sole expense of the Obligor, the Obligor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, filing any financing or continuation statements under the PPSA (or other similar laws) in effect in any jurisdiction with respect to the Security Interests created hereby.

Section 5.4 Intellectual Property

- (a) Except with respect to any patent, trademark or copyright permitted to be abandoned under the Credit Agreement, the Obligor shall notify the Agent immediately if it knows or has reason to know that any application or registration relating to any material patent, trademark or copyright of the Obligor may become abandoned, or dedicated to the public domain, or of any adverse determination or development regarding the Obligor's ownership of any patent, trademark or copyright, its right to register the same, or to keep and maintain the same, except in each case, to the extent it would not reasonably be expected to result in a Material Adverse Effect.
- (b) Whenever the Obligor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of or acquire any interests in any material patent, trademark or copyright with CIPO or any similar office or agency of any jurisdiction, the Obligor shall report such filing to the Agent within ten (10) Business Days after the last day of the fiscal quarter in which such filing occurs, and, upon request of the Agent, the Obligor shall execute and deliver any and all agreements relating to patent, trademark or copyright as the Agent may request to evidence the Agent's Security Interest in such patent, trademark or copyright, and the general intangibles of the Obligor relating thereto or represented thereby. For the avoidance of doubt, the provisions hereof shall automatically apply to any such patent, trademark or copyright acquired after the date hereof and such patent, trademark or copyright shall automatically constitute Collateral as if such would have constituted Collateral at the time of execution hereof and be subject to the Lien and security interest created by this Agreement without further action by any party.
- (c) Except with respect to any copyright permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant

registration and to maintain the registration of each material copyright, including the filing of applications for renewal.

- (d) Except with respect to any patent or trademark permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each material patent or trademark, including the filing of applications for renewal, affidavits of use and affidavits of non-contestability and the payment of maintenance fees.
- (e) In the event that any material patents, trademarks or copyrights is infringed upon, or misappropriated, diluted or otherwise violated by a third party, the Obligor shall (i) notify the Agent promptly after the Obligor learns thereof and (ii) take such actions as the Obligor shall reasonably deem appropriate under the circumstances to protect such patent, trademark or copyright, stop the infringement and obtain damages.
- (f) Except with respect to any copyright, trademark or patent not required to be maintained or permitted to be abandoned under the Credit Agreement, the Obligor (either itself or through its permitted licensees) will not take or knowingly omit to take any action whereby any material copyright, trademark or patent could reasonably be expected to become abandoned, dedicated or invalidated or whereby the remedies in respect of such copyright, trademark or patent with respect to potential infringers could reasonably be expected to become weakened.
- (g) The Obligor (either itself or through licensee) will not knowingly do any act that uses any Intellectual Property to infringe the intellectual property rights of any other Person which would reasonably be likely to have a Material Adverse Effect.

Section 5.5 Insurance.

All property damage insurance maintained on any portion of the Collateral of the Obligor shall name the Agent as lender's loss payee, and all liability insurance maintained in respect of any portion of the Collateral of the Obligor shall name the Agent as an additional insured. The Obligor shall furnish the Agent with certificates of insurance evidencing compliance with the foregoing insurance provision.

The Agent or the Obligor may change its respective address for service or other notices, including electronic communications, by notice given in the foregoing manner.

Section 6.2 Discharge.

The Security Interest will be discharged upon, but only upon, full and indefeasible payment and performance of the Secured Obligations. Upon the discharge of the Secured Obligations and at the request and expense of the Obligor, the Agent will execute and deliver to the Obligor such releases, discharges, financing statements and other documents or instruments as the Obligor may reasonably require and the Agent will promptly redeliver to the Obligor, or as the Obligor may otherwise direct the Agent, any Collateral in its possession.

If any of the Collateral shall be sold, transferred or otherwise disposed of by the Obligor in a transaction permitted by the Credit Agreement then the Agent, at the request and sole expense of the Obligor, shall promptly execute and deliver to the Obligor all releases or other documents necessary or reasonably desirable for the release of the Liens created by such Collateral.

Section 6.3 No Merger.

This Agreement does not operate by way of merger of any of the Secured Obligations and no judgment recovered by the Agent or any of the Secured Creditors will operate by way of merger of, or in any way affect, the Security Interest, which is in addition to, and not in substitution for, any other security now or hereafter held by the Agent and the Secured Creditors in respect of the Secured Obligations. The representations, warranties and covenants of the

- 19 -

Obligor in this Agreement survive the execution and delivery of this Agreement and any advances under the Credit Agreement. Notwithstanding any investigation made by or on behalf of the Agent or the Secured Creditors these covenants, representations and warranties continue in full force and effect until this Agreement shall terminate (or thereafter to the extent provided therein).

Section 6.4 Further Assurances.

The Obligor will do all acts and things and execute and deliver, or cause to be executed and delivered, all agreements, documents and instruments that the Agent may reasonably require and take all further steps relating to the Collateral or any other property or assets of the Obligor that the Agent may reasonably require for (i) protecting the Collateral, (ii) perfecting, preserving and protecting the Security Interest, and (iii) exercising all powers, authorities and discretions conferred upon the Collateral Agent. Whenever the Security Interest is enforceable, the Obligor will do all acts and things and execute and deliver all documents and instruments that the Collateral Agent may reasonably require for facilitating the sale or other disposition of the Collateral in connection with its realization.

Section 6.5 Supplemental Security.

This Agreement is in addition to, without prejudice to and supplemental to all other security now held or which may hereafter be held by the Agent or the Secured Creditors.

Section 6.6 Successors and Assigns.

This Agreement is binding on the Obligor and its successors and permitted assigns, and enures to the benefit of the Agent, the Secured Creditors and their respective successors and permitted assigns. This Agreement may be assigned by the Agent in accordance with the Credit Agreement and, in such event, any such assignee will be entitled to all of the rights and remedies of the Agent as set forth in this Agreement or otherwise. In any action brought by an assignee to enforce any such right or remedy, the Obligor will not assert against the assignee any claim or defence which the Obligor now has or may have against the Agent or any of the Secured Creditors. The Obligor may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Agent which may be unreasonably withheld.

Section 6.7 Enforcement Expenses; Indemnification

- (1) The Obligor agrees to pay or reimburse each Secured Creditor and the Agent for all its costs and expenses incurred in enforcing or preserving any rights under this Agreement and the other Credit Documents to which the Obligor is a party, including, without limitation, the reasonable fees and disbursements of a single outside counsel to the Agent in each relevant jurisdiction.
- (2) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions

- 20 -

contemplated by this Agreement, in each case to the extent the Obligor would be required to do so pursuant to the Credit Agreement.

- (3) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Obligor would be required to do so pursuant the Credit Agreement.
- (4) The agreements in this Section 6.7 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.

Section 6.8 Set-Off

In addition to any rights and remedies of the Secured Creditors provided by law, each Secured Creditor shall have the right, without notice to the Obligor, any such notice being expressly waived by the Obligor to the extent permitted by Applicable Law, upon the Obligations becoming due and payable by the Obligor (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Creditor, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Obligor. Each Secured Creditor agrees promptly to notify the Obligor and the Agent after any such application made by such Secured Creditor; provided that the failure to give such notice shall not affect the validity of such application.

Section 6.9 Severability.

If any court of competent jurisdiction from which no appeal exists or is taken, determines any provision of this Agreement to be illegal, invalid or unenforceable, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

Section 6.10 Amendment.

This Agreement may only be amended, supplemented or otherwise modified by written agreement executed by the Agent and the Obligor.

Section 6.11 Waivers, etc.

- (1) No consent or waiver by the Agent or the Secured Creditors in respect of this Agreement is binding unless made in writing and signed by an authorized officer of the Agent. Any consent or waiver given under this Agreement is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Agreement constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Agent or the Secured Creditors in exercising a right under this Agreement does not operate as a waiver of, or impair, any right of the Agent or

- 21 -

the Secured Creditors however arising. A single or partial exercise of a right on the part of the Agent or the Secured Creditors does not preclude any other or further exercise of that right or the exercise of any other right by the Agent or the Secured Creditors.

Section 6.12 Conflict.

In the event of a direct conflict or inconsistency between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intentions of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict or inconsistency that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern. In addition, to the extent that, under the Credit Agreement, the Obligor is permitted to undertake any act or granted any entitlement, the provisions of this Agreement shall be deemed to preserve such permission or entitlement notwithstanding anything to the contrary herein.

Section 6.13 Governing Law.

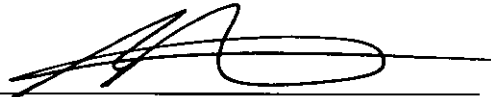

This Agreement will be governed by, interpreted and enforced in accordance with the laws of the Province of Alberta and the federal laws of Canada applicable therein.

ARTICLE 2 ARTICLE 2 SECURITY

Section 2.1 Grant of Security.

- (1) Subject to Section 2.4 and Section 2.5, the Obligor grants to the Agent, for the benefit of the Secured Creditors, a security interest in, and assigns, mortgages, charges, hypothecates and pledges to the Agent, for the benefit of the Secured Creditors, all of the property, assets, effects and undertaking of the Obligor whether now owned or hereafter acquired and all of the property, assets, effects and undertaking in which the Obligor now has or hereafter acquires any interest (collectively, the “**Personal Property Collateral**”), including all of the Obligor's:

- (2) Subject to Section 2.4 and Section 2.5, the Obligor hereby charges as and by way of a floating charge in favour of the Agent for the benefit of the Secured Creditors all the presently owned or held and hereafter acquired property, assets, effects and undertaking of the Obligor of whatsoever nature and kind and wheresoever situate, other than such of the Obligor's property, assets, effects and undertakings of the Obligor as are validly and effectively subjected to the security interest granted to the Agent pursuant to Section 2.1(1) (all of which property, assets, effects and undertakings so charged by this Section 2.1(2) are herein collectively called the "**Other Collateral**", and together with the Personal Property Collateral the "**Collateral**") including, without limiting the generality of the foregoing, all presently owned or held and hereafter acquired right, title and interest of the Obligor in and to real and immovable and leasehold property and rights whether in fee or of a less estate and all interest in and rights relating to lands and all easements, rights of way, privilege, benefits, licences, improvements and rights whether connected therewith or appurtenant thereto or separately owned or held and all structures, buildings, plant, machinery, fixtures, apparatus and fixed assets and the charge created by this Section 2.1(2) shall be a floating charge such that the Obligor shall not have power without the prior written consent of the Agent to:

- 5 -

- (a) create or permit to exist any Lien against any of the Other Collateral which ranks or could in any event rank in priority to or *pari passu* with the security constituted by this Agreement, save for those Liens that are Permitted Liens; or
- (b) grant, sell, exchange, transfer, assign, lease or otherwise dispose of the Other Collateral, save for Permitted Dispositions.

Section 2.2 Secured Obligations.

The security interests, assignments, mortgages, charges, hypothecations and pledges granted by the Obligor under this Agreement (collectively, the “**Security Interest**”) secure the payment and performance of the following (collectively, the “**Secured Obligations**”):

- (a) the Obligations of the Obligor; and
- (b) all expenses, costs and charges incurred by or on behalf of the Secured Creditors in connection with this Agreement, the Security Interest or the Collateral, including all reasonable legal fees, court costs, receiver's or agent's remuneration and other expenses of taking possession of, repairing, protecting, insuring, preparing for disposition, realizing, collecting, selling, transferring, delivering or obtaining payment for the Collateral, and of taking, defending or participating in any action or proceeding in connection with any of the foregoing matters or otherwise in connection with the Secured Creditors' interest in any Collateral, whether or not directly relating to the enforcement of this Agreement or any other Credit Document.

Section 2.3 Attachment.

The Obligor acknowledges that (i) value has been given, (ii) it has rights in the applicable Collateral or the power to transfer rights in the Collateral to the Agent (other than after-acquired Collateral), (iii) it has not agreed to postpone the time of attachment of the Security Interest, and (iv) it has received a copy of this Agreement.

Section 2.4 Scope of Security Interest.

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any agreement, licence, lease, permit, instrument or quota of the Obligor would constitute a default under, or a breach of, or would result in the termination of, such agreement, licence, lease, permit, instrument or quota (each, a “**Restricted Asset**”), the Security Interest with respect to each Restricted Asset will constitute a trust created in favour of the Agent, for the benefit of the Secured Creditors, pursuant to which the Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Agent, for the benefit of the Secured Creditors, on the following basis:
 - (a) subject to the Credit Agreement, until the Security Interest is enforceable, the Obligor is entitled to receive all such proceeds; and

- 6 -

- (b) whenever the Security Interest is enforceable, (i) all rights of the Obligor to receive such proceeds cease and all such proceeds will be immediately paid over to the Agent for the benefit of the Secured Creditors, and (ii) the Obligor will take all actions requested by the Agent to collect and enforce payment and other rights arising under the Restricted Asset.
- (2) The Security Interest with respect to trademarks constitutes a security interest in, and a charge, hypothecation and pledge of such Collateral in favour of the Agent for the benefit of the Secured Creditors, but does not constitute an assignment or mortgage of such Collateral to the Agent or any Secured Creditor.
- (3) Until the Security Interest is enforceable, the grant of the Security Interest in the Intellectual Property does not affect in any way the Obligor's rights to commercially exploit the Intellectual Property, defend it, enforce the Obligor's rights in it or with respect to it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (4) The Security Interest does not extend to consumer goods.
- (5) The Security Interest does not extend or apply to the last day of the term of any lease or sublease of real property or any agreement for a lease or sublease of real property, now held or hereafter acquired by the Obligor, but the Obligor will stand possessed of any such last day upon trust to assign and dispose of it as the Agent may reasonably direct.

Section 2.5 No Control Agreements.

Notwithstanding anything to the contrary herein, in no event shall the Obligor or any Subsidiary thereof be required to execute control agreements to perfect the security interests granted hereunder, including in (i) any deposit, commodity or securities account (including, without limitation, securities entitlements and related assets) or (ii) other assets requiring perfection through control.

Section 2.6 Grant of Licence to Use Intellectual Property.

For the purpose of enabling the Agent, during an Event of Default which is continuing, to exercise rights and remedies hereunder, and for no other purposes, the Obligor hereby grants to the Agent an irrevocable, non-exclusive license, (exercisable without payments of royalty or other compensation to the Obligor) to use, assign, license or sub-license any of the Collateral of the Obligor consisting of Intellectual Property in which the Obligor now has or hereafter acquires rights, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The Agent covenants and agrees that it will not exercise its rights under the foregoing license except during the time that it shall be lawfully entitled to exercise its rights and remedies hereunder.

- 7 -

Section 2.7 Care and Custody of Collateral.

- (1) The Agent shall keep the Collateral in its possession identifiable in accordance with its customary practice for the Collateral of such type.
- (2) Without limiting any other rights or remedies under this Agreement, the Agent may upon the occurrence and during the continuance of an Event of Default, (i) notify any Person obligated on an Instrument, Security or account to make payments to the Agent, whether or not the Obligor was previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Collateral.
- (3) The Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Collateral. The Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value. In the physical keeping of any Securities, the Agent is only obliged to exercise the same degree of care as it would exercise with respect to its own Securities kept at the same place.
- (4) The Agent may, upon the occurrence and during the continuance of any Event of Default, sell, transfer, use or otherwise deal with any investment property included in the Collateral over which the Agent has control, on such conditions and in such manner as the Agent in its sole discretion may determine.

Section 2.8 Rights of the Obligor.

- (1) Until the occurrence of an Event of Default which is continuing, the Obligor is entitled to vote the Securities and other financial assets that are part of the Collateral and to receive dividends and distributions on such Securities and financial assets, as may be permitted by the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, all rights of the Obligor to vote (under any proxy given by the Agent (or its nominee) or otherwise) or to receive distributions or dividends cease and all such rights become vested solely and absolutely in the Agent.
- (2) Any distributions or dividends received by the Obligor contrary to Section 2.8(1) or any other moneys or property received by the Obligor after the Security Interest is enforceable will be received as trustee for the Agent and the Secured Creditors and shall be immediately paid over to the Agent.

ARTICLE 3 ENFORCEMENT

Section 3.1 Enforcement.

The Security Interest becomes and is enforceable against the Obligor upon the occurrence and during the continuance of an Event of Default.

Section 3.2 Remedies.

Whenever the Security Interest is enforceable, the Agent may realize upon the Collateral and enforce the rights of the Agent and the Secured Creditors by:

- (a) entry onto any premises where Collateral consisting of tangible personal property may be located;
- (b) entry into possession of the Collateral by any method permitted by law;
- (c) sale, grant of options to purchase, or lease of all or any part of the Collateral;
- (d) holding, storing and keeping idle or operating all or any part of the Collateral;
- (e) exercising and enforcing all rights and remedies of a holder of the Collateral as if the Agent were the absolute owner thereof (including, if necessary, causing the Collateral to be registered in the name of the Agent or its nominee if not already done);
- (f) collection of any proceeds arising in respect of the Collateral;
- (g) collection, realization or sale of, or other dealing with, accounts;
- (h) license or sublicense, whether on an exclusive or nonexclusive basis, of any Intellectual Property for such term and on such conditions and in such manner as the Agent in its sole judgment determines (taking into account such provisions as may be necessary to protect and preserve such Intellectual Property);
- (i) instruction to any bank to transfer all moneys constituting Collateral held by such bank to an account maintained with or by the Agent;
- (j) application of any moneys constituting Collateral or proceeds thereof in accordance with this Agreement;
- (k) appointment by instrument in writing of a receiver (which term as used in this Agreement includes a receiver and manager) or agent of all or any part of the Collateral and removal or replacement from time to time of any receiver or agent;
- (l) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver of all or any part of the Collateral;
- (m) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Collateral;
- (n) filing of proofs of claim and other documents to establish claims to the Collateral in any proceeding relating to the Obligor; and
- (o) any other remedy or proceeding authorized or permitted under the PPSA or otherwise by law or equity.

Section 3.3 Additional Rights.

In addition to the remedies set forth in Section 3.2 and elsewhere in this Agreement, whenever the Security Interest is enforceable, the Agent may:

- (a) require the Obligor, at the Obligor's expense, to assemble the Collateral at a place or places designated by notice in writing and the Obligor agrees to so assemble the Collateral promptly upon receipt of such notice;
- (b) require the Obligor, by notice in writing, to disclose to the Agent the location or locations of the Collateral and the Obligor agrees to promptly make such disclosure when so required;
- (c) repair, process, modify, complete or otherwise deal with the Collateral and prepare for the disposition of the Collateral, whether on the premises of the Obligor or otherwise;
- (d) redeem any prior security interest against any Collateral, procure the transfer of such security interest to itself, or settle and pass the accounts of the prior mortgagee, chargee or encumbrancer (any accounts to be conclusive and binding on the Obligor absent manifest error and provided the Agent has exercised reasonable diligence in verifying such accounts);
- (e) pay any liability secured by any Lien against any Collateral (all such payments to be added to the Obligations);
- (f) carry on all or any part of the business of the Obligor and, to the exclusion of all others including the Obligor, enter upon, occupy and use all or any of the premises, buildings, and other property of or used by the Obligor for such time as the Agent sees fit, free of charge, and the Agent and the Secured Creditors are not liable to the Obligor for any act, omission or negligence (other than their own gross negligence or willful misconduct) in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
- (g) borrow for the purpose of carrying on any of the businesses of the Obligor or for the maintenance, preservation or protection of the Collateral and grant a security interest in the Collateral, whether or not in priority to the Security Interest, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral, and give good and valid receipts and discharges in respect of the Collateral and compromise or give time for the payment or performance of all or any part of the accounts or any other obligation of any third party to the Obligor; and

- 10 -

- (i) at any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Obligor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Agent, the Agent may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Secured Obligations then due and payable to it as a credit against the purchase price.

Section 3.4 Exercise of Remedies.

The remedies hereunder including under Section 3.2 and Section 3.3 may, subject to the Applicable Laws to the extent required thereby, be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Agent and the Secured Creditors however arising or created. The Agent and the Secured Creditors are not bound to exercise any right or remedy, and the exercise of rights and remedies is without prejudice to the rights of the Agent and the Secured Creditors in respect of the Secured Obligations including the right to claim for any deficiency.

Section 3.5 Receiver's Powers.

- (1) Any receiver appointed by the Agent is vested with the rights and remedies which could have been exercised by the Agent in respect of the Obligor or the Collateral and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, its replacement and its remuneration are within the sole and unfettered discretion of the Agent, provided such remuneration is on commercially reasonable terms.
- (2) Any receiver appointed by the Agent will act as agent for the Agent for the purposes of taking possession of the Collateral, but otherwise and for all other purposes (except as provided below), as agent for the Obligor. The receiver may sell, lease, or otherwise dispose of Collateral as agent for the Obligor or as agent for the Agent as the Agent may determine in its discretion. The Obligor agrees to ratify and confirm all actions of the receiver acting as agent for the Obligor, and to release and indemnify the receiver in respect of all such actions.
- (3) The Agent, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligor or otherwise and is not responsible for any misconduct or negligence of such receiver.

Section 3.6 Appointment of Attorney.

- (1) The Obligor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Obligor and in the name of the Obligor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this

- 11 -

Agreement, and, without limiting the generality of the foregoing, the Obligor hereby gives the Agent the power and right, on behalf of the Obligor, without notice to or assent by the Obligor, to do any or all of the following:

- (a) in the name of the Obligor or its own name, or otherwise, take possession of and endorse and collect any cheques, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Agent for the purpose of collecting any and all such moneys due whenever payable;
- (b) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's and the Secured Creditors' Security Interest in such Intellectual Property and the goodwill and general intangibles of the Obligor relating thereto or represented thereby;
- (c) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;
- (d) execute, in connection with any sale provided for in this Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and
- (e) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Agent or as the Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against the Obligor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Agent may deem appropriate; (7) assign any Intellectual Property (along with the goodwill of the business to which any such Intellectual Property pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and do, at the Agent's option and the Obligor's expense, at any time, or from time to time, all acts and things which the Agent deems necessary to protect, preserve

- 12 -

or realize upon the Collateral and the Agent's and the Secured Creditors' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as the Obligor might do.

Notwithstanding anything to the contrary in this Section 3.6, the Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 3.6 unless an Event of Default shall have occurred and be continuing and the Agent shall have given the Obligor notice of its intent to exercise the rights under the power of attorney provided for in this Section 3.6.

- (2) If the Obligor fails to perform or comply with any of its agreements contained herein, the Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.
- (3) The expenses of the Agent incurred in connection with actions undertaken as provided in this Section 3.6, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due Canadian Dollar Prime-Based Loans under the Credit Agreement, from the date of payment by the Agent to the date reimbursed by the Obligor, shall constitute Obligations and shall be payable by the Obligor to the Agent on demand.
- (4) The Obligor hereby ratifies all that said attorneys shall lawfully do or cause to be done in accordance with the terms hereof. And in accordance with this Section 3.6 all powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

Section 3.7 Dealing with the Collateral.

- (1) The Agent and the Secured Creditors are not obliged to exhaust their recourse against the Obligor or any other Person or against any other security they may hold in respect of the Secured Obligations before realizing upon or otherwise dealing with the Collateral in such manner as the Agent may consider desirable.
- (2) The Agent and the Secured Creditors may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Obligor and with other Persons, sureties or securities as they may see fit without prejudice to the Secured Obligations, the liability of the Obligor or the rights of the Agent and the Secured Creditors in respect of the Collateral.
- (3) Except as otherwise provided by law or this Agreement, the Agent and the Secured Creditors are not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Collateral, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Collateral or for the purpose of preserving any rights of any Persons in respect of the Collateral, (iii) responsible for any loss occasioned by any sale or other dealing with the Collateral in accordance with the terms hereof or by the retention of or failure to sell or otherwise deal with the Collateral, or (iv) bound to protect the Collateral from depreciating in value or becoming

- 13 -

worthless. Notwithstanding the foregoing, the Agent and the Secured Creditors shall be responsible to the Obligor for gross negligence or willful misconduct.

Section 3.8 Standards of Sale.

Without prejudice to the ability of the Agent to dispose of the Collateral in any manner which is commercially reasonable, and subject always to the provisions of the PPSA, the Obligor acknowledges that:

- (a) the Collateral may be disposed of in whole or in part;
- (b) the Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of such Collateral may be the Agent, a Secured Creditor or a customer of any such Person;
- (d) any sale conducted by the Agent will be at such time and place, on such notice and in accordance with such procedures as the Agent, in its sole discretion, may deem advantageous;
- (e) the Collateral may be disposed of in any manner and on any terms necessary to avoid violation of Applicable Law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;
- (f) a disposition of the Collateral may be on such terms and conditions as to credit or otherwise as the Agent, in its sole discretion, may deem advantageous; and
- (g) the Agent may establish an upset or reserve bid or price in respect of the Collateral.

Section 3.9 Dealings by Third Parties.

- (I) No Person dealing with the Agent, any of the Secured Creditors or an agent or receiver is required to determine (i) whether the Security Interest has become enforceable, (ii) whether the powers which such Person is purporting to exercise have become exercisable, (iii) whether any money remains due to the Agent or the Secured Creditors by the Obligor, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease of Collateral is made, (v) the propriety or regularity of any sale or other dealing by the Agent or any Secured Creditor with the Collateral, or (vi) how any money paid to the Agent or the Secured Creditors have been applied.

- 14 -

- (2) Any bona fide purchaser of all or any part of the Collateral from the Agent or any receiver or agent will hold the Collateral absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Obligor, which each the Obligor specifically waives (to the fullest extent permitted by law) as against any such purchaser together with all rights of redemption, stay or appraisal which the Obligor has or may have under any rule of law or statute now existing or hereafter adopted.

Section 3.10 Proceeds to be Turned Over to Agent

If an Event of Default shall occur and be continuing, all proceeds received by the Obligor consisting of cash, cheques and other near-cash items shall be held by the Obligor in trust for the Agent and the Secured Creditors and shall, forthwith upon receipt by the Obligor, be turned over to the Agent in the exact form received by the Obligor (duly endorsed by the Obligor to the Agent, if required). All proceeds received by the Agent hereunder shall be held by the Agent in a collateral account maintained under its sole dominion and control. All proceeds while held by the Agent in a collateral account (or by the Obligor in trust for the Agent and the Secured Creditors) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied thereto as provided in Section 3.11.

Section 3.11 Application of Proceeds

At such intervals as may be agreed upon by the Obligor and the Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Agent's election, the Agent may apply all or any part of proceeds constituting Collateral and any proceeds of and distribution in respect of Collateral in payment of the Obligations as provided in the Credit Agreement.

ARTICLE 4 REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.1 General Representations, Warranties and Covenants.

The Obligor represents and warrants and covenants and agrees, acknowledging and confirming that the Agent and each Secured Creditor is relying on such representations, warranties, covenants and agreements, that:

- (a) **Obligor's Legal Status.** On the date hereof, the Obligor's legal name, jurisdiction of organization or formation (as applicable), the location of the Obligor's chief executive office, the location of the Obligor's business and assets, as the case may be, are specified on Schedule A, as such Schedule may be amended, supplemented or modified from time to time. The Obligor has delivered to the Agent a certified charter, certificate of incorporation, partnership agreement or other organization document and good standing certificate (or equivalent thereto) as of a date which is recent to the date hereof.
- (b) **Title to Collateral.** Except for the Security Interest granted to the Agent for the benefit of the Secured Creditors pursuant to this Agreement and the other Permitted Liens, the Obligor owns each item of the Collateral free and clear of any and all Liens or claims of others excepting Permitted Liens. For the

- 15 -

avoidance of doubt, it is understood and agreed that the Obligor may, as part of its business, grant licenses to third parties to use Intellectual Property owned or developed by the Obligor to the extent permitted by the Credit Agreement. Each of the Agent and each Secured Creditor understands that any such licenses may be exclusive to the applicable licensees, and such exclusivity provisions may, to the extent such licenses are Permitted Liens, limit the ability of the Agent to utilize, license free of such license rights.

- (c) **Validity of Security Interest.** The Security Interest (a) will constitute valid perfected Security Interests in respect of all Collateral in which the Security Interest may be perfected by filing, recording or registration in the province of Alberta, in each case in favor of the Agent, for the benefit of the Secured Creditors, as collateral security for the Obligor's Obligations, enforceable in accordance with the terms hereof against all creditors of the Obligor and any Persons purporting to purchase any Collateral from the Obligor and (b) are prior to all other Liens on the Collateral in existence on the date hereof except for (x) unrecorded Permitted Liens which have priority over the Liens on the Collateral by operation of law and (y) Liens expressly permitted by the Credit Agreement to be prior to the Security Interest granted pursuant to the terms hereof.

ARTICLE 5 COVENANTS

The Obligor covenants and agrees with the Agent, that, from and after the date of this Agreement until the Obligations shall have been paid in full:

Section 5.1 Changes in Name, etc.

The Obligor will not, except upon 30 days' prior written notice to the Agent and delivery to the Agent of all additional financing statements and executed documents reasonably requested by the Agent to maintain the validity, perfection and priority of the Security Interests provided for herein, (i) change the location of its chief executive office or sole place of business or (ii) change its name.

Section 5.2 Title to Collateral

The Obligor shall maintain the Security Interest created by this Agreement as a perfected Security Interest and shall defend such Security Interest against the claims and demands of all Persons whomsoever, subject to the rights of the Obligor under the Credit Agreement to dispose of the Collateral.

Section 5.3 Other Action as to Collateral

- (a) The Obligor will furnish to the Agent from time to time statements and schedules further identifying and describing the assets and property of the Obligor and such other reports in connection therewith as the Agent may reasonably request, all in reasonable detail,

- 16 -

- (b) without limiting the foregoing, within 15 days of a request therefor by the Agent and only during the continuance of a Default or Event of Default, the Obligor will furnish to the Agent (i) a listing of each of the "serial number goods" which form part of the Collateral (as defined in the PPSA) together with the location of such serial number goods and (ii) the legal descriptions of any Lands which form part of the Collateral.
- (c) At any time and from time to time, upon the written request of the Agent, and at the sole expense of the Obligor, the Obligor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, filing any financing or continuation statements under the PPSA (or other similar laws) in effect in any jurisdiction with respect to the Security Interests created hereby.

Section 5.4 Intellectual Property

- (a) Except with respect to any patent, trademark or copyright permitted to be abandoned under the Credit Agreement, the Obligor shall notify the Agent immediately if it knows or has reason to know that any application or registration relating to any material patent, trademark or copyright of the Obligor may become abandoned, or dedicated to the public domain, or of any adverse determination or development regarding the Obligor's ownership of any patent, trademark or copyright, its right to register the same, or to keep and maintain the same, except in each case, to the extent it would not reasonably be expected to result in a Material Adverse Effect.
- (b) Whenever the Obligor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of or acquire any interests in any material patent, trademark or copyright with CIPO or any similar office or agency of any jurisdiction, the Obligor shall report such filing to the Agent within ten (10) Business Days after the last day of the fiscal quarter in which such filing occurs, and, upon request of the Agent, the Obligor shall execute and deliver any and all agreements relating to patent, trademark or copyright as the Agent may request to evidence the Agent's Security Interest in such patent, trademark or copyright, and the general intangibles of the Obligor relating thereto or represented thereby. For the avoidance of doubt, the provisions hereof shall automatically apply to any such patent, trademark or copyright acquired after the date hereof and such patent, trademark or copyright shall automatically constitute Collateral as if such would have constituted Collateral at the time of execution hereof and be subject to the Lien and security interest created by this Agreement without further action by any party.
- (c) Except with respect to any copyright permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant

- 17 -

registration and to maintain the registration of each material copyright, including the filing of applications for renewal.

- (d) Except with respect to any patent or trademark permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each material patent or trademark, including the filing of applications for renewal, affidavits of use and affidavits of non-contestability and the payment of maintenance fees.
- (e) In the event that any material patents, trademarks or copyrights is infringed upon, or misappropriated; diluted or otherwise violated by a third party, the Obligor shall (i) notify the Agent promptly after the Obligor learns thereof and (ii) take such actions as the Obligor shall reasonably deem appropriate under the circumstances to protect such patent, trademark or copyright, stop the infringement and obtain damages.
- (f) Except with respect to any copyright, trademark or patent not required to be maintained or permitted to be abandoned under the Credit Agreement, the Obligor (either itself or through its permitted licensees) will not take or knowingly omit to take any action whereby any material copyright, trademark or patent could reasonably be expected to become abandoned, dedicated or invalidated or whereby the remedies in respect of such copyright, trademark or patent with respect to potential infringers could reasonably be expected to become weakened.
- (g) The Obligor (either itself or through licensee) will not knowingly do any act that uses any Intellectual Property to infringe the intellectual property rights of any other Person which would reasonably be likely to have a Material Adverse Effect.

Section 5.5 Insurance.

All property damage insurance maintained on any portion of the Collateral of the Obligor shall name the Agent as lender's loss payee, and all liability insurance maintained in respect of any portion of the Collateral of the Obligor shall name the Agent as an additional insured. The Obligor shall furnish the Agent with certificates of insurance evidencing compliance with the foregoing insurance provision.

Section 6.2 Discharge.

The Security Interest will be discharged upon, but only upon, full and indefeasible payment and performance of the Secured Obligations. Upon the discharge of the Secured Obligations and at the request and expense of the Obligor, the Agent will execute and deliver to the Obligor such releases, discharges, financing statements and other documents or instruments as the Obligor may reasonably require and the Agent will promptly redeliver to the Obligor, or as the Obligor may otherwise direct the Agent, any Collateral in its possession.

Section 6.3 No Merger.

This Agreement does not operate by way of merger of any of the Secured Obligations and no judgment recovered by the Agent or any of the Secured Creditors will operate by way of merger of, or in any way affect, the Security Interest, which is in addition to, and not in substitution for, any other security now or hereafter held by the Agent and the Secured Creditors in respect of the Secured Obligations. The representations, warranties and covenants of the

- 19 -

Obligor in this Agreement survive the execution and delivery of this Agreement and any advances under the Credit Agreement. Notwithstanding any investigation made by or on behalf of the Agent or the Secured Creditors these covenants, representations and warranties continue in full force and effect until this Agreement shall terminate (or thereafter to the extent provided therein).

Section 6.4 Further Assurances.

The Obligor will do all acts and things and execute and deliver, or cause to be executed and delivered, all agreements, documents and instruments that the Agent may reasonably require and take all further steps relating to the Collateral or any other property or assets of the Obligor that the Agent may reasonably require for (i) protecting the Collateral, (ii) perfecting, preserving and protecting the Security Interest, and (iii) exercising all powers, authorities and discretions conferred upon the Collateral Agent. Whenever the Security Interest is enforceable, the Obligor will do all acts and things and execute and deliver all documents and instruments that the Collateral Agent may reasonably require for facilitating the sale or other disposition of the Collateral in connection with its realization.

Section 6.5 Supplemental Security.

This Agreement is in addition to, without prejudice to and supplemental to all other security now held or which may hereafter be held by the Agent or the Secured Creditors.

Section 6.6 Successors and Assigns.

This Agreement is binding on the Obligor and its successors and permitted assigns, and enures to the benefit of the Agent, the Secured Creditors and their respective successors and permitted assigns. This Agreement may be assigned by the Agent in accordance with the Credit Agreement and, in such event, any such assignee will be entitled to all of the rights and remedies of the Agent as set forth in this Agreement or otherwise. In any action brought by an assignee to enforce any such right or remedy, the Obligor will not assert against the assignee any claim or defence which the Obligor now has or may have against the Agent or any of the Secured Creditors. The Obligor may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Agent which may be unreasonably withheld.

Section 6.7 Enforcement Expenses; Indemnification

- (1) The Obligor agrees to pay or reimburse each Secured Creditor and the Agent for all its costs and expenses incurred in enforcing or preserving any rights under this Agreement and the other Credit Documents to which the Obligor is a party, including, without limitation, the reasonable fees and disbursements of a single outside counsel to the Agent in each relevant jurisdiction.
- (2) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions

- 20 -

contemplated by this Agreement, in each case to the extent the Obligor would be required to do so pursuant to the Credit Agreement.

- (3) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Obligor would be required to do so pursuant the Credit Agreement.
- (4) The agreements in this Section 6.7 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.

Section 6.8 Set-Off

In addition to any rights and remedies of the Secured Creditors provided by law, each Secured Creditor shall have the right, without notice to the Obligor, any such notice being expressly waived by the Obligor to the extent permitted by Applicable Law, upon the Obligations becoming due and payable by the Obligor (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Creditor, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Obligor. Each Secured Creditor agrees promptly to notify the Obligor and the Agent after any such application made by such Secured Creditor; provided that the failure to give such notice shall not affect the validity of such application.

Section 6.9 Severability.

If any court of competent jurisdiction from which no appeal exists or is taken, determines any provision of this Agreement to be illegal, invalid or unenforceable, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

Section 6.10 Amendment.

This Agreement may only be amended, supplemented or otherwise modified by written agreement executed by the Agent and the Obligor.

Section 6.11 Waivers, etc.

- (1) No consent or waiver by the Agent or the Secured Creditors in respect of this Agreement is binding unless made in writing and signed by an authorized officer of the Agent. Any consent or waiver given under this Agreement is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Agreement constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Agent or the Secured Creditors in exercising a right under this Agreement does not operate as a waiver of, or impair, any right of the Agent or

- 21 -

the Secured Creditors however arising. A single or partial exercise of a right on the part of the Agent or the Secured Creditors does not preclude any other or further exercise of that right or the exercise of any other right by the Agent or the Secured Creditors.

Section 6.12 Conflict.

In the event of a direct conflict or inconsistency between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intentions of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict or inconsistency that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern. In addition, to the extent that, under the Credit Agreement, the Obligor is permitted to undertake any act or granted any entitlement, the provisions of this Agreement shall be deemed to preserve such permission or entitlement notwithstanding anything to the contrary herein.

Section 6.13 Governing Law.

This Agreement will be governed by, interpreted and enforced in accordance with the laws of the Province of Alberta and the federal laws of Canada applicable therein.

- (c) all substitutions and replacements of and increases, additions and, where applicable, accessions to the property described in Section 2.1(a) and Section 2.1(b); and
- (d) all proceeds in any form derived directly or indirectly from any dealing with all or any part of the property described in Section 2.1(a) and Section 2.1(c) inclusive, including the proceeds of such proceeds.
- (2) Subject to Section 2.4 and Section 2.5, the Obligor hereby charges as and by way of a floating charge in favour of the Agent for the benefit of the Secured Creditors all the presently owned or held and hereafter acquired property, assets, effects and undertaking of the Obligor of whatsoever nature and kind and wheresoever situate, other than such of the Obligor's property, assets, effects and undertakings of the Obligor as are validly and effectively subjected to the security interest granted to the Agent pursuant to Section 2.1(1) (all of which property, assets, effects and undertakings so charged by this Section 2.1(2) are herein collectively called the "**Other Collateral**", and together with the Personal Property Collateral the "**Collateral**") including, without limiting the generality of the foregoing, all presently owned or held and hereafter acquired right, title and interest of the Obligor in and to real and immovable and leasehold property and rights whether in fee or of a less estate and all interest in and rights relating to lands and all easements, rights of way, privilege, benefits, licences, improvements and rights whether connected therewith or appurtenant thereto or separately owned or held and all structures, buildings, plant, machinery, fixtures, apparatus and fixed assets and the charge created by this Section 2.1(2) shall be a floating charge such that the Obligor shall not have power without the prior written consent of the Agent to:

- 5 -

- (a) create or permit to exist any Lien against any of the Other Collateral which ranks or could in any event rank in priority to or *pari passu* with the security constituted by this Agreement, save for those Liens that are Permitted Liens; or
- (b) grant, sell, exchange, transfer, assign, lease or otherwise dispose of the Other Collateral, save for Permitted Dispositions.

Section 2.2 Secured Obligations.

The security interests, assignments, mortgages, charges, hypothecations and pledges granted by the Obligor under this Agreement (collectively, the “**Security Interest**”) secure the payment and performance of the following (collectively, the “**Secured Obligations**”):

- (a) the Obligations of the Obligor; and
- (b) all expenses, costs and charges incurred by or on behalf of the Secured Creditors in connection with this Agreement, the Security Interest or the Collateral, including all reasonable legal fees, court costs, receiver's or agent's remuneration and other expenses of taking possession of, repairing, protecting, insuring, preparing for disposition, realizing, collecting, selling, transferring, delivering or obtaining payment for the Collateral, and of taking, defending or participating in any action or proceeding in connection with any of the foregoing matters or otherwise in connection with the Secured Creditors' interest in any Collateral, whether or not directly relating to the enforcement of this Agreement or any other Credit Document.

Section 2.3 Attachment.

The Obligor acknowledges that (i) value has been given, (ii) it has rights in the applicable Collateral or the power to transfer rights in the Collateral to the Agent (other than after-acquired Collateral), (iii) it has not agreed to postpone the time of attachment of the Security Interest, and (iv) it has received a copy of this Agreement.

Section 2.4 Scope of Security Interest.

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any agreement, licence, lease, permit, instrument or quota of the Obligor would constitute a default under, or a breach of, or would result in the termination of, such agreement, licence, lease, permit, instrument or quota (each, a “**Restricted Asset**”), the Security Interest with respect to each Restricted Asset will constitute a trust created in favour of the Agent, for the benefit of the Secured Creditors, pursuant to which the Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Agent, for the benefit of the Secured Creditors, on the following basis:
 - (a) subject to the Credit Agreement, until the Security Interest is enforceable, the Obligor is entitled to receive all such proceeds; and

- 6 -

- (b) whenever the Security Interest is enforceable, (i) all rights of the Obligor to receive such proceeds cease and all such proceeds will be immediately paid over to the Agent for the benefit of the Secured Creditors, and (ii) the Obligor will take all actions requested by the Agent to collect and enforce payment and other rights arising under the Restricted Asset.
- (2) The Security Interest with respect to trademarks constitutes a security interest in, and a charge, hypothecation and pledge of such Collateral in favour of the Agent for the benefit of the Secured Creditors, but does not constitute an assignment or mortgage of such Collateral to the Agent or any Secured Creditor.
- (3) Until the Security Interest is enforceable, the grant of the Security Interest in the Intellectual Property does not affect in any way the Obligor's rights to commercially exploit the Intellectual Property, defend it, enforce the Obligor's rights in it or with respect to it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (4) The Security Interest does not extend to consumer goods.
- (5) The Security Interest does not extend or apply to the last day of the term of any lease or sublease of real property or any agreement for a lease or sublease of real property, now held or hereafter acquired by the Obligor, but the Obligor will stand possessed of any such last day upon trust to assign and dispose of it as the Agent may reasonably direct.

Section 2.5 No Control Agreements.

Notwithstanding anything to the contrary herein, in no event shall the Obligor or any Subsidiary thereof be required to execute control agreements to perfect the security interests granted hereunder, including in (i) any deposit, commodity or securities account (including, without limitation, securities entitlements and related assets) or (ii) other assets requiring perfection through control.

Section 2.6 Grant of Licence to Use Intellectual Property.

For the purpose of enabling the Agent, during an Event of Default which is continuing, to exercise rights and remedies hereunder, and for no other purposes, the Obligor hereby grants to the Agent an irrevocable, non-exclusive license, (exercisable without payments of royalty or other compensation to the Obligor) to use, assign, license or sub-license any of the Collateral of the Obligor consisting of Intellectual Property in which the Obligor now has or hereafter acquires rights, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The Agent covenants and agrees that it will not exercise its rights under the foregoing license except during the time that it shall be lawfully entitled to exercise its rights and remedies hereunder.

- 7 -

Section 2.7 Care and Custody of Collateral.

- (1) The Agent shall keep the Collateral in its possession identifiable in accordance with its customary practice for the Collateral of such type.
- (2) Without limiting any other rights or remedies under this Agreement, the Agent may upon the occurrence and during the continuance of an Event of Default, (i) notify any Person obligated on an Instrument, Security or account to make payments to the Agent, whether or not the Obligor was previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Collateral.
- (3) The Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Collateral. The Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value. In the physical keeping of any Securities, the Agent is only obliged to exercise the same degree of care as it would exercise with respect to its own Securities kept at the same place.
- (4) The Agent may, upon the occurrence and during the continuance of any Event of Default, sell, transfer, use or otherwise deal with any investment property included in the Collateral over which the Agent has control, on such conditions and in such manner as the Agent in its sole discretion may determine.

Section 2.8 Rights of the Obligor.

- (1) Until the occurrence of an Event of Default which is continuing, the Obligor is entitled to vote the Securities and other financial assets that are part of the Collateral and to receive dividends and distributions on such Securities and financial assets, as may be permitted by the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, all rights of the Obligor to vote (under any proxy given by the Agent (or its nominee) or otherwise) or to receive distributions or dividends cease and all such rights become vested solely and absolutely in the Agent.
- (2) Any distributions or dividends received by the Obligor contrary to Section 2.8(1) or any other moneys or property received by the Obligor after the Security Interest is enforceable will be received as trustee for the Agent and the Secured Creditors and shall be immediately paid over to the Agent.

ARTICLE 3 ENFORCEMENT

Section 3.1 Enforcement.

The Security Interest becomes and is enforceable against the Obligor upon the occurrence and during the continuance of an Event of Default.

Section 3.2 Remedies.

Whenever the Security Interest is enforceable, the Agent may realize upon the Collateral and enforce the rights of the Agent and the Secured Creditors by:

- (a) entry onto any premises where Collateral consisting of tangible personal property may be located;
- (b) entry into possession of the Collateral by any method permitted by law;
- (c) sale, grant of options to purchase, or lease of all or any part of the Collateral;
- (d) holding, storing and keeping idle or operating all or any part of the Collateral;
- (e) exercising and enforcing all rights and remedies of a holder of the Collateral as if the Agent were the absolute owner thereof (including, if necessary, causing the Collateral to be registered in the name of the Agent or its nominee if not already done);
- (f) collection of any proceeds arising in respect of the Collateral;
- (g) collection, realization or sale of, or other dealing with, accounts;
- (h) license or sublicense, whether on an exclusive or nonexclusive basis, of any Intellectual Property for such term and on such conditions and in such manner as the Agent in its sole judgment determines (taking into account such provisions as may be necessary to protect and preserve such Intellectual Property);
- (i) instruction to any bank to transfer all moneys constituting Collateral held by such bank to an account maintained with or by the Agent;
- (j) application of any moneys constituting Collateral or proceeds thereof in accordance with this Agreement;
- (k) appointment by instrument in writing of a receiver (which term as used in this Agreement includes a receiver and manager) or agent of all or any part of the Collateral and removal or replacement from time to time of any receiver or agent;
- (l) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver of all or any part of the Collateral;
- (m) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Collateral;
- (n) filing of proofs of claim and other documents to establish claims to the Collateral in any proceeding relating to the Obligor; and
- (o) any other remedy or proceeding authorized or permitted under the PPSA or otherwise by law or equity.

- 9 -

Section 3.3 Additional Rights.

In addition to the remedies set forth in Section 3.2 and elsewhere in this Agreement, whenever the Security Interest is enforceable, the Agent may:

- (a) require the Obligor, at the Obligor's expense, to assemble the Collateral at a place or places designated by notice in writing and the Obligor agrees to so assemble the Collateral promptly upon receipt of such notice;
- (b) require the Obligor, by notice in writing, to disclose to the Agent the location or locations of the Collateral and the Obligor agrees to promptly make such disclosure when so required;
- (c) repair, process, modify, complete or otherwise deal with the Collateral and prepare for the disposition of the Collateral, whether on the premises of the Obligor or otherwise;
- (d) redeem any prior security interest against any Collateral, procure the transfer of such security interest to itself, or settle and pass the accounts of the prior mortgagee, chargee or encumbrancer (any accounts to be conclusive and binding on the Obligor absent manifest error and provided the Agent has exercised reasonable diligence in verifying such accounts);
- (e) pay any liability secured by any Lien against any Collateral (all such payments to be added to the Obligations);
- (f) carry on all or any part of the business of the Obligor and, to the exclusion of all others including the Obligor, enter upon, occupy and use all or any of the premises, buildings, and other property of or used by the Obligor for such time as the Agent sees fit, free of charge, and the Agent and the Secured Creditors are not liable to the Obligor for any act, omission or negligence (other than their own gross negligence or willful misconduct) in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
- (g) borrow for the purpose of carrying on any of the businesses of the Obligor or for the maintenance, preservation or protection of the Collateral and grant a security interest in the Collateral, whether or not in priority to the Security Interest, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral, and give good and valid receipts and discharges in respect of the Collateral and compromise or give time for the payment or performance of all or any part of the accounts or any other obligation of any third party to the Obligor; and

- 10 -

- (i) at any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Obligor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Agent, the Agent may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Secured Obligations then due and payable to it as a credit against the purchase price.

Section 3.4 Exercise of Remedies.

The remedies hereunder including under Section 3.2 and Section 3.3 may, subject to the Applicable Laws to the extent required thereby, be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Agent and the Secured Creditors however arising or created. The Agent and the Secured Creditors are not bound to exercise any right or remedy, and the exercise of rights and remedies is without prejudice to the rights of the Agent and the Secured Creditors in respect of the Secured Obligations including the right to claim for any deficiency.

Section 3.5 Receiver's Powers.

- (1) Any receiver appointed by the Agent is vested with the rights and remedies which could have been exercised by the Agent in respect of the Obligor or the Collateral and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, its replacement and its remuneration are within the sole and unfettered discretion of the Agent, provided such remuneration is on commercially reasonable terms.
- (2) Any receiver appointed by the Agent will act as agent for the Agent for the purposes of taking possession of the Collateral, but otherwise and for all other purposes (except as provided below), as agent for the Obligor. The receiver may sell, lease, or otherwise dispose of Collateral as agent for the Obligor or as agent for the Agent as the Agent may determine in its discretion. The Obligor agrees to ratify and confirm all actions of the receiver acting as agent for the Obligor, and to release and indemnify the receiver in respect of all such actions.
- (3) The Agent, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligor or otherwise and is not responsible for any misconduct or negligence of such receiver.

Section 3.6 Appointment of Attorney.

- (1) The Obligor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Obligor and in the name of the Obligor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this

- 11 -

Agreement, and, without limiting the generality of the foregoing, the Obligor hereby gives the Agent the power and right, on behalf of the Obligor, without notice to or assent by the Obligor, to do any or all of the following:

- (a) in the name of the Obligor or its own name, or otherwise, take possession of and endorse and collect any cheques, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Agent for the purpose of collecting any and all such moneys due whenever payable;
- (b) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's and the Secured Creditors' Security Interest in such Intellectual Property and the goodwill and general intangibles of the Obligor relating thereto or represented thereby;
- (c) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;
- (d) execute, in connection with any sale provided for in this Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and
- (e) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Agent or as the Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against the Obligor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Agent may deem appropriate; (7) assign any Intellectual Property (along with the goodwill of the business to which any such Intellectual Property pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and do, at the Agent's option and the Obligor's expense, at any time, or from time to time, all acts and things which the Agent deems necessary to protect, preserve

- 12 -

or realize upon the Collateral and the Agent's and the Secured Creditors' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as the Obligor might do.

Notwithstanding anything to the contrary in this Section 3.6, the Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 3.6 unless an Event of Default shall have occurred and be continuing and the Agent shall have given the Obligor notice of its intent to exercise the rights under the power of attorney provided for in this Section 3.6.

- (2) If the Obligor fails to perform or comply with any of its agreements contained herein, the Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.
- (3) The expenses of the Agent incurred in connection with actions undertaken as provided in this Section 3.6, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due Canadian Dollar Prime-Based Loans under the Credit Agreement, from the date of payment by the Agent to the date reimbursed by the Obligor, shall constitute Obligations and shall be payable by the Obligor to the Agent on demand.
- (4) The Obligor hereby ratifies all that said attorneys shall lawfully do or cause to be done in accordance with the terms hereof. And in accordance with this Section 3.6 all powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

Section 3.7 Dealing with the Collateral.

- (1) The Agent and the Secured Creditors are not obliged to exhaust their recourse against the Obligor or any other Person or against any other security they may hold in respect of the Secured Obligations before realizing upon or otherwise dealing with the Collateral in such manner as the Agent may consider desirable.
- (2) The Agent and the Secured Creditors may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Obligor and with other Persons, sureties or securities as they may see fit without prejudice to the Secured Obligations, the liability of the Obligor or the rights of the Agent and the Secured Creditors in respect of the Collateral.
- (3) Except as otherwise provided by law or this Agreement, the Agent and the Secured Creditors are not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Collateral, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Collateral or for the purpose of preserving any rights of any Persons in respect of the Collateral, (iii) responsible for any loss occasioned by any sale or other dealing with the Collateral in accordance with the terms hereof or by the retention of or failure to sell or otherwise deal with the Collateral, or (iv) bound to protect the Collateral from depreciating in value or becoming

- 13 -

worthless. Notwithstanding the foregoing, the Agent and the Secured Creditors shall be responsible to the Obligor for gross negligence or willful misconduct.

Section 3.8 Standards of Sale.

Without prejudice to the ability of the Agent to dispose of the Collateral in any manner which is commercially reasonable, and subject always to the provisions of the PPSA, the Obligor acknowledges that:

- (a) the Collateral may be disposed of in whole or in part;
- (b) the Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of such Collateral may be the Agent, a Secured Creditor or a customer of any such Person;
- (d) any sale conducted by the Agent will be at such time and place, on such notice and in accordance with such procedures as the Agent, in its sole discretion, may deem advantageous;
- (e) the Collateral may be disposed of in any manner and on any terms necessary to avoid violation of Applicable Law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;
- (f) a disposition of the Collateral may be on such terms and conditions as to credit or otherwise as the Agent, in its sole discretion, may deem advantageous; and
- (g) the Agent may establish an upset or reserve bid or price in respect of the Collateral.

Section 3.9 Dealings by Third Parties.

- (1) No Person dealing with the Agent, any of the Secured Creditors or an agent or receiver is required to determine (i) whether the Security Interest has become enforceable, (ii) whether the powers which such Person is purporting to exercise have become exercisable, (iii) whether any money remains due to the Agent or the Secured Creditors by the Obligor, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease of Collateral is made, (v) the propriety or regularity of any sale or other dealing by the Agent or any Secured Creditor with the Collateral, or (vi) how any money paid to the Agent or the Secured Creditors have been applied.

- 14 -

- (2) Any bona fide purchaser of all or any part of the Collateral from the Agent or any receiver or agent will hold the Collateral absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Obligor, which each the Obligor specifically waives (to the fullest extent permitted by law) as against any such purchaser together with all rights of redemption, stay or appraisal which the Obligor has or may have under any rule of law or statute now existing or hereafter adopted.

Section 3.10 Proceeds to be Turned Over to Agent

If an Event of Default shall occur and be continuing, all proceeds received by the Obligor consisting of cash, cheques and other near-cash items shall be held by the Obligor in trust for the Agent and the Secured Creditors and shall, forthwith upon receipt by the Obligor, be turned over to the Agent in the exact form received by the Obligor (duly endorsed by the Obligor to the Agent, if required). All proceeds received by the Agent hereunder shall be held by the Agent in a collateral account maintained under its sole dominion and control. All proceeds while held by the Agent in a collateral account (or by the Obligor in trust for the Agent and the Secured Creditors) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied thereto as provided in Section 3.11.

Section 3.11 Application of Proceeds

At such intervals as may be agreed upon by the Obligor and the Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Agent's election, the Agent may apply all or any part of proceeds constituting Collateral and any proceeds of and distribution in respect of Collateral in payment of the Obligations as provided in the Credit Agreement.

ARTICLE 4 REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.1 General Representations, Warranties and Covenants.

The Obligor represents and warrants and covenants and agrees, acknowledging and confirming that the Agent and each Secured Creditor is relying on such representations, warranties, covenants and agreements, that:

- (a) **Obligor's Legal Status.** On the date hereof, the Obligor's legal name, jurisdiction of organization or formation (as applicable), the location of the Obligor's chief executive office, the location of the Obligor's business and assets, as the case may be, are specified on Schedule A, as such Schedule may be amended, supplemented or modified from time to time. The Obligor has delivered to the Agent a certified charter, certificate of incorporation, partnership agreement or other organization document and good standing certificate (or equivalent thereto) as of a date which is recent to the date hereof.
- (b) **Title to Collateral.** Except for the Security Interest granted to the Agent for the benefit of the Secured Creditors pursuant to this Agreement and the other Permitted Liens, the Obligor owns each item of the Collateral free and clear of any and all Liens or claims of others excepting Permitted Liens. For the

- 15 -

avoidance of doubt, it is understood and agreed that the Obligor may, as part of its business, grant licenses to third parties to use Intellectual Property owned or developed by the Obligor to the extent permitted by the Credit Agreement. Each of the Agent and each Secured Creditor understands that any such licenses may be exclusive to the applicable licensees, and such exclusivity provisions may, to the extent such licenses are Permitted Liens, limit the ability of the Agent to utilize, license free of such license rights.

- (c) **Validity of Security Interest.** The Security Interest (a) will constitute valid perfected Security Interests in respect of all Collateral in which the Security Interest may be perfected by filing, recording or registration in the province of Alberta, in each case in favor of the Agent, for the benefit of the Secured Creditors, as collateral security for the Obligor's Obligations, enforceable in accordance with the terms hereof against all creditors of the Obligor and any Persons purporting to purchase any Collateral from the Obligor and (b) are prior to all other Liens on the Collateral in existence on the date hereof except for (x) unrecorded Permitted Liens which have priority over the Liens on the Collateral by operation of law and (y) Liens expressly permitted by the Credit Agreement to be prior to the Security Interest granted pursuant to the terms hereof.

ARTICLE 5 COVENANTS

The Obligor covenants and agrees with the Agent, that, from and after the date of this Agreement until the Obligations shall have been paid in full:

Section 5.1 Changes in Name, etc.

The Obligor will not, except upon 30 days' prior written notice to the Agent and delivery to the Agent of all additional financing statements and executed documents reasonably requested by the Agent to maintain the validity, perfection and priority of the Security Interests provided for herein, (i) change the location of its chief executive office or sole place of business or (ii) change its name.

Section 5.2 Title to Collateral

The Obligor shall maintain the Security Interest created by this Agreement as a perfected Security Interest and shall defend such Security Interest against the claims and demands of all Persons whomsoever, subject to the rights of the Obligor under the Credit Agreement to dispose of the Collateral.

Section 5.3 Other Action as to Collateral

- (a) The Obligor will furnish to the Agent from time to time statements and schedules further identifying and describing the assets and property of the Obligor and such other reports in connection therewith as the Agent may reasonably request, all in reasonable detail,

- 16 -

- (b) without limiting the foregoing, within 15 days of a request therefor by the Agent and only during the continuance of a Default or Event of Default, the Obligor will furnish to the Agent (i) a listing of each of the "serial number goods" which form part of the Collateral (as defined in the PPSA) together with the location of such serial number goods and (ii) the legal descriptions of any Lands which form part of the Collateral.
- (c) At any time and from time to time, upon the written request of the Agent, and at the sole expense of the Obligor, the Obligor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, filing any financing or continuation statements under the PPSA (or other similar laws) in effect in any jurisdiction with respect to the Security Interests created hereby.

Section 5.4 Intellectual Property

- (a) Except with respect to any patent, trademark or copyright permitted to be abandoned under the Credit Agreement, the Obligor shall notify the Agent immediately if it knows or has reason to know that any application or registration relating to any material patent, trademark or copyright of the Obligor may become abandoned, or dedicated to the public domain, or of any adverse determination or development regarding the Obligor's ownership of any patent, trademark or copyright, its right to register the same, or to keep and maintain the same, except in each case, to the extent it would not reasonably be expected to result in a Material Adverse Effect.
- (b) Whenever the Obligor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of or acquire any interests in any material patent, trademark or copyright with CIPO or any similar office or agency of any jurisdiction, the Obligor shall report such filing to the Agent within ten (10) Business Days after the last day of the fiscal quarter in which such filing occurs, and, upon request of the Agent, the Obligor shall execute and deliver any and all agreements relating to patent, trademark or copyright as the Agent may request to evidence the Agent's Security Interest in such patent, trademark or copyright, and the general intangibles of the Obligor relating thereto or represented thereby. For the avoidance of doubt, the provisions hereof shall automatically apply to any such patent, trademark or copyright acquired after the date hereof and such patent, trademark or copyright shall automatically constitute Collateral as if such would have constituted Collateral at the time of execution hereof and be subject to the Lien and security interest created by this Agreement without further action by any party.
- (c) Except with respect to any copyright permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant

- 17 -

registration and to maintain the registration of each material copyright, including the filing of applications for renewal.

- (d) Except with respect to any patent or trademark permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each material patent or trademark, including the filing of applications for renewal, affidavits of use and affidavits of non-contestability and the payment of maintenance fees.
- (e) In the event that any material patents, trademarks or copyrights is infringed upon, or misappropriated, diluted or otherwise violated by a third party, the Obligor shall (i) notify the Agent promptly after the Obligor learns thereof and (ii) take such actions as the Obligor shall reasonably deem appropriate under the circumstances to protect such patent, trademark or copyright, stop the infringement and obtain damages.
- (f) Except with respect to any copyright, trademark or patent not required to be maintained or permitted to be abandoned under the Credit Agreement, the Obligor (either itself or through its permitted licensees) will not take or knowingly omit to take any action whereby any material copyright, trademark or patent could reasonably be expected to become abandoned, dedicated or invalidated or whereby the remedies in respect of such copyright, trademark or patent with respect to potential infringers could reasonably be expected to become weakened.
- (g) The Obligor (either itself or through licensee) will not knowingly do any act that uses any Intellectual Property to infringe the intellectual property rights of any other Person which would reasonably be likely to have a Material Adverse Effect.

Section 5.5 Insurance.

All property damage insurance maintained on any portion of the Collateral of the Obligor shall name the Agent as lender's loss payee, and all liability insurance maintained in respect of any portion of the Collateral of the Obligor shall name the Agent as an additional insured. The Obligor shall furnish the Agent with certificates of insurance evidencing compliance with the foregoing insurance provision.

The Agent or the Obligor may change its respective address for service or other notices, including electronic communications, by notice given in the foregoing manner.

Section 6.2 Discharge.

The Security Interest will be discharged upon, but only upon, full and indefeasible payment and performance of the Secured Obligations. Upon the discharge of the Secured Obligations and at the request and expense of the Obligor, the Agent will execute and deliver to the Obligor such releases, discharges, financing statements and other documents or instruments as the Obligor may reasonably require and the Agent will promptly redeliver to the Obligor, or as the Obligor may otherwise direct the Agent, any Collateral in its possession.

If any of the Collateral shall be sold, transferred or otherwise disposed of by the Obligor in a transaction permitted by the Credit Agreement then the Agent, at the request and sole expense of the Obligor, shall promptly execute and deliver to the Obligor all releases or other documents necessary or reasonably desirable for the release of the Liens created by such Collateral.

Section 6.3 No Merger.

This Agreement does not operate by way of merger of any of the Secured Obligations and no judgment recovered by the Agent or any of the Secured Creditors will operate by way of merger of, or in any way affect, the Security Interest, which is in addition to, and not in substitution for, any other security now or hereafter held by the Agent and the Secured Creditors in respect of the Secured Obligations. The representations, warranties and covenants of the

- 19 -

Obligor in this Agreement survive the execution and delivery of this Agreement and any advances under the Credit Agreement. Notwithstanding any investigation made by or on behalf of the Agent or the Secured Creditors these covenants, representations and warranties continue in full force and effect until this Agreement shall terminate (or thereafter to the extent provided therein).

Section 6.4 Further Assurances.

The Obligor will do all acts and things and execute and deliver, or cause to be executed and delivered, all agreements, documents and instruments that the Agent may reasonably require and take all further steps relating to the Collateral or any other property or assets of the Obligor that the Agent may reasonably require for (i) protecting the Collateral, (ii) perfecting, preserving and protecting the Security Interest, and (iii) exercising all powers, authorities and discretions conferred upon the Collateral Agent. Whenever the Security Interest is enforceable, the Obligor will do all acts and things and execute and deliver all documents and instruments that the Collateral Agent may reasonably require for facilitating the sale or other disposition of the Collateral in connection with its realization.

Section 6.5 Supplemental Security.

This Agreement is in addition to, without prejudice to and supplemental to all other security now held or which may hereafter be held by the Agent or the Secured Creditors.

Section 6.6 Successors and Assigns.

This Agreement is binding on the Obligor and its successors and permitted assigns, and enures to the benefit of the Agent, the Secured Creditors and their respective successors and permitted assigns. This Agreement may be assigned by the Agent in accordance with the Credit Agreement and, in such event, any such assignee will be entitled to all of the rights and remedies of the Agent as set forth in this Agreement or otherwise. In any action brought by an assignee to enforce any such right or remedy, the Obligor will not assert against the assignee any claim or defence which the Obligor now has or may have against the Agent or any of the Secured Creditors. The Obligor may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Agent which may be unreasonably withheld.

Section 6.7 Enforcement Expenses; Indemnification

- (1) The Obligor agrees to pay or reimburse each Secured Creditor and the Agent for all its costs and expenses incurred in enforcing or preserving any rights under this Agreement and the other Credit Documents to which the Obligor is a party, including, without limitation, the reasonable fees and disbursements of a single outside counsel to the Agent in each relevant jurisdiction.
- (2) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions

- 20 -

contemplated by this Agreement, in each case to the extent the Obligor would be required to do so pursuant to the Credit Agreement.

- (3) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Obligor would be required to do so pursuant the Credit Agreement.
- (4) The agreements in this Section 6.7 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.

Section 6.8 Set-Off

In addition to any rights and remedies of the Secured Creditors provided by law, each Secured Creditor shall have the right, without notice to the Obligor, any such notice being expressly waived by the Obligor to the extent permitted by Applicable Law, upon the Obligations becoming due and payable by the Obligor (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Creditor, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Obligor. Each Secured Creditor agrees promptly to notify the Obligor and the Agent after any such application made by such Secured Creditor; provided that the failure to give such notice shall not affect the validity of such application.

Section 6.9 Severability.

If any court of competent jurisdiction from which no appeal exists or is taken, determines any provision of this Agreement to be illegal, invalid or unenforceable, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

Section 6.10 Amendment.

This Agreement may only be amended, supplemented or otherwise modified by written agreement executed by the Agent and the Obligor.

Section 6.11 Waivers, etc.

- (1) No consent or waiver by the Agent or the Secured Creditors in respect of this Agreement is binding unless made in writing and signed by an authorized officer of the Agent. Any consent or waiver given under this Agreement is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Agreement constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Agent or the Secured Creditors in exercising a right under this Agreement does not operate as a waiver of, or impair, any right of the Agent or

- 21 -

the Secured Creditors however arising. A single or partial exercise of a right on the part of the Agent or the Secured Creditors does not preclude any other or further exercise of that right or the exercise of any other right by the Agent or the Secured Creditors.

Section 6.12 Conflict.

In the event of a direct conflict or inconsistency between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intentions of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict or inconsistency that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern. In addition, to the extent that, under the Credit Agreement, the Obligor is permitted to undertake any act or granted any entitlement, the provisions of this Agreement shall be deemed to preserve such permission or entitlement notwithstanding anything to the contrary herein.

Section 6.13 Governing Law.

This Agreement will be governed by, interpreted and enforced in accordance with the laws of the Province of Alberta and the federal laws of Canada applicable therein.

ARTICLE 2 ARTICLE 2 SECURITY

Section 2.1 Grant of Security.

- (1) Subject to Section 2.4 and Section 2.5, the Obligor grants to the Agent, for the benefit of the Secured Creditors, a security interest in, and assigns, mortgages, charges, hypothecates and pledges to the Agent, for the benefit of the Secured Creditors, all of the property, assets, effects and undertaking of the Obligor whether now owned or hereafter acquired and all of the property, assets, effects and undertaking in which the Obligor now has or hereafter acquires any interest (collectively, the “**Personal Property Collateral**”), including all of the Obligor's:

- (d) all proceeds in any form derived directly or indirectly from any dealing with all or any part of the property described in Section 2.1(a) and Section 2.1(c) inclusive, including the proceeds of such proceeds.
- (2) Subject to Section 2.4 and Section 2.5, the Obligor hereby charges as and by way of a floating charge in favour of the Agent for the benefit of the Secured Creditors all the presently owned or held and hereafter acquired property, assets, effects and undertaking of the Obligor of whatsoever nature and kind and wheresoever situate, other than such of the Obligor's property, assets, effects and undertakings of the Obligor as are validly and effectively subjected to the security interest granted to the Agent pursuant to Section 2.1(1) (all of which property, assets, effects and undertakings so charged by this Section 2.1(2) are herein collectively called the "**Other Collateral**", and together with the Personal Property Collateral the "**Collateral**") including, without limiting the generality of the foregoing, all presently owned or held and hereafter acquired right, title and interest of the Obligor in and to real and immovable and leasehold property and rights whether in fee or of a less estate and all interest in and rights relating to lands and all easements, rights of way, privilege, benefits, licences, improvements and rights whether connected therewith or appurtenant thereto or separately owned or held and all structures, buildings, plant, machinery, fixtures, apparatus and fixed assets and the charge created by this Section 2.1(2) shall be a floating charge such that the Obligor shall not have power without the prior written consent of the Agent to:

- 5 -

- (a) create or permit to exist any Lien against any of the Other Collateral which ranks or could in any event rank in priority to or *pari passu* with the security constituted by this Agreement, save for those Liens that are Permitted Liens; or
- (b) grant, sell, exchange, transfer, assign, lease or otherwise dispose of the Other Collateral, save for Permitted Dispositions.

Section 2.2 Secured Obligations.

The security interests, assignments, mortgages, charges, hypothecations and pledges granted by the Obligor under this Agreement (collectively, the “**Security Interest**”) secure the payment and performance of the following (collectively, the “**Secured Obligations**”):

- (a) the Obligations of the Obligor; and
- (b) all expenses, costs and charges incurred by or on behalf of the Secured Creditors in connection with this Agreement, the Security Interest or the Collateral, including all reasonable legal fees, court costs, receiver's or agent's remuneration and other expenses of taking possession of, repairing, protecting, insuring, preparing for disposition, realizing, collecting, selling, transferring, delivering or obtaining payment for the Collateral, and of taking, defending or participating in any action or proceeding in connection with any of the foregoing matters or otherwise in connection with the Secured Creditors' interest in any Collateral, whether or not directly relating to the enforcement of this Agreement or any other Credit Document.

Section 2.3 Attachment.

The Obligor acknowledges that (i) value has been given, (ii) it has rights in the applicable Collateral or the power to transfer rights in the Collateral to the Agent (other than after-acquired Collateral), (iii) it has not agreed to postpone the time of attachment of the Security Interest, and (iv) it has received a copy of this Agreement.

Section 2.4 Scope of Security Interest.

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any agreement, licence, lease, permit, instrument or quota of the Obligor would constitute a default under, or a breach of, or would result in the termination of, such agreement, licence, lease, permit, instrument or quota (each, a “**Restricted Asset**”), the Security Interest with respect to each Restricted Asset will constitute a trust created in favour of the Agent, for the benefit of the Secured Creditors, pursuant to which the Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Agent, for the benefit of the Secured Creditors, on the following basis:
 - (a) subject to the Credit Agreement, until the Security Interest is enforceable, the Obligor is entitled to receive all such proceeds; and

- 6 -

- (b) whenever the Security Interest is enforceable, (i) all rights of the Obligor to receive such proceeds cease and all such proceeds will be immediately paid over to the Agent for the benefit of the Secured Creditors, and (ii) the Obligor will take all actions requested by the Agent to collect and enforce payment and other rights arising under the Restricted Asset.
- (2) The Security Interest with respect to trademarks constitutes a security interest in, and a charge, hypothecation and pledge of such Collateral in favour of the Agent for the benefit of the Secured Creditors, but does not constitute an assignment or mortgage of such Collateral to the Agent or any Secured Creditor.
- (3) Until the Security Interest is enforceable, the grant of the Security Interest in the Intellectual Property does not affect in any way the Obligor's rights to commercially exploit the Intellectual Property, defend it, enforce the Obligor's rights in it or with respect to it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (4) The Security Interest does not extend to consumer goods.
- (5) The Security Interest does not extend or apply to the last day of the term of any lease or sublease of real property or any agreement for a lease or sublease of real property, now held or hereafter acquired by the Obligor, but the Obligor will stand possessed of any such last day upon trust to assign and dispose of it as the Agent may reasonably direct.

Section 2.5 No Control Agreements.

Notwithstanding anything to the contrary herein, in no event shall the Obligor or any Subsidiary thereof be required to execute control agreements to perfect the security interests granted hereunder, including in (i) any deposit, commodity or securities account (including, without limitation, securities entitlements and related assets) or (ii) other assets requiring perfection through control.

Section 2.6 Grant of Licence to Use Intellectual Property.

For the purpose of enabling the Agent, during an Event of Default which is continuing, to exercise rights and remedies hereunder, and for no other purposes, the Obligor hereby grants to the Agent an irrevocable, non-exclusive license, (exercisable without payments of royalty or other compensation to the Obligor) to use, assign, license or sub-license any of the Collateral of the Obligor consisting of Intellectual Property in which the Obligor now has or hereafter acquires rights, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The Agent covenants and agrees that it will not exercise its rights under the foregoing license except during the time that it shall be lawfully entitled to exercise its rights and remedies hereunder.

- 7 -

Section 2.7 Care and Custody of Collateral.

- (1) The Agent shall keep the Collateral in its possession identifiable in accordance with its customary practice for the Collateral of such type.
- (2) Without limiting any other rights or remedies under this Agreement, the Agent may upon the occurrence and during the continuance of an Event of Default, (i) notify any Person obligated on an Instrument, Security or account to make payments to the Agent, whether or not the Obligor was previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Collateral.
- (3) The Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Collateral. The Agent has no obligation to protect or preserve any Collateral from depreciating in value or becoming worthless and is released from all responsibility for any loss of value. In the physical keeping of any Securities, the Agent is only obliged to exercise the same degree of care as it would exercise with respect to its own Securities kept at the same place.
- (4) The Agent may, upon the occurrence and during the continuance of any Event of Default, sell, transfer, use or otherwise deal with any investment property included in the Collateral over which the Agent has control, on such conditions and in such manner as the Agent in its sole discretion may determine.

Section 2.8 Rights of the Obligor.

- (1) Until the occurrence of an Event of Default which is continuing, the Obligor is entitled to vote the Securities and other financial assets that are part of the Collateral and to receive dividends and distributions on such Securities and financial assets, as may be permitted by the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, all rights of the Obligor to vote (under any proxy given by the Agent (or its nominee) or otherwise) or to receive distributions or dividends cease and all such rights become vested solely and absolutely in the Agent.
- (2) Any distributions or dividends received by the Obligor contrary to Section 2.8(1) or any other moneys or property received by the Obligor after the Security Interest is enforceable will be received as trustee for the Agent and the Secured Creditors and shall be immediately paid over to the Agent.

ARTICLE 3 ENFORCEMENT

Section 3.1 Enforcement.

The Security Interest becomes and is enforceable against the Obligor upon the occurrence and during the continuance of an Event of Default.

Section 3.2 Remedies.

Whenever the Security Interest is enforceable, the Agent may realize upon the Collateral and enforce the rights of the Agent and the Secured Creditors by:

- (a) entry onto any premises where Collateral consisting of tangible personal property may be located;
- (b) entry into possession of the Collateral by any method permitted by law;
- (c) sale, grant of options to purchase, or lease of all or any part of the Collateral;
- (d) holding, storing and keeping idle or operating all or any part of the Collateral;
- (e) exercising and enforcing all rights and remedies of a holder of the Collateral as if the Agent were the absolute owner thereof (including, if necessary, causing the Collateral to be registered in the name of the Agent or its nominee if not already done);
- (f) collection of any proceeds arising in respect of the Collateral;
- (g) collection, realization or sale of, or other dealing with, accounts;
- (h) license or sublicense, whether on an exclusive or nonexclusive basis, of any Intellectual Property for such term and on such conditions and in such manner as the Agent in its sole judgment determines (taking into account such provisions as may be necessary to protect and preserve such Intellectual Property);
- (i) instruction to any bank to transfer all moneys constituting Collateral held by such bank to an account maintained with or by the Agent;
- (j) application of any moneys constituting Collateral or proceeds thereof in accordance with this Agreement;
- (k) appointment by instrument in writing of a receiver (which term as used in this Agreement includes a receiver and manager) or agent of all or any part of the Collateral and removal or replacement from time to time of any receiver or agent;
- (l) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver of all or any part of the Collateral;
- (m) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Collateral;
- (n) filing of proofs of claim and other documents to establish claims to the Collateral in any proceeding relating to the Obligor; and
- (o) any other remedy or proceeding authorized or permitted under the PPSA or otherwise by law or equity.

- 9 -

Section 3.3 Additional Rights.

In addition to the remedies set forth in Section 3.2 and elsewhere in this Agreement, whenever the Security Interest is enforceable, the Agent may:

- (a) require the Obligor, at the Obligor's expense, to assemble the Collateral at a place or places designated by notice in writing and the Obligor agrees to so assemble the Collateral promptly upon receipt of such notice;
- (b) require the Obligor, by notice in writing, to disclose to the Agent the location or locations of the Collateral and the Obligor agrees to promptly make such disclosure when so required;
- (c) repair, process, modify, complete or otherwise deal with the Collateral and prepare for the disposition of the Collateral, whether on the premises of the Obligor or otherwise;
- (d) redeem any prior security interest against any Collateral, procure the transfer of such security interest to itself, or settle and pass the accounts of the prior mortgagee, chargee or encumbrancer (any accounts to be conclusive and binding on the Obligor absent manifest error and provided the Agent has exercised reasonable diligence in verifying such accounts);
- (e) pay any liability secured by any Lien against any Collateral (all such payments to be added to the Obligations);
- (f) carry on all or any part of the business of the Obligor and, to the exclusion of all others including the Obligor, enter upon, occupy and use all or any of the premises, buildings, and other property of or used by the Obligor for such time as the Agent sees fit, free of charge, and the Agent and the Secured Creditors are not liable to the Obligor for any act, omission or negligence (other than their own gross negligence or willful misconduct) in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
- (g) borrow for the purpose of carrying on any of the businesses of the Obligor or for the maintenance, preservation or protection of the Collateral and grant a security interest in the Collateral, whether or not in priority to the Security Interest, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral, and give good and valid receipts and discharges in respect of the Collateral and compromise or give time for the payment or performance of all or any part of the accounts or any other obligation of any third party to the Obligor; and

- 10 -

- (i) at any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Obligor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Agent, the Agent may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Secured Obligations then due and payable to it as a credit against the purchase price.

Section 3.4 Exercise of Remedies.

The remedies hereunder including under Section 3.2 and Section 3.3 may, subject to the Applicable Laws to the extent required thereby, be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Agent and the Secured Creditors however arising or created. The Agent and the Secured Creditors are not bound to exercise any right or remedy, and the exercise of rights and remedies is without prejudice to the rights of the Agent and the Secured Creditors in respect of the Secured Obligations including the right to claim for any deficiency.

Section 3.5 Receiver's Powers.

- (1) Any receiver appointed by the Agent is vested with the rights and remedies which could have been exercised by the Agent in respect of the Obligor or the Collateral and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, its replacement and its remuneration are within the sole and unfettered discretion of the Agent, provided such remuneration is on commercially reasonable terms.
- (2) Any receiver appointed by the Agent will act as agent for the Agent for the purposes of taking possession of the Collateral, but otherwise and for all other purposes (except as provided below), as agent for the Obligor. The receiver may sell, lease, or otherwise dispose of Collateral as agent for the Obligor or as agent for the Agent as the Agent may determine in its discretion. The Obligor agrees to ratify and confirm all actions of the receiver acting as agent for the Obligor, and to release and indemnify the receiver in respect of all such actions.
- (3) The Agent, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligor or otherwise and is not responsible for any misconduct or negligence of such receiver.

Section 3.6 Appointment of Attorney.

- (1) The Obligor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Obligor and in the name of the Obligor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this

- 11 -

Agreement, and, without limiting the generality of the foregoing, the Obligor hereby gives the Agent the power and right, on behalf of the Obligor, without notice to or assent by the Obligor, to do any or all of the following:

- (a) in the name of the Obligor or its own name, or otherwise, take possession of and endorse and collect any cheques, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Agent for the purpose of collecting any and all such moneys due whenever payable;
- (b) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's and the Secured Creditors' Security Interest in such Intellectual Property and the goodwill and general intangibles of the Obligor relating thereto or represented thereby;

- 12 -

or realize upon the Collateral and the Agent's and the Secured Creditors' Security Interests therein and to effect the intent of this Agreement, all as fully and effectively as the Obligor might do.

Notwithstanding anything to the contrary in this Section 3.6, the Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 3.6 unless an Event of Default shall have occurred and be continuing and the Agent shall have given the Obligor notice of its intent to exercise the rights under the power of attorney provided for in this Section 3.6.

- (3) The expenses of the Agent incurred in connection with actions undertaken as provided in this Section 3.6, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due Canadian Dollar Prime-Based Loans under the Credit Agreement, from the date of payment by the Agent to the date reimbursed by the Obligor, shall constitute Obligations and shall be payable by the Obligor to the Agent on demand.
- (4) The Obligor hereby ratifies all that said attorneys shall lawfully do or cause to be done in accordance with the terms hereof. And in accordance with this Section 3.6 all powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created hereby are released.

Section 3.7 Dealing with the Collateral.

- (1) The Agent and the Secured Creditors are not obliged to exhaust their recourse against the Obligor or any other Person or against any other security they may hold in respect of the Secured Obligations before realizing upon or otherwise dealing with the Collateral in such manner as the Agent may consider desirable.
- (2) The Agent and the Secured Creditors may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Obligor and with other Persons, sureties or securities as they may see fit without prejudice to the Secured Obligations, the liability of the Obligor or the rights of the Agent and the Secured Creditors in respect of the Collateral.
- (3) Except as otherwise provided by law or this Agreement, the Agent and the Secured Creditors are not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Collateral, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Collateral or for the purpose of preserving any rights of any Persons in respect of the Collateral, (iii) responsible for any loss occasioned by any sale or other dealing with the Collateral in accordance with the terms hereof or by the retention of or failure to sell or otherwise deal with the Collateral, or (iv) bound to protect the Collateral from depreciating in value or becoming

- 13 -

worthless. Notwithstanding the foregoing, the Agent and the Secured Creditors shall be responsible to the Obligor for gross negligence or willful misconduct.

Section 3.8 Standards of Sale.

Without prejudice to the ability of the Agent to dispose of the Collateral in any manner which is commercially reasonable, and subject always to the provisions of the PPSA, the Obligor acknowledges that:

- (a) the Collateral may be disposed of in whole or in part;
- (b) the Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of such Collateral may be the Agent, a Secured Creditor or a customer of any such Person;
- (d) any sale conducted by the Agent will be at such time and place, on such notice and in accordance with such procedures as the Agent, in its sole discretion, may deem advantageous;
- (e) the Collateral may be disposed of in any manner and on any terms necessary to avoid violation of Applicable Law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;
- (f) a disposition of the Collateral may be on such terms and conditions as to credit or otherwise as the Agent, in its sole discretion, may deem advantageous; and
- (g) the Agent may establish an upset or reserve bid or price in respect of the Collateral.

Section 3.9 Dealings by Third Parties.

- (1) No Person dealing with the Agent, any of the Secured Creditors or an agent or receiver is required to determine (i) whether the Security Interest has become enforceable, (ii) whether the powers which such Person is purporting to exercise have become exercisable, (iii) whether any money remains due to the Agent or the Secured Creditors by the Obligor, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease of Collateral is made, (v) the propriety or regularity of any sale or other dealing by the Agent or any Secured Creditor with the Collateral, or (vi) how any money paid to the Agent or the Secured Creditors have been applied.

- 14 -

- (2) Any bona fide purchaser of all or any part of the Collateral from the Agent or any receiver or agent will hold the Collateral absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Obligor, which each the Obligor specifically waives (to the fullest extent permitted by law) as against any such purchaser together with all rights of redemption, stay or appraisal which the Obligor has or may have under any rule of law or statute now existing or hereafter adopted.

Section 3.10 Proceeds to be Turned Over to Agent.

If an Event of Default shall occur and be continuing, all proceeds received by the Obligor consisting of cash, cheques and other near-cash items shall be held by the Obligor in trust for the Agent and the Secured Creditors and shall, forthwith upon receipt by the Obligor, be turned over to the Agent in the exact form received by the Obligor (duly endorsed by the Obligor to the Agent, if required). All proceeds received by the Agent hereunder shall be held by the Agent in a collateral account maintained under its sole dominion and control. All proceeds while held by the Agent in a collateral account (or by the Obligor in trust for the Agent and the Secured Creditors) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied thereto as provided in Section 3.11.

Section 3.11 Application of Proceeds.

At such intervals as may be agreed upon by the Obligor and the Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Agent's election, the Agent may apply all or any part of proceeds constituting Collateral and any proceeds of and distribution in respect of Collateral in payment of the Obligations as provided in the Credit Agreement.

ARTICLE 4 REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.1 General Representations, Warranties and Covenants.

The Obligor represents and warrants and covenants and agrees, acknowledging and confirming that the Agent and each Secured Creditor is relying on such representations, warranties, covenants and agreements, that:

- (a) **Obligor's Legal Status.** On the date hereof, the Obligor's legal name, jurisdiction of organization or formation (as applicable), the location of the Obligor's chief executive office, the location of the Obligor's business and assets, as the case may be, are specified on Schedule A, as such Schedule may be amended, supplemented or modified from time to time. - (b) **Title to Collateral.** Except for the Security Interest granted to the Agent for the benefit of the Secured Creditors pursuant to this Agreement and the other Permitted Liens, the Obligor owns each item of the Collateral free and clear of any and all Liens or claims of others excepting Permitted Liens. For the avoidance

- 15 -

of doubt, it is understood and agreed that the Obligor may, as part of its business, grant licenses to third parties to use Intellectual Property owned or developed by the Obligor to the extent permitted by the Credit Agreement. Each of the Agent and each Secured Creditor understands that any such licenses may be exclusive to the applicable licensees, and such exclusivity provisions may, to the extent such licenses are Permitted Liens, limit the ability of the Agent to utilize, license free of such license rights.

- (c) **Validity of Security Interest.** The Security Interest (a) will constitute valid perfected Security Interests in respect of all Collateral in which the Security Interest may be perfected by filing, recording or registration in the province of Alberta, in each case in favor of the Agent, for the benefit of the Secured Creditors, as collateral security for the Obligor's Obligations, enforceable in accordance with the terms hereof against all creditors of the Obligor and any Persons purporting to purchase any Collateral from the Obligor and (b) are prior to all other Liens on the Collateral in existence on the date hereof except for (x) unrecorded Permitted Liens which have priority over the Liens on the Collateral by operation of law and (y) Liens expressly permitted by the Credit Agreement to be prior to the Security Interest granted pursuant to the terms hereof.

ARTICLE 5 COVENANTS

The Obligor covenants and agrees with the Agent, that, from and after the date of this Agreement until the Obligations shall have been paid in full:

Section 5.1 Changes in Name, etc.

The Obligor will not, except upon 30 days' prior written notice to the Agent and delivery to the Agent of all additional financing statements and executed documents reasonably requested by the Agent to maintain the validity, perfection and priority of the Security Interests provided for herein, (i) change the location of its chief executive office or sole place of business or (ii) change its name.

Section 5.2 Title to Collateral.

The Obligor shall maintain the Security Interest created by this Agreement as a perfected Security Interest and shall defend such Security Interest against the claims and demands of all Persons whomsoever, subject to the rights of the Obligor under the Credit Agreement to dispose of the Collateral.

Section 5.3 Other Action as to Collateral.

- (a) The Obligor will furnish to the Agent from time to time statements and schedules further identifying and describing the assets and property of the Obligor and such other reports in connection therewith as the Agent may reasonably request, all in reasonable detail,

- 16 -

- (c) At any time and from time to time, upon the written request of the Agent, and at the sole expense of the Obligor, the Obligor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, filing any financing or continuation statements under the PPSA (or other similar laws) in effect in any jurisdiction with respect to the Security Interests created hereby.

Section 5.4 Intellectual Property.

- (a) Except with respect to any patent, trademark or copyright permitted to be abandoned under the Credit Agreement, the Obligor shall notify the Agent immediately if it knows or has reason to know that any application or registration relating to any material patent, trademark or copyright of the Obligor may become abandoned, or dedicated to the public domain, or of any adverse determination or development regarding the Obligor's ownership of any patent, trademark or copyright, its right to register the same, or to keep and maintain the same, except in each case, to the extent it would not reasonably be expected to result in a Material Adverse Effect.
- (b) Whenever the Obligor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of or acquire any interests in any material patent, trademark or copyright with CIPO or any similar office or agency of any jurisdiction, the Obligor shall report such filing to the Agent within ten (10) Business Days after the last day of the fiscal quarter in which such filing occurs, and, upon request of the Agent, the Obligor shall execute and deliver any and all agreements relating to patent, trademark or copyright as the Agent may request to evidence the Agent's Security Interest in such patent, trademark or copyright, and the general intangibles of the Obligor relating thereto or represented thereby. For the avoidance of doubt, the provisions hereof shall automatically apply to any such patent, trademark or copyright acquired after the date hereof and such patent, trademark or copyright shall automatically constitute Collateral as if such would have constituted Collateral at the time of execution hereof and be subject to the Lien and security interest created by this Agreement without further action by any party.
- (c) Except with respect to any copyright permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant

- 17 -

registration and to maintain the registration of each material copyright, including the filing of applications for renewal.

- (d) Except with respect to any patent or trademark permitted to be abandoned under the Credit Agreement, the Obligor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each material patent or trademark, including the filing of applications for renewal, affidavits of use and affidavits of non-contestability and the payment of maintenance fees.
- (e) In the event that any material patents, trademarks or copyrights is infringed upon, or misappropriated, diluted or otherwise violated by a third party, the Obligor shall (i) notify the Agent promptly after the Obligor learns thereof and (ii) take such actions as the Obligor shall reasonably deem appropriate under the circumstances to protect such patent, trademark or copyright, stop the infringement and obtain damages.
- (f) Except with respect to any copyright, trademark or patent not required to be maintained or permitted to be abandoned under the Credit Agreement, the Obligor (either itself or through its permitted licensees) will not take or knowingly omit to take any action whereby any material copyright, trademark or patent could reasonably be expected to become abandoned, dedicated or invalidated or whereby the remedies in respect of such copyright, trademark or patent with respect to potential infringers could reasonably be expected to become weakened.
- (g) The Obligor (either itself or through licensee) will not knowingly do any act that uses any Intellectual Property to infringe the intellectual property rights of any other Person which would reasonably be likely to have a Material Adverse Effect.

Section 5.5 Insurance.

All property damage insurance maintained on any portion of the Collateral of the Obligor shall name the Agent as lender's loss payee, and all liability insurance maintained in respect of any portion of the Collateral of the Obligor shall name the Agent as an additional insured. The Obligor shall furnish the Agent with certificates of insurance evidencing compliance with the foregoing insurance provision.

Section 6.2 Discharge.

The Security Interest will be discharged upon, but only upon, full and indefeasible payment and performance of the Secured Obligations. Upon the discharge of the Secured Obligations and at the request and expense of the Obligor, the Agent will execute and deliver to the Obligor such releases, discharges, financing statements and other documents or instruments as the Obligor may reasonably require and the Agent will promptly redeliver to the Obligor, or as the Obligor may otherwise direct the Agent, any Collateral in its possession.

Section 6.3 No Merger.

This Agreement does not operate by way of merger of any of the Secured Obligations and no judgment recovered by the Agent or any of the Secured Creditors will operate by way of merger of, or in any way affect, the Security Interest, which is in addition to, and not in substitution for, any other security now or hereafter held by the Agent and the Secured Creditors

in respect of the Secured Obligations. The representations, warranties and covenants of the Obligor in this Agreement survive the execution and delivery of this Agreement and any advances under the Credit Agreement. Notwithstanding any investigation made by or on behalf of the Agent or the Secured Creditors these covenants, representations and warranties continue in full force and effect until this Agreement shall terminate (or thereafter to the extent provided therein).

Section 6.4 Further Assurances.

The Obligor will do all acts and things and execute and deliver, or cause to be executed and delivered, all agreements, documents and instruments that the Agent may reasonably require and take all further steps relating to the Collateral or any other property or assets of the Obligor that the Agent may reasonably require for (i) protecting the Collateral, (ii) perfecting, preserving and protecting the Security Interest, and (iii) exercising all powers, authorities and discretions conferred upon the Collateral Agent. Whenever the Security Interest is enforceable, the Obligor will do all acts and things and execute and deliver all documents and instruments that the Collateral Agent may reasonably require for facilitating the sale or other disposition of the Collateral in connection with its realization.

Section 6.5 Supplemental Security.

This Agreement is in addition to, without prejudice to and supplemental to all other security now held or which may hereafter be held by the Agent or the Secured Creditors.

Section 6.6 Successors and Assigns.

This Agreement is binding on the Obligor and its successors and permitted assigns, and enures to the benefit of the Agent, the Secured Creditors and their respective successors and permitted assigns. This Agreement may be assigned by the Agent in accordance with the Credit Agreement and, in such event, any such assignee will be entitled to all of the rights and remedies of the Agent as set forth in this Agreement or otherwise. In any action brought by an assignee to enforce any such right or remedy, the Obligor will not assert against the assignee any claim or defence which the Obligor now has or may have against the Agent or any of the Secured Creditors. The Obligor may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Agent which may be unreasonably withheld.

- (2) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable

- 20 -

with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement, in each case to the extent the Obligor would be required to do so pursuant to the Credit Agreement.

- (3) The Obligor agrees to pay, and to save the Agent and the Secured Creditors harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Obligor would be required to do so pursuant the Credit Agreement.
- (4) The agreements in this Section 6.7 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.

Section 6.8 Set-Off.

In addition to any rights and remedies of the Secured Creditors provided by law, each Secured Creditor shall have the right, without notice to the Obligor, any such notice being expressly waived by the Obligor to the extent permitted by Applicable Law, upon the Obligations becoming due and payable by the Obligor (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Creditor, any affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Obligor. Section 6.9 Severability.

If any court of competent jurisdiction from which no appeal exists or is taken, determines any provision of this Agreement to be illegal, invalid or unenforceable, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

Section 6.10 Amendment.

This Agreement may only be amended, supplemented or otherwise modified by written agreement executed by the Agent and the Obligor.

Section 6.11 Waivers, etc.

- (1) No consent or waiver by the Agent or the Secured Creditors in respect of this Agreement is binding unless made in writing and signed by an authorized officer of the Agent. Any consent or waiver given under this Agreement is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Agreement constitutes a waiver of any other provision.

- (2) A failure or delay on the part of the Agent or the Secured Creditors in exercising a right under this Agreement does not operate as a waiver of, or impair, any right of the Agent or the Secured Creditors however arising. A single or partial exercise of a right on the part of the Agent or the Secured Creditors does not preclude any other or further exercise of that right or the exercise of any other right by the Agent or the Secured Creditors.

Section 6.12 Conflict.

In the event of a direct conflict or inconsistency between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intentions of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict or inconsistency that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern. In addition, to the extent that, under the Credit Agreement, the Obligor is permitted to undertake any act or granted any entitlement, the provisions of this Agreement shall be deemed to preserve such permission or entitlement notwithstanding anything to the contrary herein.

Section 6.13 Governing Law.

This Agreement will be governed by, interpreted and enforced in accordance with the laws of the Province of Alberta and the federal laws of Canada applicable therein.

Section 6.14 Counterparts.

This Agreement may be executed in any number of counterparts, and by the different parties hereto on separate counterpart signature pages, and all such counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission or any electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

- 4 -

behalf of the Secured Creditors, and grants to the Agent, on behalf of the Secured Creditors, a security interest in, the Collateral.

3. **Attachment; No Obligation to Advance.** The Debtor confirms that value has been given by the Secured Creditors to the Debtor, that the Debtor has rights in the Collateral existing at the date of this Agreement and that the Debtor and the Secured Creditors have not agreed to postpone the time for attachment of the Security Interests to any of the Collateral. The Security Interests will have effect and be deemed to be effective whether or not the Secured Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution and delivery of this Agreement nor the provision of any financial accommodation by the Secured Creditors shall oblige the Secured Creditors to make any financial accommodation or further financial accommodation available to the Debtor or any other Person.
4. **Representations and Warranties.** The Debtor represents and warrants to the Secured Creditors that, as of the date of this Agreement:
 - (a) **Debtor Information.** All of the information set out in Schedule B is accurate and complete.
 - (b) **Consents.** Except for any consent that has been obtained and is in full force and effect, no consent of any Person is required, or is purported to be required, for the execution, delivery, performance and enforcement of this Agreement. For the purposes of complying with any transfer restrictions contained in the Organizational Documents of any Pledged Issuer, the Debtor hereby irrevocably consents to any transfer of the Pledged Securities of such Pledged Issuer.
 - (c) **Due Authorization.** The Pledged Securities have been duly authorized and validly issued and are fully paid and non-assessable.
 - (d) **Warrants, Options, etc.** There are no outstanding warrants, options or other rights to purchase, or other agreements outstanding with respect to, or property that is now or hereafter convertible into, or that requires the issuance or sale of, any Pledged Securities.
 - (e) **No Required Disposition.** There is no existing agreement, option, right or privilege capable of becoming an agreement or option pursuant to which the Debtor would be required to sell or otherwise dispose of any Pledged Securities or under which any Pledged Issuer thereof has any obligation to issue any Securities of such Pledged Issuer to any Person, except as may be required under that certain Employment Agreement with Christopher I. Rivers dated as of the date hereof.
5. **Survival of Representations and Warranties.** All representations and warranties made by the Debtor in this Agreement: (a) are material; (b) will be considered to have been relied on by the Secured Creditors; and (c) will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Secured

- 5 -

Creditors and any disposition or payment of the Secured Liabilities until the Release Date.

6. **Covenants.** The Debtor covenants and agrees with the Secured Creditors that:

- (a) **Further Documentation.** The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Agent may reasonably request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any Applicable Laws with respect to the Security Interests). The Debtor acknowledges that this Agreement has been prepared based on the existing Laws in the Province of Alberta and that a change in such Laws, or the Laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Agent will have the right to require that this Agreement be amended, supplemented, restated or replaced, and that the Debtor will promptly on request by the Agent authorize, execute and deliver any such amendment, supplement, restatement or replacement: (i) to reflect any changes in such Laws, whether arising as a result of statutory amendments, court decisions or otherwise; (ii) to facilitate the creation and registration of appropriate security in all appropriate jurisdictions; or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Secured Creditors Liens similar to, and having the same effect as, the Security Interests.
- (b) **Pledged Certificated Securities.** The Debtor will deliver to the Agent any and all Pledged Security Certificates and other materials as may be required from time to time to provide the Agent with control over all Pledged Certificated Securities in the manner provided under section 23 of the STA. At the request of the Agent at any time after the occurrence and during the continuance of an Event of Default, the Debtor will cause all Pledged Security Certificates to be registered in the name of the Agent or its nominee.
- (c) **Pledged Uncertificated Securities.** The Debtor will deliver to the Agent any and all such documents, agreements and other materials as may be required from time to time to provide the Agent with control over all Pledged Uncertificated Securities in the manner provided under section 24 of the STA.
- (d) **Pledged Security Entitlements.** The Debtor will deliver to the Agent any and all such documents, agreements and other materials as may be required from time to time to provide the Agent with control over all Pledged Security Entitlements in the manner provided under section 25 or 26 of the STA.
- (e) **Transfer Restrictions.** If the constating documents of any Pledged Issuer restrict the transfer of the Securities of such Pledged Issuer, then the Debtor will deliver

- 6 -

to the Agent a certified copy of a resolution of the directors, shareholders, unitholders or partners of such Pledged Issuer, as applicable, consenting to the transfer(s) contemplated by this Agreement, including any prospective transfer of the Collateral by the Agent upon a realization on the Security Interests.

- (f) Notices. The Debtor will advise the Agent promptly, in reasonable detail, of any:
- (i) acquisition after the date of this Agreement of any right, title or interest in any Pledged Property, together with all applicable information set out in Schedule B with respect thereto;
 - (ii) change to a Pledged Securities Intermediary's Jurisdiction or Pledged Issuer's Jurisdiction;
 - (iii) change in the location of the jurisdiction of incorporation or amalgamation, chief executive office, or domicile of the Debtor;
 - (iv) change in the name of the Debtor;
 - (v) any merger, consolidation or amalgamation of the Debtor with any other Person;
 - (vi) Lien (other than Permitted Liens) on, or material claim asserted against, any of the Collateral; or
 - (vii) occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests.

The Debtor will not effect or permit any of the changes referred to in clauses (ii) through (v) above unless all filings have been made and all other actions taken that are reasonably required in order for the Agent to continue at all times following such change to have a valid and perfected first priority Security Interest in respect of all of the Collateral.

7. Voting Rights. Unless an Event of Default has occurred and is continuing, the Debtor will be entitled to exercise all voting power from time to time exercisable in respect of the Pledged Securities and Pledged Security Entitlements and give consents, waivers and ratifications in respect thereof; provided, however, that no vote will be cast or consent, waiver or ratification given or action taken which would be, or would have a reasonably likelihood of being, materially prejudicial to the interests of the Secured Creditors or imposing any material restriction on the transferability of any of the Collateral. Unless an Event of Default has occurred and is continuing the Agent shall, from time to time at the request and expense of the Debtor, execute or cause to be executed, in respect of all Pledged Securities that are registered in the name of the Agent or its nominee, valid proxies appointing the Debtor as its (or its nominee's) proxy to attend, vote and act for and on behalf of the Agent or such nominee, as the case may be, at any and all meetings

- 7 -

of the applicable Pledged Issuer's shareholders or debt holders, all Pledged Securities that are registered in the name of the Agent or such nominee, as the case may be, and to execute and deliver, consent to or approve or disapprove of or withhold consent to any resolutions in writing of shareholders or debt holders of the applicable Pledged Issuer for and on behalf of the Agent or such nominee, as the case may be. Immediately upon the occurrence and during the continuance of any Event of Default, all such rights of the Debtor to vote and give consents, waivers and ratifications will cease and the Agent or its nominee will be entitled to exercise all such voting rights and to give all such consents, waivers and ratifications.

8. **Dividends; Interest.** Unless an Event of Default has occurred and is continuing, the Debtor will be entitled to receive any and all cash dividends, partnership distributions interest, principal payments and other forms of cash distribution on the Pledged Securities or Pledged Security Entitlements which it is otherwise entitled to receive, but any and all stock and/or liquidating dividends, distributions of property (other than cash partnership distributions), returns of capital or other distributions made on or in respect of the Pledged Securities or Pledged Security Entitlements, whether resulting from a subdivision, combination or reclassification of the outstanding capital stock of any Pledged Issuer or received in exchange for the Pledged Securities, Pledged Security Entitlements or any part thereof or as a result of any amalgamation, merger, consolidation, acquisition or other exchange of property to which any Pledged Issuer may be a party or otherwise, and any and all cash and other property received in exchange for any Pledged Securities or Pledged Security Entitlements will be and become part of the Collateral subject to the Security Interests. If any Pledged Security Certificates are received by the Debtor, they will forthwith be delivered to the Agent or its nominee (accompanied, if appropriate, by proper instruments of assignment and/or stock powers of attorney executed by the Debtor in accordance with the Agent's instructions) to be held subject to the terms of this Agreement; and if any of the Pledged Security Certificates have been registered in the name of the Agent or its nominee, the Agent will execute and deliver (or cause to be executed and delivered) to the Debtor all such dividend orders and other instruments as the Debtor may request for the purpose of enabling the Debtor to receive the dividends, distributions or other payments which the Debtor is authorized to receive and retain pursuant to this Section. If an Event of Default has occurred and is continuing, all rights of the Debtor pursuant to this Section will cease and the Agent will have the sole and exclusive right and authority to receive and retain the cash dividends, interest, principal payments and other forms of cash distribution which the Debtor would otherwise be authorized to retain pursuant to this Section. Any money and other property paid over to or received by the Agent pursuant to the provisions of this Section will be retained by the Agent (on behalf of the Secured Creditors) as additional Collateral hereunder and be applied in accordance with the provisions of this Agreement.
9. **Rights on Event of Default.** If an Event of Default has occurred and is continuing, then and in every such case the Security Interests shall become enforceable and the Agent, in addition to any rights now or hereafter existing under Applicable Laws may, personally or by agent, at such time or times as the Agent in its discretion may, subject to the

- 8 -

Applicable Laws to the extent required thereby, determine, do any one or more of the following:

- (a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Secured Creditors by contract, at law or in equity.
- (b) Dispose of Collateral. Realize on any or all of the Collateral and sell, lease, assign, give options to purchase, or otherwise dispose of and deliver any or all of the Collateral (or contract to do any of the above), in one or more parcels at any public or private sale, at any exchange, broker's board or office of the Agent or elsewhere, with or without advertising or other formality, except as required by Applicable Laws, on such terms and conditions as the Agent may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery.
- (c) Court-Approved Disposition of Collateral. Obtain from any court of competent jurisdiction an order for the sale or foreclosure of any or all of the Collateral.
- (d) Purchase by Secured Creditor. At any public sale, and to the extent permitted by Law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain, sell or otherwise dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention, sale or other disposition, except as required by Applicable Laws. In any such sale to a Secured Creditor, such Secured Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for any or all of the Secured Liabilities then due and payable to it as a credit against the purchase price.
- (e) Transfer of Collateral. Transfer any Collateral that is Investment Property into the name of the Agent or its nominee.
- (f) Voting. Vote any or all of the Pledged Securities (whether or not transferred to the Agent or its nominee) and Pledged Security Entitlements and give or withhold all consents, waivers and ratifications in respect thereof and otherwise act with respect thereto as though it were the outright owner thereof.
- (g) Exercise Other Rights. Exercise any and all rights, privileges, entitlements and options pertaining to any Collateral that is Investment Property as if the Agent were the absolute owner of such Investment Property.

The Agent may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by Applicable Laws) to or on the Debtor or any other Person, and the Debtor hereby waives each such demand, presentment, protest, advertisement and notice to the extent permitted by Applicable Laws. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or

- 9 -

more of such rights and remedies may be exercised independently or in combination from time to time. The Debtor acknowledges and agrees that any action taken by the Agent hereunder following the occurrence and during the continuance of an Event of Default shall not be rendered invalid or ineffective as a result of the subsequent curing of the Event of Default on which such action was based.

10. **Realization Standards.** To the extent that Applicable Law imposes duties on the Secured Creditors to exercise remedies in a commercially reasonable manner and without prejudice to the ability of the Secured Creditors to dispose of the Collateral in any such manner, the Debtor acknowledges and agrees that it is not commercially unreasonable for the Secured Creditors to (or not to): (a) to the extent deemed appropriate by the Agent, obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Secured Creditors in the collection or disposition of any of the Collateral; (b) dispose of Collateral in whole or in part; (c) dispose of Collateral to a customer of a Secured Creditor; and (d) establish an upset or reserve bid price in respect of Collateral.
11. **Securities Laws.** The Agent is authorized, in connection with any offer or sale of any Pledged Securities or Pledged Security Entitlements, to comply with any limitation or restriction as it may be advised by counsel is necessary to comply with Applicable Law, including compliance with procedures that may restrict the number of prospective bidders and purchasers, requiring that prospective bidders and purchasers have certain qualifications, and restricting prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such Securities. In addition to and without limiting Section 10, the Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Secured Creditors will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Pledged Securities or Pledged Security Entitlements are sold in compliance with any such limitation or restriction. If the Agent chooses to exercise its right to sell any or all Pledged Securities or Pledged Security Entitlements, upon written request, the Debtor will cause each applicable Pledged Issuer to furnish to the Agent all such information as the Agent may request in order to determine the number of shares and other instruments included in the Collateral which may be sold by the Agent in exempt transactions under any Laws governing securities, and the rules and regulations of any applicable securities regulatory body thereunder, as the same are from time to time in effect.
12. **Application of Proceeds.** All Proceeds of Collateral received by the Agent may be applied to discharge or satisfy any expenses (including expenses of enforcing the Secured Creditors' rights under this Agreement), Liens on the Collateral in favour of Persons other than the Secured Creditors, borrowings, taxes and other outgoings affecting the Collateral or which are considered advisable by the Agent to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale or other disposition, or to keep in good standing any Liens on the Collateral ranking in priority to any of the Security Interests, or to sell or otherwise dispose of the Collateral. The balance of such

- 10 -

Proceeds may, at the sole discretion of the Agent, be held as collateral security for the Secured Liabilities or be applied to such of the Secured Liabilities (whether or not the same are due and payable) in such manner and at such times as the Agent considers appropriate and thereafter will be accounted for as required by Law.

13. **Agent's Appointment as Attorney in Fact.** Effective upon the occurrence and during the continuance of an Event of Default, the Debtor constitutes and appoints the Agent and any officer or agent of the Agent, with full power of substitution, as the Debtor's true and lawful attorney in fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Agent's discretion, to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney, may be necessary or desirable to accomplish the purposes of this Agreement. Without limiting the effect of this Section, the Debtor grants the Agent an irrevocable proxy to vote the Pledged Securities and Pledged Security Entitlements and to exercise all other rights, powers, privileges and remedies to which a holder thereof would be entitled (including giving or withholding written consents of shareholders, calling special meetings of shareholders and voting at such meetings), which proxy shall be effective, automatically and without the necessity of any action (including any transfer of any Pledged Securities or Pledged Security Entitlements on the books and records of a Pledged Issuer or Pledged Securities Intermediary, as applicable, upon the occurrence of an Event of Default. These powers are coupled with an interest and are irrevocable until the Release Date. Nothing in this Section affects the right of the Agent as secured party or any other Person on any Secured Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Agent or such other Person considers appropriate. The Debtor hereby ratifies and confirms, and agrees to ratify and confirm, whatever lawful acts the Agent or any of the Agent's sub-agents, nominees or attorneys do or purport to do in exercise of the power of attorney granted to the Agent pursuant to this Section.
14. **Performance by Secured Creditors of Debtor's Obligations.** If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Secured Creditors may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Secured Creditors incurred in connection with any such performance or compliance will be payable by the Debtor to the Agent immediately on demand, and until paid, any such expenses will form part of the Secured Liabilities and will be secured by the Security Interests.
15. **Severability.** Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

16. **Rights of Secured Creditors; Limitations on Secured Creditors' Obligations.**

- (a) **Limitations on Secured Creditors' Liability.** No Secured Creditor will be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). No Secured Creditor nor any agent of any Secured Creditor (including, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons under any Collateral in its possession. No Secured Creditor nor any agent of any Secured Creditor will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of any Secured Creditor or any agent thereof) caused for any reason other than the gross negligence or wilful misconduct of a Secured Creditor or such agent of such Secured Creditor.
- (b) **Use of Agents.** The Agent may perform any of its rights or duties under this Agreement by or through agents.

17. **Dealings by Secured Creditors.** No Secured Creditor will be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Secured Liabilities or any part thereof before realizing upon or otherwise dealing with the Collateral in such manner as the Agent may consider desirable. The Secured Creditors may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Agent may see fit, all without prejudice to the Secured Liabilities or to the rights and remedies of the Secured Creditors under this Agreement. The powers conferred on the Agent under this Agreement are solely to protect the interests of the Secured Creditors in the Collateral and will not impose any duty upon any Secured Creditor to exercise any such powers.

18. **Communication.** Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Credit Agreement.

19. **Release of Information.** The Debtor authorizes the Agent to provide a copy of this Agreement and such other information as may be requested of the Agent: (a) to the extent necessary to enforce the Agent's rights, remedies and entitlements under this Agreement; (b) to any permitted assignee or prospective assignee of all or any part of the Secured Liabilities; and (c) as required by Applicable Laws.

20. **Expenses; Indemnity; Waiver.**

- (a) The Debtor shall pay: (i) all reasonable out-of-pocket expenses incurred by the Agent, including the reasonable fees, charges and disbursements of counsel for

- 12 -

the Agent and all applicable taxes, in connection with the preparation and administration of this Agreement; (ii) all reasonable out-of-pocket expenses incurred by the Agent, including the reasonable fees, charges and disbursements of counsel for the Agent and applicable taxes, in connection with any amendments, modifications or waivers of the provisions hereof; and (iii) all out-of-pocket expenses incurred by the Agent, including the fees, charges and disbursements of any counsel for the Secured Creditors and all applicable taxes, in connection with the assessment, enforcement or protection of their rights in connection with this Agreement, including its rights under this Section, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Secured Liabilities.

- (b) The Debtor shall indemnify the Secured Creditors against, and hold each Secured Creditor harmless from, any and all losses, claims, cost recovery actions, damages, expenses and liabilities of whatsoever nature or kind and all reasonable out-of-pocket expenses and all applicable taxes to which the applicable Secured Creditor may become subject arising out of or in connection with: (i) the execution or delivery of this Agreement and the performance by the Debtor of its obligations hereunder; (ii) any actual or prospective claim, litigation, investigation or proceeding relating to this Agreement or the Secured Liabilities, whether based on contract, tort or any other theory and regardless of whether the applicable Secured Creditor is a party thereto; (iii) any other aspect of this Agreement; or (iv) the enforcement of the Secured Creditors' rights hereunder and any related investigation, defence, preparation of defence, litigation and enquiries; provided that such indemnity shall not, as to any Secured Creditor, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or wilful misconduct of or material breach of this Agreement by such Secured Creditor.
- (c) The Debtor shall not assert, and hereby waives (to the fullest extent permitted by Applicable Laws): (i) any claim against any Secured Creditor (or any director, officer or employee thereof), on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement; and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.
- (d) All amounts due under this Section shall be payable not later than thirty (30) days after written demand therefor.
- (e) The indemnifications set out in this Section will survive the Release Date and the release or extinguishment of the Security Interests.

- 13 -

21. **Release of Debtor.** Upon the written request of the Debtor given at any time on or after the Release Date, the Agent shall at the expense of the Debtor, promptly release the Debtor and the Collateral from the Security Interests. Upon such release, and at the request and expense of the Debtor, the Agent shall promptly execute and deliver to the Debtor such releases and discharges as the Debtor may reasonably request.
22. **Additional Security.** This Agreement is in addition to, and not in substitution of, any and all other security previously or concurrently delivered by the Debtor or any other Person to the Secured Creditors, all of which other security shall remain in full force and effect.
23. **Alteration or Waiver.** None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Agent. The Agent will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Agent, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Agent of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Agent would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Secured Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation.
24. **Amalgamation.** The Debtor acknowledges that if it amalgamates or merges with any other corporation or corporations, then: (a) the Collateral and the Security Interests will extend to and include all the property and assets of the successor corporation and to any property or assets of the successor corporation thereafter owned or acquired; (b) the term "Debtor", where used in this Agreement, will extend to and include the successor corporation; and (c) the term "Secured Liabilities", where used in this Agreement, will extend to and include the Secured Liabilities of the successor corporation.
25. **Governing Law; Attornment.** This Agreement will be governed by and construed in accordance with the Laws of the Province of Alberta. Without prejudice to the ability of the Secured Creditors to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by Applicable Laws, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such Province.
26. **Interpretation.** The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall

- 14 -

include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. The word “or” is disjunctive; the word “and” is conjunctive. The word “shall” is mandatory; the word “may” is permissive. Unless the context requires otherwise: (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set out herein); (b) any reference herein to any statute or any section thereof shall, unless otherwise expressly stated, be deemed to be a reference to such statute or section as amended, restated or re-enacted from time to time; (c) any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns; (d) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof; and (e) all references herein to Sections and Schedules shall be construed to refer to Sections and Schedules to, this Agreement, Section headings are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement. Any reference in this Agreement to a Permitted Lien is not intended to subordinate or postpone, and shall not be interpreted as subordinating or postponing, or as any agreement to subordinate or postpone, any Security Interest to any Permitted Lien.

27. **Successors and Assigns.** This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Secured Creditors and their successors and assigns. The Debtor may not assign this Agreement or any of its rights or obligations under this Agreement. The Agent may assign this Agreement and any of its rights and obligations hereunder to any Person that replaces it in its capacity as such.
28. **Acknowledgment of Receipt/Waiver.** The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by Applicable Laws, waives the right to receive a copy of any financing statement or financing change statement registered in connection with this Agreement or any verification statement issued in respect of any such financing statement or financing change statement.
29. **Paramountcy.** If a conflict or inconsistency exists in or between a provision of this Agreement and a provision of the Credit Agreement or any part thereof, the provisions of the Credit Agreement shall prevail to the extent necessary to resolve such conflict or inconsistency.
30. **Electronic Signature.** Delivery of an executed signature page to this Agreement by the Debtor by facsimile, pdf or other electronic form of transmission shall be as effective as delivery by the Debtor of a manually executed copy of this Agreement by the Debtor.

Immediately upon the occurrence and during the continuance of any Event of Default, all such rights of the Debtor to vote and give consents, waivers and ratifications will cease and the Agent or its nominee will be entitled to exercise all such voting rights and to give all such consents, waivers and ratifications.

8. **Dividends; Interest.** Unless an Event of Default has occurred and is continuing, the Debtor will be entitled to receive any and all cash dividends, partnership distributions interest, principal payments and other forms of cash distribution on the Pledged Securities or Pledged Security Entitlements which it is otherwise entitled to receive, but any and all stock and/or liquidating dividends, distributions of property (other than cash partnership distributions), returns of capital or other distributions made on or in respect of the Pledged Securities or Pledged Security Entitlements, whether resulting from a subdivision, combination or reclassification of the outstanding capital stock of any Pledged Issuer or received in exchange for the Pledged Securities, Pledged Security Entitlements or any part thereof or as a result of any amalgamation, merger, consolidation, acquisition or other exchange of property to which any Pledged Issuer may be a party or otherwise, and any and all cash and other property received in exchange for any Pledged Securities or Pledged Security Entitlements will be and become part of the Collateral subject to the Security Interests. If any Pledged Security Certificates are received by the Debtor, they will forthwith be delivered to the Agent or its nominee (accompanied, if appropriate, by proper instruments of assignment and/or stock powers of attorney executed by the Debtor in accordance with the Agent's instructions) to be held subject to the terms of this Agreement; and if any of the Pledged Security Certificates have been registered in the name of the Agent or its nominee, the Agent will execute and deliver (or cause to be executed and delivered) to the Debtor all such dividend orders and other instruments as the Debtor may request for the purpose of enabling the Debtor to receive the dividends, distributions or other payments which the Debtor is authorized to receive and retain pursuant to this Section. If an Event of Default has occurred and is continuing, all rights of the Debtor pursuant to this Section will cease and the Agent will have the sole and exclusive right and authority to receive and retain the cash dividends, interest, principal payments and other forms of cash distribution which the Debtor would otherwise be authorized to retain pursuant to this Section. Any money and other property paid over to or received by the Agent pursuant to the provisions of this Section will be retained by the Agent (on behalf of the Secured Creditors) as additional Collateral hereunder and be applied in accordance with the provisions of this Agreement.
9. **Rights on Event of Default.** If an Event of Default has occurred and is continuing, then and in every such case the Security Interests shall become enforceable and the Agent, in addition to any rights now or hereafter existing under Applicable Laws may, personally or by agent, at such time or times as the Agent in its discretion may, subject to the Applicable Laws to the extent required thereby, determine, do any one or more of the following:

- 8 -

- (a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Secured Creditors by contract, at law or in equity.
- (b) Dispose of Collateral. Realize on any or all of the Collateral and sell, lease, assign, give options to purchase, or otherwise dispose of and deliver any or all of the Collateral (or contract to do any of the above), in one or more parcels at any public or private sale, at any exchange, broker's board or office of the Agent or elsewhere, with or without advertising or other formality, except as required by Applicable Laws, on such terms and conditions as the Agent may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery.
- (c) Court-Approved Disposition of Collateral. Obtain from any court of competent jurisdiction an order for the sale or foreclosure of any or all of the Collateral.
- (d) Purchase by Secured Creditor. At any public sale, and to the extent permitted by Law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain, sell or otherwise dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention, sale or other disposition, except as required by Applicable Laws. In any such sale to a Secured Creditor, such Secured Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for any or all of the Secured Liabilities then due and payable to it as a credit against the purchase price.
- (e) Transfer of Collateral. Transfer any Collateral that is Investment Property into the name of the Agent or its nominee.
- (f) Voting. Vote any or all of the Pledged Securities (whether or not transferred to the Agent or its nominee) and Pledged Security Entitlements and give or withhold all consents, waivers and ratifications in respect thereof and otherwise act with respect thereto as though it were the outright owner thereof.
- (g) Exercise Other Rights. Exercise any and all rights; privileges, entitlements and options pertaining to any Collateral that is Investment Property as if the Agent were the absolute owner of such Investment Property.

The Agent may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by Applicable Laws) to or on the Debtor or any other Person, and the Debtor hereby waives each such demand, presentment, protest, advertisement and notice to the extent permitted by Applicable Laws. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. The Debtor acknowledges and agrees that any action taken by the Agent

- 9 -

hereunder following the occurrence and during the continuance of an Event of Default shall not be rendered invalid or ineffective as a result of the subsequent curing of the Event of Default on which such action was based.

10. **Realization Standards.** To the extent that Applicable Law imposes duties on the Secured Creditors to exercise remedies in a commercially reasonable manner and without prejudice to the ability of the Secured Creditors to dispose of the Collateral in any such manner, the Debtor acknowledges and agrees that it is not commercially unreasonable for the Secured Creditors to (or not to): (a) to the extent deemed appropriate by the Agent, obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Secured Creditors in the collection or disposition of any of the Collateral; (b) dispose of Collateral in whole or in part; (c) dispose of Collateral to a customer of a Secured Creditor; and (d) establish an upset or reserve bid price in respect of Collateral.
11. **Securities Laws.** The Agent is authorized, in connection with any offer or sale of any Pledged Securities or Pledged Security Entitlements, to comply with any limitation or restriction as it may be advised by counsel is necessary to comply with Applicable Law, including compliance with procedures that may restrict the number of prospective bidders and purchasers, requiring that prospective bidders and purchasers have certain qualifications, and restricting prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such Securities. In addition to and without limiting Section 10, the Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Secured Creditors will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Pledged Securities or Pledged Security Entitlements are sold in compliance with any such limitation or restriction. If the Agent chooses to exercise its right to sell any or all Pledged Securities or Pledged Security Entitlements, upon written request, the Debtor will cause each applicable Pledged Issuer to furnish to the Agent all such information as the Agent may request in order to determine the number of shares and other instruments included in the Collateral which may be sold by the Agent in exempt transactions under any Laws governing securities, and the rules and regulations of any applicable securities regulatory body thereunder, as the same are from time to time in effect.
12. **Application of Proceeds.** All Proceeds of Collateral received by the Agent may be applied to discharge or satisfy any expenses (including expenses of enforcing the Secured Creditors' rights under this Agreement), Liens on the Collateral in favour of Persons other than the Secured Creditors, borrowings, taxes and other outgoings affecting the Collateral or which are considered advisable by the Agent to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale or other disposition, or to keep in good standing any Liens on the Collateral ranking in priority to any of the Security Interests, or to sell or otherwise dispose of the Collateral. The balance of such Proceeds may, at the sole discretion of the Agent, be held as collateral security for the Secured Liabilities or be applied to such of the Secured Liabilities (whether or not the

- 10 -

same are due and payable) in such manner and at such times as the Agent considers appropriate and thereafter will be accounted for as required by Law.

13. **Agent's Appointment as Attorney in Fact.** Effective upon the occurrence and during the continuance of an Event of Default, the Debtor constitutes and appoints the Agent and any officer or agent of the Agent, with full power of substitution, as the Debtor's true and lawful attorney in fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Agent's discretion, to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney, may be necessary or desirable to accomplish the purposes of this Agreement. Without limiting the effect of this Section, the Debtor grants the Agent an irrevocable proxy to vote the Pledged Securities and Pledged Security Entitlements and to exercise all other rights, powers, privileges and remedies to which a holder thereof would be entitled (including giving or withholding written consents of shareholders, calling special meetings of shareholders and voting at such meetings), which proxy shall be effective, automatically and without the necessity of any action (including any transfer of any Pledged Securities or Pledged Security Entitlements on the books and records of a Pledged Issuer or Pledged Securities Intermediary, as applicable, upon the occurrence of an Event of Default. These powers are coupled with an interest and are irrevocable until the Release Date. Nothing in this Section affects the right of the Agent as secured party or any other Person on any Secured Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Agent or such other Person considers appropriate. The Debtor hereby ratifies and confirms, and agrees to ratify and confirm, whatever lawful acts the Agent or any of the Agent's sub-agents, nominees or attorneys do or purport to do in exercise of the power of attorney granted to the Agent pursuant to this Section.
14. **Performance by Secured Creditors of Debtor's Obligations.** If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Secured Creditors may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Secured Creditors incurred in connection with any such performance or compliance will be payable by the Debtor to the Agent immediately on demand, and until paid, any such expenses will form part of the Secured Liabilities and will be secured by the Security Interests.
15. **Severability.** Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.
16. **Rights of Secured Creditors; Limitations on Secured Creditors' Obligations.**

- 11 -

- (a) Limitations on Secured Creditors' Liability. No Secured Creditor will be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). No Secured Creditor nor any agent of any Secured Creditor (including, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons under any Collateral in its possession. No Secured Creditor nor any agent of any Secured Creditor will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of any Secured Creditor or any agent thereof) caused for any reason other than the gross negligence or wilful misconduct of a Secured Creditor or such agent of such Secured Creditor.
 - (b) Use of Agents. The Agent may perform any of its rights or duties under this Agreement by or through agents.
17. Dealings by Secured Creditors. No Secured Creditor will be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Secured Liabilities or any part thereof before realizing upon or otherwise dealing with the Collateral in such manner as the Agent may consider desirable. The Secured Creditors may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Agent may see fit, all without prejudice to the Secured Liabilities or to the rights and remedies of the Secured Creditors under this Agreement. The powers conferred on the Agent under this Agreement are solely to protect the interests of the Secured Creditors in the Collateral and will not impose any duty upon any Secured Creditor to exercise any such powers.
 18. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Credit Agreement.
 19. Release of Information. The Debtor authorizes the Agent to provide a copy of this Agreement and such other information as may be requested of the Agent: (a) to the extent necessary to enforce the Agent's rights, remedies and entitlements under this Agreement; (b) to any permitted assignee or prospective assignee of all or any part of the Secured Liabilities; and (c) as required by Applicable Laws.
 20. Expenses; Indemnity; Waiver.

- 12 -

incurred by the Agent, including the reasonable fees, charges and disbursements of counsel for the Agent and applicable taxes, in connection with any amendments, modifications or waivers of the provisions hereof; and (iii) all out-of-pocket expenses incurred by the Agent, including the fees, charges and disbursements of any counsel for the Secured Creditors and all applicable taxes, in connection with the assessment, enforcement or protection of their rights in connection with this Agreement, including its rights under this Section, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Secured Liabilities.

- (b) The Debtor shall indemnify the Secured Creditors against, and hold each Secured Creditor harmless from, any and all losses, claims, cost recovery actions, damages, expenses and liabilities of whatsoever nature or kind and all reasonable out-of-pocket expenses and all applicable taxes to which the applicable Secured Creditor may become subject arising out of or in connection with: (i) the execution or delivery of this Agreement and the performance by the Debtor of its obligations hereunder; (ii) any actual or prospective claim, litigation, investigation or proceeding relating to this Agreement or the Secured Liabilities, whether based on contract, tort or any other theory and regardless of whether the applicable Secured Creditor is a party thereto; (iii) any other aspect of this Agreement; or (iv) the enforcement of the Secured Creditors' rights hereunder and any related investigation, defence, preparation of defence, litigation and enquiries; provided that such indemnity shall not, as to any Secured Creditor, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or wilful misconduct of or material breach of this Agreement by such Secured Creditor.
- (c) The Debtor shall not assert, and hereby waives (to the fullest extent permitted by Applicable Laws): (i) any claim against any Secured Creditor (or any director, officer or employee thereof), on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement; and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.
- (d) All amounts due under this Section shall be payable not later than thirty (30) days after written demand therefor.
- (e) The indemnifications set out in this Section will survive the Release Date and the release or extinguishment of the Security Interests.

- 13 -

21. **Release of Debtor.** Upon the written request of the Debtor given at any time on or after the Release Date, the Agent shall at the expense of the Debtor, promptly release the Debtor and the Collateral from the Security Interests. Upon such release, and at the request and expense of the Debtor, the Agent shall promptly execute and deliver to the Debtor such releases and discharges as the Debtor may reasonably request.
22. **Additional Security.** This Agreement is in addition to, and not in substitution of, any and all other security previously or concurrently delivered by the Debtor or any other Person to the Secured Creditors, all of which other security shall remain in full force and effect.
23. **Alteration or Waiver.** None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Agent. The Agent will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Agent, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Agent of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Agent would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Secured Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation.
24. **Amalgamation.** The Debtor acknowledges that if it amalgamates or merges with any other corporation or corporations, then: (a) the Collateral and the Security Interests will extend to and include all the property and assets of the successor corporation and to any property or assets of the successor corporation thereafter owned or acquired; (b) the term "Debtor", where used in this Agreement, will extend to and include the successor corporation; and (c) the term "Secured Liabilities", where used in this Agreement, will extend to and include the Secured Liabilities of the successor corporation.
25. **Governing Law; Attornment.** This Agreement will be governed by and construed in accordance with the Laws of the Province of Alberta. Without prejudice to the ability of the Secured Creditors to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by Applicable Laws, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such Province.
26. **Interpretation.** The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall

include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. The word “or” is disjunctive; the word “and” is conjunctive. The word “shall” is mandatory; the word “may” is permissive. Unless the context requires otherwise: (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set out herein); (b) any reference herein to any statute or any section thereof shall, unless otherwise expressly stated, be deemed to be a reference to such statute or section as amended, restated or re-enacted from time to time; (c) any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns; (d) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof; and (e) all references herein to Sections and Schedules shall be construed to refer to Sections and Schedules to, this Agreement, Section headings are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement. Any reference in this Agreement to a Permitted Lien is not intended to subordinate or postpone, and shall not be interpreted as subordinating or postponing, or as any agreement to subordinate or postpone, any Security Interest to any Permitted Lien.

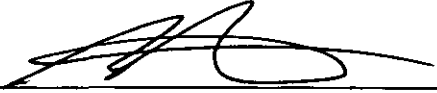

27. **Successors and Assigns.** This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Secured Creditors and their successors and assigns. The Debtor may not assign this Agreement or any of its rights or obligations under this Agreement. The Agent may assign this Agreement and any of its rights and obligations hereunder to any Person that replaces it in its capacity as such.
28. **Acknowledgment of Receipt/Waiver.** The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by Applicable Laws, waives the right to receive a copy of any financing statement or financing change statement registered in connection with this Agreement or any verification statement issued in respect of any such financing statement or financing change statement.
29. **Paramountcy.** If a conflict or inconsistency exists in or between a provision of this Agreement and a provision of the Credit Agreement or any part thereof, the provisions of the Credit Agreement shall prevail to the extent necessary to resolve such conflict or inconsistency.
30. **Electronic Signature.** Delivery of an executed signature page to this Agreement by the Debtor by facsimile, pdf or other electronic form of transmission shall be as effective as delivery by the Debtor of a manually executed copy of this Agreement by the Debtor.

This PLEDGE AGREEMENT dated as of May 23, 2014 (together with all amendments, if any, from time to time hereto, this "Agreement"), is made by and between Q'MAX SOLUTIONS INC. (the "Pledgor") and HSBC BANK CANADA, as administrative agent for the Lenders (as defined below) (in such capacity, together with its successors and permitted assigns, the "Agent" and, collectively with the Lenders, the Hedge Providers and the Agent and its Affiliates as counterparties to the Banking Services Agreements, the "Secured Parties" and each, a "Secured Party").

WITNESSETH:

A. Pursuant to that certain Credit Agreement dated as of the date hereof (as amended, supplemented or restated from time to time, the "Credit Agreement"), by and among Fluid Acquisition Corp. and Q'Max America Inc. (collectively, the "Borrowers"), HSBC Bank Canada and the other Lenders from time to time party to the Credit Agreement (collectively, the "Lenders") and the Agent, the Lenders have agreed to make available to the Borrowers certain Loans.

B. The obligation of the Lenders to continue to make Loans available to the Borrowers pursuant to the Credit Agreement, the entry into Hedging Agreements by the Hedge Providers from time to time and the entry into Banking Services Agreements by the Agent and its Affiliates, from time to time are conditioned upon the execution and delivery by the Pledgor of this Agreement to secure the Obligations.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, in order to induce the Lenders to make Advances under the Credit Agreement and to induce the Hedge Providers to enter into Hedging Agreements from time to time and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto hereby agree as follows:

Section 1. Terms Defined in Credit Agreement. Except as otherwise provided in this Agreement, all capitalized terms used herein without definition shall have the same meanings herein as such terms have in the Credit Agreement.

Section 2. Grant of Security Interest in the Collateral. To secure the prompt and complete payment, performance and observance of all of the Obligations of the Pledgor (collectively, the "Secured Obligations"), the Pledgor hereby grants to the Agent for the benefit of the Secured Parties a lien on and security interest in, and acknowledges and agrees that the Agent has and shall continue to have for the benefit of the Secured Parties a continuing lien on and security interest in, all right, title, and interest of the Pledgor in (a) (i) all shares of the capital stock of Q'Max America Inc. (the "Issuer"), whether now owned or hereafter formed or acquired (those shares as of the date hereof being listed and described on Schedule A attached hereto), and all substitutions and additions to such shares (herein, the "Pledged Securities"), (ii) all dividends, distributions, and sums distributable or payable from, upon or in respect of the Pledged Securities, and (iii) all other rights and privileges incident to the Pledged Securities (all of the foregoing being hereinafter referred to collectively as the "Stock Collateral") and (b) all proceeds of the foregoing; all of the foregoing being herein sometimes referred to as the "Collateral".

Section 3. Covenants, Agreements, Representations and Warranties. The Pledgor hereby covenants and agrees with, and represents and warrants to, the Secured Parties that:

- (a) The Pledgor is the sole and lawful owner of its Collateral.

(b) None of the Collateral constitutes margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System).

(c) The Pledgor shall warrant and defend the Collateral against any claims and demands of all persons (other than holders of Permitted Liens) at any time claiming the same or any interest in the Collateral adverse to the Secured Parties.

(d) The Pledgor agrees to execute and deliver to the Agent such further agreements, assignments, instruments, and documents, and to do all such other things, as the Agent may deem necessary or appropriate to assure the Agent its lien and security interest hereunder, including, without limitation, such assignments, acknowledgments, stock powers, financing statements, instruments, and documents as the Agent may from time to time require in order to comply with the Uniform Commercial Code of the State of New York as in effect from time to time ("UCC"). The Pledgor hereby authorizes the Agent to file any and all financing statements covering the Collateral or any part thereof as the Agent may require.

(e) If, as and when the Pledgor acquires any Pledged Securities in addition to those listed on Schedule A hereto, the Pledgor shall furnish to the Agent a supplement to the relevant Schedule reflecting the additional Collateral subject to this Agreement (provided the Pledgor's failure to do so shall not impair the Agent's security interest therein).

(f) On failure of the Pledgor to perform any of the covenants and agreements herein contained, the Agent may, at its option, perform the same and in so doing may expend such sums as the Agent deems advisable in the performance thereof, including, without limitation, the payment of any insurance premiums, the payment of any taxes, liens, and encumbrances, expenditures made in defending against any adverse claims, and all other expenditures which the Agent may be compelled to make by operation of law or which the Agent may make by agreement or otherwise for the protection of the security hereof. All such sums and amounts so expended shall be repayable by the Pledgor upon demand, shall constitute additional Secured Obligations secured hereunder. No such performance of any covenant or agreement by the Agent on behalf of the Pledgor, and no such advancement or expenditure therefor, shall relieve the Pledgor of any default under the terms of this Agreement or in any way obligate any Secured Party to take any further or future action with respect thereto. The Agent, in making any payment hereby authorized, may do so according to any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax lien or title or claim.

Section 4. Special Provisions Re: Stock Collateral.

(a) The Pledgor has the right to vote the Pledged Securities and there are no restrictions upon the voting rights associated with, or the transfer of, any of the Pledged Securities, except as provided by federal and state laws applicable to the sale of securities generally and the terms of this Agreement.

(b) The certificates for all shares of the Pledged Securities shall be delivered by the Pledgor to the Agent duly endorsed in blank for transfer or accompanied by an appropriate assignment or assignments or an appropriate undated stock power or powers, in every case sufficient to transfer title thereto. The Agent may, at any time after the occurrence of any Event of Default, cause to be transferred into its name or into the name of its nominee or nominees any and all of the Pledged Securities. If an Event of Default shall have occurred and be continuing, the Agent shall have the right to exchange the certificates representing the Pledged Securities for certificates of smaller or larger denominations.

(c) The Pledged Securities have been validly issued and, except as described on Schedule A, are fully paid and non-assessable. Except as set forth on Schedule A, there are no outstanding commitments or other obligations of the issuers of any of the Pledged Securities to issue, and no options, warrants or other rights of any individual or entity to acquire, any share of any class or series of capital stock of such issuers. The Pledged Securities listed and described on Schedule A attached hereto constitute the percentage of the issued and outstanding capital stock of each series and class of the issuers thereof as set forth thereon owned by the relevant Pledgor. The Pledgor agrees that in the event any such issuer shall issue any additional capital stock of any series or class (whether or not entitled to vote) to the Pledgor or otherwise on account of its ownership interest therein, the Pledgor will forthwith pledge and deposit hereunder, or cause to be pledged and deposited hereunder, all such additional shares of such capital stock.

Section 5. Voting Rights and Dividends. Unless and until an Event of Default hereunder has occurred and is continuing and thereafter until notified by the Agent pursuant to Section 7(c) hereof:

(a) The Pledgor shall be entitled to exercise all voting and/or consensual powers pertaining to the Collateral of the Pledgor, or any part thereof, for all purposes not inconsistent with the terms of this Agreement or any other document evidencing or otherwise relating to any of the Secured Obligations.

(b) The Pledgor shall be entitled to receive and retain all dividends and distributions in respect of the Collateral; *provided, however*, that any non-cash dividends and distributions upon or in respect of the Pledged Securities or any part thereof or resulting from a split-up, revision or reclassification of the Pledged Securities or any part thereof or received in addition to, in substitution of or in exchange for the Pledged Securities or any part thereof as a result of a merger, consolidation or otherwise that would constitute Pledged Securities shall be delivered or transferred, as appropriate, directly to the Agent promptly upon the receipt thereof by the Pledgor and shall be held by the Agent pursuant hereto as part of the Collateral pledged under and subject to the terms of this Agreement.

(c) In order to permit the Pledgor to exercise such voting and/or consensual powers which it is entitled to exercise under subsection (a) above and to receive such distributions which the Pledgor is entitled to receive and retain under subsection (b)

above, the Agent will, if necessary, upon the written request of the Pledgor and at the expense of the Pledgor, from time to time execute and deliver to the Pledgor appropriate proxies and dividend orders.

Section 6. Power of Attorney. In addition to any other powers of attorney contained herein, the Pledgor hereby appoints the Agent, its nominee, or any other person whom the Agent may designate as the Pledgor's attorney-in-fact, with full power and authority upon the occurrence and during the continuation of any Event of Default to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all sums or properties which may be or become due, payable or distributable in respect of the Collateral or any part thereof, with full power to settle, adjust or compromise any claim thereunder or therefor as fully as the Pledgor could itself do, to endorse or sign the Pledgor's name on any assignments, stock powers or other instruments of transfer and on any checks, notes, acceptances, money orders, drafts, and any other forms of payment or security that may come into the Agent's possession and on all documents of satisfaction, discharge or receipt required or requested in connection therewith, and, in its discretion, to file any claim or take any other action or proceeding, either in its own name or in the name of the Pledgor, or otherwise, which the Agent deems necessary or appropriate to collect or otherwise realize upon all or any part of the Collateral, or effect a transfer thereof, or which may be necessary or appropriate to protect and preserve the right, title, and interest of the Agent in and to such Collateral and the security intended to be afforded hereby. The Pledgor hereby ratifies and approves all acts of any such attorney and agrees that neither the Agent nor any such attorney will be liable for any such acts or omissions nor for any error of judgment or mistake of fact or law other than such person's gross negligence or willful misconduct. The Agent may file one or more financing statements disclosing its security interest in all or any part of the Collateral without the Pledgor's signature appearing thereon, and the Pledgor also hereby grants the Agent a power of attorney to execute any such financing statements, and any amendments or supplements thereto, on behalf of the Pledgor without notice thereof to the Pledgor. The foregoing powers of attorney, being coupled with an interest, are irrevocable until the Secured Obligations (other than unasserted contingent indemnification obligations not due and payable) have been fully satisfied and all commitments of the Lenders to extend credit to or for the account of the Borrowers, or any of them, under the Credit Agreement have expired or otherwise terminated.

Section 7. Defaults and Remedies. (a) The occurrence of any event or the existence of any condition specified as an "Event of Default" under the Credit Agreement shall constitute an "*Event of Default*" hereunder.

(b) Upon the occurrence and during the continuation of any Event of Default, the Agent shall have, in addition to all other rights provided herein or by law, the rights and remedies of a secured party under the UCC (regardless of whether the UCC is the law of the jurisdiction where the rights or remedies are asserted and regardless of whether the UCC applies to the affected Collateral), and further the Agent may, without demand and, to the extent permitted by applicable law, without advertisement, notice, hearing or process of law, all of which the Pledgor hereby waives to the extent permitted by applicable law, at any time or times, sell and deliver any or all of the Collateral held by or for it at public or private sale, at any securities exchange or broker's board or at the Agent's office or elsewhere, for cash, upon credit or otherwise, at such prices and upon such terms as the Agent deems advisable, in its reasonable

discretion. In the exercise of any such remedies, the Agent may sell the Collateral as a unit even though the sales price thereof may be in excess of the amount remaining unpaid on the Secured Obligations. In addition to all other sums due any Secured Party hereunder, the Pledgor shall pay the Secured Parties all costs and expenses incurred by the Secured Parties, including reasonable and documented out-of-pocket attorneys' fees and court costs, in obtaining, liquidating or enforcing payment of Collateral or the Secured Obligations or in the prosecution or defense of any action or proceeding by or against any Secured Party or the Pledgor concerning any matter arising out of or connected with this Agreement or the Collateral or the Secured Obligations, including, without limitation, any of the foregoing arising in, arising under or related to a case under the United States Bankruptcy Code (or any successor statute). Any requirement of reasonable notice shall be met if such notice is personally served on or mailed, postage prepaid, to the Pledgor in accordance with Section 11(b) hereof at least 10 days before the time of sale or other event giving rise to the requirement of such notice; *provided, however*, no notification need be given to the Pledgor if the Pledgor has signed, after an Event of Default has occurred, a statement renouncing any right to notification of sale or other intended disposition. The Agent shall not be obligated to make any sale or other disposition of the Collateral regardless of notice having been given. Any Secured Party may be the purchaser at any such sale. The Pledgor hereby waives all of its rights of redemption from any such sale. The Agent may postpone or cause the postponement of the sale of all or any portion of the Collateral by announcement at the time and place of such sale, and such sale may, without further notice, be made at the time and place to which the sale was postponed or the Agent may further postpone such sale by announcement made at such time and place. The Agent may sell or otherwise dispose of the Collateral without giving any warranties as to the Collateral or any part thereof, including disclaimers of any warranties of title or the like, and the Pledgor acknowledges and agrees that the absence of such warranties shall not render the disposition commercially unreasonable.

THE PLEDGOR AGREES THAT IF ANY PART OF THE COLLATERAL IS SOLD AT ANY PUBLIC OR PRIVATE SALE, THE AGENT MAY ELECT TO SELL ONLY TO A BUYER WHO WILL GIVE FURTHER ASSURANCES, SATISFACTORY IN FORM AND SUBSTANCE TO THE AGENT, RESPECTING COMPLIANCE WITH THE REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED, AND APPLICABLE STATE SECURITIES LAWS, AND A SALE SUBJECT TO SUCH CONDITION SHALL BE DEEMED COMMERCIALY REASONABLE.

THE PLEDGOR FURTHER AGREES THAT IN ANY SALE OF ANY PART OF THE COLLATERAL, THE AGENT IS HEREBY AUTHORIZED TO COMPLY WITH ANY LIMITATION OR RESTRICTION IN CONNECTION WITH SUCH SALE AS IT MAY BE ADVISED BY COUNSEL IS NECESSARY IN ORDER TO AVOID ANY VIOLATION OF APPLICABLE LAW (INCLUDING, WITHOUT LIMITATION, COMPLIANCE WITH SUCH PROCEDURES AS MAY RESTRICT THE NUMBER OF PROSPECTIVE BIDDERS AND PURCHASERS AND/OR FURTHER RESTRICT SUCH PROSPECTIVE BIDDERS OR PURCHASERS TO PERSONS WHO WILL REPRESENT AND AGREE THAT THEY ARE PURCHASING FOR THEIR OWN ACCOUNT FOR INVESTMENT AND NOT WITH A VIEW TO THE DISTRIBUTION OR RESALE OF SUCH COLLATERAL), OR IN ORDER TO OBTAIN ANY REQUIRED APPROVAL OF THE SALE OR OF THE PURCHASER BY ANY GOVERNMENTAL REGULATORY AUTHORITY OR OFFICIAL, AND THE PLEDGOR FURTHER AGREES THAT SUCH COMPLIANCE SHALL NOT RESULT IN SUCH SALE BEING CONSIDERED OR DEEMED NOT TO HAVE BEEN MADE IN A COMMERCIALY REASONABLE MANNER, NOR SHALL THE AGENT BE LIABLE

OR ACCOUNTABLE TO THE PLEDGOR FOR ANY DISCOUNT ALLOWED BY REASON OF THE FACT THAT SUCH COLLATERAL IS SOLD IN COMPLIANCE WITH ANY SUCH LIMITATION OR RESTRICTION.

(c) Without in any way limiting the foregoing, upon the occurrence and during the continuation of any Event of Default, all rights of the Pledgor to receive and retain the distributions which they are entitled to receive and retain pursuant to Section 5(b) hereof shall, at the option of the Agent, cease and thereupon become vested in the Agent which, in addition to all other rights provided herein or by law, shall then be entitled solely and exclusively to receive and retain the distributions which the Pledgor would otherwise have been authorized to retain pursuant to Section 5(b) hereof and all rights of the Pledgor to exercise the voting and/or consensual powers which they are entitled to exercise pursuant to Section 5(a) hereof shall, at the option of the Agent, cease and thereupon become vested in the Agent which, in addition to all other rights provided herein or by law, shall then be entitled solely and exclusively to exercise all voting and other consensual powers pertaining to the Collateral and to exercise any and all rights of conversion, exchange or subscription and any other rights, privileges or options pertaining thereto as if the Agent were the absolute owner thereof, including, without limitation, the right to exchange, at its discretion, the Collateral or any part thereof upon the merger, consolidation, reorganization, recapitalization or other readjustment of the respective issuer thereof or upon the exercise by or on behalf of any such issuer or the Agent of any right, privilege or option pertaining to the Collateral or any part thereof and, in connection therewith, to deposit and deliver the Collateral or any part thereof with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as the Agent may determine. In the event the Agent in good faith believes any of the Collateral constitutes restricted securities within the meaning of any applicable securities laws, any disposition thereof in compliance with such laws shall not render the disposition commercially unreasonable.

(d) The powers conferred upon the Secured Parties hereunder are solely to protect their interest in the Collateral and shall not impose on them any duty to exercise such powers. The Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equivalent to that which the Agent accords its own property, consisting of similar type assets, it being understood, however, that the Agent shall have no responsibility for (i) ascertaining or taking any action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not the Agent has or is deemed to have knowledge of such matters, (ii) taking any necessary steps to preserve rights against any parties with respect to any Collateral, or (iii) initiating any action to protect the Collateral or any part thereof against the possibility of a decline in market value. This Agreement constitutes an assignment of rights only and not an assignment of any duties or obligations of the Pledgor in any way related to the Collateral, and the Agent shall have no duty or obligation to discharge any such duty or obligation. Neither any Secured Party nor any party acting as attorney for any Secured Party shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than such person's gross negligence or willful misconduct.

(e) Failure by the Agent to exercise any right, remedy or option under this Agreement or any other agreement between the Pledgor and the Agent or provided by law, or delay by the Agent in exercising the same, shall not operate as a waiver; and no waiver shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and

then only to the extent specifically stated. The rights and remedies of the Secured Parties under this Agreement shall be cumulative and not exclusive of any other right or remedy which any Secured Party may have. For purposes of this Agreement, an Event of Default shall be construed as continuing after its occurrence until the same is waived in writing by the Agent or cured.

Section 8. Application of Proceeds. The proceeds and avails of the Collateral at any time received by the Agent upon the occurrence and during the continuation of any Event of Default shall, when received by the Agent in cash or its equivalent, be applied by the Agent in reduction of, or held as security for, the Secured Obligations in accordance with the terms of the Credit Agreement. The Pledgor shall remain liable to the Secured Parties for any deficiency. Any surplus remaining after the full payment and satisfaction of the Secured Obligations shall be returned to the Pledgor or paid to whomsoever the Agent reasonably determines is lawfully entitled thereto.

Section 9. Continuing Agreement. This Agreement shall be a continuing agreement in every respect and shall remain in full force and effect until all of the Secured Obligations (other than unasserted contingent indemnification obligations not due and payable), including all principal and interest, have been fully paid and satisfied and the commitments of the Lenders to extend credit to or for the account of the Borrowers under the Credit Agreement shall have expired or otherwise terminated. Upon such termination of this Agreement, the Agent shall, upon the request and at the expense of the Pledgor, forthwith release all its liens and security interests hereunder. In connection with any termination pursuant to this Section 9, the Agent shall execute and deliver to the Pledgor all documents that the Pledgor shall reasonably request to evidence such termination (including Uniform Commercial Code termination statements), and will duly assign and transfer to the Pledgor, such of the Collateral that may be in the possession of the Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement. [NTD: Pledgor's rights to file UCC-3s and take any other actions arise by law under the UCC and don't need to be addressed here, consistent with the US Security Agreement.]

Section 10. Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against the Pledgor for liquidation or reorganization, should the Pledgor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of the Pledgor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

Section 11. The Agent. In acting under or by virtue of this Agreement, the Agent shall be entitled to all the rights, authority, privileges, and immunities provided in the Credit Agreement, all of which provisions of said Credit Agreement are incorporated by reference herein with the same force and effect as if set forth herein in their entirety. The Agent hereby disclaims any representation or warranty to the Secured Parties or any other holders of the

Secured Obligations concerning the perfection of the liens and security interests granted hereunder or in the value of any of the Collateral.

Section 12. Miscellaneous. (a) This Agreement cannot be changed or terminated orally. This Agreement shall create a continuing lien on and security interest in the Collateral and shall be binding upon the Pledgor and its successors and permitted assigns, and shall inure, together with the rights and remedies of the Secured Parties hereunder, to the benefit of the Secured Parties and their successors and assigns; *provided, however*, that the Pledgor may not assign its rights or delegate its duties hereunder without the Agent's prior written consent.

(b) Except as otherwise specified herein, all notices hereunder shall be given in the manner, and to the address, provided for in the Credit Agreement.

(c) In the event and to the extent that any provision hereof shall be deemed to be invalid or unenforceable by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall to such extent be construed as not containing such provision, but only as to such jurisdictions where such law or interpretation is operative, and the invalidity or unenforceability of such provision shall not affect the validity of any remaining provisions hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.

(d) The lien and security interest herein created and provided for stand as direct and primary security for all Secured Obligations. No application of any sums received by the Secured Parties in respect of the Collateral or any disposition thereof to the reduction of the Secured Obligations or any part thereof shall in any manner entitle the Pledgor to any right, title or interest in or to the Secured Obligations or any security therefor, whether by subrogation or otherwise, unless and until all Secured Obligations have been fully paid and satisfied and all commitments to extend credit to or for the account of the Borrowers under the Credit Agreement have expired or otherwise terminated. The Pledgor acknowledges and agrees that the lien and security interest hereby created and provided for are absolute and unconditional and shall not in any manner be affected or impaired by any acts or omissions whatsoever of any Secured Party or any other holder of any of the Secured Obligations, and without limiting the generality of the foregoing, the lien and security interest hereof shall not be impaired by any acceptance by any Secured Party or any other holder of any of the Secured Obligations of any other security for or guaranty of any Secured Obligations or by any failure, neglect or omission on the part of any Secured Party or any other holder of any of the Secured Obligations to realize upon or protect any of the Secured Obligations or any security therefor. The lien and security interest hereof shall not in any manner be impaired or affected by (and the Secured Parties, without notice to anyone, are hereby authorized to make from time to time) any sale, pledge, surrender, compromise, settlement, release, renewal, extension, indulgence, alteration, substitution, exchange, change in, modification or disposition of any of the Secured Obligations or of any security therefor, or of any guaranty thereof, or of any instrument or agreement setting forth the terms and conditions pertaining to any of the foregoing. The Secured Parties may at their discretion at any time grant credit to the Borrowers without notice to the Pledgor in such amounts and on such terms as the Secured Parties may elect without in any manner impairing the lien and security interest hereby created and provided for. In order to realize hereon and to exercise the rights granted the Secured Parties hereunder and under applicable law, there shall be

no obligation on the part of any Secured Party or any other holder of any of the Secured Obligations at any time to first resort for payment to the Borrowers or any other pledgor or to any guaranty of the Secured Obligations or any portion thereof or to resort to any other security, property, liens or any other rights or remedies whatsoever, and the Secured Parties shall have the right to enforce this Agreement against the Pledgor or any of its Collateral irrespective of whether or not other proceedings or steps seeking resort to or realization upon or from any of the foregoing are pending.

(e) This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterpart signature pages, each constituting an original, but all together one and the same instrument. The Pledgor acknowledges that this Agreement is and shall be effective upon its execution and delivery by the Pledgor to the Agent, and it shall not be necessary for the Agent to execute this Agreement or any other acceptance hereof or otherwise to signify or express its acceptance hereof.

(f) This Agreement shall be deemed to have been made in the State of New York and shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to principles of conflicts of law (other than New York General Obligations Laws 5-1401 and 5-1402). The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning of any provision hereof.

(g) The Pledgor hereby submits to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York state court sitting in the City of New York, Borough of Manhattan, for purposes of all legal proceedings arising out of or relating to this Agreement or the transactions contemplated hereby. The Pledgor irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient form. THE PLEDGOR AND, BY ACCEPTING THE BENEFITS OF THIS AGREEMENT, EACH SECURED PARTY HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(e) Turnover of Cash Collateral After Discharge. Upon the Discharge of ABL Obligations, the ABL Agent shall deliver to the Parent Facility Agent or shall execute such documents as the Company or the Parent Facility Agent may reasonably request to enable the Parent Facility Agent to have control over any Control Collateral or Cash Collateral still in the ABL Agent's possession, custody, or control in the same form as received with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. Upon the Discharge of Parent Facility Obligations, the Parent Facility Agent shall deliver to the ABL Agent or shall execute such documents as the Company or the ABL Agent may reasonably request to enable the ABL Agent to have control over any Control Collateral or Cash Collateral still in the Parent Facility Agent's possession, custody or control in the same form as received with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct subject to the reinstatement provision of Section 5.3.

Section 4.2 Specific Performance. Each of the ABL Agent and the Parent Facility Agent is hereby authorized to demand specific performance of this Agreement, whether or not any Credit Party shall have complied with any of the provisions of any of the Credit Documents, at any time when any other Party shall have failed to comply with any of the provisions of this Agreement applicable to it. Each of the ABL Agent, for and on behalf of itself and the ABL Secured Parties, and the Parent Facility Agent, for and on behalf of itself and the Parent Facility Secured Parties, hereby irrevocably waives any defense based on the adequacy of a remedy at law that might be asserted as a bar to such remedy of specific performance.

Section 4.3 Sale of Collateral Comprising Both ABL Priority Collateral and Parent Facility Priority Collateral; Certain Proceeds of Capital Stock. In the event that prior to the Discharge of ABL Obligations, proceeds of the Collateral are received in connection with a Disposition, loss, condemnation or other disposition (whether voluntary or involuntary) of Collateral that involves both ABL Priority Collateral and Parent Facility Priority Collateral, for the purposes of this Agreement with respect to such Disposition, loss, condemnation or other disposition, the ABL Agent and the Parent Facility Agent shall use commercially reasonable efforts in good faith to allocate the Proceeds received in connection with such Disposition, loss, condemnation or other disposition of such Collateral to the ABL Priority Collateral and the Parent Facility Priority Collateral. In the event that Proceeds are received in connection with a Disposition of all or substantially all of the Capital Stock issued by any Grantor or any amounts are received in respect of Capital Stock of any Grantor in an Insolvency Proceeding such amounts shall be deemed to be proceeds received from a Disposition of ABL Priority Collateral and Parent Facility Priority Collateral (in proportion to ABL Priority Collateral and Parent Facility Priority Collateral owned at such time by the Grantor) and shall be applied as provided in the preceding sentence.

Section 4.4 Priorities in Proceeds.

(a) Until the Discharge of ABL Obligations (unless any Credit Party shall become subject to any Insolvency Proceeding), prior to the Exercise of Secured Creditor Remedies by the ABL Agent, the ABL Agent is hereby permitted to deem all collections and payments deposited in any Deposit Account controlled by the ABL Agent to be ABL Priority Collateral (or Proceeds of ABL Priority Collateral) and the Parent Facility Agent, on behalf of itself and the other Parent Facility Secured Parties, consents to the application of such funds to the ABL Obligations, and no such funds credited to any such Deposit Account shall be subject to disgorgement or be deemed to be held in trust by the ABL Agent for the benefit of the Parent Facility Agent, or the Parent Facility Secured Parties (and all claims of such Persons to such amounts are hereby waived); provided, however, that the provisions of this Section 4.4(a) shall not be applicable to any Proceeds of Parent Facility Priority Collateral (other than Proceeds of Inventory in the form of Receivables) so deposited into any Deposit Account if prior to such deposit the applicable Credit Party or any Secured Party shall have notified the ABL Agent in writing of such Proceeds to be deposited and reasonably identifying the amount of such Proceeds and specifying the origin thereof.

(b) Except as otherwise provided in Section 4.4(a) above, the ABL Agent, on behalf of itself and the ABL Secured Parties represented by it, and Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, represented by it, agrees that after any the

Exercise of any Secured Credit Remedies by the ABL Agent or the Parent Facility Agent, each such Person shall cooperate in good faith to identify the proceeds of the ABL Priority Collateral and the Parent Facility Priority Collateral, as the case may be (it being agreed that after any Exercise of Secured Credit Remedies, unless the ABL Agent has actual knowledge to the contrary, all funds deposited to a Deposit Account controlled by the ABL Agent and then applied to the ABL Obligation shall be presumed to be ABL Priority Collateral (a presumption that can be rebutted by any Parent Facility Agent)); provided, however, that no Secured Party shall be liable or in any way responsible for any claims or damages from conversion of the ABL Priority Collateral or Parent Facility Priority Collateral, as the case may be (it being understood and agreed that (A) the only obligation of any ABL Secured Party is to pay over to the Parent Facility Agent, in the same form as received, with any necessary endorsements, all proceeds that such ABL Secured Party received that have been properly identified as proceeds of the Parent Facility Priority Collateral and (B) the only obligation of the applicable Parent Facility Secured Party is to pay over to the ABL Agent, in the same form as received, with any necessary endorsements, all proceeds that such Parent Facility Secured Party received that have been properly identified as proceeds of the ABL Priority Collateral). The Agents may request from the other Agents an accounting of the identification of the Proceeds of Collateral (and the other Agent upon which such request is made shall use commercially reasonable efforts to deliver such accounting reasonably promptly after such request is made). Notwithstanding anything to the contrary in this Agreement, Proceeds of Inventory in the form of Receivables shall constitute ABL Priority Collateral for all purposes of this Agreement, including under Sections 2.1 and 4.1.

ARTICLE 5

Intercreditor Acknowledgements and Waivers

Section 5.1 Notice of Acceptance and Other Waivers. (a) All ABL Obligations at any time made or incurred by any Credit Party shall be deemed to have been made or incurred in reliance upon this Agreement, and the Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, represented thereby, hereby waives notice of acceptance of, or proof of reliance by the ABL Agent or any ABL Secured Party on, this Agreement, and notice of the existence, increase, renewal, extension, accrual, creation, or non-payment of all or any part of the ABL Obligations. All Parent Facility Obligations at any time made or incurred by any Credit Party shall be deemed to have been made or incurred in reliance upon this Agreement, and the ABL Agent, on behalf of itself and the ABL Secured Parties, hereby waives notice of acceptance, or proof of reliance, by the Parent Facility Agent or any Parent Facility Secured Party of this Agreement, and notice of the existence, increase, renewal, extension, accrual, creation, or non-payment of all or any part of the Parent Facility Obligations.

(b) None of the ABL Agent, any ABL Secured Party, or any of their respective Affiliates, directors, officers, employees, or agents shall be liable to the Parent Facility Agent or any Parent Facility Secured Party for failure to demand, collect, or realize upon any of the Collateral or any Proceeds, or for any delay in doing so, or shall be under any obligation to sell or otherwise dispose of any Collateral or Proceeds thereof or to take any other action whatsoever with regard to the Collateral or any part or Proceeds thereof, except as specifically provided in this Agreement. If the ABL Agent or any ABL Secured Party honors (or fails to honor) a request by any Borrower for an extension of credit pursuant to any ABL Credit

Agreement or any of the other ABL Documents, whether the ABL Agent or any ABL Secured Party has knowledge that the honoring of (or failure to honor) any such request would constitute a default under the terms of any Parent Facility Credit Agreement or any other Parent Facility Document (but not a default under this Agreement) or an act, condition, or event that, with the giving of notice or the passage of time, or both, would constitute such a default, or if the ABL Agent or any ABL Secured Party otherwise should exercise any of its contractual rights or remedies under any ABL Documents (subject to the express terms and conditions hereof), neither the ABL Agent nor any ABL Secured Party shall have any liability whatsoever to the Parent Facility Agent or any Parent Facility Secured Party as a result of such action, omission, or exercise (so long as any such exercise does not breach the express terms and provisions of this Agreement). The ABL Agent and the ABL Secured Parties shall be entitled to manage and supervise their loans and extensions of credit under the ABL Credit Agreement and any of the other ABL Documents as they may, in their sole discretion, deem appropriate, and may manage their loans and extensions of credit without regard to any rights or interests that the Parent Facility Agent or any Parent Facility Secured Party has in the Collateral, except as otherwise expressly set forth in this Agreement. The Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, agrees that neither the ABL Agent nor any ABL Secured Party shall incur any liability as a result of a sale, lease, license, application, or other disposition of all or any portion of the Collateral or Proceeds thereof, pursuant to the ABL Documents, so long as such disposition is conducted in accordance with mandatory provisions of applicable law and does not breach the provisions of this Agreement.

(c) None of the Parent Facility Agent, the Parent Facility Secured Parties or any of their respective Affiliates, directors, officers, employees, or agents shall be liable to the ABL Agent or any ABL Secured Party for failure to demand, collect, or realize upon any of the Collateral or any Proceeds, or for any delay in doing so, or shall be under any obligation to sell or otherwise dispose of any Collateral or Proceeds thereof or to take any other action whatsoever with regard to the Collateral or any part or Proceeds thereof, except as specifically provided in this Agreement. If the Parent Facility Agent or any Parent Facility Secured Party honors (or fails to honor) a request by any Borrower for an extension of credit pursuant to any Parent Facility Credit Agreement or any of the other Parent Facility Documents, whether the Parent Facility Agent or any Parent Facility Secured Party has knowledge that the honoring of (or failure to honor) any such request would constitute a default under the terms of any ABL Credit Agreement or any other ABL Document (but not a default under this Agreement) or an act, condition, or event that, with the giving of notice or the passage of time, or both, would constitute such a default, or if the Parent Facility Agent or any Parent Facility Secured Party otherwise should exercise any of its contractual rights or remedies under the Parent Facility Documents (subject to the express terms and conditions hereof), neither the Parent Facility Agent nor any Parent Facility Secured Party shall have any liability whatsoever to the ABL Agent or any ABL Secured Party as a result of such action, omission, or exercise (so long as any such exercise does not breach the express terms and provisions of this Agreement). The Parent Facility Agent and the Parent Facility Secured Parties shall be entitled to manage and supervise their loans and extensions of credit under the Parent Facility Documents as they may, in their sole discretion, deem appropriate, and may manage their loans and extensions of credit without regard to any rights or interests that the ABL Agent or any ABL Secured Party has in the Collateral, except as otherwise expressly set forth in this Agreement. The ABL Agent, on behalf of itself and the ABL Secured Parties, agrees that none of the Parent Facility Agent or the Parent

Facility Secured Parties shall incur any liability as a result of a sale, lease, license, application, or other disposition of all or any portion of the Collateral or any Proceeds thereof, pursuant to the Parent Facility Documents, so long as such disposition is conducted in accordance with mandatory provisions of applicable law and does not breach the provisions of this Agreement.

Section 5.2 Modifications to ABL Documents and Parent Facility Documents. (a)

The Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, hereby agrees that, without affecting the obligations of the Parent Facility Agent and the Parent Facility Secured Parties hereunder, the ABL Agent and the ABL Secured Parties may, at any time and from time to time, in their sole discretion without the consent of or notice to the Parent Facility Agent or any Parent Facility Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement), and without incurring any liability to the Parent Facility Agent or any Parent Facility Secured Party or impairing or releasing the subordination provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the ABL Documents in any manner whatsoever, other than in a manner which would have the effect of contravening the terms of this Agreement, and in addition, absent the prior written consent of Parent Facility Agent, no ABL Secured Party shall consent to any amendment, modification or waiver to the ABL Documents (or to any refinancing thereof permitted herein) that:

(i) increases the “Applicable Margin” or similar component of the interest rate under the ABL Documents in a manner that would result in the total yield on the ABL Obligations to exceed by more than three percent (3.00%) the total yield on the ABL Obligations as in effect on the date of the ABL Credit Agreement (excluding (A) increases resulting from the accrual of interest at the default rate, (B) increases resulting from a change in the applicable pricing level on the pricing grid as set forth in the definition of “Applicable Margin” in the ABL Credit Agreement (as in effect on the date hereof) and (C) any increases from the accrual of any payment in kind interest applicable to the ABL Obligations),

(ii) except as permitted under the ABL Documents (as in effect on the date hereof) or as contemplated by Section 6 for a DIP Financing, contractually subordinates the Liens of the ABL Secured Parties in the ABL Priority Collateral to any other secured obligations of Grantors secured by Liens in the ABL Priority Collateral,

(iii) changes to earlier dates any scheduled dates (including the maturity date) for the payment of principal or interest with respect to the ABL Obligations (from that in effect on the date hereof), other than as a result of the acceleration of the ABL Obligations in accordance with the terms of the ABL Documents, or

(iv) result in the aggregate principal amount of revolving loans under the ABL Documents exceeding the ABL Cap.

(b) The ABL Agent, on behalf of itself and the ABL Secured Parties, hereby agrees that, without affecting the obligations of the ABL Agent and the ABL Secured Parties hereunder, the Parent Facility Agent and the Parent Facility Secured Parties may, at any time and from time to time, in their sole discretion without the consent of or notice to the ABL Agent or any ABL Secured Party (except to the extent such notice or consent is required pursuant to the

express provisions of this Agreement), and without incurring any liability to the ABL Agent or any ABL Secured Party or impairing or releasing the subordination provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Parent Facility Documents in any manner whatsoever, other than in a manner which would have the effect of contravening the terms of this Agreement and in addition, absent the prior written consent of ABL Agent, no Parent Facility Secured Party shall consent to any amendment, modification or waiver to the Parent Facility Documents (or to any refinancing thereof permitted herein) that:

(i) except as permitted under the Parent Facility Documents (as in effect on the date hereof), contractually subordinates the Liens of the Parent Facility Secured Parties in the Parent Facility Priority Collateral to any other secured obligations of Grantors secured by Liens in the Parent Facility Priority Collateral, or

(ii) changes to earlier dates any scheduled dates (including the maturity date) for the payment of principal or interest with respect to the Parent Facility Obligations (from that in effect on the date hereof), other than as a result of the acceleration of the Parent Facility Obligations in accordance with the terms of the Parent Facility Documents.

(c) In addition, each ABL Agent, for and on behalf of itself and the ABL Secured Parties and each Parent Facility Agent, for and on behalf of itself and the Parent Facility Secured Parties, agrees that each ABL Collateral Document and/or each Parent Facility Collateral Document, as applicable, consisting of a mortgage covering any Collateral consisting of real estate shall contain language appropriate to reflect the subordination of such ABL Collateral Document and/or Parent Facility Collateral Document, as applicable, covering such Collateral.

(d) Subject to Sections 5.2(a) and 5.2(b), the ABL Obligations and, the Parent Facility Obligations may be refunded, replaced or refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is required to permit the refunding, replacement or refinancing transaction under any ABL Document or any Parent Facility Document) of the ABL Agent, the ABL Secured Parties, the Parent Facility Agent or the Parent Facility Secured Parties, as the case may be, all without affecting the Lien Priorities provided for herein or the other provisions hereof; provided, however, that the holders of such new, amended, restructured or refinancing indebtedness (or an authorized agent or trustee on their behalf) bind themselves in writing to the terms of this Agreement pursuant to such documents or agreements (including amendments or supplements to this Agreement) as the ABL Agent or the Parent Facility Agent, as the case may be, shall reasonably request and in form and substance reasonably acceptable to the ABL Agent or the Parent Facility Agent, as the case may be, and any such increase, restatement, amendment and restatement, supplement, modification, replacement, restructuring, amendment or refinancing transaction shall be in accordance with any applicable provisions of both the ABL Documents and the Parent Facility Documents (to the extent such documents survive such increase, restatement, amendment and restatement, supplement, modification, replacement, restructuring, amendment or refinancing). ABL Agent and Parent Facility Agent each (i) will use its commercially reasonable efforts to notify the other parties of any written amendment or modification to any ABL Document or any Parent Facility Document, as applicable, but the failure to do so will not create a cause of action against the

party failing to give such notice or create any claim or right on behalf of any third party or impact the effectiveness of any such amendment or modification, and (ii) will, upon request of the other party, provide copies of all such modifications or amendments and copies of all other relevant documentation to the other Persons.

Section 5.3 Reinstatement and Continuation of Agreement. (a) If the ABL Agent or any ABL Secured Party is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any Credit Party (or any trustee, receiver or similar person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (an “ABL Recovery”), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then as among the parties hereto the ABL Obligations shall be deemed to be reinstated to the extent of such ABL Recovery and to be outstanding as if such payment had not occurred and the ABL Secured Parties shall be entitled, to the extent they are entitled hereunder, to a Discharge of ABL Obligations with respect to all such recovered amounts and shall have all rights hereunder until such time. If this Agreement shall have been terminated prior to such ABL Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. All rights, interests, agreements, and obligations of the ABL Agent, the Parent Facility Agent, the ABL Secured Parties and, the Parent Facility Secured Parties under this Agreement shall remain in full force and effect and shall continue irrespective of the commencement of, or any discharge, confirmation, conversion, or dismissal of, any Insolvency Proceeding by or against any Credit Party or any other circumstance which otherwise might constitute a defense available to, or a discharge of any Credit Party in respect of the ABL Obligations, or the Parent Facility Obligations. No priority or right of the ABL Agent or any ABL Secured Party shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Credit Party or by the noncompliance by any Person with the terms, provisions, or covenants of any of the ABL Documents, regardless of any knowledge thereof which the ABL Agent or any ABL Secured Party may have.

(b) If the Parent Facility Agent or any Parent Facility Secured Party is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any Credit Party (or any trustee, receiver or similar person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a “Parent Facility Recovery”), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then as among the parties hereto the Parent Facility Obligations shall be deemed to be reinstated to the extent of such Parent Facility Recovery and to be outstanding as if such payment had not occurred and the Parent Facility Secured Parties shall be entitled to a Discharge of Parent Facility Obligations with respect to all such recovered amounts and shall have all rights hereunder until such time. If this Agreement shall have been terminated prior to such Parent Facility Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. All rights, interests, agreements, and obligations of the ABL Agent, the Parent Facility Agent, the ABL Secured Parties, and the Parent Facility Secured Parties under this Agreement shall remain in full force and effect and shall continue irrespective of the commencement of, or any discharge, confirmation, conversion, or dismissal of, any Insolvency Proceeding by or against any Credit

Party or any other circumstance which otherwise might constitute a defense available to, or a discharge of any Credit Party in respect of the ABL Obligations, or the Parent Facility Obligations. No priority or right of the Parent Facility Agent or any Parent Facility Secured Party shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Credit Party or by the noncompliance by any Person with the terms, provisions, or covenants of any of the Parent Facility Documents, regardless of any knowledge thereof which the Parent Facility Agent or any Parent Facility Secured Party may have.

ARTICLE 6

Insolvency Proceedings

Section 6.1 DIP Financing. (a) If any Credit Party shall be subject to any Insolvency Proceeding at any time prior to the Discharge of ABL Obligations, and the ABL Agent or any ABL Credit Agreement Lenders shall agree to provide any Credit Party with, or consent to a third party providing any Credit Party with, any financing under Section 364 of the Bankruptcy Code or consent to any order for the use of cash collateral constituting ABL Priority Collateral under Section 363 of the Bankruptcy Code (“DIP Financing”), with such DIP Financing to be secured by all or any portion of the Collateral (including assets that, but for the application of Section 552 of the Bankruptcy Code would be Collateral), then the Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, agrees that it will raise no objection, and will not directly or indirectly support or act in concert with any other party in raising an objection, to such DIP Financing or to the Liens securing the same on the grounds of a failure to provide “adequate protection” for the Liens of the Parent Facility Agent securing the Parent Facility Obligations or on any other grounds (and will not request any adequate protection solely as a result of such DIP Financing), will subordinate its Liens in the ABL Priority Collateral and in any other assets (other than Parent Facility Priority Collateral) of the Credit Parties that may serve as collateral (including avoidance actions or the proceeds thereof) for such DIP Financing (including any carveouts for US Trustee or professional fees or adequate protection liens granted in connection therewith, in each case, approved by a court of competent jurisdiction) to the Liens securing such DIP Financing, so long as (i) the Parent Facility Agent retains its Lien on the Collateral to secure the Parent Facility Obligations (in each case, including Proceeds thereof arising after the commencement of the case under the Bankruptcy Code) and, as to the Parent Facility Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the case under the Bankruptcy Code and any Lien securing such DIP Financing is junior and subordinate to the Lien of the Parent Facility Agent on the Parent Facility Priority Collateral, (ii) all Liens on ABL Priority Collateral securing any such DIP Financing shall be senior to or on a parity with the Liens of the ABL Agent and the ABL Secured Parties securing the ABL Obligations on ABL Priority Collateral, (iii) the sum of the principal amount (and any related commitments therefor) of such DIP Financing plus the principal amount of loans outstanding under the ABL Credit Agreement does not exceed the ABL Cap, and (iv) if the ABL Agent and/or any ABL Secured Party receives an adequate protection Lien on post-petition assets of the debtor to secure the ABL Obligations, the Parent Facility Agent also receives an adequate protection Lien on such post-petition assets of the debtor to secure the Parent Facility Obligations; provided that (x) such Liens in favor of the ABL Agent and the Parent Facility Agent shall be subject to the provisions of Section 6.1(b) hereof and (y) the foregoing provisions of this Section 6.1(a) shall not prevent the Parent Facility Agent and the Parent Facility Secured

Parties from objecting to any provision in any DIP Financing relating to any provision or content of a plan of reorganization.

(b) All Liens granted to the ABL Agent or the Parent Facility Agent in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the Parties to be and shall be deemed to be subject to the Lien Priority and the other terms and conditions of this Agreement; provided, however, that the foregoing shall not alter the super-priority of any Liens securing any DIP Financing in accordance with this Section 6.1.

Section 6.2 Relief From Stay. Until the Discharge of ABL Obligations, the Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, represented thereby, agrees not to seek relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of any portion of the ABL Priority Collateral without the ABL Agent's express written consent. Until the Discharge of Parent Facility Obligations, the ABL Agent, on behalf of itself and the ABL Secured Parties, agrees not to seek relief from the automatic stay or any other stay in any Insolvency Proceeding in respect of any portion of the Parent Facility Priority Collateral without the Parent Facility Agent's express written consent.

Section 6.3 No Contest. (a) The Parent Facility Agent, on behalf of itself and the Parent Facility Secured Parties, agrees that, prior to the Discharge of ABL Obligations, none of them shall contest (or directly or indirectly support any other Person contesting) (i) any request by the ABL Agent or any ABL Secured Party for adequate protection of its interest in the Collateral (unless in contravention of Section 6.1) or (ii) any objection by the ABL Agent or any ABL Secured Party to any motion, relief, action or proceeding based on a claim by the ABL Agent or any ABL Secured Party that its interests in the Collateral (unless in contravention of Section 6.1) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as (x) any Liens granted to the ABL Agent as adequate protection of its interests are subject to this Agreement and (y) any post-petition interest, fees or expenses as a result of any interest in the Collateral are not paid from the proceeds of Parent Facility Priority Collateral.

(b) The ABL Agent, on behalf of itself and the ABL Secured Parties, agrees that, prior to the Discharge of Parent Facility Obligations, none of them shall contest (or directly or indirectly support any other Person contesting) (i) any request by the Parent Facility Agent or any Parent Facility Secured Party for adequate protection of its interest in the Collateral as long as (x) the ABL Agent retains its Lien on the Collateral to secure the ABL Obligations (in each case, including Proceeds thereof arising after the commencement of the case under the Bankruptcy Code) and, as to the ABL Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the case under the Bankruptcy Code or similar Bankruptcy Law and (y) if the Parent Facility Agent and/or any Parent Facility Secured Party receives an adequate protection Lien on post-petition assets of the debtor to secure the Parent Facility Obligations, the ABL Agent also receives an adequate protection Lien on such post-petition assets of the debtor to secure the ABL Obligations; provided that such Liens in favor of the ABL Agent and the Parent Facility Agent shall be subject to the provisions of Section 6.1(b) hereof or (ii) any objection by the Parent Facility Agent or any Parent Facility Secured Party to any motion, relief, action or proceeding based on a claim by the Parent Facility Agent or any Parent Facility Secured Party that its interests in the Collateral (unless in contravention of clauses (i)(x)

and (i)(y) above) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as (x) any Liens granted to the Parent Facility Agent as adequate protection of its interests are subject to this Agreement and (y) any post-petition interest, fees or expenses as a result of any interest in the Collateral are not paid from the proceeds of ABL Priority Collateral.

Section 6.4 Asset Sales. The Parent Facility Agent agrees, on behalf of itself and the Parent Facility Secured Parties, represented thereby, that it will not oppose any sale consented to by the ABL Agent of any ABL Priority Collateral pursuant to Section 363(f) of the Bankruptcy Code (or any similar provision under the law applicable to any Insolvency Proceeding) so long the Liens of the parties attach to the proceeds of such sale consistent with the Lien Priority on the assets sold and as the proceeds of such sale are otherwise applied in accordance with this Agreement. The ABL Agent agrees, on behalf of itself and the ABL Secured Parties, that it will not oppose any sale consented to by the Parent Facility Agent, of any Parent Facility Priority Collateral pursuant to Section 363(f) of the Bankruptcy Code (or any similar provision under the law applicable to any Insolvency Proceeding) so long (i) the Liens of the parties attach to the proceeds of such sale consistent with the Lien Priority on the assets sold and as the proceeds of such sale are otherwise applied in accordance with this Agreement and (ii) the purchaser assumes and agrees to the provisions of Section 3.3.

Section 6.5 Separate Grants of Security and Separate Classification. Each Parent Facility Secured Party and the Parent Facility Agent on the one hand, and each ABL Secured Party and the ABL Agent, on the other hand, acknowledges and agrees that (i) the grants of Liens pursuant to the ABL Collateral Documents and the Parent Facility Collateral Documents constitute separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Collateral and, the Parent Facility Obligations are fundamentally different from the ABL Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency Proceeding. To further effectuate the intent of the Parties as provided in the immediately preceding sentence, if it is held that the claims of the ABL Secured Parties and, on the one hand, and the Parent Facility Secured Parties, on the other hand, in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then the ABL Secured Parties, the Parent Facility Secured Parties hereby acknowledge and agree that all distributions shall be made as if there were separate classes of ABL Obligation claims and Parent Facility Obligation claims against the Credit Parties (with the effect being that, to the extent that the aggregate value of the ABL Priority Collateral or the Parent Facility Priority Collateral is sufficient (for this purpose ignoring all claims held by the other Secured Parties), the ABL Secured Parties or the Parent Facility Secured Parties respectively, shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest that is available from each pool of Priority Collateral for each of the ABL Secured Parties, on the one hand, and the Parent Facility Secured Parties, on the other hand, before any distribution is made from the applicable pool of Priority Collateral in respect of the claims held by the other Secured Parties, with the other Secured Parties hereby acknowledging and agreeing to turn over to the respective other Secured Parties amounts otherwise received or receivable by them from the applicable pool of Priority Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries).

Section 6.6 Enforceability. The provisions of this Agreement are intended to be and shall be enforceable under Section 510(a) of the Bankruptcy Code.

Section 6.7 ABL Obligations Unconditional. All rights of the ABL Agent hereunder, and all agreements and obligations of the Parent Facility Agent, and the Credit Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

- (i) any lack of validity or enforceability of any ABL Document;
- (ii) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the ABL Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any ABL Document (but solely to the extent permitted pursuant to Section 5.2(a));
- (iii) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the ABL Obligations or any guarantee thereof;
- (iv) the commencement of any Insolvency Proceeding in respect of any Borrower or any Credit Party; or
- (v) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Credit Party in respect of the ABL Obligations, or of any of the Parent Facility Agent or any Credit Party, to the extent applicable, in respect of this Agreement.

Section 6.8 Parent Facility Obligations Unconditional. All rights of the Parent Facility Agent hereunder, and all agreements and obligations of the ABL Agent, and the Credit Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

- (i) any lack of validity or enforceability of any Parent Facility Document;
- (ii) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Parent Facility Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Parent Facility Document (but solely to the extent permitted pursuant to Section 5.2(b));
- (iii) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral, or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the Parent Facility Obligations or any guarantee thereof;

(iv) the commencement of any Insolvency Proceeding in respect of any Borrower or any Credit Party; or

(v) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Credit Party in respect of the Parent Facility Obligations, or of any of the ABL Agent or any Credit Party, to the extent applicable, in respect of this Agreement.

Section 6.9 **[Reserved]**.

Section 6.10 Adequate Protection. Except to the extent expressly provided in Section 6.1, Section 6.3, and this Section 6.10, nothing in this Agreement shall limit the rights of (x) the ABL Agent and the ABL Secured Parties or (y) the Parent Facility Agent and the Parent Facility Secured Parties, respectively, from seeking or requesting adequate protection with respect to their interests in the Collateral in any Insolvency Proceeding, including adequate protection in the form of a cash payment, periodic cash payments, cash payments of interest, additional collateral or otherwise; provided that:

(a) in the event that the ABL Agent, on behalf of itself or any of the ABL Secured Parties, seeks or requests adequate protection in respect of the ABL Obligations and such adequate protection is granted in the form of a Lien on additional collateral comprising assets of the type of assets that constitute Parent Facility Priority Collateral, then the ABL Agent, on behalf of itself and each of the ABL Secured Parties, agrees that the Parent Facility Agent shall also be granted a senior Lien on such collateral as security for the Parent Facility Obligations and that any Lien on such collateral securing the ABL Obligations shall be subordinate to any Lien on such collateral securing the Parent Facility Obligations, and

(b) in the event that the Parent Facility Agent, on behalf of itself or any of the Parent Facility Secured Parties, seeks or requests adequate protection in respect of the Parent Facility Obligations and such adequate protection is granted in the form of a Lien on additional collateral comprising assets of the type of assets that constitute ABL Priority Collateral, then the Parent Facility Agent, on behalf of itself and each of the Parent Facility Secured Parties, agrees that the ABL Agent shall also be granted a senior Lien on such collateral as security for the ABL Obligations and that any Lien on such collateral securing the Parent Facility Obligations shall be subordinate to the Lien on such collateral securing the ABL Obligations.

Section 6.11 Plan of Reorganization.

(a) If, in any Insolvency Proceeding, debt obligations of any reorganized Grantor secured by Liens upon any property of the reorganized Grantor are distributed or reinstated (in whole or in part) pursuant to a plan of reorganization, both on account of the ABL Obligations and on account of the Parent Facility Obligations, then, to the extent the debt obligations distributed on account of the ABL Obligations and on account of the Parent Facility Obligations are secured by Liens upon the same property, the relative Lien priorities and other provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan of reorganization and will apply with like effect to the Liens securing such debt obligations.

(b) The ABL Agent, for itself and on behalf of the other ABL Secured Parties, and the Parent Facility Agent, for itself and on behalf of the other Parent Facility Secured Parties, agrees that neither it nor its related Secured Parties shall (i) take or support any other Person in taking any action that is inconsistent with the relative Lien priorities or other provisions of this Agreement or (ii) without the written consent of each other Agent, propose, vote for, or otherwise support directly or indirectly any plan of organization or liquidation (or similar plan in an Insolvency Proceeding) whose provisions are inconsistent with, or in contravention of, the relative Lien priorities or other provisions of this Agreement, including Sections 2.1, 4.1 and 6.1 (and, in the event of any such proposal, vote or other support of an inconsistent or contravening plan of reorganization or liquidation (or similar plan) by any class of Secured Parties, the Agent representing any other class of Secured Parties shall be entitled to have any such proposal, vote or support changed or withdrawn).

The ABL Agent, for itself and the other ABL Secured Parties waives any claim it or the ABL Secured Parties may hereafter have against any Parent Facility Secured Party arising out of (a) the election by such Parent Facility Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or (b) any cash collateral or financing arrangement, and any related grant of a security interest in the Parent Facility Priority Collateral, made in accordance with Section 6.1 in any Insolvency Proceeding.

Facility Secured Party to exercise any rights of subrogation in respect thereof until the Discharge of ABL Obligations shall have occurred. Following the Discharge of ABL Obligations, the ABL Agent agrees to execute such documents, agreements, and instruments as the Parent Facility Agent or any Parent Facility Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the ABL Obligations resulting from payments to the ABL Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the ABL Agent are paid by such Person upon request for payment thereof.

Section 7.2 Further Assurances. The Parties will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that any Party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable such Party to exercise and enforce its rights and remedies hereunder; provided, however, that no Party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 7.2, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such Party may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 7.2.

The ABL Agent shall give written notice of such amendment, waiver or consent to the Parent Facility Agent; provided that the failure to give such notice shall not affect the effectiveness of such amendment, waiver or consent with respect to the provisions of any Parent Facility Collateral Document as set forth in this Section 7.4(b).

 - Exploring potential sale of Mexican operations
 - Eliminating any cash assistance from Corporate to unprofitable regions / basins globally
 - Reinvigorating vendor management program to develop payment schedules for key vendors
- QMax continues to remain EBITDA positive and long term prospects remain strong, however the business needs financial support to maximize value given current conditions

U.S. Commodities Update

Natural Gas

- Natural gas prices down 43% and natural gas rigs down 43% from Jan-19, driven by significant increase in supply
- Lower prices have resulted in more favorable economics for transporting natural gas volumes from Northeast to other regional demand markets
- Colder weather could increase overall demand for natural gas

Oil

- Significant reduction in demand from China due to Coronavirus has led to fall-off in oil prices
- Recent attempts by OPEC to cut oil production to stabilize prices have been rejected by Russia
- Oil rig decline driven by reduced spending by independent E&Ps as they focus on capital discipline

(1) Represents market rig count and oil prices as of 2/7.

Mexico Collections Update

Mexico Receipts: November Forecast vs. Actuals (11/1 - 1/31)

- November BoD forecast anticipated ~\$24.3M of Mexico receipts from 11/1 through 1/31, versus actual receipts of ~\$11.6mm
- PEMEX has had numerous internal issues that have impacted its ability to pay customers; industry-wide, QMax and its competitors have eroded liquidity due to lack of collections from PEMEX
- Procedural issues have also delayed collections: the Company has a significant amount of past due A/R from contracts that have expired as of 12/31/19, which has made invoicing difficult as PEMEX contract supervisors see the contracts as "inactive" on the system

Steps Taken in Last 12 Months

- 1 **Equity Commitment** – In the last 12 months, Palladium invested \$50M to assist the business in navigating through collections issues in Mexico and a deterioration of the U.S. market.
- 2 **Bond offering** – In Spring 2019, QMax spent \$6.5M to pursue a global refinancing that intended to provide ample liquidity for its growth prospects. Fall-off in oil prices in May 2019 was a key driver of the unsuccessful outcome.
- 3 **PwC “Swat” Team** – In June 2019, the Company brought in the PwC “swat” team to enhance the Company’s cash conversion cycle by reducing DSOs, repositioning inventory and implementing a vendor management program.
- 4 **Cost Savings Program** – In August 2019, the Company brought in the Alvarez & Marsal to implement a rapid cost reduction program in the U.S. and Corporate. The Company has since taken out \$11M of annualized costs from the business.
- 5 **13 Week Cash Forecast** – In August 2019, Alvarez & Marsal worked with the Company to develop a robust 13 week cash forecast, providing significant visibility for liquidity management.
- 6 **U.S. ABL Refinancing** – In August 2019, the Company replaced its Wells Fargo facility with Encina, providing a higher advance rate on U.S. A/R and thus enhancing the liquidity of the Company.
- 7 **Explored Preferred Equity Raise** – In September 2019, the Company worked with Houlihan Lokey to pursue a preferred equity offering to third-party investors, which was unsuccessful.
- 8 **Explored Regional Divestitures** – In Fall 2019, the Company explored sales of its Colombia and Middle East operations. The Company did not receive any offers for the Colombia business, and a negligible amount for its Middle East business (\$5M).
- 9 **Explored Winding Down Mexico** – In Fall 2019, the Company explored the idea of shutting down work in Mexico due to the significant working capital requirements of operating in the country. However, held off given costs associated with stopping work.
- 10 **Engaged Houlihan Lokey for Strategic Alternatives** – In July 2019, the Company engaged Houlihan Lokey to pursue strategic. Based on guidance from Houlihan Lokey, and recent conversations with Lazard, Simmons and Morgan Stanley, the opportunity for capital raises, refinancings and M&A is very limited in the oilfield services space.
- 11 **Executive Leadership Augmentation** – Since August 2019, the Company has significantly enhanced its leadership with the additions of Rafael Diaz-Granados (President), Kris Radhakrishnan (CFO), Grant Lyon (Independent BoD) and Mick McNulty (Independent BoD).

Re: Anchor Drilling Fluids USA, LLC

Ladies and Gentlemen:

Reference is made to that certain Credit Agreement dated as of September 6, 2019 (the “**Credit Agreement**”) entered into by and among (i) Encina Business Credit, LLC, as Agent (“**Encina**”) and as a Lender, (ii) Q’Max America Inc.; (iii) Anchor Drilling Fluids USA, LLC (the “**Borrower**”), (iv) the Guarantors, and (v) and the other Lenders party thereto.

Reference is further made to that certain Intercreditor Agreement dated as of September 6, 2019 (the “**Intercreditor Agreement**”) entered into by and between Encina, as ABL Agent, and HSBC Bank Canada, as Parent Facility Agent (“**HSBC**”). (Capitalized terms used in this letter and not otherwise defined shall have the meanings as defined in the Intercreditor Agreement).

Further reference is made to (i) that certain notice of demand for payment of all Outstanding Amounts (as defined therein) dated May 12, 2020 from counsel to HSBC to, among others, the Borrower, and (ii) that certain Notice of Intention to Enforce Security dated May 12, 2020 from HSBC to the Borrower (collectively, the “**Notices**”).

The Notices constitute the Exercise of Secured Creditor Remedies and violate the terms and conditions of the Intercreditor Agreement in that:

- (a) HSBC failed to provide copies of the Notices to Encina;
- (b) The Notices failed to state that HSBC’s Exercise of Secured Creditor Remedies is subject to Encina’s paramount rights and interests in all ABL Priority Collateral; and
- (c) HSBC’s stated intention to commence the Exercise of Secured Creditor Remedies breaches the “Remedies Standstill” contained in the Intercreditor Agreement.

PLEASE TAKE NOTICE that HSBC is hereby advised and directed to immediately cease and desist any further Exercise of Secured Creditor Remedies in violation of the terms and conditions of the Intercreditor Agreement. HSBC is hereby notified that HSBC shall be liable to Encina for any and all damages caused by HSBC's knowing and willful breach of the terms and conditions of the Intercreditor Agreement.

Encina hereby expressly reserves all rights, remedies, powers, and privileges under the Credit Agreement and the Intercreditor Agreement. Nothing herein or in any other communication with Encina shall be deemed an agreement by Encina to forbear from exercising any and all of its rights, remedies, powers, and privileges. Encina hereby reserves the right to take such actions and to exercise its rights, remedies, powers, and privileges as entitled pursuant to the Credit Agreement, the Intercreditor Agreement, and applicable law at such times as it, in its sole and exclusive discretion, deems appropriate or necessary.

Very truly yours,

Reference is further made to that certain Pledge Agreement, dated as of September 6, 2019 (the “**Pledge Agreement**”), entered into by and between Encina and Q'Max America Inc. (“**Q'Max**”).

Please be advised that one or more Events of Default have occurred under the Credit Agreement, which constitute one or more Events of Default under the Pledge Agreement. Accordingly, Q'Max is hereby notified that, EFFECTIVE IMMEDIATELY:

1. Encina hereby exercises its rights as proxy and attorney in fact pursuant to the Pledge Agreement, and discharges and terminates Q'Max as Managing Member of the Borrower;

2. Encina hereby appoints CR3 Partners, LLC (“**CR3**”) as the interim manager of the Borrower with all the rights specified in the Second Amended and Restated Limited Liability Company Agreement of the Borrower as specified for the Member-Manager.

3. Encina hereby exercises its rights as proxy and attorney in fact pursuant to the Pledge Agreement, and discharges and terminates the following officers of the Borrower Rafael Andres Diaz-Granados, Eric Glover, Chris Rivers, Brad Billon, Mark Margavio, Celina Carter and Jocelyn Rivera; and

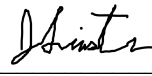

4. Encina hereby adopts and ratifies the Engagement Agreement, dated May 21, 2020, entered into by and among Q'Max, the Borrower, and CR3, and hereby confirms the appointment of James Katchadurian of CR3 as the Chief Restructuring Officer of the Borrower.

Dear Sir:

Anchor Drilling Fluids USA, LLC

We are in receipt of your two letters on behalf of Encina, both dated May 22, 2020, to Mr. Irving from HSBC and Ms. Carter from Q'Max America Inc. ("**Q'Max America**", and collectively with the broader Q'Max entity group, the "**Q'Max Group**"), each of which were copied to my attention.

Capitalized terms not otherwise defined herein are as defined in your letters or the Intercreditor Agreement, as applicable.

In response to your letter to Mr. Irving, we note the following:

- (a) Encina clearly received copies of the Notices, which were prepared in conjunction with the Q'Max Group's proposed but since adjourned and perhaps abandoned creditor protection application under the *Companies' Creditors Arrangement Act*. Encina and the Lenders were both in constant communication with the Q'Max Group as senior secured creditors and potential priority DIP lenders. In any event, the Intercreditor Agreement provides that any failure by HSBC to provide Encina with notices that are required under applicable law (such as the Notices) will not impair HSBC's rights;
- (b) the Intercreditor Agreement only requires HSBC to provide a notice about the ABL Priority Collateral in the context of a foreclosure or sale, however, the Notices were not delivered by HSBC in respect of a foreclosure or sale. They are 10-day notices of a potential future intention to enforce security required under Canadian law;
- (c) the terms of the Intercreditor Agreement restrict HSBC from exercising remedies against the ABL Priority Collateral; however, HSBC's intention is to apply for the appointment of a receiver and manager over all of HSBC's security in Canada and the United States, expressly excluding the ABL Priority Collateral, in accordance with the terms of the Intercreditor Agreement; and
- (d) similarly Encina is required under the Intercreditor Agreement to provide Notice of an intended foreclosure or sale and is prohibited from exercising remedies as against HSBC's Parent Facility

Priority Collateral, which would include Anchor Drilling Fluid USA, LLC's ("**Anchor**") assets, equipment, inventory, goodwill and all Anchor assets and attributes other than its share capital, receivables and certain other property constituting the ABL Priority Collateral.

Somewhat remarkably, mere hours after reminding HSBC of its obligations under the Intercreditor Agreement, we received your May 22, 2020 correspondence to Q'Max America. There, you confirmed, *inter alia*, the appointment of a Chief Restructuring Officer ("**CRO**") pursuant to an Engagement Agreement dated May 21, 2020 (the "**Engagement**"). A copy of this Engagement was not enclosed and we request a copy be delivered forthwith.

Such is of some significant concern to HSBC because you state "CR3 [the CRO] has and shall have sole and exclusive authority over the management and business and assets of the Borrower."

The assets of the Borrower include valuable assets that are subject to the priority of the Agent, contrary to the terms of the Intercreditor Agreement. Any dissipation, destruction, conversion, sale or use of the Agent's Parent Facility Priority Collateral is at the risk, expense and account of Encina and its appointed CRO.

As you are no doubt aware, the Intercreditor Agreement prevents Encina from the Exercise of Any Secured Creditor Remedies unilaterally, to the detriment of the Parent Facility Priority Collateral of HSBC and the lenders in HSBC's syndicate. We trust that Encina is not taking and will not take any steps to enforce, or to exercise any secured creditor remedies, against any Parent Facility Priority Collateral (as defined in the Intercreditor Agreement).

As requested above, please provide a copy of such Engagement to me immediately so the impact of same on HSBC and the Parent Facility Priority Collateral and its compliance or contravention of the terms of the Intercreditor Agreement can be evaluated.

HSBC expressly reserves all rights, remedies, powers, and privileges under the Intercreditor Agreement as against Encina.

Yours truly,

Question No. 10 – Are any bankruptcy cases pending or being filed by a business partner or an affiliate of the debtor?

**WRITTEN CONSENT
OF THE SOLE MEMBER OF
ANCHOR DRILLING FLUIDS USA, LLC**

May 24, 2020

The undersigned, being the sole member of Anchor Drilling Fluids USA, LLC, a member-managed Delaware limited liability company (the “**Company**”), does hereby adopt, vote for, consent to and approve the following resolutions:

WHEREAS, since 2019, the Company and its affiliates have been focused on a permanent and comprehensive solution to its challenged fiscal circumstances to improve its capital structure, reduce its debt levels, improve liquidity and strengthen its financial position in order to be able to achieve its business objectives and maximize value for all stakeholders; and

WHEREAS, despite the Company’s and its affiliates’ efforts to navigate prolonged difficult industry conditions and improve its capital structure, the Company has continued to be negatively impacted by continued and further reductions in rig activity levels, significant decreases in operating receipts and collection challenges with a major Mexican customer; and

WHEREAS, in late April 2020, it became apparent that the Company and its affiliates would not be in a position to continue operating as a going-concern without access to immediate additional liquidity. The Company and its affiliates began discussions with the HSBC Lending Syndicate in February 2020 and entered into various credit agreement amendments that relieve or modify covenants to address financial pressure; and

WHEREAS, as a result, the Company and its affiliates determined to commence a restructuring plan (the “**Restructuring Plan**”). The Restructuring Plan was developed in consultation with the Company’s and its affiliates’ professional and financial advisors and would be implemented through a proceeding filed under the Companies’ Creditors Arrangement Act in Canada along with a case under chapter 15 of the United States Bankruptcy Code (collectively, the “**Proceedings**”); and

WHEREAS, in order for the Restructuring Plan to be successful, the Company and its affiliates began negotiating with the HSBC Lending Syndicate and Encina Business Credit, LLC (“**Encina**”) for additional loans to fund the Restructuring Plan in the Proceedings; and

WHEREAS, during April through May 2020, the Company and its affiliates and their professional advisors undertook a significant number of negotiations and term sheet drafts among the Company, the HSBC Lending Syndicate and Encina for additional liquidity to fund the Restructuring Plan in the Proceedings. These negotiations were difficult and protracted; and

WHEREAS, on May 17, 2020, the HSBC Lending Syndicate advised that they would not provide any funding for the Restructuring Plan in the Proceedings and would object to the Company and its affiliates commencing the Proceedings; and.

WHEREAS, consequently, the Company and its affiliates continued negotiations with Encina to fund debtor-in-possession financing in a chapter 11 case under the United States Bankruptcy Code for the Company, Central Procurement Inc. (“**Central**”) and Q’Max America Inc. (“**Q’Max America**” and collectively with the Company, the “**U.S. Subsidiaries**”). Negotiations continued with Encina under the chapter 11 option during the month of May. One of the purposes of the chapter 11 proceeding was to implement a sale process to consummate an asset purchase transaction pursuant to which Palladium Equity Partners IV, L.P., an affiliate of certain stockholders of the Company (“**Palladium**”) would sponsor a new entity (“**PurchaseCo**”) to make a stalking horse bid to acquire certain of the assets and ongoing business of the U.S. Subsidiaries (“**ProfitCo**”) (such sale, the “**Sale Transaction**”); and

WHEREAS, as an additional benefit of continuing the business of ProfitCo as going concern, the Sale Transaction would preserve the jobs of more than 100 employees in Texas, Ohio, Pennsylvania and New York and such employees would continue as employees of ProfitCo; and

WHEREAS, ultimately, on May 19, 2020 Encina indicated it was unwilling to fund a chapter 11 case to support the process for the Sale Transaction because of insufficient borrowing base under their ABL facility; and

WHEREAS, at the time of Encina’s decision not to fund a chapter 11 case, the liquidity position of the U.S. Subsidiaries would not allow them to operate any further; and

WHEREAS, as a result, the U.S. Subsidiaries have explored every option to restructure their financial affairs, but without additional liquidity from the HSBC Lending Syndicate and/or Encina no viable options are available; and

WHEREAS, Palladium has indicated it would be willing to provide additional liquidity and pursue the Sale Transaction in Chapter 7 proceedings of the U.S. Subsidiaries if the Chapter 7 trustee were willing to continue operations until the Sale Transaction could be approved and consummated; and

WHEREAS, in the judgment of the sole member of the Company, it is desirable and in the best interest of the U.S. Subsidiaries to cause a petition to be filed by each of the U.S. Subsidiaries seeking relief under the provisions of chapter 7 of title 11, United States Code (the “**Bankruptcy Code**”), and for the Chapter 7 trustee to pursue a sale of ProfitCo to PurchaseCo or an alternative bidder through the chapter 7 process in accordance with the provisions of the Bankruptcy Code and other applicable law.

NOW, THEREFORE, BE IT

RESOLVED, that it is desirable and in the best interest of the Company and its creditors, stockholders, and other interested parties to authorize the Company to cause a petition to be filed in the name of the Company (the “**Chapter 7 Petition**”) seeking relief under the provisions of chapter 7 of the Bankruptcy Code; and it is further

RESOLVED, that the Authorized Officers of the Company be, and they hereby are, authorized and directed to employ any other firm as professionals, appraisers or consultants to the Company as are deemed necessary to represent and assist the Company in carrying out its duties under the Bankruptcy Code and, in connection therewith, the Authorized Officers of the Company are hereby authorized and directed to execute appropriate retention agreements and pay appropriate retainers; and it is further

RESOLVED, that all acts lawfully done or actions lawfully taken by any Authorized Officers to seek relief under chapter 7 of the Bankruptcy Code or in connection with the chapter 7 case, or any matter related thereto, be, and hereby are, adopted, ratified, confirmed and approved in all respects; and it is further

Operational Actions

RESOLVED, that the Authorized Officers are authorized to take such actions as they deem necessary in connection with the preparation for filing of the chapter 7 case, including without limitation, paying final payrolls and related payroll taxes, sales taxes and other trust fund taxes prior to such filings, terminating the employment of such employees as such members, directors and Authorized Officers determine to be appropriate, terminating the 401k plan of the Company and pursuing the sale of all its assets other than those included in ProfitCo (the “*Other Asset Sales*”); and it is further

Sale of ProfitCo

RESOLVED, that the Authorized Officers are authorized to pursue negotiations for the sale of the assets comprising ProfitCo to PurchaseCo and to enter into an Asset Purchase Agreement on the terms and conditions for such sale set forth in the Asset Purchase Agreement attached hereto as Exhibit A, with such changes therein as the Authorized Officers may approve, such approval to be evidenced by their execution thereof; and it is further

General Authorizing Resolutions

RESOLVED, that the Authorized Officers be, and each of them, hereby is authorized to make, enter into, execute, deliver and file any and all other or further agreements, documents, certificates, materials and instruments, and to take or cause to be taken any and all other actions as any such Authorized Officers deem to be necessary, appropriate or advisable to carry out the purposes of the foregoing resolutions and the transactions contemplated thereunder or to successfully complete the filing of the chapter 7 case and the sale of ProfitCo and the Other Asset Sales; and it is further

RESOLVED, that all authorized acts, transactions, or agreements undertaken prior to the adoption of these resolutions by any such Authorized Officers in connection with the foregoing matters are hereby authorized, approved, ratified and confirmed.

- (c) all Liabilities first arising from or after the Closing (i) as a direct result of the ownership or operation of any of the Acquired Assets, and (ii) under the Assumed Contracts as a result of the assumption by the Buyer of such Assumed Contracts.

2.4 Assignment and Assumption of Contracts.

(a) The Sale Order shall provide for the assumption by Sellers, and the assignment to the extent legally capable of being assigned by Sellers to Buyer, of the Designated Contracts pursuant to section 365 of the Bankruptcy Code on the terms and conditions set forth in the remainder of this Section 2.4. At Buyer’s request, and at Buyer’s sole cost and expense, Sellers shall reasonably cooperate from the date hereof forward with Buyer as reasonably requested by Buyer (i) to allow Buyer to enter into an amendment of any Lease upon assumption of such Lease by Buyer (and Sellers shall reasonably cooperate with Buyer to the extent reasonably requested by Buyer in negotiations with the landlords thereof), or (ii) to otherwise amend any Lease to the extent such amendments would not adversely affect any Seller; provided that Sellers shall not be required to enter into any such amendment if such amendment would result in an assumption by any Seller of such Lease, unless such Lease will be assigned to Buyer at the time of such assumption.

(b) Attached hereto as Schedule 2.4(b) is a list, which list may be changed by the Buyer in its sole discretion by adding or removing Executory Contracts or Leases or moving Executory Contracts or Leases between subpart (i) and subpart (ii), from time to time, prior to the Designation Deadline, identifying the Executory Contracts and Leases that Buyer has decided will be assumed and assigned to Buyer on the Closing Date (the Executory Contracts and Leases listed as of the Designation Deadline, the “Designated Contracts”). In connection with the serving of the Sale Motion, the applicable Seller shall file with the Bankruptcy Court and serve notice by first class mail on all non-debtor counterparties to all Designated Contracts (such notice, an “Assumption Notice”), and provide a copy of the same to Buyer, and at the Closing shall assume and assign to, and Buyer shall accept the assignment of and assume such Executory Contract or Lease. In connection with the serving of the Sale Motion, the applicable Seller shall file a notice of rejection as of the Closing Date of every Executory Contract and Lease that is not a Designated Contract (“Excluded Contracts”). (e) The Parties shall use their commercially reasonable efforts, and cooperate with each other to obtain any counterparty or third party consent (“Consent”) that is required to assume and assign to Buyer any Designated Contract; provided, however, that none of the Parties or any of their respective Affiliates shall be required to pay any consideration therefor other than filing, recordation or similar fees, which shall be borne by Buyer. To the extent that any such Consent is not obtained by the Closing Date, the applicable Seller so long as it is in existence, shall use reasonable best efforts (at Buyer’s sole cost) during the term of such Designated Contract to (i) provide to Buyer the benefits under such Designated Contract, (ii) cooperate in any reasonable and lawful arrangement, including holding such Designated Contract in trust for Buyer pending receipt of the required Consent, designed to provide such benefits to Buyer and (iii) enforce for the account of Buyer any rights of such Seller under such Designated Contract, including the right to elect to terminate such Designated Contract in accordance with the terms thereof upon the written direction of Buyer. Buyer shall reasonably cooperate with Sellers in order to enable Sellers to provide to Buyer the benefits contemplated by this Section 2.4(e).

(f) Notwithstanding the foregoing, a Contract shall not be a Designated Contract hereunder and shall not be assigned to, or assumed by, Buyer to the extent that such Contract (i) is rejected by a Seller in accordance with the terms hereof, deemed rejected under Section 365 of the Bankruptcy Code, or terminated by the other party thereto or terminates or expires in accordance with its terms on or prior to the Designation Deadline and is not continued or otherwise extended prior to or upon assumption and assignment, or (ii) requires a Consent of any Governmental Entity or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the assumption and assignment by Seller to Buyer of such Contract pursuant to Section 365 of the Bankruptcy Code, and no such Consent has been obtained prior to the Closing. In addition, a Permit shall not be assigned to, or assumed by, Buyer to the extent that such Permit requires a Consent of any Governmental Entity or other third party (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Buyer of Sellers’ rights under such Permit, and no such Consent has been obtained prior to the Closing.

2.5 Excluded Liabilities. **WRITTEN CONSENT
OF THE SOLE DIRECTOR OF
Q'MAX AMERICA INC.**

May 24, 2020

The undersigned, being the sole director of Q'Max America Inc., a Delaware corporation (the “**Company**”), does hereby adopt, vote for, consent to and approve the following resolutions:

WHEREAS, since 2019, the Company and its affiliates have been focused on a permanent and comprehensive solution to its challenged fiscal circumstances to improve its capital structure, reduce its debt levels, improve liquidity and strengthen its financial position in order to be able to achieve its business objectives and maximize value for all stakeholders; and

WHEREAS, despite the Company’s and its affiliates’ efforts to navigate prolonged difficult industry conditions and improve its capital structure, the Company has continued to be negatively impacted by continued and further reductions in rig activity levels, significant decreases in operating receipts and collection challenges with a major Mexican customer; and

WHEREAS, in late April 2020, it became apparent that the Company and its affiliates would not be in a position to continue operating as a going-concern without access to immediate additional liquidity. The Company and its affiliates began discussions with the HSBC Lending Syndicate in February 2020 and entered into various credit agreement amendments that relieve or modify covenants to address financial pressure; and

WHEREAS, as a result, the Company and its affiliates determined to commence a restructuring plan (the “**Restructuring Plan**”). The Restructuring Plan was developed in consultation with the Company’s and its affiliates’ professional and financial advisors and would be implemented through a proceeding filed under the Companies’ Creditors Arrangement Act in Canada along with a case under chapter 15 of the United States Bankruptcy Code (collectively, the “**Proceedings**”); and

WHEREAS, in order for the Restructuring Plan to be successful, the Company and its affiliates began negotiating with the HSBC Lending Syndicate and Encina Business Credit, LLC (“**Encina**”) for additional loans to fund the Restructuring Plan in the Proceedings; and

WHEREAS, during April through May 2020, the Company and its affiliates and their professional advisors undertook a significant number of negotiations and term sheet drafts among the Company, the HSBC Lending Syndicate and Encina for additional liquidity to fund the Restructuring Plan in the Proceedings. These negotiations were difficult and protracted; and

WHEREAS, on May 17, 2020, the HSBC Lending Syndicate advised that they would not provide any funding for the Restructuring Plan in the Proceedings and would object to the Company and its affiliates commencing the Proceedings; and.

WHEREAS, consequently, the Company and its affiliates continued negotiations with Encina to fund debtor-in-possession financing in a chapter 11 case under the United States Bankruptcy Code for the Company, Central Procurement Inc. (“**Central**”) and Anchor Drilling Fluids USA LLC (“**Anchor**” and collectively with the Company, the “**U.S. Subsidiaries**”). Negotiations continued with Encina under the chapter 11 option during the month of May. One of the purposes of the chapter 11 proceeding was to implement a sale process to consummate an asset purchase transaction pursuant to which Palladium Equity Partners IV, L.P., an affiliate of certain stockholders of the Company (“**Palladium**”) would sponsor a new entity (“**PurchaseCo**”) to make a stalking horse bid to acquire certain of the assets and ongoing business of the U.S. Subsidiaries (“**ProfitCo**”) (such sale, the “**Sale Transaction**”); and

WHEREAS, as an additional benefit of continuing the business of ProfitCo as going concern, the Sale Transaction would preserve the jobs of more than 100 employees in Texas, Ohio, Pennsylvania and New York and such employees would continue as employees of ProfitCo; and

WHEREAS, ultimately, on May 19, 2020 Encina indicated it was unwilling to fund a chapter 11 case to support the process for the Sale Transaction because of insufficient borrowing base under their ABL facility; and

WHEREAS, at the time of Encina’s decision not to fund a chapter 11 case, the liquidity position of the U.S. Subsidiaries would not allow them to operate any further; and

WHEREAS, as a result, the U.S. Subsidiaries have explored every option to restructure their financial affairs, but without additional liquidity from the HSBC Lending Syndicate and/or Encina no viable options are available; and

WHEREAS, Palladium has indicated it would be willing to provide additional liquidity and pursue the Sale Transaction in Chapter 7 proceedings of the U.S. Subsidiaries if the Chapter 7 trustee were willing to continue operations until the Sale Transaction could be approved and consummated; and

WHEREAS, in the judgment of the sole director of the Company, it is desirable and in the best interest of the U.S. Subsidiaries to cause a petition to be filed by each of the U.S. Subsidiaries seeking relief under the provisions of chapter 7 of title 11, United States Code (the “**Bankruptcy Code**”), and for the Chapter 7 trustee to pursue a sale of ProfitCo to PurchaseCo or an alternative bidder through the chapter 7 process in accordance with the provisions of the Bankruptcy Code and other applicable law.

It is the position of the Agent and the Lenders that the Borrower and the Guarantors are in default of the Credit Agreement, the Guarantees, the Security Documents and the other above listed agreements, as applicable, for, among other things, failing to meet certain financial covenants set out in the Credit Agreement.

May 12, 2020

In addition to the per diem interest, the amounts owing will be increased by any costs incurred by the Agent and the Lenders in connection with the collection of the Outstanding Amounts and the enforcement of the Agent and the Lenders' security interests under the Security Documents.

Demand is hereby made upon the Borrowers and the Guarantors for payment in full of the Outstanding Amounts together with any accrued interest and other legal fees or charges that may arise. In the event that payment is not made in full by close of business on **May 22, 2020**, or the Agent and the Lenders determine that their collateral is at risk, the Agent and the Lenders will take such steps as they may consider necessary to protect their position.

Also enclosed for service upon you are Notices of Intention to Enforce Security provided in accordance with the provisions of the *Bankruptcy and Insolvency Act*. If you consent to the Agent and the Lenders taking earlier enforcement, please return the consent executed by a duly executed officer of each of the Borrower and the Guarantors.

Notwithstanding delivery of this demand and the enclosed Notices, the Lenders are supportive of ongoing marketing efforts to facilitate sales of various assets, division and/or subsidiaries within the Q'Max enterprise, including in relation to Q'Max's operations in Mexico, Colombia and the Middle East / Northern Africa.

Yours very truly,
